Secured Notes Indenture

On October 9, 2018 (the “Closing Date”), WMG Acquisition Corp. (the “Issuer”), an indirect, wholly-owned subsidiary of Warner Music Group Corp. (the “Company”), issued and sold €250 million in aggregate principal amount of its 3.625% Senior Secured Notes due 2026 (the “Notes”) under the Indenture, dated as of November 1, 2012 (the “Secured Notes Base Indenture”), among the Issuer, the guarantors party thereto, Credit Suisse AG, as Notes Authorized Agent and Collateral Agent, and Wells Fargo Bank, National Association, as Trustee (the “Trustee”), as supplemented by the Eighth Supplemental Indenture, dated as of October 9, 2018 (the “Eighth Supplemental Indenture”) and, together with the Secured Notes Base Indenture, the “Secured Notes Indenture”), among the Issuer, the guarantors party thereto and the Trustee.

Interest on the Notes will accrue at the rate of 3.625% per annum and will be payable semi-annually in arrears on April 15 and October 15, commencing on April 15, 2019.

Ranking

The Notes are the Issuer’s senior secured obligations and are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the Notes, including the Existing Secured Notes and the Credit Facilities (each as defined below). The Notes rank senior in right of payment to the Issuer’s existing and future subordinated indebtedness; rank equally in right of payment with all of the Issuer’s existing and future senior indebtedness, including the Issuer’s 5.500% Senior Notes due 2026 (the “Existing Unsecured Notes”), the Issuer’s 5.000% Senior Secured Notes due 2023 (the “5.000% Existing Secured Notes”), the Issuer’s 5.625% Senior Secured Notes due 2022 (the “5.625% Existing Secured Notes”), the Issuer’s 4.125% Senior Secured Notes due 2024 (the “4.125% Existing Secured Notes”) and the Issuer’s 4.875% Senior Secured Notes due 2024 (the “4.875% Existing Secured Notes”) and, together with the 5.000% Existing Secured Notes, the 5.625% Existing Secured Notes and the 4.125% Existing Secured Notes, the “Existing Secured Notes”) and indebtedness under the Issuer’s senior secured revolving credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the “Revolving Credit Facility”) and the Issuer’s senior secured term loan credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the “Term Credit Facility”) and, together with the Revolving Credit Facility, the “Credit Facilities”) and any future senior secured credit facility; are effectively senior to the Issuer’s unsecured senior indebtedness, including the Existing Unsecured Notes, to the extent of the value of the collateral securing the Notes; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Issuer’s non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors (as such term is defined below)).

Guarantees

The Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Issuer’s existing direct or indirect wholly-owned domestic restricted subsidiaries and by any such subsidiaries that guarantee obligations of the Issuer under the Credit Facilities, subject to customary exceptions. Such subsidiary guarantors are collectively referred to herein as the “subsidiary guarantors,” and such subsidiary guarantees are collectively referred to herein as the “subsidiary guarantees.” Each subsidiary guarantee is a senior secured obligation of such subsidiary guarantor and is secured on an equal and ratable basis with all existing and future obligations of such subsidiary guarantor that are secured with the same security arrangements as the guarantee of the Notes (including the subsidiary guarantor’s guarantee of obligations under the Existing Secured Notes and the Credit Facilities). Each subsidiary guarantee ranks senior in right of payment to all subordinated obligations of the subsidiary guarantor; is effectively senior to the subsidiary guarantor’s existing unsecured obligations, including the subsidiary guarantor’s guarantee of the Existing Unsecured Notes, to the extent of the collateral securing such guarantee; ranks equally in right of payment with all of the subsidiary guarantor’s existing and future senior obligations, including the subsidiary guarantor’s guarantee of the Credit Facilities and any future senior secured credit facility, the Existing Secured Notes and the Existing Unsecured Notes; and is structurally subordinated in right of payment to all existing

and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors). Any subsidiary guarantee of the Notes may be released in certain circumstances. On the Closing Date, the Company issued a guarantee whereby it fully and unconditionally guaranteed (the “Guarantee”) the payments of Issuer on the Notes. A copy of the Guarantee is attached as Exhibit 4.1 hereto and incorporated herein by reference. The foregoing description of the Guarantee does not purport to be complete and is qualified in its entirety by reference to the full text of the Guarantee.

Optional Redemption

At any time prior to October 15, 2021, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes (including the aggregate principal amount of any additional securities constituting the same series) issued under the Secured Notes Indenture, at its option, at a redemption price equal to 103.625% of the principal amount of the Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more equity offerings by the Issuer or any contribution to the Issuer’s common equity capital made with the net cash proceeds of one or more equity offerings by the Issuer’s direct or indirect parent; *provided that*:

(1) at least 50% of the aggregate principal amount of the Notes originally issued under the Secured Notes Indenture (including the aggregate principal amount of any additional securities constituting the same series issued under the Secured Notes Indenture) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such equity offering.

The Notes may be redeemed, in whole or in part, at any time prior to October 15, 2021, at the option of the Issuer, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable make-whole premium as of, and accrued and unpaid interest thereon, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after October 15, 2021, the Issuer may redeem all or a part of the Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, on the Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on October 15 of the years indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2021 | 101.813% |
| 2022 | 100.906% |
| 2023 and thereafter | 100.000% |

In addition, during any 12-month period prior to October 15, 2021, the Issuer will be entitled to redeem up to 10% of the original aggregate principal amount of the Notes (including the principal amount of any additional securities of the same series) at a redemption price equal to 103.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Change of Control

Upon the occurrence of a change of control, which is defined in the Secured Notes Base Indenture, each holder of the Notes has the right to require the Issuer to repurchase some or all of such holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The Secured Notes Indenture contains covenants limiting, among other things, the Issuer's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; and enter into certain transactions with its affiliates.

Events of Default

The Secured Notes Indenture also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on Notes to become or to be declared due and payable.

The Notes were issued under the Secured Notes Base Indenture, a copy of which is attached as Exhibit 4.1 to Warner Music Group Corp.'s Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission on November 7, 2012, and the Eighth Supplemental Indenture, a copy of which is attached hereto as Exhibit 4.3 and each of which is incorporated herein by reference. The foregoing description of the Eighth Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Eighth Supplemental Indenture.

In connection with the issuance of the Notes, on October 2, 2018, the Issuer swapped €49,500,000 of the net proceeds of such issuance into U.S. dollars at an exchange rate of 1.1560 pursuant to arrangements with Credit Suisse Securities (USA) LLC.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information contained in Item 1.01 concerning the Issuer's direct financial obligations under the Notes is incorporated herein by reference.

WHEREAS, Section 9.01(8) of the Indenture provides that the Company may provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date;

WHEREAS, in connection with the issuance of the 2026 Euro Notes (as defined herein), the Company has duly authorized the execution and delivery of this Supplemental Indenture to establish the forms and terms of the 2026 Euro Notes as hereinafter described; and

WHEREAS, pursuant to Section 9.01 of the Indenture, the parties hereto are authorized to execute and deliver this Supplemental Indenture to amend the Indenture, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, the Subsidiary Guarantors and the Trustee mutually covenant and agree for the benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. Title of Notes. There shall be a series of Notes of the Company designated the "3.625% Senior Secured Notes due 2026" (the "2026 Euro Notes"), which Notes shall be Euro-denominated.
3. Maturity Date. The Maturity Date of the 2026 Euro Notes shall be October 15, 2026.
4. Interest and Interest Rates. Interest on the outstanding principal amount of 2026 Euro Notes will accrue at the rate of 3.625% per annum and will be payable semi-annually in arrears on April 15 and October 15 in each year, commencing on April 15, 2019, to holders of record on the immediately preceding April 1 and October 1, respectively (each such April 1 and October 1, a "Record Date"). Interest on the 2026 Euro Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from October 9, 2018, except that interest on any Additional 2026 Euro Notes (as defined below) issued on or after the first Interest Payment Date (and Exchange Notes issued in

exchange therefor) will accrue (or will be deemed to have accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2026 Euro Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2026 Euro Notes (or if the date of issuance of such Additional 2026 Euro Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2026 Euro Note and any Exchange Notes issued in exchange therefor are surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of 2026 Euro Notes that may be authenticated and delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2026 Euro Notes shall initially be €250 million. The Company may from time to time, without the consent of the Holders (but subject to the limitations in Article IV of the Indenture), create and issue Additional Notes having the same terms and conditions as the 2026 Euro Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2026 Euro Notes (any such Additional Notes, "Additional 2026 Euro Notes"), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Company, as contemplated by Section 2.01 of the Indenture; *provided, however*, that if the Additional Notes are not fungible with the 2026 Euro Notes for United States federal income tax purposes, the Additional Notes will have a separate CUSIP, ISIN, Common Code or other similar identification number than the 2026 Euro Notes.

6. Redemption. (a) The 2026 Euro Notes may be redeemed, in whole or in part, at any time prior to October 15, 2021, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2026 Euro Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest thereon, if any, to, the applicable Redemption Date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date).

"Applicable Premium" means, with respect to any 2026 Euro Note on any applicable Redemption Date, the greater of:

- (1) 1.0% of the then outstanding principal amount of such 2026 Euro Note; and
- (2) the excess, if any, of:
 - (a) the present value at such redemption date of (i) the redemption price of the 2026 Euro Note at October 15, 2021 (such redemption price being set forth in the table appearing in Section 6(b)) plus (ii) all required remaining scheduled interest payments due on the 2026 Euro Note through October 15, 2021 (excluding accrued but unpaid interest to such redemption date), computed using a discount rate equal to the Bund Rate as of such redemption date plus 75.0 basis points; over

(b) the then outstanding principal amount of the 2026 Euro Note.

“**Bund Rate**” means, as of the applicable redemption date, the yield to maturity as of such redemption date of direct obligations of the Federal Republic of Germany (*Bunds* or *Bundesanleihen*) with a constant maturity (as officially compiled and published in the most recent financial statistics that have become publicly available at least two business days (but not more than five business days) prior to such redemption date (or, if such financial statistics are not so published or available, any publicly available source of similar market data selected by the Issuer in good faith)) most nearly equal to the period from such redemption date to October 15, 2021; provided, however, that if the period from such redemption date to October 15, 2021 is not equal to the constant maturity of the direct obligation of the Federal Republic of Germany for which a weekly average yield is given, the Bund Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of direct obligations of the Federal Republic of Germany for which such yields are given, except that if the period from such redemption date to October 15, 2021 is less than one year, the weekly average yield on actually traded direct obligations of the Federal Republic of Germany adjusted to a constant maturity of one year shall be used; provided that if the Bund Rate determined in accordance with the foregoing shall be less than zero, the Bund Rate shall be deemed to be zero for all purposes of the Indenture.

(b) On or after October 15, 2021, the Company may redeem all or a part of the 2026 Euro Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the 2026 Euro Notes to be redeemed to the applicable Redemption Date, if redeemed during the twelve-month period beginning on October 15 of the years indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2021 | 101.813% |
| 2022 | 100.906% |
| 2023 and thereafter | 100.000% |

(c) At any time prior to October 15, 2021, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of 2026 Euro Notes (including the aggregate principal amount of any Additional 2026 Euro Notes) issued under the Indenture, at its option, at a redemption price equal to 103.625% of the principal amount of the 2026 Euro Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of Holders on the relevant Record Date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings by the Company or any contribution to the Company’s common equity capital made with the net cash proceeds of one or more Equity Offerings by the Company’s direct or indirect parent; *provided* that:

(i) at least 50% of the aggregate principal amount of 2026 Euro Notes originally issued under the Indenture (including the aggregate principal amount of any Additional 2026 Euro Notes) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such Equity Offering.

(d) In addition, during any twelve-month period prior to October 15, 2021, the Company may redeem up to 10% of the original aggregate principal amount of the 2026 Euro Notes (including the principal amount of any Additional 2026 Euro Notes at a redemption price equal to 103.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(e) The Company may acquire 2026 Euro Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

(f) Any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering, other offering or other corporate transactions or events. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

(g) Notwithstanding the foregoing, in connection with any tender for 2026 Euro Notes, if Holders of not less than 90% in the aggregate principal amount of the outstanding 2026 Euro Notes validly tender and do not withdraw such 2026 Euro Notes in such tender offer and the Company, or any other Person making such tender offer, purchases all of the 2026 Euro Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the 2026 Euro Notes that remain outstanding following such purchase at a price in cash equal to the price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the date of redemption (subject to the rights of Holders of 2026 Euro Notes on the relevant record date to receive interest on the relevant interest payment date).

(b) Section 1.05 is added as follows:

“SECTION 1.05. Limited Condition Transaction.

In connection with any Limited Condition Transaction, at the Issuer’s election, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given. For the avoidance of doubt, if the Issuer has exercised its option under the first sentence of this Section 1.05, and any Default or Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Indenture which requires the calculation of the Fixed Charge Coverage Ratio or the Senior Secured Indebtedness to EBITDA Ratio; or

(ii) testing baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated Tangible Assets);

in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds of such incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio, basket or amount, such ratio, basket or amount shall be deemed to have been complied with. For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in exchange rates or in EBITDA or Consolidated Tangible Assets of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or amount with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Sales, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or amount shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds thereof) have been consummated."

“SECTION 4.17. Reports to Holders.

(a) The Issuer will furnish to the Trustee and the Holders of Notes, as their names and addresses appear in the note register, or make available on the Issuer’s website:

(1) within 90 days after the end of each fiscal year, annual audited consolidated financial statements for such fiscal year prepared in accordance with GAAP, together with a report on the annual financial statements by the Issuer’s certified independent accountants and a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” substantially similar to that which would be included in an Annual Report on Form 10-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, unaudited consolidated financial statements for such fiscal quarter prepared in accordance with GAAP, together with a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” substantially similar to that which would be included in a Quarterly Report on Form 10-Q (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating

financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(3) information substantially similar to the information that would be required to be included in a Current Report on Form 8-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form) pursuant to Item 1.01 (Entry Into a Material Definitive Agreement) (with respect to acquisitions and dispositions only), 1.03 (Bankruptcy or Receivership), 2.01 (Completion of Acquisition or Disposition of Assets), 4.01 (Changes in Registrant's Certifying Accountants) or 5.01 (Changes in Control of Registrant) of such form (and in any event excluding, for the avoidance of doubt, the financial statements, pro forma financial information and exhibits, if any, that would be required by Item 9.01 (Financial Statements and Exhibits) of such form), within 15 days after the date of filing that would have been required for a current report on Form 8-K; provided that no such information shall be required to be furnished if the Issuer determines in its good faith judgment that such information is not material to the Holders of the Notes or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole.

(b) In addition, the Issuer will make such information available to securities analysts and prospective investors upon request. (c) Notwithstanding the foregoing provisions of this Section 4.17, the Issuer will be deemed to have furnished the information referred to in clauses (a)(1), (2) and (3) above to the Trustee and the Holders of the Notes if the Issuer (or any parent company of the Issuer) has filed reports containing such information with the Commission via the EDGAR filing system and such reports are publicly available (it being understood that the Trustee shall not be responsible for determining whether such filings have been made, that delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable therefrom).

(d) In addition, if at any time any parent company of the Issuer incurs a guarantee of the Notes (there being no obligation of any parent company of the Issuer to do so) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be furnished to Holders of the Notes pursuant to this Section 4.17 may, at the option of the Issuer, be those of such parent company rather than the Issuer."

(b) the Issuer has paid or caused to be paid all sums payable by it under the Notes of such series; and

(c) the Issuer has delivered irrevocable instructions to the Trustee under the Notes of such series to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.06, 2.07, 2.08, 2.09, 7.07, 8.05 and 8.06 shall survive until the Notes are no longer outstanding pursuant to the last paragraph of Section 2.09. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under the Notes and this Indenture except for those surviving obligations specified above."
