Warner Music Group Corp.
Notes to Condensed Consolidated Financial Statements (Unaudited)

1. Description of Business

Warner Music Group Corp. (the “Company”) was formed on November 21, 2003. The Company is the direct parent of WMG Holdings Corp. (“Holdings”), which is the direct parent of WMG Acquisition Corp. (“Acquisition Corp.”). Acquisition Corp. is one of the world’s major music entertainment companies. We classify our business interests into two fundamental operations: Recorded Music and Music Publishing.

Recorded Music Operations

Our Recorded Music business primarily consists of the discovery and development of recording artists and the related marketing, promotion, distribution, sale and licensing of music created by such recording artists. We play an integral role in virtually all aspects of the recorded music value chain from discovering and developing talent to producing, distributing and selling music to marketing and promoting recording artists and their music.

Music Publishing Operations

While Recorded Music is focused on marketing, promoting, distributing and licensing a particular recording of a musical composition, Music Publishing is an intellectual property business focused on generating revenue from uses of the musical composition itself. In return for promoting, placing, marketing and administering the creative output of a songwriter, or engaging in those activities for other rightsholders, our Music Publishing business shares the revenues generated from use of the musical compositions with the songwriter or other rightsholders.

2. Summary of Significant Accounting Policies

Interim Financial Statements

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with United States generally accepted accounting principles (“U.S. GAAP”) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all the information and notes required by U.S. GAAP for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three months ended December 31, 2023 are not necessarily indicative of the results that may be expected for the fiscal year ending September 30, 2024.

The consolidated balance sheet at September 30, 2023 has been derived from the audited consolidated financial statements at that date but does not include all the information and notes required by U.S. GAAP for complete financial statements.

For further information, refer to the consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2023 (File No. 001-32502).

Basis of Consolidation

The accompanying financial statements present the consolidated accounts of all entities in which the Company has a controlling voting interest and/or variable interest required to be consolidated in accordance with U.S. GAAP. All intercompany balances and transactions have been eliminated.

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 810, *Consolidation* (“ASC 810”) requires the Company first evaluate its investments to determine if any investments qualify as a variable interest entity (“VIE”). A VIE is consolidated if the Company is deemed to be the primary beneficiary of the VIE, which is the party involved with the VIE that has both (i) the power to control the most significant activities of the VIE and (ii) either the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. If an entity is not deemed to be a VIE, the Company consolidates the entity if the Company has a controlling voting interest. As of December 31, 2023 and September 30, 2023, there were approximately \$74 million and \$5 million of assets and \$2 million and \$2 million of liabilities, respectively, related to VIEs included in our condensed consolidated balance sheets.

The Company has performed a review of all subsequent events through the date the financial statements were issued and has determined that no additional disclosures are necessary.

Income Taxes

The Company uses the estimated annual effective tax rate method in computing its interim tax provision. Certain items, including those deemed to be unusual and infrequent are excluded from the estimated annual effective tax rate. In such cases, the actual tax expense or benefit is reported in the same period as the related item. Certain tax effects are also not reflected in the estimated annual effective tax rate, primarily certain changes in the realizability of deferred tax assets and uncertain tax positions, and are recorded in the period in which the change occurs.

Global Intangible Low-Taxed Income (“GILTI”) imposes U.S. taxes on the excess of a deemed return on tangible assets of certain foreign subsidiaries. The Company made an election to recognize GILTI tax in the specific period in which it occurs.

New Accounting Pronouncements

Accounting Pronouncements Not Yet Adopted

In November 2023, the FASB issued ASU 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*. The amendment enhances reportable segment disclosure requirements, primarily by requiring enhanced disclosures about significant segment expenses, reporting for interim periods, and Chief Operating Decision Maker (“CODM”) related information. The amendments in this ASU are effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024. The Company is in the process of evaluating the effect that the adoption of these standards will have on its consolidated financial statements.

In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*. The amendment enhances income tax disclosure requirements, by requiring enhanced disclosures on the income tax rate reconciliation and income taxes paid. The amendments in this ASU are effective for fiscal years beginning after December 15, 2024. The Company is in the process of evaluating the effect that the adoption of these standards will have on its consolidated financial statements.

3. Earnings per Share

The Company utilizes the two-class method to report earnings per share. Basic earnings per share is computed by dividing net income available to each class of stock by the weighted average number of outstanding common shares for each class of stock. Diluted earnings per share is computed by dividing net income available to each class of stock by the weighted average number of outstanding common shares, plus dilutive potential common shares, which is calculated using the treasury-stock method. The potentially dilutive common shares did not have a dilutive effect on the Company’s EPS calculation for the three months ended December 31, 2023 and 2022, respectively.

The following table sets forth the calculation of basic and diluted net income per common share under the two-class method for the three months ended December 31, 2023 and 2022 (in millions, except share amounts, which are reflected in thousands, and per share data):

5. Acquisitions

On August 25, 2023, the Company purchased 51% of the issued and outstanding equity securities of TenThousand Projects Holdings LLC (“TenThousand Projects”), an independent U.S. record label pursuant to the terms of the unit purchase agreement of the same date among Warner Music Inc., a wholly-owned subsidiary of the Company, TenThousand Projects LLC, and Ten Thousand Projects Holdings LLC (the “Unit Purchase Agreement”). The consideration transferred on the acquisition date was approximately \$98 million which was comprised of the base purchase price of \$102 million and the preliminary working capital adjustments, primarily comprised of cash acquired, net of a deferred purchase price of \$12 million which is payable on or prior to one year from the acquisition date.

At December 31, 2023, the Company updated the purchase price allocation recorded at September 30, 2023, which resulted in a decrease to intangible assets of approximately \$1 million and a net increase to other acquired assets and liabilities of approximately \$3 million, with a corresponding net decrease to goodwill of approximately \$2 million. The acquisition accounting is subject to revision based on final determinations of fair value and allocations of purchase price to the identifiable assets and liabilities acquired, in addition to the determination of the final consideration, including the determination of the final working capital adjustment pursuant to the mechanism set forth in the Unit Purchase Agreement.

See Note 5, “Acquisitions,” to the consolidated financial statements included in the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2023 for the preliminary purchase price allocation, valuation methodology, and other information related to the TenThousand Projects acquisition.

6. Comprehensive Income

Comprehensive income, which is reported in the accompanying condensed consolidated statements of equity, consists of net income and other gains and losses affecting equity that, under U.S. GAAP, are excluded from net income. For the Company, the components of other comprehensive income primarily consist of foreign currency translation gains and losses, minimum pension liabilities, and deferred gains and losses on financial instruments designated as hedges under ASC 815, *Derivatives and Hedging*. The following summary sets forth the changes in the components of accumulated other comprehensive loss, net of related tax benefit of less than \$1 million:

The Company is the direct parent of Holdings, which is the direct parent of Acquisition Corp. Acquisition Corp. is party to a \$1,295 million senior secured term loan credit facility, pursuant to a credit agreement dated November 1, 2012, as amended or supplemented (the "Senior Term Loan Credit Agreement") with JPMorgan Chase Bank NA, as administrative agent and collateral agent, and the other financial institutions and lenders from time to time party thereto (the "Senior Term Loan Facility"). Additionally, as of December 31, 2023 Acquisition Corp. had issued and outstanding the 2.750% Senior Secured Notes due 2028, the 3.750% Senior Secured Notes due 2029, the 3.875% Senior Secured Notes due 2030, the 2.250% Senior Secured Notes due 2031 and the 3.000% Senior Secured Notes due 2031 (together, the "Acquisition Corp. All of the Acquisition Corp. Notes are guaranteed by all of Acquisition Corp.'s domestic wholly-owned subsidiaries. The guarantee of the Acquisition Corp. The Company and Holdings are holding companies that conduct substantially all of their business operations through Acquisition Corp. Accordingly, while Acquisition Corp. and its subsidiaries are not currently restricted from distributing funds to the Company and Holdings under the indentures for the Acquisition Corp. Notes or the credit agreements for the Acquisition Corp. Senior Credit Facilities, including the Revolving Credit Facility (as defined below) and the Senior Term Loan Facility, should Acquisition Corp.'s Total Indebtedness to EBITDA Ratio increase above 3.50:1.00 and the term loans not achieve an investment grade rating, the covenants under the Revolving Credit Facility, which are currently suspended, will be reinstated and the ability of the Company and Holdings to obtain funds from their subsidiaries will be restricted by the Revolving Credit Facility. The Company was in compliance with its covenants under its outstanding notes, the Revolving Credit Facility and the Senior Term Loan Facility as of December 31, 2023.

Fiscal 2024 Transactions

Revolving Credit Agreement Amendment

On November 30, 2023, Acquisition Corp. entered into an amendment (the “Revolving Credit Agreement Amendment”) to the revolving credit agreement, dated January 31, 2018, as amended, among Acquisition Corp., the several banks and other financial institutions party thereto and Credit Suisse AG, Cayman Islands Branch, as predecessor administrative agent, governing Acquisition Corp.’s revolving credit facility (the “Revolving Credit Facility”) with JPMorgan Chase Bank, N.A., as administrative agent, and the other financial institutions and lenders from time to time party thereto. The Revolving Credit Agreement Amendment (among other changes): (i) increased the commitments under the Revolving Credit Facility from an aggregate principal amount of \$300 million to an aggregate principal amount of \$350 million, (ii) extended the final maturity date of the Revolving Credit Facility from April 3, 2025 to November 30, 2028, (iii) appointed JPMorgan Chase Bank, N.A. as administrative agent in the place of Credit Suisse AG, Cayman Islands Branch, (iv) modified the existing springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant by increasing the springing threshold from \$105,000,000 to \$140,000,000, and (v) included provisions that allow Acquisition Corp. to terminate the security interests securing the obligations under the Revolving Credit Facility upon the satisfaction of the Collateral Suspension Conditions (as defined below) and, in the event that the security interests are so terminated, the existing springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant (which is calculated net of up to \$250 million of cash and cash equivalents held by Acquisition Corp. and its restricted subsidiaries) shall automatically be replaced with a new financial maintenance covenant prohibiting Acquisition Corp. from permitting the Total Indebtedness to EBITDA Ratio to be greater than 3.60:1.00 (calculated net of all cash and cash equivalents held by Acquisition Corp. and its restricted subsidiaries) as of the end of any fiscal quarter.

In the event that the security interests securing the obligations under the Facility are reinstated as a result of the occurrence of a Collateral Suspension Reversion Date (as defined below), the Total Indebtedness to EBITDA Ratio financial maintenance covenant shall revert back to a springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant set at 5.00:1.00.

For purposes the Revolving Credit Agreement Amendment, (i) “Collateral Suspension Conditions” means conditions that are satisfied if (x) the investment grade condition has been satisfied and (y) the aggregate outstanding principal amount of senior secured indebtedness incurred by Acquisition Corp. and its restricted subsidiaries is not in excess of \$500,000,000 and (ii) “Collateral Suspension Reversion Date” means, the earlier of (x) the date on which the Collateral Suspension Conditions cease to be satisfied or (y) the date on which Acquisition Corp. delivers a collateral suspension reversion notice to the Administrative Agent.

December 2023 Senior Term Loan Credit Agreement Amendment

On December 29, 2023, Acquisition Corp. entered into an amendment (the “Thirteenth Amendment”) to the Senior Term Loan Credit Agreement among Acquisition Corp., the other loan parties, Holdings, each lender party hereto, Credit Suisse AG, Cayman Islands Branch as the resigning administrative agent, and JPMorgan Chase Bank, N.A. as the successor administrative agent. The Thirteenth Amendment appointed JPMorgan Chase Bank, N.A. as administrative agent in the place of Credit Suisse AG, Cayman Islands Branch.

Interest Rates

The loans under the Revolving Credit Facility bear interest at Acquisition Corp.’s election at a rate equal to (i) the secured overnight financing rate as administered by the Federal Reserve Bank of New York for the applicable interest period (“Revolving Term SOFR”), and other rates for alternate currencies, such as EURIBOR and SONIA, as provided in the Revolving Credit Agreement, subject to a zero floor, plus 1.75% per annum in the case of Initial Revolving Loans (as defined in the Revolving Credit Agreement), or 1.875% per annum in the case of 2020 Revolving Loans (as defined in the Revolving Credit Agreement), or (ii) the base rate, which is the highest of (x) the corporate base rate established by the administrative agent from time to time, (y) 0.50% in excess of the overnight federal funds rate and (z) the one-month Revolving Term SOFR plus 1.0% per annum, plus, in each case, 0.75% per annum in the case of Initial Revolving Loans, or 0.875% per annum in the case of 2020 Revolving Loans; provided that, in respect of 2020 Revolving Loans, the applicable margin with respect to such loans is subject to adjustment as set forth in the pricing grid in the Revolving Credit Agreement. Based on the Senior Secured Indebtedness to EBITDA Ratio of 2.66x at December 31, 2023, the applicable margin for SOFR loans and RFR loans would be 1.375% instead of 1.875% and the applicable margin for ABR loans would be 0.375% instead of 0.875% in the case of 2020 Revolving Loans. If there is a payment default at any time, then the interest rate applicable to overdue principal will be the rate otherwise applicable to such loan plus 2.0% per annum. Default interest will also be payable on other overdue amounts at a rate of 2.0% per annum above the amount that would apply to an alternative base rate loan.

The loans under the Senior Term Loan Facility bear interest at Acquisition Corp.’s election at a rate equal to (i) the forward-looking term rate based on the secured overnight financing rate as administered by the Federal Reserve Bank of New York for the applicable interest period (“Term SOFR”) plus an adjustment based on the applicable interest period subject to a zero floor, plus 2.125% per annum or (ii) the base rate, which is the highest of (x) the corporate base rate established by the administrative agent as its prime rate in effect at its principal office in New York City from time to time, (y) 0.50% in excess of the overnight federal funds rate and (z) one-month Term SOFR, plus 1.00% per annum, subject to a 1.00% floor, plus, in each case, 1.125% per annum. If there is a payment default at any time, then the interest rate applicable to overdue principal and interest will be the rate otherwise applicable to such loan plus 2.0% per annum. Default interest will also be payable on other overdue amounts at a rate of 2.0% per annum above the amount that would apply to an alternative base rate loan.

The term loan entered into on January 27, 2023 (the “Term Loan Mortgage”) bears interest at a rate of 30-day SOFR plus the applicable margin of 1.40%, subject to a zero floor.

The Company has entered into, and in the future may enter into, interest rate swaps to manage interest rate risk. Please refer to Note 13 of our condensed consolidated financial statements for further discussion.

Interest expense, net includes interest expense related to our outstanding indebtedness of \$45 million and \$36 million for the three months ended December 31, 2023 and 2022, respectively. The weighted-average interest rate of the Company’s total debt was 4.6% at December 31, 2023, 4.1% at September 30, 2023, and 3.7% at December 31, 2022.

9. Restructuring

In March 2023, the Company announced a restructuring plan (the “Restructuring Plan”) intended to drive the evolution of the Company and position the Company for long-term growth, primarily through headcount reductions. The Restructuring Plan was substantially complete as of December 31, 2023, with related cash expenditures expected by the end of fiscal 2024. There were no restructuring costs recorded for the three months ended December 31, 2023. The following table sets forth the activity for the three months ended December 31, 2023 in the restructuring accrual included within accrued liabilities in the accompanying condensed consolidated balance sheets:

	Severance Costs

Balance at September 30, 2023	\$ 19
Restructuring charges	\$ —
Cash payments	\$ (8)
Balance at December 31, 2023	<u>\$ 11</u>

10. Commitments and Contingencies

From time to time the Company is involved in claims and legal proceedings that arise in the ordinary course of business. The Company is currently subject to several such claims and legal proceedings. Based on currently available information, the Company does not believe that resolution of pending matters will have a material adverse effect on its financial condition, cash flows or results of operations. However, litigation is subject to inherent uncertainties, and there can be no assurances that the Company's defenses will be successful or that any such lawsuit or claim would not have a material adverse impact on the Company's business, financial condition, cash flows and results of operations in a particular period. Any claims or proceedings against the Company, whether meritorious or not, can have an adverse impact because of defense costs, diversion of management and operational resources, negative publicity and other factors.

11. Equity

Stock-Based Compensation

The Company's stock-based compensation plans are described in Note 14, "Equity," to the consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2023. Stock-based compensation consists primarily of common stock, restricted stock units and market-based performance share units granted to eligible employees and executives under the Omnibus Incentive Plan.

For the three months ended December 31, 2023, the Company recognized a total of \$9 million of non-cash stock-based compensation expense which was recorded to additional paid-in capital. For the three months ended December 31, 2022, the Company recognized a total of \$14 million of non-cash stock-based compensation expense, of which \$4 million was recorded to additional paid-in capital and \$10 million was recorded as a share-based compensation liability. During the three months ended December 31, 2023, \$15 million of share-based compensation liabilities were reclassified to additional paid-in capital.

Common Stock

During the three months ended December 31, 2023, in connection with the Senior Management Free Cash Flow Plan (the "Plan"), the Company issued a total of 1,738,016 shares of Class A Common Stock to settle a portion of participants' deferred equity units previously issued under the Plan. Additionally, a Plan participant redeemed a portion of their vested Class B equity units of WMG Management Holdings LLC in exchange for a total of 547,249 shares of Class B Common Stock which were converted to shares of Class A Common Stock upon the exchange.

During the three months ended December 31, 2023, the Company issued approximately 7,000 shares of Class A Common Stock, under the Omnibus Incentive Plan.

12. Income Taxes

For the three months ended December 31, 2023, the Company recorded an income tax expense of \$72 million. The income tax expense for the three months ended December 31, 2023 is higher than the expected tax expense at the statutory rate of 21% primarily due to withholding taxes, foreign income taxed at rates higher than the United States, U.S. state and local taxes, non-deductible executive compensation under IRC Section 162(m), and unrecognized tax benefit related to uncertain tax positions. These charges were partially offset by non-controlling interest, the net impact of GILTI and foreign derived intangible income ("FDII"), and tax benefits associated with Research and Development ("R&D") credits.

For the three months ended December 31, 2022, the Company recorded an income tax expense of \$48 million. The income tax expense for the three months ended December 31, 2022 is higher than the expected tax benefit at the statutory tax rate of 21% primarily due to U.S. state and local taxes, withholding taxes, foreign income taxed at rates higher than the U.S., and non-deductible executive compensation under IRC Section 162(m), offset by a deduction against FDII.

The Company has determined that it is reasonably possible that the gross unrecognized tax benefits as of December 31, 2023 could decrease by up to approximately \$4 million related to various ongoing audits and settlement discussions in various jurisdictions during the next twelve months.

The Organization for Economic Co-operation and Development ("OECD") introduced Base Erosion and Profit Shifting ("BEPS") Pillar 2 rules that impose a global minimum tax rate of 15%. Numerous countries, including European Union member states, have enacted or are expected to enact legislation to be effective as early as January 1, 2024, with general implementation of a global minimum tax rate by January 1, 2025. We are currently evaluating the potential impact of the rules on our consolidated financial statements and related disclosures.

The Inflation Reduction Act of 2022 (H.R. 5376) includes a 15 percent corporate alternative minimum tax (CAMT) on adjusted financial statement income for corporations with average profits over \$1 billion over a three-year period. Although the U.S. Treasury and Internal Revenue Service (IRS) issued interim CAMT guidance during 2023, many details and specifics of application of the CAMT remain subject to future guidance. The Company is not expecting to be subject to CAMT for our fiscal year 2024.

13. Derivative Financial Instruments

The Company uses derivative financial instruments, primarily foreign currency forward exchange contracts and interest rate swaps, for the purposes of managing foreign currency exchange rate risk and interest rate risk on expected future cash flows.

The fair value of interest rate swaps is based on dealer quotes of market rates (i.e., Level 2 inputs) which is discussed further in Note 20, "Fair Value Measurements," to the consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2023. Interest income or expense related to interest rate swaps is recognized in interest income (expense), net in the same period as the related expense is recognized. The ineffective portions of interest rate swaps are recognized in other income (expense) in the period measured.

As of December 31, 2023, the Company had outstanding foreign currency forward exchange contracts for the sale of \$366 million and the purchase of \$219 million of foreign currencies at fixed rates that will be settled by September 2024.

As of December 31, 2023, the Company had no outstanding interest rate swaps and no unrealized deferred gains or losses in comprehensive income related to the interest rate swaps. As of September 30, 2023, the Company had outstanding \$500 million in a pay-fixed receive-variable interest rate swap with \$1 million of unrealized deferred gains in comprehensive income related to the interest rate swaps.

The Company recorded no realized pre-tax gains or losses and unrealized pre-tax losses of \$6 million related to its foreign currency forward exchange contracts in the condensed consolidated statement of operations as other expense for the three months ended December 31, 2023. The Company recorded realized pre-tax losses of \$1 million and unrealized pre-tax losses of \$7 million related to its foreign currency forward exchange contracts in the condensed consolidated statement of operations as other expense for the three months ended December 31, 2022.

The unrealized pre-tax losses of the Company's derivative interest rate swaps designated as cash flow hedges recorded in other comprehensive income during the three months ended December 31, 2023 and December 31, 2022 were \$1 million and \$2 million, respectively.

The following is a summary of amounts recorded in the consolidated balance sheets pertaining to the Company's derivative instruments at December 31, 2023 and September 30, 2023:

	December 31, 2023	September 30, 2023
	(in millions)	
<i>Other Current Assets:</i>		
Interest Rate Swap	\$ —	\$ 2
<i>Other Current Liabilities:</i>		
Foreign Currency Forward Exchange Contracts (a)	(6)	—

(a) Includes \$9 million and \$15 million of foreign exchange derivative contracts in asset and liability positions, respectively, which net to \$6 million of current liabilities.

14. Segment Information

Based on the nature of its products and services, the Company classifies its business interests into two fundamental operations: Recorded Music and Music Publishing, which also represent the reportable segments of the Company. Information as to each of these operations is set forth below. The Company evaluates performance based on several factors, of which the primary financial measure is operating income (loss) before non-cash depreciation of tangible assets and non-cash amortization of intangible assets adjusted to exclude the impact of non-cash stock-based compensation and other related expenses and certain items that affect comparability including but not limited to gains or losses on divestitures and expenses related to restructuring and transformation initiatives, which includes costs associated with the Company's financial transformation initiative to upgrade our information technology and finance infrastructure ("Adjusted OIBDA"). Items excluded are not viewed to contribute directly to management's evaluation of operating results.

During the three months ended December 31, 2023, the Company changed the measure used to evaluate segment profitability from OIBDA to Adjusted OIBDA which is consistent with how the Company's CODM evaluates the results of operations and makes strategic decisions about the business. For these reasons, the Company believes that Adjusted OIBDA represents the most relevant measure of segment profit and loss. All disclosures relating to segment profitability, including those for the three months ended December 31, 2022, have been revised as a result of this change. Hereafter, the Company will revise other prior quarterly and year-to-date periods for fiscal year 2023 when they are subsequently reported in later filings for comparative purposes.

The accounting policies of the Company's business segments are the same as those described in Note 2, "Summary of Significant Accounting Policies," to the consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2023. The Company accounts for intersegment sales at fair value as if the sales were to third parties. While intercompany transactions are treated like third-party transactions to determine segment performance, the revenues (and corresponding expenses recognized by the segment that is counterparty to the transaction) are eliminated in consolidation, and therefore, do not themselves impact consolidated results.

15. Additional Financial Information

Supplemental Cash Flow Disclosures

The Company made interest payments of approximately \$33 million and \$25 million during the three months ended December 31, 2023 and 2022, respectively. The Company paid approximately \$39 million and \$45 million of income and withholding taxes, net of refunds, for the three months ended December 31, 2023 and 2022, respectively. Noncash investing activities was approximately \$18 million related to the acquisition of music publishing rights and music catalogs, net during the three months ended December 31, 2023.

Net Gain on Divestitures

The Company recognized a pre-tax gain of \$17 million and \$41 million, during the three months ended December 31, 2023 and December 31, 2022, respectively, in connection with the divestiture of certain sound recordings rights in the quarter and has been reflected as a net gain on divestiture in the accompanying condensed consolidated statement of operations.

Dividends

The Company's ability to pay dividends may be restricted by covenants in the credit agreement for the Revolving Credit Facility which are currently suspended but which will be reinstated if Acquisition Corp.'s Total Indebtedness to EBITDA Ratio increases above 3.50:1.00 and the term loans do not achieve an investment grade rating.

The Company intends to pay quarterly cash dividends to holders of its Class A Common Stock and Class B Common Stock. The declaration of each dividend will continue to be at the discretion of the Company's board of directors and will depend on the Company's financial condition, earnings, liquidity and capital requirements, level of indebtedness, contractual restrictions with respect to payment of dividends, restrictions imposed by Delaware law, general business conditions and any other factors that the Company's

board of directors deems relevant in making such a determination. Therefore, there can be no assurance that the Company will pay any dividends to holders of the Company's common stock, or as to the amount of any such dividends.

On November 9, 2023, the Company's board of directors declared a cash dividend of \$0.17 per share on the Company's Class A Common Stock and Class B Common Stock, as well as related payments under certain stock-based compensation plans, which was paid to stockholders on December 1, 2023. The Company paid an aggregate of approximately \$89 million, or \$0.17 per share, in cash dividends to stockholders and participating security holders for the three months ended December 31, 2023.

16. Fair Value Measurements

The following tables show the fair value of the Company's financial instruments that are required to be measured at fair value as of December 31, 2023 and September 30, 2023.

	Fair Value Measurements as of December 31, 2023			
	(Level 1)	(Level 2)	(Level 3)	Total
	(in millions)			
<i>Other Current Liabilities:</i>				
Foreign Currency Forward Exchange Contracts (a)	\$ —	\$ (6)	\$ —	\$ (6)
<i>Other Noncurrent Assets:</i>

<i>Other Noncurrent Liabilities:</i>

	Fair Value Measurements as of September 30, 2023

<i>Other Current Assets:</i>				
Interest Rate Swap (d)	\$ —	\$ 2	\$ —	\$ 2
<i>Other Noncurrent Assets:</i>				
Equity Investment with Readily Determinable Fair Value (c)	15	—	—	15
<i>Other Noncurrent Liabilities:</i>				
Contractual Obligations (b)	—	—	(1)	(1)

- (a) The fair value of foreign currency forward exchange contracts is based on dealer quotes of market forward rates and reflects the amount that the Company would receive or pay at their maturity dates for contracts involving the same currencies and maturity dates.
- (b) This represents contingent consideration related to acquisitions. This is based on a probability weighted performance approach and it is adjusted to fair value on a recurring basis and any adjustments are typically included as a component of operating income in the condensed consolidated statements of operations. This amount was primarily calculated using unobservable inputs such as future earnings performance of the acquiree and the expected timing of payments.
- (c) These represent equity investments with a readily determinable fair value. The Company has measured its investments to fair value in accordance with ASC 321, *Investments—Equity Securities*, based on quoted prices in active markets.
- (d) The fair value of the interest rate swaps is based on dealer quotes of market forward rates and reflects the amount that the Company would receive or pay as of each reporting period for contracts involving the same attributes and maturity dates.

The following table reconciles the beginning and ending balances of net liabilities classified as Level 3:

	<u>Total</u>
	<u>(in millions)</u>
Balance at September 30, 2023	\$ (1)
Additions	—
Reductions	—
Payments	—
Balance at December 31, 2023	<u>\$ (1)</u>

The majority of the Company's non-financial instruments, which include goodwill, intangible assets, inventories and property, plant and equipment, are not required to be re-measured to fair value on a recurring basis. These assets are evaluated for impairment if certain triggering events occur. If such evaluation indicates that impairment exists, the asset is written down to its fair value. In addition, an impairment analysis is performed at least annually for goodwill and indefinite-lived intangible assets.

Equity Investments Without Readily Determinable Fair Value

The Company evaluates its equity investments without readily determinable fair values for impairment if factors indicate that a significant decrease in value has occurred. The Company has elected to use the measurement alternative to fair value that will allow these investments to be recorded at cost, less impairment, and adjusted for subsequent observable price changes. The Company recorded approximately \$1 million of impairment charges on these investments during the three months ended December 31, 2023. The Company did not record any impairment charges on these investments during the three months ended December 31, 2022. In addition, there were no observable price changes events that were completed during the three months ended December 31, 2023 and 2022.

Fair Value of Debt

Based on the level of interest rates prevailing at December 31, 2023, the fair value of the Company's debt was \$3.763 billion. Based on the level of interest rates prevailing at September 30, 2023, the fair value of the Company's debt was \$3.525 billion. The fair value of the Company's debt instruments is determined using quoted market prices from less active markets or by using quoted market prices for instruments with identical terms and maturities; both approaches are considered a Level 2 measurement.

17. Subsequent Events

January 2024 Senior Term Loan Credit Agreement Amendment

On January 24, 2024, Acquisition Corp. entered into an amendment (the “Fourteenth Amendment”) to the credit agreement, dated November 1, 2012, as amended or supplemented, among Acquisition Corp., the guarantors party thereto, the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent, governing Acquisition Corp.’s senior secured term loan facility with JPMorgan Chase Bank N.A., as administrative agent, and the other financial institutions and lenders from time to time party thereto. The Fourteenth Amendment (among other changes) extended the maturity date of its outstanding term loans from January 20, 2028 to January 24, 2031 through the issuance of tranche I term loans and refinancing of the existing tranche G term loans. The tranche I term loans shall bear interest at a rate equal to, at Acquisition Corp.’s election (i) the forward-looking term rate based on Term SOFR as administered by the Federal Reserve Bank of New York for the applicable interest period subject to a zero floor, plus 2.000% per annum or (ii) the base rate, which is the highest of (x) the corporate base rate established by the administrative agent as its prime rate in effect at its principal office in New York City from time to time, (y) 0.50% in excess of the overnight federal funds rate and (z) one-month Term SOFR, plus 1.00% per annum, in each case, subject to a 1.00% floor, plus 1.000% per annum.

Strategic Restructuring Plan

On February 6, 2024, the Company’s board of directors approved and the Company subsequently announced a strategic restructuring plan (the “Strategic Restructuring Plan”) designed to free up more funds to invest in music and accelerate the Company’s growth for the next decade. The Company expects the Strategic Restructuring Plan to generate pre-tax cost savings by the end of fiscal year 2025 and anticipates allocating a majority of the cost savings to increase investment in the Company’s core Recorded Music and Music Publishing businesses, new skill sets and tech capabilities.

The cost savings under the Strategic Restructuring Plan will be achieved through a combination of the disposal or winding down of certain of the Company’s non-core owned and operated media properties including the Company’s in-house ad sales function (the “O&O Media Properties”), continuing to manage overhead, sharpening focus, expanding shared services, and implementing previously disclosed expected operational efficiencies made possible by the Company’s financial transformation initiative. The Strategic Restructuring Plan anticipates a reduction in headcount, a majority of which will be related to the O&O Media Properties, Corporate and various support functions.

The Strategic Restructuring Plan is expected to result in approximately \$140 million of total non-recurring pre-tax charges and approximately \$105 million in total after tax charges. The pre-tax charges include approximately \$85 million representing severance payments and other related termination costs, and approximately \$55 million represents non-cash impairment charges primarily in connection with the disposal or winding down of the O&O Media Properties. The majority of the charges associated with the Strategic Restructuring Plan are expected to be incurred by the end of fiscal year 2024 and the actions related to those charges will commence immediately. The severance payments and other termination costs are expected to be paid by the end of fiscal year 2026 with approximately \$35 million of those payments and costs expected to be paid by the end of fiscal year 2024.

We caution you that forward-looking statements are not guarantees of future performance or outcomes and that actual performance and outcomes, including, without limitation, our actual results of operations, financial condition and liquidity, and the development of the market in which we operate, may differ materially from those made in or suggested by the forward-looking statements contained in this Quarterly Report. In addition, even if our results of operations, financial condition and cash flows, and the development of the market in which we operate, are consistent with the forward-looking statements contained in this Quarterly Report, those results or developments may not be indicative of results or developments in subsequent periods. New factors emerge from time to time that may cause our business not to develop as we expect, and it is not possible for us to accurately predict all of them. Factors that could cause actual results and outcomes to differ from those reflected in forward-looking statements include, without limitation:

- our inability to compete successfully in the highly competitive markets in which we operate;
- our ability to identify, sign and retain recording artists and songwriters and the existence or absence of superstar releases;
- slower growth in streaming adoption and revenue;
- our dependence on a limited number of digital music services for the online distribution and marketing of our music and their ability to significantly influence the pricing structure for online music stores;
- the ability to further develop a successful business model applicable to a digital environment and to enter into artist services and expanded-rights deals with recording artists in order to broaden our revenue streams in growing segments of the music entertainment business;
- the popular demand for particular recording artists and/or songwriters and music and the timely delivery to us of music by major recording artists and/or songwriters;
- risks related to the effects of natural or man-made disasters, including pandemics such as COVID-19;
- the diversity and quality of our recording artists, songwriters and releases;
- trends, developments or other events in some foreign countries in which we operate;
- risks associated with our non-U.S. operations, including limited legal protections of our intellectual property rights and restrictions on the repatriation of capital;
- unfavorable currency exchange rate fluctuations;

- the impact of heightened and intensive competition in the recorded music and music publishing industries and our inability to execute our business strategy;
- significant fluctuations in our operations, cash flows and the trading price of our common stock from period to period;
- our failure to attract and retain our executive officers and other key personnel;
- a significant portion of our revenues are subject to rate regulation either by government entities or by local third-party collecting societies throughout the world and rates on other income streams may be set by governmental proceedings, which may limit our profitability;
- risks associated with obtaining, maintaining, protecting and enforcing our intellectual property rights;
- our involvement in intellectual property litigation;

- risks related to evolving laws and regulations concerning data privacy which might result in increased regulation and different industry standards;
- legislation limiting the terms by which an individual can be bound under a “personal services” contract;
- new legislation that affects the terms of our contracts with recording artists and songwriters;
- a potential loss of catalog if it is determined that recording artists have a right to recapture U.S. rights in their recordings under the U.S. Copyright Act;
- any delays and difficulties in satisfying obligations incident to being a public company;
- the impact of our substantial leverage on our ability to raise additional capital to fund our operations, on our ability to react to changes in the economy or our industry and on our ability to meet our obligations under our indebtedness;
- the ability to generate sufficient cash to service all of our indebtedness, and the risk that we may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful;
- the fact that our debt agreements contain restrictions that may limit our flexibility in operating our business;
- the significant amount of cash required to service our indebtedness and the ability to generate cash or refinance indebtedness as it becomes due depends on many factors, some of which are beyond our control;
- our indebtedness levels, and the fact that we may be able to incur substantially more indebtedness, which may increase the risks created by our substantial indebtedness;
- risks of downgrade, suspension or withdrawal of the rating assigned by a rating agency to us could impact our cost of capital;
- the dual class structure of our common stock and Access’s existing ownership of our Class B Common Stock have the effect of concentrating control over our management and affairs and over matters requiring stockholder approval with Access;
- the fact that we maintain certain cash deposits in excess of the Federal Deposit Insurance Corporation (“FDIC”) insurance limits, which could have an adverse effect on liquidity and financial performance in the event of a bank failure or receivership; and
- risks related to other factors discussed under “Risk Factors” of this Quarterly Report and in our Annual Report on Form 10-K for the fiscal year ended September 30, 2023.

INTRODUCTION

Warner Music Group Corp. (the “Company”) was formed on November 21, 2003. The Company is the direct parent of WMG Holdings Corp. (“Holdings”), which is the direct parent of WMG Acquisition Corp. (“Acquisition Corp.”). Acquisition Corp. is one of the world’s major music entertainment companies.

The Company and Holdings are holding companies that conduct substantially all of their business operations through their subsidiaries. The terms “we,” “us,” “our,” “ours” and the “Company” refer collectively to Warner Music Group Corp. and its consolidated subsidiaries, except where otherwise indicated.

Management’s discussion and analysis of financial condition and results of operations (“MD&A”) is provided as a supplement to the unaudited financial statements and related notes thereto included elsewhere herein to help provide an understanding of our financial condition, changes in financial condition and results of our operations. MD&A is organized as follows:

- *Business overview.* This section provides a general description of our business, as well as a discussion of factors that we believe are important in understanding our results of operations and comparability and in anticipating future trends.
- *Results of operations.* This section provides an analysis of our results of operations for the three months ended December 31, 2023 and December 31, 2022. This analysis is presented on both a consolidated and segment basis.
- *Financial condition and liquidity.* This section provides an analysis of our cash flows for the three months ended December 31, 2023 and December 31, 2022, as well as a discussion of our financial condition and liquidity as of December 31, 2023. The discussion of our financial condition and liquidity includes recent debt financings and a summary of the key debt covenant compliance measures under our debt agreements.

Use of Adjusted OIBDA

We evaluate our operating performance based on several factors, including our primary financial measure of operating income (loss) before non-cash depreciation of tangible assets and non-cash amortization of intangible assets adjusted to exclude the impact of non-cash stock-based compensation and other related expenses and certain items that affect comparability including but not limited to gains or losses on divestitures and expenses related to restructuring and transformation initiatives (“Adjusted OIBDA”). We consider Adjusted OIBDA to be an important indicator of the operational strengths and performance of our businesses. However, a limitation of the use of Adjusted OIBDA as a performance measure is that it does not reflect the periodic costs of certain capitalized tangible and intangible assets used in generating revenues in our businesses. Accordingly, Adjusted OIBDA should be considered in addition to, not as a substitute for, operating income (loss), net income (loss) attributable to Warner Music Group Corp. and other measures of financial performance reported in accordance with United States generally accepted accounting principles (“U.S. GAAP”). In addition, our definition of Adjusted OIBDA may differ from similarly titled measures used by other companies. A reconciliation of consolidated Adjusted OIBDA to operating income (loss) and net income (loss) attributable to Warner Music Group Corp. is provided in our “Results of Operations.”

Use of Constant Currency

As exchange rates are an important factor in understanding period to period comparisons, we believe the presentation of revenue and Adjusted OIBDA on a constant-currency basis in addition to reported results helps improve the ability to understand our operating results and evaluate our performance in comparison to prior periods. Constant-currency information compares revenue and Adjusted OIBDA between periods as if exchange rates had remained constant period over period. We use revenue and Adjusted OIBDA on a constant-currency basis as one measure to evaluate our performance. We calculate constant-currency by calculating prior-year revenue and Adjusted OIBDA using current-year foreign currency exchange rates. We generally refer to such amounts calculated on a constant-currency basis as “excluding the impact of foreign currency exchange rates.” Revenue and Adjusted OIBDA on a constant-currency basis should be considered in addition to, not as a substitute for, revenue and Adjusted OIBDA reported in

accordance with U.S. GAAP. Revenue and Adjusted OIBDA on a constant-currency basis, as we present it, may not be comparable to similarly titled measures used by other companies and are not a measure of performance presented in accordance with U.S. GAAP.

BUSINESS OVERVIEW

We are one of the world's leading music entertainment companies. Our renowned family of iconic record labels, including Atlantic Records, Warner Records, Elektra Records and Parlophone Records, is home to many of the world's most popular and influential recording artists. In addition, Warner Chappell Music, our global music publishing business, boasts an extraordinary catalog that includes timeless standards and contemporary hits, representing works by over 100,000 songwriters and composers, with a global collection of more than one million musical compositions. We classify our business interests into two fundamental operations: Recorded Music and Music Publishing. A brief description of each of those operations is presented below.

Components of Our Operating Results

Recorded Music Operations

Our Recorded Music business primarily consists of the discovery and development of recording artists and the related marketing, promotion, distribution, sale and licensing of music created by such recording artists. We play an integral role in virtually all aspects of the recorded music value chain from discovering and developing talent to producing, distributing and selling music to marketing and promoting recording artists and their music.

In the United States, our Recorded Music business is conducted principally through our major record labels—Atlantic Records and Warner Records. In October 2018, we launched Elektra Music Group in the United States as a standalone label group, which comprises the Elektra, Fueled by Ramen and Roadrunner labels, and in December 2021, we acquired 300 Entertainment and subsequently launched 300 Elektra Entertainment, or 3EE, a frontline label group that brings together the multi-genre power of 300 Entertainment and Elektra Music Group. Our Recorded Music business also includes Rhino Entertainment, a division that specializes in marketing our recorded music catalog through compilations, reissues of previously released music and video titles and releasing previously unreleased material from our vault. We also conduct our Recorded Music business through a collection of additional record labels including Asylum, Big Beat, Canvasback, East West, Erato, FFRR, Nonesuch, Parlophone, Reprise, Sire, Spinnin' Records, TenThousand Projects, Warner Classics and Warner Music Nashville.

Outside the United States, our Recorded Music business is conducted in more than 70 countries through various subsidiaries, affiliates and non-affiliated licensees. Internationally, we engage in the same activities as in the United States: discovering and signing artists and distributing, selling, marketing and promoting their music. In most cases, we also market, promote, distribute and sell the music of those recording artists for whom our domestic record labels have international rights. In certain smaller markets, we license the right to distribute and sell our music to non-affiliated third-party record labels.

Our Recorded Music business' operations include WMX, a next generation services division that connects artists with fans and amplifies brands in creative, immersive, and engaging ways. This division includes a rebranded WEA commercial services & marketing network (formerly Warner-Elektra-Atlantic Corporation, or WEA Corp.), which markets, distributes and sells music and video products to retailers and wholesale distributors, as well as acting as the Company's media and creative content arm. Our business' distribution operations also includes Alternative Distribution Alliance ("ADA"), which markets, distributes and sells the products of independent labels to retail and wholesale distributors; and various distribution centers and ventures operated internationally.

In addition to our music being sold in physical retail outlets, our music is also sold in physical form to online physical retailers, such as amazon.com, barnesandnoble.com and bestbuy.com, and distributed in digital form to an expanded universe of digital partners, including streaming services such as those of Amazon, Apple, Deezer, SoundCloud, Spotify, Tencent Music and YouTube, radio services such as iHeart Radio and SiriusXM and other download services.

We have integrated the marketing of digital content into all aspects of our business, including artists and repertoire ("A&R") and distribution. Our business development executives work closely with A&R departments to ensure that while music is being produced, digital assets are also created with all distribution channels in mind, including streaming services, social networking sites, online portals and music-centered destinations. We also work side-by-side with our online and mobile partners to test new concepts. We believe existing and new digital businesses will be a significant source of growth and will provide new opportunities to successfully monetize our assets and create new revenue streams. The proportion of digital revenues attributable to each distribution channel varies by region and proportions may change as the introduction of new technologies continues. As one of the world's largest music entertainment companies, we believe we are well positioned to take advantage of growth in digital distribution and emerging technologies to maximize the value of our assets.

We have diversified our revenues beyond our traditional businesses by entering into expanded-rights deals with recording artists in order to partner with such artists in other aspects of their careers. Under these agreements, we provide services to and participate in recording artists' activities outside the traditional recorded music business such as touring, merchandising and sponsorships. We have built and acquired artist services capabilities and platforms for marketing and distributing this broader set of music-related rights and participating more widely in the monetization of the artist brands we help create. We believe that entering into expanded-rights deals and enhancing our artist services capabilities in areas such as merchandising, VIP ticketing, fan clubs, concert promotion and management has permitted us to diversify revenue streams and capitalize on other revenue opportunities. This provides for improved long-term relationships with our recording artists and allows us to more effectively connect recording artists and fans.

Recorded Music revenues are derived from four main sources:

- *Digital*: the rightsholder receives revenues with respect to streaming and download services;
- *Physical*: the rightsholder receives revenues with respect to sales of physical products such as vinyl, CDs and DVDs;
- *Artist services and expanded-rights*: the rightsholder receives revenues with respect to our artist services businesses and our participation in expanded rights, including advertising, merchandising such as direct-to-consumer sales, touring, concert promotion, ticketing, sponsorship, fan clubs, artist websites, social publishing, and artist and brand management; and
- *Licensing*: the rightsholder receives royalties or fees for the right to use sound recordings in combination with visual images such as in films or television programs, television commercials and video games; the rightsholder also receives royalties if sound recordings are performed publicly through broadcast of music on television, radio and cable, and in public spaces such as shops, workplaces, restaurants, bars and clubs.

The principal costs associated with our Recorded Music business are as follows:

- *A&R costs*: the costs associated with (i) paying royalties to recording artists, producers, songwriters, other copyright holders and trade unions; (ii) signing and developing recording artists; and (iii) creating master recordings in the studio;
- *Product costs*: the costs to manufacture, package and distribute products to wholesale and retail distribution outlets, the royalty costs associated with distributing products of independent labels to wholesale and retail distribution outlets, as well as the costs related to our artist services business;
- *Selling and marketing expenses*: the costs associated with the promotion and marketing of recording artists and music, including costs to produce music videos for promotional purposes and artist tour support; and
- *General and administrative expenses*: the costs associated with general overhead and other administrative expenses.

Music Publishing Operations

While Recorded Music is focused on marketing, promoting, distributing and licensing a particular recording of a musical composition, Music Publishing is an intellectual property business focused on generating revenue from uses of the musical composition itself. In return for promoting, placing, marketing and administering the creative output of a songwriter, or engaging in those activities for other rightsholders, our Music Publishing business shares the revenues generated from use of the musical compositions with the songwriter or other rightsholders.

The operations of our Music Publishing business are conducted principally through Warner Chappell Music, our global music publishing company headquartered in Los Angeles, with operations in over 70 countries through various subsidiaries, affiliates, and non-affiliated licensees and sub-publishers. We own or control rights to more than one million musical compositions, including numerous pop hits, American standards, folk songs and motion picture and theatrical compositions. Assembled over decades, our award-winning catalog includes over 100,000 songwriters and composers and a diverse range of genres including pop, rock, jazz, classical, country, R&B, hip-hop, rap, reggae, Latin, folk, blues, symphonic, soul, Broadway, electronic, alternative and gospel. Warner Chappell Music also administers the music and soundtracks of several third-party television and film producers and studios. We have an extensive production music catalog collectively branded as Warner Chappell Production Music.

Music Publishing revenues are derived from five main sources:

- *Digital*: the rightsholder receives revenues with respect to musical compositions embodied in recordings distributed in streaming services, download services, digital performance and other digital music services;
- *Performance*: the rightsholder receives revenues if the musical composition is performed publicly through broadcast of music on television, radio and cable and in retail locations (e.g., bars and restaurants), live performance at a

concert or other venue (e.g., arena concerts and nightclubs), and performance of music in staged theatrical productions;

- *Mechanical*: the rightsholder receives revenues with respect to musical compositions embodied in recordings sold in any physical format or configuration such as vinyl, CDs and DVDs;
- *Synchronization*: the rightsholder receives revenues for the right to use the musical composition in combination with visual images such as in films or television programs, television commercials and video games as well as from other uses such as in toys or novelty items and merchandise; and
- *Other*: the rightsholder receives revenues for use in sheet music and other uses.

The principal costs associated with our Music Publishing business are as follows:

- *A&R costs*: the costs associated with (i) paying royalties to songwriters, co-publishers and other copyright holders in connection with income generated from the uses of their works and (ii) signing and developing songwriters; and
- *Selling and marketing, general overhead and other administrative expenses*: the costs associated with selling and marketing, general overhead and other administrative expenses.

Recent Events and Factors Affecting Results of Operations and Comparability

Restructuring

In March 2023, the Company announced a restructuring plan (the “Restructuring Plan”) intended to drive the evolution of the Company and position the Company for long-term growth, primarily through headcount reductions. The headcount reductions generated pre-tax cost savings of approximately \$12 million for the three months ended December 31, 2023.

BMG Termination

In September 2023, the Company announced its distribution agreement with BMG will be terminated as BMG will begin to bring digital distribution in-house and license directly with digital service partners beginning in fiscal 2024 (the “BMG Termination”). Alternative Distribution Alliance (“ADA”), which is part of our Recorded Music business, had previously been distributing BMG’s recorded music catalog and revenues are reported within our Recorded Music segment. The shift to direct deals by BMG will be a phased in-sourcing of distribution during the current fiscal year and we expect BMG to be largely rolled off by October 2024.

During the quarter ended December 31, 2023, in connection with the BMG Termination, the Company reported lower Recorded Music digital revenue of \$13 million compared to the prior-year quarter, of which \$12 million was streaming revenue. The impact to Recorded Music’s Adjusted OIBDA was immaterial in the quarter.

Total Revenues

Total revenues increased by \$260 million, or 17%, to \$1,748 million for the three months ended December 31, 2023 from \$1,488 million for the three months ended December 31, 2022. The quarter included \$68 million from a licensing agreement extension for an artist's catalog (the "Licensing Extension") in Recorded Music licensing revenue and \$27 million from a new deal with one of the Company's digital partners (the "Digital License Renewal") in Recorded Music streaming revenue. Additionally, the quarter included the impact of the termination of the distribution agreement with BMG (the "BMG Termination") which resulted in \$13 million of lower Recorded Music digital revenue in the three months ended December 31, 2023 compared to the prior-year quarter. Adjusted for these items, total revenues increased by 12%. The increase includes \$20 million of favorable currency exchange fluctuations. Prior to intersegment eliminations, Recorded Music and Music Publishing revenues represented 83% and 17% of total revenue for the three months ended December 31, 2023, respectively, and 83% and 17% of total revenue for the three months ended December 31, 2022, respectively. Prior to intersegment eliminations, U.S. and international revenues represented 46% and 54% of total revenues for the three months ended December 31, 2023 and 45% and 55% of total revenues for the three months ended December 31, 2022.

Total digital revenues after intersegment eliminations increased by \$152 million, or 16%, to \$1,104 million for the three months ended December 31, 2023 from \$952 million for the three months ended December 31, 2022. Total streaming revenue increased 17% driven by growth across Recorded Music and Music Publishing. Prior to intersegment eliminations, total digital revenues for the three months ended December 31, 2023 were composed of U.S. revenues of \$536 million and international revenues of \$568 million, or 49% and 51% of total digital revenues, respectively. Prior to intersegment eliminations, total digital revenues for the three months ended December 31, 2022 were composed of U.S. revenues of \$484 million and international revenues of \$468 million, or 51% and 49% of total digital revenues, respectively.

Recorded Music revenues increased by \$206 million, or 17%, to \$1,445 million for the three months ended December 31, 2023 from \$1,239 million for the three months ended December 31, 2022. The increase includes \$16 million of favorable currency exchange fluctuations. U.S. Recorded Music revenues were \$627 million and \$539 million, or 43% and 44% of consolidated Recorded Music revenues for each of the three months ended December 31, 2023 and December 31, 2022, respectively. International Recorded Music revenues were \$818 million and \$700 million, or 57% and 56% of consolidated Recorded Music revenues for each of the three months ended December 31, 2023 and December 31, 2022, respectively.

The overall increase in Recorded Music revenue was driven by increases in digital, licensing and physical revenues, partially offset by a decrease in artist services and expanded-rights revenue. Digital revenue increased by \$105 million, which includes the favorable impact of foreign currency exchange rates of \$5 million. Revenue from streaming services increased by \$107 million, or 14%, to \$887 million for the three months ended December 31, 2023 from \$780 million for the three months ended December 31, 2022, which includes the favorable impact of foreign currency exchange rates of \$4 million, or 1%. Streaming revenue includes \$27 million from the Digital License Renewal, partially offset by the impact of the BMG Termination of \$12 million. Adjusted for these items, streaming revenues increased 12%. The quarter included carryover success from Ed Sheeran, Dua Lipa and Zach Bryan. Download and other digital revenues decreased by \$2 million, or 9%, to \$21 million for the three months ended December 31, 2023 from \$23 million for the three months ended December 31, 2022 due to the continued shift to streaming services. Licensing revenue increased by \$82 million, primarily due to \$68 million from the Licensing Extension, the timing of new licensing deals primarily in the United States, and the favorable impact of foreign currency exchange rates of \$2 million. Physical revenue increased by \$21 million, driven by the favorable impact of foreign currency exchange rates of \$3 million and stronger performances in the United States, Japan and the UK. Artist services and expanded-rights revenue decreased by \$2 million due to lower merchandising revenue, partially offset by higher concert promotion revenue and the favorable impact of foreign currency exchange rates of \$6 million.

Adjusted OIBDA

Adjusted OIBDA increased by \$116 million to \$451 million for the three months ended December 31, 2023 as compared to \$335 million for the three months ended December 31, 2022 primarily due to strong operating performance, savings from the Restructuring Plan, the impact of the Licensing Extension of \$67 million and the Digital License Renewal of \$10 million, partially offset by revenue mix, the incremental investment in technology of \$11 million, and the unfavorable impact of foreign currency exchange rates. Expressed as a percentage of total revenue, Adjusted OIBDA margin increased to 26% for the three months ended December 31, 2023 from 23% for the three months ended December 31, 2022 due to the factors noted above. Excluding the impact of the Licensing Extension and Digital License Renewal, Adjusted OIBDA margin was 23% for the three months ended December 31, 2023.

Non-cash stock based compensation and other related costs

Our non-cash stock based compensation and other related costs decreased by \$1 million to \$14 million for the three months ended December 31, 2023 from \$15 million for the three months ended December 31, 2022.

Net gain on divestitures

Net gain on divestitures decreased during the three months ended December 31, 2023, to a pre-tax gain of \$17 million in connection with the divestiture of certain sound recording rights in the quarter. This compares to a pre-tax gain of \$41 million in the three months ended December 31, 2022.

Transformation initiatives and other related costs

Our transformation initiatives and other related costs increased by \$7 million to \$19 million for the three months ended December 31, 2023 from \$12 million for the three months ended December 31, 2022 due to an increase in costs associated with our finance transformation.

Depreciation expense

Our depreciation expense increased by \$5 million to \$26 million for the three months ended December 31, 2023 from \$21 million for the three months ended December 31, 2022. This increase is primarily due to an increase in technology capital spend and assets being placed into service.

Amortization expense

Our amortization expense decreased by \$8 million, or 13%, to \$55 million for the three months ended December 31, 2023 from \$63 million for the three months ended December 31, 2022. The decrease is primarily due to certain intangible assets becoming fully amortized.

Operating income

Our operating income increased by \$89 million to \$354 million for the three months ended December 31, 2023 from \$265 million for the three months ended December 31, 2022. The increase in operating income was due to the factors that led to the increase in Adjusted OIBDA and lower amortization and net gains on divestitures, partially offset by higher depreciation as noted above.

Interest expense, net

Our interest expense, net, increased to \$39 million for the three months ended December 31, 2023 from \$32 million for the three months ended December 31, 2022 due to a higher principal balance related to the issuance of incremental Senior Term Loan Facility and higher interest rates on variable rate debt, partially offset by higher interest income.

Other expense

Other expense for the three months ended December 31, 2023 primarily includes foreign currency losses on our Euro-denominated debt of \$39 million, currency exchange losses on our intercompany loans of \$9 million, and unrealized losses on hedging activity of \$6 million. Income tax expense

Our income tax expense increased by \$24 million to \$72 million for the three months ended December 31, 2023 from \$48 million for the three months ended December 31, 2022. The increase of \$24 million in income tax expense is primarily due to the impact of increase in pre-tax income, higher portion of the pre-tax income earned outside of the United States and taxed at rates higher than in the United States, increase in unrecognized tax benefit related to uncertain tax positions, and higher withholding taxes in the current year.

Net income

Net income increased by \$69 million to \$193 million for the three months ended December 31, 2023 from \$124 million for the three months ended December 31, 2022 as a result of the factors described above.

Noncontrolling interest

Income attributable to noncontrolling interest increased by \$32 million to \$34 million for the three months ended December 31, 2023, from \$2 million for the three months ended December 31, 2022, largely driven by higher income from non-wholly-owned subsidiaries in the current period, primarily due to the impact of the Licensing Extension.

The \$93 million of cash used in financing activities for the three months ended December 31, 2023 consisted of dividends paid of \$89 million and distributions to noncontrolling interest holders of \$4 million. The \$70 million of cash used in financing activities for the three months ended December 31, 2022 consisted of cash paid to settle deferred consideration related to a fiscal year 2022 acquisition of music publishing rights of \$125 million, dividends paid of \$84 million, deferred financing costs of \$2 million and distributions to noncontrolling interest holders of \$6 million, partially offset by proceeds from the incremental Senior Term Loan Facility of \$147 million.

Liquidity

Our primary sources of liquidity are the cash flows generated from our subsidiaries' operations, available cash and equivalents and funds available for drawing under our Revolving Credit Facility. These sources of liquidity are needed to fund our debt service requirements, working capital requirements, capital expenditure requirements, strategic acquisitions and investments, and dividends, prepayments of debt, repurchases or retirement of our outstanding debt or notes or repurchases of our outstanding equity securities in open market purchases, privately negotiated purchases or otherwise, we may elect to pay or make in the future. We maintain our cash in various banks and other financial institutions around the world, and in some cases those cash deposits are in excess of FDIC or other deposit insurance. In the event of a bank failure or receivership, we may not have access to those cash deposits in excess of the relevant deposit insurance, which could have an adverse effect on our liquidity and financial performance.

We believe that our primary sources of liquidity will be sufficient to support our existing operations over the next twelve months.

We are continuing our financial transformation initiative, launched in August 2019, to upgrade our information technology and finance infrastructure, including related systems and processes, for which we currently expect upfront costs to be approximately \$250 million, which includes capital expenditures of approximately \$105 million. The timing of global deployment has been delayed as the size and scale of this global system implementation requires rigorous system testing and data validation to ensure go-live readiness. To address these implementation requirements, we are deploying our new technology platform in a wave-based approach. In fiscal years 2023 and 2024, we successfully launched certain components of our new technology platform in select territories in three waves in April 2023, August 2023 and October 2023. We will continue to deploy the platform to remaining territories through the remainder of fiscal year 2024 and into fiscal year 2025. Annualized run-rate savings from the financial transformation initiative are expected to be between approximately \$35 million and \$40 million, once fully implemented and we expect to achieve benefits through the implementation of the platform including process and data standardization, improved security and compliance, operational efficiencies and enhanced productivity. We expect that our primary sources of liquidity will be sufficient to fund these expenditures.

Debt Capital Structure

Since Access acquired us in 2011, we have sought to extend the maturity dates on our outstanding indebtedness, reduce interest expense and improve our debt ratings. For example, our S&P corporate credit rating improved from B in 2017 to BB+ in July 2021 with a stable outlook, and our Moody's corporate family rating improved from B1 in 2016 to Ba2 in April 2023. In addition, our weighted-average interest rate on our outstanding indebtedness has decreased from 10.5% in 2011 to 4.6% as of December 31, 2023. Our nearest-term maturity date is in 2028. Subject to market conditions, we expect to continue to take opportunistic steps to extend our maturity dates and reduce related interest expense. From time to time, we may incur additional indebtedness for, among other things, working capital, repurchasing, redeeming or tendering for existing indebtedness and acquisitions or other strategic transactions.

Revolving Credit Agreement Amendment

On November 30, 2023, Acquisition Corp. entered into an amendment (the "Revolving Credit Agreement Amendment") to the revolving credit agreement, dated January 31, 2018, as amended, among Acquisition Corp., the several banks and other financial institutions party thereto and Credit Suisse AG, Cayman Islands Branch, as predecessor administrative agent, governing Acquisition Corp.'s revolving credit facility (the "Facility") with JPMorgan Chase Bank, N.A., as administrative agent, and the other financial institutions and lenders from time to time party thereto. The Revolving Credit Agreement Amendment (among other changes): (i) increases the commitments under the Revolving Credit Facility from an aggregate principal amount of \$300 million to an aggregate principal amount of \$350 million, (ii) extended the final maturity date of the Revolving Credit Facility from April 3, 2025 to November 30, 2028, (iii) appointed JPMorgan Chase Bank, N.A. as administrative agent in the place of Credit Suisse AG, Cayman Islands Branch, (iv) modified the existing springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant by increasing the springing threshold from \$105,000,000 to \$140,000,000, and (v) included provisions that allow Acquisition Corp. to terminate the security interests securing the obligations under the Revolving Credit Facility upon the satisfaction of the Collateral Suspension Conditions (as defined below) and, in the event that the security interests are so terminated, the existing springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant (which is calculated net of up to \$250 million of cash and cash equivalents held by Acquisition Corp. and its restricted subsidiaries) shall automatically be replaced with a new financial maintenance covenant prohibiting Acquisition Corp. from permitting the Total Indebtedness to EBITDA Ratio to be greater than 3.60:1.00 (calculated net of all cash and cash equivalents held by Acquisition Corp. and its restricted subsidiaries) as of the end of any fiscal quarter.

In the event that the security interests securing the obligations under the Facility are reinstated as a result of the occurrence of a Collateral Suspension Reversion Date (as defined below), the Total Indebtedness to EBITDA Ratio financial maintenance covenant shall revert back to a springing Secured Indebtedness to EBITDA Ratio financial maintenance covenant set at 5.00:1.00.

For purposes of the Revolving Credit Agreement Amendment, (i) "Collateral Suspension Conditions" means conditions that are satisfied if (x) the investment grade condition has been satisfied and (y) the aggregate outstanding principal amount of senior secured indebtedness incurred by Acquisition Corp. and its restricted subsidiaries is not in excess of \$500,000,000 and (ii) "Collateral Suspension Reversion Date" means, the earlier of (x) the date on which the Collateral Suspension Conditions cease to be satisfied or (y) the date on which Acquisition Corp. delivers a collateral suspension reversion notice to the Administrative Agent.

December 2023 Senior Term Loan Credit Agreement Amendment

On December 29, 2023, Acquisition Corp. entered into an amendment (the “Thirteenth Amendment”) to the Senior Term Loan Credit Agreement among Acquisition Corp., the other loan parties, Holdings, each lender party hereto, Credit Suisse AG, Cayman Islands Branch as the resigning administrative agent, and JPMorgan Chase Bank, N.A, as the successor administrative agent. The Thirteenth Amendment appointed JPMorgan Chase Bank, N.A. as administrative agent in the place of Credit Suisse AG, Cayman Islands Branch.

For further discussion of our debt agreements, see “Liquidity” in the “Financial Condition and Liquidity” section of our Annual Report on Form 10-K for the fiscal year ended September 30, 2023.

Dividends

The Company’s ability to pay dividends may be restricted by covenants in the credit agreement for the Revolving Credit Facility which are currently suspended but which will be reinstated if Acquisition Corp.’s Total Indebtedness to EBITDA Ratio increases above 3.50:1.00 and the term loans do not achieve an investment grade rating.

The Company intends to pay quarterly cash dividends to holders of its Class A Common Stock and Class B Common Stock. The declaration of each dividend will continue to be at the discretion of the Company’s board of directors and will depend on the Company’s financial condition, earnings, liquidity and capital requirements, level of indebtedness, contractual restrictions with respect to payment of dividends, restrictions imposed by Delaware law, general business conditions and any other factors that the Company’s board of directors deems relevant in making such a determination. Therefore, there can be no assurance that the Company will pay any dividends to holders of the Company’s common stock, or as to the amount of any such dividends.

On November 9, 2023, the Company’s board of directors declared a cash dividend of \$0.17 per share on the Company’s Class A Common Stock and Class B Common Stock, as well as related payments under certain stock-based compensation plans, which was paid to stockholders on December 1, 2023. The Company paid an aggregate of approximately \$89 million, or \$0.17 per share, in cash dividends to stockholders and participating security holders for the three months ended December 31, 2023.

Covenant Compliance

The Company was in compliance with its covenants under its outstanding notes, the Revolving Credit Facility and the Senior Term Loan Facility as of December 31, 2023.

On January 18, 2019, we delivered a notice to the trustee under the 2012 Secured Indenture and 2014 Unsecured Indenture changing the Fixed GAAP Date, as defined under the indentures, to October 1, 2018. Under the Senior Term Loan Facility, the Revolving Credit Facility and the Secured Notes Indenture, the Fixed GAAP Date is set for April 3, 2020, other than in respect of capital leases, which are frozen at November 1, 2012.

The Revolving Credit Facility contains a springing leverage ratio that is tied to a ratio based on EBITDA, which is defined under the Revolving Credit Agreement. Our ability to borrow funds under the Revolving Credit Facility may depend upon our ability to meet the leverage ratio test at the end of a fiscal quarter to the extent we have drawn a certain amount of revolving loans. On May 4, 2021, certain covenants set forth in our Revolving Credit Facility were suspended, including the restriction on incurring certain additional indebtedness, based on the determination that the total indebtedness to EBITDA ratio is below the required threshold specified therein. EBITDA as defined in the Revolving Credit Facility is based on Consolidated Net Income (as defined in the Revolving Credit Facility), both of which terms differ from the terms “EBITDA” and “net income” as they are commonly used. For example, the calculation of EBITDA under the Revolving Credit Facility, in addition to adjusting net income to exclude interest expense, income taxes and depreciation and amortization, also adjusts net income by excluding items or expenses such as, among other items, (1) the amount of any restructuring charges or reserves; (2) any non-cash charges (including any impairment charges); (3) any net loss resulting from hedging currency exchange risks; (4) the amount of management, monitoring, consulting and advisory fees paid to Access; (5) business optimization expenses (including consolidation initiatives, severance costs and other costs relating to initiatives aimed at profitability improvement); (6) transaction expenses; (7) equity-based compensation expense; and (8) certain extraordinary, unusual or non-recurring items. The definition of EBITDA under the Revolving Credit Facility also includes adjustments for the pro forma impact of certain projected cost savings, operating expense reductions and synergies and any quality of earnings analysis prepared by independent certified public accountants in connection with an acquisition, merger, consolidation or other investment. The Senior Term Loan Facility and the Secured Notes Indenture use financial measures called “Consolidated EBITDA” or “EBITDA” and “Consolidated Net Income” that have substantially the same definitions to EBITDA and Consolidated Net Income, each as defined under the Revolving Credit Agreement.

EBITDA as defined in the Revolving Credit Facility (referred to in this section as “Adjusted EBITDA”) is presented herein because it is a material component of the leverage ratio contained in the Revolving Credit Agreement. Non-compliance with the leverage ratio could result in the inability to use the Revolving Credit Facility, which could have a material adverse effect on our results of operations, financial position and cash flow. Adjusted EBITDA does not represent net income or cash from operating activities as those terms are defined by U.S. GAAP and does not necessarily indicate whether cash flows will be sufficient to fund cash needs. While Adjusted EBITDA and similar measures are frequently used as measures of operations and the ability to meet debt service requirements, these terms are not necessarily comparable to other similarly titled captions of other companies due to the potential inconsistencies in the method of calculation. Adjusted EBITDA does not reflect the impact of earnings or charges resulting from matters that we may consider not to be indicative of our ongoing operations. In particular, the definition of Adjusted EBITDA in the Revolving Credit Agreement allows us to add back certain non-cash, extraordinary, unusual or non-recurring charges that are deducted in calculating net income. However, these are expenses that may recur, vary greatly and are difficult to predict.

Adjusted EBITDA as presented below should not be used by investors as an indicator of performance for any future period. Further, our debt instruments require that it be calculated for the most recent four fiscal quarters. As a result, the measure can be disproportionately affected by a particularly strong or weak quarter. Further, it may not be comparable to the measure for any subsequent four quarter period or any complete fiscal year. In addition, our debt instruments require that the leverage ratio be calculated on a pro forma basis for certain transactions including acquisitions as if such transactions had occurred on the first date of the measurement period and may include expected cost savings and synergies resulting from or related to any such transaction. There can be no assurances that any such cost savings or synergies will be achieved in full.

In addition, Adjusted EBITDA is a key measure used by our management to understand and evaluate our operating performance, generate future operating plans and make strategic decisions regarding the allocation of capital. Adjusted EBITDA has limitations as an analytical tool, and you should not consider it in isolation or as a substitute for analysis of our results as reported under U.S. GAAP. Some of those limitations include: (1) it does not reflect the periodic costs of certain capitalized tangible and intangible assets used in generating revenue for our business; (2) it does not reflect the significant interest expense or cash requirements necessary to service interest or principal payments on our indebtedness; and (3) it does not reflect every cash expenditure, future requirements for capital expenditures or contractual commitments. In particular, this measure adds back certain non-cash, extraordinary, unusual or non-recurring charges that are deducted in calculating net income; however, these are expenses that may recur, vary greatly and are difficult to predict. In addition, Adjusted EBITDA is not the same as net income or cash flow provided by operating activities as those terms are defined by U.S. GAAP and does not necessarily indicate whether cash flows will be sufficient to fund cash needs. Accordingly, Adjusted EBITDA should be considered in addition to, not as a substitute for, net income (loss) and other measures of financial performance reported in accordance with U.S. GAAP.

The following is a reconciliation of net income (loss), which is a U.S. GAAP measure of our operating results, to Adjusted EBITDA as defined, for the most recently ended four fiscal quarters, or the twelve months ended December 31, 2023, for the twelve months ended December 31, 2022 and for the three months ended December 31, 2023 and December 31, 2022. In addition, the reconciliation includes the calculation of the Senior Secured Indebtedness to Adjusted EBITDA ratio, which we refer to as the Leverage Ratio, under the Revolving Credit Agreement for the most recently ended four fiscal quarters, or the twelve months ended December 31, 2023. The terms and related calculations are defined in the Revolving Credit Agreement. All amounts in the reconciliation below reflect Acquisition Corp. (in millions, except ratios):

	Twelve Months Ended December 31,		Three Months Ended December 31,	
	2023	2022	2023	2022
Net Income	\$ 508	\$ 491	\$ 193	\$ 124
Income tax expense	194	158	72	48
Interest expense, net	148	127	39	32
Depreciation and amortization	329	342	81	84
Loss on extinguishment of debt (a)	4	—	—	—
Net gains on divestitures and sale of securities (b)	(25)	(32)	(24)	(41)
Restructuring costs (c)	59	21	4	3
Net foreign exchange losses (gains) (d)	36	(93)	54	61
Transaction costs (e)	3	3	—	—
Business optimization expenses (f)	76	55	23	15

Pro forma impact of cost savings initiatives and specified transactions (i)	38	27	7	9
Adjusted EBITDA	\$ 1,416	\$ 1,162	\$ 461	\$ 350
Senior Secured Indebtedness (j)	\$ 3,766			
Leverage Ratio (k)		2.66x		

- (a) Reflects loss on extinguishment of debt, primarily including tender fees and unamortized deferred financing costs.
- (b) Reflects net gains on sale of securities and divestitures.
- (c) Reflects severance costs and other restructuring related expenses, including those related to the Restructuring Plan as well as the Executive Transition Costs in the twelve months ended December 31, 2023.
- (d) Reflects unrealized losses (gains) due to foreign exchange on our Euro-denominated debt, losses (gains) from foreign currency forward exchange contracts and intercompany transactions.
- (e) Reflects mainly transaction related costs and mark to market adjustments of an earn out liability related to a transaction in 2021.
- (f) Reflects costs associated with our transformation initiatives and IT system updates, which includes costs of \$19 million and \$56 million related to our finance transformation and other transformation related costs for the three and twelve months ended December 31, 2023, respectively, as well as \$10 million and \$41 million for the three and twelve months ended December 31, 2022, respectively.
- (g) Reflects non-cash stock-based compensation expense related to the Omnibus Incentive Plan and the Warner Music Group Corp. Senior Management Free Cash Flow Plan.
- (h) Reflects non-cash activity, including the unrealized losses (gains) on the mark-to-market adjustment of equity investments, investment losses (gains), mark-to-market adjustments of an earn-out liability in 2022 and other non-cash impairments.
- (i) Reflects expected savings resulting from transformation initiatives, including the Restructuring Plan, and the pro forma impact of certain specified transactions for the three and twelve months ended December 31, 2023. Certain of these cost savings initiatives and transactions impacted quarters prior to the quarter during which they were identified within the last twelve-month period. The pro forma impact of these specified transactions and initiatives resulted in a \$4 million decrease in the twelve months ended December 31, 2023 Adjusted EBITDA, primarily driven by the shift in the timing of the financial transformation initiative.
- (j) Reflects the balance of senior secured debt at Acquisition Corp. of approximately \$4.016 billion less cash of \$250 million.
- (k) Reflects the ratio of Senior Secured Indebtedness, including Revolving Credit Agreement Indebtedness, to Adjusted EBITDA. This is calculated net of cash and equivalents of the Company as of December 31, 2023 not exceeding \$250 million. If the outstanding aggregate principal amount of borrowings and drawings under letters of credit which have not been reimbursed under our Revolving Credit Facility is greater than \$140 million at the end of a fiscal quarter, the maximum leverage ratio permitted under the Revolving Credit Facility is 5.00:1.00. The Company's Revolving Credit Facility does not

impose any “leverage ratio” maintenance requirement on the Company when the aggregate principal amount of borrowings and drawings under letters of credit, which have not been reimbursed under the Revolving Credit Facility, is less than or equal to \$140 million at the end of a fiscal quarter. On May 4, 2021, certain covenants set forth in our Revolving Credit Facility were suspended, including the restriction on incurring certain additional indebtedness, based on the determination that the total indebtedness to EBITDA ratio is below the required threshold specified therein.

Summary

Management believes that funds generated from our operations and borrowings under the Revolving Credit Facility and available cash and equivalents will be sufficient to fund our debt service requirements, working capital requirements and capital expenditure requirements for the foreseeable future. We also have additional borrowing capacity under our indentures and the Senior Term Loan Facility. However, our ability to continue to fund these items and to reduce debt may be affected by general economic, financial, competitive, legislative and regulatory factors, as well as other industry-specific factors such as the ability to control music piracy and the continued transition from physical to digital formats in the recorded music and music publishing industries. It could also be affected by the severity and duration of geopolitical conflicts or natural or man-made disasters, including pandemics such as COVID-19. We and our affiliates continue to evaluate opportunities to, from time to time, depending on market conditions and prices, contractual restrictions, our financial liquidity and other factors, seek to pay dividends or prepay outstanding debt or repurchase or retire Acquisition Corp.’s outstanding debt or debt securities or repurchase our outstanding equity securities in open market purchases, privately negotiated purchases or otherwise. The amounts involved in any such transactions, individually or in the aggregate, may be material and may be funded from available cash or from additional borrowings. In addition, from time to time, depending on market conditions and prices, contractual restrictions, our financial liquidity and other factors, we may seek to refinance the Senior Credit Facilities or our outstanding debt or debt securities with existing cash and/or with funds provided from additional borrowings.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

As discussed in Note 16 to our audited consolidated financial statements for the fiscal year ended September 30, 2023, the Company is exposed to market risk arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates. As of December 31, 2023, other than as described below, there have been no material changes to the Company's exposure to market risk since September 30, 2023.

Foreign Currency Risk

Within our global business operations we have transactional exposures that may be adversely affected by changes in foreign currency exchange rates relative to the U.S. dollar. We may at times choose to use foreign exchange currency derivatives, primarily forward contracts, to manage the risk associated with the volatility of future cash flows denominated in foreign currencies, such as unremitted or future royalties and license fees owed to our U.S. companies for the sale or licensing of U.S.-based music and merchandise abroad that may be adversely affected by changes in foreign currency exchange rates. We focus on managing the level of exposure to the risk of foreign currency exchange rate fluctuations on major currencies, which can include the Euro, British pound sterling, Japanese yen, Canadian dollar, Swedish krona, Australian dollar, Brazilian real, Korean won and Norwegian krone, and in many cases we have natural hedges where we have expenses associated with local operations that offset the revenue in local currency and our Euro-denominated debt, which can offset declines in the Euro. As of December 31, 2023, the Company had outstanding foreign currency forward exchange contracts for the sale of \$366 million and the purchase of \$219 million of foreign currencies at fixed rates. Subsequent to December 31, 2023, certain of our foreign exchange contracts expired and were not replaced.

The fair value of foreign exchange contracts is subject to changes in foreign currency exchange rates. For the purpose of assessing the specific risks, we use a sensitivity analysis to determine the effects that market risk exposures may have on the fair value of our financial instruments. For foreign exchange forward contracts outstanding at December 31, 2023, we typically perform a sensitivity analysis assuming a hypothetical 10% depreciation of the U.S. dollar against foreign currencies from prevailing foreign currency exchange rates and assuming no change in interest rates. The fair value of the foreign exchange forward contracts would have decreased by \$15 million based on this analysis. Hypothetically, even if there was a decrease in the fair value of the forward contracts, because our foreign exchange contracts are used to manage foreign currency exchange rate risk, these losses would be largely offset by gains on the underlying transactions.

Interest Rate Risk

We had \$4.041 billion of principal debt outstanding at December 31, 2023, of which \$1.313 billion was variable-rate debt and \$2.728 billion was fixed-rate debt. As such, we are exposed to changes in interest rates. At December 31, 2023, 68% of the Company's debt was at a fixed rate. In addition, as of December 31, 2023, we have the option under our floating rate loans under the Senior Term Loan Facility to select a one, three or six month Term SOFR.

Based on the level of interest rates prevailing at December 31, 2023, the fair value of the Company's fixed-rate and variable-rate debt was approximately \$3.763 billion. Further, as of December 31, 2023, based on the amount of the Company's fixed-rate debt, a 25 basis point increase or decrease in the level of interest rates would decrease the fair value of the fixed-rate debt by approximately \$35 million or increase the fair value of the fixed-rate debt by approximately \$35 million. This potential fluctuation is based on the simplified assumption that the level of fixed-rate debt remains constant with an immediate across the board increase or decrease in the level of interest rates with no subsequent changes in rates for the remainder of the period.

Inflation Risk

Inflationary factors such as increases in overhead costs may adversely affect our results of operations. We do not believe that inflation has had a material effect on our business, financial condition or results of operations to date. If our costs were to become subject to significant inflationary pressures, we may not be able to fully offset such higher costs through price increases for services. Our inability or failure to do so could harm our business, financial condition or results of operations.

ITEM 4. CONTROLS AND PROCEDURES

Certification

The certifications of the principal executive officer and the principal financial officer (or persons performing similar functions) required by Rules 13a-14(a) and 15d-14(a) of the Exchange Act (the “Certifications”) are filed as exhibits to this report. This section of the report contains the information concerning the evaluation of the Company’s disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) (“Disclosure Controls”) and changes to internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) (“Internal Controls”) referred to in the Certifications and this information should be read in conjunction with the Certifications for a more complete understanding of the topics presented.

Introduction

The SEC’s rules define “disclosure controls and procedures” as controls and procedures that are designed to ensure that information required to be disclosed by public companies in the reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by public companies in the reports that they file or submit under the Exchange Act is accumulated and communicated to a company’s management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

The SEC’s rules define “internal control over financial reporting” as a process designed by, or under the supervision of, a public company’s principal executive and principal financial officers, or persons performing similar functions, and effected by the Company’s board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, or U.S. GAAP, including those policies and procedures that: (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with U.S. GAAP, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of our assets that could have a material effect on the financial statements.

The Company’s management, including its principal executive officer and principal financial officer, does not expect that our Disclosure Controls or Internal Controls will prevent or detect all error and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Because of the limitations in any and all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. Further, the design of any control system is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Because of these inherent limitations in a cost-effective control system, misstatements due to error or fraud may occur and not be detected even when effective Disclosure Controls and Internal Controls are in place.

Evaluation of Disclosure Controls and Procedures

Based on management’s evaluation (with the participation of the Company’s principal executive officer and principal financial officer), as of the end of the period covered by this report, the Company’s principal executive officer and principal financial officer have concluded that the Company’s Disclosure Controls are effective to provide reasonable assurance that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act will be recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, including that such information is accumulated and communicated to management, including the principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting or other factors that occurred during the three months ended December 31, 2023 that have materially affected, or are reasonably likely to materially affect, the Company’s internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

From time to time the Company is involved in claims and legal proceedings that arise in the ordinary course of business. The Company is currently subject to several such claims and legal proceedings. Based on currently available information, the Company does not believe that resolution of pending matters will have a material adverse effect on its financial condition, cash flows or results of operations. However, litigation is subject to inherent uncertainties, and there can be no assurances that the Company's defenses will be successful or that any such lawsuit or claim would not have a material adverse impact on the Company's business, financial condition, cash flows and results of operations in a particular period. Any claims or proceedings against the Company, whether meritorious or not, can have an adverse impact because of defense costs, diversion of management and operational resources, negative publicity and other factors.

RESTRICTED STOCK UNIT AWARD TERMS AND CONDITIONS (U.S.)

This document contains the Terms and Conditions of the Restricted Stock Units awarded by the Company to the Participant indicated in the Notice of Award of Restricted Stock Units to which this document is attached (the “Notice”), and constitutes a binding agreement by and between Warner Music Group Corp. (the “Company”), and the employee whose name is set forth on the Notice. Capitalized terms used but not defined herein shall have the respective meanings given to them in the Warner Music Group Corp. 2020 Omnibus Incentive Plan, as amended from time to time (the “Plan”).

1. Grant of RSUs. The Company hereby evidences and confirms its grant to the individual whose name is set forth on the Notice (the “Participant”), effective as of the grant date set forth on the Notice (the “Grant Date”), of the number of Restricted Stock Units set forth on the Notice (the “RSUs”). Each RSU represents the unfunded, unsecured right of the Participant to receive one Share. The RSUs are subject to the terms and conditions of the Plan, which are incorporated by reference herein.

2. Vesting. Except as otherwise provided in this Section 2 or in the Plan or as approved by the Administrator, the RSUs shall vest in accordance with the terms of these Terms and Conditions (including the Notice and the Plan), as follows (the occurrence of each such event described in Section 2(a)-(d), a “Vesting Event”):

(a) the RSUs shall become vested on the earliest to occur of the (i) vesting dates set forth in the Notice (each, a “Vesting Date”), (ii) the Participant’s death and (iii) the Participant’s Disability, subject in each case to the Participant’s continued employment with the Company or its Affiliate through such date;

(b) upon the occurrence of a Change in Control, all then outstanding unvested RSUs shall be treated as provided in the Plan;

(c) if the Participant’s employment terminates in a Qualifying Termination prior to the fourth anniversary of the Vesting Commencement Date set forth in the Notice, then (i) a pro rata portion of the outstanding unvested RSUs that would otherwise have vested upon the next Vesting Date following such Qualifying Termination (assuming the Participant had remained employed through such Vesting Date) shall become vested based on the portion of the period between (x) the Vesting Date preceding such Qualifying Termination (or, if the Qualifying Termination occurs prior to the first Vesting Date, the Vesting Commencement Date) and (y) the next Vesting Date following such Qualifying Termination that has elapsed as of the date of such termination (the “Accelerated RSUs”) and (ii) the balance of the RSUs (the “Deferred RSUs”) shall remain outstanding and unvested and shall become vested on the remaining Vesting Date or Vesting Dates, as applicable, following such Qualifying Termination provided the Participant (A) has not violated Section 13(b) through such Vesting Date and (B) has provided certification of such ongoing compliance with Section 13(b) in writing to the Company prior to (but no more than 90 days prior to) such Vesting Date.

(d) if the Participant’s employment terminates in a Qualifying Retirement (as defined below) prior to the fourth anniversary of the Vesting Commencement Date, all of the outstanding unvested RSUs shall become vested on the remaining Vesting Date or Vesting Dates, as applicable, following such termination provided the Participant (i) has not violated Section 13(b) through such Vesting Date and (ii) has provided certification of such ongoing compliance with Section 13(b) in writing to the Company prior to (but no more than 90 days prior to) such Vesting Date.

For purposes of these Terms and Conditions, employment with the Company will be deemed to include employment with, or, if approved by the Administrator, other service to, the Company or Company's Affiliates, but in the case of employment with or service to an Affiliate, only during such time as such Affiliate is an affiliate of the Company.

Notwithstanding anything contained in these Terms and Conditions to the contrary, the Administrator, in its sole discretion, may accelerate the vesting of any RSUs, at such times and upon such terms and conditions as the Administrator shall determine, so long as the delivery of Shares for any RSUs subject to Section 409A of the Code is permitted thereby.

3. Termination for Cause. If the Participant's employment is terminated for Cause, or if the Participant resigns at such time as the Company could have terminated the Participant's employment for Cause, then notwithstanding any other provision of these Terms and Conditions, the Participant will immediately forfeit any remaining RSUs, along with any Shares issuable with respect to such RSUs (even if otherwise vested) for which Shares have not yet been delivered, and any cash amounts payable under Section 9(b).

4. Delivery.

(a) In the case of a Vesting Event described in Section 2(a) or 2(b) (i.e., scheduled Vesting Dates, death or Disability, Change in Control), one Share shall be delivered in respect of each RSU then vesting, within 30 days of the applicable Vesting Event.

(b) In the case of a Vesting Event described in Section 2(c) (Qualifying Termination), subject to the Participant's compliance with Section 2(c) and Section 13(b), one Share will become deliverable in respect of each RSU then vesting, subject to the Participant executing a general release of claims in favor of the Company and its affiliates, directors and officers in a form provided by the Company and to such release becoming irrevocable within 60 days after such termination (such 60-day period, the "Release Period"). If the Participant fails to timely satisfy this release requirement, all of the RSUs that would otherwise vest under Section 2(c) (i.e., both the Accelerated RSUs and Deferred RSUs, along with any Shares issuable with respect to such RSUs) shall be deemed forfeited as of the date of Participant's Qualifying Termination and the Participant will have no further rights with respect thereto. Subject to the Participant's compliance with the requirements described in this Section 4(b):

(i) Shares deliverable under this Section 4(b) in respect of Accelerated RSUs will be delivered on the date the release becomes irrevocable (but if the Release Period spans two taxable years of the Participant, not before the first day of such second taxable year), or if sooner, upon the occurrence of a Change in Control or the Participant's death; and

(ii) Shares deliverable under this Section 4(b) in respect of Deferred RSUs will be delivered on the date such Shares would have otherwise been delivered under Section 2(a)(i), but for the Participant's termination, or if sooner, upon the occurrence of a Change in Control or the Participant's Disability or death (but if such Change in Control, Disability or death occurs during the Release Period, then the Shares will be delivered on the next business day following the Release Period).

(c) Subject to Participant's compliance with Section 2(d) and Section 13(b), in the case of a Vesting Event described in Section 2(d) (Qualifying Retirement), one Share will become deliverable in respect of each RSU then vesting. Shares deliverable under this Section 4(c) will be delivered (i) on the date such Shares would have otherwise been delivered under Section 2(a)(i), but for the Participant's termination, or (ii) if sooner, upon the occurrence of a Change in Control or the Participant's Disability or death.

(d) In the event of the death of the Participant, the delivery of Shares under this Section 4 shall be made to the Participant's estate or to a beneficiary designated in accordance with the Company's requirements as in effect from time to time (but in any event no later than December 31 of the calendar year immediately following the calendar year during which the Participant's death occurs).

5. Certain Definitions. For purposes of these Terms and Conditions and notwithstanding any provision of the Plan to the contrary, the following definitions will apply:

(a) "Cause" with respect to the Participant, has the meaning set forth in (i) the Participant's employment agreement or offer letter with the Company or its Affiliate, or (ii) if the Participant is not party to an employment agreement or offer letter with the Company or its Affiliate agreement that contains a "cause" definition, the Warner Music Inc. Severance Plan for Regular U.S. Employees or its successor plan, as in effect from time to time.

(b) "Qualifying Retirement" means the Participant's "separation from service" within the meaning of Section 409A of the Code after the Participant has attained age 60 and completed at least 10 years of employment with the Company.

(c) "Qualifying Termination" means the Participant's "involuntary separation from service" within the meaning of Section 409A of the Code resulting from a termination of employment (i) by the Company or its Affiliate without Cause, (ii) if the Participant is party to an employment agreement or offer letter with the Company or its Affiliate that contains a "good reason" definition, by the Participant for "good reason" (as defined therein) or (iii) if the Participant is party to an employment agreement or offer letter with the Company or its Affiliate agreement that contains a "qualifying non-renewal" definition, in a "qualifying non-renewal" (as defined therein).

6. Adjustments Upon Certain Events. The Administrator shall, in its sole discretion, make equitable substitutions or adjustments to the number of Shares and the RSUs pursuant to Section 3.3 of the Plan.

7. No Right to Continued Employment. Neither the Plan, the Notice nor these Terms and Conditions shall be construed as giving the Participant the right to be retained in the employ of, or in any consulting relationship with, the Company or any of its Affiliates. Further, the Company (or, as applicable, its Affiliates) may at any time dismiss the Participant, free from any liability or any claim under the Plan, the Notice or these Terms and Conditions, except as otherwise expressly provided herein.

8. No Acquired Rights. The Award has been granted entirely at the discretion of the Administrator. The grant of the Award does not obligate the Company to grant additional Awards to the Participant in the future (whether on the same or different terms).

9. No Rights of a Stockholder; Dividend Equivalent Payments.

(a) The Participant shall not have any rights or privileges as a stockholder of the Company in respect of RSUs, which for the avoidance of doubt includes no rights to dividends or to vote, until the Shares in question have been registered in the Company's register of stockholders as being held by the Participant.

(b) Section 9(a) notwithstanding, if the Company declares and pays a cash dividend or distribution with respect to its Shares, then, with respect to each then outstanding RSU as to which Shares have not been delivered, whether vested or unvested, the Participant will be paid an amount of cash equal to the value of such cash dividend or distribution within 30 days

of the date the dividend becomes payable to the Company's shareholders or, if later, on the next practicable payroll date applicable to the Participant (but in any event no later than December 31st of the calendar year in which the dividend becomes payable to the Company's shareholders).

10. Transferability of Shares. Any Shares issued or transferred to the Participant pursuant to the Award shall be subject to such stop transfer orders and other restrictions as the Administrator may deem advisable under the Plan, the Notice, these Terms and Conditions or the rules, regulations and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant, and the Administrator may cause a legend or legends to be put on any certificates representing such Shares or make an appropriate entry on the record books of the appropriate registered book-entry custodian, if the Shares are not certificated, to make appropriate reference to such restrictions.

11. Transferability of RSUs. Except as set forth in Section 4(d), the RSUs (and, prior to their actual issuance, the Shares) may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 11 shall be void and unenforceable.

12. Withholding; Taxation.

(a) The Company and the Participant shall cooperate to satisfy applicable federal, state and local income and employment tax withholding requirements applicable to the grant, vesting and settlement of the RSUs and any dividends or distributions payable under Section 9(b) (the "Required Withholding"). The Company shall withhold from the Shares that would otherwise have been transferred to the Participant in settlement of vested RSUs the number of Shares necessary to satisfy the Participant's Required Withholding unless the Required Withholding shall previously have been satisfied by the Participant or from other amounts payable by the Company to the Participant and, if applicable, shall deliver the remaining Shares to the Participant. The Company shall withhold from any dividends or distributions payable under Section 9(b) a cash amount equal to the Required Withholding applicable thereto. The amount of the Required Withholding and the number of Shares to be withheld by the Company, if applicable, to satisfy Participant's Required Withholding, as well as the amount reflected on tax reports filed by the Company, shall be based on the Fair Market Value of the Shares on the date prior to the applicable Vesting Date or the date on which the Shares are delivered to the Participant, as appropriate. The obligations of the Company under these Terms and Conditions will be conditioned on such satisfaction of the Required Withholding. The payment of any applicable withholding taxes through the withholding of Shares otherwise issuable under the Award shall not exceed the minimum required withholding liability.

(b) The Award and these Terms and Conditions are intended to comply with Section 409A of the Code and should be interpreted accordingly. To the extent necessary to give effect to this intent, in the case of any conflict or potential inconsistency between the provisions of the Plan and these Terms and Conditions, the provisions of these Terms and Conditions will govern, and in the case of any conflict or potential inconsistency between this Section 12 and the other provisions of these Terms and Conditions, this Section 12 will govern. Nonetheless, the Company does not guarantee the tax treatment of the Award.

(c) In no event will the Participant be permitted to designate, directly or indirectly, the taxable year of the delivery. To the extent the Award includes a "series of installment payments" as described in Treas. Reg. § 1.409A-2(b)(2)(iii), the Participant's right to the series of installment payments will be treated as a right to a series of separate payments and

not as a right to a single payment. The Award is subject to offset solely to the extent permitted by the Plan and Section 409A of the Code. To the extent any payment under the Award is conditioned on the effectiveness of a release of claims and the period the Participant is afforded to consider the release spans two taxable years of the Participant, payment will be made in the second taxable year.

(d) Notwithstanding anything in this Award to the contrary, (i) to the extent permitted by Treas. Reg. § 1.409A-3(j)(4)(vi), settlement of the Award may be accelerated to the extent necessary to satisfy employment tax withholding obligations that arise with respect to the Award, (ii) the Company may terminate this arrangement and deliver Shares hereunder in a manner consistent with Treas. Reg. § 1.409A-3(j)(4)(ix) and (iii) if at the time the Participant's termination of employment, the Participant is a "specified employee" as defined in Section 409A of the Code and the deferred delivery of Shares otherwise deliverable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the Company will defer the delivery of Shares hereunder (without any reduction in the number of Shares ultimately delivered to the Participant) until the date that is six (6) months following the Participant's separation from service (or the earliest date as is permitted under Section 409A of the Code), at which point all Shares deferred pursuant to this subclause (iii) of Section 12(d) shall be delivered to the Participant during the ten (10)-day period following the end of the six (6)-month delay.

13. Clawback/Forfeiture; Other Company Policies.

(a) Notwithstanding anything to the contrary contained herein or in the Plan, in consideration for the grant of this Award, the Participant agrees that the RSUs and any Shares or cash delivered in settlement of the RSUs, including in respect of dividends or distributions pursuant to Section 9(b), (i) will be subject to the terms of any clawback or recapture policy that the Company may have in effect from time to time, including, but not limited to, the Company's Dodd-Frank Clawback Policy, and, in accordance with such policy, it may become required that the Shares subject to the RSUs or any cash payments made in respect thereof be repaid to the Company after they have been distributed to the Participant, and (ii) will, along with any other equity interests in the Company held by the Participant, be subject to any policy with respect to hedging or pledging of Shares that the Company may have in effect from time to time.

(b) Except as expressly provided herein or as otherwise approved by the Administrator, as a condition to a Vesting Event described in Section 2(c) (Qualifying Termination) or Section 2(d) (Qualifying Retirement), the Participant shall not, to the extent permitted by applicable law, during the period following the Qualifying Retirement or Qualifying Termination, as applicable, and prior to the final Vesting Date, without the prior written consent of Company, directly or indirectly, as an employee, agent, consultant, partner, joint venturer, owner, officer, director, member of any other firm, partnership, corporation or other entity, or in any other capacity, (i) own any interest in, manage, control, participate in, consult with, render services for, or otherwise be or be connected in any manner with, any recorded music, music distribution, music publishing or music entertainment business or any other business that the Company and its Affiliates has conducted during the one-year period immediately preceding the date of such Qualifying Retirement or Qualifying Termination, as applicable, or has plans to conduct as of the date of such Qualifying Retirement or Qualifying Termination anywhere in the world, or (ii) solicit, negotiate with, induce or encourage any record label, recording artist (including a duo or a group), publisher or songwriter who at the time is, or who within the preceding one-year prior period was, either directly or through a furnishing entity, under contract to Company or any affiliate of Company or a label distributed by Company or an affiliate of Company, to end its relationship with Company, Company affiliate or label, to violate any provision of his or her contract or to enter into an exclusive recording or music publishing agreement with any other party. Accordingly, the Participant agrees that, unless

otherwise approved by the Administrator, without limiting any of the Company's rights pursuant to any clawback or recapture policy that the Company may have in effect from time to time, including, but not limited to, the Company's Dodd-Frank Clawback Policy, in the event of the Participant's violation of any of the covenants contained in this Section 13(b), the Participant will immediately forfeit all unvested RSUs held by the Participant, and the Participant will have no further rights with respect thereto. Without limiting the generality of Section 17, the provisions of Section 13(b)(i) and the same provisions in any other Award Agreement between Participant and Company shall not apply during any time when the Participant's primary residence or primary place of work is in the State of California or in any jurisdiction in which applicable law would prohibit any or all of the provisions of Section 13(b)(i) from applying to the Participant.

14. Choice of Law. THE AWARD, THESE TERMS AND CONDITIONS AND THE NOTICE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS MADE AND TO BE WHOLLY PERFORMED WITHIN THAT STATE. ANY ACTION TO ENFORCE THE AWARD, THESE TERMS AND CONDITIONS OR THE NOTICE MUST BE BROUGHT IN A COURT SITUATED IN, AND THE PARTIES HEREBY CONSENT TO THE JURISDICTION OF, COURTS SITUATED IN NEW YORK COUNTY, NEW YORK. EACH PARTY HEREBY WAIVES THE RIGHTS TO CLAIM THAT ANY SUCH COURT IS AN INCONVENIENT FORUM FOR THE RESOLUTION OF ANY SUCH ACTION.

15. RSUs Subject to Plan. All the RSUs are subject to the Plan, a copy of which has been provided to the Participant and the terms of which are incorporated herein by this reference. Except as set forth in Section 12(b), if there is any inconsistency between any express provision of these Terms and Conditions and any express term of the Plan, the express term of the Plan shall govern.

16. Beneficiary. The Participant may file with the Company a written designation of a beneficiary on such form as may be prescribed by the Company and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the Participant's beneficiary. The Participant's beneficiary shall succeed to the rights and obligations of the Participant hereunder upon the Participant's death, except as maybe otherwise described herein or in the Plan.

17. Entire Agreement; Severability. The Plan, these Terms and Conditions and the Notice contain the entire agreement and understanding of the parties hereto with respect to the subject matter contained herein and supersede all prior communications, representations and negotiations in respect thereto. No change, modification or waiver of any provision of the Notice or these Terms and Conditions shall be valid unless the same be in writing and signed by the parties hereto. Whenever possible, each provision of these Terms and Conditions shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of these Terms and Conditions is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but these Terms and Conditions shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

18. Additional Terms. Notwithstanding any other provision of the Plan, these Terms and Conditions or the Notice, the RSUs shall be subject to any special terms and conditions set forth in Addendum A to these Terms and Conditions for the Participant's country or jurisdiction, if any. Moreover, if the Participant relocates to one of the countries included in Addendum A, the special terms and conditions for such country will apply to Participant, without

the Participant's consent, to the extent the Company determines in its sole discretion that the application of such terms or conditions is necessary or advisable for legal or administrative reasons. Addendum A constitutes part of these Terms and Conditions.

19. Acceptance of RSUs and Agreement. The Participant has indicated the Participant's consent and acknowledgement of the terms of these Terms and Conditions pursuant to the instructions provided to the Participant by or on behalf of the Company. The Participant acknowledges receipt of the Plan, represents to the Company that the Participant has read and understood these Terms and Conditions and the Plan, and, as an express condition to the grant of the RSUs under these Terms and Conditions, agrees to be bound by the terms of both these Terms and Conditions and the Plan. The Participant and the Company each agrees and acknowledges that the use of electronic media (including, without limitation, a click-through button or checkbox on a website of the Company or a third-party administrator) to indicate the Participant's confirmation, consent, signature, agreement and delivery of these Terms and Conditions and the RSUs is legally valid and has the same legal force and effect as if the Participant and the Company signed and executed these Terms and Conditions in paper form. The same use of electronic media may be used for any amendment or waiver of these Terms and Conditions.

Addendum A

ADDITIONAL TERMS AND CONDITIONS OF THE RSUs IN CERTAIN JURISDICTIONS

This Addendum A includes special terms that apply to the RSUs for Participants residing or providing service to the Company in one of the jurisdictions listed below (where applicable to the Participant in the determination of the Company). Capitalized terms used but not defined herein shall have the respective meanings given to them in the Restricted Stock Unit Award Terms and Conditions to which this Addendum A is attached. This Addendum A is part of the Terms and Conditions.

European Union Prospectus Directive

Under the European Union Prospectus Regulation (“EUPR”), certain securities rules from the relevant “Home Member State” may apply if the offering is considered a public offering of securities. This Plan is exempt from the requirements of the EUPR under Article 1(4)(i).

Argentina

Securities Law Information

The offering of the RSUs pursuant to the Award is a private transaction. Neither the RSUs nor the underlying Shares are publicly offered or listed on any stock exchange in Argentina.

Exchange Control Information

Certain restrictions and requirements may apply if and when a Participant transfers proceeds from the Award into Argentina. The foreign exchange rules are amended on a regular basis and, therefore, it is recommended that the local bank involved in the transaction be contacted prior to transferring funds abroad.

Discretionary Award; Effect on Other Benefits.

The Participant acknowledges and agrees that the grant of RSUs is made by the Company in its sole discretion and that the value of the RSUs or any Shares acquired under the Plan shall not constitute salary or wages for any purpose under Argentine labor law, including, but not limited to, the calculation of (i) any labor benefits including, but not limited to, vacation pay, thirteenth salary, compensation in lieu of notice, annual bonus, disability, and leave of absence payments, etc., or (ii) any termination or severance indemnities or similar payments.

Australia

Securities Law Information

The offering and resale of Shares acquired under the Plan to a person or entity resident in Australia may be subject to disclosure requirements under Australian law. The Participant should obtain legal advice regarding any applicable disclosure requirements prior to making any such offer.

Tax Information

The Plan is a plan to which subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to conditions in that Act).

Foreign Exchange

The Participant acknowledges and agrees that it is the Participant’s sole responsibility to investigate and comply with any applicable exchange control laws in connection with the inflow of funds from the vesting of the Awards or subsequent sale of the Shares and any dividends (if any) and that the Participant shall be responsible for any reporting of inbound international fund

transfers required under applicable law. The Participant is advised to seek appropriate professional advice as to how the exchange control regulations apply to the Participant's specific situation.

Data Protection

The Participant hereby consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data as described in these Terms and Conditions, the Plan and any other Award materials by and among, as applicable, the Company and any of its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan.

The Participant understands that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all RSUs or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in the Participant's favor, for the exclusive purpose of implementing, administering and managing the Plan. The data is supplied by the Company or its Affiliates and also by the Participant through information collected in connection with the Award Agreement and the Plan.

Austria

Exchange Control Information

If the Participant holds Shares acquired under the Plan outside of Austria, the Participant must submit a report to the Austrian National Bank. An exemption applies if the value of the Shares as of any given quarter is less than €30,000,000 or, as of December 31, is less than €5,000,000. If the former threshold is exceeded, quarterly obligations are imposed, whereas if the latter threshold is exceeded, annual reports must be given. The annual reporting date is December 31 and the deadline for filing the annual report is January 31 of the following year.

When the Participant sells Shares acquired under the Plan or receives a dividend payment (if applicable), there may be exchange control obligations if the cash proceeds are held outside of Austria. If the transaction volume of all accounts abroad meets or exceeds €10,000,000, the movements and balances of all accounts must be reported monthly, as of the last day of the month, on or before day 15 of the following month, on the prescribed form (Meldungen SI-Forderungen und/oder SI-Verpflichtungen). If the transaction value of all cash accounts abroad is less than €10,000,000, no ongoing reporting requirements apply.

Belgium

Foreign Asset/Account Reporting Information

The Participant is required to report any security or bank accounts (including brokerage accounts) the Participant maintains outside of Belgium on the Participant's annual tax return. In a separate report, the Participant is required to provide the National Bank of Belgium with certain details regarding such foreign accounts (including the account number, bank name and country in which any such account was opened). This report, as well as additional information on how to complete it, can be found on the website of the National Bank of Belgium, www.nbb.be, under Kredietcentrales / Centrales des crédits caption.

Brazil

Exchange Control Information

If the Participant is resident or domiciled in Brazil, the Participant will be required to submit an annual declaration of assets and rights held outside of Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights equals or exceeds US\$100,000. Assets and rights that must be reported include, but are not limited to, the Shares acquired under the Plan.

Canada

Prospectus Exemption

For the purposes of compliance with National Instrument 45-106 – Prospectus Exemptions (and in Québec, Regulation 45-106 respecting Prospectus exemptions, collectively, “45-106”), the prospectus requirement does not apply to a distribution by an issuer in a security of its own issue with an employee, executive officer, director or consultant of the issuer or a related entity of the issuer, provided the distribution is voluntary.

Resale Restrictions

Shares acquired under the Plan may be subject to certain restrictions on resale imposed by Canadian provisional securities laws. For the purposes of compliance with National Instrument 45-102 – Resale of Securities (and in Québec, Regulation 45-102 respecting Resale of securities, collectively, “45-102”), the prospectus requirement does not apply to the first trade of Shares issued in connection with the Awards provided the conditions set forth in section 2.14 of 45-102 are satisfied. The Participant should consult the Participant’s advisor prior to any resale of Shares.

Foreign Asset/Accounting Reporting Information

The Participant may be required to report foreign specified property (including Shares and rights to Shares such as vested and/or unvested Awards) on form T1135 (Foreign Income Verification Statement) if the total cost of the Participant’s foreign specified property exceeds C\$100,000 at any time in the year. If applicable, the form must be filed by April 30 of the following year. When Shares are acquired, their cost generally is the adjusted cost base (“ACB”) of the Shares. The ACB ordinarily would equal the fair market value of the stock at the time of acquisition, but if the Participant owns other common stock of the same Company, this ACB may have to be averaged with the ACB of the other stock. The Participant should refer to form T1135 (Foreign Income Verification Statement) and consult the Participant’s tax advisor for further details.

Data Privacy Notice and Consent

The Participant hereby authorizes the Company and the Company’s representatives to discuss with and obtain all relevant information from all personnel, professional or not, involved in the administration and operation of the Plan. The Participant further authorizes the Company and its Affiliates to disclose and discuss the Participant’s participation in the Plan with their advisors. Finally, the Participant authorizes the Company and its Affiliates to record such information and to keep such information in the Participant’s employee file.

The following provisions apply if the Participant is a resident of Quebec:

Language Consent

The parties acknowledge that it is their express wish that the Plan, the Terms and Conditions, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant to the Plan or relating directly or indirectly thereto, be drawn up in English.

Les parties reconnaissent avoir expressément souhaité que la convention “Terms and Conditions”, ainsi que tous les documents, avis et procédures judiciaires, exécutés, donnés ou

intentés en vertu de, ou lié, directement ou indirectement à la présente convention ou au Plan, soient rédigés en langue anglaise.

Data Privacy Notice and Consent

This provision supplements Section 19 of the Terms and Conditions:

The Participant further authorizes the Company and any Subsidiary or affiliate and the Administrator to disclose and discuss the Plan with their advisors. The Participant further authorizes the Company and any Subsidiary or Affiliate to record such information and to keep such information in the Participant's employee file.

Exchange Control Information

The Participant is not required to repatriate proceeds obtained from the sale of Shares or from dividends or any dividend proceeds (if any) to Chile; however, if the Participant decides to repatriate proceeds from the sale of Shares and/or dividends or dividend proceeds and the amount of the proceeds to be repatriated exceeds US\$10,000, the Participant acknowledges that the Participant must effect such repatriation through the formal market (i.e., a commercial bank or registered foreign exchange office).

Awards Settled in Cash

Section 1 of the Terms and Conditions is amended to read as follows:

1. Grant of RSUs. The Company hereby evidences and confirms its grant to the individual whose name is set forth on the Notice (the "Participant"), effective as of the grant date set forth on the Notice (the "Grant Date"), of the number of Restricted Stock Units set forth on the Notice (the "RSUs"). Each RSU represents the unfunded, unsecured right of the Participant to receive from the Company or its Affiliate the cash value of one Share as measured by the closing price of the Share as traded on the Nasdaq Global Select Market as of the applicable Vesting Date. The RSUs are subject to the terms and conditions of the Plan, which are incorporated by reference herein.

Section 4 of the Terms and Conditions is amended to read as follows:

4. Delivery. The cash value of one Share as measured by the closing price of the Share as traded on Nasdaq as of the applicable Vesting Date shall be delivered in respect of each RSU within 30 days of the applicable Vesting Event. In the event of the death of the Participant following a Vesting Event and prior to payment, the payment shall be made to the Participant's estate or to a beneficiary designated in accordance with the Company's requirements as in effect from time to time.

Section 12(a) of the Terms and Conditions is amended to read as follows:

(a) Affiliate. The Company (which, for purposes of this Section 12(a) includes any Affiliate employing the Participant) and the Participant shall cooperate to satisfy applicable income and employment tax withholding requirements applicable to the grant, vesting and settlement of the RSUs (the "Required Withholding"). The Company shall withhold from the payment of cash that would otherwise have been transferred to the Participant in settlement of vested RSUs the amount necessary to satisfy the Participant's Required Withholding unless the Required Withholding shall previously have been satisfied by the Participant or from other amounts payable by the Company to the Participant and, if applicable, shall deliver the remaining amount of the payment to the Participant. The amount of the Required Withholding and the amount to be withheld by the Company, if applicable, to satisfy the Participant's Required Withholding, as well as the amount reflected on tax reports filed by the Company, shall be based on the Fair Market Value of the Shares on the date prior to the applicable Vesting Date. The obligations of the Company under these Terms and Conditions will be conditioned on such satisfaction of the Required Withholding. The payment of any applicable withholding taxes through the withholding of Shares otherwise issuable under this Award shall not exceed the minimum required withholding liability.

Colombia

New Zealand

Securities Law Information

WARNING

This is an offer of RSUs over Shares which, if vested, will entitle the Participant to acquire Shares in accordance with the terms of the Award, the Terms and Conditions and the Plan. Shares, if issued, will give the Participant a stake in the ownership of the Company. The Participant may receive a return if dividends are paid.

If the Company runs into financial difficulties and is wound up, the Participant will be paid only after all creditors have been paid. The Participant may lose some or all of his or her investment, if any.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision. The usual rules do not apply to this offer because it is made under an employee share scheme. As a result, the Participant may not be given all the information usually required. The Participant will also have fewer other legal protections for this investment. The Participant should ask questions, read all documents carefully, and seek independent financial advice before committing him or herself.

The Shares are quoted on the Nasdaq Global Select Market. This means the Participant may be able to sell them on Nasdaq if there are interested buyers. The price will depend on the demand for the Shares.

For information on risk factors impacting the Company's business that may affect the value of the Shares, you should refer to the risk factors discussion in the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are filed with the U.S. Securities and Exchange Commission and are available online at www.sec.gov, as well as on the Company's "Investor Relations" website at <https://investors.wmg.com/>.

The Participant understands that the Company has unilaterally, gratuitously and at its unilateral discretion decided to grant Awards under the Plan to individuals who may be employees of the Company or an Affiliate throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or a subsidiary. Consequently, the Participant understands that the Awards are granted on the assumption and condition that the Awards and any Shares issued are not part of any employment contract (either with the Company or any Affiliate thereof) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Participant understands that the Participant will not be entitled to continue vesting in the Awards after termination of the Participant's employment or service except as otherwise provided in the Terms and Conditions. In addition, the Participant understands that the Awards would not be granted to the Participant but for the assumptions and conditions referred to herein; thus, the Participant acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the grant of the Awards and any right to the Awards shall be null and void.

Further, unless otherwise provided in the Terms and Conditions, the vesting of the Awards is expressly conditioned on the Participant's continued employment or service, such that, upon termination of the Participant's employment or service for any reason whatsoever, the Awards may cease vesting immediately, in whole or in part, effective on the date of termination of the

Participant's employment or service (as determined under the Plan and the Terms and Conditions). This will be the case, for example, even if the Participant is dismissed for disciplinary or objective reasons. Consequently, upon the Participant's termination of employment or service for any of the above reasons, the Participant will automatically lose any rights to the Awards to the extent not vested on the date of the Participant's termination of employment or service, as described in the Plan and the Terms and Conditions.

Tax Information

If the Participant holds assets or rights outside of Spain (including Shares acquired under the Plan), the Participant may have to file an informational tax report, Form 720, with the tax authorities declaring such ownership by March 31 of the following year. Generally, this reporting obligation is based on the value of those rights and assets as of December 31 and has a threshold of €50,000 per type group of asset (one type of group being securities, rights, insurance policies and income located abroad).

Reporting requirements are based on what the Participant has previously disclosed and the increase in value of such and the total value of certain groups of foreign assets. Also, the thresholds for annual filing requirements may change each year. Therefore, the Participant should consult the Participant's personal advisor regarding whether the Participant will be required to file an informational tax report for assets and rights that the Participant holds abroad.

Exchange Control Information

The acquisition, ownership and sale of Shares under the Plan must be declared to the Spanish Direccion General de Comercio e Inversiones (the "DGCI") which is a department of the Ministry of Economy and Competitiveness. Generally, the declaration must be made by filing the appropriate form with the DGCI. The ownership of any Shares must also be declared with the DGCI each January (with respect to shares owned as of December 31 of the prior year) while the Shares are owned. However, if the value of the Shares acquired or sold during the year exceeds a specified threshold (which is subject to revision each year), the declaration must be filed within one month of the acquisition or sale, as applicable.

Securities Disclaimer

The grant of the Awards under the Plan (i) does not constitute a public offer of securities in accordance with the provisions of Article 35 of the Spanish Securities Market Act, enacted by Royal Legislative Decree 4/2015, of 23 October, (ii) is not subject to the Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and therefore there is no obligation to approve, register and publish a prospectus with Spanish competent authorities (Comisión Nacional del Mercado de Valores).

Data Protection

The Participant hereby consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data as described in these Terms and Conditions, the Plan and any other Award materials by and among, as applicable, the Company and any of its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan.

The Participant understands that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all RSUs or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in the Participant's favor, for the exclusive purpose of implementing, administering and managing the Plan. The data is supplied by the Company or its Affiliates and also by the Participant through information collected in connection with the Award Agreement and the Plan.

Exchange Control Information

Upon the Participant's acquisition or remittance of foreign currency equal to or exceeding TWD 500,000, the Participant is required to file a report with the Central Bank through the bank where the foreign exchange transaction will be carried out. A Central Bank permit and necessary supporting documents are required if an individual inward or outward remittance by the Participant equals to or exceeds US\$500,000, and Central Bank approval is required if annual inward or outward remittance exceeds US\$5,000,000.

Thailand

Exchange Control Information

If proceeds from the Award exceed US\$50,000, the Participant must (i) immediately repatriate such funds to Thailand and (ii) report the inward remittance to the Bank of Thailand on a Foreign Exchange Transaction Form. In addition, within three hundred and sixty (360) days of repatriation, the Participant must either convert any funds repatriated to Thailand to Thai Baht or deposit the funds in a foreign exchange account with a Thai commercial bank. Any such commercial bank must be duly authorized by the Bank of Thailand to engage in the purchase, exchange and withdrawal of foreign currency.

Data Protection

The Participant hereby consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data as described in these Terms and Conditions, the Plan and any other Award materials by and among, as applicable, the Company and any of its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan.

The Participant understands that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all RSUs or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in the Participant's favor, for the exclusive purpose of

implementing, administering and managing the Plan. The data is supplied by the Company or its Affiliates and also by the Participant through information collected in connection with the Award Agreement and the Plan.

United Kingdom

Termination of Service

The Participant has no right to compensation or damages on account of any loss in respect of Awards under the Plan where the loss arises or is claimed to arise in whole or part from: (a) the termination of the Participant's office or employment; or (b) notice to terminate the Participant's office or employment. This exclusion of liability shall apply regardless of how termination of office or employment, or the giving of notice, is caused, and regardless of how compensation or damages are claimed. For the purpose of the Plan, the implied duty of trust and confidence is expressly excluded.

Tax Acknowledgment

This provision supplements Section 12.11 of the Plan and Section 12 of the Terms and Conditions:

The Participant agrees that if the Participant does not pay, or the Participant's employer or the Company does not withhold from the Participant, the full amount of Tax-Related Items that the Participant will owe at vesting of the Awards, or the release or assignment of the Awards for consideration, or the receipt of any other benefit in connection with the Awards (the "Taxable Event") within 90 days after the end of the UK tax year in which the Taxable Event occurs, or such other period specified in Section 222(1)(c) of the UK Income Tax (Earnings and Pensions) Act 2003 ("Due Date"), then the amount that should have been withheld shall constitute a loan owed by the Participant to the Employer, effective on the Due Date. The Participant agrees that the loan will bear interest at Her Majesty's Revenue & Customs' ("HMRC") official rate and will be immediately due and repayable by the Participant, and the Company and/or the Participant's employer may recover it at any time thereafter by withholding the funds from salary, bonus or any other funds due to the Participant by the Participant's employer, by withholding in Shares issued upon vesting of the Units or from the cash proceeds from the sale of Shares or by demanding cash or a cheque from the Participant. The Participant also authorizes the Company to delay the issuance of any Shares unless and until the loan is repaid in full.

Notwithstanding the foregoing, if the Participant is an officer or executive director (as within the meaning of Section 13(k) of the Exchange Act), the terms of the immediately foregoing provision will not apply. In the event that the Participant is an officer or executive director, as defined above, and Tax-Related Items are not collected from or paid by the Participant by the Due Date, the amount of any uncollected Tax-Related Items may constitute a benefit to the Participant on which additional income tax and national insurance contributions may be payable. The Participant acknowledges that the Company or the Participant's employer may recover any such additional income tax and national insurance contributions at any time thereafter by any of the means referred to in Section 12.11 of the Plan and Section 12 of the Terms and Conditions.

Joint Election

Tax-related items referenced in Section 12.11 of the Plan and Section 12 of the Terms and Conditions ("Tax-Related Items") shall include Primary and, to the extent legally possible, Secondary Class 1 National Insurance Contributions.

As a term of receiving the grant of RSUs, the Participant agrees to accept any liability for all secondary Class 1 NICs which may be payable by the Company and/or the Company's Affiliate employing or retaining the Participant in connection with the RSUs and any event giving rise to Tax-Related Items (the "Employer's NICs"). Without limitation to the foregoing, the Participant

agrees to enter into a joint election with the Company (the “Joint Election”), the form of such Joint Election being formally approved by HMRC, and to execute any other consents or elections required to accomplish the transfer of the entirety of Employer’s NICs to the employee. The Participant further agrees to execute such other joint elections as may be required between the Participant and any successor to the Company and/or the Company’s Affiliate employing or retaining the Participant. The Participant further agrees that the Company and/or the Company’s Affiliate employing or retaining the Participant may collect the Employer’s NICs from him or her by any of the means set forth in this Addendum A or in Section 12.11 of the Plan and Section 12 of the Terms and Conditions.

If the Participant does not enter into a Joint Election, if approval of the Joint Election has been withdrawn by HMRC or if such Joint Election is jointly revoked by the Participant and the Company’s Affiliate employing or retaining the Participant, as applicable, the Company, in its sole discretion and without any liability to the Company or the Company’s Affiliate employing or retaining the Participant, may choose not to issue or deliver any Shares to the employee upon vesting of the RSUs.

For the avoidance of doubt, this requirement will apply to all the Participants that work in the UK during any period from grant through the final Vesting Date regardless of whether the Participant was in the UK at the time of grant.

Awards Settled in Cash

Section 1 of the Terms and Conditions is amended to read as follows:

1. Grant of RSUs. The Company hereby evidences and confirms its grant to the individual whose name is set forth on the Notice (the “Participant”), effective as of the grant date set forth on the Notice (the “Grant Date”), of the number of Restricted Stock Units set forth on the Notice (the “RSUs”). Each RSU represents the unfunded, unsecured right of the Participant to receive from the Company or its Affiliate the cash value of one Share as measured by the closing price of the Share as traded on the Nasdaq Global Select Market as of the applicable Vesting Date. The RSUs are subject to the terms and conditions of the Plan, which are incorporated by reference herein.

Section 4 of the Terms and Conditions is amended to read as follows:

4. Delivery. The cash value of one Share as measured by the closing price of the Share as traded on Nasdaq as of the applicable Vesting Date shall be delivered in respect of each RSU within 30 days of the applicable Vesting Event. In the event of the death of the Participant following a Vesting Event and prior to payment, the payment shall be made to the Participant’s estate or to a beneficiary designated in accordance with the Company’s requirements as in effect from time to time.

Section 12(a) of the Terms and Conditions is amended to read as follows:

(a) Affiliate. The Company (which, for purposes of this Section 12(a) includes any Affiliate employing the Participant) and the Participant shall cooperate to satisfy applicable income and employment tax withholding requirements applicable to the grant, vesting and settlement of the RSUs (the “Required Withholding”). The Company shall withhold from the payment of cash that would otherwise have been transferred to the Participant in settlement of vested RSUs the amount necessary to satisfy the Participant’s Required Withholding unless the Required Withholding shall previously have been satisfied by the Participant or from other amounts payable by the Company to the Participant and, if applicable, shall deliver the remaining

amount of the payment to the Participant. The amount of the Required Withholding and the amount to be withheld by the Company, if applicable, to satisfy the Participant's Required Withholding, as well as the amount reflected on tax reports filed by the Company, shall be based on the Fair Market Value of the Shares on the date prior to the applicable Vesting Date. The obligations of the Company under these Terms and Conditions will be conditioned on such satisfaction of the Required Withholding. The payment of any applicable withholding taxes through the withholding of Shares otherwise issuable under this Award shall not exceed the minimum required withholding liability.

UK AND ANY EUROPEAN UNION OR EUROPEAN ECONOMIC AREA COUNTRY

This provision supplements Section 19 of the Terms and Conditions for a Participant employed in the European Union, the United Kingdom or the or European Economic Area:

Data Privacy.

(a) **The Participant hereby acknowledges and understands that the Participant's personal data is collected, retained, used, processed, disclosed and transferred, in electronic or other form, as described in these Terms and Conditions by and among, as applicable, the Participant's employer, the Company and its Affiliates, and third parties assisting in the implementation, administration and management of the Plan for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan.**

(b) **The Participant understands that the Company and its Affiliates (including the Participant's employer), as applicable, hold certain personal data about him or her regarding the Participant's employment, the nature and amount of the Participant's compensation and the facts and conditions of the Participant's participation in the Plan, including, but not limited to, the Participant's name, home address, telephone number and e-mail address, date of birth, social insurance number or other identification number, salary, nationality, job title, any equity or directorships held in the Company and its Affiliates and details of all RSUs or any other entitlement to equity awarded, canceled, exercised, vested, unvested or outstanding in the Participant's favor, for the purpose of the implementation, management and administration of the Plan (the "Data").**

(c) **The Participant understands that the Data may be transferred to the Company, its Affiliate and any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in the Participant's country, or elsewhere (including countries outside the European Economic Area and the United Kingdom, such as the U.S.), and that the recipient's country may have a different or lower standard of data privacy rights and protections than the Participant's country. Where the Data will be transferred outside the Participant's work location, and where there is not a European Commission adequacy decision in place, the transfers will be in accordance with Chapter V of the GDPR (or the equivalent provision under United Kingdom legislation). The Participant understands that the Participant may request details of any recipients of the Data by contacting the Participant's local human resources representative. The Participant understands that the recipients receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan, including transfers of such Data to a broker or other third party. The Participant understands that the Data will be held only as long as is necessary to implement, administer and manage the Participant's participation in the Plan in accordance with applicable law. The Participant understands that the Participant may, at any time, exercise the rights granted to him/her by the GDPR (or similar rights under United Kingdom legislation) including the right to: request to access or be provided with a copy of the Participant's Data, request additional information about the storage and processing of the Data, require any corrections or amendments to the Data in any case without cost and to the extent permitted by law. The above rights can be exercised by contacting in writing the Participant's local human**

resources representative. The Participant understands, however, that processing of the Participant's Data is necessary and refusing any consent that is sought by the Company or objecting to the processing of the Participant's Data may affect the Participant's ability to participate in the Plan. For more information on the processing of the Participant's Data and other personal data, the Participant is referred to the Privacy Notice provided to him/her by the Participant's employer.

of such Person redeemed, repaid, retired or extinguished subsequent to the end of such fiscal quarter, as determined in accordance with GAAP, secured by Liens other than Liens permitted by Section 8.5 (excluding Liens permitted by clause (26) of "Permitted Liens," provided that, Revolving Credit Agreement Indebtedness so secured shall be excluded from the calculation of First Lien Indebtedness) and other than Liens that have Junior Lien Priority on the Collateral in relation to the Term Loan Facility Obligations.

In addition, to the extent that any Indebtedness is secured by any Lien pursuant to clause (26)(i)(B) or (26)(iv) of the definition of "Permitted Liens," such Indebtedness may be refinanced from time to time with other Indebtedness (including by Indebtedness refinancing any such refinancing Indebtedness) in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) not exceeding the principal amount of, and premium (if any) and accrued interest on, the Indebtedness being refinanced plus any fees, premiums, underwriting discounts, costs and expenses relating to such refinancing, and such refinancing Indebtedness may be secured by any Lien, without further compliance with the First Lien Indebtedness to EBITDA Ratio thereunder.

For purposes of making the computation referred to above, if any Specified Transaction has been made by the Borrower or any of its Restricted Subsidiaries during the Measurement Period or subsequent to the Measurement Period and on or prior to the date of determination of the First Lien Indebtedness to EBITDA Ratio, the First Lien Indebtedness to EBITDA Ratio shall be calculated on a pro forma basis assuming that all such Specified Transactions (and the change in EBITDA resulting therefrom) had occurred on the first day of the Measurement Period. If, since the beginning of such Measurement Period, any Person became a Restricted Subsidiary or was merged with or into the Borrower or any of its Restricted Subsidiaries and, since the beginning of such Measurement Period, such Person shall have made any Specified Transaction that would have required adjustment pursuant to the immediately preceding sentence if made by the Borrower or a Restricted Subsidiary since the beginning of such Measurement Period, then the First Lien Indebtedness to EBITDA Ratio shall be calculated giving pro forma effect thereto for such period as if such Specified Transaction had occurred at the beginning of such Measurement Period.

For purposes of this definition, whenever pro forma effect is to be given to any Specified Transaction (including the Transactions and the 2011 Transactions), the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and may include, for the avoidance of doubt, cost savings, operating expense reductions and synergies (including revenue synergies, those related to new business and customer wins, the modifications or renegotiation of contracts and other arrangements and pricing adjustments and increases (in each case, net of any costs or expenses to implement or achieve the foregoing)) resulting from or related to any such Specified Transaction (including the Transactions and the 2011 Transactions) which is being given pro forma effect that have been or are expected to be realized and for which the actions necessary to realize such cost savings, reductions and synergies are taken or expected to be taken no later than 24 months after the date of any such Specified Transaction (in each case as though such cost savings, reductions and synergies had been realized on the first day of the applicable Measurement Period).

In the event that any calculation of the First Lien Indebtedness to EBITDA Ratio shall be made as of the date of the initial borrowing of any applicable Indebtedness after giving pro forma effect to the entire committed amount of such Indebtedness (as contemplated by Section 2.6(a) and clause (26) of the definition of “Permitted Liens”), such committed amount may thereafter be borrowed and reborrowed, in whole or in part, from time to time, and secured by Liens without further compliance with such ratio, provided that such committed amount shall be included as outstanding Indebtedness in any subsequent calculation of the First Lien Indebtedness to EBITDA Ratio, to the extent the commitment therefor then remains outstanding.

For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, basket or amount, including due to fluctuations in exchange rates or in EBITDA of the Borrower or the Person subject to such Limited Condition Transaction or any applicable currency exchange rate, at or prior to the consummation of the relevant transaction or action, such ratios, baskets or amounts will not be deemed to have been exceeded as a result of such fluctuations. 2.4 [Reserved.]

2.5 Repayment of Loans. (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent (in the currency in which such Term Loan is denominated) for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender made to the Borrower, on the Initial Term Loan Maturity Date (in the case of Initial Term Loans), the Tranche B Term Loan Maturity Date (in the case of Tranche B Term Loans), the Tranche C Term Loan Maturity Date (in the case of Tranche C Term Loans), the Tranche D Term Loan Maturity Date (in the case of Tranche D Term Loans), the Tranche E Term Loan Maturity Date (in the case of Tranche E Term Loans), the Tranche F Term Loan Maturity Date (in the case of Tranche F Term Loans), the Tranche G Term Loan Maturity Date (in the case of Tranche G Term Loans) or the Tranche H Term Loan Maturity Date (in the case of Tranche H Term Loans) (or such earlier date on which the Term Loans become due and payable pursuant to Section 9). The Borrower hereby further agrees to pay interest on the unpaid principal amount of such Term Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 4.1.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain the Register pursuant to Section 11.6(b), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each applicable Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each applicable Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.5(c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Incremental Facilities. (a) So long as no Event of Default under Section 9.1(a) or (f) exists or would arise therefrom (provided that, to the extent the proceeds of Term Loans made pursuant to any Incremental Commitment will be used to consummate a Limited Condition Transaction, the requirement that there be no Event of Default under Section 9.1(a) or (f) shall only be required to be satisfied on the date on which definitive agreements with respect to such Limited Condition Transaction are entered into), the Borrower shall have the right, at any time and from time to time after the First Incremental Amendment Effective Date, (i) to request new term loan commitments under one or more new term loan credit facilities to be included in this Agreement (the "Incremental Term Loan Commitments") and (ii) to increase the Existing Term Loans by requesting new term loan commitments to be added to an Existing Term Tranche of Term Loans (the "Supplemental Term Loan Commitments") and, together with the Incremental Term Loan Commitments, the "Incremental Commitments"), provided that, (i) the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.6 shall not exceed, at the time the respective Incremental Commitment becomes effective (A) the greater of \$450 million and 60.0% of EBITDA (for the Measurement Period applicable at the time of the incurrence of such Indebtedness) plus (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a First Lien Indebtedness to EBITDA Ratio for the Borrower of 4.50 to 1.00 (it being understood that for purposes of determining compliance under this clause (i)(B), except as provided in clause (z) of the last proviso of this Section 2.6(a)(i), any Indebtedness incurred under this clause (i)(B) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of First Lien Indebtedness for purposes of calculating the First Lien Indebtedness to EBITDA Ratio); (ii) if any portion of an Incremental Commitment is to be incurred in reliance on clause (i)(B) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment or compliance with the financial test set forth in such clause (together with calculations demonstrating compliance with such test), as applicable, and (iii) if any portion of an Incremental Commitment is to be incurred in reliance on clause (i)(A) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment; provided further that (x) the Borrower may elect to use capacity under clause (i)(B) above prior to using capacity under clause (i)(A) above, (y) that any portion of any Incremental Commitments incurred in reliance on clause (i)(A) above shall be reclassified (including for purposes of clause (26) of the definition of "Permitted Liens"), as the Borrower may elect from time to time, as incurred under clause (i)(B) if the Borrower meets the applicable First Lien Indebtedness to EBITDA Ratio at such time, on a pro forma basis and (z) any amounts

incurred under clause (i)(A) above, concurrently incurred with, or in a single transaction or series of related transactions with, amounts incurred under clause (i)(B) above or under clause (26) of the definition of “Permitted Liens” will not count as indebtedness for the purposes of calculating the First Lien Indebtedness to EBITDA Ratio to determine availability at such time under clause (i)(B) or capacity under clause (26) of the definition of “Permitted Liens”). Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments) shall be made by creating a new Tranche. Each Incremental Commitment made available pursuant to this Section 2.6 shall be in a minimum aggregate amount of at least \$15.0 million and in integral multiples of \$5.0 million in excess thereof or such lower minimum amounts or multiples as agreed to by the Administrative Agent, in its reasonably discretion from time to time.

(b) Each request from the Borrower pursuant to this Section 2.6 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an “Additional Lender”); provided that if such Additional Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder or an Approved Fund, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (it being understood that any such Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 11.6(h), *mutatis mutandis*, to the same extent as if such Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment).

(c) Supplemental Term Loan Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit G (the “Increase Supplement”) or by each Additional Lender substantially in the form attached hereto as Exhibit H (the “Lender Joinder Agreement”), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan.

(d) Incremental Commitments (other than Supplemental Term Loan Commitments) shall become commitments under this Agreement pursuant to an amendment (an “Incremental Commitment Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.6; provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a pari passu or (at the Borrower’s option) junior basis by the same Collateral securing, so long as any Tranche G Term Loans are outstanding, the Tranche G Term Loans and, so long as any Tranche H Term Loans are outstanding, the Tranche H Term Loans (so long as any such Incremental Commitments (and related Obligations) secured on a junior basis are subject to the Junior Lien Intercreditor Agreement or an Other Intercreditor Agreement, as applicable), (B) the Incremental Commitments and any incremental loans drawn thereunder (the “Incremental Loans”) shall rank pari passu in right of payment with or (at the Borrower’s option) junior to, so long as any Tranche G Term Loans are outstanding, the Tranche G Term Loans and, so long as any Tranche H Term Loans are outstanding, Tranche H Term Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Term Loans (other than the proceeds of Incremental Loans which are subject to an escrow or similar

arrangement and any related deposit of Cash or Cash Equivalents to cover interest and premium in respect of such Incremental Loans) and (II) (x) so long as any Tranche G Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the Tranche G Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the Tranche G Term Loans and (y) so long as any Tranche H Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the Tranche H Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the Tranche H Term Loans; (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date and the weighted average life to maturity of such Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the later of (x) so long as any Tranche G Term Loans are outstanding, the Tranche G Term Loan Maturity Date or the weighted average life to maturity of the Tranche G Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Tranche G Term Loan Maturity Date or the weighted average life to maturity of the Tranche G Term Loans, as applicable) and (y) so long as any Tranche H Term Loans are outstanding, the Tranche H Term Loan Maturity Date or the weighted average life to maturity of the Tranche H Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Tranche H Term Loan Maturity Date or the weighted average life to maturity of the Tranche H Term Loans, as applicable); (iv) the interest rate margins and amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; provided that in the event that the applicable interest rate margins for any syndicated first lien floating rate Incremental Term Loans denominated in Dollars, the principal amount of which exceeds the greater of \$400.0 million and 50.0% of EBITDA for the then applicable Measurement Period, that are secured on a *pari passu* basis by the Collateral securing the Secured Obligations and with a Stated Maturity that is earlier than 12 months following the Tranche H Term Loan Maturity Date Incurred by the Borrower pursuant to clause (i)(B) of the first proviso of Section 2.6(a), made on or prior to the 12-month anniversary of the Tenth Amendment Closing Date, are higher than the applicable interest rate margin for Tranche H Term Loans by more than 75 basis points, then the Applicable Margin for Tranche H Term Loans shall be increased (the "Increased Amount") to the extent necessary so that the applicable interest rate margin for the Tranche H Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 75 basis points; provided, further that, in determining the applicable interest rate margins for the Tranche H Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront fees payable generally to all participating Additional Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Borrower to

the Lenders under the Tranche H Term Loans or any Incremental Term Loan in the initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest based on an assumed four-year life to maturity); (B) any arrangement, structuring or other fees payable in connection with the Incremental Term Loans that are not shared with all Additional Lenders providing such Incremental Term Loans shall be excluded; (C) any amendments to the Applicable Margin on the Tranche H Term Loans that became effective subsequent to the Tenth Amendment Closing Date but prior to the time of such Incremental Term Loans shall also be included in such calculations; (D) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Tranche H Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Tranche H Term Loans shall be required, to the extent an increase in the interest rate floor for the Tranche H Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Tranche H Term Loans shall be increased by such amount; (E) if the Incremental Term Loans include an interest rate floor lower than the interest rate floor applicable to the Tranche H Term Loans or do not include any interest rate floor, to the extent a reduction in the interest rate floor for such Tranche H Term Loans would cause a reduction in the interest rate then in effect thereunder, an amount equal to the difference between the interest rate floor applicable to the Tranche H Term Loans and the interest rate floor applicable to such Incremental Term Loans (which shall be deemed to equal 0% for any Incremental Term Loans without any interest rate floor), but which in any event shall not exceed the maximum amount by which a reduction in the interest rate floor applicable to the Tranche H Term Loans would cause a reduction in the interest rate then in effect thereunder, shall reduce the applicable interest rate margin of the applicable Incremental Terms Loans for purposes of determining whether an increase to the Applicable Margin for such Tranche H Term Loans shall be required, and (F) if the applicable Tranche H Term Loans include a pricing grid the interest rate margins in such pricing grid which are not in effect at the time the applicable Incremental Commitments become effective shall also each be increased by an amount equal to the Increased Amount; (v) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder, (2) for class voting and other class protections for any additional credit facilities, and (3) for the amendment of the definition of "Disqualified Stock," in each case only to extend the maturity date and the weighted average life to maturity requirements, from the Tranche G Term Loan Maturity Date and/or Tranche H Term Loan Maturity Date, as applicable, and the weighted average life to maturity of the Tranche G Term Loans and/or the Tranche H Term Loans, as applicable, to the extended maturity date and the weighted average life to maturity of such Incremental Term Loans, as applicable; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower, provided that to the extent such terms and documentation are not consistent with, in the case of Incremental Term Loans, the terms and documentation governing, so long as any Tranche G Term Loans are outstanding, the Tranche G Term Loans and, so long as any Tranche H Term Loans are outstanding, the Tranche H Term Loans (except to the extent permitted by clause (iii), (iv) or (v) above), they shall be reasonably satisfactory to the Borrower and the Administrative Agent.

(e) For the avoidance of doubt, the Tranche B Initial Term Loans or the Tranche B Delayed Draw Term Loans, in each case, incurred after the First Incremental Effective Date shall not constitute "Incremental Term Loans" incurred pursuant to this Section 2.6 but shall be incurred pursuant to Section 2.1(b) or (c), (as applicable) and accordingly the requirements of this Section 2.6, including clause (iv), of the first proviso of Section 2.6(d), shall not apply thereto.

2.7 Permitted Debt Exchanges. (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “Permitted Debt Exchange Offer”) made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Borrower, the Borrower may from time to time following the First Incremental Amendment Effective Date consummate one or more exchanges of Term Loans of such Tranche for Indebtedness in the form of notes (such notes, “Permitted Debt Exchange Notes,” and each such exchange a “Permitted Debt Exchange”), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) such Permitted Debt Exchange Notes do not provide for a maturity date or weighted average life to maturity earlier than the Maturity Date of the Term Loans subject to such Permitted Debt Exchange or shorter than the weighted average life to maturity of the Term Loans subject to such Permitted Debt Exchange.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.7, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 4.4 and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$15.0 million in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a “Minimum Exchange Tender Condition”) to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower’s discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least ten Business Days’ (or such shorter period as may be

agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.7 and without conflict with Section 2.7(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.7(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.8 Extension of Term Loans. (a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches (including any Extended Term Loans) existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Term Tranche (any such Existing Term Tranche which has been so extended, an "Extended Term Tranche" and the Term Loans of such Tranche, the "Extended Term Loans") and to provide for other terms consistent with this Section 2.8; provided that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans), and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any Extended Term Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Term Tranche to be established, which terms shall be identical to those applicable to the Existing Term Tranche from which they are to be extended (the "Specified Existing Term Tranche"), except (w) all or any of the final maturity dates of such Extended Term Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Term Tranche, (x) (A) the interest margins with respect to the Extended Term Tranche may be higher or lower than the interest margins for the Specified Existing Term Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Term Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case to the extent provided in the applicable Extension Amendment, (y) any optional or mandatory prepayment applicable to any Extended Term Tranche may be directed first to the prepayment of the Existing Term Loans and (z) amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Term Tranche, so long as the Extended Term Tranche does not have a weighted average life to maturity shorter than the remaining weighted average life to maturity of the Specified Existing Term Tranche; provided that, notwithstanding anything to the contrary in this Section 2.8 or otherwise, (1) assignments and participations of Extended Term Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Term Loans set forth in Section 11.6, and (2) subject to clause (z) above, no mandatory repayment of Extended Term Tranches shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Tranches (including Extended Term Tranches) (or all earlier maturing Tranches (including Extended Term Tranches))

shall otherwise be or have been terminated and repaid in full). No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into an Extended Term Tranche pursuant to any Extension Request. Any Extended Term Tranche shall constitute a separate Tranche of Term Loans from the Specified Existing Term Tranches and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten Business Days prior to the date on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond. Any Lender (an “Extending Lender”) wishing to have all or a portion of its Specified Existing Term Tranche converted into an Extended Term Tranche shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Specified Existing Term Tranche that it has elected to convert into an Extended Term Tranche. In the event that the aggregate amount of the Specified Existing Term Tranche subject to Extension Elections exceeds the amount of Extended Term Tranches requested pursuant to the Extension Request, the Specified Existing Term Tranches subject to Extension Elections shall be converted to Extended Term Tranches on a pro rata basis based on the amount of Specified Existing Term Tranches included in each such Extension Election. In connection with any extension of Term Loans pursuant to this Section 2.8 (each, an “Extension”), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.8. The Borrower may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Administrative Agent at any time prior to the date (the “Extension Request Deadline”) on which Lenders under the applicable Existing Term Tranche are requested to respond to the Extension Request. Any Lender may revoke an Extension Election at any time prior to 5:00 P.M. on the date that is two Business Days prior to the Extension Request Deadline, at which point the Extension Election becomes irrevocable (unless otherwise agreed by the Borrower). The revocation of an Extension Election prior to the Extension Request Deadline shall not prejudice any Lender’s right to submit a new Extension Election prior to the Extension Request Deadline.

(c) Extended Term Tranches shall be established pursuant to an amendment (an “Extension Amendment”) to this Agreement (which may include amendments to (i) provisions related to maturity, interest margins, fees, amortization or prepayments referenced in clauses (w) through (z) of Section 2.8(a) and (ii) the definition of “Disqualified Stock” to amend the maturity date and the weighted average life to maturity requirements, from the Tranche G Term Loan Maturity Date and/or the Tranche H Term Loan Maturity Date, as applicable, and weighted average life to maturity of the Tranche G Term Loans and/or the Tranche H Term Loans, as applicable, to the extended maturity date and the weighted average life to maturity of such Extended Term Tranche, as applicable, and which, in each case, except to the extent expressly contemplated by the third to last sentence of this Section 2.8(c) and notwithstanding anything to the contrary set forth in Section 11.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. No Extension Amendment shall provide for any Extended Term Tranche in an aggregate principal amount that is less than \$15.0 million. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 11.1 to any Section 2.8 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a “Section 2.8 Additional Amendment”) to this Agreement and the other Loan Documents; provided that such Section 2.8 Additional Amendments do not become effective prior to the time that such Section 2.8 Additional Amendments have been consented to

(including, without limitation, pursuant to consents applicable to holders of any Extended Term Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.8 Additional Amendments to become effective in accordance with Section 11.1; provided, further, that no Extension Amendment may provide for any Extended Term Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Term Tranches. It is understood and agreed that each Lender has consented for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.8 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.8 Additional Amendment. In connection with any Extension Amendment, at the request of the Administrative Agent or the Extending Lenders, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of this Agreement as amended by such Extension Amendment, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Term Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Term Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Tranche so converted by such Lender on such date, and such Extended Term Tranches shall be established as a separate Tranche from the Specified Existing Term Tranche and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (i) replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Term Loans on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Acceptance or (ii) if no Event of Default exists under Section 9.1(a) or (f), upon notice to the Administrative Agent, prepay the Existing Term Loans, in whole or in part, without premium or penalty. In connection with any such replacement under this Section 2.8, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date, the Administrative Agent shall record such assignment in the Register and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Term Loans deemed to be an Extended Term Loan under the applicable Extended Term Tranche on any date (each date a “Designation Date”) prior to the maturity date of such Extended Term Tranche; provided that (i) such Lender shall have provided written notice to the Borrower and the Administrative Agent at least ten Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion) and (ii) except as set forth in Section 2.8(c), no more than three Designation Dates may occur in any one year period without the written consent of the Administrative Agent. Following a Designation Date, the Existing Term Loans held by such Lender so elected to be extended will be deemed to be Extended Term Loans of the applicable Extended Term Tranche, and any Existing Term Loans held by such Lender not elected to be extended, if any, shall continue to be “Existing Term Loans” of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.8, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Section 4.4 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower’s sole discretion and may be waived by the Borrower) of Existing Term Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.8 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 4.4 and 4.8) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.8.

SECTION 3

[Reserved]

SECTION 4

General Provisions Applicable to Loans

2.1 Interest Rates and Payment Dates. (a) Each SOFR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to Adjusted Term SOFR determined for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) If all or a portion of (i) the principal amount of any Term Loan, (ii) any interest payable thereon or (iii) any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Section 4.1, plus 2.00%, (y) in the case of overdue interest, the rate that would be otherwise applicable to principal of the related Term Loan pursuant to the relevant foregoing provisions of this Section 4.1 (other than clause (x) above) plus 2.00% and (z) in the case of other amounts, the rate described in clause (b) of this Section 4.1 for ABR Loans accruing interest at the Alternate Base

Rate plus 2.00%, in each case from the date of such nonpayment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (d) of this Section 4.1 shall be payable from time to time on demand.

(e) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

2.2 Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert outstanding Loans of a given Tranche from SOFR Loans to ABR Loans by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time two Business Days prior to such election. The Borrower may elect from time to time to convert outstanding Term Loans of a given Tranche from ABR Loans to SOFR Loans by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time at least three Business Day prior to such election. Any such notice of conversion to SOFR Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of outstanding SOFR Loans or ABR Loans may be converted as provided herein, provided that (i) (unless the Required Lenders otherwise consent) no Loan may be converted into a SOFR Loan when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such conversions may be made and (ii) no Term Loan may be converted into a SOFR Loan after the date that is one month prior to the Initial Term Loan Maturity Date (in the case of Initial Term Loans), the Tranche B Term Loan Maturity Date (in the case of Tranche B Term Loans), the Tranche C Term Loan Maturity Date (in the case of Tranche C Term Loans), the Tranche D Term Loan Maturity Date (in the case of Tranche D Term Loans), the Tranche E Term Loan Maturity Date (in the case of Tranche E Term Loans), the Tranche F Term Loan Maturity Date (in the case of Tranche F Term Loans), the Tranche G Term Loan Maturity Date (in the case of Tranche G Term Loans) or the Tranche H Term Loan Maturity Date (in the case of Tranche H Term Loans).

(b) Any SOFR Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving the Administrative Agent irrevocable notice of such continuation prior to 1:00 P.M., New York City time three Business Days prior to such continuation, including the length of the next Interest Period to be applicable to such SOFR Loan, determined in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, provided that no SOFR Loan may be continued as such (i) (unless the Required Lenders otherwise consent) when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that if the Borrower shall fail to give any required notice as described above in this clause (b) or if such continuation is not permitted pursuant to the preceding proviso such SOFR Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice of continuation pursuant to this Section 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

(c) Notwithstanding any other provision of this Agreement, it is understood and agreed that on the First Incremental Amendment Closing Date and the Tranche B Delayed Draw Closing Date (each, a “Required Conversion Date”), the Borrower shall elect to convert any then outstanding Tranche B Term Loans that are Eurodollar Loans to either (i) ABR Loans or (ii) Eurodollar Loans having an Interest Period designated by the Borrower, in each case regardless of whether such Required Conversion Date is the last day of an Interest Period with respect to such Tranche B Term Loans, and each Required Conversion Date shall constitute an Interest Payment Date with respect to all outstanding Tranche B Term Loans. On each Required Conversion Date, the new Tranche B Term Loans incurred on such date shall be allocated ratably to the then outstanding Borrowings of ABR Loans and Eurodollar Loans after giving effect to such conversion (based upon the relative amount that the aggregate principal amount of Tranche B Term Loans that are ABR Loans or Tranche B Term Loans that are Eurodollar Loans, respectively, outstanding on such Required Conversion Date (after giving effect to such conversion) bears to the aggregate principal amount of Tranche B Term Loans outstanding on such Required Conversion Date), with the effect that: (A) the new Tranche B Term Loans allocated to Eurodollar Loans shall be added to (and thereafter be deemed to constitute a part of) such Eurodollar Loans, and be subject to the same Adjusted LIBOR Rates and Interest Periods (in each case after giving effect to such conversion) as such Eurodollar Loans to which they are added and (B) the new Tranche B Term Loans allocated to ABR Loans shall be added to (and thereafter be deemed to constitute part of) such ABR Loans, and be subject to the same Alternate Base Rate as such ABR Loans to which they are added. The Administrative Agent shall (and is hereby authorized to) take all appropriate actions in connection with the incurrence of new Tranche B Term Loans on each Required Conversion Date to ensure that all Lenders with Tranche B Term Loans outstanding on such Required Conversion Date (after giving effect to the incurrence of new Tranche B Term Loans on such Required Conversion Date) participate pro rata in accordance with this Section 4.2(c) in each Borrowing of Tranche B Term Loans (as increased by the amount of new Tranche B Term Loans incurred on such Required Conversion Date). From the First Incremental Amendment Closing Date, the Tranche B Refinancing Term Loans and the Tranche B Initial Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein and from the Tranche B Delayed Draw Closing Date, the Tranche B Refinancing Term Loans, the Tranche B Initial Term Loans and the Tranche B Delayed Draw Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein.

2.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Term Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the SOFR Loans comprising each Set shall be equal to \$1.0 million or a whole multiple of \$250,000 in excess thereof and so that there shall not be more than 12 Sets at any one time outstanding.

2.4 Optional and Mandatory Prepayments. (a) The Borrower may at any time and from time to time prepay the Term Loans made to it, in whole or in part, without premium or penalty (except as provided in Section 4.5(b), (c), (e), (f), (g), (h), (i) and (j)), upon notice by the Borrower to the Administrative Agent prior to 2:00 P.M., New York City time at least three Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior to the date of prepayment (in the case of SOFR Loans), or prior to 2:00 P.M., New York City time at least one Business Day prior to the date of prepayment (in the case of ABR Loans) (or such later time as may be agreed by the Administrative Agent in its reasonable discretion). Such notice shall specify, in the case of any prepayment of Term Loans, the applicable Tranche being repaid (which, at the discretion of the Borrower, may be the Initial Term Loans, the Tranche B Term Loans, the Tranche C Term Loans, the Tranche D Term Loans, the Tranche E Term Loans, the Tranche F Term Loans, the Tranche G Term Loans, the Tranche H Term Loans, any Incremental Loans or any Extended Term Loans and/or a combination

thereof), and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment and whether the prepayment is of SOFR Loans or ABR Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein. Partial prepayments pursuant to this Section 4.4(a) shall be equal to \$1.0 million or a whole multiple of \$500,000 in excess thereof; provided that, notwithstanding the foregoing, any Term Loan may be prepaid in its entirety. Each prepayment of Initial Term Loans pursuant to this Section 4.4(a) made on or prior to the first anniversary of the Closing Date in connection with an Initial Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(b). Each prepayment of Tranche B Term Loans pursuant to this Section 4.4(a) (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) made on or prior to December 31, 2013 in connection with a Tranche B Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(c). Each prepayment of Tranche C Term Loans pursuant to this Section 4.4(a) made on or prior to May 21, 2017 in connection with a Tranche C Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(e). Each prepayment of Tranche D Term Loans pursuant to this Section 4.4(a) made on or prior to November 22, 2017 in connection with a Tranche D Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(f). Each prepayment of Tranche E Term Loans pursuant to this Section 4.4(a) made on or prior to June 6, 2018 in connection with a Tranche E Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(g). Each prepayment of Tranche F Term Loans pursuant to this Section 4.4(a) made on or prior to December 7, 2018 in connection with a Tranche F Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(h). Each prepayment of Tranche G Term Loans pursuant to this Section 4.4(a) made on or prior to July 20, 2021 in connection with a Tranche G Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(i). Each prepayment of Tranche H Term Loans pursuant to this Section 4.4(a) made on or prior to May 1, 2023 in connection with a Tranche H Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(j).

(b) (i) [Reserved]; (ii) [reserved], and (iii) the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans within 120 days following the last day of the immediately preceding Fiscal Year (commencing with the Fiscal Year ending on or about September 30, 2021) (each, an “ECF Payment Date”), in an amount equal to (A) (1) 50.0% (as may be adjusted pursuant to the last proviso of this clause (iii)) of the Borrower’s Excess Cash Flow for such Fiscal Year (such amount, the “Applicable ECF Amount”), if and to the extent that the Applicable ECF Amount exceeds the greater of \$40.0 million and 5.0% of EBITDA for the then applicable Measurement Period minus (2) the sum of (t) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid pursuant to Section 2.2(b), 2.2(c), 2.2(d), 2.2(e), 2.2(f), 2.2(g) or 2.2(h), prepaid pursuant to Section 4.4(a) or repaid or purchased pursuant to Section 11.6(h) (limited to the amount paid in cash) and Pari Passu Indebtedness (other than the loans under the Senior Revolving Credit Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid pursuant to a scheduled principal payment, in each case during such Fiscal Year or in the case of voluntary prepayments of Tranche B Term Loans pursuant to Section 4.4(a) made on or after the Second Amendment Date and on or prior to the Trigger Date, during a previous Fiscal Year (to the extent such voluntary prepayments have not previously been applied to reduce the amount of prepayment required to be made by the

Borrower pursuant to this Section 4.4(b)(iii) in a previous Fiscal Year or to reduce scheduled amortization of the Tranche B Term Loans) (which, in any event, shall not include any designated prepayment pursuant to clause (w) below), (u) the aggregate amount of cash consideration paid by the Borrower and the Restricted Subsidiaries (on a consolidated basis) in connection with dividends, distributions or investments made during such fiscal year (other than intercompany investments by and among the Borrower and its Restricted Subsidiaries) and Acquisitions (which, in any event, shall not include any Contract Consideration previously deducted pursuant to clause (z) below), (v) the amount of Capital Expenditures either made in cash or accrued during such fiscal year (provided that, whether any such Capital Expenditures shall be deducted for the fiscal year in which cash payments for such Capital Expenditures have been paid or the fiscal year in which such Capital Expenditures have been accrued shall be at the Borrower's election; provided, further that, in no case shall any Capital Expenditure which has previously been deducted give rise to a subsequent deduction upon the making of such Capital Expenditure in cash in the same or any subsequent fiscal year) (which, in any event, shall not include any Capital Expenditures previously deducted pursuant to clause (z) below), (w) the aggregate principal amount of Term Loans (including Incremental Term Loans) prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the loans under the Senior Revolving Credit Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii) (provided that no prepayments made pursuant to Section 4.4(h) or the other clauses of this Section 4.4(b) shall be included in Section 4.4(b)(iii)(A)(2)(t) or (w)), (x) any loans under the Senior Revolving Credit Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior Revolving Credit Facility during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (y) below), (y) the aggregate principal amount of loans under the Senior Revolving Credit Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior Revolving Credit Facility during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii) and (z) at the Borrower's election, without duplication of amounts deducted from Excess Cash Flow pursuant to this Section 4.4(b)(iii)(A)(2) in respect of prior fiscal years, the aggregate consideration required to be paid in cash by the Borrower or any of the Restricted Subsidiaries pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such fiscal year relating to contingent contractual obligations to artists, songwriters and co-publishers, dividends, distributions or investments (other than intercompany investments by and among the Borrower and its Restricted Subsidiaries), Acquisitions or Capital Expenditures expected to be consummated or made during the period of four consecutive fiscal quarters of the Borrower following the end of such fiscal year, provided that to the extent the aggregate amount of internally generated cash actually utilized to finance such contingent contractual obligations to artists, songwriters and co-publishers, dividends, distributions, investments, Acquisitions and Capital Expenditures during such period of four consecutive fiscal quarters is less than the Contract Consideration, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive fiscal quarters, in the case of clauses (t) through (z), excluding prepayments funded with proceeds from the incurrence of long-term Indebtedness (the amount described in this clause (A), the "ECF Prepayment Amount") minus (B) the portion of such ECF Prepayment Amount applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans; provided that such percentage in clause (1) above shall be reduced to (x) 25% if the First Lien Indebtedness to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 4.50:1.00 and greater than 4.00:1.00 and (y) 0% if the First Lien Indebtedness to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was

less than or equal to 4.00:1.00. Nothing in this Section 4.4(b) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(c) Subject to the last sentence of Section 4.4(d) and Section 4.4(g), each prepayment of Term Loans pursuant to Section 4.4(b) shall be allocated pro rata among the Initial Term Loans, Tranche B Term Loans, Tranche C Term Loans, Tranche D Term Loans, Tranche E Term Loans, Tranche F Term Loans, Tranche G Term Loans, Tranche H Term Loans, the Incremental Term Loans and the Extended Term Loans; provided, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis. Each prepayment of Term Loans pursuant to Section 4.4(a) and (b) shall be applied within each Tranche of Term Loans to the respective installments of principal thereof in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity). Notwithstanding any other provision of this Section 4.4, a Lender may, at its option, and if agreed by the Borrower, in connection with any prepayment of Term Loans pursuant to Section 4.4(a) or (b), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents); provided that the Administrative Agent shall have no duties or obligations to manage such Rollover Indebtedness.

(d) The Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans pursuant to Section 4.4(b)(iii), three Business Days prior to the date on which such payment is due. Such notice shall state that the Borrower is offering to make or will make such mandatory prepayment, in the case of mandatory prepayments pursuant to Section 4.4(b)(iii), on or before the date specified in Section 4.4(b)(iii), as the case may be (each, a "Prepayment Date"). Once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Section 4.4(d)). Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Borrower (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment pursuant to Section 4.4(b)(iii) by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower of such election. Any amount so declined by any Lender may, at the option of the Borrower, be applied to the payment or prepayment of Indebtedness, including the Existing Unsecured Notes and any Subordinated Indebtedness, or otherwise be retained by the Borrower and its Restricted Subsidiaries and/or applied by the Borrower or any of its Restricted Subsidiaries in any manner not inconsistent with this Agreement. In connection with any mandatory prepayments by the Borrower pursuant to Section 4.4(b), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or SOFR Loans; provided that if no Lenders exercise the right to decline a mandatory prepayment pursuant to Section 4.4(b), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are SOFR Loans.

(e) Amounts prepaid on account of Term Loans pursuant to Section 4.4(a), (b) or (h) may not be reborrowed.

(f) If the Borrower reasonably determines in good faith that any amounts attributable to Foreign Subsidiaries that are required to be applied to prepay Term Loans pursuant to Section 4.4(b)(iii) would violate applicable Laws or result in material adverse tax consequences to the Borrower or any of its Restricted Subsidiaries, then the Borrower shall not be required to prepay such amounts as required thereunder; provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to repatriate the proceeds subject to such prepayments in order to effect such prepayments without violating applicable Laws or incurring material adverse tax consequences.

(g) Notwithstanding anything to the contrary herein, this Section 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Sections 2.6 and 2.8, as applicable, or pursuant to any other credit facility added pursuant to Section 2.6 or 11.1(e).

(h) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the “Discounted Term Loan Prepayment”) pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 4.4(h); provided that the Borrower shall not initiate any action under this Section 4.4(h) in order to make a Discounted Term Loan Prepayment unless (1) at least ten Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date or (2) at least three Business Days shall have passed since the date the Borrower was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower’s election not to accept any Solicited Discounted Prepayment Offers made by a Lender. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment (“Excluded Information”), (2) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender’s lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders. Any Term Loans prepaid pursuant to this Section 4.4(h) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment.

(1) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with three Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Term Loans to be prepaid, (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$500,000, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date designated by the Administrative Agent and approved by the Borrower) (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this Section 4.4(h)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and

the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers.

(1) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrower is willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrower, (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by the Borrower) (the "Discount Range Prepayment Response Date"). Each relevant Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Section 4.4(h)(iii). The Borrower

agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Administrative Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following Section 4.4(h)(iii)(3)) at the Applicable Discount (each such Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Administrative Agent shall promptly, and in any case within three Business Days following the Discount Range Prepayment Response Date, notify (w) the Borrower of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by such Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers.

(1) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent with three Business Days’ notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the

Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrower is willing to prepay at a discount (the "Solicited Discounted Prepayment Amount"), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by Borrower) (the "Solicited Discounted Prepayment Response Date"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select, at its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that the Borrower is willing to accept (the "Acceptable Discount"), if any; provided that the Acceptable Discount shall not be an Offered Discount that is larger than the smallest Offered Discount for which the sum of all Offered Amounts affiliated with Offered Discounts that are larger than or equal to such smallest Offered Discount would, if purchased at such smallest Offered Discount, yield an amount at least equal to the Solicited Discounted Prepayment Amount. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Administrative Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower shall submit an Acceptance and Prepayment Notice to the Administrative Agent setting forth the Acceptable Discount. If the Administrative Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Administrative Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent will determine (in consultation with the

Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 4.4(h)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrower will prepay outstanding Term Loans pursuant to this Section 4.4(h)(iv) to each Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior to the Discounted Prepayment Determination Date, the Administrative Agent shall promptly notify (w) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrower and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable out-of-pocket costs and expenses from the Borrower in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Sections 4.4(h)(ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the

Administrative Agent's Office in immediately available funds not later than 11:00 A.M. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans in inverse order of maturity. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 4.4(h) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Section 4.4(h) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Term Loans to reflect the payment of accrued interest to certain Lenders as provided in this Section 4.4(h)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Section 4.4(h) as if made at par. It is also understood and agreed that prepayments pursuant to this Section 4.4(h) shall not be subject to Section 4.4(a), or, for the avoidance of doubt, Section 11.7(a) or the pro rata allocation requirements of Section 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 4.4(h), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 4.4(h), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrower and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 4.4(h) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h).

(x) Revocation. The Borrower shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount

Prepayment Response Date (and if such offer is so revoked, any failure by the Borrower to make any prepayment to a Lender pursuant to this Section 4.4(h)) shall not constitute a Default or Event of Default under Section 9.1 or otherwise).

(xi) No Obligation. This Section 4.4(h) shall not (i) require the Borrower to undertake any prepayment pursuant to this Section 4.4(h) or (ii) limit or restrict the Borrower from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

(i) Upon at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to reduce either or both of the Tranche B Initial Term Loan Commitments and the Tranche B Delayed Draw Commitments, in whole or in part. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

2.5 Administrative Agent's Fee; Other Fees. (a) The Borrower agrees to pay to the Administrative Agent the fees set forth in clause (x) of the second to last paragraph of Section 5 of the Engagement Letter.

(b) If on or prior to the first anniversary of the Closing Date the Borrower makes an optional prepayment in full of the Initial Term Loans pursuant to an Initial Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender, a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans being prepaid. If, on or prior to the first anniversary of the Closing Date, any Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in an Initial Term Loan Repricing Transaction, such Lender (and not any Person who replaces such Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(c) If on or prior to December 31, 2013 the Borrower makes an optional prepayment in full of the Tranche B Term Loans (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) pursuant to a Tranche B Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche B Term Loans being prepaid. If, on or prior December 31, 2013, any Tranche B Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche B Term Loan Repricing Transaction, such Tranche B Term Lender (and not any Person who replaces such Tranche B Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(d) The Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender having a Tranche B Initial Term Loan Commitment or a Tranche B Delayed Draw Commitment, as the case may be, (i) a commitment fee (the "Tranche B Initial Term Loan Commitment Fee") in Dollars, which shall accrue on each day of the Tranche B Initial Term Loan Ticking Fee Period at a rate per annum equal to the Ticking Fee

Rate in effect for such day on the amount of the unutilized Tranche B Initial Term Loan Commitment of such Tranche B Term Lender as of such day and (ii) a commitment fee (the “Tranche B Delayed Draw Commitment Fee”, and together with the Tranche B Initial Term Loan Commitment Fee, the “Commitment Fee”) in Dollars, which shall accrue on each day of the Tranche B Delayed Draw Ticking Fee Period at a rate per annum equal to the Ticking Fee Rate in effect for such day on the amount of the unutilized Tranche B Delayed Draw Commitment of such Tranche B Term Lender as of such day.

The Tranche B Initial Term Loan Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Initial Term Loan Ticking Fee Period and on the last day of the Tranche B Initial Term Loan Ticking Fee Period. The Tranche B Delayed Draw Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Delayed Draw Ticking Fee Period and on the last day of the Tranche B Delayed Draw Ticking Fee Period. The Commitment Fee shall be calculated quarterly in arrears on the basis of a 360-day year for the actual days elapsed. Notwithstanding anything to the contrary in this Agreement, (A) no Commitment Fee shall accrue on the Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (B) any Commitment Fee accrued with respect to the Commitment of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender.

(e) If on or prior to May 21, 2017 the Borrower makes an optional prepayment in full of the Tranche C Term Loans pursuant to a Tranche C Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche C Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche C Term Loans being prepaid. If, on or prior to July 20, 2021, any Tranche G Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche G Term Loan Repricing Transaction, such Tranche G Term Lender (and not any Person who replaces such Tranche G Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(j) If on or prior to May 1, 2023 the Borrower makes an optional prepayment in full of the Tranche H Term Loans pursuant to a Tranche H Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche H Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche H Term Loans being prepaid. If, on or prior to May 1, 2023, any Tranche H Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche H Term Loan Repricing Transaction, such Tranche H Term Lender (and not any Person who replaces such Tranche H Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

2.6 Computation of Interest and Fees. (a) Interest (other than interest based on the Prime Rate) shall be calculated on the basis of a 360-day year for the actual days elapsed; and interest based on the Prime Rate shall be calculated on the basis of a 365 day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of each determination of an Adjusted Term SOFR. Any change in the interest rate on a Term Loan resulting from a change in the Alternate Base Rate or the Statutory Reserves shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as

soon as practicable notify the Borrower and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Section 4.1, excluding any Term SOFR published by the Term SOFR Administrator and any ABR Loan which is based upon the Alternate Base Rate.

2.7 Inability to Determine Interest Rate.

(a) If prior to the first day of any Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining Adjusted Term SOFR with respect to any SOFR Loan for such Interest Period (the "Affected Term SOFR"), the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the Lenders as soon as practicable thereafter. If such notice is given (a) any SOFR Loans the rate of interest applicable to which is based on the Affected Term SOFR requested to be made on the first day of such Interest Period shall be made as ABR Loans and (b) any Term Loans that were to have been converted on the first day of such Interest Period to or continued as SOFR Loans the rate of interest applicable to which is based upon the Affected Term SOFR shall be converted to or continued as ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further SOFR Loans the rate of interest applicable to which is based upon the Affected Term SOFR shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to SOFR Loans, the rate of interest applicable to which is based upon the Affected Term SOFR.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section will occur prior to the applicable Benchmark Transition Start Date.

(c) In connection with the implementation of a Benchmark Replacement (or, if such Benchmark Replacement is in respect of the Benchmark, the use, administration or adoption of such Benchmark Replacement), the Administrative Agent, with the consent of the Borrower (not to be unreasonably withheld, delayed or conditioned), will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as

applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement (or, if such Benchmark Replacement is in respect of the Benchmark, the use, administration or adoption of such Benchmark Replacement), (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. The Administrative Agent will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 4.7(f). Any determination, decision or election that may be made by the Administrative Agent, the Borrower or Lenders pursuant to this Section 4.7, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 4.7.

(e) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion (in consultation with the Borrower) or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Administrative Agent may modify, in consultation with the Borrower, the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

2.8 Pro Rata Treatment and Payments. (a) Except as expressly otherwise provided herein, each payment (including each prepayment, but excluding payments made pursuant to Section 2.7, 2.8, 4.5(b), 4.5(c), 4.5(d), 4.5(e), 4.5(f), 4.9, 4.10, 4.11, 4.13(d), 4.14, 8.8, 11.1(g) or 11.6) by the Borrower on account of principal of and interest on account of any Term Loans of a given Tranche (other than (w) payments in respect of any difference in the Applicable Margin, Adjusted Term SOFR or Alternate Base Rate in respect of any Tranche, (x) any payments pursuant to Section 4.4(b) to the extent declined by any Lender in accordance with Section 4.4(d) and (y) any payments pursuant to Section 4.4(h)) which shall be allocated as set forth in Section 4.4(h)) shall be allocated by the Administrative Agent pro rata according to the

respective outstanding principal amounts of such Term Loans of such Tranche then held by the respective Lenders; provided that a Lender may, at its option, and if agreed by the Borrower, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of Section 4.4(c). All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time), on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Term Loans, the Lenders, the Administrative Agent, or the Other Representatives, as the case may be, at the Administrative Agent's office specified in Section 11.2, in Dollars in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Other Representatives, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders or Other Representatives, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on the SOFR Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a SOFR Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. This Section 4.8(a) may be amended in accordance with Section 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.6 and 2.8, as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on, as applicable, the Closing Date, the First Incremental Amendment Effective Date, the First Incremental Amendment Closing Date, the Tranche B Delayed Draw Closing Date, the Third Amendment Closing Date, the Fourth Amendment Closing Date, the Fifth Amendment Closing Date, the Seventh Amendment Closing Date, the Eighth Amendment Closing Date or the Tenth Amendment Closing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate (or, in respect of a SOFR Borrowing, the greater of the foregoing and a rate determined by the Administrative Agent (in consultation with the Borrower) in accordance with banking industry rules on interbank compensation) for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.8(b) shall be conclusive in the absence of manifest error.

2.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the Eighth Amendment Closing Date shall make it unlawful for any Lender

to make or maintain any SOFR Loans as contemplated by this Agreement (“Affected Loans”), (a) such Lender shall promptly give written notice of such circumstances to the Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan when an Affected Loan is requested, (c) such Lender’s Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law and law and (d) such Lender’s then outstanding Affected Loans, if any, not converted to ABR Loans pursuant to clause (c) of this Subsection 4.9 shall, at the option of the Borrower (i) be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto (or such earlier date as may be required by any such Requirement of Law) or (ii) bear interest at an alternate rate which reflects such Lender’s cost of funding such Loans, as reasonably determined by the Administrative Agent, plus the Applicable Margin hereunder.

2.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Eighth Amendment Closing Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of Term SOFR hereunder (excluding any Tax of any kind whatsoever); or

(ii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining SOFR Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower from such Lender, through the Administrative Agent in accordance herewith, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such SOFR Loans; provided that, in any such case, the Borrower may elect to convert the SOFR Loans made by such Lender hereunder to ABR Loans by giving the Administrative Agent at least one Business Day’s notice of such election, in which case the Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 4.10(a). If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10(a), it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof (provided, that such request will not in any way require disclosure of confidential or price-sensitive information or any other information the disclosure of which is prohibited by law). Such a certificate as to any additional amounts payable pursuant to this Section 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(a), the Borrower shall not be required to compensate a Lender

pursuant to this Section 4.10(a) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrower in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Eighth Amendment Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction (provided, that such request will not in any way require disclosure of confidential or price-sensitive information or any other information the disclosure of which is prohibited by law). Such a certificate as to any additional amounts payable pursuant to this Section 4.10(b), submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(b), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(b) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrower in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States

or foreign regulatory authorities, in each case pursuant to Basel III, in each case, shall be deemed to have been enacted, adopted, promulgated or issued, as applicable, subsequent to the Closing Date for all purposes herein.

2.11 Taxes. (a) Except as provided below in this Section 4.11 or as required by law (which, for purposes of this Section 4.11, shall include FATCA), all payments made by the Borrower or the Agents under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that if any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrower to any Agent or any Lender hereunder or under any Notes, the amounts so payable by the Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall be entitled to deduct and withhold, and the Borrower shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by the Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c) or (d) of this Section 4.11 or with the requirements of Section 4.13, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or (z) with respect to any Non-Excluded Taxes imposed by the United States or any state or political subdivision thereof, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after the later of (i) the date that such Agent became an Agent hereunder or such Lender became a Lender hereunder (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later), (ii) the First Incremental Amendment Effective Date, (iii) the Third Amendment Closing Date, (iv) the Fourth Amendment Closing Date, (v) the Fifth Amendment Closing Date, (vi) the Seventh Amendment Closing Date, (vii) the Eighth Amendment Closing Date and (viii) the Tenth Amendment Closing Date (any such change, at such time, a “Change in Law”). Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Section 4.11 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall:

(i) (1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent (A) two accurate and complete original signed Internal Revenue Service Forms W-8BEN or Forms W-8BEN-E, as appropriate (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes, and (B) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from

United States backup withholding tax with respect to payments under this Agreement and any Notes;

(1) deliver to the Borrower and the Administrative Agent two further original signed forms or certifications provided in Section 4.11(b)(i)(1), on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower;

(2) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (4), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called “portfolio interest exemption”,

(1) represent to the Borrower and the Administrative Agent that it is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code;

(2) deliver to the Borrower on or before the date of any payment by the Borrower with a copy to the Administrative Agent, (A) two certificates substantially in the form of Exhibit D hereto (any such certificate a “U.S. Tax Compliance Certificate”) and (B) two accurate and complete original signed Internal Revenue Service Forms W-8BEN or Forms W-8BEN-E, as appropriate, or successor applicable form, certifying to such Lender’s legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes and (C) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes (and shall also deliver to the Borrower and the Administrative Agent two further original signed forms or certificates on or before the date the previous forms or certificates expire or become obsolete and after the occurrence of any event requiring a change in the most recently provided forms or certificates and, if necessary, obtain any extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of

such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (3), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called “portfolio interest exemption”, (I) represent to the Borrower and the Administrative Agent that such Lender is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates certifying to such Lender’s legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes; and

(A) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called “portfolio interest exemption”, also deliver to the Borrower and the Administrative Agent (I) two copies of such beneficiary’s or member’s accurate and complete original signed Internal Revenue Service Form W-8BEN or Form W-8BEN-E, as appropriate (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI or Form W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(B) with respect to each beneficiary or member of such Lender that is claiming the so-called “portfolio interest exemption”, (I) represent to the Borrower and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates with respect to each beneficiary or member (which may be provided by such Lender on behalf of such beneficiary or member) and two copies of such beneficiary’s or member’s accurate and complete original signed Internal Revenue Service Form W-8BEN or Form W-8BEN-E, as appropriate, or successor applicable form, certifying

to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes, and (III) also deliver to the Borrower and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further signed copies or originals (as applicable) of any forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that in determining the reasonableness of a request under this clause (3) such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request;

unless, in any such case, there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by the Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by the Borrower under this Agreement or any Notes to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower (A) two accurate and complete original signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete original signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a

U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by the Borrower under this Agreement or any Notes (whether for its own account or for the account of others) without deduction or withholding of any United States federal income taxes;

(ii) deliver to the Borrower two further original signed forms or certifications provided in Section 4.11(d)(i) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Administrative Agent and the Borrower, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Administrative Agent or the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For the avoidance of doubt, the Borrower and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

2.12 [Reserved].

2.13 Certain Rules Relating to the Payment of Additional Amounts. (a) Upon the request, and at the expense of the Borrower, each Lender and Agent to which the Borrower is required to pay any additional amount pursuant to Section 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower the opportunity to so contest unless the Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrower shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower the opportunity to contest, or cooperate with the Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than (i) pursuant to clause (c) below or (ii) after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing) and the effect of such change, as of the date of such change, would be to cause the Borrower to become obligated to pay any additional amount under Section 4.10 or 4.11, the Borrower shall not be obligated to pay such additional amount.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by the Borrower pursuant to Section 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, pursuant to Section 4.9, such Lender or Agent shall promptly notify the Borrower and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Term Loans held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrower agrees to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If the Borrower shall become obligated to pay additional amounts pursuant to Section 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Section 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, under Section 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Section 4.9, the Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower to purchase the affected Term Loan, in whole or in part, at an aggregate price no less than such Term Loan's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Term Loan, in whole or in part, without premium or penalty. In the case of the substitution of a Lender, then, the Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Section 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 11.6(b) in connection with such assignment shall be paid by the Borrower or the substitute Lender. In the case of a prepayment of an affected Term Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Term Loan, the Borrower shall first pay the affected Lender any additional amounts owing under Sections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Section 4.13(d), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to such replaced Lender relating to the Term Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrower to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which the Borrower has made additional payments pursuant to Section 4.11(a), such Agent or

such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to the Borrower; provided, however, that the Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(f) The obligations of any Agent, Lender or Participant under this Section 4.13 shall survive the termination of this Agreement and the payment of the Term Loans and all amounts payable hereunder.

2.14 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender, Tranche E Term Lender, Tranche F Term Lender or Tranche G Term Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender, Tranche E Term Lender, Tranche F Term Lender or Tranche G Term Lender, as applicable, is a Defaulting Lender:

(a) the Borrower shall have the right, at its sole expense and effort to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower to each become a substitute Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender, Tranche E Term Lender, Tranche F Term Lender, Tranche G Term Lender or Tranche H Term Lender, as applicable, and assume all or part of the Tranche B Term Loan Commitment, Tranche C Term Loan Commitment, Tranche D Term Loan Commitment, Tranche E Term Loan Commitment, Tranche F Term Loan Commitment, Tranche G Term Loan Commitment or Tranche H Term Loan Commitment, as applicable, of any such Defaulting Lender and the Borrower, the Administrative Agent and any such substitute Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender, Tranche E Term Lender, Tranche F Term Lender, Tranche G Term Lender or Tranche H Term Lender, as applicable, shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Acceptance to effect such substitution; and

(b) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 11.7) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable Requirement of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iii) third, if so determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (iv) fourth, pro rata, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

The rights and remedies against a Defaulting Lender under this Section 4.14 are in addition to other rights and remedies that the Borrower may have against such Defaulting Lender. The arrangements permitted or required by this Section 4.14 shall be permitted under

this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

SECTION 5

Representations and Warranties

To induce the Administrative Agent and each Lender to make the Extensions of Credit requested to be made by it on the Closing Date, the Borrower with respect to itself and its Restricted Subsidiaries, hereby represents and warrants, on the Closing Date, in each case after giving effect to the Transactions, to the Administrative Agent and the Lenders that:

2.1 Existence, Qualification and Power; Compliance with Laws. Each Loan Party (a) is a Person (i) duly organized or formed and validly existing and (ii) in good standing (to the extent such concept has a legally recognized meaning in its jurisdiction of organization) under the Laws of the jurisdiction of its organization, (b) has all requisite corporate or other organizational power and authority to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (c) is duly qualified and in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, (d) is in compliance with all applicable Laws and (e) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case referred to in clause (a)(i) (other than as to the Borrower and any Material Subsidiary that is a Loan Party), clause (a)(ii) (other than as to the Borrower) or clauses (b)(i), (c), (d) or (e), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

2.2 Authorization; No Contravention. (a) The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, (i) are within such Loan Party's corporate or other powers and have been duly authorized by all necessary corporate or other organizational action and (ii) do not and will not (A) contravene the terms of any of such Person's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under (in each case other than in respect of Indebtedness to be repaid in connection with the Transactions), (x) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (C) violate any Law; except, in the case of clauses (ii)(A) (other than as to the Borrower), (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (b) the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions do not or will not result in the creation of any Lien under any Contractual Obligation to which such Person is a party or by which such Person or the properties of such Person or any of its Restricted Subsidiaries is bound (other than as permitted by Section 8.5).

2.3 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, or for the consummation of the Transactions, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Security Documents, (c) the perfection or maintenance of the Liens created under the Security Documents (including the priority thereof) or (d) the exercise by the Collateral Agent, Administrative Agent or any Lender

of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Security Documents, except for (i) actions, filings and registrations necessary to perfect the Liens on the Collateral and the priority thereof granted by the Loan Parties in favor of the Secured Parties, (ii) the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and (iii) those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain, take, give or make would not reasonably be expected to have a Material Adverse Effect.

2.4 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by Holdings and each Loan Party that is a party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of Holdings and such Loan Party, enforceable against Holdings and each Loan Party that is party thereto in accordance with its terms, in each case except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

2.5 Financial Statements; No Material Adverse Effect.

(a) The Audited Financial Statements fairly present in all material respects the financial condition of the Borrower and its consolidated Subsidiaries as of the date thereof and their results of operations for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein.

2.6 Litigation. There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Borrower, threatened in writing, at law, in equity, in arbitration or before any Governmental Authority, by or against the Borrower or any of its Restricted Subsidiaries or against any of their properties or revenues (i) as of the Eighth Amendment Closing Date, that pertain to this Agreement, any other Loan Document or the consummation of the Transactions or (ii) that would reasonably be expected to have a Material Adverse Effect.

2.7 No Default. Neither the Borrower nor any Restricted Subsidiary is in default under or with respect to any Contractual Obligation that would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

2.8 Ownership of Property; Liens. Each of the Borrower and its Restricted Subsidiaries has good title in fee simple to, or valid leasehold interests in, or easements or other limited property interests in, all real property necessary in the ordinary conduct of its business, free and clear of all Liens except for minor defects in title that do not materially interfere with its ability to conduct its business or to utilize such assets for their intended purposes and Liens permitted by Section 8.5 and except where the failure to have such title or other interests would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

2.9 Environmental Compliance.

(a) There are no claims against the Borrower or its Restricted Subsidiaries alleging potential liability or responsibility for violation of any Environmental Law binding on

their respective businesses, operations and properties that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Except as would not reasonably be expected to have a Material Adverse Effect, (i) none of the properties currently or formerly owned or operated by the Borrower or any of its Restricted Subsidiaries is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state or local list or is adjacent to any such property; (ii) there are no underground or aboveground storage tanks or any surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed on any property currently owned or operated by the Borrower or any of its Restricted Subsidiaries, or on any property formerly owned or operated by the Borrower or any of its Restricted Subsidiaries requiring investigation, remediation, mitigation, removal, or assessment, or other response, remedial or corrective action, pursuant to Environmental Law; (iii) there is no asbestos or asbestos-containing material on any property currently owned or operated by the Borrower or any of its Restricted Subsidiaries; and (iv) Hazardous Materials have not been released, discharged or disposed of on any property currently or formerly owned or operated by the Borrower or any of its Restricted Subsidiaries except for such releases, discharges or disposal that were in material compliance with Environmental Laws.

(c) The properties currently or formerly owned or leased by the Borrower or its Restricted Subsidiaries do not contain any Hazardous Materials in amounts or concentrations which (i) constitute a violation of, (ii) require remedial action under, or (iii) would reasonably be expected to give rise to liability under, Environmental Laws, except for violations, remedial actions and liabilities that, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(d) Neither the Borrower nor any of its Restricted Subsidiaries is undertaking, and has not completed, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(e) All Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or, to the knowledge of the Borrower, formerly owned or operated by the Borrower or any of its Restricted Subsidiaries have been disposed of in a manner not reasonably expected to result in a Material Adverse Effect.

2.10 Taxes. The Borrower and its Restricted Subsidiaries have filed all Federal and material state and other tax returns and reports required to be filed, and have paid all Federal and material state and other taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets or otherwise due and payable by them, except those (a) which are not overdue by more than 30 days or (b) which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP or (c) with respect to which the failure to make such filing or payment would not reasonably be expected to have a Material Adverse Effect.

2.11 ERISA Compliance.

(a) Each Plan is in compliance with the applicable provisions of ERISA, the Code and other Federal or state Laws, except as would not reasonably be expected to result in a Material Adverse Effect. Each Plan that is intended to qualify under Section 401(a) of the Code

has received a favorable determination letter from the IRS or an application for such a letter will be submitted to the IRS within the applicable required time period with respect thereto and, to the knowledge of the Borrower, nothing has occurred which would prevent, or cause the loss of, such qualification, except as would not reasonably be expected to result in a Material Adverse Effect. Each Loan Party and each ERISA Affiliate have made all required contributions to each Plan subject to Section 412 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code has been made with respect to any Plan, except as would not reasonably be expected to result in a Material Adverse Effect.

(b) There are no pending or, to the knowledge of the Borrower, threatened claims, actions or lawsuits, or action by any Governmental Authority, with respect to any Plan that would reasonably be expected to have a Material Adverse Effect. 2.12 Subsidiaries; Equity Interests. As of the Eighth Amendment Closing Date, no Loan Party has any Restricted Subsidiaries other than those disclosed in Schedule 5.12, and all of the outstanding Equity Interests in such Restricted Subsidiaries that are owned by a Loan Party are owned free and clear of all Liens except for Permitted Liens. As of the Eighth Amendment Closing Date, Schedule 5.12 (a) sets forth the name and jurisdiction of each Restricted Subsidiary, (b) sets forth the ownership interest of the Borrower and any other Restricted Subsidiary in each Restricted Subsidiary, including the percentage of such ownership and (c) identifies each Restricted Subsidiary that is a Restricted Subsidiary the Equity Interests of which are required to be pledged hereunder or under the Security Documents.

(b) Neither the Borrower nor any other Loan Party is or is required to be registered as an “investment company” under the Investment Company Act.

2.14 Anti-Terrorism Law. Except to the extent it would not reasonably be expected to have a Material Adverse Effect, to the extent applicable, each Loan Party is in

compliance with the (a) Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto and (b) the Patriot Act.

2.15 Sanctioned Persons. None of the Borrower or any Restricted Subsidiary nor, to the knowledge of the Borrower, any director, officer or employee of the Borrower or any Restricted Subsidiary is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”); and the Borrower will not directly, or to its knowledge, indirectly use the proceeds of the Initial Term Loans, Tranche B Term Loans, Tranche C Term Loans, Tranche D Term Loans, Tranche E Term Loans, Tranche F Term Loans, Tranche G Term Loans or Tranche H Term Loans for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

2.16 Foreign Corrupt Practices Act. Except to the extent it would not reasonably be expected to have a Material Adverse Effect, the Borrower has, and to the knowledge of the Borrower each of its directors, officers, agents, employees, and any person acting for or on behalf of the Borrower has, complied with, and will comply with, the U.S. Foreign Corrupt Practices Act, as amended from time to time, or any other applicable antibribery or anticorruption law; and except to the extent it would not reasonably be expected to have a Material Adverse Effect, the Borrower has not, and to the knowledge of the Borrower none of its directors, officers, agents, employees, and any person acting for or on behalf of the Borrower, its directors, officers, agents or employees have, made, offered, promised, or authorized, and the Borrower will not, and will use its commercially reasonable efforts to cause each of its directors, officers, agents, employees, and any person acting for or on its behalf to not, make, offer, promise, or authorize, whether directly or indirectly, any payment, of anything of value to: (i) an executive, official, employee or agent of a governmental department, agency or instrumentality, (ii) a director, officer, employee or agent of a wholly or partially government-owned or -controlled company or business, (iii) a political party or official thereof, or candidate for political office or (iv) an executive, official, employee or agent of a public international organization (e.g., the International Monetary Fund or the World Bank) (“Government Official”); in each case while knowing or having a reasonable belief that all or some portion will be used for the purpose of: (a) influencing any act, decision or failure to act by a Government Official in his or her official capacity, (b) inducing a Government Official to use his or her influence with a government or instrumentality to affect any act or decision of such government or entity, or (c) securing an improper advantage; in each case in order to obtain, retain, or direct business.

2.17 Labor Matters. As of the Eighth Amendment Closing Date, (a) there are no strikes, lockouts or slowdowns against the Borrower or any Restricted Subsidiary pending or, to the knowledge of the Borrower, threatened; (b) the hours worked by and payments made to employees of the Borrower and the Restricted Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters; (c) all payments due from the Borrower or any Restricted Subsidiary on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability (if required in accordance with GAAP) on the books of the Borrower or such Restricted Subsidiary; and (d) the consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Restricted Subsidiary is bound, except, with respect to each of clauses (a) through (d), as would not reasonably be expected to result in a Material Adverse Effect.

2.18 Disclosure. No report, financial statement, certificate or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any

Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or any other Loan Document (as modified or supplemented by other information so furnished), in each case on or prior to the Eighth Amendment Closing Date, when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, (A) with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time of preparation, it being understood that projections are as to future events and are not to be viewed as facts, that such projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Borrower and its Subsidiaries, that no assurance can be given that any particular projection will be realized and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and such differences may be material and that such projections are not a guarantee of future financial performance and (B) that no representation is made with respect to information of a general economic or general industry nature.

2.19 Intellectual Property; Licenses, Etc. Each Loan Party and its Restricted Subsidiaries own or possess the right to use all of the trademarks, service marks, trade names, logos, trade dress, goodwill associated with the foregoing, domain names, copyrights, patents, trade secrets, know-how and other intellectual property rights (including all registrations and applications for registration of the foregoing) (collectively, "IP Rights") that are necessary for the operation of their respective businesses, except to the extent that the failure to so own or possess the right to use such IP Rights, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. To the knowledge of the Borrower, the conduct of the business of each Loan Party and its Restricted Subsidiaries does not infringe, misappropriate or otherwise violate any IP Rights of any other Person except for such infringements, misappropriations or violations, which, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. There is no claim, investigation, suit or proceeding pending or, to the knowledge of the Borrower, threatened in writing, against any Loan Party or any of its Restricted Subsidiaries (i) challenging the validity, ownership or use of any IP Rights of such Loan Party or any of its Restricted Subsidiaries or (ii) alleging that the conduct of their respective businesses infringes, misappropriates, or otherwise violates the IP Rights of any other Person, in each case which, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

2.20 Solvency. On the Eighth Amendment Closing Date after giving effect to the Transactions and the other transactions contemplated hereby, the Borrower and its Subsidiaries, on a consolidated basis, are Solvent.

2.21 Senior Debt Status. The Loans will be treated as senior debt under the relevant documentation for any Subordinated Indebtedness of the Borrower or any Guarantor.

2.22 Valid Liens. Each Security Document (other than the Mortgages) is, or on execution and delivery thereof by the parties thereto will be, effective to create (to the extent described therein) in favor of the Collateral Agent for the benefit of the Secured Parties, legal, valid and enforceable Liens on, or security interests in, the Collateral described therein to the extent required by the terms thereof, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity. (a) When financing statements and other filings in appropriate form are filed in the offices of the Secretary of State of each Loan Party's jurisdiction of organization or formation and applicable documents are filed and recorded in the United States Copyright Office and the United States Patent and Trademark Office, and (b) upon the taking of possession or control by the Collateral Agent of such Collateral with respect to

2.4 [Reserved].

2.5 Liens. (a) The Borrower will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness of the Borrower or of a Guarantor, on any asset or property of the Borrower or any Guarantor, or any income or profits therefrom, or on any right to receive income therefrom (the "Initial Lien"), unless (a) in the case of an Initial Lien on any Collateral, such Initial Lien expressly has Junior Lien Priority on such Collateral in relation to the Term Loan Facility Obligations and the Guarantees, as applicable or (b) in the case of an Initial Lien on any other asset or property, the Term Loan Facility Obligations (or a Guarantee in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of the Lenders pursuant to Section 8.5(a) shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to secure the Term Loan Facility Obligations.

2.6 Fundamental Changes. The Borrower may not (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole, in one or more related transactions to another Person (including pursuant to a Division); unless:

(a) either: (i) the Borrower is the surviving Person; or (ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Borrower or such Person, as the case may be, being herein called the "Successor Borrower");

(b) the Successor Borrower (if other than the Borrower) assumes all the obligations of the Borrower under this Agreement and the other Loan Documents to which it is a party by executing a joinder or one or more other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(c) immediately after such transaction no Default or Event of Default exists;

(d) [reserved];

(e) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have delivered a joinder or other document or instrument in form reasonably satisfactory to the Administrative Agent, confirming its Subsidiary Guarantee; and

(f) each Subsidiary Guarantor (other than (x) any Subsidiary that will be released from its grant or pledge of Collateral under the Security Agreement in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have by a supplement to the Security Agreement or another document or instrument in form reasonably satisfactory to the Administrative Agent affirmed that its obligations thereunder shall apply to its Guarantee as confirmed pursuant to clause (e) above;

provided that, for the purposes of this Section 8.6 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Borrower may therefore consummate a Music Publishing Sale without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6, (2) the Borrower may therefore consummate a Recorded Music Sale without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Borrower under any other contract to which the Borrower is a party.

For the purpose of this Section 8.6, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Borrower or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole shall be made on a pro forma basis giving effect to such acquisition.

This Section 8.6 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries. Notwithstanding the foregoing clause (c), (x) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary and (y) the Borrower may merge with an Affiliate incorporated solely for the purpose of reincorporating the Borrower in another state of the United States.

2.7 [Reserved].

2.8 Change of Control. The Borrower shall not and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, in the event of the occurrence of a Change of Control, repurchase or repay any Indebtedness then outstanding pursuant to any Subordinated Indebtedness or any portion thereof, unless the Borrower shall have (i) made payment in full of the Term Loan Facility Obligations and any other amounts then due and owing to any Lender or the Administrative Agent hereunder and under any Note or (ii) made an offer to pay the Term Loan Facility Obligations and any amounts then due and owing to each Lender and the Administrative Agent hereunder and under any Note and shall have made payment in full thereof to each such Lender or the Administrative Agent which has accepted such offer. For so long as the Borrower shall have complied with the terms of this Section 8.8, any Event of Default arising under Section 9.1(j) by reason of such Change of Control shall be deemed not to have occurred or be continuing.

2.9 Suspension of Covenants. If on any date following the Eighth Amendment Closing Date (i) the Investment Grade Condition is satisfied and (ii) no Default has occurred and is continuing under this Agreement (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event") and the date thereof being referred to as the "Suspension Date") then, the Borrower and the other

Loan Parties shall not be subject to the covenants set forth in Sections 7.12 and clauses (e) and (f) of Section 8.6 (collectively, the “Suspended Covenants”).

In the event that the Borrower and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Agreement for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) the Investment Grade Condition is no longer satisfied, then the Borrower and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Agreement with respect to future events. The period of time between the Suspension Date and the Reversion Date is the “Suspension Period”.

Notwithstanding that the Suspended Covenants may be reinstated, (1) no Default, Event of Default or breach of any kind will be deemed to exist or have occurred as a result of any failure by the Borrower or any other Loan Party to comply with the Suspended Covenants during any Suspension Period (or upon termination of the Suspension Period or after that time arising out of actions taken or events that occurred during the Suspension Period), and (2) following a Reversion Date the Borrower and any other Loan Party will be permitted, without causing a Default, Event of Default or breach of any kind, to honor, comply with or otherwise perform any contractual commitments or obligations arising prior to such Reversion Date and to consummate the transactions contemplated thereby, and shall have no liability for any actions taken or events that occurred during the Suspension Period, or for any actions taken or events occurring at any time pursuant to any such commitment or obligation.

SECTION 9

Events of Default

2.1 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default:

(a) The Borrower shall fail to pay any principal of any Term Loan when due in accordance with the terms hereof (whether at stated maturity, by mandatory prepayment or otherwise); or the Borrower shall fail to pay any interest on any Term Loan, or any other amount payable hereunder, within five Business Days after any such interest or other amount becomes due in accordance with the terms hereof; or

(b) Any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document (or in any amendment, modification or supplement hereto or thereto) or which is contained in any certificate furnished at any time by or on behalf of any Loan Party pursuant to this Agreement or any such other Loan Document shall prove to have been incorrect in any material respect on or as of the date made or deemed made, and for the failure of any representation or warranty that is capable of being cured (as determined in good faith by the Borrower, which determination shall be conclusive), such default shall continue unremedied for a period of 30 days after the earlier of (A) the date on which a Responsible Officer of the Borrower becomes aware of such failure and (B) the date on which written notice thereof shall have been given to the Borrower by the Administrative Agent or the Required Lenders; or

(c) Any Loan Party shall default in the payment, observance or performance of any term, covenant or agreement contained in Section 8; or

(d) Any Loan Party shall default in the observance or performance of any other agreement contained in this Agreement or any other Loan Document (other than as provided in clauses (a) through (c) of this Section 9.1), such default shall continue unremedied for a period of, in the case of a default with respect to reporting obligations

under Section 7.1 or related certificates under Section 7.2, 120 days after notice thereof from the Administrative Agent or the Required Lenders, and in the case of any other default, 30 days after the earlier of (A) the date on which a Responsible Officer of the Borrower becomes aware of such failure and (B) the date on which written notice thereof shall have been given to the Borrower by the Administrative Agent or the Required Lenders; or

(e) Any Loan Party or any of its Restricted Subsidiaries shall (i) default in (x) any payment of principal of or interest on any Indebtedness (excluding the Term Loans) in excess of the Threshold Amount or (y) in the payment of any Guarantee Obligation in excess of the Threshold Amount, beyond the period of grace, if any, provided in the instrument or agreement under which such Indebtedness or Guarantee Obligation was created; (ii) default in the observance or performance of any other agreement or condition relating to any Indebtedness (excluding the Term Loans) or Guarantee Obligation referred to in clause (i) above or contained in any instrument or agreement evidencing, securing or relating thereto (other than a failure to provide notice of a default or an event of default under such instrument or agreement or default in the observance of or compliance with any financial maintenance covenant), or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders of such Indebtedness or beneficiary or beneficiaries of such Guarantee Obligation (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice or lapse of time if required, such Indebtedness to become due prior to its stated maturity or such Guarantee Obligation to become payable (an "Acceleration"; and the term "Accelerated" shall have a correlative meaning), and such time shall have lapsed and, if any notice (a "Default Notice") shall be required to commence a grace period or declare the occurrence of an event of default before notice of Acceleration may be delivered, such Default Notice shall have been given and such default shall not have been remedied or waived by or on behalf of such holder or holders (provided that this clause (ii) shall not apply to (x) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder or (y) any termination event or similar event pursuant to the terms of any Hedge Agreement) or (iii) in the case of any Indebtedness or Guarantee Obligations referred to in clause (i) above containing or otherwise requiring observance or compliance with any financial maintenance covenant, such Indebtedness or Guarantee Obligation shall have been Accelerated and such Acceleration shall not have been rescinded; or

(f) If (i) the Borrower or any Material Subsidiary of the Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts (excluding, in each case, the solvent liquidation or reorganization of any Foreign Subsidiary of the Borrower that is not a Loan Party), or (B) seeking appointment of a receiver, interim receiver, receivers, receiver and manager, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or the Borrower or any Material Subsidiary of the Borrower shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Borrower or any Material Subsidiary of the Borrower any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged, unstayed or unbonded for a period of 60 days; or (iii) there shall be

commenced against the Borrower or any Material Subsidiary of the Borrower any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of an order for any such relief which shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) the Borrower or any Material Subsidiary of the Borrower shall take any corporate or other similar organizational action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) the Borrower or any Material Subsidiary of the Borrower shall be generally unable to, or shall admit in writing its general inability to, pay its debts as they become due; or

(g) (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or would reasonably be expected to result in liability of the Borrower under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) a Foreign Benefit Event occurs which, either individually or together with other Foreign Benefit Events that have occurred, would reasonably be expected to result in a Material Adverse Effect; or

(h) One or more judgments or decrees shall be entered against the Borrower or any of its Restricted Subsidiaries involving in the aggregate at any time a liability (net of any insurance or indemnity payments actually received in respect thereof prior to or within 60 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) of the Threshold Amount or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or

(i) With respect to any Collateral, individually, having a fair market value in excess of the Threshold Amount, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Lenders the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Borrower or any Guarantor denies in writing that it has any further liability under any Security Document (in each case other than in accordance with the terms of this Agreement or any of the Security Documents), except to the extent that any loss of perfection or priority results from the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) not maintaining possession of certificates actually delivered to it representing securities, promissory notes or other instruments pledged under the Security Documents, or otherwise results from the gross negligence or willful misconduct of the Administrative Agent or the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) and except, as to Collateral consisting of real property, to the extent that such loss of perfection or priority is covered by a lender's title insurance policy and the Collateral Agent is reasonably satisfied with the credit of such insurer; provided, that if a loss of perfection or priority of the sort described in this Section 9.1(i) is susceptible of cure (including with respect to any loss of Lien priority on material portions of the Collateral), no Event of Default shall arise under this Section 9.1(i) with respect thereto until 30 days after a Responsible Officer becomes aware of such loss of perfection or priority; or

(j) Subject to the Borrower's option to make an offer to prepay the Term Loans pursuant to Section 8.8, a Change of Control shall have occurred.

2.2 Remedies Upon an Event of Default. (a) If any Event of Default occurs and is continuing, then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of Section 9.1(f) with respect to the Borrower, automatically the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement shall immediately become due and payable, and (B) if such event is any other Event of Default, with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Term Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement to be due and payable forthwith, whereupon the same shall immediately become due and payable.

(b) Except as expressly provided above in this Section 9, to the maximum extent permitted by applicable law, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

(c) Notwithstanding anything to the contrary, neither the Administrative Agent nor any Lender may deliver notice of any Default or Event of Default or otherwise consent, take action or direct or require the Administrative Agent or any Lender to undertake any action in respect of any Default or Event of Default previously reported to the Administrative Agent and the Lenders through the delivery of a notice of Default in accordance with Section 7.3(a) more than two years prior to such delivery of notice, consent, action or direction or requirement to undertake action in respect of Default or Event of Default, and such delivery of notice, consent, action or direction or requirement to undertake action shall be invalid and have no effect; provided that, such two year limitation shall not apply if the Administrative Agent or the Required Lenders have commenced any remedial action (whether as set forth in this Section 9.2 or as otherwise set forth in the Loan Documents) in respect of any such Default or Event of Default prior to such time.

SECTION 10

The Agents and the Other Representatives

2.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to or required of such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Each Lender further authorizes the Administrative Agent to act as representative of the Lenders under the Security Agreement and each other Security Document, as applicable. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents and the Other Representatives shall not have any duties or responsibilities, except, in the case of the Administrative Agent and the Collateral Agent, those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent or the Other Representatives.

(b) Each of the Agents may perform any of their respective duties under this Agreement, the other Loan Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and the Collateral Agent may perform

any of their respective duties under the Security Documents by or through one or more of their respective affiliates). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 10 shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

(c) Except for Sections 10.5, 10.8(a), (b), (c) and (e) and (to the extent of the Borrower's rights thereunder and the conditions included therein) 10.9, the provisions of this Section 10 are solely for the benefit of the Agents and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

2.2 The Administrative Agent and Affiliates. Each person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any Subsidiary or other Affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

2.3 Action by an Agent. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Collateral Agent in the case of the Administrative Agent), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact or counsel selected by it with reasonable care.

2.4 Exculpatory Provisions. (a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirement of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary,

under the circumstances as provided in Section 11.1) or (y) in the absence of its own gross negligence, bad faith or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until written notice describing such Default is given to such Agent by the Borrower or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term as used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) Each party to this Agreement acknowledges and agrees that the Administrative Agent may use an outside service provider for the tracking of all UCC financing statements required to be filed pursuant to the Loan Documents and notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that any such service provider will be deemed to be acting at the request and on behalf of the Borrower and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider.

(e) No Agent warrants or accepts responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Alternate Base Rate, Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Alternate Base Rate, Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Benchmark Replacement Conforming Changes with respect to any Benchmark Replacement for the Tranche H Term Loans. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Alternate Base Rate, Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Alternate Base Rate, Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark, any component definition thereof or rates referred to in the definitions thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

2.5 Acknowledgement and Representations by Lenders. Each Lender expressly acknowledges that none of the Agents or the Other Representatives nor any of their officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by any Agent or any Other Representative hereafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by such Agent or such Other Representative to any Lender. Each Lender further represents and warrants to the Agents, the Other Representatives and each of the Loan Parties that it has had the opportunity to review each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof. Each Lender acknowledges that, independently and without reliance upon any Agent, the Other Representatives or any other Lender, and based on such documents and information as it has deemed appropriate, it has made and will make, its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties, it has made its own decision to make its Loans hereunder and enter into this Agreement and it will make its own decisions in taking or not taking any action under this Agreement and the other Loan Documents and, except as expressly provided in this Agreement, neither the Agents nor any Other Representative shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender acknowledges and agrees to comply with the provisions of Section 11.6 applicable to the Lenders hereunder.

2.6 Indemnity; Reimbursement by Lenders. (a) To the extent that the Borrower or any other Loan Party for any reason fails to indefeasibly pay any amount required under Section 11.5 to be paid by it to the Administrative Agent (or any sub-agent thereof) or the Collateral Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay ratably according to their respective outstanding Term Loans on the date on which the applicable unreimbursed expense or indemnity payment is sought under this Section 10.6 such unpaid amount (such indemnity shall be effective whether or not the related losses, claims, damages, liabilities and related expenses are incurred or asserted by any party hereto or any third party); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) in connection with such capacity. The obligations of the Lenders under this Section 10.6 are subject to the provisions of Section 4.8.

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) All amounts due under this Section 10.6 shall be payable not later than three Business Days after demand therefor. The agreements in this Section 10.6 shall survive the payment of the Loans and all other amounts payable hereunder.

2.7 Right to Request and Act on Instructions; Reliance. (a) Each Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents an Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, the requesting Agent shall be

absolutely entitled as between itself and the Lenders to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Lender for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from Required Lenders or all or such other portion of the Lenders as shall be prescribed by this Agreement. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of an Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of Required Lenders (or all or such other portion of the Lenders as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required Lenders (or such other applicable portion of the Lenders), an Agent shall have no obligation to any Lender to take any action if it believes, in good faith, that such action would violate applicable law or exposes an Agent to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 10.6.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall be entitled to rely upon the advice of any such counsel, accountants or experts and shall not be liable for any action taken or not taken by it in accordance with such advice.

2.8 Collateral Matters. (a) Each Lender authorizes and directs the Administrative Agent (including in its capacity as representative of the Lenders under the Security Documents) and the Collateral Agent to enter into (and agrees to be bound by the terms of) (x) the Guarantee Agreement, the Security Documents, the Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties, (y) any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to the Security Documents, the Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement or other intercreditor agreements in connection with the incurrence by any Loan Party or any Subsidiary thereof of Additional Indebtedness (each an "Intercreditor Agreement Supplement") to permit such Additional Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents) and (z) any Incremental Commitment Amendment as provided in Section 2.6, any Increase Supplement as provided in Section 2.6, any Lender Joinder Agreement as provided in Section 2.6, any agreement required in connection with a Permitted Debt Exchange Offer pursuant to Section 2.7 and any Extension Amendment as provided in Section 2.8. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Administrative Agent, the Collateral Agent or the Required Lenders in accordance with the provisions of this Agreement, the Guarantee Agreement, the Security Documents, the Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement, any Intercreditor Agreement Supplement, any Incremental Commitment Amendment, any Increase Supplement, any Lender Joinder Agreement or any agreement required in connection with a Permitted Debt Exchange Offer or any Extension Amendment and the exercise by the Agents or the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be

authorized and binding upon all of the Lenders. Each Lender further agrees that the Collateral Agent may act pursuant to the Security Documents as instructed by the representative of the First Lien Obligations (as defined in the Security Agreement) then having authority to direct actions of the Collateral Agent pursuant to the Security Documents. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time, to take any action with respect to any applicable Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents. Each Lender agrees that it will not have any right individually to enforce or seek to enforce any Security Document or to realize upon any Collateral for the Term Loans unless instructed to do so by the Collateral Agent, it being understood and agreed that such rights and remedies may be exercised only by the Collateral Agent. Notwithstanding the foregoing, each Lender expressly and irrevocably waives any right to take or institute any actions or proceedings, judicial or otherwise, for any right or remedy or assert any other cause of action against any Loan Party (including the exercise of any right of set-off, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings or any other cause of action, or otherwise commence any remedial procedures, in each case in its capacity as a Lender, against Holdings, the Borrower and/or any of their respective Subsidiaries or any Parent with respect to any Collateral or any other property of any such Person, without the prior written consent of the Administrative Agent and the Required Lenders (which shall not be withheld in contravention of this Section 10); provided, that, for the avoidance of doubt, this provision may be enforced against any Lender by the Required Lenders, the Agents or the Borrower (or any of its Affiliates) and each Lender and the Agents expressly acknowledge that this provision shall be available as a defense of the Borrower (or any of its Affiliates) in any action, proceeding, cause of action or remedial procedure. The Collateral Agent may grant extensions of time for the creation and perfection of security interests in or the obtaining of title insurance, legal opinions or other deliverables with respect to particular assets or the provision of any guarantee by any Subsidiary (including extensions beyond the Closing Date or in connection with assets acquired, or Subsidiaries formed or acquired, after the Closing Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by this Agreement or the Security Documents or if instructed to do so in accordance with the Security Documents.

(b) The Lenders hereby authorize each Agent (A) to release any Lien granted to or held by such Agent upon any Collateral (i) upon termination of the Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and payment and satisfaction of all of the Term Loan Facility Obligations under the Loan Documents at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby that are then due and unpaid, (ii) constituting property being sold or otherwise disposed of (to Persons other than a Loan Party) upon the sale or other disposition thereof, (iii) owned by any Subsidiary Guarantor designated as an Excluded Subsidiary or constituting Equity Interests of an Excluded Subsidiary, (iv) if approved, authorized or ratified in writing by the Required Lenders (or such greater amount, to the extent required by Section 11.1) or (v) as otherwise may be expressly provided in the relevant Security Documents and (B) at the written request of the Borrower to subordinate any Lien on any Excluded Assets or any other property granted to or held by such Agent, as the case may be under any Loan Document to the holder of any Permitted Lien. Upon request by any Agent, at any time, the Lenders will confirm in writing any Agent's authority to release particular types or items of Collateral pursuant to this Section 10.8.

(c) The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as the case may be, to enter into any amendment, amendment and restatement,

restatement, waiver, supplement or modification, and to make or consent to any filings or to take any other actions, in each case as contemplated by Section 11.17. Upon request by any Agent, at any time, the Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority under this Section 10.8(c).

(d) No Agent shall have any obligation whatsoever to the Lenders to assure that the Collateral exists or is owned by Holdings, the Borrower or any of its Restricted Subsidiaries or is cared for, protected or insured or that the Liens granted to any Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Section 10.8 or in any of the Security Documents, it being understood and agreed by the Lenders that in respect of the Collateral, or any act, omission or event related thereto, each Agent may act in any manner it may deem appropriate, in its sole discretion, given such Agent's own interest in the Collateral as a Lender and that no Agent shall have any duty or liability whatsoever to the Lenders, except for its bad faith, gross negligence or willful misconduct.

(e) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by and in accordance with either Section 11.1 or 11.17, as applicable, with the written consent of the Agent party thereto and the Loan Party party thereto.

(f) The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the collateral as such Agents may from time to time agree.

2.9 Successor Agent. Subject to the appointment of a successor as set forth herein, (i) the Administrative Agent or the Collateral Agent may be removed by the Borrower or the Required Lenders (in the case of the Collateral Agent, subject to the Security Agreement) if the Administrative Agent, the Collateral Agent or a controlling affiliate of the Administrative Agent or the Collateral Agent is a Defaulting Agent and (ii) the Administrative Agent and the Collateral Agent may resign as Administrative Agent or Collateral Agent, respectively, in each case upon ten days' notice to the Administrative Agent, the Lenders and the Borrower, as applicable. If the Administrative Agent or the Collateral Agent shall be removed by the Borrower or the Required Lenders pursuant to clause (i) above or if the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such successor agent shall be subject to approval by the Borrower; provided that such approval by the Borrower in connection with the appointment of any successor Administrative Agent shall only be required so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing; provided further, that the Borrower shall not unreasonably withhold its approval of any successor Administrative Agent if such successor is an Approved Commercial Bank. If no successor shall have been so appointed by the Required Lenders and approved by the Borrower (to the extent required) and shall have accepted such appointment within 45 days after the Administrative Agent or the Collateral Agent, as the case may be, gives notice of its resignation or is notified that it is being removed, then the Administrative Agent or Collateral Agent, as the case may be, may, on behalf of the Lenders appoint a successor Administrative Agent or Collateral Agent, as the case may be, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor Administrative Agent or Collateral Agent, as the case may be, has been appointed pursuant to the immediately preceding sentence by the 45th day after the date such notice of resignation or removal, as applicable, the Administrative Agent's or Collateral Agent's

resignation or removal, as applicable, shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent or Collateral Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent, as the case may be. Upon the successful appointment of a successor agent, such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as applicable, and the term “Administrative Agent” or “Collateral Agent”, as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent’s rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Term Loans. After any retiring Agent’s resignation or removal as Agent, the provisions of this Section 10 (including Section 10.9) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. In the case of the Collateral Agent, the provision of this Section 10.9 shall in all respects be subject to the provisions of the Security Agreement.

2.10 Withholding Tax. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax, and in no event shall such Agent be required to be responsible for or pay any additional amount with respect to any such withholding. If the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify such Agent of a change in circumstances which rendered the exemption from or reduction of withholding tax ineffective or for any other reason, without limiting the provisions of Section 4.11(a), such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred and shall make payable in respect thereof within 30 days after demand therefor. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 10.10. The agreements in this Section 10.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Term Loan Facility Obligations.

2.11 Other Representatives. None of the entities identified as joint bookrunners and joint lead arrangers or syndication agents pursuant to the definition of “Other Representative” contained herein, shall have any duties or responsibilities hereunder or under any other Loan Document in its capacity as such. Without limiting the foregoing, no Other Representative shall have nor be deemed to have a fiduciary relationship with any Lender. At any time that any Lender serving as an Other Representative shall have transferred to any other Person (other than any of its affiliates) all of its interests in the Loans, such Lender shall be deemed to have concurrently resigned as such Other Representative.

2.12 Application of Proceeds. The Lenders and the Administrative Agent agree, as among such parties, as follows: subject to the terms of the Security Agreement, any Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement or any Intercreditor Agreement Supplement, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Administrative Agent or any Lender on account of amounts then due and outstanding under any of the Loan Documents shall, except as otherwise expressly provided herein, be applied as follows: first, to pay all reasonable out-of-pocket costs

and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of the Administrative Agent and the Collateral Agent in connection with enforcing the rights of the Agents and the Lenders under the Loan Documents (including all expenses of sale or other realization of or in respect of the Collateral and any sums advanced to the Collateral Agent or to preserve its security interest in the Collateral), second, to pay all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of each of the Lenders in connection with enforcing such Lender's rights under the Loan Documents, third, to pay interest on Loans then outstanding; fourth, to pay principal of Loans then outstanding and obligations under Secured Hedge Agreements and Cash Management Obligations permitted hereunder and secured by the Security Agreement as Term Loan Facility Obligations, ratably among the applicable Secured Parties in proportion to the respective amounts described in this clause "fourth" payable to them, and fifth, to pay the surplus, if any, to whomever may be lawfully entitled to receive such surplus. To the extent any amounts available for distribution pursuant to clause "third" or "fourth" above are insufficient to pay all obligations described therein in full, such moneys shall be allocated pro rata among the applicable Secured Parties in proportion to the respective amounts described in the applicable clause at such time. This Section 10.12 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendment) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of loans added pursuant to Sections 2.6 and 2.8, as applicable.

SECTION 11

Miscellaneous

2.1 Amendments and Waivers. (a) Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof, may be amended, supplemented, modified or waived except in accordance with the provisions of this Section 11.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (x) enter into with the respective Loan Parties hereto or thereto, as the case may be, written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or to the other Loan Documents or changing, in any manner the rights or obligations of the Lenders or the Loan Parties hereunder or thereunder or (y) waive at any Loan Party's request, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that amendments pursuant to Sections 11.1(d) and (f) may be effected without the consent of the Required Lenders to the extent provided therein; provided further, that no such waiver and no such amendment, supplement or modification shall:

(i) (A) reduce or forgive the amount or extend the scheduled date of maturity of any Loan or of any scheduled installment thereof (including extending the Initial Term Loan Maturity Date, the Tranche B Term Loan Maturity Date, the Tranche C Term Loan Maturity Date, the Tranche D Term Loan Maturity Date, the Tranche E Term Loan Maturity Date, the Tranche F Term Loan Maturity Date, the Tranche G Term Loan Maturity Date or the Tranche H Term Loan Maturity Date), (B) reduce the stated rate of any interest, commission or fee payable hereunder (other than as a result of any waiver of the applicability of any post-default increase in interest rates), (C) extend the scheduled date of any payment of any Lenders' Loans, (D) change the currency in which any Loan is payable or (E) increase any Lender's Initial Term Loan Commitment, Tranche B Term Loan Commitment, Tranche C Term Loan Commitment, Tranche D Term Loan Commitment, Tranche E Term Loan Commitment, Tranche F Term Loan Commitment, Tranche G Term Loan Commitment, Tranche H Term Loan Commitment or Incremental

Commitment, in each case without the consent of each Lender directly and adversely affected thereby (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory repayment of the Loans of all Lenders shall not constitute an extension of the scheduled date of maturity, any scheduled installment, or the scheduled date of payment of the Loans of any Lender or an increase in the Initial Term Loan Commitment, Tranche B Term Loan Commitment, Tranche C Term Loan Commitment, Tranche D Term Loan Commitment, Tranche E Term Loan Commitment, Tranche F Term Loan Commitment, Tranche G Term Loan Commitment, Tranche H Term Loan Commitment or Incremental Commitment of any Lender);

(ii) amend, modify or waive any provision of this Section 11.1(a) or reduce the percentage specified in the definition of "Required Lenders," or consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents (other than pursuant to Section 8.6 or 11.6(a)), in each case without the written consent of all the Lenders;

(iii) release Guarantors accounting for all or substantially all of the value of the Guarantee of the Term Loan Facility Obligations pursuant to the Guarantee Agreement, or, in the aggregate (in a single transaction or a series of related transactions), all or substantially all of the Collateral without the consent of all of the Lenders, except as expressly permitted hereby or by any Security Document (as such documents are in effect on the date hereof or, if later, the date of execution and delivery thereof in accordance with the terms hereof);

(iv) require any Lender to make Loans having an Interest Period of longer than six months or shorter than one month without the consent of such Lender;

(v) amend, modify or waive any provision of Section 10 without the written consent of the then Agents;

(vi) amend, modify or waive any provision of Section 10.1(a), 10.5 or 10.11 without the written consent of any Other Representative directly and adversely affected thereby;

(vii) [reserved];

(viii) [reserved]; or

(ix) amend, modify or waive the order of application of payments set forth in Section 4.4(c), 10.12 or 11.7, in each case without the consent of all the Lenders;

provided further that, notwithstanding and in addition to the foregoing, and in addition to Liens the Collateral Agent is authorized to release pursuant to Section 10.8(b), the Collateral Agent shall, upon request from the Borrower, release the Lien on Collateral valued in the aggregate not in excess of \$10.0 million in any Fiscal Year without the consent of any Lender and the Collateral Agent shall release Liens on Collateral upon instructions of the Authorized Applicable Representative (as defined in the Security Agreement) pursuant to the Security Agreement.

(b) Any waiver and any amendment, supplement or modification pursuant to this Section 11.1 shall apply to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, each of the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived

shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(c) Notwithstanding any provision herein to the contrary, this Agreement may be amended at any time on or prior to the Tranche B Delayed Draw Closing Date as contemplated by Section 11 of the First Incremental Amendment.

(d) Notwithstanding any provision herein to the contrary, (x) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents, except to the extent the consent of such Lender would be required under clause (i) in the further proviso to the second sentence of Section 11.1(a), (y) no Disqualified Institution shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and (z) no Net Short Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and instead shall be deemed to have voted its interest as a Lender as provided in Section 11.1(i) below (for the avoidance of doubt, other than a Net Short Lender that is also a Disqualified Institution, which shall be subject to the preceding clause (y)).

(e) Notwithstanding any provision herein to the contrary, this Agreement and the other Loan Documents may be amended (i) to cure any ambiguity, mistake, omission, defect, or inconsistency with the consent of the Borrower and the Administrative Agent, (ii) in accordance with Section 2.6 to incorporate the terms of any Incremental Commitments with the written consent of the Borrower and Lenders providing such Incremental Commitments, (iii) in accordance with Section 2.8 to effectuate an Extension with the written consent of the Borrower and the Extending Lenders, (iv) in accordance with Section 4.7(b) to effectuate the replacement of a Benchmark with a Benchmark Replacement and (v) with the consent of the Borrower and the Administrative Agent (in each case such consent not to be unreasonably withheld or delayed), in the event any mandatory prepayment or redemption provision in respect of asset sales, casualty or condemnation events or excess cash flow included or to be included in any Indebtedness constituting Pari Passu Indebtedness would result in such Indebtedness being prepaid or redeemed on a more than ratable basis with the Term Loans in respect of such asset sale, casualty or condemnation event or excess cash flow prepayment, to provide for mandatory prepayments of the Term Loans such that, after giving effect thereto, the prepayments and redemptions made in respect of such Indebtedness are not on more than a ratable basis. Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Section 4.4, 4.8 or 10.14 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment or any Extension Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Term Loans, any Incremental Commitments or Incremental Loans and any Extended Term Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Extended Term Tranche or Incremental Commitments or Incremental Loans in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower) to execute any amendment referred to in this clause (d) or an acknowledgement thereof.

(f) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facilities and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding

such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility hereunder and (z) to provide class protection for any additional credit facilities.

(g) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by Section 11.17 with the written consent of the Agent party thereto and the Loan Party party thereto.

(h) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Section 11.1(a), the consent of each Lender or each directly and adversely affected Lender, as applicable, is required and the consent of the Required Lenders at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such Lender, a “Non-Consenting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, prepay the Loans and, if applicable, terminate the commitments of such Non-Consenting Lender, in whole or in part, without premium or penalty. In connection with any such replacement under this Section 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender, and the Administrative Agent shall record such assignment in the Register.

(i) Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (alone or together with its Affiliates (but subject to clause (vi) below)) (other than any Lender that is a Regulated Bank) that, as a result of its (or its Affiliates’ (but subject to clause (vi) below)) interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to either (1) the Loans and/or Commitments or (2) any other Indebtedness and/or commitments in respect thereof of the Borrower or the other

Loan Parties (any such Indebtedness and/or commitments under this clause (2), the “Covered Indebtedness”) (each, a “Net Short Lender”) shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (in each case unless otherwise agreed to by the Borrower). For purposes of determining whether a Lender (alone or together with its Affiliates (but subject to clause (vi) below)) has a “net short position” on any date of determination: (i) derivative contracts with respect to the Loans and/or Commitments and/or any Covered Indebtedness and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes the Borrower or other Loan Parties or any instrument issued or guaranteed by the Borrower or other Loan Parties shall not be deemed to create a short position with respect to either (1) the Loans and/or Commitments and/or (2) the Covered Indebtedness, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates (other than its Excluded Affiliates) and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by the Borrower or other Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the “ISDA CDS Definitions”) shall be deemed to create a short position with respect to either (1) the Loans and/or Commitments and/or (2) the Covered Indebtedness if such Lender (or its Affiliates (other than its Excluded Affiliates)) is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans and/or the Commitments and/or any Covered Indebtedness are a “Reference Obligation” under the terms of such derivative transaction (whether specified by name in the related documentation, included as a “Standard Reference Obligation” on the most recent list published by Markit, if “Standard Reference Obligation” is specified as applicable in the relevant documentation or in any other manner), (y) the Loans and/or the Commitments and/or any Covered Indebtedness would be a “Deliverable Obligation” under the terms of such derivative transaction or (z) the Borrower or other Loan Parties (or any of their successors) is designated as a “Reference Entity” under the terms of such derivative transactions, (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to either (1) the Loans and/or Commitments and/or (2) the Covered Indebtedness if such transactions are functionally equivalent to a transaction that offers such Lender or its Affiliates (other than its Excluded Affiliates) protection in respect of the Loans and/or the Commitments and/or any Covered Indebtedness, or as to the credit quality of the Borrower or other Loan Parties (or any of their successors) other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates (other than its Excluded Affiliates) and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by the Borrower or other Loan Parties, collectively, shall represent less than 5% of the components of such index and (vi) in connection with any such determination, each Lender shall either (A) reasonably inquire as to whether its Ethically Screened Affiliates have any interest in the Loans and/or Commitments, any such Covered Indebtedness and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract, and such Ethically Screened Affiliates’ interests therein shall only be included in determining whether such Lender (alone or together with its Affiliates) is a Net Short Lender to the extent determined from such reasonable inquiry or (B) provide a certification or deemed certification to the Administrative Agent and the Borrower that such Lender is not coordinating or acting in concert with any of its Affiliates (other than any Affiliates designated in writing by such Lender whose interests in the Loans and/or Commitments, any such Covered Indebtedness and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall be included in determining whether such

Lender is a Net Short Lender (each, a “Designated Affiliate”) with respect to its interest in the Loans and/or Commitments, any such Covered Indebtedness and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract, in which case the interests of the Affiliates (other than any Designated Affiliates) of such Lender in any Loans and/or Commitments, any such Covered Indebtedness and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall not be included in determining whether such Lender is a Net Short Lender (any such Affiliate in clause (A) or (B) above (other than any Designated Affiliates) whose Loans and/or Commitments, any Covered Indebtedness and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract are not included in determining whether such Lender is a Net Short Lender, an “Excluded Affiliate”). In connection with any such determination, each Lender shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Borrower and the Administrative Agent shall be entitled to rely on each such representation and deemed representation; provided that if such determination relates to a notice, consent, action or direction or requirement to undertake action relating to a Default or Event of Default, such representation or deemed representation shall be deemed repeated at all times until the resulting Default or Event of Default is cured or ceases to exist or the Loans hereunder are accelerated).

2.2 Notices. provided that (i) any notice, request or demand to or upon the Administrative Agent or the Lenders pursuant to Section 4.2, 4.4 or 4.8 shall not be effective until received and (ii) any update to supplement the list of Disqualified Institutions shall be furnished by electronic mail to JPMDQ_Contact@jpmorgan.com.

(b) Without in any way limiting the obligation of any Loan Party and its Subsidiaries to confirm in writing any telephonic notice permitted to be given hereunder, the Administrative Agent may prior to receipt of written confirmation act without liability upon the basis of such telephonic notice, believed by the Administrative Agent in good faith to be from a Responsible Officer of a Loan Party.

(c) Loan Documents may be transmitted and/or signed by facsimile or other electronic means (e.g., a “pdf” or “tiff”). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile or other electronic document or signature.

(d) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Section 2 if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. Unless the Administrative Agent otherwise prescribes (with the Borrower’s consent), (i) notices and other communications sent to an e-mail address shall be deemed to have been duly made or given when delivered, provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the posting thereof.

(e) (i) The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, “Borrower Materials”) by posting the Borrower Materials on a Platform and (b) certain of the Lenders may be “public-side” Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a “Public Lender”). The Borrower hereby agrees to clearly and conspicuously mark all Borrower Materials that the Borrower intends to be made available to Public Lenders; provided that the Borrower agrees that the Disqualified Institution List will be deemed to be “public-side” Borrower Materials and may be made available to Public Lenders.

(ii) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities laws.

2.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent, any Lender or any Loan Party, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

2.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Loan Documents (or in any amendment, modification or supplement hereto or thereto) and in any certificate delivered pursuant hereto or such other Loan Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

2.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents and the Other Representatives for (1) all their reasonable and documented out-of-pocket costs and expenses incurred in connection with (i) the syndication of the Facilities and the development, preparation, execution and delivery of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions (including the syndication of the Initial Term Loan Commitments, the Tranche B Term Loan Commitments, the Tranche C Term Loan Commitments, the Tranche D Term Loan Commitments, the Tranche E Term Loan Commitments, the Tranche F Term Loan Commitments, the Tranche G Term Loan Commitments or the Tranche H Term Loan Maturity Date) contemplated hereby and thereby and (iii) efforts to monitor the Loans and verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral, and (2) the reasonable and documented fees and disbursements of Davis Polk and Wardwell LLP, and such other special or local counsel, consultants, advisors, appraisers and auditors whose retention (other than during the continuance of an Event of Default) is approved by the Borrower, (b) to pay or reimburse each Lender, each Other Representative and the Agents for all their reasonable costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including the fees and disbursements of counsel to the Agents and the Lenders, (c) to pay, indemnify, or reimburse each Lender, each Other Representative and the Agents for, and hold each Lender, each Other Representative and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, any stamp, documentary, excise and other similar taxes, if any, which may be payable or determined to be payable in connection with the execution, delivery or enforcement of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify or reimburse each Lender, each Other Representative, each Agent (and any sub-agent thereof) and each Related Party of any of the foregoing Persons (each, an “Indemnitee”) for, and hold each Indemnitee harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans, the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower or any of its Restricted Subsidiaries or any of the property of the Borrower or any of its Restricted Subsidiaries, of any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party and regardless of whether any Indemnitee is a party thereto (all the foregoing in this clause (d), collectively, the “Indemnified Liabilities”), provided that the Borrower shall not have any obligation hereunder to any Lead Arranger, any Other Representative, any Agent (or any sub-agent thereof) or any Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender) with respect to Indemnified Liabilities arising from (i) the gross negligence, bad faith or willful misconduct of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision, (ii) a material breach of the Loan Documents by any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (iii) claims against such Indemnitee or any Related Party brought by any other Indemnitee that do not involve claims against any Lead Arranger or Agent in its

capacity as such. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 11.5 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. All amounts due under this Section 11.5 shall be payable not later than 30 days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 11.5 shall be submitted to the address of the Borrower set forth in Section 11.2, or to such other Person or address as may be hereafter designated by the Borrower in a notice to the Administrative Agent. Notwithstanding the foregoing, except as provided in Sections 11.5(b) and (c) above, the Borrower shall have no obligation under this Section 11.5 to any Indemnitee with respect to any tax, levy, impost, duty, charge, fee, deduction or withholding imposed, levied, collected, withheld or assessed by any Governmental Authority. The agreements in this Section 11.5 shall survive repayment of the Loans and all other amounts payable hereunder.

2.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) other than in accordance with Section 8.6, the Borrower shall not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 11.6.

(b) (i) Subject to the conditions set forth in Section 11.6(b)(ii) below, any Lender other than a Conduit Lender may, in the ordinary course of business and in accordance with applicable law, assign (other than to a Disqualified Institution or any natural person) to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including its Tranche B Term Loan Commitment, Tranche C Term Loan Commitment, Tranche D Term Loan Commitment, Tranche E Term Loan Commitment, Tranche F Term Loan Commitment, Tranche G Term Loan Commitment, Tranche H Term Loan Commitment and/or any Tranche of Term Loans, pursuant to an Assignment and Acceptance) with the prior written consent of:

(A) (1) with respect to the Tranche B Term Loan Commitments, the Borrower, (2) with respect to the Tranche C Term Loan Commitments, the Borrower, (3) with respect to the Tranche D Term Loan Commitments, the Borrower, (4) with respect to the Tranche E Term Loan Commitments, the Borrower, (5) with respect to the Tranche F Term Loan Commitments, the Borrower, (6) with respect to the Tranche G Term Loan Commitments, the Borrower, (7) with respect to the Tranche H Term Loan Commitments, the Borrower and (8) with respect to any Tranche of Loans, the Borrower (such consent, in the case of this clause (8), not to be unreasonably withheld), provided, that with respect to any assignment of any Tranche of Term Loans, (I) no consent of the Borrower shall be required for an assignment (x) to a Lender, an Affiliate of a Lender, or an Approved Fund (as defined below); provided, that if any Lender assigns all or a portion of its rights and obligations under this Agreement to one of its Affiliates in connection with or in contemplation of the sale or other disposition of its interest in such Affiliate, the Borrower's prior written consent shall be required for such assignment, (y) if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing, to any other Person, and (z) in connection with the primary syndication of (A) the Initial Term Loans by Credit Suisse AG to Persons

previously disclosed by it to the Borrower, (B) the Tranche B Term Loans by the Tranche B Initial Committed Lenders (as defined in the First Incremental Amendment) to Persons previously disclosed by them to the Borrower on or prior to the First Incremental Amendment Effective Date, (C) the Tranche C Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Third Amendment Closing Date, (D) the Tranche D Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Fourth Amendment Closing Date, (E) the Tranche E Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Fifth Amendment Closing Date, (F) the Tranche F Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Seventh Amendment Closing Date, (G) the Tranche G Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Eighth Amendment Closing Date, (H) the Tranche H Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Tenth Amendment Closing Date and (II) notwithstanding anything to the contrary herein, any consent of the Borrower required under this paragraph (A) shall be deemed to have been given if the Borrower has not expressly refused within 20 Business Days of a written request for such consent; and

(B) the Administrative Agent (such consent not to be unreasonably withheld); provided that no consent of the Administrative Agent shall be required for an assignment to a Lender or an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments, Incremental Commitments or Loans under any Facility, the amount of the Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Incremental Commitments, Tranche H Term Loan Commitments, Incremental Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of \$1.0 million unless the Administrative Agent otherwise consents, provided that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B)

if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of \$3,500; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall only be required to be paid once in respect of and at the time of such assignments;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire;

(D) any assignment of Incremental Commitments or Loans to an Affiliated Lender shall also be subject to the requirements of Sections 11.6(h) and (i); and

(E) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon acquisition thereof.

For the purposes of this Section 11.6, the term “Approved Fund” has the following meaning: “Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such assignment in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Sections 4.10, 4.11, 4.13 and 11.5, and bound by its continuing obligations under Section 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.6(b) shall, to the extent it would comply with Section 11.6(c), be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 11.6.

(iv) The Borrower hereby designates the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrower’s agent, solely for purposes of this Section 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments or Incremental Commitments of, and interest and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the

“Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower (and, solely with respect to entries applicable to such Lender, any Lender), at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity) against the Lender and such Disqualified Institution. Notwithstanding the foregoing, in no event shall the Administrative Agent (in its capacity as such) (x) be obligated to ascertain, monitor or inquire as to whether (a) any Lender is a Net Short Lender or (b) any Lender is a Disqualified Institution or (y) have any liability with respect to any assignment or participation of Loans to any Disqualified Institution (other than through the Administrative Agent’s gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision; provided that in no event shall the Administrative Agent have any liability for any failure to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution).

(v) Each Lender that sells a participation shall, acting for itself and, solely for this purpose, as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for the Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and a Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 11.6(b) and any written consent to such assignment required by Section 11.6(b), the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Borrower. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (vi).

(vii) On or prior to the effective date of any assignment pursuant to this Section 11.6(b), the assigning Lender shall surrender any outstanding Notes held by it all or a portion of which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Borrower marked “cancelled”.

Notwithstanding the foregoing provisions of this Section 11.6(b) or any other provision of this Agreement, if the Borrower shall have consented thereto in writing in its sole discretion, the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan

Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and Initial Term Loan Commitments via an electronic settlement system acceptable to Administrative Agent and the Borrower as designated in writing from time to time to the Lenders by Administrative Agent (the “Settlement Service”). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be subject to the prior written approval of the Borrower and shall be consistent with the other provisions of this Section 11.6(b). Each assigning Lender and proposed Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and Initial Term Loan Commitments pursuant to the Settlement Service. Assignments and assumptions of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein. The Borrower may withdraw its consent to the use of the Settlement Service at any time upon notice to the Administrative Agent, and thereafter assignments and assumptions of the Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein. Notwithstanding the foregoing, it is understood and agreed that the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and Initial Term Loan Commitments via the Clearpar electronic settlement system pursuant to procedures consistent with this Section 11.6(b).

Furthermore, no Assignee, which as of the date of any assignment to it pursuant to this Section 11.6(b) would be entitled to receive any greater payment under Section 4.10, 4.11 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such Sections with respect to the rights assigned, shall, notwithstanding anything to the contrary in this Agreement, be entitled to receive such greater payments unless the assignment was made after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing or the Borrower has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c) (i) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the consent of the Borrower or the Administrative Agent, sell participations (other than to any Disqualified Institution or a natural person) to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Initial Term Loan Commitments, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender

shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, (D) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (E) in the case of any participation to a Permitted Affiliated Assignee, such participation shall be governed by the provisions of Section 11.6(h)(ii) to the same extent as if each reference therein to an assignment of a Loan were to a participation of a Loan and the references to Affiliated Lender were to such Permitted Affiliated Assignee in its capacity as a participant. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the second proviso to the second sentence of Section 11.1(a) and (2) directly affects such Participant. Subject to Section 11.6(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 4.10, 4.11, 4.13 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7(b) as though it were a Lender, provided that such Participant shall be subject to Section 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such participation in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular participation).

(ii) No Loan Party shall be obligated to make any greater payment under Section 4.10, 4.11 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Borrower and the Borrower expressly waives the benefit of this provision at the time of such participation. A Participant shall not be entitled to the benefits of Section 4.11 unless such Participant complies with Section 4.11(b) or Section 4.11(c), as applicable, and provides the forms and certificates referenced therein to the Lender that granted such participation.

(d) Any Lender, without the consent of the Borrower or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(e) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 11.6(b). The Borrower, each Lender and the Administrative Agent hereby confirms that it will

not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from the Borrower pursuant to this Section 11.6(f) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Borrower specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Section 11.6(f), in the event that the indemnifying Lender fails timely to compensate the Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Borrower, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(g) If the Borrower wishes to replace the Loans under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 11.1. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon. By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) (i) Notwithstanding anything to the contrary contained herein, any Parent, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Administrative Agent (or other applicable agent managing such auction); provided that (A) any such Dutch auction by the Borrower or its Subsidiaries shall be made in accordance with Section 4.4(h) and (B) any such Dutch auction by any Parent shall be made on terms substantially similar to Section 4.4(h) or on other terms to be agreed between such Parent and the Administrative Agent (or other applicable agent managing such auction) or (2) open market purchases; provided further that:

(1) such Affiliated Lender and such other Lender shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit I hereto (an "Affiliated Lender Assignment and Assumption") and the Administrative Agent shall record such assignment in the Register;

(2) at the time of such assignment after giving effect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders that are not Affiliated Debt Funds shall not

exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement;

(3) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower, whether through a Parent or otherwise, and exchanged for debt or equity securities of the Borrower or such Parent that are otherwise permitted to be issued at such time pursuant to the terms of this Agreement, so long as any Term Loans so acquired by the Borrower shall be retired and cancelled promptly upon the acquisition thereof; and

(4) any Term Loans acquired by Holdings or any of its Subsidiaries shall be cancelled and retired immediately upon the acquisition thereof.

(ii) Notwithstanding anything to the contrary in this Agreement, no Affiliated Lender that is not an Affiliated Debt Fund shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives or (C) receive advice of counsel to the Administrative Agent, the Collateral Agent or any other Lender or challenge their attorney client privilege.

(iii) Notwithstanding anything in Section 11.1 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, an Affiliated Lender that is not an Affiliated Debt Fund shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not such Affiliated Lenders; provided that, (I) to the extent Lenders are being compensated by the Borrower for consenting to an amendment, modification, waiver, consent or other action, each Affiliated Lender who has been deemed to have voted its Loans in accordance with this Section 11.6(h)(iii) shall be entitled to be compensated on the same basis as each consenting Lender as if it had voted all of its Loans in favor of the applicable amendment, modification, waiver, consent or other action; and (II) no amendment, modification, waiver, consent or other action with respect to any Loan Document shall deprive such Affiliated Lender of its ratable share of any payments of Term Loans of any class to which such Affiliated Lender is entitled under the Loan Documents without such Affiliated Lender providing its consent; provided, further, that such Affiliated Lender shall have the right to approve any amendment, modification, waiver or consent that (x) disproportionately and adversely affects such Affiliated Lender or affects such Affiliated Lender differently than other Lenders or (y) is of the type described in Sections 11.1(a)(i) through (ix) (other than subclauses (v) and (vi)); and in furtherance of the foregoing, (x) the Affiliated Lender agrees to execute and deliver to the Administrative Agent any instrument reasonably requested by the Administrative Agent to evidence the voting of its interest as a Lender in accordance with the provisions of this Section 11.6(h)(iii); provided that if the Affiliated Lender fails to promptly execute such instrument such failure shall in no way prejudice any of the Administrative Agent’s rights under this

Section 11.6(h)(iii), and (y) the Administrative Agent is hereby appointed (such appointment being coupled with an interest) by such Affiliated Lender as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iii).

(iv) Each Affiliated Lender that is not an Affiliated Debt Fund, solely in its capacity as a Lender, hereby agrees, and each Affiliated Lender Assignment and Assumption agreement shall provide a confirmation that, if any of the Borrower or any Restricted Subsidiary shall be subject to any voluntary or involuntary bankruptcy, reorganization, insolvency or liquidation proceeding (each, a "Bankruptcy Proceeding"), (i) such Affiliated Lender shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Affiliated Lender's claim with respect to its Term Loans ("Claim") (including objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Affiliated Lender is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including voting on any plan of reorganization), the Term Loans held by such Affiliated Lender (and any Claim with respect thereto) shall be deemed to be voted in accordance with Section 11.6(h)(iii) above, so long as such Affiliate Lender is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Section 11.6(h)(iv) and the related provisions set forth in each Affiliated Lender Assignment and Assumption constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, it is their intention that this Section 11.6(h)(iv) would be enforceable for all purposes in any case where the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to the Borrower or such Restricted Subsidiary, as applicable. Each Affiliated Lender that is not an Affiliated Debt Fund hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iv).

(v) Each Lender making an assignment to, or taking an assignment from, an Affiliated Lender (so long as such Affiliated Lender identifies itself as such to such Lender) acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lender, Warner Music Group Corp., Holdings, the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of Warner Music Group Corp., Holdings, the Borrower, its Subsidiaries, the Administrative Agent, or any of their

respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Warner Music Group Corp., Holdings, the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(i) Notwithstanding anything to the contrary in this Agreement, Section 11.1 or the definition of “Required Lenders” (x) with respect to any assignment or participation to or by an Affiliated Debt Fund, such assignment or participation shall be made pursuant to an open market purchase and (y) for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Affiliated Debt Funds may not account for more than 50.0% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 11.1.

(j) Notwithstanding the foregoing provisions of this Section 11.6, nothing in this Section 11.6 is intended to or should be construed to limit the Borrower’s right to prepay the Term Loans as provided hereunder, including under Section 4.4.

2.7 Adjustments; Set-off; Calculations; Computations. (a) If any Lender (a “Benefited Lender”) shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise (except pursuant to Section 2.7, 2.8, 4.4, 4.9, 4.10, 4.11, 4.13(d), 11.1(g) or 11.6)), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender’s Loans owing to it, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders an interest (by participation, assignment or otherwise) in such portion of each such other Lender’s Loans owing to it, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon the occurrence of an Event of Default under Section 9.1(a) or the Loans becoming due and payable pursuant to Section 9.2 to set-off and appropriate and apply against any amount then due and payable under Section 9.1(a) by the Borrower any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

2.8 Judgment. (a) If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 11.8 referred to as the “Judgment Currency”) an amount due under any Loan Document in any currency (the “Obligation Currency”) other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 11.8 being hereinafter in this Section 11.8 referred to as the “Judgment Conversion Date”).

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 11.8(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

(c) The term “rate of exchange” in this Section 11.8 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

2.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of such counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be delivered to the Borrower and the Administrative Agent.

2.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

2.11 Integration. This Agreement and the other Loan Documents represent the entire agreement of each of the Loan Parties party hereto, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any of the Loan Parties party hereto, the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

2.12 Governing Law. THIS AGREEMENT AND ANY NOTES AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY NOTES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE

AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

2.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Term Loan Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 11.13 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 11.13(a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding.

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to Section 11.13(a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 11.2 or at such other address of which the Administrative Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 11.13 any consequential or punitive damages.

2.14 Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Other Representative or Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of creditor and debtor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among the Borrower and the Lenders.

2.15 Waiver Of Jury Trial. EACH OF THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

2.16 Confidentiality. (a) Each Agent and each Lender agrees to keep confidential any information (a) provided to it by or on behalf of the Borrower or any of their respective Subsidiaries pursuant to or in connection with the Loan Documents or (b) obtained by such Lender based on a review of the books and records of the Borrower or any of their respective Subsidiaries; provided that nothing herein shall prevent any Lender from disclosing any such information (i) to any Agent, any Other Representative or any other Lender, (ii) to any Transferee, or prospective Transferee or any creditor or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations which agrees to comply with the provisions of this Section 11.16 pursuant to a written instrument (or electronically recorded agreement from any Person listed above in this clause (ii), in respect to any electronic information (whether posted or otherwise distributed on any Platform)) for the benefit of the Borrower (it being understood that each relevant Lender shall be solely responsible for obtaining such instrument (or such electronically recorded agreement)), (iii) to its Affiliates and the employees, officers, partners, directors, agents, attorneys, accountants and other professional advisors of it and its Affiliates, provided that such Lender shall inform each such Person of the agreement under this Section 11.16 and take reasonable actions to cause compliance by any such Person referred to in this clause (iii) with this agreement (including, where appropriate, to cause any such Person to acknowledge its agreement to be bound by the agreement under this Section 11.16), (iv) upon the request or demand of any Governmental Authority having jurisdiction over such Lender or its affiliates or to the extent required in response to any order of any court or other Governmental Authority or as shall otherwise be required pursuant to any Requirement of Law, provided that, other than with respect to any disclosure to any bank regulatory authority, such Lender shall, unless prohibited by any Requirement of Law, notify the Borrower of any disclosure pursuant to this clause (iv) as far in advance as is reasonably practicable under such circumstances, (v) which has been publicly disclosed other than in breach of this Agreement, (vi) in connection with the exercise of any remedy hereunder, under any Loan Document or under any Interest Rate Agreement, (vii) in connection with periodic regulatory examinations and reviews conducted by the National Association of Insurance Commissioners or any Governmental Authority having jurisdiction over such Lender or its affiliates (to the extent applicable), (viii) in connection with any litigation to which such Lender (or, with respect to any Interest Rate Agreement, any Affiliate of any Lender party thereto) may be a party subject to the proviso in clause (iv) above, and (ix) if, prior to such information having been so provided or obtained, such information was already in an

Agent's or a Lender's possession on a non-confidential basis without a duty of confidentiality to the Borrower being violated. In addition, the Administrative Agent may disclose (i) the existence of this Agreement, the global amount, currency and maturity date of any Facility hereunder, and the legal name, country of domicile and jurisdiction of organization of the Borrower, to (i) the CUSIP Bureau and other similar market data collectors or service providers to the lending industry, provided that either such information shall have been previously made publicly available by the Borrower, or the Administrative Agent shall have obtained the written consent of the Borrower (such consent not to be unreasonably withheld or delayed), prior to making such disclosure, and (ii) information about this Agreement to service providers to the Administrative Agent to the extent customary in connection with the administration and management of this Agreement, the other Loan Documents, the Initial Term Loan Commitments, the Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Tranche G Term Loan Commitments, Tranche H Term Loan Commitments, the Incremental Commitments, and the Loans, provided that any such Person is advised of and agrees to be bound by the provisions of this Section 11.16 and the Administrative Agent takes reasonable actions to cause such Person to comply herewith. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 11.16 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

(b) Each Lender acknowledges that any such information referred to in Section 11.16(a), and any information (including requests for waivers and amendments) furnished by the Borrower or the Administrative Agent pursuant to or in connection with this Agreement and the other Loan Documents, may include material non-public information concerning the Borrower, the other Loan Parties and their respective Affiliates or their respective securities. Each Lender represents and confirms that such Lender has developed compliance procedures regarding the use of material non-public information; that such Lender will handle such material non-public information in accordance with those procedures and applicable law, including United States federal and state securities laws; and that such Lender has identified to the Administrative Agent a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law.

2.17 Incremental Indebtedness; Additional Indebtedness. In connection with the incurrence by any Loan Party or any Subsidiary thereof of any Incremental Indebtedness or Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agree to execute and deliver amendments, waivers, supplements or other modifications to the Security Agreement, the Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement or any Intercreditor Agreement Supplement and amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Security Document (including but not limited to any Mortgages and UCC fixture filings), and to make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Borrower to be necessary or reasonably desirable for any Lien on the assets of any Loan Party permitted to secure such Incremental Indebtedness or Additional Indebtedness to become a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan Documents) pursuant to the Security Document being so amended, amended and restated, restated, waived, supplemented or otherwise modified or otherwise.

2.18 USA Patriot Act Notice. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies the Borrower and the other Loan Parties, which information includes the name of the Borrower and the other Loan Parties and other information that will allow such Lender to

identify the Borrower and the other Loan Parties in accordance with the Patriot Act, and the Borrower agrees to provide such information from time to time to any Lender.

2.19 Electronic Execution of Assignments and Certain Other Documents. The words “execution”, “execute”, “signed”, “signature”, and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, any Assignment and Acceptance or Affiliated Lender Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents)) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

2.20 Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition or other proceeding be filed by or against any Loan Party for liquidation or reorganization, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should an interim receiver, receiver, receiver and manager or trustee be appointed for all or any significant part of any Loan Party’s assets, and shall continue to be effective or to be reinstated, as the case may be, if at any time payment and performance of the obligations of the Borrower under the Loan Documents, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the obligations, whether as a fraudulent preference, reviewable transaction or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the obligations of the Borrower hereunder shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

2.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the Applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

2.22 Acknowledgement Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Secured Hedge Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
