PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Warner Music Group is a Delaware corporation. Section 145 of the Delaware General Corporation Law of the State of Delaware (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of the members of its board of directors for violations of the directors' fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Section 3.16 of Warner Music Group's Amended and Restated By-laws (filed as Exhibit 3.195) provide that a member of the board of directors, or a member of any committee designated by the board of directors shall, in the performance of his or her duties, be fully protected in relying in good faith upon the records of Warner Music Group and upon such information, opinions, reports or statements presented to Warner Music Group by any of Warner Music Group's officers, employees, agents, committees, or by any other person as to matters the member reasonably believes are within such other person's or persons' professional or expert competence, and who has been selected with reasonable care by or on behalf of Warner Music Group.

Article THIRD, paragraph 7 of Warner Music Group's Amended and Restated Certificate of Incorporation (filed as Exhibit 3.194) provides that a director of Warner Music Group shall not be liable to Warner Music Group or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that exculpation from liability is not permitted under the DGCL. No amendment or repeal of this paragraph 7 shall apply to or have any effect on the liability or alleged liability of any director of Warner Music Group for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

Article THIRD, paragraph 8 provides that to the maximum extent permitted from time to time under the law of the State of Delaware, Warner Music Group renounces any interest or expectancy of Warner Music Group in, or in being offered an opportunity to participate in business opportunities that are from time to time presented to its officers, directors or stockholders or the affiliates of the foregoing, other than those officers, directors, stockholders or affiliates who are employees of Warner Music Group. No amendment or repeal of this paragraph 8 shall apply to or have any effect on the liability or alleged liability of any such officer, director, stockholder or affiliate for or with respect to

any business opportunities of which such officer, director, stockholder or affiliate becomes aware prior to such amendment or repeal.

Article THIRD, paragraph 9 provides that Warner Music Group shall, to the maximum extent permitted from time to time under the law of the State of Delaware, indemnify and upon request shall advance expenses to any person who is or was a party or is threatened to be made a party to any threatened, pending or completed action, suit, proceeding or claim, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was or has agreed to be a director or officer of Warner Music Group or while a director or officer is or was serving at the request of Warner Music Group as a director, officer, partner, member, trustee, employee or agent of any corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorney's fees and expenses), judgments, fries, penalties and amounts paid in settlement incurred in connection with the investigation, preparation to defend or defense of such action, suit, proceeding or claim; provided, however, that the foregoing shall not require Warner Music Group to indemnify or advance expenses to any person in connection with any action, suit, proceeding, claim or counterclaim initiated by or on behalf of such person. Such indemnification and advancement of expenses shall not be exclusive of other indemnification rights arising as a matter of law, under any by-law, agreement, vote of directors or stockholders or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, and shall inure to the benefit of the heirs and legal representatives of such person. Any person seeking indemnification under this paragraph 9 shall be deemed to have met the standard of conduct required for such indemnification unless the contrary shall be established. Any repeal or modification of the foregoing provisions of this paragraph 9 shall not adversely affect any right or protection of a director or officer of Warner Music Group with respect to any acts or omissions of such director or officer occurring prior to such repeal or modification.

Article THIRD, paragraph 9 also provides that Warner Music Group shall have the power to purchase and maintain, at its expense, insurance on behalf of any person who is or was a director, officer, employee or agent of Warner Music Group, or is or was serving at the request of Warner Music Group as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any expense, liability or loss asserted against such Person and incurred by such Person in any such capacity, or arising out of such Person's status as such, whether or not Warner Music Group would have the power to indemnify such person against such expense, liability or loss under the DCCL or the terms of the Amended and Restated Certificate of Incorporation.

Warner Music Group has also obtained officers' and directors liability insurance which insures against liabilities that officers and directors of the Warner Music Group may, in such capacities, incur.

** Exhibit omits certain information that has been filed separately with the Securities and Exchange Commission pursuant to a confidential treatment request pursuant to Rule 406 promulgated under the Securities Act of 1933, as amended.

Item 22. Undertakings.

The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1993;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of it counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

If, and for so long as, the Sterling Securities are listed on the Luxembourg Stock Exchange and its rules so require, the Issuer will publish a notice of any change of paying agent, registrar or transfer agent in a newspaper having a general circulation in Luxembourg. The Issuer or any of its Subsidiaries may act as a paying agent or registrar.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however,* that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York and London, England for such purposes. SECTION 2.05. Paying Agent To Hold Assets in Trust.

Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of or premium or interest on the Securities (whether such money has been paid to it by the Issuer, one or more of the Guarantors or any other obligor on the Securities), and the Issuer and each Paying Agent shall notify the Trustee of any Default by the Issuer (or any other obligor on the Securities) in making any such payment. Money held in trust by a Paying Agent need not be segregated except as required by law and in no event shall a Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to a Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, such Paying Agent shall have no further liability for the money delivered to the Trustee

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two (2) Business Days prior to each Interest Payment Date and at such other times as the Trustee may request in writing a list in

such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, which list may be conclusively relied upon by the Trustee.

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Securities are presented to the Registrar or a co-Registrar with a request to register the transfer of such Securities or to exchange such Securities for an equal principal amount of Securities of other authorized denominations, the Registrar or co-Registrar shall promptly register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided*, *however*, that the Securities surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar or co-Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's or co-Registrar's request. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

The Registrar or co-Registrar shall not be required to register the transfer of or exchange of any Security (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Securities and ending at the close of business on the day of such mailing, (ii) selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Security being redeemed in part, and (iii) during a Change of Control Offer, an Alternate Offer or an Asset Sale Offer if such Security is tendered pursuant to such Change of Control Offer, Alternate Offer or Asset Sale Offer and not withdrawn.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Securities may be effected only through a book-entry system maintained by the Holder of such Global Security (or its agent), and that ownership of a beneficial interest in the Security shall be required to be reflected in a book-entry system.

SECTION 2.08. Replacement Securities.

If a mutilated Security is surrendered to the Registrar or the Trustee, or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security (and the Guarantors, if any, shall execute the guarantee thereon) if the Holder of such Security furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Security and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required

by the Trustee or the Issuer, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Issuer, the Guarantors, if any, the Trustee or any Paying Agent from any loss that any of them may suffer if such Security is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Security and the Trustee may charge the Issuer for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Security. Every replacement Security shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Securities.

The Securities outstanding at any time are all the Securities that have been authenticated by the Trustee except (a) those canceled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on the conditions set forth in Section 9.01 or 9.02 have been satisfied and (d) these Securities theretofore authenticated by the Trustee hereunder and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Issuer or any of its Affiliates holds the Security (subject to the provisions of Section 2.10).

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a *bona fide* purchaser in whose hands such Security is a legal, valid and binding obligation of the Issuer. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If the principal amount of any Security is considered paid under Section 4.01, it ceases to be outstanding and interest ceases to accrue. If on a Redemption Date or the Maturity Date the Trustee or Paying Agent (other than the Issuer or an Affiliate thereof) holds U.S. Legal Tender or U.S. Government Securities sufficient to pay all of the principal and interest due on the Dollar Securities payable on that date, or U.K. Legal Tender or U.K. Government Securities sufficient to pay all of the principal and interest due on the Sterling Securities payable on that date, then on and after that date such Dollar Securities and/or Sterling Securities cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Treasury Securities.

In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer or any of its Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Responsible Officer of the Trustee actually knows are so owned shall be disregarded.

SECTION 2.11. Temporary Securities.

Until definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as definitive Securities. Notwithstanding the foregoing, so long as the Securities are represented by a Global Security, such Global Security may be in typewritten form.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent (other than the Issuer or a Subsidiary), and no one else, shall cancel and, at the written direction of the Issuer, shall dispose of all Securities surrendered for transfer, exchange, payment or cancellation in accordance with its customary procedures. Subject to Section 2.08, the Issuer may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation. If the Issuer or any Guarantor shall acquire any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.12.

SECTION 2.13. Defaulted Interest.

If the Issuer defaults in a payment of interest on the Dollar Securities or the Sterling Securities, it shall, unless the Trustee fixes another record date pursuant to Section 6.10, pay the defaulted interest then borne by the Dollar Securities or Sterling Securities, as the case may be, plus (to the extent lawful) any interest payable on the defaulted interest, in accordance with the terms hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special record date, which special record date shall be the fifteenth day next preceding the date fixed by the Issuer for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least 15 days before any such subsequent special record date, the Issuer shall mail to each Holder, with a copy to the Trustee, a notice that states the subsequent special record date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Dollar Securities or the Sterling Securities may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment

pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14. CUSIP, ISIN and “Common Code” Numbers.

The Issuer in issuing the Securities may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use, as applicable, CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness or accuracy of such numbers, either as printed on the Securities or as contained in any notice of a redemption, that reliance may be placed only on the other identification number(s) printed on the Securities. The Issuer shall advise the Trustee of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.15. Deposit of Moneys.

Prior to 10:00 a.m. New York City time, in the case of the Dollar Securities, and 10:00 a.m. London time, in the case of the Sterling Securities, on each Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, the Issuer shall have deposited with the Paying Agent in immediately available funds U.S. Legal Tender, in the case of the Dollar Securities, or U.K. Legal Tender, in the case of the Sterling Securities, sufficient to make cash payments, if any, due on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be, in a timely manner which permits the Paying Agent to remit payment to the Holders on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be. The principal and interest on Global Securities shall be payable to the Depository or the Common Depositary, as applicable or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Securities represented thereby. The principal and interest on Physical Securities shall be payable, either in person or by mail, at the office of the applicable Paying Agent.

SECTION 2.16. Book-Entry Provisions for Global Securities.

(a) Rule 144A Securities that are Dollar Securities (“Rule 144A Dollar Securities”) initially shall be represented by one or more Securities in registered, global form without interest coupons (collectively, the “Rule 144A Global Dollar Securities”). Rule 144A Securities that are Sterling Securities (“Rule 144A Sterling Security”) initially shall be represented by one or more Securities in registered, global form without interest coupons (collectively, the “Rule 144A Global Sterling Security” and, together with the Rule 144A Global Dollar Security, the “Rule I44A Global Securities”). Regulation S Securities that are Dollar Securities (“Regulation S Dollar Securities”) initially shall be represented by one or more Securities in registered, global form without interest coupons (collectively, the “Regulation S

Global Dollar Security”). Regulation S Securities that are Sterling Securities (“Regulation S Sterling Securities”) initially shall be represented by one or more Securities in registered, global form without interest coupons (collectively, the “Regulation S Global Sterling Security” and, together with the Regulation S

Global Dollar Security, the "Regulation S Global Securities"). The term "Global Dollar Securities" means the Rule 144A Global Dollar Security and the Regulation S Global Dollar Security. The term "Global Sterling Securities" means, collectively, the Rule 144A Global Sterling Security and the Regulation S Sterling Security. The term "Global Securities" means, collectively, the Rule 144A Global Securities and the Regulation S Global Securities. The Global Securities shall bear legends as set forth in Exhibit E-1 in the case of Global Dollar Securities and Exhibit E-2 in the case of Global Sterling Securities. The Global Securities initially shall (i) be registered in the name of the Depositary or the Common Depositary, in the case of the Sterling Securities or the nominee of such Depositary or the Common Depositary, in the case of the Sterling Securities, in each case for credit to an account of an Agent Member, (ii) be delivered to the Trustee as custodian for such Depositary or the Common Depositary, in the case of the Sterling Securities and (iii) bear legends as set forth in Exhibit C-1 with respect to Restricted Global Dollar Securities, Exhibit C-2 with respect to Global Sterling Securities and Exhibit D with respect to Regulation S Global Securities.

Members of, or direct or indirect participants in, the Depositary or the Common Depositary, in the case of the Sterling Securities ("**Agent Members**") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depositary or the Common Depositary, in the case of the Sterling Securities, or the Trustee as its custodian, or under the Global Securities, and the Depositary or the Common Depositary, in the case of the Sterling Securities, may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or the Common Depositary, in the case of the Sterling Securities or impair, as between the Depositary or the Common Depositary, in the case of the Sterling Securities and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b) Transfers of Global Dollar Securities shall be limited to transfer in whole, but not in part, to the Depositary, its successors or their respective nominees. Transfers of Global Sterling Securities shall be limited to transfer in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in the Global Securities may be transferred or exchanged for Physical Securities in accordance with the rules and procedures of the Depositary or the Common Depositary, as the case may be, and the provisions of Section 2.17. In addition, a Global Security shall be exchangeable for Physical Securities if (i) in the case of a Global Dollar Security, the Depositary (x) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Security

and the Issuer thereupon fail to appoint a successor depository or (y) has ceased to be a clearing agency registered under the Exchange Act, (ii) in the case of a Global Sterling Security, (x) Euroclear or Clearstream notifies the Company that it is unwilling or unable to continue as clearing agency or (y) the Common Depository notifies the Company that it is unwilling or unable to continue as common depository for such Global Sterling Note and the Company fails to appoint a successor common depository within 120 days of such notice, (iii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of such Physical Securities or (iv) in the case of any GIobal Note, there shall have occurred and be continuing an Event of Default with respect to such Global Note. In all cases, Physical Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary or the Common Depositary, as applicable, in accordance with its customary procedures.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Security to beneficial owners pursuant to paragraph (b), the Registrar shall (if one or more Physical Securities are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security to be transferred, and the Issuer shall execute, and the Trustee shall upon receipt of a written order from the Issuer authenticate and make available for delivery, one or more Physical Securities of like tenor and amount.

(d) In connection with the transfer of Global Securities as an entirety to beneficial owners pursuant to paragraph (b), the Global Securities shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depositary or the Common Depositary, in the case of the Sterling Securities in writing in exchange for its beneficial interest in the Global Securities, an equal aggregate principal amount of Physical Securities of authorized denominations.

(e) Any Physical Security constituting a Restricted Security delivered in exchange for an interest in a Global Security pursuant to paragraph (b), (c) or (d) shall, except as otherwise provided by paragraphs (a)(i)(x) and (c) of Section 2.17, bear the Private Placement Legend or, in the case of the Regulation S Global Security, the legend set forth in Exhibit D, in each case, unless the Issuers determine otherwise in compliance with applicable law.

(f) On or prior to the 40th day after the later of the commencement of the offering of the Securities represented by the Regulation S Global Security and the issue date of such Securities (such period through and including such 40th day, the "**Restricted Period**"), a beneficial interest in a Regulation S Global Security may be transferred to a Person

who takes delivery in the form of an interest in the corresponding Restricted Global Security only upon receipt by the Trustee of a written certification from the transferor to the effect that such transfer is being made (i)(a) to a Person that the transferor reasonably believes is a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (b) pursuant to another exemption from the registration requirements under the Securities Act which is accompanied by an Opinion of Counsel regarding the availability of such exemption and (ii) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction.

(g) Beneficial interests in the Restricted Global Security may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Security, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Regulation S or Rule 144 (if available).

(h) Any beneficial interest in one of the Global Securities that is transferred to a Person who takes delivery in the form of an interest in another Global Security shall, upon transfer, cease to be an interest in such Global Security and become an interest in such other Global Security and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Security for as long as it remains such an interest.

(i) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

SECTION 2.17. Special Transfer Provisions.

(a) Transfers to Non-QIB Institutional Accredited Investors and Non-U.S. Persons. The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person:

(i) the Registrar shall register the transfer of any Security constituting a Restricted Security, whether or not such Security bears the Private Placement Legend, if (x) the requested transfer is after the second anniversary of the date of original issuance thereof or such other date as such Security shall be freely transferable under Rule 144 as certified in an Officers' Certificate or (y) (1) in the case of a transfer to an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit F hereto or (2) in the case of a transfer to a Non-U.S. Person (including a QIB), the proposed transferor has delivered to the Registrar a certificate substantially

in the form of Exhibit G hereto; *provided* that in the case of any transfer of a Security bearing the Private Placement Legend for a Security not bearing the Private Placement Legend, the Registrar has received an Officers' Certificate authorizing such transfer; and

(ii) if the proposed transferor is an Agent Member holding a beneficial interest in a Global Security, upon receipt by the Registrar of (x) the certificate, if any, required by paragraph (i) above and (y) instructions given in accordance with the Depositary's and the Registrar's procedures,

whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Securities) a decrease in the principal amount of a Global Security in an amount equal to the principal amount of the beneficial interest in a Global Security to be transferred, and (b) the Registrar shall reflect on its books and records the date and an increase in the principal amount of a Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security transferred or the Issuers shall execute and the Trustee shall authenticate and make available for delivery one or more Physical Securities of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Security constituting a Restricted Security to a QIB (excluding transfers to Non-U.S. Persons):

(i) the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on such Holder's Security stating, or to a transferee who has advised the Issuers and the Registrar in writing, that it is purchasing the Security for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of Physical Securities which after transfer are to be evidenced by an interest in the Global Security, upon receipt by the Registrar of instructions given in accordance with the Depositary's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security in an amount equal to the principal amount of the Physical Securities to be transferred, and the Trustee shall cancel the Physical Securities so transferred.

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities not bearing the Private Placement Legend, the Registrar shall deliver Securities that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities bearing the Private Placement Legend, the Registrar shall deliver only Securities that bear the Private Placement Legend unless (i) it has received the Officers' Certificate required by paragraph (a)(i)(y) of this Section 2.17, (ii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuers and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (iii) such Security has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officers' Certificate from the Issuer to such effect.

(d) General. By its acceptance of any Security bearing the Private Placement Legend, each Holder of such Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Security only as provided in this Indenture.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

SECTION 2.18. Computation of Interest.

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months and actual days elapsed.

SECTION 2.19. Calculation of Principal Amount of Securities.

The aggregate principal amount of the Securities, at any date of determination, shall be the sum of (1) the principal amount of the Dollar Securities at such date of determination plus (2) the U.S. Dollar Equivalent, at such date of determination, of the principal amount of the Sterling Securities at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities (and not solely the Dollar Securities or the Sterling Securities as provided for in the proviso to the first sentence of Section 9.02(a)), such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.19 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers' Certificate.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Notices to Trustee.

If the Issuer elects to redeem Securities pursuant to Section 5 or Section 6 of the Securities, it shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of Securities to be redeemed. The Issuer shall give notice of redemption to the Paying Agent and Trustee at least 30 days but not more than 60 days before the Redemption Date (unless a shorter notice shall be agreed to by the Trustee in writing), together with an Officers' Certificate stating that such redemption will comply with the conditions contained herein.

SECTION 3.02. Selection of Securities To Be Redeemed.

If less than all of the Securities are to be redeemed at any time, the Trustee will select Securities for redemption as follows:

(1) if the Securities are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange (including the Luxembourg Stock Exchange) on which the Securities are listed; or

(2) if the Securities are not listed on any securities exchange, on a *pro rata* basis, by lot or by such method as the Trustee deems fair and appropriate.

No Dollar Securities of $5,000 or less or Sterling Securities of £5,000 or less shall be redeemed in part.

If a partial redemption is made with the proceeds of an Equity Offering in accordance with Section 6 of the Securities, forms of which are attached hereto as Exhibit A and Exhibit B, the Trustee will select the applicable Securities on a pro rata basis or on as nearly a pro rata basis as is practicable (subject to DTC procedures).

SECTION 3.03. Notice of Redemption.

At least 30 days but not more than 60 days before a Redemption Date, the Issuer shall mail a notice of redemption by first class mail, postage prepaid, to each Holder whose Securities are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture. At the Issuer's request, the Trustee shall forward the notice of redemption in the Issuer's

name and at the Issuer's expense; *provided* that in such case, the Trustee has received notice from the Issuer at least 31 days, but not more than 60 days, before a Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee). Securities called for redemption become due on the date fixed for redemption. On and after the Redemption Date, interest ceases to accrue on Securities or portions of them called for redemption. Each notice of redemption shall identify the Securities (including the CUSIP number) to be redeemed and shall state:

(1) the Redemption Date;

(2) the Redemption Price and the amount of accrued interest, if any, to be paid;

(3) the name and address of the Paying Agent;

(4) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price, plus accrued interest, if any;

(5) that, unless the Issuer defaults in making the redemption payment, interest on Securities called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Securities is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Securities redeemed;

(6) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the Redemption Date, and upon surrender of such Security, a new Security or Securities in aggregate principal amount equal to the unredeemed portion thereof will be issued;

(7) if fewer than all the Securities are to be redeemed, the identification of the particular Securities (or portion thereof) to be redeemed, as well as the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;

(8) the CUSIP Number, ISIN and/or "Common Code" number, if any, printed on the Securities being redeemed;

(9) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Securities; and

(10) the Section of the Securities pursuant to which the Securities are to be redeemed.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Security. Notices of redemption may not be conditional.

SECTION 3.04. Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price plus accrued interest, if any. Upon surrender to the Trustee or Paying Agent, such Securities called for redemption shall be paid at the Redemption Price (which shall include accrued interest thereon to the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant Record Dates. On and after the Redemption Date interest shall cease to accrue on Securities or portions thereof called for redemption.

SECTION 3.05. Deposit of Redemption Price.

With respect to the Dollar Securities, prior to 10:00 a.m., New York time, on the Redemption Date, the Issuer shall deposit with the Dollar Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) U.S. Legal Tender and/or U.S. Government Securities sufficient to pay the redemption price of and accrued interest on all Dollar Securities or portions thereof to be redeemed on that date other than Dollar Securities or portions of Dollar Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the Redemption Date, interest shall cease to accrue on Dollar Securities or portions thereof called for redemption so long as the Issuer has deposited with the Dollar Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Dollar Securities.

With respect to the Sterling Securities, prior to 10:00 a.m., London time, on the Redemption Date, the Issuer shall deposit with the Sterling Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) U.K. Legal Tender and/or U.K. Government Securities sufficient to pay the redemption price of and accrued interest on all Sterling Securities or portions thereof to be redeemed on that date other than Sterling Securities or portions of Sterling Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the Redemption Date, interest shall cease to accrue on Sterling Securities or portions thereof called for redemption so long as the Issuer has deposited with the Sterling Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Sterling Securities.

SECTION 3.06. Securities Redeemed in Part.

If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount thereof to be redeemed. A new Security in principal amount equal to the unredeemed portion of the original Security shall be issued in the name of the Holder thereof upon cancellation of the original Security.

ARTICLE FOUR

COVENANTS

SECTION 4.01. Payment of Securities.

(a) The Issuer shall pay the principal of (and premium, if any) and interest on the Securities on the dates and in the manner provided in the Securities and this Indenture. An installment of principal of or interest on the Securities shall be considered paid on the date it is due if the Trustee or Paying Agent (other than the Issuer or an Affiliate thereof) holds on that date U.S. Legal Tender, U.K. Legal Tender, U.S. Government Securities and/or U.K. Government Securities designated for and sufficient to pay the installment. Interest on the Securities will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(b) The Issuer shall pay interest on overdue principal (including, without limitation, post petition interest in a proceeding under any Bankruptcy Law), and overdue interest, to the extent lawful, at the same rate *per annum* borne by the Securities.

SECTION 4.02. Maintenance of Office or Agency.

(a) The Issuer shall maintain the offices or agencies required under Section 2.04. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such offices or agencies. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 12.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby initially designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.03. Corporate Existence.

Except as otherwise permitted by Article Five, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence in accordance with its organizational documents and the rights (charter and statutory) and material franchises of the Issuer.

SECTION 4.04. Payment of Taxes and Other Claims.

The Issuer shall, and shall cause each of its Subsidiaries to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (a) all material taxes, assessments and governmental charges levied or imposed upon it or any of its respective Subsidiaries or upon the income, profits or property of it or any of its respective Subsidiaries and (b) all lawful claims for labor, materials and supplies which, in each case, if unpaid, might by law become a material liability or Lien upon the property of it or any of its Restricted Subsidiaries; *provided, however,* that the Issuer shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 4.05. Maintenance of Properties and Insurance.

(a) The Issuer shall cause all material properties owned by or leased by it or any of its Restricted Subsidiaries used or useful to the conduct of its business or the business of any of its Restricted Subsidiaries to be maintained and kept in normal condition, repair and working order and supplied with all necessary equipment and shall cause to be made all repairs, renewals, replacements, and betterments thereof, all as in its judgment may be necessary, so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however,* that nothing in this Section 4.05 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing the use, operation or maintenance of any of such properties, or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Board of Directors of the Issuer or any such Restricted Subsidiary desirable in the conduct of the business of the Issuer or any such Restricted Subsidiary; *provided, further,* that nothing in this Section 4.05 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing or disposing of any properties to the extent otherwise permitted by this Indenture.

(b) The Issuer shall maintain, and shall cause its Restricted Subsidiaries to maintain, insurance with responsible carriers against such risks and in such amounts, and with such deductibles, retentions, self insured amounts and co-insurance provisions, as are appropriate

for a business of this type and size as determined in good faith by the Issuer, including property and casualty loss, workers' compensation and interruption of business insurance.

SECTION 4.06. Compliance Certificate; Notice of Default.

(a) The Issuer shall deliver to the Trustee, within 90 days after the close of each fiscal year commencing with the fiscal year ending November 30, 2004, an Officers' Certificate stating that a review of the activities of the Issuer and its Restricted Subsidiaries has been made under the supervision of the signing Officers with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of such Officer's knowledge, the Issuer during such preceding fiscal year has kept, observed, performed and fulfilled each and every such covenant and no Default occurred during such year and at the date of such certificate there is no Default that has occurred and is continuing or, if such signers do know of such Default, the certificate shall describe its status with particularity. The Officers' Certificate shall also notify the Trustee should the Issuer elect to change the manner in which it fixes its fiscal year end.

(b) The Issuer shall deliver to the Trustee as soon as possible, and in any event within five days after the Issuer becomes aware of the occurrence of any Default, an Officers' Certificate specifying the Default and describing its status with particularity and the action proposed to be taken thereto.

(c) The Issuer's fiscal years currently end on November 30. The Issuer will provide written notice to the Trustee of any change in its fiscal year.

SECTION 4.07. Compliance with Laws.

(a) The Issuer shall comply, and shall cause each of its Restricted Subsidiaries to comply, with all applicable statutes, rules, regulations, orders and restrictions of the United States, all states and municipalities thereof, and of any governmental department, commission, board, regulatory authority, bureau, agency and instrumentality of the foregoing, in respect of the conduct of their respective businesses and the ownership of their respective properties, except, in any such case, to the extent the failure to so comply would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Issuer and its Restricted Subsidiaries taken as a whole.

SECTION 4.08. Waiver of Stay, Extension or Usury Laws.

The Issuer covenants (to the extent permitted by applicable law) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive

the Issuer from paying all or any portion of the principal of and/or interest on the Securities as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and (to the extent permitted by applicable law) the Issuer hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.09. Change of Control.

(a) If a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to $5,000 or £5,000 or an integral multiple of $1,000 or £1,000, as applicable) of that Holder's Securities pursuant to a Change of Control Offer (the "**Change of Control Offer**") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuer will offer to pay an amount in cash (the "**Change of Control Payment**") equal to 101% of the aggregate principal amount of Securities repurchased, plus accrued and unpaid interest and Additional Interest thereon, if any, on the Securities re-purchased to the date of purchase.

(b) Within 30 days following any Change of Control, the Issuer will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Securities on the date (the "**Change of Control Payment Date**") specified in such notice, which date shall be a Business Day no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to this Section 4.09 and that all Securities tendered and not withdrawn will be accepted for payment;

(2) the purchase price (including the amount of accrued interest) and the Change of Control Payment Date;

(3) that any Security not tendered will continue to accrue interest;

(4) that, unless the Issuer defaults in making payment therefor, any Security accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have a Security purchased pursuant to a Change of Control Offer will be required to surrender the Security, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Securities the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased;

(7) that Holders whose Securities are purchased only in part will be issued new Securities in a principal amount equal to the unpurchased portion of the Securities surrendered; and

(8) the circumstances and relevant facts regarding such Change of Control.

(c) On or before the Change of Control Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Securities or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent U.S. Legal Tender, U.K. Legal Tender, U.S. Government Securities and/or U.K. Government Securities sufficient to pay the Change of Control Payment in respect of all Securities or portions thereof so tendered; and

(3) deliver or cause to be delivered to the Trustee the Securities properly accepted together with an Officers' Certificate stating the aggregate principal amount of Securities or portions thereof being purchased by the Issuer.

(d) The Paying Agent will promptly mail to each Holder of Securities properly tendered the Change of Control Payment for such Securities, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Security equal in principal amount to any unpurchased portion of the Securities surrendered, if any; *provided* that each such new Security will be in a principal amount of $5,000 or an integral multiple of $1,000 in the case of the Dollar Securities, and in a principal amount of £5,000 or an integral multiple of £1,000 in the case of the Sterling Securities.

Prior to complying with any of the provisions of this Section 4.09, but in any event within 90 days following a Change of Control, to the extent required to permit the Issuer to comply with this Section 4.09, the Issuer will either repay all outstanding Senior Debt or obtain the requisite consents, if any, under all agreements governing outstanding Senior Debt. The Issuer will publicly announce the results of the Change of Control Offer as soon as practicable after the Change of Control Payment Date. However, if the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment

date, any accrued and unpaid interest shall be paid to the Person in whose name a Security is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Securities pursuant to the Change of Control Offer.

(e) Notwithstanding the foregoing, the Issuer shall not be required to make a Change of Control Offer, as provided above, if, in connection with or in contemplation of any Change of Control, it or a third party has made an offer to purchase (an "**Alternate Offer**") any and all Securities

validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Securities properly tendered in accordance with the terms of such Alternate Offer. The Alternate Offer must comply with all the other provisions applicable to the Change of Control Offer, shall remain, if commenced prior to the Change of Control, open for acceptance until the consummation of the Change of Control and must permit Holders to withdraw any tenders of Securities made into the Alternate Offer until the final expiration or consummation thereof.

(f) The Issuer will comply, and will cause any third party making a Change of Control Offer or an Alternate Offer to comply, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with a Change of Control Offer or an Alternate Offer. To the extent the provisions of any applicable securities laws or regulations conflict with the provisions of this Indenture relating to a Change of Control Offer, the Issuer will not be deemed to have breached its obligations under this Indenture by virtue of complying with such laws or regulations.

SECTION 4.10. Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly or directly liable, contingently or otherwise, with respect to (collectively "**incur**") any Indebtedness (including Acquired Debt), and the Issuer will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however,* that the Issuer and any Restricted Subsidiary that is a Guarantor may incur Indebtedness (including Acquired Debt) and any Restricted Subsidiary that is a Guarantor may issue Preferred Stock if the Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Preferred Stock is issued would have been at least 2.0 to 1, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom) (the "**Coverage Ratio Exception**"), as if the additional Indebtedness had been incurred or the Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) Section 4.10(a) will not prohibit the incurrence of any of the following (collectively, "**Permitted Debt**"):

(1) the existence of Indebtedness under the Credit Agreement together with the incurrence of the guarantees thereunder and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate principal amount, together with amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (17) below, of $1,550.0 million outstanding at any one time, less the amount of all mandatory principal payments (with respect to revolving borrowings and letters of credit, only to the extent revolving commitments are correspondingly reduced) actually made by the borrower thereunder in respect of Indebtedness thereunder with Net Proceeds from Asset Sales;

(2) the incurrence by the Issuer and the Guarantors of Indebtedness represented by the Securities (including any Guarantee) issued on the Issue Date;

(3) Existing Indebtedness (other than Indebtedness described in clauses (1) and (2) of this Section 4.10(b));

(4) Indebtedness (including Capitalized Lease Obligations) incurred by the Issuer or any Restricted Subsidiary to finance the purchase, lease or improvement of property (real or personal) or equipment that is used or useful in a Permitted Business (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (4), does not exceed the greater of (x) $50.0 million and (y) 4.0% of Consolidated Tangible Assets;

(5) Indebtedness incurred by the Issuer or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims; *provided, however,* that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(6) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; *provided, however,* that (A) such Indebtedness is not reflected on the balance sheet of the Issuer or any Restricted Subsidiary (contingent

obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (A)) and (B) the maximum assumable liability in respect of all such Indebtedness shall at no time exceed the gross proceeds including noncash proceeds (the fair market value of such noncash proceeds being measured at the time received and without giving effect to any subsequent changes in value) actually received by the Issuer and any Restricted Subsidiaries in connection with such disposition;

(7) Indebtedness of the Issuer owed to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owed to and held by the Issuer or any Restricted Subsidiary; *provided, however,* that (A) any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness (except to the Issuer or a Restricted Subsidiary) shall be deemed, in each case, to constitute the incurrence of such Indebtedness by the issuer thereof and (B) if the Issuer is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of the Issuer with respect to the Securities;

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or a Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or a Restricted Subsidiary) shall be deemed in each case to be an issuance of such shares of Preferred Stock;

(9) Hedging Obligations of the Issuer or any Restricted Subsidiary (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting (A) interest rate risk with respect to any Indebtedness that is permitted by the terms of this Indenture to be outstanding or (B) exchange rate risk with respect to any currency exchange;

(10) obligations in respect of performance and surety bonds and performance and completion guarantees provided by the Issuer or any Restricted Subsidiary or obligations in respect of letters of credit related thereto, in each case in the ordinary course of business or consistent with past practice;

(11) Indebtedness of the Issuer or any Restricted Subsidiary or Preferred Stock of any Restricted Subsidiary not otherwise permitted hereunder in an aggregate principal amount or liquidation preference which, when aggregated with the principal amount and liquidation preference of all other Indebtedness and Preferred Stock then outstanding and incurred pursuant to this clause (11), does not at any one time outstanding

exceed $150.0 million (it being understood that any Indebtedness or Preferred Stock incurred pursuant to this clause (11) shall cease to be deemed incurred or outstanding for purposes of this clause (11) but shall be deemed incurred for the purposes of Section 4.10(a) from and after the first date on which the Issuer or such Restricted Subsidiary could have incurred such Indebtedness or Preferred Stock under Section 4.10(a) without reliance on this clause (11));

(12) any guarantee by the Issuer or a Guarantor of Indebtedness or other obligations of the Issuer or any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by the Issuer or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Securities or the Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Guarantor's Guarantee with respect to the Securities substantially to the same extent as such Indebtedness is subordinated to the Securities or the Guarantee of such Restricted Subsidiary, as applicable;

(13) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness or Preferred Stock that serves to refund or refinance any Indebtedness incurred as permitted by Section 4.10(a) and clauses (2), (3) and (4) above, this clause (13) and clause (14) below or any Indebtedness issued to so refund or refinance such Indebtedness including additional Indebtedness incurred to pay premiums and fees in connection therewith (the "**Refinancing Indebtedness**") prior to its respective maturity; *provided, however,* that such Refinancing Indebtedness (A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness being refunded or refinanced, (B) to the extent such Refinancing Indebtedness refinances Indebtedness subordinated or *pari passu* to the Securities, such Refinancing Indebtedness is subordinated or *pari passu* to the Securities at least to the same extent as the Indebtedness being refinanced or refunded, (C) shall not include (x) Indebtedness or Preferred Stock of a Subsidiary that is not a Guarantor that refinances Indebtedness or Preferred Stock of the Issuer or (y) Indebtedness or Preferred Stock of the Issuer or a Restricted Subsidiary that refinances Indebtedness or Preferred Stock of an Unrestricted Subsidiary, (D) shall not be in a principal amount in excess of the principal amount of, premium, if any, accrued interest on, and related fees and expenses of, the Indebtedness being refunded or refinanced and (E) shall not have a stated maturity date prior to the Stated Maturity of the Indebtedness being refunded or refinanced; and *provided, further,* that subclauses (A), (B) and (E) of this clause (13) will not apply to any refunding or refinancing of any Senior Debt;

(14) Indebtedness or Preferred Stock of Persons that are acquired by the Issuer or any Restricted Subsidiary or merged into the Issuer or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided* that such Indebtedness or Preferred Stock is not incurred in connection with or in contemplation of such acquisition or merger; and *provided, further,* that after giving effect to such incurrence of Indebtedness either (A) the Issuer would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception or (B) the Fixed Charge Coverage Ratio would be greater than immediately prior to such acquisition;

(15) Indebtedness arising from the honoring by a bank or financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, *provided* that such Indebtedness is extinguished within five Business Days of its incurrence;

(16) Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer supported by a letter of credit issued pursuant to the Credit Agreement in a principal amount not in excess of the stated amount of such letter of credit;

(17) Indebtedness incurred by a Securitization Subsidiary in a Qualified Securitization Financing that is not recourse to the Issuer or any Restricted Subsidiary of the Issuer other than a Securitization Subsidiary (except for Standard Securitization Undertakings);

(18) the incurrence of (A) Non-Recourse Acquisition Financing Indebtedness and (B) Non-Recourse Product Financing Indebtedness;

(19) Contribution Indebtedness;

(20) (a) if the Issuer could incur $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception after giving effect to such borrowing, Indebtedness of Foreign Subsidiaries of the Issuer not otherwise permitted hereunder or (b) if the Issuer could not incur $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception hereof after giving effect to such borrowing, Indebtedness of Foreign Subsidiaries of the Issuer incurred for working capital purposes, *provided, however*, that the aggregate principal amount of Indebtedness incurred under this clause (20) which, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (20), does not exceed the greater of (x) $100.0 million and (y) 10% of the Consolidated Tangible Assets of the Foreign Subsidiaries; and

(21) Indebtedness consisting of promissory notes issued by the Issuer or any Guarantor to current or former officers, directors and employees or their respective estates,

spouses or former spouses to finance the purchase or redemption of Equity Interests of Holdco permitted by Section 4.11.

(c) For purposes of determining compliance with this Section 4.10, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (21) above, or is entitled to be incurred pursuant to the first paragraph of this covenant, the Issuer will be permitted to classify and later reclassify such item of Indebtedness in any manner that complies with this covenant, and such item of Indebtedness will be treated as having been incurred pursuant to only one of such categories. Accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness will not be deemed to be an incurrence of Indebtedness for purposes of this covenant. Notwithstanding the foregoing, Indebtedness under the Credit Agreement outstanding on the date on which Securities are first issued and authenticated under this Indenture will be deemed to have been incurred on such date in reliance on the exception provided by clause (1) of the definition of "Permitted Debt" in Section 4.10(b) and the Issuer shall not be permitted to reclassify all or any portion of such Indebtedness. The maximum amount of Indebtedness that the Issuer and its Restricted Subsidiaries may incur pursuant to this covenant shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

SECTION 4.11. Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation (other than (x) dividends or distributions by the Issuer payable in Equity Interests (other than Disqualified Stock) of the Issuer or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock) or (y) dividends or distributions by a Restricted Subsidiary to the Issuer or any other Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(D) make any Restricted Investment (all such payments and other actions set forth in these clauses (A) through (D) being collectively referred to as "**Restricted Payments**"**),**

(1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) the Issuer would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and the Restricted Subsidiaries after the Issue Date (excluding Restricted Payments permitted by clauses (3), (4), (5), (6), (8), (10), (11), (12), (13), (16) or (17) of Section 4.11(b)), is less than the sum, without duplication, of

(a) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) from the beginning of the first fiscal quarter commencing after the Issue Date to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit), plus

(b) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Board of Directors of the Issuer, of property and marketable securities received by the Issuer after the Issue Date from the issue or sale of (x) Equity Interests of the Issuer (including Retired Capital Stock) (but excluding (i) cash proceeds and marketable securities received

from Equity Offerings to the extent used to redeem Securities in compliance with Section 6 of the Securities, (ii) cash proceeds and marketable securities received from the sale of Equity Interests to members of management, directors or consultants of the Issuer, any direct or indirect parent corporation of the Issuer and its Subsidiaries after the Issue Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of Section 4.11(b) and, to the extent actually contributed to the Issuer, Equity Interests of the Issuer's direct or indirect parent corporations, (iii) Designated Preferred Stock and (iv) Disqualified Stock) or (y) debt securities of the Issuer that have been converted into such Equity Interests of the Issuer (other than Refunding Capital Stock or Equity Interests or convertible debt securities of the Issuer sold to a Restricted Subsidiary or the Issuer, as the case may be, and other than Disqualified Stock or Designated Preferred Stock or debt securities that have been converted into Disqualified Stock or Designated Preferred Stock), plus

(c) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Board of Directors of the Issuer, of property and marketable securities contributed to the capital of the Issuer after the Issue Date (other than (i) net cash proceeds from Equity Offerings to the extent used to redeem Securities in compliance with Section 6 of the Securities, (ii) by a Restricted Subsidiary, (iii) any Excluded Contributions, (iv) any Disqualified Stock, (v) any Designated Preferred Stock and (vi) the Cash Contribution Amount), plus

(d) 100% of the aggregate amount received in cash and the fair market value, as determined in good faith by the Board of Directors of the Issuer, of property and marketable securities received by means of (A) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary) of Restricted Investments made by the Issuer or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Issuer or its Restricted Subsidiaries and repayments of loans or advances which constitute Restricted Investments by the Issuer or its Restricted Subsidiaries or (B) the sale (other than to the Issuer or a Restricted Subsidiary) of the Capital Stock of an Unrestricted Subsidiary or a distribution from an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by a Restricted Subsidiary pursuant to clause (7) or (11) of Section 4.11(b) or to the extent such Investment constituted a Permitted Investment) or a dividend from an Unrestricted Subsidiary, plus

(e) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger or consolidation of an Unrestricted Subsidiary

into the Issuer or a Restricted Subsidiary or the transfer of assets of an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Board of Directors of the Issuer in good faith at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger, consolidation or transfer of assets (other than an Unrestricted Subsidiary to the extent the Investment in such Unrestricted Subsidiary was made by a Restricted Subsidiary pursuant to clause (7) or (11) of Section 4.11(b) or to the extent such Investment constituted a Permitted Investment).

(b) Notwithstanding the foregoing, the provisions set forth in Section 4.11(a) do not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture;

(2) (A) the redemption, repurchase, retirement or other acquisition of any Equity Interests of the Issuer or any direct or indirect parent corporation **("Retired Capital Stock")** or Indebtedness subordinated to the Securities, in exchange for or out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary or the Issuer) of Equity Interests of the Issuer or any direct or indirect parent corporation thereof or contributions to the equity capital of the Issuer (in each case, other than Disqualified Stock) **("Refunding Capital Stock")** and (B) the declaration and payment of dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Refunding Capital Stock;

maturity date of the Indebtedness subordinated to such Securities being so redeemed, repurchased, acquired or retired and (D) such new Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Indebtedness subordinated to such Securities being so redeemed, repurchased, acquired or retired;

(6) the declaration and payment of dividends or distributions to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date and the declaration and payment of dividends to any direct or indirect parent company of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock

(other than Disqualified Stock) of any direct or indirect parent company of the Issuer issued after the Issue Date; *provided, however,* that (A) for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a *pro forma* basis, the Issuer would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00 and (B) the aggregate amount of dividends declared and paid pursuant to this clause (6) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(7) Investments in Unrestricted Subsidiaries having an aggregate fair market value, taken together with all other Investments made pursuant to this clause (7) that are at the time outstanding, without giving effect to the sale of an Unrestricted Subsidiary to the extent the proceeds of such sale do not consist of cash and/or marketable securities, not to exceed the greater of $25.0 million and 2.0% of Consolidated Tangible Assets at the time of such Investment (with the fair market value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(15) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness pursuant to Sections 4.09 and 4.13; *provided* that a Change of Control Offer or Asset Sale Offer, as applicable, has been made and all Securities tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(B) the Net Senior Indebtedness to EBITDA Ratio of the Issuer would not have exceeded 2.50 to 1; or

(17) the declaration and payment of dividends to Holdco of up to $200.0 million of the net proceeds received by the Issuer from the sale of Securities on the Issue Date, the proceeds of which will be used as described in the Offering Memorandum;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (2), (5), (6), (7), (9), (11), (14), (15) and (16) above, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) The amount of all Restricted Payments (other than cash) will be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Issuer or such Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this Section 4.11 will be determined in good faith by the Board of Directors of the Issuer. The Issuer's determination must be based upon an opinion or appraisal issued by an Independent Financial Advisor if the fair market value exceeds $25.0 million.

(d) As of the Issue Date, all of the Issuer's Subsidiaries will be Restricted Subsidiaries. The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the second to last sentence of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding investments by the Issuer and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the second paragraph of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time under this Section 4.11 or the definition of "Permitted Investments" and if such Subsidiary otherwise meets the definition of an "Unrestricted Subsidiary." Unrestricted Subsidiaries will not be subject to any of the restrictive covenants described in this Indenture.

SECTION 4.12. Liens.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien (other than Permitted Liens) that secures obligations under any Indebtedness ranking *pari passu* with or subordinated to the Securities or a related Guarantee of the Issuer on any asset or property of the Issuer

or any Restricted Subsidiary, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Indebtedness subordinated to the Securities, the Securities and any related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Securities are equally and ratably secured,

(b) Notwithstanding the foregoing, Section 4.12(a) shall not apply to:

(i) Liens existing on the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

(ii) Liens securing the Securities and the related Guarantees, Liens securing Senior Debt and the related guarantees of such Senior Debt; and

(iii) Permitted Liens.

SECTION 4.13. Asset Sales.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Issuer (or such Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;

(2) in the case of Asset Sales involving consideration in excess of $10.0 million, the fair market value is determined by the Issuer's Board of Directors and evidenced by a Board Resolution set forth in an Officers' Certificate delivered to the Trustee; and

(3) except for any Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Issuer or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

For purposes of clause (2) above, the amount of (i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Securities) that are assumed by the

transferee of any such assets and from which the Issuer and all Restricted Subsidiaries have been validly released by all creditors in writing, (ii) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received)

within 180 days following the closing of such Asset Sale and (iii) any Designated Noncash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value (as determined in good faith by the Board of Directors of the Issuer), taken together with all other Designated Noncash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) $75.0 million and (y) 5.0% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value), shall be deemed to be cash for purposes of this paragraph and for no other purpose.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Issuer may apply those Net Proceeds at its option:

(1) to permanently reduce Obligations under Senior Debt of the Issuer (and to correspondingly reduce commitments with respect thereto) or Indebtedness of the Issuer that ranks *pari passu* with the Securities *(provided* that if the Issuer shall so reduce Obligations under such Indebtedness of the Issuer that ranks *pari passu* with the Securities, it will equally and ratably reduce Obligations under the Securities by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, the *pro rata* principal amount of Securities) or Indebtedness of a Restricted Subsidiary, in each case, other than Indebtedness owed to the Issuer or an Affiliate of the Issuer;

(2) to an investment in (A) any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) capital expenditures or (C) other assets, in each of (A), (B) and (C), used or useful in a Permitted Business; and/or

(3) to an investment in (A) any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and it results in the Issuer or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) properties or (C) assets that, in each of (A), (B) and (C), replace the businesses, properties and assets that are the subject of such Asset Sale.

(c) When the aggregate amount of Net Proceeds not applied or invested in accordance with the preceding paragraph ("**Excess Proceeds**") exceeds $20.0 million, the Issuer will make an offer (an "**Asset Sale Offer**") to all Holders and holders of Indebtedness that ranks *pari passu* with the Securities and contains provisions similar to those set forth in

this Indenture with respect to offers to purchase with the proceeds of sales of assets to purchase, on a *pro rata* basis, the maximum principal amount of Securities and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds (the "**Asset Sale Offer Amount**"). The offer price in any Asset Sale Offer will be equal to 100% of principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase (the "**Asset Sale Payment**"), and will be payable in cash.

(d) Pending the final application of any Net Proceeds, the Issuer may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(e) If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Securities tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Securities to be purchased on *a pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(f) Upon the commencement of an Asset Sale Offer, the Issuer shall send, by first class mail, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Securities pursuant to the Asset Sale Offer. Any Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(1) that the Asset Sale Offer is being made pursuant to this Section 4.13;

(2) the Asset Sale Offer Amount, the Asset Sale Payment and the date on which Securities tendered and accepted for payment shall be purchased, which date shall be at least 30 days and no later than 60 days from the date such notice is mailed (the "**Asset Sale Payment Date**");

(3) that any Securities not tendered or accepted for payment shall continue to accrete or accrue interest;

(4) that, unless the Issuer defaults in making such payment, any Securities accepted for payment pursuant to the Asset Sale Offer shall cease to accrete or accrue interest after the Asset Sale Payment Date;

(5) that Holders electing to have a Security purchased pursuant to the Asset Sale Offer may only elect to have all of such Security purchased and may not elect to have only a portion of such Security purchased;

(6) that Holders electing to have a Security purchased pursuant to any Asset Sale Offer shall be required to surrender the Security, with the form entitled "Option of Holder To Elect Purchase" on the reverse of the Securities completed, or transfer such Security by book-entry transfer, to the Issuer, a depository, if appointed by the Issuer, or the Paying Agent at the address specified in the notice at least three days before the Asset Sale Payment Date;

(7) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the Asset Sale Payment Date, a notice setting forth the name of the Holder, the principal amount of the Security the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased;

(8) that, if the aggregate principal amount of Securities surrendered by Holders exceeds the Asset Sale Offer Amount, the Issuer shall select the Securities to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuer so that only Securities in denominations of $5,000 or £5,000 or integral multiples of $1,000 or £1,000 shall be purchased); and

(9) that Holders whose Securities were purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered (or transferred by book-entry transfer); *provided* that such Securities shall be in denominations of $5,000 or £5,000 or integral multiples $1,000 or £1,000.

(g) On the Asset Sale Payment Date, the Issuer shall, to the extent lawful: (1) accept for payment all Securities or portions thereof properly tendered pursuant to the Asset Sale Offer; (2) deposit with the Paying Agent U.S. Legal Tender, U.K. Legal Tender, U.S. Government Securities and/or U.K. Government Securities sufficient to pay the Asset Sale Payment in respect of all Securities or portions thereof so tendered; and (3) deliver or cause to be delivered to the Trustee the Securities so accepted together with an Officers' Certificate stating the aggregate principal amount of Securities or portions thereof being repurchased by the Issuer. The Issuer shall publicly announce the results of the Asset Sale Offer on the Asset Sale Payment Date.

(h) The Paying Agent shall promptly mail to each Holder so tendered the Asset Sale Payment for such Securities, and the Trustee shall promptly authenticate pursuant to an Authentication Order and mail (or cause to be transferred by book entry) to each Holder a new Security equal in principal amount to any unrepurchased portion of the Securities surrendered, if any; *provided* that each such new Security shall be in a principal amount of $5,000 or £5,000 or an integral multiple of $1,000 or £1,000. However, if the Asset Sale Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Security

is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Securities pursuant to the Asset Sale Offer.

(i) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.13, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.13 by virtue of such conflict.

SECTION 4.14. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an "**Affiliate Transaction**") involving aggregate consideration in excess of $5.0 million, unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(2) the Issuer delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $15.0 million, a Board Resolution approving such Affiliate Transaction set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.14 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $75.0 million, an opinion as to the fairness to the Issuer of such Affiliate Transaction from a financial point of view issued by an Independent Financial Advisor.

(b) The restrictions set forth in Section 4.14(a) do not apply to:

(1) transactions between or among the Issuer and/or any Restricted Subsidiary or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(2) Restricted Payments (other than pursuant to clause (7) of Section 4.10(b)) and Permitted Investments (other than pursuant to clauses (10), (11) and (15) of the definition thereof) permitted by this Indenture;

(3) the payment to the Sponsors and any of their Affiliates of annual management, consulting, monitoring and advisory fees pursuant to the Management Agreement in an aggregate amount in any fiscal year not to exceed $10.0 million and related reasonable expenses;

(4) the payment of reasonable and customary fees paid to, and indemnities provided on behalf of, officers, directors, employees or consultants of the Issuer, any of its direct or indirect parent corporations or any Restricted Subsidiary;

(5) the payments by the Issuer or any Restricted Subsidiary to the Sponsors and any of their Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the members of the Board of Directors of the Issuer in good faith;

(6) transactions in which the Issuer or any Restricted Subsidiary delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view;

(7) payments or loans (or cancellations of loans) to employees or consultants of the Issuer or any of its direct or indirect parent corporations or any Restricted Subsidiary which are approved by a majority of the Board of Directors of the Issuer in good faith and which are otherwise permitted under this Indenture;

(8) payments made or performance under any agreement as in effect on the Issue Date (other than the Management Agreement and Stockholders Agreement, but including, without limitation, each of the other agreements entered into in connection with the Transactions) or any amendment thereto (so long as any such amendment is not less advantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date);

(9) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, the Stockholders Agreement (including any registration rights agreement or purchase agreements related thereto to

which it is a party as of the Issue Date and any similar agreement that it may enter into thereafter); *provided*, *however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to the Stockholders Agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing agreement, together with all amendments thereto, taken as a whole, or new agreement are not otherwise more disadvantageous to Holders in any material respect than the original agreement as in effect on the Issue Date;

(10) the Transactions and the payment of all fees and expenses related to the Transactions and the prepayment of $10.0 million in management fees for the fiscal year ended November 30, 2004;

(11) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to Holdco or the Restricted Subsidiaries, in the reasonable determination of the members of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(12) if otherwise permitted hereunder, the issuance of Equity Interests (other than Disqualified Stock) of Holdco to any Permitted Holder or to any director, officer, employee or consultant of the Issuer or Holdco or their Subsidiaries or of the Issuer to Holdco or to any Permitted Holder or to any director, officer, employee or consultant of the Issuer or Holdco or their Subsidiaries; and

(13) any transaction with a Securitization Subsidiary effected as part of a Qualified Securitization Financing.

SECTION 4.15. Dividend and Other Payment Restrictions Affecting Subsidiaries.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any such Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Issuer or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(2) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries.

(b) However, the preceding restrictions in Section 4.15(a) will not apply to encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect (x) pursuant to the Credit Agreement or related documents or (y) on the Issue Date, including, without limitation, pursuant to Existing Indebtedness and its related documentation;

(2) this Indenture and the Securities;

(3) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in clause (3) of Section 4.15(a) on the property so acquired;

(4) applicable law or any applicable rule, regulation or order;

(5) any agreement or other instrument of a Person acquired by the Issuer or any Restricted Subsidiary in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(6) contracts for the sale of assets, including, without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;

(7) secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.10 and 4.12 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(8) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(9) other Indebtedness or Preferred Stock (i) of the Issuer or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Issue Date pursuant to Section 4.10 or (ii) that is incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to clause (1), (4), (11) or (20) of Section 4.10(b);

(10) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(11) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(12) any encumbrances or restrictions of the type referred to in clauses (1), (2) and (3) of Section 4.15(a) imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (I) through (11) of this Section 4.15(b), *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer's Board of Directors, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(13) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; *provided, however,* that such restrictions apply only to such Securitization Subsidiary; or

(14) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness.

SECTION 4.16. Additional Subsidiary Guarantees.

(a) The Issuer will cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Securitization Subsidiary) that:

to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Securities. Each Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) Each Guarantee shall be released in accordance with Article Eleven.

SECTION 4.17. Reports to Holders.

(a) Whether or not required by the Commission, so long as any Securities are outstanding, the Issuer will furnish to the Holders, within the time periods specified in the Commission's rules and regulations:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Issuer's certified independent accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Issuer were required to file such reports.

(b) In addition, whether or not required by the Commission, the Issuer will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition,

the Issuer has agreed that, for so long as any Securities remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) In addition, if at any time Holdco becomes a Guarantor (there being no obligation of Holdco to do so), holds no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer (and performs the related incidental activities associated with such ownership) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be filed and furnished to Holders pursuant to this Section 4.17 may, at the option of the Issuer, be filed by and be those of Holdco rather than the Issuer.

(d) Notwithstanding the foregoing, such requirements shall be deemed satisfied prior to the commencement of the Exchange Offer or the effectiveness of the Shelf Registration Statement (as defined in the Registration Rights Agreement) by the filing with the Commission of the Exchange Offer Registration Statement (as defined in the Registration Rights Agreement) and/or Shelf Registration Statement, and any amendments thereto, with such financial information that satisfies Regulation S-X of the Securities Act.

SECTION 4.18. Limitation on Layering.

The Issuer will not, and will not permit any Restricted Subsidiary that is a Guarantor to, directly or indirectly, incur any Indebtedness that is or purports to be by its terms (or by the terms of any agreement governing such Indebtedness) contractually subordinated or junior in right of payment to any Senior Debt (including Acquired Debt) of the Issuer or such Restricted Subsidiary, as the case may be, unless such Indebtedness is either

(1) *pari passu* in right of payment with the Securities; or

(2) subordinate in right of payment to the Securities.

SECTION 4.19. Business Activities.

The Issuer will not, and will not permit any Restricted Subsidiary (other than a Securitization Subsidiary) to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Issuer and its Subsidiaries taken as a whole.

SECTION 4.20. Payments for Consent.

The Issuer will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

ARTICLE FIVE

SUCCESSOR CORPORATION

SECTION 5.01. Merger, Consolidation, or Sale of Assets.

(a) The Issuer may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Issuer is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) either: (a) the Issuer is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, conveyance or other disposition has been

made is a corporation organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Issuer or such Person, as the case may be, being herein called the "**Successor Company**");

(2) the Successor Company (if other than the Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Issuer under the Securities, this Indenture and the Registration Rights Agreement;

(3) immediately after such transaction no Default or Event of Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(a) the Successor Company or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception; or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction; and

(5) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Securities.

This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (3) and (4), (i) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary and (ii) the Issuer may merge with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

In the event of any transaction described in and complying with the conditions listed in the preceding paragraph in which the Issuer is not the continuing corporation, the successor Person formed or remaining shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer and the Issuer will be discharged from all obligations and covenants under this Indenture and the Securities.

(b) The Issuer will deliver to the Trustee prior to the consummation of each proposed transaction an Officers' Certificate certifying that the conditions set forth above are satisfied and an Opinion of Counsel, which opinion may contain customary exceptions and qualifications, that the proposed transaction and the supplemental indenture, if any, comply with this Indenture.

ARTICLE SIX

DEFAULT AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following is an **"Event of Default"**:

(1) the Issuer defaults in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Securities, whether or not prohibited by Article Ten;

(2) the Issuer defaults in the payment when due of interest or Additional Interest, if any, on or with respect to the Securities and such default continues for a period of 30 days, whether or not prohibited by Article Ten;

(3) the Issuer defaults in the performance of, or breaches any covenant, warranty or other agreement contained in, this Indenture (other than a default in the performance or breach of a covenant, warranty or agreement which is specifically dealt with in clauses (1) or (2) above) and such default or breach continues for a period of 60 days after the notice specified below;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary or the payment of which is guaranteed by the Issuer or any Restricted Subsidiary (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the Issue Date, if (A) such default either (1) results from the failure to pay any such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or (2) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity and (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity

of which has been so accelerated, aggregate $25.0 million (or its foreign currency equivalent) or more at any one time outstanding;

(5) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a Custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors,

(E) takes any comparable action under any foreign laws relating to incolvency,

(F) generally is not able to pay its debts as they become due, or

(G) takes any corporate action to authorize or effect any of the foregoing;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Subsidiary in an involuntary case,

(B) appoints a Custodian of the Issuer or any Significant Subsidiary or for all or substantially all of the property of the Issuer or any Significant Subsidiary, or

(C) orders the liquidation of the Issuer or any Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 days;

(7) the failure by the Issuer or any Significant Subsidiary to pay final judgments (other than any judgments covered by insurance policies issued by reputable and creditworthy insurance companies) aggregating in excess of $25.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and, with respect to any judgments

covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; or

(8) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof) or any Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee and such Default continues for 10 days.

SECTION 6.02. Acceleration.

If an Event of Default specified in Sections 6.01(5) and (6) above occurs with respect to the Issuer and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Securities shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of each Trustee or any Holder.

If any other Event of Default shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities under this Indenture may declare the principal of and accrued interest on such Securities to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a "notice of acceleration" (the **"Acceleration Notice"**), and the same:

(1) shall become immediately due and payable; or

(2) shall become immediately due and payable upon the first to occur of an acceleration under the Credit Agreement and five Business Days after receipt by the Issuer and the Representative under the Credit Agreement of such Acceleration Notice but only if such Event of Default is then continuing.

At any time after a declaration of acceleration with respect to the Securities as described in the two preceding paragraphs, the Holders of a majority in principal amount of the Securities may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, if interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

(4) if the Issuer has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances; and

(5) in the event of the cure or waiver of an Event of Default of the type described in Sections 6.01(5) and (6), if the Trustee shall have received an Officers' Certificate and an Opinion of Counsel that such Event of Default has been cured or waived.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

(a) If a Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon a Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

(c) In the event of any Event of Default specified in clause (4) of Section 6.01, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

(d) Holders may not enforce this Indenture or the Securities except as provided in this Indenture and under the TIA. Subject to the provisions of this Indenture relating to the duties of the Trustee, the Trustee is under no obligation to exercise any of its rights or powers under this Indenture

at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable indemnity. Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Securities issued under this Indenture have the right to direct the time,

method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

SECTION 6.04. Waiver of Defaults.

Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in aggregate principal amount of Securities at the time outstanding may on behalf of the Holders of all the Securities waive any Default with respect to such Securities and its consequences by providing written notice thereof to the Issuer and the Trustee, except a Default (1) in the payment of interest on or the principal of any Security or (2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Security affected. In the case of any such waiver, the Issuers, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, respectively; *provided* that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. *provided, however,* that if any amendment, waiver or other modification will only affect the Dollar Securities or the Sterling Securities, only the consent of the Holders of at least a majority in principal amount of the then outstanding Dollar Securities or Sterling Securities (and not the consent of at least a majority of all Securities), as the case may be, shall be required.

SECTION 6.05. Control by Majority.

The Holders of not less than a majority in principal amount of the outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.01, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Securityholder, or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits.

A Holder may not pursue any remedy with respect to this Indenture or the Securities unless:

(1) the Holder gives to the Trustee written notice of a continuing Event of Default;

(2) the Holder or Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and provide to the Trustee indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with the request within 45 days after receipt of the request and the offer and the provision of indemnity; and

(5) during such 45-day period the Holder or Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder.

SECTION 6.07. Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder.

SECTION 6.08. Collection Suit by Trustee.

If a Default in payment of principal or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Securities for the whole amount of principal and accrued interest and fees remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate *per annum* borne by the Securities and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Issuer, its creditors or its property and shall be entitled and empowered to collect and receive any monies or

other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.07. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee shall be entitled to participate as a member of any officer committee of creditors in the matters as it deems necessary or advisable.

SECTION 6.10. Priorities.

Subject to the provisions of Article Ten, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for interest accrued on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for interest;

THIRD: to Holders for principal amounts due and unpaid on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal; and

FOURTH: to the Issuer or, if applicable, the Guarantors, as their respective interests may appear.

The Trustee, upon prior notice to the Issuer, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a

suit by a Holder or Holders of more than 10% in principal amount of the outstanding Securities.

ARTICLE SEVEN

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If a Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of a Default:

(1) The Trustee need perform only those duties as are specifically set forth herein or in the TIA and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee.

(2) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officers' Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 7.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 12.05. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization

and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(i) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(j) The Trustee shall not be deemed to have notice of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of Securities or any statement in the Securities other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

SECTION 7.05. Notice of Default.

If a Default occurs and is continuing and the Trustee receives actual notice of such Default, the Trustee shall mail to each Holder notice of the uncured Default within 60 days after such Default occurs. Except in the case of a Default in payment of principal of, or interest on, any Security, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or the Asset Sale Offer Payment Date pursuant to an Asset Sale Offer, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after each May 1, beginning with May 1, 2005, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Holder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA §§ 313(b), 313(c) and 313(d).

A copy of each report at the time of its mailing to Holders shall be mailed to the Issuer and filed with the Commission and each securities exchange, if any, on which the Securities are listed.

The Issuer shall notify the Trustee if the Securities become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with TIA § 313(d).

SECTION 7.07. Compensation and Indemnity.

The Issuer shall pay to the Trustee from time to time such compensation as the Issuer and the Trustee shall from time to time agree in writing for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable disbursements,

expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Issuer shall indemnify each of the Trustee or any predecessor Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against, any and all loss, damage, claims including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), liability or expense incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust including the costs and expenses of enforcing this Indenture or a Guarantee against the Issuer or a Guarantor (including this Section 7.07) and the reasonable costs and expenses of defending themselves against or investigating any claim or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder (whether asserted by the Issuer, any Guarantor, any Holder or any other Person). The Trustee shall notify the Issuer promptly of any claim asserted against the Trustee or any of its agents, employees, officers, stockholders and directors for which it may seek indemnity. The Issuer may, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents, employees, officers, stockholders and directors subject to the claim may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel; *provided, however,* that the Issuer will not be required to pay such fees and expenses if, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), it assumes the Trustee's defense and there is no conflict of interest between the Issuer and the Trustee and its agents, employees, officers, stockholders and directors subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer need not pay for any settlement made without its written consent. The Issuer need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

To secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Securities against all money or property held or collected by the Trustee, in its capacity as Trustee. The obligations of the Issuer and the Guarantors under this Section shall not be subordinated to the payment of Senior Debt pursuant to Article Ten or Section 11.02 except assets or money held in trust to pay principal of or interest on particular Securities.

When the Trustee incurs expenses or renders services after a Default specified in Section 6.01(5) or (6) occurs, such expenses and the compensation for such services shall

be paid to the extent allowed under any Bankruptcy Law and are intended to constitute expenses of administration under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Securities may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the applicable Securities issued thereunder, cash in U.S. Legal Tender or U.K. Legal Tender, as applicable, non-callable U.S. Government Securities or U.K. Government Securities, as applicable, or a combination of cash in U.S. Legal Tender or U.K. Legal Tender, as applicable, and non-callable U.S. Government Securities or U.K. Government Securities, as applicable, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium and Additional Interest, if any, on the outstanding Securities issued thereunder on the stated maturity or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Securities are being defeased to maturity or to a particular redemption date;

(3) in the case of an election under Section 8.02(c) hereof, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the holders of the respective outstanding Securities will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) or insofar as Events of Default resulting from the borrowing of funds or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Restricted Subsidiaries is a party or by which the Issuer or any of its Restricted Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender or U.K. Legal Tender, as applicable, and U.S. Government Securities or U.K. Government Securities, as applicable, held by it as provided in Section 8.03 which, in the opinion

of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.05. Repayment to the Issuer.

Subject to this Article Eight, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request any excess U.S. Legal Tender or U.K. Legal Tender, as applicable, and U.S. Government Securities or U.K. Government Securities, as applicable, held by them at any time and thereupon shall be relieved from all liability with respect to such money. Subject to Sections 6.07 and 9.03, the Holder or Holders of a majority in aggregate principal amount of then outstanding Securities may waive compliance with any provision of this Indenture or the Securities without notice to any other Holders; *provided, however,* that if any amendment, waiver or other modification will only affect the Dollar Securities or the Sterling Securities, only the consent of the Holders of at least a majority

in principal amount of the then outstanding Dollar Securities or Sterling Securities (and not the consent of at least a majority of all Securities), as the case may be, shall be required.

(b) Notwithstanding Section 9.02(a), without the consent of each Holder affected, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not (with respect to any Securities held by a non-consenting Holder):

(1) reduce the principal amount of Securities whose Holders must consent to an amendment, supplement or waiver;

(9) modify the Guarantees in any manner adverse to the Holders.

(c) It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

SECTION 9.03. Effect on Senior Debt.

No amendment of, or supplement or waiver to, this Indenture shall adversely affect the rights of any holder of Senior Debt under the subordination provisions of this Indenture (including without limitation the provisions of Article Ten and Section 11.02 hereof) and the defined terms as used therein without the consent of such holder or its Representative.

SECTION 9.04. Compliance with TIA.

SECTION 9.05. Revocation and Effect of Consents.

(a) Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of his Security by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Securities have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver which record date shall be at least 30 days prior to the first solicitation of such consent. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Securityholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date. The Issuer shall inform the Trustee in writing of the fixed record date if applicable.

(c) After an amendment, supplement or waiver becomes effective, it shall bind every Securityholder, unless it makes a change described in any of clauses (1) through

(8) of Section 9.02(b), in which case, the amendment, supplement or waiver shall bind only each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security; *provided* that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

SECTION 9.06. Notation on or Exchange of Securities.

If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Issuer shall provide the Trustee with an appropriate notation on the Security about the changed terms and cause the Trustee to return it to the Holder at the Issuer's expense. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.07. Trustee To Sign Amendments, Etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE TEN

(b) If any other event of default (other than a Payment Default) occurs and is continuing with respect to any Designated Senior Debt (as such event of default is defined in the instrument creating or evidencing such Designated Senior Debt) permitting the holders of such Designated Senior Debt then outstanding to accelerate the maturity thereof (a **"Non-payment Default"**) and if the Representative for the respective issue of Designated Senior Debt gives notice of the event of default to the Trustee stating that such notice is a payment blockage notice (a **"Payment Blockage Notice"**), then during the period (the **"Payment Blockage Period"**) beginning upon the delivery of such Payment Blockage Notice and ending on the earlier of the 179th day after such delivery and the date on which (x) all events of default with respect to all Designated Senior Debt have been cured or waived or cease to exist, (y) all Designated Senior Debt with respect to which any such event of default has occurred and is continuing is discharged or paid in full in cash or cash equivalents, or (z) the Trustee

For all purposes of this Section 10.02(b), no event of default which existed or was continuing on the date of the commencement of any Payment Blockage Period with respect to the Designated Senior Debt shall be, or be made, the basis for the commencement of a second Payment Blockage Period by the Representative of such Designated Senior Debt whether or not within a period of 360 consecutive days, unless such event of default shall have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenants for a period ending after the date of commencement of such Payment Blockage Period that, in either case, would give rise to an event of default pursuant to any provisions under which an event of default previously existed or was continuing shall constitute a new event of default for this purpose).

(c) The foregoing Sections 10.02(a) and (b) shall not apply to payments and distributions made relating to the Securities from the trust established pursuant to Article Eight, so long as (i) the conditions specified in Article Eight (without any waiver or modification of the requirement that the deposits pursuant thereto do not conflict with the terms of the Credit Agreement or any other Senior Debt) are satisfied on the date of any deposit pursuant to said trust and (ii) such payments and distributions did not violate the provisions of this Article Ten when made. In addition, Holders may also receive and retain Permitted Junior Securities.

thereafter due or declared to be due shall first be paid in full in cash or cash equivalents before the Holders are entitled to receive any payment of any kind or character with respect to Obligations on the Securities.

SECTION 10.03. Securities Subordinated to Prior Payment of All Senior Debt on Dissolution, Liquidation or Reorganization of the Issuer.

(a) Upon any payment or distribution of assets of the Issuer of any kind or character, whether in cash, assets or securities, to creditors upon any total or partial liquidation, dissolution, winding-up, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or other similar proceeding relating to the Issuer or its assets, whether voluntary or involuntary, all Obligations due or to become due upon all Senior Debt shall first be paid in full in cash or cash equivalents, or such payment duly provided for to the satisfaction of the holders of Senior Debt, before any payment or distribution of any kind or character is made on account of any Obligations on or relating to the Securities, or for the acquisition of any of the Securities for cash or assets or otherwise. Upon any such dissolution, winding-up, liquidation, reorganization, receivership or similar proceeding, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, assets or securities, to which the Holders or the Trustee under this Indenture would be entitled, except for the provisions hereof, shall be paid by the Issuer or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders or by the Trustee under this Indenture if received by them, directly to the holders of Senior Debt *(pro rata* to such holders on the basis of the respective amounts of Senior Debt held by such holders) or their respective Representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Debt may have been issued, as their respective interests may appear, for application to the payment of Senior Debt remaining unpaid until all such Senior Debt has been paid in full in cash or cash equivalents after giving effect to any concurrent payment, distribution or provision therefor to or for the holders of Senior Debt.

(b) To the extent any payment of Senior Debt (whether by or on behalf of the Issuer, as proceeds of security or enforcement of any right of setoff or otherwise) is declared to be fraudulent or preferential, set aside or required to be paid to any receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person under any bankruptcy, insolvency, receivership, fraudulent conveyance or similar law, then, if such payment is recovered by, or paid over to, such receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person, the Senior Debt or part thereof originally intended to be satisfied shall be deemed to be reinstated and outstanding as if such payment had not occurred.

It is further agreed that any diminution (whether pursuant to court decree or otherwise, including without limitation for any of the reasons described in the preceding sentence) of the Issuer’s obligation to make any distribution or payment pursuant to any Senior

Debt, except to the extent such diminution occurs by reason of the repayment (which has not been disgorged or returned) of such Senior Debt in cash or cash equivalents, shall have no force or effect for purposes of the subordination provisions contained in this Article Ten, with any turnover of payments as otherwise calculated pursuant to this Article Ten to be made as if no such diminution had occurred.

(c) In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, assets or securities, shall be received by any Holder when such payment or distribution is prohibited by this Section 10.03, such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the holders of Senior Debt *(pro rata* to such holders on the basis of the respective amount of Senior Debt held by such holders) or their respective Representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Debt may have been issued, as their respective interests may appear, for application to the payment of Senior Debt remaining unpaid until all such Senior Debt has been paid in full in cash or Cash Equivalents, after giving effect to any concurrent payment, distribution or provision therefor to or for the holders of such Senior Debt.

(d) The consolidation of the Issuer with, or the merger of the Issuer with or into, another corporation, partnership, trust or limited liability company or the liquidation or dissolution of the Issuer following the conveyance or transfer of all or substantially all of its assets, to another corporation, partnership, trust or limited liability company upon the terms and conditions provided in Article Five hereof and as long as permitted under the terms of the Senior Debt shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section if such other corporation shall, as a part of such consolidation, merger, conveyance or transfer, assume the Issuer’s obligations hereunder in accordance with Article Five hereof.

SECTION 10.04. Payments May Be Made Prior to Dissolution.

Nothing contained in this Article Ten or elsewhere in this Indenture shall prevent (i) the Issuer, except under the conditions described in Sections 10.02 and 10.03, from making payments at any time for the purpose of making payments of principal of and interest on the Securities, or from

depositing with the Trustee any moneys for such payments, or (ii) in the absence of actual knowledge by the Trustee that a given payment would be prohibited by Section 10.02 or 10.03, the application by the Trustee of any moneys deposited with it for the purpose of making such payments of principal of, and interest on, the Securities to the Holders entitled thereto unless at least two Business Days prior to the date upon which such payment would otherwise become due and payable a Responsible Officer of the Trustee shall have actually received the written notice provided for in the first sentence of Section 10.02(b) or in Section 10.07 *(provided* that, notwithstanding the foregoing, the Holders receiving any payments made in contravention of Section 10.02 and/or 10.03 (and the respective such payments)

shall otherwise be subject to the provisions of Section 10.02 and Section 10.03). The Issuer shall give prompt written notice to the Trustee of any dissolution, winding-up, liquidation or reorganization of the Issuer, although any delay or failure to give any such notice shall have no effect on the subordination provisions contained herein.

SECTION 10.05. Holders To Be Subrogated to Rights of Holders of Senior Debt.

Subject to the payment in full in cash or cash equivalents of all Senior Debt, the Holders of the Securities shall be subrogated to the rights of the holders of Senior Debt to receive payments or distributions of cash, assets or securities of the Issuer applicable to the Senior Debt until the Securities shall be paid in full; and, for the purposes of such subrogation, no such payments or distributions to the holders of the Senior Debt by or on behalf of the Issuer, or by or on behalf of the Holders by virtue of this Article Ten, which otherwise would have been made to the Holders shall, as between the Issuer and the Holders, be deemed to be a payment by the Issuer to or on account of the Senior Debt, it being understood that the provisions of this Article Ten are and are intended solely for the purpose of defining the relative rights of the Holders, on the one hand, and the holders of Senior Debt, on the other hand.

SECTION 10.06. Obligations of the Issuer Unconditional.

Nothing contained in this Article Ten or elsewhere in this Indenture or in the Securities is intended to or shall impair, as among the Issuer, its creditors other than the holders of Senior Debt, and the Holders, the obligation of the Issuer, which is absolute and unconditional, to pay to the Holders the principal of and any interest on the Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders and creditors of the Issuer other than the holders of the Senior Debt, nor shall anything herein or therein prevent the Holder of any Security or the Trustee on its behalf from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, in respect of cash, assets or securities of the Issuer received upon the exercise of any such remedy.

SECTION 10.07. Notice to Trustee.

The Issuer shall give prompt written notice to the Trustee of any fact known to the Issuer which would prohibit the making of any payment to or by the Trustee in respect of the Securities pursuant to the provisions of this Article Ten, although any delay or failure to give any such notice shall have no effect on the subordination provisions contained herein. Regardless of anything to the contrary contained in this Article Ten or elsewhere in this Indenture, the Trustee shall not be charged with knowledge of the existence of any default or event of default with respect to any Senior Debt or of any other facts which would prohibit the making of any payment to or by the Trustee unless and until the Trustee shall have received notice in writing from the Issuer, or from a holder of Senior Debt or a Representative therefor and, prior to the receipt of any such written notice, the Trustee shall be entitled to assume (in

the absence of actual knowledge to the contrary) that no such facts exist. The Trustee shall be entitled to rely on the delivery to it of any notice pursuant to this Section 10.07 to establish that such notice has been given by a holder of Senior Debt (or a trustee thereof).

In the event that the Trustee determines in good faith that any evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article Ten, the Trustee may request such Person to furnish evidence to the satisfaction of the Trustee as to the amounts of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article Ten, and if such evidence is not furnished the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 10.08. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Issuer referred to in this Article Ten, the Trustee, subject to the provisions of Article Seven hereof, and the Holders of the Securities shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which any insolvency, bankruptcy, receivership, dissolution, winding-up, liquidation, reorganization or similar case or proceeding is pending, or upon a certificate of the receiver, trustee in bankruptcy, liquidating trustee, assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Trustee or the Holders, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Ten.

SECTION 10.09. Trustee’s Relation to Senior Debt.

The Trustee and any agent of the Issuer or the Trustee shall be entitled to all the rights set forth in this Article Ten with respect to any Senior Debt which may at any time be held by it in its individual or any other capacity to the same extent as any other holder of Senior Debt and nothing in this Indenture shall deprive the Trustee or any such agent of any of its rights as such holder.

With respect to the holders of Senior Debt, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article Ten, and no implied covenants or obligations with respect to the holders of Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt.

Whenever a distribution is to be made or a notice given to holders or owners of Senior Debt, the distribution may be made and the notice may be given to their Representative, if any.

SECTION 10.10. Subordination Rights Not Impaired by Acts or Omissions of the Issuer or Holders of Senior Debt.

No right of any present or future holders of any Senior Debt to enforce subordination as provided herein shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Issuer or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Issuer with the terms of this Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee, without incurring responsibility to the Trustee or the Holders and without impairing or releasing the subordination provided in this Article Ten or the obligations hereunder of the Holders to the holders of the Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or otherwise amend or supplement in any manner Senior Debt, or any instrument evidencing the same or any agreement under which Senior Debt is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt; (iii) release any Person liable in any manner for the payment or collection of Senior Debt; and (iv) exercise or refrain from exercising any rights against the Issuer and any other Person.

SECTION 10.11. Securityholders Authorize Trustee To Effectuate Subordination of Securities.

Each Holder by its acceptance of them authorizes and expressly directs the Trustee on its behalf to take such action as may be necessary or appropriate to effectuate, as between the holders of Senior Debt and the Holders, the subordination provided in this Article Ten, and appoints the Trustee its attorney-in-fact for such purposes, including, in the event of any dissolution, winding-up, liquidation or reorganization of the Issuer (whether in bankruptcy, insolvency, receivership, reorganization or similar proceedings or upon an assignment for the benefit of credits or otherwise) tending towards liquidation of the business and assets of the Issuer, the filing of a claim for the unpaid balance of its Securities and accrued interest in the form required in those proceedings.

If the Trustee does not file a proper claim or proof of debt in the form required in such proceeding prior to 30 days before the expiration of the time to file such claim or claims, then the holders of the Senior Debt or their Representative are or is hereby authorized to have the right to file and are or is hereby authorized to file an appropriate claim for and on

behalf of the Holders of said Securities. Nothing herein contained shall be deemed to authorize the Trustee or the holders of Senior Debt or their Representative to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee or the holders of Senior Debt or their Representative to vote in respect of the claim of any Holder in any such proceeding.

SECTION 10.12. This Article Ten Not To Prevent Events of Default.

The failure to make a payment on account of principal of or interest on the Securities by reason of any provision of this Article Ten will not be construed as preventing the occurrence of an Event of Default.

SECTION 10.13. Trustee’s Compensation Not Prejudiced.

Nothing in this Article Ten will apply to amounts due to the Trustee (other than payments of Obligation owing to Holders in respect of Securities) pursuant to other sections of this Indenture.

ARTICLE ELEVEN

GUARANTEES

SECTION 11.01. Unconditional Guarantee.

Subject to the provisions of this Article Eleven, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees, on a senior subordinated basis to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Issuer or any other Guarantors to the Holders or the Trustee hereunder or thereunder: (a) (x) the due and punctual payment of the principal of, premium, if any, and interest on the Securities when and as the same shall become due and payable, whether at maturity, upon redemption or repurchase, by acceleration or otherwise, (y) the due and punctual payment of interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Securities and (z) the due and punctual payment and performance of all other obligations of the Issuer and all other obligations of the other Guarantors (including under the Guarantees), in each case, to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07 hereof), all in accordance with the terms hereof and thereof (collectively, the “**Guarantee Obligations**”); and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the due and punctual payment and performance of Guarantee Obligations in

accordance with the terms of the extension or renewal, whether at maturity, upon redemption or repurchase, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Securities, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of

Default under this Indenture or the Securities shall constitute an event of default under the Subsidiary Guarantees, and shall entitle the Holders to accelerate the obligations of the Guarantors thereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Guarantors hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Guarantee is affixed to any particular Security, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Securities, this Indenture and the Guarantee. The Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Guarantor, any amount paid by the Issuer or such Guarantor to the Trustee or such Holder, the Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders of Securities and the Trustee, on the other hand, (a) subject to this Article Eleven, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of the Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of the Guarantee.

SECTION 11.02. Subordination of Guarantee.

The obligations of each Guarantor under its Guarantee pursuant to this Article Eleven shall be junior and subordinated to the prior payment in full in cash or Cash Equivalents of the Senior Debt of such Guarantor on the same basis as the Securities are junior and subordinated to Senior Debt of the Issuer. For the purposes of the foregoing sentence, the Trustee and the Holders shall have the right to receive and/or retain payments by any of the

Guarantors only at such times as they may receive and/or retain payments in respect of the Securities pursuant to this Indenture, including Article Ten hereof.

SECTION 11.03. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Securities, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under its Guarantee and this Article Eleven shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Eleven, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 11.04. Execution and Delivery of Subsidiary Guarantee for Future Guarantors.

To further evidence its Guarantee set forth in Section 11.01, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to execute a supplement to this Indenture or a Guarantee, substantially in the form of Exhibit H hereto, and deliver it to the Trustee. Such Guarantee or supplement to this Indenture shall be executed on behalf of each Guarantor by either manual or facsimile signature of one Officer or other person duly authorized by all necessary corporate action of each Guarantor who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Guarantors hereby agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Guarantee is endorsed or at any time thereafter, such Guarantor's Guarantee of such Security shall nevertheless be valid.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.

SECTION 11.05. Release of a Guarantor.

The Guarantee of a Guarantor will be released:

(1) (a) upon the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which the applicable Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of the applicable Guarantor if such sale, disposition or other transfer is made in compliance with the applicable provisions of this Indenture,

(b) if the Issuer designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.11 and the definition of "Unrestricted Subsidiary," or

(c) in the case of any Restricted Subsidiary which after the Issue Date is required to guarantee the Securities pursuant to Section 4.16, upon the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or *such* Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Securities; and

(2) in the case of clause (1)(a) above, if such Guarantor is released from its guarantee, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreement and any other Indebtedness of the Issuer or any Restricted Subsidiary;

provided, *however*, in any case that any such termination shall occur only to the extent that all obligations of such Guarantor under all of its Guarantees of any Indebtedness of the Issuer or any Indebtedness of any other Guarantor shall also terminate upon such release and none of its Equity Interests are pledged for the benefit of any holder of any Indebtedness of the Issuer or any Indebtedness of any Restricted Subsidiary of the Issuer.

The Trustee shall execute an appropriate instrument prepared by the Issuer evidencing the release of a Guarantor from its obligations under its Guarantee upon receipt of a request by the Issuer or such Guarantor accompanied by an Officers' Certificate and an Opinion of Counsel certifying as to the compliance with this Section 11.05; *provided*, *however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Issuer.

Except as set forth in Articles Four and Five and this Section 11.05, nothing contained in this Indenture or in any of the Securities shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor or shall prevent any sale or

conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor.

SECTION 11.06. Waiver of Subrogation.

Until this Indenture is discharged and all of the Securities are discharged and paid in full, each Guarantor hereby irrevocably waives and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the Issuer's obligations under the Securities or this Indenture and such Guarantor's obligations under the Guarantee and this Indenture, in any such instance including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other assets or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders under the Securities, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 11.06 is knowingly made in contemplation of such benefits.

SECTION 11.07. Immediate Payment.

Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Guarantee Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

SECTION 11.08. No Setoff.

Each payment to be made by a Guarantor hereunder in respect of the Guarantee Obligations shall be payable in the currency or currencies in which such Guarantee Obligations are denominated, and shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 11.09. Guarantee Obligations Absolute.

Subject to the provisions of Section 11.02, the obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

SECTION 11.10. Guarantee Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all such obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder.

SECTION 11.11. Guarantee Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or

payable under or by virtue of or otherwise in connection with the Securities or this Indenture.

SECTION 11.12. Guarantee Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer or any other Guarantor is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or such Guarantor, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

SECTION 11.13. Guarantee Obligations Not Affected.

The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

(a) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Issuer or any other Person;

(b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Securities or any other document or instrument;

(c) any failure of the Issuer or any other Guarantor, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture, the Securities or any Guarantee, or to give notice thereof to a Guarantor;

(d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;

(e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(f) any change in the time, manner or place of payment of, or in any other term of, any of the Securities, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Securities or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Securities;

(g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Guarantor;

(h) any merger or amalgamation of the Issuer or a Guarantor with any Person or Persons;

(i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Guarantee Obligations or the obligations of a Guarantor under its Guarantee; and

(j) any other circumstance, including release of the Guarantor pursuant to Section 11.05 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Securities or of a Guarantor in respect of its Guarantee hereunder.

SECTION 11.14. Waiver.

Without in any way limiting the provisions of Section 11.01, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or non-payment of any of the Guarantee Obligations, or other notice or formalities to the Issuer or any Guarantor of any kind whatsoever.

SECTION 11.15. No Obligation To Take Action Against the Issuer.

Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies against the Issuer or any other Person or any property of the Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

SECTION 11.16. Dealing with the Issuer and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

(a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(b) take or abstain from taking security or collateral from the Issuer or from perfecting security or collateral of the Issuer;

(c) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral,

mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Securities;

(d) accept compromises or arrangements from the Issuer;

(e) apply all monies at any time received from the Issuer or from any security upon such part of the Guarantee Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and

(f) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

SECTION 11.17. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 11.07 hereof, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Subsidiary Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

SECTION 11.18. Amendment, Etc.

No amendment, modification or waiver of any provision of this Indenture relating to any Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

SECTION 11.19. Acknowledgment.

Each Guarantor, if any, hereby acknowledges communication of the terms of this Indenture and the Securities and consents to and approves of the same.

SECTION 11.20. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, legal fees on a solicitor and client basis) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

SECTION 11.21. No Merger or Waiver; Cumulative Remedies.

No Guarantee shall operate by way of merger of any of the obligations of a Guarantor under any other agreement, including, without limitation, this Indenture. No failure

to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Securities, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Securities preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Securities and any other document or instrument between a Guarantor and/or the Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

SECTION 11.22. Survival of Guarantee Obligations.

Without prejudice to the survival of any of the other obligations of each Guarantor hereunder, the obligations of each Guarantor under Section 11.01 shall survive the payment in full of the Guarantee Obligations and shall be enforceable against such Guarantor without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Guarantor.

SECTION 11.23. Guarantee in Addition to Other Guarantee Obligations.

The obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Securities and any guarantees or security at any time held by or for the benefit of any of them.

SECTION 11.24. Severability.

Any provision of this Article Eleven which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Eleven.

SECTION 11.25. Successors and Assigns.

Each Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other Holders and their respective successors and permitted assigns, except that no Guarantor may assign any of its obligations hereunder or thereunder.

SECTION 12.09. No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret another indenture, loan or debt agreement of the Issuer or any of its Subsidiaries. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

SECTION 12.10. No Recourse Against Others.

No director, officer, employee, incorporator or stockholder of the Issuer or any direct or indirect parent corporation or of any Guarantor, as such, shall have any liability for any obligations of the Issuer or the Guarantors under the Securities or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Security waives and releases all such liability. Such waiver and release are part of the consideration for issuance of the Securities.

SECTION 12.11. Successors.

All agreements of the Issuer in this Indenture and the Securities shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successor.

SECTION 12.12. Duplicate Originals.

All parties may sign any number of copies of this Indenture. Each signed copy or counterpart shall be an original, but all of them together shall represent the same agreement.

SECTION 12.13. Severability.

In case any one or more of the provisions in this Indenture or in the Securities shall be held invalid, illegal or unenforceable, in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions shall not in any way be affected or impaired thereby, it being intended that all of the provisions hereof shall be enforceable to the full extent permitted by law.

SECTION 12.14. Currency of Account; Conversion of Currency; Foreign Exchange Restrictions.

(a) U.S. Dollars are the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with the Dollar Securities,

the Guarantees of the Dollar Securities or this Indenture to the extent it relates to the Dollar Securities, including damages related thereto, and pounds sterling are the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with the Sterling Securities, the Guarantees of the Sterling Securities or this Indenture to the extent it relates to the Sterling Securities, including damages related thereto. Any amount received or recovered in a currency other than U.S. Dollars by a Holder of Dollar Securities or pounds sterling by a Holder of Sterling Securities (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the U.S. Dollar or pounds sterling amount, as the case may be, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. Dollar or pounds sterling amount is less than the U.S. Dollar or pounds sterling amount expressed to be due to the recipient under the applicable Securities, the Issuer shall indemnify it against any loss sustained by it as a result as set forth in Section 12.14(b). In any event, the Issuer and the Guarantors shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Section 12.14, it will be sufficient for the Holder of a Security to certify in a satisfactory manner (indicating sources of information used) that it would have suffered a loss had an actual purchase of U.S. Dollars or pounds sterling, as the case may be, been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. Dollars or pounds sterling, as applicable, on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above). The indemnities set forth in this Section 12.14 constitute separate and independent obligations from other obligations of the Issuer and the Guarantors, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of the Securities and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Securities.

(b) The Issuer and the Guarantors, jointly and severally, covenant and agree that the following provisions shall apply to conversion of currency in the case of the Securities, the Guarantees and this Indenture:

(1) (A) If for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the "**Judgment Currency**") an amount due in any other currency (the "**Base Currency**"), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).

(B) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuer and the Guarantors will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.

(2) In the event of the winding-up of the Issuer or any Guarantor at any time while any amount or damages owing under the Securities, the Guarantees and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuer and the Guarantors shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the U.S. Dollar Equivalent or equivalent amount in pounds sterling, as applicable, of the amount due or contingently due under the Securities, the Guarantees and this Indenture (other than under this subsection (b)(2)) is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up. For the purpose of this subsection (b)(2), the final date for the filing of proofs of claim in the winding-up of the Issuer or any Guarantor shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Issuer or such Guarantor may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(c) The obligations contained in subsections (a), (b)(1)(B) and (b)(2) of this Section 12.14 shall constitute separate and independent obligations from the other obligations of the Issuer and the Guarantors under this Indenture, shall give rise to separate and independent causes of action against the Issuer and the Guarantors, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or either of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of the Issuer or any Guarantor for a liquidated sum in respect of amounts due hereunder (other than under subsection (b)(2) above) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by the Issuer or any Guarantor or the liquidator or otherwise or any of them. In the case of subsection (b)(2) above, the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(d) The term "**rate(s) of exchange**" shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) for spot purchases of the Base Currency with the

Judgment Currency other than the Base Currency referred to in subsections (b)(1) and (b)(2) above and includes any premiums and costs of exchange payable.

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

SECTION 1. Interest. WMG Acquisition Corp., a Delaware corporation (the **"Company**"), promises to pay interest on the principal amount of this Dollar Security at 7 3/8% per annum from April 8, 2004 until maturity. The Company will pay interest semiannually on April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an **"Interest Payment Date**"). Interest on the Dollar Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance; *provided* that if there is no existing Default in the payment of interest, and if this Dollar Security is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further,* that the first Interest Payment Date shall be October 15, 2004. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand to the extent lawful at the interest rate applicable to the Dollar Securities; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30 day months.

SECTION 2. Method of Payment. The Company will pay interest on the Dollar Securities (except defaulted interest) to the Persons who are registered Holders of Dollar Securities at the close of business on the April 1 or October 1 next preceding the Interest Payment Date, even if such Dollar Securities are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Dollar Securities will be issued in denominations of $5,000 and integral multiples of $1,000. The Company shall pay principal, premium, if any and interest on the Dollar Securities in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts (**"U.S. Legal Tender"**). Principal, premium, if any, and interest on the Dollar Securities will be payable at the office or agency of the Company maintained for such purpose or, at the option of the

Company, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium and interest with respect to Dollar Securities the Holders of which have given wire transfer instructions to the Company prior to the Record Date will be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Company, the Company's office or agency in New York will be the office of the Trustee maintained for such purpose.

SECTION 3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any Affiliate may act in any such capacity.

SECTION 4. Indenture and Subordination. The Company issued the Securities under an Indenture dated as of April 8, 2004 ("**Indenture**") between the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb) (the **"TIA"**). The Securities are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The payment of the Securities will, to the extent set forth in the Indenture, be subordinated in right of payment to the prior payment in full in cash or Cash Equivalents of all Senior Debt.

SECTION 5. Optional Redemption. (a) The Securities may be redeemed, in whole or in part, at any time prior to April 15, 2009, at the option of the Company upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a

redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

For purposes of the preceding paragraph, the following terms will have the following definitions:

"Applicable Premium" means, with respect to any Security on any applicable redemption date, the greater of:

(1) 1.0% of the then outstanding principal amount of the Security; and

(2) the excess of:

(a) the present value at such redemption date of (i) the redemption price of the Security at April 15, 2009, as applicable (such redemption price being set forth in the table appearing under paragraph (b)) plus (ii) all required

interest payments due on the Dollar Security through April 15, 2009, as applicable (excluding accrued but unpaid interest), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(b) the then outstanding principal amount of the Security.

"Treasury Rate" means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2009; *provided, however,* that if the period from such redemption date to April 15, 2009 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after April 15, 2009, the Dollar Securities will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning *on* April 15 of the years indicated below:

Year	Percentage
2009	103.688%
2010	102.458%
2011	101.229%
2012 and thereafter	100.000%

SECTION 6. Optional Redemption upon Equity Offering. At any time on or prior to April 15, 2007, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Dollar Securities issued under the Indenture (calculated after giving effect to the issuance of Additional Dollar Securities) at a redemption price equal to 107.375% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest thereon, if any, to the redemption date, with the net cash proceeds of Equity Offerings; *provided* that (i) at least 65% of the aggregate principal amount of Dollar Securities issued under the Indenture (calculated after giving effect to the issuance of Additional Dollar Securities) remains outstanding immediately after the occurrence of such redemption (exclud*ing* Dollar Securities held by the Company and its Subsidiaries) and (ii) such redemption shall occur within 90 days of the date of the closing of such Equity Offering (disregarding the date of the closing of any over-allotment option with respect thereto).

SECTION 7. Mandatory Redemption. For the avoidance of doubt, an offer to purchase pursuant to Section 8 hereof shall not be deemed a redemption. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

SECTION 8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Sale and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Securities in accordance with the procedures set forth in the Indenture.

SECTION 9. Notice of Redemption. Notice of redemption will be mailed by first class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at its registered address. Dollar Securities in denominations larger than $5,000 may be redeemed in part. If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount thereof to be redeemed. A new Security in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Security. On and after the redemption date interest ceases to accrue on Securities or portions thereof called for redemption.

SECTION 10. Denominations, Transfer, Exchange. The Dollar Securities are in registered form without coupons in denominations of $5,000 and integral multiples of $1,000. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company or the Registrar is not required to transfer or exchange any Security selected for redemption. Also, the Company or the Registrar is not required to transfer or exchange any Securities for a period of 15 days before a selection of Securities to be redeemed.

SECTION 11. Persons Deemed Owners. The registered Holder of a Security may be treated as its owner for all purposes.

SECTION 12. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Securities may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Securities to, among other things, cure any ambiguity, defect or inconsistency in the Indenture, provide for uncertificated Securities in addition to certificated Securities, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not adversely affect the rights of any Holder of a Security; *provided, however,* that if any amendment,

waiver or other modification will only affect the Dollar Securities or the Sterling Securities, only the consent of the Holders of at least a majority in principal amount of the then outstanding Dollar Securities or Sterling Securities (and not the consent of at least a majority of all Securities), as the case may be, shall be required.

SECTION 13. Defaults and Remedies. If a Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities generally may declare all the Securities to be due and payable immediately. Notwithstanding the foregoing, in the case of a Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, with respect to the Company, all outstanding Securities will become due and payable without further action or notice. Holders of the Securities may not enforce the Indenture or the Securities except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Securities then outstanding by notice to the Trustee may on behalf of the Holders of all of the Securities waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of the Securities or in respect of certain covenants set forth in the Indenture.

SECTION 14. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 15. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent corporation or any Guarantor, as such, shall have any liability for any obligations of the Company or the Guarantors under the Securities, the Indenture, the Guarantors' Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

SECTION 16. Trustee Dealings with the Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company, its Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 17. Authentication. This Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 19. Additional Rights of Holders of Restricted Global Securities and Restricted Definitive Securities. Pursuant to, but subject to the exceptions in, the Registration Rights Agreement, the Company and the Guarantors, if any, will be obligated to consummate an exchange offer pursuant to which the Holder of this Security shall have the right to exchange this Initial Security for a 7 3/8% Senior Subordinated Note due 2014 of the Company which shall have been registered under the Securities Act, in like principal amount and having terms identical in all material respects to this Initial Security (except that such note shall not be entitled to Additional Interest). The Holders shall be entitled to receive certain Additional Interest in the event such exchange offer is not consummated or the Securities are not offered for resale and upon certain other conditions, all pursuant to and in accordance with the terms of the Registration Rights Agreement.(a)

(a) This Section not to appear on Exchange Securities.

SECTION 20. Guarantees. The Securities will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 21. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Securities and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

SECTION 1. Interest. WMG Acquisition Corp., a Delaware corporation (the **"Company"**), promises to pay interest on the principal amount of this Sterling Security at 8 1/8% per annum from April 8, 2004 until maturity. The Company will pay interest semiannually on April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an "**Interest Payment Date**"). Interest on the Sterling Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance; *provided* that if there is no existing Default in the payment of interest, and if this Sterling Security is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further,* that the first Interest Payment Date shall be October 15, 2004. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand to the extent lawful at the interest rate applicable to the Sterling Securities; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30 day months.

SECTION 2. Method of Payment. The Company will pay interest on the Sterling Securities (except defaulted interest) to the Persons who are registered Holders of Sterling Securities at the close of business on the April 1 or October 1 next preceding the Interest Payment Date, even if such Securities are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Sterling Securities will be issued in denominations of £5,000 and integral multiples of £1,000. The Company shall pay principal, premium, if any and interest on the Sterling Securities in such coin or currency of the United Kingdom as at the time of payment is legal tender for payment of public and private debts ("**U.K. Legal Tender**"). Principal, premium, if any, and interest on the Sterling Securities will be payable at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their respective addresses set

forth in the register of Holders; *provided* that all payments of principal, premium and interest with respect to Securities the Holders of which have given wire transfer instructions to the Company prior to the Record Date will be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Company, the Company's office or agency in New York will be the office of the Trustee maintained for such purpose.

SECTION 3. PayingAgent and Registrar. Initially, HSBC Bank plc will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any Affiliate may act in any such capacity.

SECTION 4. Indenture and Subordination. The Company issued the Securities under an Indenture dated as of April 8, 2004 ("**Indenture**") between the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb) (the "**TIA**"). The Securities are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The payment of the Securities will, to the extent set forth in the Indenture, be subordinated in right of payment to the prior payment in full in cash or Cash Equivalents of all Senior Debt.

SECTION 5. Optional Redemption. (a) The Securities may be redeemed, in whole or in part, at any time prior to April 15, 2009, at the option of the Company upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

For purposes of the preceding paragraph, the following terms will have the following definitions:

"Applicable Premium" means, with respect to any Security on any applicable redemption date, the greater of:

(1) 1.0% of the then outstanding principal amount of the Security; and

(2) the excess of:

(a) the present value at such redemption date of (i) the redemption price of the Security at April 15, 2009, as applicable (such redemption price being set forth in the table appearing under paragraph (b)) plus (ii) all required interest payments due on the Security through April 15, 2009, as applicable (excluding accrued but unpaid interest), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(b) the then outstanding principal amount of the Security.

"Treasury Rate" means the yield to maturity as of such redemption date of U.K. Government Securities with a constant maturity (as compiled by the Office for National Statistics and published in the most recent financial statistics that have become publicly available at least two business days in London prior to such redemption date (or, if such financial statistics are no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2009; *provided, however,* that if the period from such redemption date to April 15, 2009 is less than one year, the weekly average yield on actually traded U.K. Government Securities adjusted to a constant maturity of one year shall be used.

(b) On or after April 15, 2009, the Sterling Securities will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2009	104.063%
2010	102.708%
2011	101.354%
2012 and thereafter	100.000%

SECTION 6. Optional Redemption upon Equity Offering. At any time on or prior to April 15, 2007, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Sterling Securities issued under the Indenture (calculated after giving effect to the issuance of Additional Sterling Securities) at a redemption price equal to 108.125% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest thereon, if any, to the redemption date, with the net cash proceeds of Equity Offerings; *provided* that (i) at least 65% of the aggregate principal amount of Sterling Securities issued under the Indenture (calculated after giving effect to the issuance of Additional Sterling Securities) remains outstanding

immediately after the occurrence of such redemption (excluding Sterling Securities held by the Company and its Subsidiaries) and (ii) such redemption shall occur within 90 days of the date of the closing of such Equity Offering (disregarding the date of the closing of any over-allotment option with respect thereto).

SECTION 7. Mandatory Redemption. For the avoidance of doubt, an offer to purchase pursuant to Section 8 hereof shall not be deemed a redemption. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

SECTION 8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Sale and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Securities in accordance with the procedures set forth in the Indenture.

SECTION 9. Notice of Redemption. Notice of redemption will be mailed by first class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at its registered address. Sterling Securities in denominations larger than £5,000 may be redeemed in part. If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount thereof to be redeemed. A new Security in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Security. On and after the redemption date interest ceases to accrue on Securities or portions thereof called for redemption.

SECTION 10. Denominations, Transfer, Exchange. The Sterling Securities are in registered form without coupons in denominations of £5,000 and integral multiples of £1,000. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company or the Registrar is not required to transfer or exchange any Security selected for redemption. Also, the Company or the Registrar is not required to transfer or exchange any Securities for a period of 15 days before a selection of Securities to be redeemed.

SECTION 11. Persons Deemed Owners. The registered Holder of a Security may be treated as its owner for all purposes.

SECTION 12. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Securities may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Securities to, among other things, cure any ambiguity, defect or inconsistency in the Indenture, provide for uncertificated Securities in addition to certificated Securities, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not adversely affect the rights of any Holder of a Security; *provided, however,* that if any amendment, waiver or other modification will only affect the Dollar Securities or the Sterling Securities, only the consent of the Holders of at least a majority in principal amount of the then outstanding Dollar Securities or Sterling Securities (and not the consent of at least a majority of all Securities), as the case may be, shall be required.

SECTION 13. Defaults and Remedies. If a Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities generally may declare all the Securities to be due and payable immediately. Notwithstanding the foregoing, in the case of a Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, with respect to the Company, all outstanding Securities will become due and payable without further action or notice. Holders of the Securities may not enforce the Indenture or the Securities except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Securities then outstanding by notice to the Trustee may on behalf of the Holders of all of the Securities waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of the Securities or in respect of certain covenants set forth in the Indenture.

SECTION 14. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 15. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent corporation or any Guarantor, as such, shall have any liability for any obligations of the Company or the Guarantors under the Securities, the Indenture, the Guarantors' Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

SECTION 16. Trustee Dealings with the Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company, its Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 17. Authentication. This Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 19. Additional Rights of Holders of Restricted Global Securities and Restricted Definitive Securities. Pursuant to, but subject to the exceptions in, the Registration Rights Agreement, the Company and the Guarantors, if any, will be obligated to consummate an exchange offer pursuant to which the Holder of this Security shall have the right to exchange this Initial Security for a 8 1/8% Senior Subordinated Note due 2014 of the Company which shall have been registered under the Securities Act, in like principal amount and having terms identical in all material respects to this Initial Security (except that such note shall not be entitled to Additional Interest). The Holders shall be entitled to receive certain Additional Interest in the event such exchange offer is not consummated or the Securities are not offered for resale and upon certain other conditions, all pursuant to and in accordance with the terms of the Registration Rights Agreement. (a)

(a) This Section not to appear on Exchange Securities.

SECTION 20. Guarantees. The Securities will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 21. CUSIP Numbers, ISINs and Common Codes. The Company has caused CUSIP numbers and ISINs and, in the case of the Sterling Securities, Common Codes to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs and, in the case of the Sterling Securities, Common Codes in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

SECTION 22. Governing Law. **This Security shall be governed by, and construed in accordance with, the laws of the State of New York.**

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture.

Ladies and Gentlemen:

In connection with our proposed purchase of U.S. Dollar-denominated 7 3/8% Senior Subordinated Notes due 2014 and Sterling-denominated 8 1/8% Senior Subordinated Notes due 2014 (the "Securities") of WMG ACQUISITION CORP., a Delaware corporation ("the Issuer"), we confirm that:

1. We have received a copy of the Offering Memorandum (the "Offering Memorandum"), dated April 1, 2004, relating to the Securities and such other information as we deem necessary in order to make our investment decision. We acknowledge that we have read and agreed to the matters stated in the section entitled "Notice to Investors" of such Offering Memorandum, including the restrictions on duplication and circulation of the Offering Memorandum.

2. We understand that any subsequent transfer of the Securities is subject to certain restrictions and conditions set forth in the Indenture relating to the Securities (the "Indenture") as described in the Offering Memorandum and the undersigned agrees to be bound by, and not to resell,

pledge or otherwise transfer the Securities except in compliance with, such restrictions and conditions and the Securities Act of 1933, as amended (the "Securities Act"), and all applicable State securities laws.

3. We understand that the offer and sale of the Securities have not been registered under the Securities Act, and that the Securities may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell any Securities, we will do so only (i) to the Issuer or any of its subsidiaries, (ii) inside the United States in accordance with Rule 144A under the Securities Act to a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (iii) inside the United States to an institutional

"accredited investor" (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to the Trustee (as defined in the Indenture) a signed letter containing certain representations and agreements relating to the restrictions on transfer of the Securities (the form of which letter can be obtained from the Trustee), (iv) outside the United States in accordance with Regulation S promulgated under the Securities Act to non-U.S. persons, (v) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available), (vi) in accordance with another exemption from the registration requirements of the Securities Act (and based upon an opinion of counsel if the Issuer so requests) or (vii) pursuant to an effective registration statement under the Securities Act, and we further agree to provide to any person purchasing any of the Securities from us a notice advising such purchaser that resales of the Securities are restricted as stated herein.

4. We are not acquiring the Securities for or on behalf of, and will not transfer the Securities to, any pension or welfare plan (as defined in Section 3 of the Employee Retirement Income Security Act of 1974, as amended) or plan (as defined in Section 4975 of the Internal Revenue Code of 1986, as amended), except as permitted in the section entitled "Notice to Investors" of the Offering Circular.

5. We understand that, on any proposed resale of any Securities, we will be required to furnish to the Trustee and the Issuer such certification, legal opinions and other information as the Trustee and the Issuer may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Securities purchased by us will bear a legend to the foregoing effect.

6. We are an institutional "accredited investor" (as defined in Rule 501(a)(l), (2), (3) or (7) of Regulation D under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Securities, and we and any accounts for which we are acting are each able to bear the economic risk of our or their investment, as the case may be.

7. We are acquiring the Securities purchased by us for our account or for one or more accounts (each of which is an institutional "accredited investor") as to each of which we exercise sole investment discretion.

You, the Issuer, the Trustee and others are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

2. Exchange Offer

(a) Unless the Exchange Offer would violate applicable law or any applicable interpretation of the staff of the SEC, the Issuers shall use their reasonable best efforts to file with the SEC a Registration Statement (the "Exchange Offer Registration Statement") on an appropriate registration form with respect to a registered offer (the "Exchange Offer") to exchange any and all of the Registrable Securities for a like aggregate principal amount of debt securities of the Company (the "Exchange Notes"), guaranteed on an unsecured senior subordinated basis by the Guarantors, that are identical in all material respects to the Securities, except that (i) the Exchange Securities shall contain no restrictive legend thereon and (ii) interest thereon shall accrue from the last date on which interest was paid on the Securities or, if no such interest has been paid, from the Issue Date, and which are entitled to the benefits of the Indenture or a trust indenture which is identical in all material respects to the Indenture (other than such changes to the Indenture or any such identical trust indenture as are necessary to comply with the TIA) and which, in either case, has been qualified under the TIA. The Exchange Offer shall comply with all applicable tender offer rules and regulations under the Exchange Act and other applicable laws. The Issuers shall (x) use their reasonable best efforts to cause the Exchange Offer Registration Statement to be declared effective under the Securities Act; (y) keep the Exchange Offer open for at least 20 Business Days (or longer if required by applicable law) after the date that notice of the Exchange Offer is mailed to Holders; and (z) consummate the Exchange Offer on or prior to the 360th day following the Issue Date.

Each Holder (including, without limitation, each Participating Broker-Dealer) who participates in the Exchange Offer will be required to represent to the Issuers in writing (which may be contained in the applicable letter of transmittal) that: (i) any Exchange Securities acquired in exchange for Registrable Securities tendered are being acquired in the ordinary

course of business of the Person receiving such Exchange Securities, whether or not such recipient is such Holder itself; (ii) at the time of the commencement or consummation of the, Exchange Offer neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder has an arrangement or understanding with any Person to participate in the distribution of the Exchange Securities in violation of the provisions of the Securities Act; (iii) neither the Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is an "affiliate" (as defined in Rule 405) of the Company or, if it is an affiliate of the Company, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable and will provide information to be included in the Shelf Registration Statement in accordance with Section 5 hereof in order to have their Securities included in the Shelf Registration Statement and benefit from the provisions regarding Additional Interest in Section 4 hereof; (iv) neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is engaging in or intends to engage in a distribution of the Exchange Securities; and (v) if such Holder is a Participating Broker-Dealer, such Holder has acquired the Registrable Securities as a result of market-making activities or other trading activities and that it will comply with the applicable provisions of the Securities Act (including, but not limited to, the prospectus delivery requirements thereunder).

Upon consummation of the Exchange Offer in accordance with this Section 2, the provisions of this Agreement shall continue to apply, mutatis mutandis, solely with respect to Registrable Securities that are Exchange Securities as to which Section 2(c)(iv) is applicable and Exchange Securities held by Participating Broker-Dealers, and the Company shall have no further obligation to register Registrable Securities (other than Exchange Securities as to which clause 2(c)(iv) hereof applies) pursuant to Section 3 hereof.

No securities other than the Exchange Securities shall be included in the Ex-change Offer Registration Statement.

(b) The Issuers shall include within the Prospectus contained in the Exchange Offer Registration Statement a section entitled "Plan of Distribution," which shall contain a summary statement of the positions taken or policies made by the staff of the SEC with respect to the potential "underwriter" status of any broker-dealer that is the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act) of Exchange Securities received by such broker-dealer in the Exchange Offer (a "Participating Broker-Dealer"), whether such positions or policies have been publicly disseminated by the staff of the SEC or such positions or policies represent the prevailing views of the staff of the SEC. Such "Plan of Distribution" section shall also expressly permit, to the extent permitted by applicable policies and regulations of the SEC, the use of the Prospectus by all Persons subject to the prospectus delivery requirements of the Securities Act, including, to the extent permitted by applicable policies and regulations of the SEC, all Participating Broker-Dealers, and include a statement

describing the means by which Participating Broker-Dealers may resell the Exchange Securities in compliance with the Securities Act.

The Issuers shall use their reasonable best efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the Prospectus contained therein in order to permit such Prospectus to be lawfully delivered by all Persons subject to the prospectus delivery requirements of the Securities Act for such period of time as is necessary to comply with applicable law in connection with any resale of the Exchange Securities; provided, however, that such period shall not be required to exceed 90 days or such longer period if extended pursuant to the last paragraph of Section 5 hereof or such time as such Participating Broker-Dealer no longer owns any Registrable Securities (the "Applicable Period").

If any Initial Purchaser determines that it is not eligible to participate in the Exchange Offer with respect to the exchange of Securities constituting any portion of an unsold allotment, at the request of such Initial Purchaser prior to the commencement of the Exchange Offer, the Issuers shall issue and deliver to such Initial Purchaser or the person purchasing Securities registered under a Shelf Registration Statement as contemplated by Section 3 hereof from such Initial Purchaser, in exchange for such Securities, a like principal amount of Registrable Securities or Exchange Securities, as applicable. The Issuers shall use their commercially reasonable efforts to cause the CUSIP Service Bureau to issue the same CUSIP number and International Securities Identification Number ("ISIN") for such Securities as for any Exchange Securities issued pursuant to the Exchange Offer.

In connection with the Exchange Offer, the Issuers shall:

(1) mail, or cause to be mailed, to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(2) use their respective reasonable best efforts to keep the Exchange Offer open for not less than 20 Business Days after the date that notice of the Exchange Offer is mailed to Holders (or longer if required by applicable law);

(3) utilize the services of a depositary for the Exchange Offer with an address in the Borough of Manhattan, The City of New York or, in the case of the Sterling Notes, Amsterdam, London or Luxembourg, which may be the Trustee or an Affiliate of the Trustee;

(4) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer remains open; and

(5) otherwise comply in all material respects with all applicable laws, rules and regulations.

As soon as practicable after the close of the Exchange Offer, the Issuers shall:

(1) accept for exchange all Registrable Securities validly tendered and not validly withdrawn pursuant to the Exchange Offer;

(2) deliver to the Trustee for cancellation all Registrable Securities so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each Holder of Securities or Exchange Securities, as the case may be, equal in principal amount to the Securities of such Holder so accepted for exchange; provided that, in the case of any Securities held in global form by a depositary, authentication and delivery to such depositary of one or more replacement Securities in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer shall not be subject to any conditions, other than that (i) the Exchange Offer does not violate applicable law or any applicable interpretation of the staff of the SEC; (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuers to proceed with the Exchange Offer, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuers; and (iii) all governmental approvals shall have been obtained, which approvals the Issuers deem necessary for the consummation of the Exchange Offer.

The Exchange Securities shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture and which, in either case, has been qualified under the TIA or is exempt from such qualification and shall provide that the Exchange Securities shall not be subject to the transfer restrictions set forth in the Indenture. The Indenture or such indenture shall provide that the Exchange Securities and the Securities shall vote and consent together on all matters as one class and that none of the Exchange Securities or the Securities will have the right to vote or consent as a separate class on any matter.

(c) If, (i) because of any change in law or in currently prevailing interpretations of the staff of the SEC, the Issuers are not permitted to effect the Exchange Offer, (ii) the Exchange Offer is not consummated within 360 days of the Issue Date, (iii) the Initial Purchasers or any other holder of Securities not able to participate in the Exchange Offer due to applicable law so requests in writing to the Company at any time prior to the commencement of the Exchange Offer, or (iv) in the case of any Holder that participates in the Exchange

Offer, such Holder does not receive Exchange Securities on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of the Securities Act) and so notifies the Company within 15 days after such Holder first becomes aware of such restrictions, in the case of each of clauses (i) to and including (iv) of this sentence, then the Issuers shall promptly deliver to the Trustee (to deliver to the Holders) written notice thereof (the "Shelf Notice") and shall file a Shelf Registration pursuant to Section 3 hereof.

3. Shelf Registration

If at any time a Shelf Notice is delivered as contemplated by Section 2(c) hereof, then:

(a) Shelf Registration. The Issuers shall as promptly as practicable file with the SEC a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Registrable Securities (the "Initial Shelf Registration"). The Issuers shall use their reasonable best efforts to file with the SEC the Initial Shelf Registration. The Initial Shelf Registration shall be on Form S-1 or another appropriate form permitting registration of such Registrable Securities for resale by Holders in the manner or manners designated by them (including, without limitation, one underwritten offering).

The Issuers shall use their respective reasonable best efforts to cause the Shelf Registration to be declared effective under the Securities Act within 360 days of the Issue Date and to keep the Initial Shelf Registration continuously effective under the Securities Act until the date that is two years from the Issue Date or such shorter period ending when all Registrable Securities covered by the Initial Shelf Registration have been sold in the manner set forth and as contemplated in the Initial Shelf Registration or, if applicable, a Subsequent Shelf Registration (the "Effectiveness Period"); provided, however, that the Effectiveness Period in respect of the Initial Shelf Registration shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein and shall be subject to reduction to the extent that the applicable provisions of Rule 144(k) are amended or revised to reduce the two year holding period set forth therein. Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Initial Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of an aggregate of 60 consecutive days, three (3) times during any calendar year (each, a "Shelf Suspension Period"), if the Board of Directors of the Company determines reasonably and in good faith that the filing of any such Initial Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the

Board of Directors of the Company, would be detrimental to the Company if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law; provided, however, that any Shelf Registration Suspension Period shall extend the number of days the Shelf Registration Statement or Prospectus is available by an amount equal to the number of days in such Shelf Suspension Period.

(b) Withdrawal of Stop Orders; Subsequent Shelf Registrations. If the Initial Shelf Registration or any Subsequent Shelf Registration ceases to be effective for any reason at any time during the Effectiveness Period (other than because of the sale of all of the Notes registered thereunder), the Issuers shall use their respective reasonable best efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall within 60 days of such cessation of effectiveness amend such Shelf Registration Statement in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional Shelf Registration Statement pursuant to Rule 415 covering all of the Registrable Securities covered by and not sold under the Initial Shelf Registration or an earlier Subsequent Shelf Registration (each, a "Subsequent Shelf Registration"). If a Subsequent Shelf Registration is filed, the Issuers shall use their respective reasonable best efforts to cause the Subsequent Shelf Registration to be declared effective under the Securities Act as soon as practicable after such filing and to keep such subsequent Shelf Registration continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration or any Subsequent Shelf Registration was previously continuously effective. As used herein the term "Shelf Registration" means the Initial Shelf Registration and any Subsequent Shelf Registration.

(c) Supplements and Amendments. The Issuers shall promptly supplement and amend the Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration, if required by the Securities Act, or if reasonably requested by the Holders of a majority in aggregate principal amount of the Registrable Securities (or their counsel) covered by such Registration Statement with respect to the information included therein with respect to one or more of such Holders, or if reasonably requested by any underwriter of such Registrable Securities with respect to the information included therein with respect to such underwriter.

4. Additional Interest

(a) The Issuers and the Initial Purchasers agree that the Holders will suffer damages if the Issuers fail to fulfill their obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision.

Accordingly, the Issuers agree to pay, jointly and severally, as liquidated damages, additional interest on the Notes ("Additional Interest") under the circumstances and to the extent set forth below (each of which shall be given independent effect):

(i) if (a) neither (x) the Exchange Offer is completed, nor (y) if required, the Shelf Registration Statement is declared effective, within, in each case, 360 days of the Issue Date, then Additional Interest shall accrue on the Notes at a rate of 0.25% per annum on the principal amount of such Notes for the first 90 days from and including such specified date and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Notes; or

(ii) notwithstanding that the Issuers have consummated or will consummate an Exchange Offer, if the Issuers are required to file a Shelf Registration Statement and such Shelf Registration Statement is not declared effective on or prior to the 360th day following the date the filing of such Shelf Registration Statement is required or requested pursuant to Section 3(a), then Additional Interest shall accrue on the Notes at a rate of 0.25% per annum of the principal amount of such Notes for the first 90 days from and including such specified date and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Notes; or

(iii) if the Shelf Registration Statement required by Section 3(a) of this Agreement has been declared effective but thereafter ceases to be effective at any time at which it is required to be effective under this Agreement and such failure to remain effective exists for more than the number of days permitted by the second paragraph of Section 3(a), then commencing on the applicable day, following the date on which such Shelf Registration Statement ceases to be effective, Additional Interest shall accrue on the Notes at a rate of 0.25% per annum of the principal amount of such Notes for the first 90 days from and including such day, as applicable, following the date on which such Shelf Registration Statement ceases to be effective and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Notes.

(b) The Issuers shall notify the Trustee within one business day after each and every date on which an event occurs in respect of which Additional Interest is required to be paid (an "Event Date"). Any amounts of Additional Interest due pursuant to (a)(i), (a)(ii) or (a)(iii) of this Section 4 will be payable in cash semiannually on each April 15 and October 15 (to the holders of record on the April 1 and October 1 immediately preceding such

dates), commencing with the first such date occurring after any such Additional Interest commences to accrue. The amount of Additional Interest will be determined by multiplying the applicable Additional Interest rate by the principal amount of the Registrable Securities, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360 day year comprised of twelve 30 day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

5. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuers shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Company hereunder each of the Issuers shall:

(a) Prepare and file with the SEC a Registration Statement or Registration Statements as prescribed by Section 2 or 3 hereof, and use their respective reasonable best efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Company has received prior written notice that it will be a Participating Broker-Dealer in the Exchange Offer, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Issuers shall furnish to and afford the Holders of the Registrable Securities covered by such Registration Statement (with respect to a Registration Statement filed pursuant to Section 3 hereof) or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least two business days prior to such filing).

(b) Prepare and file with the SEC such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period, the Applicable Period or until consummation of the Exchange Offer, as the case may be; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424; and comply with the

provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by an Participating Broker-Dealer covered by any such Prospectus. The Company shall be deemed not to have used its reasonable best efforts to keep a Registration Statement effective if such Issuer voluntarily takes any action that would result in selling Holders of the Registrable Securities covered thereby or Participating Broker-Dealers seeking to sell Exchange Notes not being able to sell such Registrable Securities or such Exchange Notes during that period unless such action is required by applicable law or permitted by this Agreement.

(c) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Company has received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, notify the selling Holders of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel and the managing underwriters, if any, promptly (but in any event within one business day), and confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Company, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if at any time when a prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Securities or resales of Exchange Notes by Participating Broker-Dealers the representations and warranties of the Issuers contained in any agreement (including any underwriting agreement) contemplated by Section 5(n) hereof cease to be true and correct, (iv) of the receipt by any Issuer of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Securities or the Exchange Notes to be sold by any Participating Broker-Dealer for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known that makes any statement made in such Registration Statement or related Prospectus or any document incorporated

or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Issuers' determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) Use their respective reasonable best efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Securities or the Exchange Notes to be sold by any Participating Broker-Dealer, for sale in any jurisdiction, and, if any such order is issued, to use their respective reasonable best efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If a Shelf Registration is filed pursuant to Section 3 and if requested during the Effectiveness Period by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Securities being sold in connection with an underwritten offering or any Participating Broker-Dealer, (i) as promptly as practicable incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders, any Participating Broker-Dealer or counsel for any of them reasonably request to be included therein, (ii) make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment, and (iii) supplement or make amendments to such Registration Statement.

(f) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, furnish to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof) and to each such Participating Broker-Dealer who so requests in writing (with respect to any such Registration Statement) and to their respective counsel and each managing underwriter, if any, at the sole expense of the Company, one conformed copy of the Registration Statement or Registration

Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and all exhibits.

(g) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, deliver to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their respective counsel, and the underwriters, if any, at the sole expense of the Company, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request in writing; and, subject to the last paragraph of this Section 5, the Issuers hereby consent to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers, if any, in connection with the offering and sale of the Registrable Securities covered by, or the sale by Participating Broker-Dealers of the Exchange Notes pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Securities or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use their respective reasonable best efforts to register or qualify, and to cooperate with the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Notes held by Participating Broker-Dealers or Registrable Securities are offered other than through an underwritten offering, the Issuers agree to cause their counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 5(h), keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Exchange Notes held by Participating Broker-Dealers or the Registrable Securities covered by the applicable Registration

Statement; provided, however, that no Issuer shall be required to (A) qualify generally to do business in any jurisdiction where it is not then so qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject.

(i) If a Shelf Registration is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Securities and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The Depository Trust Company and, in the case of the Sterling Notes, the common depositary for Euroclear and Clearstream Banking; and enable such Registrable Securities to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or Holders may request.

(j) Use their respective commercially reasonable efforts to cause the Registrable Securities denominated in pounds sterling covered by the Registration Statement to be registered with or approved by the Luxembourg Stock Exchange and such other governmental agencies or authorities as may be required in connection with such approval.

(k) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by paragraph 5(c)(v) or 5(c)(vi) hereof, as promptly as practicable prepare and (subject to Section 5(a) hereof) file with the SEC, at the sole expense of the Company, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated

therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder (with respect to a Registration Statement filed pursuant to Section 3 hereof) or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer (with respect to any such Registration Statement), any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) Use their respective reasonable best efforts to cause the Registrable Securities covered by a Registration Statement or the Exchange Notes, as the case may be, to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Registrable Securities covered by such Registration Statement or the Exchange Notes, as the case may be, or the managing underwriter or underwriters, if any.

(m) Prior to the effective date of the first Registration Statement relating to the Registrable Securities, (i) provide the Trustee with certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and, in the case of the Sterling Notes, the common depositary for Euroclear and Clearstream Banking and (ii) provide a CUSIP number for the Registrable Securities.

(n) In connection with any underwritten offering of Registrable Securities pursuant to a Shelf Registration, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Securities, and take all such other actions as are reasonably requested by the managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Securities and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuers (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Securities, and confirm the same in writing if and when requested; (ii) obtain the written opinions of counsel to the Issuers, and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions reasonably requested in underwritten offerings; (iii) obtain "cold comfort" letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent certified public accountants of the Issuers (and, if necessary, any other independent certified public accountants of the Issuers, or of any business acquired by the Issuers, for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings of debt securities similar to the Securities; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures no less favorable to the sellers and underwriters, if any, than those set forth in Section 7 hereof (or such other provisions and procedures reasonably acceptable to Holders of a majority in aggregate principal amount of Registrable Securities covered by such Registration Statement and the managing underwriter or underwriters

or agents, if any). The above shall be done at each closing under such under-writing agreement, or as and to the extent required thereunder.

(o) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, make available for inspection by any Initial Purchaser, any selling Holder of such Registrable Securities being sold (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer, as the case may be, any underwriter participating in any such disposition of Registrable Securities, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, or underwriter (any such Initial Purchasers, Holders, Participating Broker-Dealers, underwriters, attorneys, accountants or agents, collectively, the "Inspectors"), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Company and subsidiaries of the Company (collectively, the "Records"), as shall be reasonably necessary to enable them to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Company and any of its subsidiaries to supply all information ("Information") reasonably requested by any such Inspector in connection with such due diligence responsibilities. Each Inspector shall agree in writing that it will keep the Records and Information confidential and that it will not disclose any of the Records or Information that the Company determines, in good faith, to be confidential and notifies the Inspectors in writing are confidential unless (i) the disclosure of such Records or Information is necessary to avoid or correct a misstatement or omission in such Registration Statement or Prospectus, (ii) the release of such Records or Information is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such Records or Information is necessary or advisable, in the opinion of counsel for any Inspector, in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records or Information has been made generally available to the public other than by an Inspector or an "affiliate" (as defined in Rule 405) thereof; provided, however, that prior notice shall be provided as soon as practicable to the Company of the potential disclosure of any information by such Inspector pursuant to clauses (i) or (ii) of this sentence to permit the Company to obtain a protective order (or waive the provisions of this paragraph (o)) and that such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent

with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector.

(p) Provide an indenture trustee for the Registrable Securities or the Exchange Notes, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof, as the case may be, to be qualified under the TIA not later than the effective date of the first Registration Statement relating to the Registrable Securities; and in connection therewith, cooperate with the trustee under any such indenture and

the Holders of the Registrable Securities, to effect such changes (if any) to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use its reasonable best efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable such indenture to be so qualified in a timely manner.

(q) Comply with all applicable rules and regulations of the SEC and make generally available to its securityholders with regard to any applicable Registration Statement, a consolidated earning statement satisfying the provisions of Section 11 (a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Securities are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Company, after the effective date of a Registration Statement, which statements shall cover said 12-month periods.

(r) Upon consummation of the Exchange Offer, obtain an opinion of counsel to the Issuers, in a form customary for underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Securities participating in the Exchange Offer that the Exchange Notes, the related guarantee and the related indenture constitute legal, valid and binding obligations of the Issuers, enforceable against the Issuers in accordance with their respective terms, subject to customary exceptions and qualifications. If the Exchange Offer is to be consummated, upon delivery of the Registrable Securities by Holders to the Company (or to such other Person as directed by the Company), in exchange for the Exchange Notes, the Issuers shall mark, or cause to be marked, on such Registrable Securities that such Registrable Securities are being cancelled in exchange for the Exchange Notes; in no event shall such Registrable Securities be marked as paid or otherwise satisfied.

(s) Cooperate with each seller of Registrable Securities covered by any Registration Statement and each underwriter, if any, participating in the disposition of

such Registrable Securities and their respective counsel in connection with any filings required to be made with the National Association of Securities Dealers, Inc. (the "NASD").

(t) Use their respective reasonable best efforts to take all other steps necessary to effect the registration of the Exchange Notes and/or Registrable Securities covered by a Registration Statement contemplated hereby.

The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish to the Company such information regarding such seller and the distribution of such Registrable Securities as the Company may, from time to time, reasonably request. The Company may exclude from such registration the Registrable Securities of any seller so long as such seller fails to furnish such information within a reasonable time after receiving such request and no penalty (including any Additional Interest) shall be payable by the Issuers as a result of such exclusion. Each seller as to which any Shelf Registration is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of any Issuer, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuers, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Securities and each Participating Broker-Dealer agrees by its acquisition of such Registrable Securities or Exchange Notes to be sold by such Participating Broker-Dealer, as the case may be, that, upon actual receipt of any notice from the Company of the happening of any event of the kind described in Section 5(c)(ii), 5(c)(iv), 5(c)(v), or 5(c)(vi) hereof, such Holder will forthwith discontinue disposition of such Registrable Securities covered by such Registration Statement or Prospectus or Exchange Notes to be sold by such Holder or Participating Broker-Dealer, as the case may be, until such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof, or until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto. In the event that the Issuers shall give any

such notice, each of the Applicable Period and the Effectiveness Period shall be extended by the number of days during such periods from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement or Exchange Notes to be sold by such Participating Broker-Dealer, as the case may be, shall have received (x) the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof or (y) the Advice.

6. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuers shall be borne by the Company, whether or not the Exchange Offer Registration Statement or any Shelf Registration Statement is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with the NASD in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Securities or Exchange Notes and determination of the eligibility of the Registrable Securities or Exchange Notes for investment under the laws of such jurisdictions (x) where the holders of Registrable Securities are located, in the case of the Exchange Notes, or (y) as provided in Section 5(h) hereof, in the case of Registrable Securities or Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Securities or Exchange Notes in a form eligible for deposit with The Depository Trust Company and, in the case of the

Sterling Notes, the common depositary for Euroclear and Clearstream Banking and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, by the Holders of a majority in aggregate principal amount of the Registrable Securities included in any Registration Statement or in respect of Registrable Securities or Exchange Notes to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuers and, in the case of a Shelf Registration, reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Securities selected by the Holder of a majority in aggregate principal amount of Registrable Securities covered by such Shelf Registration retained in connection with such Shelf Registration (which counsel shall be reasonably satisfactory to the Company) (exclusive of any counsel retained pursuant to Section 7 hereof), (v) fees and disbursements of all independent certified public accountants referred to in Section 5(n)(iii) hereof (including, without limitation, the expenses of any "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuers desire such insurance, (vii) fees and expenses of all other Persons retained by the Issuers, (viii) internal expenses of the Issuers (including, without limitation, all salaries and expenses of officers and employees of the Issuers performing legal or accounting duties), (ix) the expense of any annual audit, (x) any fees and expenses incurred in connection

with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable and (xi) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement.

7. Indemnification and Contribution.

(a) Each of the Issuers agree jointly and severally, to indemnify and hold harmless each Holder of Registrable Securities and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, and each Person, if any, who controls such Person or its affiliates within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, a **"Participant")** against any losses, claims, damages or liabilities to which any Participant may become subject under the Securities Act, the Exchange Act or otherwise, insofar as any such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon:

(i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if any of the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus; or

(ii) the omission or alleged omission to state, in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if any of the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any amendment or supplement thereto, a material fact required to be stated therein or necessary to make the statements therein not misleading;

and will reimburse, as incurred, the Participant for any reasonable legal or other expenses incurred by the Participant in connection with investigating, defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action; provided, however, none of the Issuers will be liable in any such case to the extent that any such loss, claim, damage, or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if any of the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any amendment or supplement thereto in reliance upon and in conformity with information relating to any Participant furnished to the Issuers by such Participant specifically for use therein; provided, further, that with respect to any untrue statement or omission from any preliminary prospectus, the indemnity agreement contained in this paragraph (a) shall not inure to the benefit of any Participant to the extent that the sale to the person asserting any such loss, claim, damage or liability was an initial resale by such Participant and any such loss, claim, damage or liability of or with respect to such Participant results from the fact that both (i) a copy of the Prospectus was not sent or given to such person at or prior to the written

confirmation of the sale of such Securities to such person and (ii) the untrue statement in or omission from such preliminary prospectus was corrected in the Prospectus unless, in either case, such failure to deliver the Prospectus was a result of non-compliance by the Issuer with its obligations under this Agreement. The indemnity provided for in this Section 7 will be in addition to any liability that the Issuers may otherwise have to the indemnified parties. The Issuers shall not be liable under this Section 7 for any settlement of any claim or action effected without their prior written consent, which shall not be unreasonably withheld.

(b) Each Participant, severally and not jointly, agrees to indemnify and hold harmless the Issuers, their directors, their officers and each person, if any, who controls the Issuers within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which the Issuers or any such director, officer or controlling person may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement or Prospectus, any amendment or supplement thereto, or any preliminary prospectus, or (ii) the omission or the alleged omission to state therein a material fact necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning such Participant, furnished to the Issuers by the Participant, specifically for use therein; and subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any reasonable legal or other expenses incurred by the Issuers or any such director, officer or controlling person in connection with investigating or defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action in respect thereof. The indemnity provided for in this Section 7 will be in addition to any liability that the Participants may otherwise have to the indemnified parties. The Participants shall not be liable under this Section 7 for any settlement of any claim or action effected without their consent, which shall not be unreasonably withheld. The Issuers shall not, without the prior written consent of such Participant, effect any settlement or compromise of any pending or threatened proceeding in respect of which such Participant is or could have been a party, or indemnity could have been sought hereunder by such Participant, unless such settlement (A) includes an unconditional written release of such Participant, in form and substance reasonably satisfactory to such Participant, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of such Participant.

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 7, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 7, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party

(i) will not relieve it from any liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of material rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 7 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the expenses of more than one separate counsel in any one action or separate but substantially similar actions arising out of the same general allegations or circumstances, designated by Participants who sold a majority in interest of the Registrable Securities and Exchange Securities sold by all such Participants in the case of paragraph (a) of this Section 7 or the Issuers in the case of paragraph (b) of this Section 7, representing the indemnified parties under such paragraph (a) or paragraph (b), as the case may be, who are parties to such action or actions) or (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party. All fees and expenses reimbursed pursuant to this paragraph (c) shall be reimbursed as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnified party waived in writing its rights under this Section 7, in which case the indemnified party may effect such a settlement without such consent.

(d) In circumstances in which the indemnity agreement provided for in the preceding paragraphs of this Section 7 is unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), each indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Notes or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof). The relative benefits received by the Company on the one hand and such Participant on the other shall be deemed to be in the same proportion as the total proceeds from the offering (before deducting expenses) of the Notes received by the Company bear to the proceeds (which shall include any expenses paid by the Issuers) received by such Participant in connection with the sale of the Notes. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand, or the Participants on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission, and any other equitable considerations appropriate in the circumstances. The parties agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this paragraph (d). Notwithstanding any other provision of this paragraph (d), no Participant shall be obligated to make contributions hereunder that in the aggregate exceed the proceeds (which shall include any expenses paid by the Issuers) received by such Participant in connection with the sale of the Notes, less the aggregate amount of any damages that such Participant has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact, and no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls a Participant within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Participants, and each director of the Issuers, each officer of the Issuers and each person, if any, who controls the Issuers within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Issuers.

8. Rules 144 and 144A

The Issuers covenant and agree that they will file the reports required to be filed by them under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Company or any Guarantor is not required to file such reports, the Company or such Guarantor, as the case may be, will, upon the request of any Holder or beneficial owner of Registrable Securities, make available such information necessary to permit sales pursuant to Rule 144A. The Issuers further covenant and agree, for so long as any Registrable Securities remain outstanding that they will take such further action as any Holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144(k) under the Securities Act and Rule 144A.

9. Underwritten Registrations

If any of the Registrable Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Securities included in such offering; provided that such investment banker or investment bankers and manager or managers is or are reasonably acceptable to the Company.

No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements, custody agreements, lock-up agreements and other documents required under the terms of such underwriting arrangements.

10. Miscellaneous

(a) No Inconsistent Agreements. None of the Issuers has, as of the date hereof, and none of the Issuers shall, after the date of this Agreement, enter into any agreement with respect to any of its securities that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Issuers' other issued and outstanding securities under any such agreements. None of the Issuers will enter into any agreement with respect to any of their securities which will grant to any Person piggy-back registration rights with respect to any Exchange Offer Registration Statement.

(b) Adjustments Affecting Registrable Securities. The Issuers shall not, directly or indirectly, take any action with respect to the Registrable Securities as a class that would adversely affect the ability of the Holders of Registrable Securities to include such Registrable Securities in a registration undertaken pursuant to this Agreement.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, otherwise than with the prior written consent of (I) the Issuers, and (II) (A) the Holders of not less than a majority in aggregate principal amount of the then outstanding Registrable Securities and (B) in circumstances that would adversely affect the Participating Broker-Dealers, the Participating Broker-Dealers holding not less than a majority in aggregate principal amount of the Exchange Notes held by all Participating Broker-Dealers; provided, however, that Section 7 and this Section 10(c) may not be amended, modified or supplemented without the prior written consent of each Holder and each Participating Broker-Dealer (including any person who was a Holder or Participating Broker-Dealer of Registrable Securities or Exchange Notes, as the case maybe, disposed of pursuant to any Registration Statement) affected by any such amendment, modification or supplement. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Securities whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect, impair, limit or compromise the rights of other Holders of Registrable Securities may be given by Holders of at least a majority in aggregate principal amount of the Registrable Securities being sold pursuant to such Registration Statement.

Exhibit 5.1

January 21, 2005

WMG Acquisition Corp.
75 Rockefeller Plaza
New York, NY 10019

Ladies and Gentlemen:

We have acted as counsel to WMG Acquisition Corp., a Delaware corporation (the "Company"), and to the guarantors listed on Schedule 1 hereto (individually, a "Covered Guarantor" and collectively, the "Covered Guarantors") and the guarantor listed on Schedule II hereto (the "Excluded Guarantor" and together with the Covered Guarantors, the "Guarantors") in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by the Company and the Guarantors with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, relating to the issuance by the Company of $465,000,000 aggregate principal amount of $7^3/_8$% Senior Subordinated Notes due 2014 and £100,000,000 aggregate principal amount of $8^1/_8$% Senior Subordinated Notes due 2014 (the "Exchange Securities") and the issuance by the Guarantors of guarantees (the "Guarantees") with respect to the Exchange Securities. The Exchange Securities and the Guarantees will be issued under an indenture dated as of April 8, 2004 (the "Indenture") among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Exchange Securities will be offered by the Company in exchange for $465,000,000 aggregate principal amount of its outstanding $7^3/_8$% Senior Subordinated Notes due 2014 and £100,000,000 aggregate principal amount of its outstanding $8^1/_8$% Senior Subordinated Notes due 2014 (the "Securities").

We have examined the Registration Statement and the Indenture, which has been filed with the Commission as an exhibit to the Registration Statement. We also have examined the originals, or duplicates or certified or conformed copies, of such corporate records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Company and the Guarantors.

In rendering the opinions set forth below, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates

---

or certified or conformed copies and the authenticity of the originals of such latter documents. We also have assumed that the Indenture is the valid and legally binding obligation of the Trustee.

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. When the Exchange Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture upon the exchange, the Exchange Securities will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms.

2. When (a) the Exchange Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture upon the exchange and (b) the Guarantees have been duly issued, the Guarantees will constitute valid and legally binding obligations of the Covered Guarantors enforceable against the Covered Guarantors in accordance with their terms.

Our opinions set forth above are subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law) and (iii) an implied covenant of good faith and fair dealing.

Insofar as the opinions expressed herein relate to or are dependent upon matters governed by (1) the law of the State of California, (2) the law of the State of Wyoming and (3) the law of the State of Tennessee, we have relied upon (x) the opinion of Gelfand Stein & Wasson LLP, (y) the opinion of Holland & Hart LLP and (z) Baker, Donelson, Bearman, Caldwell & Berkowitz, PC, respectively, each dated the date hereof.

We do not express any opinion herein concerning any law other than the law of the State of New York, the federal law of the United States, and the Delaware General Corporation Law (including the statutory provisions, all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting the foregoing), and to the extent set forth herein the laws of the State of California, Wyoming and Tennessee.

We hereby consent to the filing of this opinion letter as Exhibit 5 to the Registration Statement and to the use of our name under the caption "Legal Matters" in the Prospectus included in the Registration Statement.

Very truly yours,

SIMPSON THACHER & BARTLETT LLP

The Exchange Securities and the Guarantees will be issued under an indenture dated as of April 8, 2004 (the "Indenture") among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Exchange Securities will be offered by the Company in exchange for $465,000,000 aggregate principal amount of its outstanding $7\frac{3}{8}\%$ Senior Subordinated Notes due 2014 and £100,000,000 aggregate principal amount of its outstanding $8\frac{1}{8}\%$ Senior Subordinated Notes due 2014.

This opinion is not rendered with respect to any laws other than the laws of the State of New Jersey and New York and the federal laws of the United States.

We express no opinion herein as to the applicability or effect of (i) any bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, or (ii) general principles of equity, including, without limitation, concepts of reasonableness, materiality, good faith and fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies, regardless of whether enforceability is considered in a proceeding in equity or at law.

To the extent that matters of fact are involved in the conclusions expressed in the opinions set forth above, such opinions are based upon certificates and statements of public officials and of officers of the Covered Guarantor, without independent investigation by us. Ladies and Gentlemen:

We have acted as special Wyoming counsel to WMG Acquisition Corp., a Delaware corporation (the "Company"), and to Summy-Birchard, Inc., a Wyoming corporation, a wholly-owned subsidiary of the Company and one of the guarantors listed on Schedule I hereto (individually, a "Covered Guarantor" and collectively with all of the guarantors listed on Schedule I hereto, the "Covered Guarantors"). The Covered Guarantors along with the guarantors listed on Schedule II hereto (the "Excluded Guarantors") are, together with the Covered Guarantors, referred to herein as the "Guarantors". Summy-Birchard, Inc. is sometimes referred to herein as the "Guarantor". This opinion is rendered in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by the Company and the Guarantors with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (the "Act"), as amended, relating to the issuance by the Company of $465,000,000 aggregate principal amount of $7^{3}/_{8}$% Senior Subordinated Notes due 2014 and £100,000,000 aggregate principal amount of $8^{1}/_{8}$% Senior Subordinated Notes due 2014 (the "Exchange Securities") and the issuance by the Guarantors of guarantees (the "Guarantees"), including without limitation by the Guarantor of its Guarantee of even date with the Indenture described below (the "Guarantee"), with respect to the Exchange Securities. The Exchange Securities and the Guarantees will be issued under an indenture dated as of April 8, 2004 (the "Indenture") among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Exchange Securities will be offered by the Company in exchange for $465,000,000 aggregate principal amount of its outstanding $7^{3}/_{8}$% Senior Subordinated Notes due 2014 and £100,000,000 aggregate principal amount of its outstanding $8^{1}/_{8}$% Senior Subordinated Notes due 2014 (the "Securities").

We have examined the Guarantee, as well as the Registration Statement and the Indenture, which has been filed with the Commission as an exhibit to the Registration Statement. We also have examined the originals, or duplicates or certified or conformed copies, of such corporate records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact

---

material to this opinion, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Company and the Guarantor, including without limitation the organizational documents of the Guarantor on file with the Wyoming Secretary of State's Office or which have been provided to us by the Company or the Guarantor and authorizing resolutions of the Guarantor dated March 31, 2004 as to its execution, delivery, issuance and performance of the Guarantee and the Indenture (the "Resolutions").

In rendering the opinions set forth below, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents. We also have assumed that the Indenture is the valid and legally binding obligation of the Trustee and the other parties thereto, enforceable in accordance with its terms, that the Trustee has required that the Guarantee be issued by the Guarantor as a condition to the Trustee's entry into the Indenture, that the Guarantee would be governed by Wyoming law, and that the Exchange Securities constitute the valid and legally binding obligation of the Company, enforceable in accordance with their respective terms.

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. The Guarantor has duly authorized, executed and delivered the Guarantee and the Indenture.

2. When (a) the Exchange Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture upon the exchange, and (b) the Guarantee has been duly executed, issued and delivered by the Guarantor, the Guarantee will constitute a valid and legally binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms.

3. Execution, delivery and performance by the Guarantor of the Indenture and the Guarantee do not and will not violate the laws of the State of Wyoming.

Our opinions set forth above are subject to (i) the effects of bankruptcy, avoidance, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally (including such limitations as may deny giving effect to waivers of a debtor's or guarantor's rights, (ii) general equitable principles (whether considered in a proceeding in equity or at law), (iii) an implied covenant of good faith and fair dealing, and (iv) certain applicable

laws and judicial rulings that may limit, impair or delay the enforcement of certain remedies, waivers or other provisions of the Guarantee and the Indenture, but which will not in our opinion substantially interfere with the practical realization of the benefits intended to be conferred by the Guarantee.

Our opinions are based on the laws of the State of Wyoming as of the date hereof and upon facts now known to us, and we expressly disavow any obligation to advise you with respect to future changes in law or in our knowledge or with respect to any event or change of condition occurring subsequent to the date of this letter. This letter is limited to the matters expressed herein and no other opinions may be implied. Specifically, no opinion is expressed herein regarding the effect of or compliance with securities laws. This opinion is provided as a legal opinion only, effective as of the date of this letter, and does not constitute an opinion as to matters of fact or as a guaranty or warranty of the matters discussed herein.

Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the relevant Borrower requests a

(c) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan unless the Company pays the amount due, if any, under Section 3.05 in connection therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that no Loans denominated in Dollars may be converted to or continued as Eurodollar Rate Loans.

(d) The Administrative Agent shall promptly notify the relevant Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the relevant Borrower and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

Unless otherwise directed by the L/C Issuer, no Borrower shall be required to make a specific request to the L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided* that the L/C Issuer shall not permit any such renewal if (A) the L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has

received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Nonrenewal Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such renewal or (2) from the Administrative Agent, any Revolving Credit Lender or any Borrower that one or more of the applicable conditions specified in Section 4.03 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the relevant Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the relevant Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in an Alternative Currency, the applicable Borrower shall reimburse the L/C Issuer in such Alternative Currency, unless (A) the L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (B) in the absence of any such requirement for reimbursement in Dollars, the Company shall have notified the L/C Issuer promptly following receipt of the notice of drawing that the Company will reimburse the L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the L/C Issuer shall notify the Company of the Dollar Amount of the drawing promptly following the determination thereof. Not later than 11:00 a.m. on the date of any payment by the L/C Issuer under a Letter of Credit to be reimbursed in Dollars, or the Applicable Time on the date of any payment by the L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date, an **"Honor Date"**), such Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing; *provided* that if such notice is not provided to such Borrower prior to such time on

the Honor Date, then such Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in such currency on the next succeeding Business Day and such extension of time shall be reflected in computing fees in respect of any such Letter of Credit. If such Borrower fails to reimburse the L/C Issuer by such time with respect to a Letter of Credit of any Class, the Administrative Agent shall promptly notify each Revolving Credit Lender of such Class of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the Dollar Amount thereof in the case of a Letter of Credit denominated in an Alternative Currency) (the **"Unreimbursed Amount"**), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, the relevant Borrower shall be deemed to have requested a Revolving Credit Borrowing of the applicable Class consisting of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Revolving Credit Commitments of such Class and the conditions set forth in Section 4.03 (other than the delivery of a Committed Loan Notice). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack

of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Upon any notice pursuant to Section 2.03(c)(i) with respect to a Letter of Credit of any Class, each Revolving Credit Lender of such Class (including the Lender acting as L/C Issuer) shall make funds available to the Administrative Agent for the account of the L/C Issuer, in Dollars, at the Administrative Agent's Office for Dollar-denominated payments in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan of such Class (which shall be a Base Rate Loan) to the relevant Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer, or if requested by the L/C Issuer, the equivalent amount thereof in an Alternative Currency as determined by the Administrative Agent at such time on the basis of the Spot Rate (determined as of such funding date) for the purchase of such Alternative Currency with Dollars.

(iii) With respect to any Unreimbursed Amount under a Letter of Credit of any Class that is not fully refinanced by a Revolving Credit Borrowing of such Class because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the relevant Borrower shall be deemed to have incurred from the L/C Issuer (x) with respect to any Unreimbursed Amounts under a Tranche A Letter of Credit, a Tranche A L/C Borrowing and (y) with respect to any Unreimbursed Amounts under a Tranche B Letter of Credit, a Tranche B L/C Borrowing, in each case in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute (x) in the case of payments with respect to Tranche A L/C Borrowings, a Tranche A L/C Advance and (y) in the case of payments with respect to Tranche B L/C Borrowings, a Tranche B L/C Advance, in each case from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer,

any Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.03 (other than delivery by the relevant Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the relevant Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.* (i) If, at any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the relevant Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

(e) *Obligations Absolute.* The obligation of any Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute,

unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the relevant Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the relevant Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the relevant Borrower;

provided that the foregoing shall not excuse the L/C Issuer from liability to such Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by such Borrower to the extent permitted by applicable law) suffered by such Borrower that are caused by the L/C Issuer's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. Each Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will promptly notify the

L/C Issuer. Each Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) *Role of L/C Issuer.* Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of the L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, each Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to such Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower which such Borrower proves were caused by the L/C Issuer's willful misconduct or gross negligence or the L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* Upon the request of the Administrative Agent, (i) if the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing and the conditions set forth in Section 4.03 to a Revolving Credit Borrowing cannot then be met, or (ii) if, as of the Letter of Credit Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, the relevant Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such L/C Borrowing or the Letter of Credit Expiration Date, as the case may be). For purposes hereof, **"Cash Collateralize"** means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Lenders, as collateral for the L/C Obligations, cash or deposit account balances **("Cash Collateral")** pursuant to documentation in

form and substance reasonably satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Each Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the relevant Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at Bank of America as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable law, to reimburse the L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the relevant Borrower.

(h) *Applicability of ISP98 and UCP.* Unless otherwise expressly agreed by the L/C Issuer and the relevant Borrower when a Letter of Credit is issued, (i) the rules of the "International Standby Practices 1998" published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce (the "**ICC**") at the time of issuance shall apply to each commercial Letter of Credit.

(i) *Letter of Credit Fees.* Each Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender of any Class in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit of such Class issued for the account of such Borrower equal to the Applicable Rate times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(j) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer.* Each Borrower shall pay directly to the L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued for the account of such Borrower equal to 0.125% per annum of

the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, each Borrower shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five (5) Business Days of demand and are nonrefundable.

(k) *Conflict with Letter of Credit Application.* In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

Section 2.04. *Swing Line Loans.* (a) *The Swing Line.* Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans (each such loan, a **"Swing Line Loan"**) to any Borrower from time to time on any Business Day (other than the Closing Date) until the Maturity Date in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Commitment; *provided* that after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Tranche A Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all Tranche A L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Tranche A Revolving Credit Commitment; *provided* further that the Borrowers shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, any Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Tranche A Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the relevant Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the relevant Borrower. Promptly after receipt by the Swing Line Lender of any telephonic

Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Tranche A Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.03 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the relevant Borrower.

(c) *Refinancing of Swing Line Loans.* (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the relevant Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Tranche A Revolving Credit Lender make a Tranche A Revolving Credit Loan (which shall be a Base Rate Loan) in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Tranche A Revolving Credit Commitments and the conditions set forth in Section 4.03. The Swing Line Lender shall furnish the relevant Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Tranche A Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office for Dollar denominated payments not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Tranche A Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the relevant Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Tranche A Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Tranche A Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Tranche A Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Tranche A Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to

be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Tranche A Revolving Credit Lender's obligation to make Tranche A Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the relevant Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Tranche A Revolving Credit Lender's obligation to make Tranche A Revolving Credit Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.03. No such funding of risk participations shall relieve or otherwise impair the obligation of the relevant Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.* (i) At any time after any Tranche A Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Tranche A Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until each Tranche A Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

Section 2.05. *Prepayments.* (a) *Optional.* (i) Any Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Administrative Agent not later than 12:30 p.m. (Charlotte, North Carolina time, or London, England time in the case of Loans denominated in an Alternative Currency) (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurodollar Rate Loans shall be in a principal amount of $2,000,000 or a whole multiple of $500,000 in excess thereof (or comparable amounts determined by the Administrative Agent in the case of Alternative Currency Loans); and (3) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. If such notice is given by a Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required

pursuant to Section 3.05. Each prepayment of principal of, and interest on, Alternative Currency Loans shall be made in the relevant Alternative Currency. Each prepayment of the Loans pursuant to this Section 2.05(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) Any Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of $100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by any Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the relevant Borrower may rescind any notice of prepayment under Section 2.05(a)(i) or 2.05(a)(ii) if such prepayment would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or shall otherwise be delayed.

(b) *Mandatory.* (i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b), the Company shall cause to be prepaid an aggregate Dollar Amount of Term Loans in an amount equal to 50% of Excess Cash Flow, if any, for the fiscal year

covered by such financial statements (commencing with the fiscal year ended November 30, 2004, which fiscal year shall be for the period from the Closing Date through November 30, 2004); *provided* that such percentage shall be reduced to (x) 25% if the Leverage Ratio as of the last day of the immediately preceding four fiscal quarters was less than 4.0:1 and (y) 0% if the Leverage Ratio as of the last day of the immediately preceding four fiscal quarters was less than 3.5:1.

(ii) (A) If (x) Holdings, the Company or any of its Restricted Subsidiaries Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d) (to the extent constituting a Disposition by any Restricted Subsidiary that is not a Loan Party to a Loan Party), (e), (g), (h), (i), or (j)) or (y) any Casualty Event occurs, which in the aggregate results in the realization or receipt by Holdings, the Company or such Restricted Subsidiary of Net Cash Proceeds, in excess of $1,000,000 in any fiscal year, the Company shall cause to be prepaid on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds an aggregate Dollar Amount of Term Loans in an amount equal to 100% of all Net Cash Proceeds received; *provided* that no such prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) if, on or prior to such date, the Company shall have given written notice to the Administrative Agent of its intention to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 2.05(b)(ii)(B) (which election may only be made if no Event of Default has occurred and is then continuing);

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than (x) any Disposition specifically excluded from the application of Section 2.05(b)(ii)(A) and (y) any Disposition of Securitization Assets permitted by Section 7.05(1)) or any Casualty Event, at the option of the Company, and so long as no Event of Default shall have occurred and be continuing, the Company may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) three hundred and sixty-five (365) days following receipt of such Net Cash Proceeds or (y) if the Company enters into a contract to reinvest such Net Cash Proceeds within three hundred and sixty-five (365) days following receipt thereof, within one hundred and eighty (180) days of the date of such contract; *provided* that if any Net Cash Proceeds are no longer intended to be so reinvested at any time after delivery of a notice of reinvestment election, an amount equal to any such Net Cash Proceeds shall be immediately applied to the prepayment of the Term Loans as set forth in this Section 2.05.

(iii) On or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds, the Company shall cause to be prepaid an aggregate Dollar Amount of Term Loans in an amount equal to 50% of all Net Cash Proceeds received from any Specified Equity Issuance; *provided* that such percentage shall be reduced to 25% if the Leverage Ratio as of the last day of the prior fiscal quarter was less than 3.5:1.00.

(iv) If Holdings, the Company or any of its Restricted Subsidiaries incurs or issues (A) any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, (B) any Permitted Subordinated Indebtedness permitted to be incurred under Section 7.03(a)(iii)(B), or (C) Indebtedness permitted to be incurred under Section 7.03(b)(vi)(B), the Company shall cause to be prepaid an aggregate Dollar Amount of Term Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds; *provided* that such percentage shall be reduced to 75% if the Leverage Ratio as of the last day of the prior fiscal quarter was less than 3.0:1.00.

(v) If for any reason the aggregate Outstanding Amount of the Revolving Credit Loans of any Class and the L/C Obligations of such Class and, in the case of the Tranche A Revolving Credit Commitments, the Swing Line Loans, at any time exceeds the aggregate Revolving Credit Commitments of such Class then in effect (other than as a result of the determination of the Dollar Amount pursuant to Section 2.17, in which case the provisions of Section 2.17(c) shall apply), the Borrowers shall immediately prepay Revolving Credit Loans of such Class and/or Cash Collateralize the L/C Obligations of such Class and/or, in the case of an excess over the Tranche A Revolving Credit Commitments, prepay Swing Line Loans in an aggregate amount equal to such excess; *provided* that the Borrowers shall not be required to Cash Collateralize the L/C Obligations of any Class pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Revolving Credit Loans of such Class and (in the case of Tranche A L/C Obligations) Swing Line Loans such aggregate Outstanding Amount exceeds the aggregate Revolving Credit Commitments of such Class then in effect.

(vi) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied, first, in direct order of maturities, to any principal repayment installments of the Term Loans that are due within twelve (12) months after the date of such prepayment, second, on a pro-rata basis, to the other principal repayment installments of the Term Loans; and each such prepayment shall be paid to the Lenders in accordance with

their respective Pro Rata Shares (prior to giving effect to any rejection by any Term Lender of any such prepayment pursuant to clause (vii) below), subject to clause (vii) of this Section 2.05(b).

(vii) The Company shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (iv) of this Section 2.05(b) at least (x) in the case of prepayments of Term Loans which are Base Rate Loans, three (3) Business Days and (y) in the case of prepayments of Term Loans which are Eurodollar Rate Loans, five (5) Business Days, in each case prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Company's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Any Term Lender (a **"Declining Lender",** and any Term Lender which is not a Declining Lender, an **"Accepting Lender"**) may elect, by

delivering, not less than (x) in the case of prepayments of Term Loans which are Base Rate Loans, one (1) Business Day and (y) in the case of prepayments of Term Loans which are Eurodollar Loans, three (3) Business Days, in each case prior to the proposed prepayment date, a written notice that any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender pursuant to clauses (i) through (iv) of this Section 2.05(b) not be made, in which event the portion of such prepayment which would otherwise have been applied to the Term Loans of the Declining Lenders shall instead be retained by the Borrowers.

(viii) *Funding Losses, Etc.* All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05. Notwithstanding any of the other provisions of Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, the relevant Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

Section 2.06. *Termination or Reduction of Commitments. (a) Optional.* The Borrowers may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class; *provided* that (i) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $500,000 or any whole multiple of $100,000 in excess thereof and (iii) if, after giving effect to any reduction of the Commitments (x) the Letter of Credit Sublimit exceeds the aggregate amount of the Revolving Credit Commitments or (y) the Swing Line Sublimit exceeds the amount of the Tranche A Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess. The amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit unless otherwise specified by the Company. Notwithstanding the foregoing, the Company may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.* The Term Commitment of each Term Lender shall be automatically and permanently reduced to $0 on the ARCA Effective Date.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit, or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

Section 2.07. *Repayment of Loans.* (a) *Term Loans.* The Borrowers shall repay to the Administrative Agent for the ratable account of the Term Lenders the aggregate Dollar Amount of all Term Loans outstanding in twenty-eight (28) consecutive quarterly installments as follows (which installments shall (i) be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05 and (ii) be payable on the last Business Day of each month set forth below):

provided that the final principal repayment installment of the Term Loans shall be repaid on the Maturity Date and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date.

(b) *Revolving Credit Loans.* Each Borrower shall repay to the Administrative Agent for the ratable account of the applicable Revolving Credit Lenders of each Class on the Maturity Date for the Revolving Credit Commitments of such Class the aggregate principal amount of all of its Revolving Credit Loans of such Class outstanding on such date.

(c) *Swing Line Loans.* Each Borrower shall repay its Swing Line Loans on the earlier to occur of (i) the date five (5) Business Days after such Loan is made and (ii) the Maturity Date.

Section 2.08. *Interest.* (a) Subject to the provisions of Section 2.08(b), (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period plus the Applicable Rate *plus* (in the case of a Eurodollar Rate Loan of any Lender which is lent from a Lending Office in the United Kingdom or a Participating Member State) the Mandatory Cost; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans.

(b) While any Event of Default set forth in Section 8.01(a) or (f) exists, each Borrower shall pay interest on the principal amount of all of its outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09. *Fees.* In addition to certain fees described in Sections 2.03(i) and (j):

(a) *Commitment Fee.* The Company shall pay to the Administrative Agent for the account of each Revolving Credit Lender of each Class in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Rate times the actual daily amount by which the aggregate Revolving Credit Commitments of such Class exceed the sum of (A) the Outstanding Amount of Revolving Credit Loans of such Class and (B) the Outstanding Amount of L/C Obligations of such Class; *provided* that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Company so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Company prior to such time; and *provided further* that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee shall accrue at all times from the date hereof until the Maturity Date, including at any time during which one or more of the conditions in Article 4 is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for the applicable Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Other Fees.* The Company shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

Section 2.10. *Computation of Interest and Fees.* All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America's "prime rate" and for Alternative Currency Loans denominated in Sterling shall be made on the basis of a year of three hundred and sixty-five (365) or three hundred and sixty-six (366) days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a three hundred and sixty-five (365) day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made

shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11. *Evidence of Indebtedness.* (a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the

Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12. *Payments Generally.* (a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to principal of and interest on Loans denominated in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. The Administrative

Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent (i) after 2:00 p.m., in the case of payments in Dollars, or (ii) after the Applicable Time specified by the Administrative Agent in the case of payments in an Alternative Currency, shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurodollar Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless any Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that such Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that such Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if any Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the relevant Borrower to the date such amount is recovered by the Administrative Agent (the **"Compensation Period"**) at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the relevant Borrower, and the relevant

Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to

fulfill its Commitment or to prejudice any rights which the Administrative Agent or any Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or any Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article 2, and such funds are not made available to the relevant Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article 4 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13. *Sharing of Payments.* If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations

or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14. *Designation of Overseas Borrower; Termination of Designations.* (a) The Company may from time to time designate any Qualified Foreign Subsidiary as an additional Overseas Borrower for purposes of this Agreement by delivering to the Administrative Agent an Election to Participate duly executed on behalf of such Subsidiary and the Company in such number of copies as the Administrative Agent may request. The Administrative Agent shall promptly notify the Lenders of its receipt of any such Election to Participate.

(b) The Company may at any time terminate the status of any Subsidiary as an Overseas Borrower for purposes of this Agreement by delivering to the Administrative Agent an Election to Terminate duly executed on behalf of such Subsidiary and the Company in such number of copies as the Administrative Agent may request. The delivery of such an Election to Terminate shall not affect any obligation of such Subsidiary theretofore incurred under this Agreement or any other Loan Document or any rights of the Lenders and the Agents against such Subsidiary or against the Company in its capacity as guarantor of the obligations of such Subsidiary. The Administrative Agent shall promptly notify the Lenders of its receipt of any such Election to Terminate.

Section 2.15. *Increase in Revolving Credit Commitments.* (a) Provided there exists no Default, upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Company may on up to three (3) different occasions request an increase in the Revolving Credit Commitments of either Class; *provided* that (i) after giving effect to any such increase in the Revolving Credit Commitments, the aggregate amount of increased Commitments that have been

effected pursuant to this Section 2.15 shall not exceed $100,000,000 and (ii) any such increase shall be in an aggregate amount of $5,000,000 or any whole multiple of $1,000,000 in excess thereof. At the time of the sending of such notice, the Company (in consultation with the Administrative Agent) shall specify the time period within which each Revolving Credit Lender of the applicable Class is requested to respond (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the Revolving Credit Lenders). Each Revolving Credit Lender of the applicable Class shall notify the Administrative Agent within such time period whether or not it agrees to increase its Revolving Credit Commitment of such Class and, if so, whether by an amount equal to, greater than, or less than its Pro Rata Share of such requested increase. Any Revolving Credit Lender of the applicable Class not responding within such time period shall be deemed to have declined to increase its Revolving Credit Commitment of such Class. The Administrative Agent shall notify the Company and each Revolving Credit Lender of the applicable Class of the Revolving Credit Lenders' responses to each request made hereunder. To achieve the full amount of a requested increase, the Company may also invite additional Eligible Assignees to become Revolving Credit Lenders of the applicable Class pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and its counsel.

(b) If the Revolving Credit Commitments of any Class are increased in accordance with this Section 2.15, the Administrative Agent and the Company shall determine the effective date (the "**Revolving Credit Commitments Increase Effective Date**") and the final allocation of such increase. The Administrative Agent shall promptly notify the Company and the Revolving Credit Lenders of the final allocation of such increase and the Revolving Credit Commitments Increase Effective Date. As a condition precedent to such increase, the Company shall deliver to the Administrative Agent a certificate of the Company dated as of the Revolving Credit Commitments Increase Effective Date signed by a Responsible Officer of the Company certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article 5 and the other Loan Documents are true and correct in all material respects on and as of the Revolving Credit Commitments Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date, and except that for purposes of this Section 2.15, the representations and warranties contained in subsections (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to subsections (a) and (b), respectively, of Section 6.01, and (B) no Default exists. On each Revolving Credit Commitments Increase Effective Date, each of the Lenders having a Revolving Credit Commitment of the applicable Class prior to such Revolving Credit Commitments Increase Effective Date (the "**Pre-Increase Revolving Lenders**") shall assign to any Lender which is acquiring a new or additional Revolving Credit Commitment of such Class on the Revolving Credit Commitments Increase Effective Date (the "**Post-Increase Revolving Lenders**"), and such Post-Increase Revolving Lenders shall purchase from each Pre-Increase Revolving Lenders, at the principal amount thereof, such interests in the Revolving Credit Loans and participation interests in L/C Obligations and (in the case of an increase in the Tranche A Revolving Credit Commitments) Swing Line Loans outstanding on such Revolving Credit Commitments Increase Effective Date as shall be necessary in order that, after giving effect to all

such assignments and purchases, such Revolving Credit Loans and participation interests in L/C Obligations and (in the case of an increase in the Tranche A Revolving Credit Commitments) Swing Line Loans will be held by Pre-Increase Revolving Lenders and Post-Increase Revolving Lenders ratably in accordance with their Revolving Credit Commitments of such Class after giving effect to such increased Revolving Credit Commitments.

(c) This Section 2.15 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.16. *Overseas Borrower Costs.* (a) If the cost to any Lender of making or maintaining any Loan to an Overseas Borrower is increased (or the amount of any sum received or receivable by any Lender or its Lending Office is reduced) by an amount deemed by such Lender to be material, by reason of the fact that such Overseas Borrower is incorporated in, or conducts business in, a jurisdiction outside the United States, such Borrower shall indemnify such Lender for such increased cost or reduction within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent). The foregoing indemnity shall not apply to any Taxes addressed in Article 3. A certificate of such Lender claiming compensation under this Section 2.16 and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error.

(b) Each Lender will promptly notify the relevant Overseas Borrower and the Administrative Agent of any event or circumstance of which it has knowledge that will entitle such Lender to compensation pursuant to this Section 2.16 and will designate a different Lending Office, if, in the judgment of such Lender, such designation will avoid the need for, or reduce the amount of, such compensation and will not be otherwise disadvantageous to such Lender.

Section 2.17. *Currency Equivalents.* (a) The Administrative Agent shall determine the Dollar Amount of each Alternative Currency Loan as of the first day of each Interest Period applicable thereto and, in the case of any such Interest Period of more than three months, at three-month intervals after the first day thereof, and shall promptly notify the relevant Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Spot Rate (x) on the date of the related Committed Loan Notice for purposes of the initial such determination for any Alternative Currency Loan and (y) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(b) The Administrative Agent shall determine the L/C Obligations related to each Letter of Credit as of the date of issuance thereof and at three-month intervals after the date of issuance thereof. Each such determination shall be based on the Spot Rate (i) on the date of the related notice of issuance, in the case of the initial determination in respect of any Letter of Credit and (ii) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, in the case of any subsequent determination with respect to an outstanding Letter of Credit.

(c) If after giving effect to any such determination of a Dollar Amount, the aggregate Outstanding Amount of the Tranche B Revolving Credit Loans and the Tranche B L/C Obligations exceeds the aggregate Tranche B Revolving Credit Commitments, the Borrowers shall, within five (5) Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay outstanding Tranche B Revolving Credit Loans (as selected by the Company and notified to the Lenders through the Administrative Agent not less than three (3) Business Days prior to the date of prepayment) or take other action (including, in any Borrower's discretion, cash collateralization of L/C Obligations or Alternative Currency Loans in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

ARTICLE 3
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01. *Taxes*. (a) Except as provided in this Section 3.01, any and all payments by any Borrower to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, taxes imposed on or measured by its net income or overall gross income (including branch profits), and franchise (and similar) taxes imposed on it in lieu of net income taxes, by the jurisdiction (or any political subdivision thereof) under the Laws of which such Agent or such Lender, as the case may be, is organized or maintains a Lending Office, and all liabilities (including additions to tax, penalties and interest) with respect thereto (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and liabilities being hereinafter referred to as "**Taxes**"). If any Borrower shall be required by any Laws to deduct any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Borrower shall make such deductions, (iii) such Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment, such Borrower shall furnish to such Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent.

(b) In addition, each Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (hereinafter referred to as "**Other Taxes**").

(c) Each Borrower agrees to indemnify each Agent and each Lender for (i) the full amount of Taxes and Other Taxes (including any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 3.01) paid by such Agent and such Lender, and (ii) any liability (including additions to tax, penalties, interest and expenses) arising therefrom or with respect thereto, in each case whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided such Agent or Lender, as the case may be, provides such Borrower with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts. Payment under this Section 3.01(c) shall be made within thirty (30) days after the date such Lender or such Agent makes a demand therefor.

(d) No Borrower shall be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender or Agent, as the case may be, to the extent that such Lender or such Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender or Agent becomes a party to this Agreement) as a result of a change in the place of organization of such Lender or Agent or a change in the lending office of such Lender, except to the extent that any such change is requested or required in writing by any Borrower (and provided that nothing in this clause (d) shall be construed as relieving any Borrower from any obligation to make such payments or indemnification in the event of a change in lending office or place of organization that precedes a change in Law to the extent such Taxes result from a change in Law).

(e) If a Lender or an Agent is subject to United States withholding tax at a rate in excess of zero percent at the time such Lender or such Agent, as the case may be, first becomes a party to this Agreement, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender or Agent, as the case may be, provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; *provided* that, if at the date of the Assignment and Acceptance pursuant to which a Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under clause (a) of this Section 3.01 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date.

(f) If any Lender or Agent shall become aware that it is entitled to receive a refund in respect of amounts paid by any Borrower pursuant to this Section 3.01, which refund in the good faith judgment of such Lender or Agent is allocable to such payment, it shall promptly notify the Company of the availability of such refund and shall, within thirty (30) days after the receipt of a request by the Company, apply for such refund provided that in the sole judgment of the Lender or Agent, applying for such refund would not be disadvantageous to it. If any Lender or Agent determines that it has received a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by any Borrower pursuant to this Section 3.01, it shall promptly remit such refund (including any interest included in such refund) to such Borrower (to the extent that it determines that it can do so without prejudice to the

retention of the refund), net of all out-of-pocket expenses of the Lender or Agent, as the case may be; *provided* that such Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such refund to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or Agent, as the case may be, shall, at such Borrower's request, provide such Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority *(provided* that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Nothing herein contained shall interfere with the right of a Lender or Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or Agent to claim any tax refund or to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

(g) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) with respect to such Lender it will, if requested by the Company, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid the consequences of such event, including to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.01(g) shall affect or postpone any of the Obligations of any Borrower or the rights of such Lender pursuant to Section 3.01(a) and (c).

Section 3.02. *Illegality.* If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Eurodollar Rate, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, each such Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, each such Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03. *Inability to Determine Rates.* If the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the Eurodollar Rate for

any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or that the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and the Interest Period of such Eurodollar Rate Loan, the Administrative Agent will promptly so notify each Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, each Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Section 3.04. *Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans.* (a) If any Lender determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurodollar Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Taxes or Other Taxes (as to which Section 3.01 shall govern), (ii) changes in the basis of taxation of overall net income or overall gross income (including branch profits), and franchise (and similar) taxes imposed in lieu of net income taxes, by the United States or any foreign jurisdiction or any political subdivision of either thereof under the Laws of which such Lender is organized or maintains a Lending Office, (iii) reserve requirements contemplated by Section 3.04(c) and (iv) the requirements of the Bank of England and the Financial Services Authority or the European Central Bank reflected in the Mandatory Cost, other than as set forth below) or the Mandatory Cost, as calculated hereunder, does not represent the cost to such Lender of complying with the requirements of the Bank of England and/or the Financial Services Authority or the European Central Bank in relation to its making, funding or maintaining of Eurodollar Rate Loans, then from time to time upon demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Company shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction or, if applicable, the portion of such cost that is not represented by the Mandatory Cost.

(b) If any Lender determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in

accordance with Section 3.06), the Company shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Company shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "**Eurocurrency liabilities**"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurodollar Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Company shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

(d) The Company shall not be required to compensate a Lender pursuant to Section 3.04(a), (b) or (c) for any such increased cost or reduction incurred more than one hundred and eighty (180) clays prior to the date that such Lender demands, or notifies the Company of its intention to demand, compensation therefor; *provided* that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such I80-day period referred to above shall he extended to include the period of retroactive effect thereof.

(e) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Company, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.04(e) shall affect or postpone any of the Obligations of any Borrower or the rights of such Lender pursuant to Section 3.04(a), (b), (c) or (d).

Section 3.05. *Funding Losses.* Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Company shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such

Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by such Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

For purposes of calculating amounts payable by the Company to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

Section 3.06. *Matters Applicable to All Requests for Compensation.* (a) Any Agent or any Lender claiming compensation under this Article 3 shall deliver a certificate to the Company setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.01, 3.02, 3.03 or 3.04, the Borrowers shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the relevant Borrowers of the event that gives rise to such claim. If any Lender requests compensation by the Company under Section 3.04, the Company may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurodollar Rate Loans, or to convert Base Rate Loans into Eurodollar Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurodollar Rate Loan, or to convert Base Rate Loans into Eurodollar Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Eurodollar Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurodollar Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurodollar Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurodollar Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurodollar Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurodollar Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Company (with a copy to the Agent) that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

Section 3.07. *Replacement of Lenders under Certain Circumstances.* (a) If at any time (x) any Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or Section 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (y) any Lender becomes a Defaulting Lender or (z) any Lender becomes a "**Non-Consenting Lender**" (as defined below in this Section 3.07), then the Company may, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Company in such instance) all of its rights and obligations under this Agreement to one or more Eligible Assignees; *provided* that (A) the replacement lender shall agree to the consent, waiver or amendment to which the Non-Consenting Lender did not agree and (B) neither the Administrative Agent nor any Lender shall have any obligation to the Company to find a replacement Lender or other such Person or (ii) terminate the Commitment of such Lender and repay all obligations of the Borrowers owing to such Lender relating to the Loans and participations held by such Lender as of such termination date.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrowers or Administrative Agent. Pursuant to such Assignment and Assumption, (i) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (ii) all obligations of the Borrowers owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee

Lender to such assigning Lender concurrently with such assignment and assumption and (iii) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the relevant Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above, (i) the Lender that acts as the L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) the Company or the Administrative Agent has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender.**"

Section 3.08. *Survival.* All of the Borrowers' obligations under this Article 3 shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE 9
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01. *Appointment and Authorization of Agents.* (a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly. delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article 9 with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to

such Letters of Credit as fully as if the term "Agent" as used in this Article 9 and in the definition of "Agent-Related Person" included the L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to the L/C Issuer.

(c) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article 9 (including, without limitation, Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02. *Delegation of Duties.* The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact including for the purpose of any Borrowings or payments in Alternative Currencies, such sub-agents as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 9.03. *Liability of Agents.* No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or

performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

Section 9.04. *Reliance by Agents.* (a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05. *Notice of Default.* The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Company referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article 8; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06. *Credit Decision; Disclosure of Information by Agents.* Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to

constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Company and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Company and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07. *Indemnification of Agents.* Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct; *provided further* that no action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07; *provided further* that to the extent an L/C Issuer is entitled to indemnification under this Section 9.07 solely in connection with its role as an L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify the L/C Issuer in accordance with this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Company. The undertaking in this

Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08. *Agents in their Individual Capacities.* Bank of America and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though Bank of America were not the Administrative Agent or the L/C Issuer hereunder and without

notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Bank of America or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or the L/C Issuer, and the terms "Lender" and "Lenders" include Bank of America in its individual capacity.

Section 9.09. *Successor Agents.* The Administrative Agent may resign as the Administrative Agent upon thirty (30) days' notice to the Lenders. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Company at all times other than during the existence of an Event of Default under Section 8.01(f) (which consent of the Company shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Company, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent," shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article 9 and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative

Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article 9 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

Section 9.10. *Administrative Agent May File Proofs of Claim.* In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(i) and (j), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11. *Collateral and Guaranty Matters.* The Lenders irrevocably authorize the Administrative Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate

Commitments and payment in full of all Obligations (other than (x) obligations under Secured Hedge Agreements, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and the expiration or termination of all Letters of Credit, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to any Person other than Holdings, the Company or any of its Restricted Subsidiaries, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, or (iv) owned by a Guarantor upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i); and

(c) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Junior Financing.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Administrative Agent will, at the Company's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

Section 9.12. *Other Agents; Arrangers and Managers.* None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "co syndication agent," "co-documentation agent," "co agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13. *Appointment of Supplemental Administrative Agents.* (a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by

reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article 9 and of Section 9.07 (obligating the Company to pay the Administrative Agent's expenses and to indemnify the Administrative Agent) that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from the Company, Holdings or any other Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

ARTICLE 10
MISCELLANEOUS

Section 10.01. *Amendments, Etc.* No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Company or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Company or the applicable Loan Party, as the case may be, and each such

waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (including by extending the expiry of any Letter of Credit beyond the Maturity Date) without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.03 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for any payment of principal or interest under Section 2.07 or 2.08 or fees under Section 2.03 or 2.09 without the written consent of each Lender directly affected thereby, it being understood that the waiver of any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written

consent of each Lender directly affected thereby, it being understood that any change to the definition of Leverage Ratio or in the component definitions thereof shall not constitute a reduction in the rate; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) change any provision of this Section 10.01, the definition of "Required Lenders" or Section 2.06(c) without the written consent of each Lender;

(e) change Section 2.13 or 8.03 in any manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(f) other than in a transaction permitted under Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; and

(g) other than in connection with a transaction permitted under Section 7.04 or 7.05, release all or substantially all of the value of the Guaranty, without the written consent of each Lender;

and *provided further* that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuer in addition to the Lenders required above, affect the rights or duties of the L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent

shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iv) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (v) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrowers and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans ("**Refinanced Term Loans**") with a replacement term loan tranche hereunder ("**Replacement Term Loans**")**;** *provided* that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Term Loans in effect immediately prior to such refinancing.

Section 10.02. *Notices and Other Communications; Facsimile Copies.* (a) *General.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or (subject to Section 10.02(c)) electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Borrower, the Administrative Agent, the L/C Issuer or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Company, the Administrative Agent, the L/C Issuer and the Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(c)), when delivered; *provided* that notices and other communications to the Administrative Agent, the L/C Issuer and the Swing Line Lender pursuant to Article 2 shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all

Loan Parties, the Agents and the Lenders. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature.

(c) *Limited Use of Electronic Mail.* Electronic mail and Internet and intranet websites may be used only to distribute routine communications, such as financial statements and other information as provided in Section 6.02, and to distribute Loan Documents for execution by the parties thereto, and may not be used for any other purpose.

(d) *Reliance by Agents and Lenders.* The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative

Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

(e) *Designation by Overseas Borrowers.* Each Overseas Borrower hereby designates the Company as its representative and agent on its behalf for the purposes of giving and receiving all notices (other than Committed Loan Notices and requests for the issuance of Letters of Credit pursuant to Section 2.03) and any other documentation required to be delivered to it pursuant to this Agreement and any other Loan Document by the Administrative Agent or any Lender. The Company hereby accepts such appointment. The Agents and the Lenders may regard any notice (other than Committed Loan Notices and requests for the issuance of Letters of Credit pursuant to Section 2.03) or other communication pursuant to any Loan Document from the Company as a notice or communication from all Borrowers, and may give any notice or communication required or permitted to be given to any Overseas Borrower or Overseas Borrowers hereunder to the Company on behalf of such Overseas Borrower or Overseas Borrowers. Each Overseas Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Company shall be deemed for all purposes to have been made by such Overseas Borrower and shall be binding upon and enforceable against such Overseas Borrower to the same extent as if the same had been made directly by such Overseas Borrower.

Section 10.03. *No Waiver; Cumulative Remedies.* No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04. *Attorney Costs, Expenses and Taxes.* The Company agrees (a) to pay or reimburse the Administrative Agent for all reasonable costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Davis Polk & Wardwell, and (b) to pay or reimburse the Administrative Agent and each Lender for all reasonable costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law), including all Attorney Costs of counsel to the Administrative Agent). The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges and fees and taxes related thereto, and other reasonable out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid promptly. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails

to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent or any Lender, in its sole discretion.

Section 10.05. *Indemnification by the Company.* Whether or not the transactions contemplated hereby are consummated, the Company shall indemnify and hold harmless each Agent-Related Person, each Lender and their respective Affiliates, directors, officers, employees, counsel, agents, attorneys-in-fact, trustees and advisors (collectively the **"Indemnitees"**) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs (which shall be limited to one (1) counsel to the Administrative Agent and the Lenders (exclusive of local counsel), unless (x) the interests of the Administrative Agent and the Lenders are sufficiently divergent, in which case one (1) additional counsel may be appointed and (y) if the interests of any Lender or group of Lenders (other than all of the Lenders) are distinctly or disproportionately affected, one (1) additional counsel for such Lender or group of Lenders in the case of clause (a) below)) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Company, any Subsidiary or any other Loan Party, or any Environmental Liability related in any way to the Company, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the **"Indemnified Liabilities"**), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from the gross negligence or willful misconduct of such Indemnitee or breach of the Loan Documents by such Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this

Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is

brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid promptly. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

Section 10.06. *Payments Set Aside.* To the extent that any payment by or on behalf of the Company is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07. *Successors and Assigns.* (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor any Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) and Section 10.07(h) or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); *provided* that (i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment

(which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loan of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than (A) $2,500,000 in the case of any assignment in respect of any Revolving Credit Commitments occurring after the completion of the primary syndication of the Facilities or (B) $1,000,000, in the case of any assignment in respect of any (x) Revolving Credit Commitments occurring in connection with the primary syndication of the Facilities and (y) Term Loans and, unless each of the Administrative Agent and, so long as no Event of Default in respect of Section 8.01(a) or (f) has occurred and is continuing and except for assignments in connection with the primary syndication of the Facilities, the Company otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided* that in determining whether, with respect to any assignment to any Person on any date, an assigning Lender is in compliance with the minimum assignment amounts set forth in this clause (i), the amount of the Commitments or Loans the subject of such assignment shall be aggregated with the amount of the Commitments or Loans to be assigned on such date to such Person by such Lender's Affiliates and Approved Funds; (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not (x) apply to rights in respect of Swing Line Loans or (y) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis; (iii) any assignment of a Revolving Credit Commitment must be approved by the Administrative Agent, the L/C Issuer and the Swing Line Lender unless the Person that is the proposed assignee is itself a Revolving Credit Lender (whether or not the proposed assignee would otherwise qualify as an Eligible Assignee); (iv) the parties (other than the Company unless its consent to such assignment is required hereunder) to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (which fee the Company shall have no obligation to pay and which fee may be waived by the Administrative Agent in its discretion); and (v) the assigning Lender shall deliver any Notes evidencing such Loans to the relevant Borrower or the Administrative Agent. Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the relevant Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale

by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the **"Register"**). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person) (each, a **"Participant"**) in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the relevant Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the relevant Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the relevant Borrower, to comply with Section 10.15 as though it were a Lender.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a **"Granting Lender"**) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the relevant Borrower (an **"SPC"**) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the relevant Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the relevant Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise, and (iii) no Lender may create a security interest in favor of Highland Capital Management L.P. or any of its Affiliates or Subsidiaries.

(i) Notwithstanding anything to the contrary contained herein, Bank of America may, upon thirty (30) days' notice to the Company and the Lenders, resign as L/C Issuer and/or Swing Line Lender; *provided* that on or prior to the expiration of such 30-day period with respect to

Bank of America's resignation as L/C Issuer, Bank of America shall have identified a successor L/C Issuer reasonably acceptable to the Company willing to accept its appointment as successor L/C Issuer. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Company shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Company to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swing Line Lender, as the case may be, except as expressly provided above. If Bank of America resigns as L/C Issuer, it shall retain all the rights and obligations of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of

the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

Section 10.08. *Confidentiality.* Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any regulatory authority; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Company), to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Company; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h) to any state, Federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; or (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, **"Information"** means all information received from any Loan Party relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; *provided* that, in the case of information received from a Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential. Notwithstanding

anything (express or implied) herein or in any other Loan Document to the contrary, "Information" shall not include, and the Administrative Agent, each Lender and each Loan Party may disclose without limitation of any kind, any information with respect to the "tax treatment" and "tax structure" (in each case, within the meaning of Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and thereby and all materials of any kind (including opinions or other tax analyses) that are provided to the Administrative Agent or such Lender or Loan Party relating to such tax treatment and tax structure.

Section 10.09. *Setoff.* In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, after obtaining the prior written consent of the Administrative Agent, each Lender is authorized at any time and from time to time, without prior notice to the Company or any other Loan Party, any such notice being waived by the Company (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Company and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including, without limitation, other rights of setoff) that the Administrative Agent and such Lender may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Foreign Subsidiary that is not a Loan Party constitute security, or shall the proceeds of such assets be available for, payment of the Obligations of the Company or any Domestic Subsidiary, it being understood that (a) the Equity Interests of any Foreign Subsidiary that is not a Loan Party do not constitute such an asset and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrowers' obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

Section 10.10. *Interest Rate Limitation.* Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the **"Maximum Rate").** If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11. *Counterparts.* This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

Section 10.12. *Integration.* This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.13. *Survival of Representations and Warranties.* All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit

Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 10.14. *Severability.* If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.15. *Tax Forms.* (a) (i) Each Lender and Agent that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code (each, a **"Foreign Lender"**) shall deliver to the Company and the Administrative Agent, on or prior to the date which is ten (10) Business Days after the Closing Date (or upon accepting an assignment of an interest herein), two duly signed, properly completed copies of either IRS Form W-8BEN or any successor thereto (relating to such Foreign Lender and entitling it to an exemption from, or reduction of, United States withholding tax on all payments to be made to such Foreign Lender by the Company or any other Loan Party pursuant to this Agreement or any other Loan Document) or IRS Form W-8ECI or any successor thereto (relating to all payments to be made to

such Foreign Lender by the Company or any other Loan Party pursuant to this Agreement or any other Loan Document) or such other evidence reasonably satisfactory to the Company and the Administrative Agent that such Foreign Lender is entitled to an exemption from, or reduction of, United States withholding tax, including any exemption pursuant to Section 881(c) of the Code, and in the case of a Foreign Lender claiming such an exemption under Section 881(c) of the Code, a certificate that establishes in writing to the Company and the Administrative Agent that such Foreign Lender is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Code, (ii) a 10-percent shareholder within the meaning of Section 871(h)(3)(B) of the Code, or (iii) a controlled foreign corporation related to the Company with the meaning of Section 864(d) of the Code. Thereafter and from time to time, each such Foreign Lender shall (A) promptly submit to the Company and the Administrative Agent such additional duly completed and signed copies of one or more of such forms or certificates (or such successor forms or certificates as shall be adopted from time to time by the relevant United States taxing authorities) as may then be available under then current United States laws and regulations to avoid, or such evidence as is reasonably satisfactory to the Company and the Administrative Agent of any available exemption from, or reduction of, United States withholding taxes in respect of all payments to be made to such Foreign Lender by the Company or other Loan Party pursuant to this Agreement, or any other Loan Document, in each case, (1) on or before the date that any such form, certificate or other evidence expires or becomes obsolete, (2) after the occurrence of any event requiring a change in the most recent form, certificate or evidence previously delivered by it to the Company and the Administrative Agent and (3) from time to time thereafter if reasonably requested by the Company or the Administrative Agent, and (B) promptly notify the Company and the Administrative Agent of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(ii) Each Foreign Lender, to the extent it does not act or ceases to act for its own account with respect to any portion of any sums paid or payable to such Foreign Lender under any of the Loan Documents (for example, in the case of a typical participation by such Foreign Lender), shall deliver to the Company and the Administrative Agent on the date when such Foreign Lender ceases to act for its own account with respect to any portion of any such sums paid or payable, and at such other times as may be necessary in the determination of the Company or the Administrative Agent (in either case, in the reasonable exercise of its discretion), (A) two duly signed completed copies of the forms or statements required to be provided by such Foreign Lender as set forth above, to establish the portion of any such sums paid or payable with respect to which such Foreign Lender acts for its own account that is not subject to United States withholding tax, and (B) two duly signed completed copies of IRS Form W-8IMY (or any successor thereto), together with any information such Foreign Lender chooses to transmit with such form, and any other certificate or statement of exemption required under the Code, to establish that such Foreign Lender is not acting for its own account with respect to a portion of any such sums payable to such Foreign Lender.

(iii) The Company shall not be required to pay any additional amount or any indemnity payment under Section 3.01 to (A) any Foreign Lender with respect to any Taxes required to be deducted or withheld on the basis of the information, certificates or

statements of exemption such Lender transmits with an IRS Form W-8IMY pursuant to this Section 10.15(a), (B) any Foreign Lender if such Foreign Lender shall have failed to satisfy the foregoing provisions of this Section 10.15(a), or (C) any U.S. Lender if such U.S. Lender shall have failed to satisfy the provisions of Section 10.15(b); *provided* that if such Lender shall have satisfied the requirement of this Section 10.15(a) or Section 10.15(b), as applicable, on the date such Lender became a Lender or ceased to act for its own account with respect to any payment under any of the Loan Documents, nothing in this Section 10.15(a) or Section 10.15(b) shall relieve any Borrower of its obligation to pay any amounts pursuant to Section 3.01 in the event that, as a result of any change in any applicable Law, treaty or governmental rule, regulation or order, or any change in the interpretation, administration or application thereof, such Lender is no longer properly entitled to deliver forms, certificates or other evidence at a subsequent date establishing the fact that such Lender or other Person for the account of which such Lender receives any sums payable under any of the Loan Documents is not subject to withholding or is subject to withholding at a reduced rate.

(iv) The Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents.

(b) Each Lender and Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (each, a **"U.S. Lender"**) shall deliver to the Administrative Agent and the Company two duly signed, properly completed copies of IRS Form W-9 on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), certifying that such U.S. Lender is entitled to an exemption from United States backup withholding tax, or any successor form. If such U.S. Lender fails to deliver such forms, then the Administrative Agent may withhold from any payment to such U.S. Lender an amount equivalent to the applicable backup withholding tax imposed by the Code.

(c) If any Governmental Authority asserts that the Company or the Administrative Agent did not properly withhold or backup withhold, as the case may be, any tax or other amount from payments made to or for the account of any Foreign Lender or U.S. Lender, such Foreign Lender or U.S. Lender shall indemnify the Company and the Administrative Agent therefor, including all penalties and interest, any taxes imposed by any jurisdiction on the amounts payable to the Company and the Administrative Agent under this Section 10.15, and costs and expenses (including Attorney Costs) of the Company

and the Administrative Agent. The obligation of the Foreign Lenders or U.S. Lenders, severally, under this Section 10.15 shall survive the termination of the Aggregate Commitments, repayment of all other Obligations hereunder and the resignation of the Administrative Agent.

Section 10.16. *Governing Law.* (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

Section 10.17. *Waiver of Right to Trial by Jury.* EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS Section 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18. *Binding Effect.* This Agreement shall become effective when it shall have been executed by the Borrowers and Holdings and the Administrative Agent shall have been notified by each Lender, Swing Line Lender and the L/C Issuer that each such Lender, Swing Line Lender and the L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of each Borrower, each Agent and each Lender and their respective successors and assigns, except that no Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.19. *Judgment Currency.* If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the **"Judgment Currency"**) other than that in which such sum is

denominated in accordance with the applicable provisions of this Agreement (the **"Agreement Currency"**), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other Person who may be entitled thereto under applicable law).

Section 10.20. *Lender Action* . Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents or the Secured Hedge Agreements (including, without limitation, the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.20 (i) are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party and (ii) shall not extend to any individual Lender enforcement (or other) rights not otherwise available to an individual Lender under the Loan Documents.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

SCHEDULE 1.01D

MANDATORY COST FORMULAE

1. The Mandatory Cost (to the extent applicable) is an addition to the interest rate to compensate Lenders for the cost of compliance with:

   (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions); or

   (b) the requirements of the European Central Bank.

2. On the first day of each Interest Period (or as soon as practicable thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the **"Additional Cost Rate"**) for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders' Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum. The Administrative Agent will, at the request of the Company or any Lender, deliver to the Company or such Lender as the case may be, a statement setting forth the calculation of any Mandatory Cost.

3. The Additional Cost Rate for any Lender lending from a Lending Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by such Lender in its notice to the Administrative Agent as the cost (expressed as a percentage of such Lender's participation in all Loans made from such Lending Office) of complying with the minimum reserve requirements of the European Central Bank in respect of Loans made from that Lending Office.

4. The Additional Cost Rate for any Lender lending from a Lending Office in the United Kingdom will be calculated by the Administrative Agent as follows:

   (a) in relation to any Loan in Sterling:

$$\frac{AB+C(B-D)+E \times 0.01}{100-(A+C)} \text{ per cent per annum}$$

   (b) in relation to any Loan in any currency other than Sterling:

$$\frac{E \times 0.01}{300} \text{ per cent per annum}$$

Where:

"A" is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to

---

Maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

"B" is the percentage rate of interest (excluding the Applicable Rate, the Mandatory Cost and any interest charged on overdue amounts pursuant to the first sentence of Section 2.08(b) and, in the case of interest (other than on overdue amounts) charged at the Default Rate, without counting any increase in interest rate effected by the charging of the Default Rate) payable for the relevant Interest Period of such Loan.

"C" is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.

"D" is the percentage rate per annum payable by the Bank of England to the Administrative Agent on interest bearing Special Deposits.

"E" is designed to compensate Lenders for amounts payable under the Fees Regulations and is calculated by the Administrative Agent as being the average of the most recent rates of charge supplied by the Lenders to the Administrative Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

(a) "Eligible Liabilities" and "Special Deposits" have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

(b) "Fees Regulations" means the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

(c) "Fee Tariffs" means the fee tariffs specified in the Fees Regulations under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Regulations but taking into account any applicable discount rate); and

(d) "Tariff Base" has the meaning given to it in, and will be calculated in accordance with, the Fees Regulations.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5% will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent or the Company, each Lender with a Lending Office in the United Kingdom or a Participating Member State shall, as

---

soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent and the Company, the rate of charge payable by such Lender to the Financial Services Authority pursuant to the Fees Regulations in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by such Lender as being the average of the Fee Tariffs applicable to such Lender for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of such Lender.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information in writing on or prior to the date on which it becomes a Lender:

(a) its jurisdiction of incorporation and the jurisdiction of the Lending Office out of which it is making available its participation in the relevant Loan; and

(b) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent in writing of any change to the information provided by it pursuant to this paragraph.

9. The percentages or rates of charge of each Lender for the purpose of A, C and E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative Agent to the contrary, each Lender's obligations in relation to cash ratio deposits, Special Deposits and the Fees Regulations are the same as those of a typical bank from its jurisdiction of incorporation with a Lending Office in the same jurisdiction as such Lender's Lending Office.

10. The Administrative Agent shall have no liability to any Person if such determination results in an Additional Cost Rate which over- or under-compensates any Lender and shall be entitled to assume that the information provided by any Lender pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.

11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender pursuant to paragraphs 3, 7 and 8 above.

12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all parties hereto.

---

13. The Administrative Agent may from time to time, after consultation with the Company and the Lenders, determine and notify to all parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all parties hereto.

W I T N E S S E T H:

WHEREAS, Holdings wishes to incur certain indebtedness and make certain changes to the terms of the Credit Agreement; and

WHEREAS, the Lenders are willing to permit Holdings to do so, subject to the terms and conditions set forth herein;

NOW, THEREFORE, the parties hereto agree as follows:

SECTION 1. *Defined Terms; References.* Unless otherwise specifically defined herein, each term used herein that is defined in the Credit Agreement has the meaning assigned to such term in the Credit Agreement. Each reference to "hereof", "hereunder", "herein" and "hereby" and each other similar reference and each reference to "this Agreement" and each other similar reference contained in the Credit Agreement shall, after the Amendment Effective Date (as defined in Section 7 below), refer to the Credit Agreement as amended hereby.

SECTION 2. *Additional Permitted Holdco Debt.* Section 7.03(c)(iii) of the Credit Agreement is amended to read in its entirety as follows:

(i) unsecured Indebtedness of Holdings ("**Permitted Holdco Debt**") that (A) is not subject to any Guarantee by the Company or any Restricted Subsidiary, (B) will not mature prior to the date that is ninety-one (91) days after the Maturity Date of the Term Loans, (C) has no scheduled amortization or payments of principal, (D) does not permit any payments in cash of interest or other amounts in respect of the principal thereof in excess of $35,000,000 in any Fiscal Year for at least five (5) years from

SECTION 3. *Change to the Calculation of EBITDA For Purposes of Incurring Permitted Holdco Debt.* The definition of "Consolidated EBITDA" contained in Section 1.01 of the Credit Agreement is amended by adding the following proviso at the end thereof: "; and *provided further* that, solely for purposes of calculating the Holdings Consolidated Leverage Ratio under Section 7.03(c)(iii) on a Pro Forma Basis "Consolidated EBITDA" for the relevant period may include operating expense reductions for such period with respect to the Acquisition or with respect to any Investment, acquisition, Disposition, merger or consolidation permitted hereunder (each a "**Permitted Transaction**") that has been consummated during such period, in each case that have been realized or (A) for which the steps necessary for realization have been taken or (B) with respect to any Permitted Transaction, for which steps necessary for realization are reasonably expected to be taken within the six month period following the consummation of such Permitted Transaction, so long as such adjustments are set forth in a certificate signed by the Chief Financial Officer of the Company and another Responsible Officer of the Company which states (i) the amount of such adjustments, and (ii) that such adjustment or adjustments are based on the reasonable good faith beliefs of the officers executing such certificate at the time of execution."

SECTION 4. *Representations.* Each of Holdings and the Company represents and warrants that (i) the representations and warranties of Holdings, the Company and each other Loan Party contained in Article 5 of the Credit Agreement or any other Loan Document shall be true and correct in all material respects on and as of the Amendment Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date, and (ii) no Default will have occurred and be continuing on such date.

SECTION 5. *Governing Law*. This Amendment shall be governed by and construed in accordance with the laws of the State of New York.

SECTION 6. *Counterparts*. This Amendment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Amendment shall be effective as delivery of an original executed counterpart of this Amendment.

SECTION 7. *Effectiveness*. This Amendment shall become effective on the date (the "**Amendment Effective Date**") when the Administrative Agent shall have (a) received from each of Holdings, the Borrower and the Required Lenders a counterpart hereof signed by such party or facsimile or other written confirmation (in form satisfactory to the Administrative Agent) that such party has signed a counterpart hereof and (b) received an amendment fee for the account of each Lender from which the Administrative Agent has received an executed counterpart of this Amendment or other written confirmation, as required by subsection (a) above, on or prior to 12:00 noon New York City time on December 6, 2004, in an amount equal to 0.10% of the sum of the Total Outstandings, unused Term Commitments and unused Revolving Credit Commitments, in each case held by such Lender.

SECURITY AGREEMENT

Dated February 27, 2004

From

The Grantors referred to herein

as Grantors

to

BANK OF AMERICA, N.A.

as Administrative Agent

TABLE OF CONTENTS

SECURITY AGREEMENT

SECURITY AGREEMENT dated February 27, 2004 made by WMG ACQUISITION CORP., a Delaware corporation (the **"Company"**), WMG HOLDINGS CORP., a Delaware corporation (**"Holdings"**), the other Persons listed on the signature pages hereof and the Additional Grantors (as hereinafter defined) (the Company, Holdings, the Persons so listed and the Additional Grantors being, collectively, the **"Grantors"**), to BANK OF AMERICA, N.A., as administrative agent (in such capacity, together with any successor administrative agent, the **"Administrative Agent"**) for the Secured Parties.

PRELIMINARY STATEMENTS

(1) The Company has entered into a Credit Agreement dated of even date herewith (said Agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the **"Credit Agreement"**) with Holdings, the other Borrowers party thereto and the Lenders, the L/C Issuer and the Agents party thereto.

(2) Pursuant to the Credit Agreement, the Grantors are entering into this Agreement in order to grant to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in the Collateral (as hereinafter defined) to secure their respective Secured Obligations (as hereinafter defined).

(3) It is a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement and the entry into Secured Hedge Agreements by the Hedge Banks from time to time that the Grantors shall have granted the assignment and security interest and made the pledge and assignment contemplated by this Agreement.

(4) Each Grantor will derive substantial direct and indirect benefit from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing the Cash Management Obligations, the **"Finance Documents"**).

(5) Terms defined in the Credit Agreement and not otherwise defined in this Agreement are used in this Agreement as defined in the Credit Agreement. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in Article 8 or 9 of the UCC (as defined below) are used in this Agreement as such terms are defined in such Article 8 or 9 (including Accounts, Certificated Security, Chattel Paper, Commercial Tort Claims, Deposit Accounts, Documents, Equipment, Farm Products, Financial Assets, Fixtures, General Intangibles, Goods, Instruments, Inventory, Investment Property, Letter-of-Credit Rights, Proceeds, Securities Accounts, Security, Supporting Obligations and

Uncertificated Security). **"UCC"** means the "Uniform Commercial Code" as defined in the Credit Agreement.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans and participate in Letters of Credit, and the L/C Issuer to issue Letters of Credit under the Credit Agreement and to induce the Hedge Banks to enter into Secured Hedge Agreements from time to time, each Grantor hereby agrees with the Administrative Agent for the ratable benefit of the Secured Parties as follows:

SECTION 1. *Grant of Security*. (iii) all copyrights whether registered or unregistered (**"Copyrights"**), including, without limitation, copyrights in (A) all recordings of sound, whether or not coupled with a visual image, by any method or format and on any substance or material, whether now or hereafter known, which is used or useful in the recording, production and/or manufacture of records or for any other exploitation of sound (**"Recorded Music Copyrights"**), (B) all music compositions or medleys consisting of words and music, or any dramatic material and bridging passages, whether in form of instrumental and/or vocal music, prose or otherwise, irrespective of length (**"Publishing Copyrights"**) and (C) Computer Software (as hereinafter defined), internet web sites and the content thereof;

provided that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in (A) motor vehicles the perfection of a security interest in which is excluded from the UCC in the relevant jurisdiction, (B) any Letter-of-Credit Rights to the extent any Grantor is required by applicable law to apply the Proceeds of such Letter-of-Credit Rights

for a specified purpose or (C) any General Intangible, Investment Property or other rights of a Grantor arising under any contract, instrument, license or other document if (but only to the extent that) the grant of a security interest therein would constitute a violation of a valid and enforceable restriction in respect of such General Intangible, Investment Property or other rights in favor of a third party or under any law, regulation, permit, order or decree of any Governmental Authority, unless and until all required consents shall have been obtained (for the avoidance of doubt, the restrictions described herein are not negative pledges or similar undertakings in favor of a lender or other financial counterparty); *provided* that the limitation set forth in clause (C) above shall not affect, limit, restrict or impair the grant by a Grantor of a security interest pursuant to this Agreement in any such Collateral to the extent that an otherwise applicable prohibition or restriction on such grant is rendered ineffective by the UCC. Each Grantor shall, if requested to do so by the Administrative Agent, use commercially reasonable efforts to obtain any such required consent that is reasonably obtainable with respect to Collateral which the Administrative Agent reasonably determines to be material.

SECTION 2. *Security for Obligations.* This Agreement secures, in the case of each Grantor, the payment of all Obligations of such Grantor now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, fees, premiums, penalties, indemnifications, contract causes of action, costs, expenses or otherwise (all such Obligations being the **"Secured Obligations"**).

SECTION 3. *Grantors Remain Liable.* Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under the contracts and agreements included in such Grantor's Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Administrative Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Finance Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

SECTION 4. *Delivery and Control of Security Collateral.* (a) All certificates representing or evidencing the Pledged Equity and all instruments representing or evidencing the Pledged Debt in an aggregate principal amount in excess of $2,000,000 shall be delivered to and held by or on behalf of the Administrative Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Administrative

Agent. During the continuation of an Event of Default and subject to Section 4(c), the Administrative Agent shall have the right, at any time in its discretion and without notice to any Grantor, to (i) transfer to or to register in the name of the Administrative Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 10(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations, and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Administrative Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Administrative Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 10(b) shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Administrative Agent as Security Collateral in the same form as so received (with any necessary endorsement).

(a) to obtain and adjust insurance required to be paid to the Administrative Agent,

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral,

The Administrative Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Administrative Agent in good faith, except to the extent that such liability arises from the Administrative Agent's gross negligence or willful misconduct.

SECTION 15. *Remedies.* If any Event of Default shall have occurred and be continuing:

(a) The Administrative Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Administrative Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Administrative Agent may deem commercially reasonable; (iii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Deposit Accounts and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. The Administrative Agent shall give the applicable Grantors at least ten (10) Business Days' written notice of the time and place of any public sale or the time after which any private sale is to be made and each Grantor agrees that such notice shall constitute reasonable notification. The Administrative Agent

shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Administrative Agent in the same form as so received (with any necessary endorsement).

(c) The Administrative Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and

otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account.

(d) If the Administrative Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 15, each Grantor agrees that, upon request of the Administrative Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(e) The Administrative Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 15, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(f) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in subsection (d) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Administrative Agent shall demand compliance with subsection (d) above.

SECTION 16. *Indemnity and Expenses.* (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, agents and advisors (each, an **"Indemnified Party"**) from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel (which shall be limited to one (1) counsel to the Administrative Agent and the Lenders, unless (x) the interests of the Administrative Agent and the Lenders are sufficiently divergent, in which case one (1) additional counsel may be appointed, and (y) if the interests of any Lender or group of Lenders (other than all of the Lenders) are distinctly or disproportionately affected, one (1) additional counsel for such Lender or group of Lenders)) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense has resulted from such Indemnified Party's gross negligence or willful misconduct or breach of this Agreement by the Secured Party.

(b) Each Grantor will upon demand pay to the Administrative Agent the amount of any and all reasonable out-of-pocket expenses, including, without

limitation, the reasonable fees and expenses of its counsel and of any experts and agents, that the Administrative Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Administrative Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof.

SECTION 17. *Amendments; Waivers; Additional Grantors; Etc.* (a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by each Grantor to which such amendment or waiver is to apply and the Administrative Agent (with the consent of the requisite number of Lenders specified in the Credit Agreement), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Administrative Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a **"Security Agreement Supplement"**), (i) such Person shall be referred to as an **"Additional Grantor"** and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Loan Documents to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other Loan Documents to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through IV attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through IV, respectively, hereto, and the Administrative Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

SECTION 18. *Notices, Etc.* All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the Company at the Company's address specified in Section 10.02 of the Credit Agreement, if to the Administrative Agent, at its address specified in Section 10.02 of the Credit Agreement. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier of an executed counterpart of

any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

SECTION 19. *Continuing Security Interest; Assignments under the Credit Agreement.* This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the latest of (i) the payment in full in cash of the Secured Obligations other than Obligations with respect to Secured Hedge Agreements and Cash Management Obligations not yet due and payable, (ii) the Maturity Date and (iii) the termination or expiration of all Letters of Credit, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Administrative Agent hereunder, to the benefit of the Secured Parties and their permitted respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes, if any, held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in Section 10.07 of the Credit Agreement.

SECTION 20. *Release; Termination.* (a) Upon any sale, lease, transfer or other disposition of any item of Collateral of any Grantor permitted by, and in accordance with, the terms of the Loan Documents to any Person other than Holdings, the Company or any Restricted Subsidiary or upon the effectiveness of any consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.11 of the Credit Agreement, the Lien created under this Agreement on such Collateral (but not on any Proceeds thereof) shall automatically terminate. Upon the release of any Grantor from its Guaranty, if any, in accordance with the terms of the Loan Documents, the Lien created under this Agreement on the Collateral of such Grantor shall automatically terminate and such Grantor shall automatically be released from its obligations hereunder. The Administrative Agent will, at such Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence any release of the Lien created under this Agreement on any Collateral pursuant to this Section 20(a); *provided* that such Grantor shall have delivered to the Administrative Agent a written request therefor describing the item of Collateral and the terms of the sale, lease, transfer or other disposition in reasonable detail, and a certificate of such Grantor to the effect that the transaction is in compliance with the Loan Documents and as to such other matters as the Administrative Agent may request. The Administrative Agent shall be authorized to rely on any such certificate without independent investigation.

(b) Upon the latest of (i) the payment in full in cash of the Secured Obligations other than Obligations with respect to Secured Hedge Agreements and Cash Management Obligations not yet due and payable, (ii) the Maturity Date and (iii) the termination or expiration of all Letters of Credit, the Lien on all Collateral created under this Agreement shall terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Administrative Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

SECTION 21. *Execution in Counterparts.* This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 22. *The Mortgages.* In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of Fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

SECTION 23. *Governing Law; Jurisdiction; Waiver of Jury Trial, Etc.* (a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH GRANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH GRANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) EACH GRANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY CLAIM, DEMAND, ACTION, OR

CAUSE OF ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS RELATED THERETO.

SECTION 24. *Severability.* If any provision of any Loan Document is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of the Loan Documents shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Administrative Agent and the Secured Parties in order to carry out the intentions of the parties thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

SUBSIDIARY GUARANTY dated as of February 27, 2004 (the **"Guaranty"**) made by the Persons listed on the signature pages hereof under the caption "Subsidiary Guarantors" and the Additional Guarantors (as defined in Section 8) (such Persons so listed and the Additional Guarantors being, collectively, the **"Guarantors"** and, individually, a **"Guarantor"**) in favor of the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENT

WMG Acquisition Corp., a Delaware corporation (the **"Company"**), and certain Foreign Subsidiaries of the Company (the **"Overseas Borrowers"** and, together with the Company, the **"Borrowers"**) are parties to a Credit Agreement dated as of February 27, 2004 (as amended, amended and restated, supplemented or otherwise modified from time to time, the **"Credit Agreement";** the capitalized terms defined therein and not otherwise defined herein being used herein as therein defined) with WMG Holdings Corp., certain Lenders party thereto, Bank of America, N.A., as the L/C Issuer, the Swing Line Lender and the Administrative Agent, and the other Agents named therein. Each Guarantor may receive, directly or indirectly, a portion of the proceeds of the Loans under the Credit Agreement and will derive substantial direct and indirect benefits from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing the Cash Management Obligations, the **"Finance Documents"**). It is a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement and the entry by the Hedge Banks into Secured Hedge Agreements from time to time that each Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans and to issue Letters of Credit under the Credit Agreement and the Hedge Banks to enter into Secured Hedge Agreements from time to time, each Guarantor, jointly and severally with each other Guarantor, hereby agrees as follows:

Section 1. *Guaranty; Limitation Of Liability.* (a) Each Guarantor hereby, jointly and severally, absolutely, unconditionally and irrevocably guarantees the punctual payment, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each Loan Party and each other Restricted Subsidiary which is an obligor with respect to the Cash Management Obligations (each, an **"Obligor"**) now or hereafter existing (including, without

limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of

action, costs, expenses or otherwise (such Obligations being the **"Guaranteed Obligations"**), and agrees to pay any and all expenses incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty or any other Loan Document (including reasonable fees, expenses and disbursements of any law firm or other external counsel to the Administrative Agent). Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in respect of the Finance Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guaranty and the Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law (as hereinafter defined), the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the Obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance. For purposes hereof, **"Bankruptcy Law"** means any proceeding of the type referred to in Section 8.01(f) of the Credit Agreement or Title 11, U.S. Code, or any similar foreign, federal or state law for the relief of debtors.

(c) Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty or the Parent Guaranty or the Company Guaranty or any other guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and Holdings so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Guaranty Absolute.* Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Finance Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The Obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought

against the Company or any other Obligor or whether the Company or any other Obligor is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Finance Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, or any other amendment or waive of or any consent to departure from any Finance Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Obligor or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Obligor under the Finance Documents or any other assets of any Obligor or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Obligor or any of its Subsidiaries;

(f) any failure of any Secured Party to disclose to any Obligor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor now or hereafter known to such Secured Party (each Guarantor waiving any duty on the part of the Secured Parties to disclose such information);

(g) the failure of any other Person to execute or deliver this Guaranty, any Guaranty Supplement (as hereinafter defined) or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of the Company or any other Obligor or otherwise, all as though such payment had not been made.

Section 3. *Waivers and Acknowledgments.* (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor herby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Obligors, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the Administrative Agent and the other Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor or any of its Subsidiaries now or hereafter known by such Secured Party.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits.

Section 4. *Subrogation.* Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Company, any other Obligor or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's Obligations under or in respect of this Guaranty or any other Finance Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against the Company, any other Obligor or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, any other Obligor or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, all Letters of Credit shall have expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Guaranty, (b) the Maturity Date and (c) the latest date of expiration or termination of all Letters of Credit, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Finance Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, (ii) the Maturity Date shall have occurred and (iii) all Letters of Credit shall have expired or been terminated, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

Section 5. *Payments Free and Clear of Taxes, Etc.* Any and all payments by any Guarantor under this Guaranty or any other Loan Document shall be made,

in accordance with the terms of the Credit Agreement, free and clear of and without deduction for any and all present or future Taxes.

Section 6. *Covenants.* Each Guarantor covenants and agrees that, so long as any part of the Guaranteed Obligations shall remain unpaid, any Letter of Credit shall be outstanding or any Lender shall have any Commitment, such Guarantor will perform and observe, and cause each of its Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents on its or their part to be performed or observed or that the Company has agreed to cause such Guarantor or such Subsidiaries to perform or observe.

Section 7. *Amendments, Release of Guarantors, Etc.* No amendment or waiver of any provision of this Guaranty and no consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and the Guarantors (with the consent of the requisite number of Lenders specified in the Credit Agreement) and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. A Guarantor shall automatically be released from this Guaranty and its obligations hereunder upon consummation of any transaction or designation permitted by the Credit Agreement as a result of which such Guarantor ceases to be a Restricted Subsidiary; *provided* that no such release shall occur if such Guarantor is a guarantor in respect of any Junior Financing. The Administrative Agent will, at such Guarantor's expense, execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request to evidence the release of such Guarantor from its Guarantee hereunder pursuant to this Section 7; *provided* that such Guarantor shall have delivered to the Administrative Agent a written request therefor and a certificate of such Guarantor to the effect that the transaction is in compliance with the Loan Documents. The Administrative Agent shall be authorized to rely on any such certificate without independent investigation.

Section 8. *Guaranty Supplements.* Upon the execution and delivery by any Person of a guaranty supplement in substantially the form of Exhibit A hereto (each, a **"Guaranty Supplement"**), (a) such Person shall be referred to as an **"Additional Guarantor"** and shall become and be a Guarantor hereunder, and each reference in this Guaranty to a **"Guarantor"** shall also mean and be a reference to such Additional Guarantor, and each reference in any other Loan Document to a **"Subsidiary Guarantor"** shall also mean and be a reference to such Additional Guarantor, and (b) each reference herein to **"this Guaranty", "hereunder", "hereof"** or words of like import referring to this Guaranty, and each reference in any other Loan Document to the **"Subsidiary Guaranty", "thereunder", "thereof"** or words of like import referring to this Guaranty, shall mean and be a reference to this Guaranty as supplemented by such Guaranty Supplement.

Section 9. *Notices, Etc.* All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Guarantor, addressed to it in care of the Company at the Company's address specified in Section 10.02 of the Credit Agreement, if to any Agent or any Lender, at its address specified in Section 10.02 of the Credit Agreement, if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party, or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier of an executed counterpart of a signature page to any amendment or waiver of any provision of this Guaranty or of any Guaranty Supplement to be executed and delivered hereunder shall be effective as delivery of an original executed counterpart thereof.

Section 10. *No Waiver; Remedies.* No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 11. *Right of Set-off.* Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 8.02 of the Credit Agreement to authorize the Administrative Agent to declare the Notes due and payable pursuant to the provisions of said Section 8.02, the Administrative Agent and, after obtaining the prior written consent of the Administrative Agent, each other Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender, or such Affiliate to or for the credit or the account of any Guarantor against any and all of the Obligations of such Guarantor now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Guaranty or any other Loan Document and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify such Guarantor after any such set-off and application; *provided* that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have.

Section 12. *Continuing Guaranty; Assignments under the Credit Agreement.* This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the latest of (i) the payment in full in cash of the Guaranteed Obligations (other than with respect to Secured Hedge Agreements and Cash Management Obligations which are not yet due and payable) and all other amounts payable under this Guaranty, (ii) the Maturity Date and (iii) the latest date of expiration or termination of all Letters of Credit, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their permitted successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise, in each case as and to the extent provided in Section 10.07 of the Credit Agreement. Except as expressly provided in the Credit Agreement, no Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Secured Parties.

Section 13. *Execution in Counterparts.* This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Guaranty by telecopier shall be effective as delivery of an original executed counterpart of this Guaranty.

Section 14. *Governing Law; Jurisdiction; Waiver of Jury Trial, Etc.* (a) This Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS GUARANTY, EACH GUARANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH GUARANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) EACH GUARANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS RELATED THERETO.

IN WITNESS WHEREOF, each Guarantor has caused this Guaranty to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

Section 1. *Guaranty; Limitation of Liability.* (a) The undersigned hereby, jointly and severally with the other Guarantors absolutely, unconditionally and irrevocably guarantees the punctual payment, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each other Obligor now or hereafter existing under or in respect of the Finance Documents (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premium, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the **"Guaranteed Obligations"**), and agrees to pay any and all expenses (including, without limitation, fees and expenses of counsel) incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty Supplement, the Subsidiary Guaranty or any other Loan Document.

Section 2. *Obligations Under the Guaranty.* The undersigned hereby agrees, as of the date first above written, to be bound as a Guarantor by all of the terms and conditions of the Subsidiary Guaranty to the same extent as each of the other Guarantors thereunder. Section 4. *Governing Law; Jurisdiction; Waiver of Jury Trial, Etc.* (a) This Guaranty Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS GUARANTY SUPPLEMENT, EACH GUARANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH GUARANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

THE CREDIT AGREEMENT REFERRED TO HEREIN

TABLE OF CONTENTS

PARENT GUARANTY

PARENT GUARANTY dated as of February 27, 2004 (the **"Guaranty"**) made by WMG HOLDINGS CORP., a Delaware corporation (the **"Guarantor"**), in favor of the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENT

WMG Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of the Guarantor (the **"Company"**), and certain Foreign Subsidiaries of the Company (the **"Overseas Borrowers"** and, together with the Company, the **"Borrowers"**) are parties to a Credit Agreement dated as of February 27, 2004 (as amended, amended and restated, supplemented or otherwise modified from time to time, the **"Credit Agreement"**; the capitalized terms defined therein and not otherwise defined herein being used herein as therein defined) with the Guarantor, certain Lenders party thereto, Bank of America, N.A., as the L/C Issuer, the Swing Line Lender and the Administrative Agent, and the other Agents named therein. The Guarantor will derive substantial direct and indirect benefits from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing the Cash Management Obligations, the **"Finance Documents"**). It is a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement and the entry by the Hedge Banks into Secured Hedge Agreements from time to time that the Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans and to issue Letters of Credit under the Credit Agreement and the Hedge Banks to enter into Secured Hedge Agreements from time to time, the Guarantor hereby agrees as follows:

Section 1. *Guaranty.* (a) The Guarantor hereby absolutely, unconditionally and irrevocably guarantees the punctual payment, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each Loan Party and each other Restricted Subsidiary which is an obligor with respect to the Cash Management Obligations (each, an **"Obligor"**) now or hereafter existing (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the **"Guaranteed Obligations"**), and agrees to pay any and all expenses incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty or any other Loan Document (including reasonable fees, expenses and disbursements of any law

firm or other external counsel to the Administrative Agent). Without limiting the generality of the foregoing, the Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in respect of the Finance

Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor.

(b) The Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty or the Subsidiary Guaranty or the Company Guaranty or any other guaranty, the Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Guaranty Absolute.* The Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Finance Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The Obligations of the Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Company or any other Obligor or whether the Company or any other Obligor is joined in any such action or actions. The liability of the Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Finance Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, or any other amendment or waiver of or any consent to departure from any Finance Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Obligor or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Obligor under the Finance Documents or any other assets of any Obligor or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Obligor or any of its Subsidiaries;

(f) any failure of any Secured Party to disclose to any Obligor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor now or hereafter known to such Secured Party (the Guarantor waiving any duty on the part of the Secured Parties to disclose such information);

(g) the failure of any other Person to execute or deliver any other guaranty or agreement or the release or reduction of liability of any other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of the Company or any other Obligor or otherwise, all as though such payment had not been made.

Section 3. *Waivers and Acknowledgments.* (a) The Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral.

(b) The Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) The Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of

remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Guarantor or other rights of the Guarantor to proceed against any of the other Obligors, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Obligations of the Guarantor hereunder.

(d) The Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon the Guarantor and without affecting the liability of the Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and the Guarantor hereby waives any defense to the recovery by the Administrative Agent and the other Secured Parties against the Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) The Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to the Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor or any of its Subsidiaries now or hereafter known by such Secured Party.

(f) The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits.

Section 4. *Subrogation.* The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Company, any other Obligor or any other insider guarantor that arise from the existence, payment, performance or enforcement of the Guarantor's Obligations under or in respect of this Guaranty or any other Finance Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against the Company, any other Obligor or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, any other Obligor or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, all Letters of Credit shall have expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the Guaranteed Obligations

and all other amounts payable under this Guaranty, (b) the Maturity Date and (c) the latest date of expiration or termination of all Letters of Credit, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Finance Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, (ii) the Maturity Date shall have occurred and (iii) all Letters of Credit shall have expired or been terminated, the Secured Parties will, at the Guarantor's request and expense, execute and deliver to the Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by the Guarantor pursuant to this Guaranty.

Section 5. *Payments Free and Clear of Taxes, Etc.* Any and all payments by the Guarantor under this Guaranty or any other Loan Document shall be made, in accordance with the terms of the Credit Agreement, free and clear of and without deduction for any and all present or future Taxes.

Section 6. *Amendments, Etc.* No amendment or waiver of any provision of this Guaranty and no consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and the Guarantor (with the consent of the requisite number of Lenders specified in the Credit Agreement), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 7. *Notices, Etc.* All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to the Guarantor, addressed to it in care of the Company at the Company's address specified in Section 10.02 of the Credit Agreement, if to any Agent or any Lender, at its address specified in Section 10.02 of the Credit Agreement, if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party, or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier of an executed counterpart of a signature page to any

amendment or waiver of any provision of this Guaranty shall be effective as delivery of an original executed counterpart thereof.

Section 8. *No Waiver; Remedies.* No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9. *Right of Set-off.* Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 8.02 of the Credit Agreement to authorize the Administrative Agent to declare the Notes due and payable pursuant to the provisions of said Section 8.02, the Administrative Agent and, after obtaining the prior written consent of the Administrative Agent, each other Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender or such Affiliate to or for the credit or the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Guaranty or any other Loan Document and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify the Guarantor after any such set-off and application; *provided* that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have.

COMPANY GUARANTY

COMPANY GUARANTY dated as of February 27, 2004 (the **"Guaranty"**) made by WMG ACQUISITION CORP., a Delaware corporation (the **"Guarantor"**), in favor of the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENT

The Guarantor and certain of its Foreign Subsidiaries (the **"Overseas Borrowers"** and, together with the Guarantor, the **"Borrowers"**) are parties to a Credit Agreement dated as of February 27, 2004 (as amended, amended and restated, supplemented or otherwise modified from time to time, the **"Credit Agreement";** the capitalized terms defined therein and not otherwise defined herein being used herein as therein defined) with WMG Holdings Corp., certain Lenders party thereto, Bank of America, N.A., as the L/C Issuer, the Swing Line Lender and the Administrative Agent, and the other Agents named therein. The Guarantor will derive substantial direct and indirect benefits from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing the Cash Management Obligations, the **"Finance Documents").** It is a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement and the entry by the Hedge Banks into Secured Hedge Agreements from time to time that the Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans and to issue Letters of Credit under the Credit Agreement and the Hedge Banks to enter into Secured Hedge Agreements from time to time, the Guarantor hereby agrees as follows:

Section 1. *Guaranty.* (a) The Guarantor hereby absolutely, unconditionally and irrevocably guarantees the punctual payment, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each Loan Party and each other Restricted Subsidiary which is an obligor with respect to the Cash Management Obligations (each, an **"Obligor"**) now or hereafter existing (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the **"Guaranteed Obligations"**), and agrees to pay any and all expenses incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty or any other Loan Document (including reasonable fees, expenses and disbursements of any law firm or other external counsel to the Administrative Agent). Without limiting the

generality of the foregoing, the Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any Obligor to any Secured Party under or in respect of the Finance Documents but for the fact that they are unenforceable or not allowable due to the existence

of a bankruptcy, reorganization or similar proceeding involving such Obligor.

(b) The Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty or the Parent Guaranty or the Subsidiary Guaranty or any other guaranty, the Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Guaranty Absolute.* The Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Finance Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The Obligations of the Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against any other Obligor or whether any other Obligor is joined in any such action or actions. The liability of the Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Finance Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, or any other amendment or waiver of or any consent to departure from any Finance Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Obligor or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Obligor under the Finance Documents or any other assets of any Obligor or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Obligor or any of its Subsidiaries;

(f) any failure of any Secured Party to disclose to any Obligor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor now or hereafter known to such Secured Party (the Guarantor waiving any duty on the part of the Secured Parties to disclose such information);

(g) the failure of any other Person to execute or deliver any other guaranty or agreement or the release or reduction of liability of any other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of any other Obligor or otherwise, all as though such payment had not been made.

Section 3. *Waivers and Acknowledgments.* (a) The Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral.

(b) The Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) The Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of

remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Guarantor or other rights of the Guarantor to proceed against any of the other Obligors, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Obligations of the Guarantor hereunder.

(d) The Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon the Guarantor and without affecting the liability of the Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and the Guarantor hereby waives any defense to the recovery by the Administrative Agent and the other Secured Parties against the Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) The Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to the Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor or any of

its Subsidiaries now or hereafter known by such Secured Party.

(f) The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits.

Section 4. *Subrogation.* The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any other Obligor or any other insider guarantor that arise from the existence, payment, performance or enforcement of the Guarantor's Obligations under or in respect of this Guaranty or any other Finance Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against any other Obligor or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any other Obligor or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, all Letters of Credit shall have expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under

this Guaranty, (b) the Maturity Date and (c) the latest date of expiration or termination of all Letters of Credit, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Finance Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, (ii) the Maturity Date shall have occurred and (iii) all Letters of Credit shall have expired or been terminated, the Secured Parties will, at the Guarantor's request and expense, execute and deliver to the Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by the Guarantor pursuant to this Guaranty.

Section 5. *Payments Free and Clear of Taxes, Etc.* Any and all payments by the Guarantor under this Guaranty or any other Loan Document shall be made, in accordance with the terms of the Credit Agreement, free and clear of and without deduction for any and all present or future Taxes.

Section 6. *Amendments, Etc.* No amendment or waiver of any provision of this Guaranty and no consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and the Guarantor (with the consent of the requisite number of Lenders specified in the Credit Agreement), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 7. *Notices, Etc.* All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to the Guarantor, at its address specified in Section 10.02 of the Credit Agreement, if to any Agent or any Lender, at its address specified in Section 10.02 of the Credit Agreement, if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party, or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier of an executed counterpart of a signature page to any amendment or waiver of any provision of this Guaranty shall be effective as delivery of an original executed counterpart thereof.

Section 8. *No Waiver; Remedies.* No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9. *Right of Set-off.* Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 8.02 of the Credit Agreement to authorize the Administrative Agent to declare the Notes due and payable pursuant to the provisions of said Section 8.02, the Administrative Agent and, after obtaining the prior written consent of the Administrative Agent, each other Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender or such Affiliate to or for the credit or the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Guaranty or any other Loan Document and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify the Guarantor after any such set-off and application; *provided* that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have.

Section 10. *Continuing Guaranty; Assignments under the Credit Agreement.* This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the latest of (i) the payment in full in cash of the Guaranteed Obligations (other than with respect to Secured Hedge Agreements and Cash Management Obligations which are not yet due and payable) and all other amounts payable under this Guaranty, (ii) the Maturity Date and (iii) the latest date of expiration or termination of all Letters of Credit, (b) be binding upon the Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise, in each case as and to the extent provided in

Section 10.07 of the Credit Agreement. Except as expressly provided in the Credit Agreement, the Guarantor shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Secured Parties.

Section 11. *Execution in Counterparts.* This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Guaranty by telecopier shall be effective as delivery of an original executed counterpart of this Guaranty.

Section 12. *Governing Law; Jurisdiction; Waiver of Jury Trial, Etc.* (a) This Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS GUARANTY, THE GUARANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. THE GUARANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) THE GUARANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, CLAIM, DEMAND OR CAUSE OF ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS RELATED THERETO.

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

Section 3.2 **First Lien Status.** Trustor shall preserve and protect the first lien and security interest status of this Deed of Trust. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Trust Property, Trustor shall promptly, and at its expense, (a) give Beneficiary a detailed written notice of such lien or security interest (including origin, amount and other terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same as required by and in compliance with the Credit Agreement (including, if applicable under the Credit Agreement, the requirement of providing a bond or other security satisfactory to Beneficiary). Beneficiary has not consented and will not consent to any contract or to any work or to the furnishing of any materials which might be deemed to create a lien or liens superior to the lien of this instrument, either under § 66-11-108 of Tennessee Code Annotated, or otherwise.

Section 3.3 **Payment and Performance.** Trustor covenants and agrees that, so long as any part of the Obligations shall remain unpaid, any Letter of Credit shall be outstanding, any Secured Party shall have any Commitment or any Secured Hedge Agreement shall be in effect, Trustor shall perform and observe all of the terms, covenants and agreements set forth in the Loan Documents on its part to be performed or observed (including without limitation the Subsidiary Guaranty) or that Borrower has agreed to cause Trustor to perform or observe.

Section 3.4 **Replacement of Fixtures.** Trustor shall not, without the prior written consent of Beneficiary, permit any of the Fixtures owned or leased by Trustor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance and repair or is permitted to be removed by the Credit Agreement.

Section 3.5 **Insurance; Condemnation Awards and Insurance Proceeds.**

(a) Insurance. Trustor shall maintain or cause to be maintained with financially sound and reputable insurance companies, insurance with respect to the Trust Property against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Trustor) as are customarily carried under similar circumstances by such Persons. Subject to Trustor's right to self-insure set forth in the foregoing sentence, each such policy of insurance shall name Beneficiary as the loss payee (or, in the case of liability insurance, an additional insured) thereunder for the ratable benefit of the Secured Parties, and shall provide for at least 30 days' prior written notice of any material modification or cancellation of such policy. In addition to the foregoing, if any portion of the Trust Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Trustor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act.

(b) Condemnation Awards. All Condemnation Awards awarded to Trustor shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof.

(c) Insurance Proceeds. All proceeds of any insurance policies required under the Loan Documents relating to the Trust Property shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof.

ARTICLE 4
DEFAULT AND FORECLOSURE

Section 4.1 **Remedies.** Upon the occurrence and during the continuance of an Event of Default, Beneficiary and Trustee, or either of them, may, at their election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Obligations upon the occurrence of certain Events of Default, declare the Obligations to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Trustor), whereupon the same shall become immediately due and payable.

(b) Entry on Trust Property. Enter the Trust Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Trustor remains in possession of the Trust Property following the occurrence and during the continuance of an Event of Default, and without Beneficiary's prior written consent, Beneficiary or Trustee may invoke any legal remedies to dispossess Trustor.

(c) Operation of Trust Property. Hold, lease, develop, manage, operate or otherwise use the Trust Property upon such terms and conditions as Beneficiary or Trustee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Beneficiary or Trustee deems necessary or desirable), and apply all Rents and other amounts collected by Beneficiary in connection therewith in accordance with the provisions of Section 4.7.

(d) Sale. Institute proceedings for sale of the Trust Property, either by judicial action or by power of sale, in which case the Trust Property may be sold for cash or credit in one or more parcels. With respect to any notices required or permitted under the UCC, Trustor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Trustor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Trustor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Trustor. Beneficiary or any of the Secured Parties may be a purchaser at such sale. If Beneficiary or such other Secured Party is the highest bidder, Beneficiary or such other Secured Party may credit the portion of the purchase price that would be distributed to Beneficiary or such other Secured Party against the Obligations in lieu of paying cash. In the event this Deed of Trust is foreclosed by judicial action, appraisement of the Trust Property is waived.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Trustor or regard to the adequacy of the Trust Property for the repayment of the Obligations, the appointment of a receiver of the Trust Property, and Trustor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Trust Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 4.7.

(f) Other. Exercise, with respect to the Trust Property only, all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity.

Section 4.2 Separate Sales. The Trust Property may be sold in one or more parcels and in such manner and order as Beneficiary in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 4.3 Remedies Cumulative, Concurrent and Nonexclusive. Beneficiary or Trustee shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Trustor or others obligated under the Loan Documents, or against the Trust Property, or against any one or more of them, at the sole discretion of Beneficiary, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Beneficiary or Trustee in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 4.4 Release of and Resort to Collateral. Beneficiary may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Trust Property, any part of the Trust Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their status as a first and prior lien and security interest in and to the Trust Property. For payment of the Obligations, Beneficiary or Trustee may resort to any other security in such order and manner as Beneficiary may elect.

Section 4.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Trustor hereby irrevocably and unconditionally waives and releases (a) to the extent not inconsistent with the terms of the Credit Agreement and the Subsidiary Guaranty, all benefit that might accrue to Trustor by virtue of any present or future statute of limitations or law or judicial decision exempting the Trust Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, rights of redemption (whether statutory or at common law) or extension of time for payment, (b) all notices of any Event of Default other than any notices specifically required to be given under any Loan Document, (c) all notices of Beneficiary's or Trustee's election to exercise or the actual exercise of any right, remedy or recourse provided for under any Loan Document, other than any notices specifically required to be given under any Loan Document, and (d) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 4.6 Discontinuance of Proceedings. If Beneficiary or Trustee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary or Trustee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Trustor, Trustee, Beneficiary and the other Secured Parties shall be restored to their former positions with respect to the Obligations, the Loan Documents, the Trust Property and otherwise, and the rights, remedies, recourses and powers of Beneficiary and Trustee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary or Trustee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 4.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Trust Property, shall be applied by Beneficiary (or the receiver, if one is appointed) in the following order unless otherwise required by applicable law:

(a) first, to the payment of the costs and expenses of taking possession of the Trust Property and of holding, using, leasing, repairing, improving and selling the same, including, without limitation (1) receiver's fees and expenses, including the repayment of the amounts evidenced by any receiver's certificates, (2) court costs, (3) attorneys' and accountants' fees and expenses, and (4) costs of advertisement;

(b) second, to the payment of the Obligations and performance of the Secured Obligations in the manner and order of preference provided under Section 8.03 of the Credit Agreement, and

(c) thereafter, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as other required under applicable law.

Section 4.8 Occupancy After Foreclosure. Any sale of the Trust Property or any part thereof in accordance with Section 4.1(d) will divest all right, title and interest of Trustor in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Trustor retains possession of such property or any part thereof subsequent to such sale, Trustor will be considered a tenant at sufferance of the purchaser, and will, if Trustor remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise, with or without process of law.

Section 4.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Beneficiary and Trustee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Trustor. All sums advanced and expenses incurred at any time by Beneficiary or Trustee or any other Secured Party under this Section 4.9, or otherwise under this Deed of Trust or any of the other Loan Documents or applicable law, shall, subject to any limitations thereon contained in any Loan Document, be payable on demand and shall bear interest from and including the date that such sum is advanced or expense incurred, to and excluding the date of reimbursement, at the interest rate applicable to Base Rate Loans pursuant to Section 2.08(a) of the Credit Agreement (*provided* that following the occurrence and during the continuance of any Event of Default, interest shall accrue on such sums at the Default Rate applicable to Base Rate Loans pursuant to Section 2.08(b) of the Credit Agreement), and all such sums, together with interest thereon, shall be secured by this Deed of Trust.

(b) Trustor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Deed of Trust, or the enforcement, compromise or settlement of the Obligations or any claim under this Deed of Trust, and for the curing thereof, or for defending or asserting the rights and claims of Beneficiary in respect thereof, by litigation or otherwise.

Section 4.10 No Beneficiary in Possession. Neither the enforcement of any of the remedies under this Article 4, the assignment of the Rents and Leases under Article 5, the security interests under Article 6, nor any other remedies afforded to Beneficiary under the Loan Documents, at law or in equity shall cause Beneficiary or any other Secured Party to be deemed or construed to be a "mortgagee in possession" of the Trust Property, to obligate Beneficiary or any other Secured Party to lease the Trust Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 5
ASSIGNMENT OF RENTS AND LEASES

Section 5.1 Assignment. In furtherance of and in addition to the assignment made by Trustor in Section 2.1 of this Deed of Trust, Trustor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Beneficiary all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Trustor shall have a revocable license from Beneficiary to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Trustor, the license herein granted shall automatically expire and terminate, without notice to Trustor by Beneficiary (any such notice being hereby expressly waived by Trustor to the extent permitted by applicable law).

Section 5.2 Perfection Upon Recordation. Trustor acknowledges that Beneficiary has taken all actions necessary to obtain, and that upon recordation of this Deed of Trust, Beneficiary shall have, to the extent permitted under applicable law, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases. Trustor acknowledges and agrees that upon recordation of this Deed of Trust, Beneficiary's interest in the Rents shall be deemed to be present and fully perfected, "choate" and enforced as to Trustor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the ***"Bankruptcy Code"***), without the necessity of commencing a foreclosure action with respect to this Deed of Trust, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

Section 5.3 Bankruptcy Provisions. Without limitation of the absolute nature of the assignment of the Rents hereunder, Trustor and Beneficiary agree that (a) this Deed of Trust shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Deed of Trust extends to property of Trustor that comprises the Trust Property and was acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

Section 5.4 No Merger of Estates. So long as part of the Secured Obligations remain unpaid and undischarged, the fee and leasehold estates to the Trust Property shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates either in Trustor, Beneficiary, any tenant or any third party by purchase or otherwise.

ARTICLE 6
SECURITY AGREEMENT

Section 6.1 **Security Interest.** This Deed of Trust constitutes a "security agreement" within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, Trustor grants to Beneficiary a first and prior security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and all other Trust Property which is collateral, a security interest in which may be perfected by the filing of a financing statement, to secure the payment of the Obligations and performance of the Secured Obligations, and agrees that Beneficiary shall have all the rights and

remedies of a secured party under the UCC with respect to such collateral. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Trustor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Trustor. In the event of any inconsistency between the terms of this Deed of Trust and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such inconsistency.

Section 6.2 **Financing Statements.** Trustor shall prepare and deliver to Beneficiary such financing statements, and shall execute and deliver to Beneficiary such documents, instruments and further assurances, in each case in form and substance satisfactory to Beneficiary, as Beneficiary may, from time to time, reasonably consider necessary to create, perfect and preserve Beneficiary's security interest hereunder. Trustor hereby irrevocably authorizes Beneficiary to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve Beneficiary's security interest in the Trust Property hereunder. Trustor represents and warrants to Beneficiary that Trustor's jurisdiction of organization is the State of Delaware. After the date of this Deed of Trust, Trustor shall not change its name, type of organization, organizational identification number (if any), jurisdiction of organization or location (within the meaning of the UCC) without complying in full with the terms of the Loan Documents with respect to any such changes.

Section 6.3 **Fixture Filing.** This Deed of Trust shall also constitute a "fixture filing" for the purposes of the UCC against all of the Trust Property which is or is to become fixtures. The information provided in this Section 6.3 is provided so that this Deed of Trust shall comply with the requirements of the UCC for a deed of trust instrument to be filed as a financing statement. Trustor is the "Debtor" and its name and mailing address are set forth in the preamble of this Deed of Trust immediately preceding Article 1. Beneficiary is the "Secured Party" and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Deed of Trust immediately preceding Article 1. A statement describing the portion of the Trust Property comprising the fixtures hereby secured is set forth in Section 1.1(i) of this Deed of Trust. Trustor represents and warrants to Beneficiary that Trustor is the record owner of the Trust Property, the employer identification number of Trustor is 95-1976532 and the organizational identification number of Trustor is 0042563.

ARTICLE 7
MISCELLANEOUS

Section 7.1 **Notices.** Any notice required or permitted to be given under this Deed of Trust shall be given in accordance with Section 10.02 of the Credit Agreement.

Section 7.2 **Covenants Running with the Land.** All obligations contained in this Deed of Trust are intended by Trustor and Beneficiary to be, and shall be construed as, covenants running with the Trust Property. As used herein, "Trustor" shall refer to the party named in the first paragraph of this Deed of Trust and to any subsequent owner of all or any portion of the Trust Property. All Persons who may have or acquire an interest in the Trust Property shall be deemed to have notice of, and be bound by, the terms of the Credit Agreement and the other Loan Documents; *provided, however,* that no such party shall be entitled to any rights thereunder without the prior written consent of Beneficiary.

Section 7.3 **Attorney-in-Fact.** Trustor hereby irrevocably appoints Beneficiary as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Trustor and in the name of Trustor or otherwise (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Beneficiary deems necessary

and appropriate to protect Beneficiary's interest, if Trustor shall fail to do so promptly after written request by Beneficiary, (b) upon the issuance of a deed pursuant to the foreclosure of this Deed of Trust or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Beneficiary's security interests and rights in or to any of the Trust Property, and (d) after the occurrence and during the continuance of any Event of Default, to perform any obligation of Trustor hereunder; *provided, however,* that (1) Beneficiary shall not under any circumstances be obligated to perform any obligation of Trustor; (2) any sums advanced by Beneficiary in such performance shall be added to and included in the Obligations and shall bear interest at the highest rate at which interest is then computed on any portion of the Obligations; (3) Beneficiary as such attorney-in-fact shall only be accountable for such funds as are actually received by Beneficiary; and (4) Beneficiary shall not be liable to Trustor or any other person or entity for any failure to take any action which it is empowered to take under this Section 7.3.

Section 7.4 **Successors and Assigns.** This Deed of Trust shall be binding upon and inure to the benefit of Beneficiary, the other Secured Parties and Trustor and their respective successors and assigns. Trustor shall not, without the prior written consent of Beneficiary, assign any rights, duties or obligations hereunder.

Section 7.5 **No Waiver.** Any failure by Beneficiary or the other Secured Parties to insist upon strict performance of any of the terms, provisions or conditions of this Deed of Trust shall not be deemed to be a waiver of same, and Beneficiary and the other Secured Parties shall have the right at

any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 7.6 **Credit Agreement.** If any conflict or inconsistency exists between this Deed of Trust and the Credit Agreement, the Credit Agreement shall govern.

Section 7.7 **Release or Reconveyance.** Upon payment in full of the Obligations and performance in full of the Secured Obligations or upon a sale or other disposition of the Trust Property permitted by the Credit Agreement, Beneficiary, at Trustor's request and expense, shall promptly release the liens and security interests created by this Deed of Trust or reconvey the Trust Property to Trustor.

Section 7.8 **Waiver of Stay, Moratorium and Similar Rights.** Trustor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, statutory or equitable or common law rights of redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement (consistent with the terms of the Credit Agreement) of the provisions of this Deed of Trust or the Secured Obligations, or any rights or remedies provided hereunder in favor of Beneficiary or any other Secured Party.

Section 7.9 **Applicable Law.** The provisions of this Deed of Trust regarding the creation, perfection and enforcement of the liens and security interests herein granted shall be governed by and construed under the laws of the state in which the Trust Property is located. All other provisions of this Deed of Trust shall be governed by the laws of the State of New York (including, without limitation, Section 5-1401 of the General Obligations Law of the State of New York).

Section 7.10 **Headings.** The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 7.11 **Severability.** If any provision of this Deed of Trust shall be held by any court of competent jurisdiction to be unlawful, void or unenforceable for any reason, such provision shall be deemed severable from and shall in no way affect the enforceability and validity of the remaining provisions of this Deed of Trust.

Section 7.12 **Entire Agreement.** This Deed of Trust and the other Loan Documents embody the entire agreement and understanding between Beneficiary and Trustor relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Loan Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 7.13 **Beneficiary as Agent; Successor Agents.**

(a) Agent has been appointed to act as Agent hereunder by the other Secured Parties. Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Trust Property) in accordance with the terms of the Credit Agreement, any related agency agreement among Agent and the other Secured Parties (collectively, as amended, amended and restated, supplemented or otherwise modified or replaced from time to time, the ***"Agency Documents"***) and this Deed of Trust. Trustor and all other Persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Agent, without inquiry into the existence of required consents or approvals of the Secured Parties therefor.

(b) Beneficiary shall at all times be the same Person that is Agent under the Agency Documents. Written notice of resignation by Agent pursuant to the Agency Documents shall also constitute notice of resignation as Agent under this Deed of Trust. Removal of Agent pursuant to any provision of the Agency Documents shall also constitute removal as Agent under this Deed of Trust. Appointment of a successor Agent pursuant to the Agency Documents shall also constitute appointment of a successor Agent under this Deed of Trust. Upon the acceptance of any appointment as Agent by a successor Agent under the Agency Documents, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Agent as the Beneficiary under this Deed of Trust, and the retiring or removed Agent shall promptly (i) assign and transfer to such successor Agent all of its right, title and interest in and to this Deed of Trust and the Trust Property, and (ii) execute and deliver to such successor Agent such assignments and amendments and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the liens and security interests created hereunder, whereupon such retiring or removed Agent shall be discharged from its duties and obligations under this Deed of Trust. After any retiring or removed Agent's resignation or removal hereunder as Agent, the provisions of this Deed of Trust and the Agency Documents shall inure to its benefit as to any actions taken or omitted to be taken by it under this Deed of Trust while it was Agent hereunder.

ARTICLE 8
LOCAL LAW PROVISIONS

Section 8.1 **Power of Sale.** Beneficiary may require the Trustee, and the Trustee is hereby authorized and empowered, to enter and take possession of the Trust Property and to sell all or part of the Trust Property, at public auction, to the highest bidder for cash, free from equity of redemption, any statutory or common law right of redemption, homestead, dower, marital share, and all other exemptions, after giving notice of the time, place and terms of such sale and of the Trust Property to be sold, by advertising the terms of such sale and of the Trust Property to be sold, by advertising the sale of the property for twenty-one (21) days by three (3) weekly notices in some newspaper published in the

county and state where the Trust Property is situated, which notice may be given before or after entry by the Trustee. The Trustee shall execute a conveyance to the purchaser in fee simple and deliver possession to the purchaser, which the Trustor warrants shall be given without obstruction, hindrance or delay. The Trustee may sell all or any portion of the Trust Property, together or in lots or parcels, and may execute and deliver to the purchaser or purchasers of such property a conveyance in fee simple. The sale or sales by Trustee of less than the whole of the Trust Property shall not exhaust the power of sale herein granted, and Trustee is specifically empowered to make successive sale or sales under such power until the whole of the Trust Property shall be sold; and if the proceeds of such sale or sales of less than the whole of the Trust Property shall be less than the aggregate of the Secured Obligations and the expenses

thereof, this Deed of Trust and the lien, security interest and assignment hereof shall remain in full force and effect as to the unsold portion of the Trust Property; provided, however, that Trustor shall never have any right to require the sale or sales of less than the whole of the Trust Property, but Beneficiary shall have the right at its sole election, to request the Trustee to sell less than the whole of the Trust Property. Beneficiary may bid and become the purchaser of all or any part of the Trust Property at any such sale, and the amount of Beneficiary's successful bid may be credited on the Secured Obligations.

Section 8.2 **Trustees.** The necessity of the Trustee herein named, or any successor in trust, making oath or giving bond, is expressly waived.

The Trustee, or any one acting in his or her stead, shall have, in their discretion, authority to employ all proper agents and attorneys in the execution of this trust and/or in the conducting of any sale made pursuant to the terms hereof, and to pay for such services rendered out of the proceeds of the sale of the Trust Property, should any be realized; and if no sale be made or if the proceeds of sale be insufficient to pay the same, then Trustor hereby undertakes and agrees to pay the cost of such services rendered to said Trustee. Trustee may rely on any document believed by him or her in good faith to be genuine. All money received by Trustee shall, until used or applied as herein provided, be held in trust, but need not be segregated (except to the extent required by law), and Trustee shall not be liable for interest thereon.

If the Trustee shall be made a party to or shall intervene in any action or proceeding affecting the Trust Property or the title thereto, or the interest of the Trustee or Beneficiary under this Deed of Trust, the Trustee and Beneficiary shall be reimbursed by Trustor, immediately and without demand, for all reasonable costs, charges, and attorney's fees incurred by them or either of them in any such case, and the same shall be secured hereby as a further charge and lien upon the Trust Property.

In the event of the death, refusal, or of inability for any cause, on the part of the Trustee named herein, or of any successor trustee, to act at any time when action under the foregoing powers and trust may be required, or for any other reason satisfactory to the Beneficiary, the Beneficiary is authorized, either in its own name or through an attorney or attorneys in fact appointed for that purpose, by written instrument duly registered, to name and appoint a successor or successors to execute this trust, such appointment to be evidenced by writing, duly acknowledged; and when such writing shall have been registered, the substituted trustee named therein shall thereupon be vested with all the right and title, and clothed with all the power of the Trustee named herein and such like power of substitution shall continue so long as any part of the debt secured hereby remains unpaid.

IN WITNESS WHEREOF, Trustor has on the date set forth in the acknowledgement hereto, effective as of the date first above written, caused this instrument to be duly EXECUTED AND DELIVERED by authority duly given.

Section 2.2 **Treatment of Borrowings and Repayments.** Pursuant to the Credit Agreement, the amount of the Obligations may increase and decrease from time to time as the Secured Parties advance, Borrower repays, and the Secured Parties re-advance sums pursuant to the Credit Agreement. For purposes of this Deed of Trust, so long as the balance of the Obligations equals or exceeds the maximum principal amount secured hereby ***("Secured Amount"),*** the amount of the Obligations secured by this Deed of Trust shall at all times equal only the Secured Amount. Such payments shall instead be deemed to reduce only such portions of the Obligations as are secured by other collateral located outside of the State of Tennessee.

ARTICLE 3
WARRANTIES, REPRESENTATIONS AND COVENANTS

Trustor warrants, represents and covenants to Beneficiary as follows:

Section 3.1 **Title to Trust Property and Lien of this Instrument.** Trustor owns the Trust Property free and clear of any liens, claims or interests, except the Permitted Encumbrances and

Permitted Liens. This Deed of Trust creates valid, enforceable first priority liens and security interests against the Trust Property, except for Permitted Encumbrances and Permitted Liens.

Section 3.2 **First Lien Status.** Trustor shall preserve and protect the first lien and security interest status of this Deed of Trust. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Trust Property, Trustor shall promptly, and at its expense, (a) give Beneficiary a detailed written notice of such lien or security interest (including origin, amount and other terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same as required by and in compliance with the Credit Agreement (including, if applicable under the Credit Agreement, the requirement of providing a bond or other security satisfactory to Beneficiary). Beneficiary has not consented and will not consent to any contract or to any work or to the furnishing of any materials which might be deemed to create a lien or liens superior to the lien of this instrument, either under § 66-11-108 of Tennessee Code Annotated, or otherwise.

Section 3.3 **Payment and Performance.** Trustor covenants and agrees that, so long as any part of the Obligations shall remain unpaid, any Letter of Credit shall be outstanding, any Secured Party shall have any Commitment or any Secured Hedge Agreement shall be in effect, Trustor shall perform and observe all of the terms, covenants and agreements set forth in the Loan Documents on its part to be performed or observed (including without limitation the Subsidiary Guaranty) or that Borrower has agreed to cause Trustor to perform or observe.

Section 3.4 **Replacement of Fixtures.** Trustor shall not, without the prior written consent of Beneficiary, permit any of the Fixtures owned or leased by Trustor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance and repair or is permitted to be removed by the Credit Agreement.

Section 3.5 **Insurance; Condemnation Awards and Insurance Proceeds.**

(a) Insurance. Trustor shall maintain or cause to be maintained with financially sound and reputable insurance companies, insurance with respect to the Trust Property against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Trustor) as are customarily carried under similar circumstances by such Persons. Subject to Trustor's right to self-insure set forth in the foregoing sentence, each such policy of insurance shall name Beneficiary as the loss payee (or, in the case of liability insurance, an additional insured) thereunder for the ratable benefit of the Secured Parties, and shall provide for at least 30 days' prior written notice of any material modification or cancellation of such policy. In addition to the foregoing, if any portion of the Trust Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Trustor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act.

(b) Condemnation Awards. All Condemnation Awards awarded to Trustor shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof.

(c) Insurance Proceeds. All proceeds of any insurance policies required under the Loan Documents relating to the Trust Property shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof.

ARTICLE 4
DEFAULT AND FORECLOSURE

Section 4.1 **Remedies.** Upon the occurrence and during the continuance of an Event of Default, Beneficiary and Trustee, or either of them, may, at their election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Obligations upon the occurrence of certain Events of Default, declare the Obligations to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Trustor), whereupon the same shall become immediately due and payable.

(b) Entry on Trust Property. Enter the Trust Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Trustor remains in possession of the Trust Property following the occurrence and during the continuance of an Event of Default, and without Beneficiary's prior written consent, Beneficiary or Trustee may invoke any legal remedies to dispossess Trustor.

(c) Operation of Trust Property. Hold, lease, develop, manage, operate or otherwise use the Trust Property upon such terms and conditions as Beneficiary or Trustee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Beneficiary or Trustee deems necessary or desirable), and apply all Rents and other amounts collected by Beneficiary in connection therewith in accordance with the provisions of Section 4.7.

(d) Sale. Institute proceedings for sale of the Trust Property, either by judicial action or by power of sale, in which case the Trust Property may be sold for cash or credit in one or more parcels. With respect to any notices required or permitted under the UCC, Trustor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Trustor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Trustor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Trustor. Beneficiary or any of the Secured Parties may be a purchaser at such sale. If Beneficiary or such other Secured Party is the highest bidder, Beneficiary or such other Secured Party may credit the portion of the purchase price that would be distributed to Beneficiary or such other Secured Party against the Obligations in lieu of paying cash. In the event this Deed of Trust is foreclosed by judicial action, appraisement of the Trust Property is waived.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Trustor or regard to the adequacy of the Trust Property for the repayment of the Obligations, the appointment of a receiver of the Trust Property, and Trustor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Trust Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 4.7.

(f) Other. Exercise, with respect to the Trust Property only, all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity.

Section 4.2 Separate Sales. The Trust Property may be sold in one or more parcels and in such manner and order as Beneficiary in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 4.3 Remedies Cumulative, Concurrent and Nonexclusive. Beneficiary or Trustee shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Trustor or others obligated under the Loan Documents, or against the Trust Property, or against any one or more of them, at the sole discretion of Beneficiary, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Beneficiary or Trustee in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 4.4 Release of and Resort to Collateral. Beneficiary may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Trust Property, any part of the Trust Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their status as a first and prior lien and security interest in and to the Trust Property. For payment of the Obligations, Beneficiary or Trustee may resort to any other security in such order and manner as Beneficiary may elect.

Section 4.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Trustor hereby irrevocably and unconditionally waives and releases (a) to the extent not inconsistent with the terms of the Credit Agreement and the Subsidiary Guaranty, all benefit that might accrue to Trustor by virtue of any present or future statute of limitations or law or judicial decision exempting the Trust Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, rights of redemption (whether statutory or at common law) or extension of time for payment, (b) all notices of any Event of Default other than any notices specifically required to be given under any Loan Document, (c) all notices of Beneficiary's or Trustee's election to exercise or the actual exercise of any right, remedy or recourse provided for under any Loan Document, other than any notices specifically required to be given under any Loan Document, and (d) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 4.6 Discontinuance of Proceedings. If Beneficiary or Trustee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary or Trustee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Trustor, Trustee, Beneficiary and the other Secured Parties shall be restored to their former positions with respect to the Obligations, the Loan Documents, the Trust Property and otherwise, and the rights, remedies, recourses and powers of Beneficiary and Trustee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary or Trustee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 4.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Trust Property, shall be applied by Beneficiary (or the receiver, if one is appointed) in the following order unless otherwise required by applicable law:

(a) first, to the payment of the costs and expenses of taking possession of the Trust Property and of holding, using, leasing, repairing, improving and selling the same, including, without limitation (1) receiver's fees and expenses, including the repayment of the amounts evidenced by any receiver's certificates, (2) court costs, (3) attorneys' and accountants' fees and expenses, and (4) costs of advertisement;

(b) second, to the payment of the Obligations and performance of the Secured Obligations in the manner and order of preference provided under Section 8.03 of the Credit Agreement, and

(c) thereafter, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as other required under applicable law.

Section 4.8 Occupancy After Foreclosure. Any sale of the Trust Property or any part thereof in accordance with Section 4.1(d) will divest all right, title and interest of Trustor in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Trustor retains possession of such property or any part thereof subsequent to such sale, Trustor will be considered a tenant at sufferance of the purchaser, and will, if Trustor remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise, with or without process of law.

Section 4.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Beneficiary and Trustee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Trustor. All sums advanced and expenses incurred at any time by Beneficiary or Trustee or any other Secured Party under this Section 4.9, or otherwise under this Deed of Trust or any of the other Loan Documents or applicable law, shall, subject to any limitations thereon contained in any Loan Document, be payable on demand and shall bear interest from and including the date that such sum is advanced or expense incurred, to and excluding the date of reimbursement, at the interest rate applicable to Base Rate Loans pursuant to Section 2.08(a) of the Credit Agreement *(provided* that following the occurrence and during the continuance of any Event of Default, interest shall accrue on such sums at the Default Rate applicable to Base Rate Loans pursuant to Section 2.08(b) of the Credit Agreement), and all such sums, together with interest thereon, shall be secured by this Deed of Trust.

(b) Trustor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Deed of Trust, or the enforcement, compromise or settlement of the Obligations or any claim under this Deed of Trust, and for the curing thereof, or for defending or asserting the rights and claims of Beneficiary in respect thereof, by litigation or otherwise.

Section 4.10 No Beneficiary in Possession. Neither the enforcement of any of the remedies under this Article 4, the assignment of the Rents and Leases under Article 5, the security interests under Article 6, nor any other remedies afforded to Beneficiary under the Loan Documents, at law or in equity shall cause Beneficiary or any other Secured Party to be deemed or construed to be a "mortgagee in possession" of the Trust Property, to obligate Beneficiary or any other Secured Party to lease the Trust Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 5
ASSIGNMENT OF RENTS AND LEASES

Section 5.1 Assignment. In furtherance of and in addition to the assignment made by Trustor in Section 2.1 of this Deed of Trust, Trustor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Beneficiary all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Trustor shall have a revocable license from Beneficiary to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Trustor, the license herein granted shall automatically expire and terminate, without notice to Trustor by Beneficiary (any such notice being hereby expressly waived by Trustor to the extent permitted by applicable law).

Section 5.2 Perfection Upon Recordation. Trustor acknowledges that Beneficiary has taken all actions necessary to obtain, and that upon recordation of this Deed of Trust, Beneficiary shall have, to the extent permitted under applicable law, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases. Trustor acknowledges and agrees that upon recordation of this Deed of Trust, Beneficiary's interest in the Rents shall be deemed to be present and fully perfected, "choate" and enforced as to Trustor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the ***"Bankruptcy Code"*),** without the necessity of commencing a foreclosure action with respect to this Deed of Trust, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

Section 5.3 Bankruptcy Provisions. Without limitation of the absolute nature of the assignment of the Rents hereunder, Trustor and Beneficiary agree that (a) this Deed of Trust shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Deed of Trust extends to property of Trustor that comprises the Trust Property and was acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

Section 5.4 No Merger of Estates. So long as part of the Secured Obligations remain unpaid and undischarged, the fee and leasehold estates to the Trust Property shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates either in Trustor, Beneficiary, any tenant or any third party by purchase or otherwise.

ARTICLE 6
SECURITY AGREEMENT

Section 6.1 **Security Interest.** This Deed of Trust constitutes a "security agreement" within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, Trustor grants to Beneficiary a first and prior security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and all other Trust Property which is collateral, a security interest in which may be perfected by the filing of a financing statement, to secure the payment of the Obligations and performance of the Secured Obligations, and agrees that Beneficiary shall have all the rights and

remedies of a secured party under the UCC with respect to such collateral. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Trustor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Trustor. In the event of any inconsistency between the terms of this Deed of Trust and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such inconsistency.

Section 6.2 **Financing Statements.** Trustor shall prepare and deliver to Beneficiary such financing statements, and shall execute and deliver to Beneficiary such documents, instruments and further assurances, in each case in form and substance satisfactory to Beneficiary, as Beneficiary may, from time to time, reasonably consider necessary to create, perfect and preserve Beneficiary's security interest hereunder. Trustor hereby irrevocably authorizes Beneficiary to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve Beneficiary's security interest in the Trust Property hereunder. Trustor represents and warrants to Beneficiary that Trustor's jurisdiction of organization is the State of Delaware. After the date of this Deed of Trust, Trustor shall not change its name, type of organization, organizational identification number (if any), jurisdiction of organization or location (within the meaning of the UCC) without complying in full with the terms of the Loan Documents with respect to any such changes.

Section 6.3 **Fixture Filing.** This Deed of Trust shall also constitute a "fixture filing" for the purposes of the UCC against all of the Trust Property which is or is to become fixtures. The information provided in this Section 6.3 is provided so that this Deed of Trust shall comply with the requirements of the UCC for a deed of trust instrument to be filed as a financing statement. Trustor is the "Debtor" and its name and mailing address are set forth in the preamble of this Deed of Trust immediately preceding Article 1. Beneficiary is the "Secured Party" and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Deed of Trust immediately preceding Article 1. A statement describing the portion of the Trust Property comprising the fixtures hereby secured is set forth in Section 1.1(i) of this Deed of Trust. Trustor represents and warrants to Beneficiary that Trustor is the record owner of the Trust Property, the employer identification number of Trustor is 13-3565869.

ARTICLE 7

Section 7.1 **Notices.** Any notice required or permitted to be given under this Deed of Trust shall be given in accordance with Section 10.02 of the Credit Agreement.

Section 7.2 **Covenants Running with the Land.** All obligations contained in this Deed of Trust are intended by Trustor and Beneficiary to be, and shall be construed as, covenants running with the Trust Property. As used herein, "Trustor" shall refer to the party named in the first paragraph of this Deed of Trust and to any subsequent owner of all or any portion of the Trust Property. All Persons who may have or acquire an interest in the Trust Property shall be deemed to have notice of, and be bound by, the terms of the Credit Agreement and the other Loan Documents; *provided, however,* that no such party shall be entitled to any rights thereunder without the prior written consent of Beneficiary.

Section 7.3 **Attorney-in-Fact.** Trustor hereby irrevocably appoints Beneficiary as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Trustor and in the name of Trustor or otherwise (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Beneficiary deems necessary and appropriate to protect Beneficiary's interest, if Trustor shall fail to do so promptly after written

request by Beneficiary, (b) upon the issuance of a deed pursuant to the foreclosure of this Deed of Trust or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Beneficiary's security interests and rights in or to any of the Trust Property, and (d) after the occurrence and during the continuance of any Event of Default, to perform any obligation of Trustor hereunder; *provided, however,* that (1) Beneficiary shall not under any circumstances be obligated to perform any obligation of Trustor; (2) any sums advanced by Beneficiary in such performance shall be added to and included in the Obligations and shall bear interest at the highest rate at which interest is then computed on any portion of the Obligations; (3) Beneficiary as such attorney-in-fact shall only be accountable for such funds as are actually received by Beneficiary; and (4) Beneficiary shall not be liable to Trustor or any other person or entity for any failure to take any action which it is empowered to take under this Section 7.3.

Section 7.4 **Successors and Assigns.** This Deed of Trust shall be binding upon and inure to the benefit of Beneficiary, the other Secured Parties and Trustor and their respective successors and assigns. Trustor shall not, without the prior written consent of Beneficiary, assign any rights, duties or obligations hereunder.

Section 7.5 **No Waiver.** Any failure by Beneficiary or the other Secured Parties to insist upon strict performance of any of the terms, provisions or conditions of this Deed of Trust shall not be deemed to be a waiver of same, and Beneficiary and the other Secured Parties shall have the right at any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 7.6 **Credit Agreement.** If any conflict or inconsistency exists between this Deed of Trust and the Credit Agreement, the Credit Agreement shall govern.

Section 7.7 **Release or Reconveyance.** Upon payment in full of the Obligations and performance in full of the Secured Obligations or upon a sale or other disposition of the Trust Property permitted by the Credit Agreement, Beneficiary, at Trustor's request and expense, shall promptly release the liens and security interests created by this Deed of Trust or reconvey the Trust Property to Trustor.

Section 7.8 **Waiver of Stay, Moratorium and Similar Rights.** Trustor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, statutory or equitable or common law rights of redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement (consistent with the terms of the Credit Agreement) of the provisions of this Deed of Trust or the Secured Obligations, or any rights or remedies provided hereunder in favor of Beneficiary or any other Secured Party.

Section 7.9 **Applicable Law.** The provisions of this Deed of Trust regarding the creation, perfection and enforcement of the liens and security interests herein granted shall be governed by and construed under the laws of the state in which the Trust Property is located. All other provisions of this Deed of Trust shall be governed by the laws of the State of New York (including, without limitation, Section 5-1401 of the General Obligations Law of the State of New York).

Section 7.10 **Headings.** The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 7.11 **Severability.** If any provision of this Deed of Trust shall be held by any court of competent jurisdiction to be unlawful, void or unenforceable for any reason, such provision shall be deemed severable from and shall in no way affect the enforceability and validity of the remaining provisions of this Deed of Trust.

Section 7.12 **Entire Agreement.** This Deed of Trust and the other Loan Documents embody the entire agreement and understanding between Beneficiary and Trustor relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Loan Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 7.13 **Beneficiary as Agent; Successor Agents.**

(a) Agent has been appointed to act as Agent hereunder by the other Secured Parties. Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Trust Property) in accordance with the terms of the Credit Agreement, any related agency agreement among Agent and the other Secured Parties (collectively, as amended, amended and restated, supplemented or otherwise modified or replaced from time to time, the ***"Agency Documents")*** and this Deed of Trust. Trustor and all other Persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Agent, without inquiry into the existence of required consents or approvals of the Secured Parties therefor.

(b) Beneficiary shall at all times be the same Person that is Agent under the Agency Documents. Written notice of resignation by Agent pursuant to the Agency Documents shall also constitute notice of resignation as Agent under this Deed of Trust. Removal of Agent pursuant to any provision of the Agency Documents shall also constitute removal as Agent under this Deed of Trust. Appointment of a successor Agent pursuant to the Agency Documents shall also constitute appointment of a successor Agent under this Deed of Trust. Upon the acceptance of any appointment as Agent by a successor Agent under the Agency Documents, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Agent as the Beneficiary under this Deed of Trust, and the retiring or removed Agent shall promptly (i) assign and transfer to such successor Agent all of its right, title and interest in and to this Deed of Trust and the Trust Property, and (ii) execute and deliver to such successor Agent such assignments and amendments and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the liens and security interests created hereunder, whereupon such retiring or removed Agent shall be discharged from its duties and obligations under this Deed of Trust. After any retiring or removed Agent's resignation or removal hereunder as Agent, the provisions of this Deed of Trust and the Agency Documents shall inure to its benefit as to any actions taken or omitted to be taken by it under this Deed of Trust while it was Agent hereunder.

ARTICLE 8
LOCAL LAW PROVISIONS

Section 8.1 **Power of Sale.** Beneficiary may require the Trustee, and the Trustee is hereby authorized and empowered, to enter and take possession of the Trust Property and to sell all or part of the Trust Property, at public auction, to the highest bidder for cash, free from equity of redemption, any statutory or common law right of redemption, homestead, dower, marital share, and all other exemptions, after giving notice of the time, place and terms of such sale and of the Trust Property to be sold, by advertising the terms of such sale and of the Trust Property to be sold, by advertising the sale of the property for twenty-one (21) days by three (3) weekly notices in some newspaper published in the

county and state where the Trust Property is situated, which notice may be given before or after entry by the Trustee. The Trustee shall execute a conveyance to the purchaser in fee simple and deliver possession to the purchaser, which the Trustor warrants shall be given without obstruction, hindrance or delay. The Trustee may sell all or any portion of the Trust Property, together or in lots or parcels, and may execute and deliver to the purchaser or purchasers of such property a conveyance in fee simple. The sale or sales by Trustee of less than the whole of the Trust Property shall not exhaust the power of sale herein

granted, and Trustee is specifically empowered to make successive sale or sales under such power until the whole of the Trust Property shall be sold; and if the proceeds of such sale or sales of less than the whole of the Trust Property shall be less than the aggregate of the Secured Obligations and the expenses thereof, this Deed of Trust and the lien, security interest and assignment hereof shall remain in full force and effect as to the unsold portion of the Trust Property; provided, however, that Trustor shall never have any right to require the sale or sales of less than the whole of the Trust Property, but Beneficiary shall have the right at its sole election, to request the Trustee to sell less than the whole of the Trust Property. Beneficiary may bid and become the purchaser of all or any part of the Trust Property at any such sale, and the amount of Beneficiary's successful bid may be credited on the Secured Obligations.

Section 8.2 **Trustees.** The necessity of the Trustee herein named, or any successor in trust, making oath or giving bond, is expressly waived.

The Trustee, or any one acting in his or her stead, shall have, in their discretion, authority to employ all proper agents and attorneys in the execution of this trust and/or in the conducting of any sale made pursuant to the terms hereof, and to pay for such services rendered out of the proceeds of the sale of the Trust Property, should any be realized; and if no sale be made or if the proceeds of sale be insufficient to pay the same, then Trustor hereby undertakes and agrees to pay the cost of such services rendered to said Trustee. Trustee may rely on any document believed by him or her in good faith to be genuine. All money received by Trustee shall, until used or applied as herein provided, be held in trust, but need not be segregated (except to the extent required by law), and Trustee shall not be liable for interest thereon.

If the Trustee shall be made a party to or shall intervene in any action or proceeding affecting the Trust Property or the title thereto, or the interest of the Trustee or Beneficiary under this Deed of Trust, the Trustee and Beneficiary shall be reimbursed by Trustor, immediately and without demand, for all reasonable costs, charges, and attorney's fees incurred by them or either of them in any such case, and the same shall be secured hereby as a further charge and lien upon the Trust Property.

In the event of the death, refusal, or of inability for any cause, on the part of the Trustee named herein, or of any successor trustee, to act at any time when action under the foregoing powers and trust may be required, or for any other reason satisfactory to the Beneficiary, the Beneficiary is authorized, either in its own name or through an attorney or attorneys in fact appointed for that purpose, by written instrument duly registered, to name and appoint a successor or successors to execute this trust, such appointment to be evidenced by writing, duly acknowledged; and when such writing shall have been registered, the substituted trustee named therein shall thereupon be vested with all the right and title, and clothed with all the power of the Trustee named herein and such like power of substitution shall continue so long as any part of the debt secured hereby remains unpaid.

IN WITNESS WHEREOF, Trustor has on the date set forth in the acknowledgement hereto, effective as of the date first above written, caused this instrument to be duly EXECUTED AND DELIVERED by authority duly given.

This Deed of Trust creates valid, enforceable first priority liens and security interests against the Trust Property, except for Permitted Encumbrances and Permitted Liens.

Section 3.2 **First Lien Status.** Trustor shall preserve and protect the first lien and security interest status of this Deed of Trust. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Trust Property, Trustor shall promptly, and at its expense, (a) give Beneficiary a detailed written notice of such lien or security interest (including origin, amount and other terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same as required by and in compliance with the Credit Agreement (including, if applicable under the Credit Agreement, the requirement of providing a bond or other security satisfactory to Beneficiary).

Section 3.3 **Payment and Performance.** Trustor covenants and agrees that, so long as any part of the Obligations shall remain unpaid, any Letter of Credit shall be outstanding, any Secured Party shall have any Commitment or any Secured Hedge Agreement shall be in effect, Trustor shall perform and observe all of the terms, covenants and agreements set forth in the Loan Documents on its part to be performed or observed (including without limitation the Subsidiary Guaranty) or that Borrower has agreed to cause Trustor to perform or observe.

Section 3.4 **Replacement of Fixtures.** Trustor shall not, without the prior written consent of Beneficiary, permit any of the Fixtures owned or leased by Trustor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance and repair or is permitted to be removed by the Credit Agreement.

Section 3.5 **Insurance; Condemnation Awards and Insurance Proceeds.**

(a) Insurance. Trustor shall maintain or cause to be maintained with financially sound and reputable insurance companies, insurance with respect to the Trust Property against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Trustor) as are customarily carried under similar circumstances by such Persons. Subject to Trustor's right to self-insure set forth in the foregoing sentence, each such policy of insurance shall name Beneficiary as the loss payee (or, in the case of liability insurance, an additional insured) thereunder for the ratable benefit of the Secured Parties, and shall provide for at least 30 days' prior written notice of any material modification or cancellation of such policy. In addition to the foregoing, if any portion of the Trust Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Trustor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act.

(b) Condemnation Awards. All Condemnation Awards awarded to Trustor shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof, the provisions of which are incorporated herein by this reference.

(c) Insurance Proceeds. All proceeds of any insurance policies required under the Loan Documents relating to the Trust Property shall be reinvested and/or applied in accordance with the terms of the Credit Agreement, including without limitation Section 2.05(b) thereof, the provisions of which are incorporated herein by this reference.

ARTICLE 4
DEFAULT AND FORECLOSURE

Section 4.1 **Remedies.** Upon the occurrence and during the continuance of an Event of Default, Beneficiary and Trustee, or either of them, may, at their election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Obligations upon the occurrence of certain Events of Default, declare the Obligations to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Trustor), whereupon the same shall become immediately due and payable.

(b) Entry on Trust Property. Enter the Trust Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Trustor remains in possession of the Trust Property following the occurrence and during the continuance of an Event of Default, and without Beneficiary's prior written consent, Beneficiary or Trustee may invoke any legal remedies to dispossess Trustor.

(c) Operation of Trust Property. Hold, lease, develop, manage, operate or otherwise use the Trust Property upon such terms and conditions as Beneficiary or Trustee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Beneficiary or Trustee deems necessary or desirable), and apply all Rents and other amounts collected by Beneficiary in connection therewith in accordance with the provisions of Section 4.7.

(d) Sale. Institute proceedings for sale of the Trust Property, either by judicial action or by power of sale, in which case the Trust Property may be sold for cash or credit in one or more parcels. With respect to any notices required or permitted under the UCC, Trustor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Trustor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Trustor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Trustor. Beneficiary or any of the Secured Parties may be a purchaser at such sale. If Beneficiary or such other Secured Party is the highest bidder, Beneficiary or such other Secured Party may credit the portion of the purchase price that would

be distributed to Beneficiary or such other Secured Party against the Obligations in lieu of paying cash. In the event this Deed of Trust is foreclosed by judicial action, appraisement of the Trust Property is waived.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Trustor or regard to the adequacy of the Trust Property for the repayment of the Obligations, the appointment of a receiver of the Trust Property, and Trustor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Trust Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 4.7.

(f) Other. Exercise, with respect to the Trust Property only, all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity.

Section 4.2 Separate Sales. The Trust Property may be sold in one or more parcels and in such manner and order as Beneficiary in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 4.3 Remedies Cumulative, Concurrent and Nonexclusive. Beneficiary or Trustee shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Trustor or others obligated under the Loan Documents, or against the Trust Property, or against any one or more of them, at the sole discretion of Beneficiary, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Beneficiary or Trustee in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 4.4 Release of and Resort to Collateral. Beneficiary may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Trust Property, any part of the Trust Property without, as to the remainder, in any

way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their status as a first and prior lien and security interest in and to the Trust Property. For payment of the Obligations, Beneficiary or Trustee may resort to any other security in such order and manner as Beneficiary may elect.

Section 4.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Trustor hereby irrevocably and unconditionally waives and releases (a) to the extent not inconsistent with the terms of the Credit Agreement and the Subsidiary Guaranty, all benefit that might accrue to Trustor by virtue of any present or future statute of limitations or law or judicial decision exempting the Trust Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, redemption or extension of time for payment, (b) all notices of any Event of Default other than any notices specifically required to be given under any Loan Document, (c) all notices of Beneficiary's or Trustee's election to exercise or the actual exercise of any right, remedy or recourse provided for under any Loan Document, other than any notices specifically required to be given under any Loan Document, and (d) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 4.6 Discontinuance of Proceedings. If Beneficiary or Trustee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary or Trustee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Trustor, Trustee, Beneficiary and the other Secured Parties shall be restored to their former positions with respect to the Obligations, the Loan Documents, the Trust Property and otherwise, and the rights, remedies, recourses and powers of Beneficiary and Trustee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary or Trustee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 4.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Trust Property, shall be applied by Beneficiary (or the receiver, if one is appointed) in the following order unless otherwise required by applicable law:

(a) first, to the payment of the costs and expenses of taking possession of the Trust Property and of holding, using, leasing, repairing, improving and selling the same, including, without limitation (1) receiver's fees and expenses, including the repayment of the amounts evidenced by any receiver's certificates, (2) court costs, (3) attorneys' and accountants' fees and expenses, and (4) costs of advertisement;

(b) second, to the payment of the Obligations and performance of the Secured Obligations in the manner and order of preference provided under Section 8.03 of the Credit Agreement, and

(c) thereafter, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as other required under applicable law.

Section 4.8 Occupancy After Foreclosure. Any sale of the Trust Property or any part thereof in accordance with Section 4.1(d) will divest all right, title and interest of Trustor in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Trustor retains possession of such property or any part thereof subsequent to such sale, Trustor will be considered a tenant at sufferance of the purchaser, and will, if

Trustor remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise, with or without process of law.

Section 4.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Beneficiary and Trustee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Trustor. All sums advanced and expenses incurred at any time by Beneficiary or Trustee or any other Secured Party under this Section 4.9, or otherwise under this Deed of Trust or any of the other Loan Documents or applicable law, shall, subject to any limitations thereon contained in any Loan Document, be payable on demand and shall bear interest from and including the date that such sum is advanced or expense incurred, to and excluding the date of reimbursement, at the interest rate applicable to Base Rate Loans pursuant to Section 2.08(a) of the Credit Agreement (*provided* that following the occurrence and during the continuance of any Event of Default, interest shall accrue on such sums at the Default Rate applicable to Base Rate Loans pursuant to Section 2.08(b) of the Credit Agreement), and all such sums, together with interest thereon, shall be secured by this Deed of Trust.

(b) Trustor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Deed of Trust, or the enforcement, compromise or settlement of the Obligations or any claim under this Deed of Trust, and for the curing thereof, or for defending or asserting the rights and claims of Beneficiary in respect thereof, by litigation or otherwise.

Section 4.10 No Beneficiary in Possession. Neither the enforcement of any of the remedies under this Article 4, the assignment of the Rents and Leases under Article 5, the security interests under Article 6, nor any other remedies afforded to Beneficiary under the Loan Documents, at law or in equity shall cause Beneficiary or any other Secured Party to be deemed or construed to be a "mortgagee in possession" of the Trust Property, to obligate Beneficiary or any other Secured Party to lease the Trust Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 5
ASSIGNMENT OF RENTS AND LEASES

Section 5.1 Assignment. In furtherance of and in addition to the assignment made by Trustor in Section 2.1 of this Deed of Trust, Trustor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Beneficiary all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Trustor shall have a revocable license from Beneficiary to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Trustor, the license herein granted shall automatically expire and terminate, without notice to Trustor by Beneficiary (any such notice being hereby expressly waived by Trustor to the extent permitted by applicable law).

Section 5.2 Perfection Upon Recordation. Trustor acknowledges that Beneficiary has taken all actions necessary to obtain, and that upon recordation of this Deed of Trust, Beneficiary shall have, to the extent permitted under applicable law, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases. Trustor acknowledges

and agrees that upon recordation of this Deed of Trust, Beneficiary's interest in the Rents shall be deemed to be present and fully perfected, "choate" and enforced as to Trustor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "***Bankruptcy Code***"), without the necessity of commencing a foreclosure action with respect to this Deed of Trust, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

Section 5.3 Bankruptcy Provisions. Without limitation of the absolute nature of the assignment of the Rents hereunder, Trustor and Beneficiary agree that (a) this Deed of Trust shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Deed of Trust extends to property of Trustor that comprises the Trust Property and was acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

Section 5.4 No Merger of Estates. So long as part of the Secured Obligations remain unpaid and undischarged, the fee and leasehold estates to the Trust Property shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates either in Trustor, Beneficiary, any tenant or any third party by purchase or otherwise.

ARTICLE 6
SECURITY AGREEMENT

Section 6.1 Security Interest. This Deed of Trust constitutes a "security agreement" on personal property within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, Trustor grants to Beneficiary a first and prior security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and all other Trust Property which is collateral, a security interest in which may be perfected by the filing of a financing statement, to secure the payment of the Obligations and performance of the Secured Obligations, and agrees that Beneficiary shall have all the rights and remedies of a secured party under the UCC with respect to such property. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Trustor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Trustor. In the event of any inconsistency between the terms of this Deed of Trust and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such inconsistency.

Section 6.2 Financing Statements. Trustor shall prepare and deliver to Beneficiary such financing statements, and shall execute and deliver to Beneficiary such documents, instruments and further assurances, in each case in form and substance satisfactory to Beneficiary, as Beneficiary may, from time to time, reasonably consider necessary to create, perfect and preserve Beneficiary's security interest hereunder. Trustor hereby irrevocably authorizes Beneficiary to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve Beneficiary's security interest in the Trust Property hereunder. Trustor represents and warrants to Beneficiary that Trustor's jurisdiction of organization is the State of Delaware.

After the date of this Deed of Trust, Trustor shall not change its name, type of organization, organizational identification number (if any), jurisdiction of organization or location (within the meaning of the UCC) without complying in full with the terms of the Loan Documents with respect to any such changes. Any sale of

any personal property hereunder shall be conducted in any manner permitted by Section 9601 of Division 9 of the UCC or any other applicable section of the UCC.

Section 6.3 **Fixture Filing.** This Deed of Trust shall also constitute a "fixture filing" for the purposes of the UCC against all of the Trust Property which is or is to become fixtures. The information provided in this Section 6.3 is provided so that this Deed of Trust shall comply with the requirements of the UCC for a deed of trust instrument to be filed as a financing statement. Trustor is the "Debtor" and its name and mailing address are set forth in the preamble of this Deed of Trust immediately preceding Article 1. Beneficiary is the "Secured Party" and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Deed of Trust immediately preceding Article 1. A statement describing the portion of the Trust Property comprising the fixtures hereby secured is set forth in Section 1.1(i) of this Deed of Trust. Trustor represents and warrants to Beneficiary that Trustor is the record owner of the Trust Property, the employer identification number of Trustor is 95-1976532 and the organizational identification number of Trustor is 0042563.

ARTICLE 7
MISCELLANEOUS

Section 7.1 **Notices.** Any notice required or permitted to be given under this Deed of Trust shall be given in accordance with Section 10.02 of the Credit Agreement, the provisions of which are incorporated herein by this reference, except that notices required by applicable law shall be given solely in the manner specified by such law.

Section 7.2 **Covenants Running with the Land.** All obligations contained in this Deed of Trust are intended by Trustor and Beneficiary to be, and shall be construed as, covenants running with the Trust Property. As used herein, "Trustor" shall refer to the party named in the first paragraph of this Deed of Trust and to any subsequent owner of all or any portion of the Trust Property. All Persons who may have or acquire an interest in the Trust Property shall be deemed to have notice of, and be bound by, the terms of the Credit Agreement and the other Loan Documents; *provided, however,* that no such party shall be entitled to any rights thereunder without the prior written consent of Beneficiary.

Section 7.3 **Attorney-in-Fact.** Trustor hereby irrevocably appoints Beneficiary as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Trustor and in the name of Trustor or otherwise (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Beneficiary deems necessary and appropriate to protect Beneficiary's interest, if Trustor shall fail to do so promptly after written request by Beneficiary, (b) upon the issuance of a deed pursuant to the foreclosure of this Deed of Trust or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Beneficiary's security interests and rights in or to any of the Trust Property, and (d) after the occurrence and during the continuance of any Event of Default, to perform any obligation of Trustor hereunder; *provided, however,* that (1) Beneficiary shall not under any circumstances be obligated to perform any obligation of Trustor; (2) any sums advanced by Beneficiary in such performance shall be added to and included in the Obligations and shall bear interest at the highest rate at which interest is then computed on any portion of the Obligations; (3) Beneficiary as such attorney-in-fact shall only be accountable for such funds as are actually received by Beneficiary; and (4) Beneficiary shall not be liable to Trustor or any other person or entity for any failure to take any action which it is empowered to take under this Section 7.3.

Section 7.4 **Successors and Assigns.** This Deed of Trust shall be binding upon and inure to the benefit of Beneficiary, the other Secured Parties and Trustor and their respective successors and assigns. Trustor shall not, without the prior written consent of Beneficiary, assign any rights, duties or obligations hereunder.

Section 7.5 **No Waiver.** Any failure by Beneficiary or the other Secured Parties to insist upon strict performance of any of the terms, provisions or conditions of this Deed of Trust shall not be deemed to be a waiver of same, and Beneficiary and the other Secured Parties shall have the right at any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 7.6 **Credit Agreement.** If any conflict or inconsistency exists between this Deed of Trust and the Credit Agreement, the Credit Agreement shall govern.

Section 7.7 **Release or Reconveyance.** Upon payment in full of the Obligations and performance in full of the Secured Obligations or upon a sale or other disposition of the Trust Property permitted by the Credit Agreement, Beneficiary, at Trustor's request and expense, shall promptly release the liens and security interests created by this Deed of Trust or reconvey the Trust Property to Trustor.

Section 7.8 **Waiver of Stay, Moratorium and Similar Rights.** Trustor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement (consistent with the terms of the Credit Agreement) of the provisions of this Deed of Trust or the Secured Obligations, or any rights or remedies provided hereunder in favor of Beneficiary or any other Secured Party.

Section 7.9 **Applicable Law.** This Deed of Trust shall be governed by, and construed in accordance with, the laws of the State of New York (including, without limitation, Section 5-1401 of the General Obligations Law of the State of New York, but excluding its conflicts of law rules), except that the provisions of this Deed of Trust regarding the creation, perfection and enforcement of the liens and security interests herein granted shall be governed by and construed under the laws of the state in which the Trust Property is located.

Section 7.10 **Headings.** The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 7.11 **Severability.** If any provision of this Deed of Trust shall be held by any court of competent jurisdiction to be unlawful, void or unenforceable for any reason, such provision shall be deemed severable from and shall in no way affect the enforceability and validity of the remaining provisions of this Deed of Trust.

Section 7.12 **Entire Agreement.** This Deed of Trust and the other Loan Documents embody the entire agreement and understanding between Beneficiary and Trustor relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Loan Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 7.13 **Beneficiary as Agent; Successor Agents.**

(a) Agent has been appointed to act as Agent hereunder by the other Secured Parties. Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from

exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Trust Property) in accordance with the terms of the Credit Agreement, any related agency agreement among Agent and the other Secured Parties (collectively, as amended, amended and restated, supplemented or otherwise modified or replaced from time to time, the ***"Agency Documents")*** and this Deed of Trust. Trustor and all other Persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Agent, without inquiry into the existence of required consents or approvals of the Secured Parties therefor.

(b) Beneficiary shall at all times be the same Person that is Agent under the Agency Documents. Written notice of resignation by Agent pursuant to the Agency Documents shall also constitute notice of resignation as Agent under this Deed of Trust. Removal of Agent pursuant to any provision of the Agency Documents shall also constitute removal as Agent under this Deed of Trust. Appointment of a successor Agent pursuant to the Agency Documents shall also constitute appointment of a successor Agent under this Deed of Trust. Upon the acceptance of any appointment as Agent by a successor Agent under the Agency Documents, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Agent as the Beneficiary under this Deed of Trust, and the retiring or removed Agent shall promptly (i) assign and transfer to such successor Agent all of its right, title and interest in and to this Deed of Trust and the Trust Property, and (ii) execute and deliver to such successor Agent such assignments and amendments and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the liens and security interests created hereunder, whereupon such retiring or removed Agent shall be discharged from its duties and obligations under this Deed of Trust. After any retiring or removed Agent's resignation or removal hereunder as Agent, the provisions of this Deed of Trust and the Agency Documents shall inure to its benefit as to any actions taken or omitted to be taken by it under this Deed of Trust while it was Agent hereunder.

ARTICLE 8
LOCAL LAW PROVISIONS

Section 8.1 **Inspection.** Without limiting the generality of the foregoing, Trustor agrees that the Secured Parties will have the same right, power and authority to enter and inspect the Premises as is granted to a secured lender under California Civil Code § 2929.5, and that Beneficiary will have the right to appoint a receiver to enter and inspect the Premises at reasonable times and after reasonable notice to the extent such authority is provided under applicable law, including the authority given to the Beneficiary under C.C.P. § 564(c).

Section 8.2 **Environmental Provisions.** Without limiting any other rights or remedies of the Beneficiary or any other Secured Party, Trustor acknowledges and agrees that the provisions of the Credit Agreement and the other Loan Documents relating to environmental matters, including without limitation, Sections 5.09 and 10.03 of the Credit Agreement, are "environmental provisions," as that term is defined in C.C.P. § 736(f)(2), made by Trustor relating to the real property security. Trustor, the Beneficiary and the other Secured Parties intend for the foregoing sections to serve as the Beneficiary's and the other Secured Parties' written demand and Trustor's response concerning the environmental condition of the Premises as required by C.C.P. § 726.5. To the extent that any of Trustor's obligations hereunder are not made valid and enforceable under C.C.P. § 736(a), such obligations shall, to the fullest extent not prohibited by law, be enforceable under the laws of the State of California other than C.C.P. § 736, as provided in C.C.P. § 736(d).

Section 8.3 **Remedies.**

(a) Where the Trust Property consists of real property and personal property, any reinstatement of the obligation secured hereby, following default and an election by the Beneficiary to

accelerate the maturity of said obligation, which is made by Trustor or any other person or entity permitted to exercise the right of reinstatement under Section 2924c of the California Civil Code or any successor statute, shall, in accordance with the terms of Section 9604(a)(3)(C) of the UCC, not prohibit the Beneficiary from conducting a sale or other disposition of any personal property or fixtures or from otherwise proceeding against or continuing to proceed against any personal property or fixtures in any manner permitted by the UCC; nor shall any such reinstatement invalidate, rescind or otherwise affect any sale, disposition or other proceeding held, conducted or instituted with respect to any personal property or fixtures prior to such reinstatement or pending at the time of such reinstatement. Any sums paid to Beneficiary in effecting any reinstatement pursuant to Section 2924c of the California Civil Code shall be applied to the Secured Obligations and to the Beneficiary's and Trustee's reasonable costs and expenses in the manner required by Section 2924c.

(b) Should the Beneficiary elect to sell any portion of the Trust Property which is real property or which is personal property or fixtures that Beneficiary has elected under Section 9604(a)(l)(B) of the UCC to sell together with real property in accordance with the laws governing a sale of real property, the Beneficiary or the Trustee shall give such notice of default and election to sell as may then be required by law. Thereafter, upon the expiration of such time and the giving of such notice of sale as may then be required by law, and without the necessity of any demand on Trustor, the Trustee, at the time

and place specified in the notice of sale, shall sell said real property or part thereof at public auction to the highest bidder for cash in lawful money of the United States. The Trustee may, and upon request of the Beneficiary shall, from time to time, postpone any sale hereunder by public announcement thereof at the time and place noticed therefor.

(c) If the Trust Property consists of several lots, parcels or items of Trust Property, the Beneficiary may: (i) designate the order in which such lots, parcels or items shall be offered for sale or sold, or (ii) elect to sell such lots, parcels or items through a single sale, or through two or more successive sales, or in any other manner the Beneficiary deems in its best interest. Should the Beneficiary desire that more than one sale or other disposition of the Trust Property be conducted, the Beneficiary may, at its option, cause the same to be conducted simultaneously, or successively, on the same day, or at such different days or times and in such order as the Beneficiary may deem to be in its best interests, and no such sale shall terminate or otherwise affect the lien of this Deed of Trust on any part of the Trust Property not sold until all Secured Obligations have been fully paid and the other conditions set forth in the Credit Agreement for release of liens have been satisfied. In the event the Beneficiary elects to dispose of the Trust Property through more than one sale, Trustor agrees to pay the costs and expenses of each such sale and of any judicial proceedings wherein the same may be made, including reasonable compensation to the Trustee and the Beneficiary, their agents and counsel, and to pay all expenses, liabilities and advances made or incurred by the Trustee or Beneficiary in connection with such sale or sales, together with interest on all such advances made by the Trustee or Beneficiary at the lower of the Default Rate and the maximum rate permitted by law to be charged by the Trustee or Beneficiary.

Section 8.4 Additional Provisions.

(a) Notwithstanding anything to the contrary contained herein, the Beneficiary's rights and remedies under California Code of Civil Procedure Section 736 shall not be waived, limited or otherwise adversely affected by virtue of a full or partial credit bid upon foreclosure of this Deed of Trust.

(b) GRANTOR PLEASE NOTE: IN THE EVENT OF YOUR DEFAULT, THIS DEED OF TRUST AND APPLICABLE LAW PERMITS THE TRUSTEE TO SELL THE TRUST PROPERTY AT A SALE HELD WITHOUT SUPERVISION BY ANY COURT AFTER EXPIRATION OF A PERIOD PRESCRIBED BY LAW. UNLESS YOU PROVIDE AN ADDRESS FOR THE GIVING OF NOTICE, YOU MAY NOT BE ENTITLED TO OTHER NOTICE OF THE COMMENCEMENT OF SALE PROCEEDINGS. BY EXECUTION OF THIS DEED OF TRUST, YOU CONSENT TO THIS

PROCEDURE. IF YOU HAVE ANY QUESTIONS CONCERNING IT, YOU SHOULD CONSULT YOUR LEGAL ADVISOR. BENEFICIARY AND TRUSTEE URGE YOU TO GIVE BENEFICIARY PROMPT NOTICE OF ANY CHANGE IN YOUR ADDRESS SO THAT YOU MAY RECEIVE ANY NOTICE OF DEFAULT AND NOTICE OF SALE GIVEN PURSUANT TO THIS DEED OF TRUST.

(c) Without limitation of the foregoing, Trustor hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under California Code of Civil Procedure Section 1265.225(a), which provides for allocation of condemnation proceeds between a property owner and a lienholder, and any other law or successor statute of similar import.

Section 8.5 Waivers.

(a) Trustor, in addition to, and without limitation of any other waivers contained in this Deed of Trust, unconditionally waives any defense to the enforcement of this Deed of Trust, including:

i. All presentments, demands for performance, notices of nonperformance, protests, notices of protest and notices of dishonor with respect to the Secured Obligations, and notices of acceptance of this Deed of Trust;

ii. Any right to require the Beneficiary to proceed against Borrower or any guarantor at any time or to proceed against or exhaust any security held by the Beneficiary at any time or to pursue any other remedy whatsoever at any time;

iii. The defense of any statute of limitations affecting the liability of Trustor hereunder, the liability of any of the Borrower or any guarantor under the Loan Documents, or the enforcement hereof, to the extent permitted by law;

iv. Any defense arising by reason of any invalidity or unenforceability of (or any limitation of liability in) any of the Loan Documents or any disability of Trustor or any guarantor or of any manner in which Beneficiary has exercised its rights and remedies under the Loan Documents, or by any cessation from any cause whatsoever of the liability of Trustor or the Borrower or any guarantor;

v. Without limitation on clause iv above, any defense based upon any lack of authority of the officers, directors, partners or agents acting or purporting to act on behalf of Trustor or the Borrower or any principal of Trustor or the Borrower or any defect in the formation of Trustor or the Borrower or any principal of Trustor or the Borrower;

vi. Any defense based upon the application by Trustor or the Borrower of the proceeds of the Loans for purposes other than the purposes represented by Trustor or the Borrower to the Beneficiary or intended or understood by the Beneficiary or Trustor;

vii. Any defense based upon an election of remedies by the Beneficiary, including any election to proceed by judicial or nonjudicial foreclosure of any security, whether real property or personal property security, or by deed in lieu thereof, and whether or not every aspect of any foreclosure sale is commercially reasonable, or any election of remedies, including remedies relating to real property or personal property security, which destroys or otherwise impairs the subrogation rights of Trustor or the rights of Trustor to proceed against any of the Borrower or any guarantor for reimbursement, or both (including, without limitation, California Code of Civil Procedure Sections 580a, 580b, 580d and 726);

viii. Any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other aspects more burdensome than that of a principal;

ix. Any defense based upon the Beneficiary's election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute;

x. Any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code;

xi. Any duty of the Beneficiary to advise Trustor of any information known to the Beneficiary regarding the financial condition of the Borrower and all other circumstances affecting the Borrower's ability to perform its obligations to the Beneficiary, it being agreed that Trustor assumes the responsibility for being and keeping informed regarding such condition or any such circumstances;

xii. Any right of subrogation, reimbursement, exoneration, contribution or indemnity, or any right to enforce any remedy which the Beneficiary now has or may hereafter have against the Borrower or any benefit of, or any right to participate in, any security now or hereafter held by the Beneficiary; and

xiii. Without limiting the generality of the foregoing or any other provision hereof, any rights and benefits which might otherwise be available to Trustor under California Civil Code Sections 2787 to 2855, inclusive, 2899, and 3433.

Section 8.6 Subrogation. Trustor understands that the exercise by the Beneficiary of certain rights and remedies may affect or eliminate Trustor's right of subrogation against the Borrower or any guarantor and that Trustor may therefore incur partially or totally nonreimbursable liability hereunder. Nevertheless, Trustor hereby authorizes and empowers Beneficiary, its successors, endorsees and assigns, to exercise in its or their sole discretion, any rights and remedies, or any combination thereof, which may then be available, it being the purpose and intent of Trustor that the obligations hereunder shall be absolute, continuing, independent and unconditional under any and all circumstances. Notwithstanding any other provision of this Deed of Trust to the contrary, Trustor hereby subordinates to the repayment in full of all of the Borrower's and each other obligor's obligations under the Loan Documents any claim or other rights which Trustor may now have or hereafter acquire against the Borrower or any guarantor of all or any of the obligations of the Borrower hereunder that arise from the existence or performance of such of the Borrower's obligations under any of the Loan Documents, including any right of subrogation, reimbursement, exoneration, contribution or indemnification, any right to participate in any claim or remedy of the Beneficiary against the Borrower or any Collateral which the Beneficiary now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including, without limitation, the right to take or receive from the Borrower, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights. Trustor understands that: (i) Section 580d of the California Code of Civil Procedure generally prohibits a deficiency judgment against a borrower after a non-judicial foreclosure; (ii) Trustor's subrogation rights may be destroyed by a non-judicial foreclosure under the Deed of Trust (because Trustor may not be able to pursue the Borrower for a deficiency judgment by reason of the application of Section 580d of the California Code of Civil Procedure); and (iii) under Union Bank v. Gradsky, 265 Cal. App. 2nd 40 (1968), a lender may be stopped from pursuing a guarantor for a deficiency judgment after a non-judicial foreclosure (on the theory that a guarantor should be exonerated if a lender elects a remedy that eliminates the guarantor's subrogation rights) absent an explicit waiver. Without limitation on the generality of the other waivers contained in this Deed of Trust, Trustor hereby waives (A) the defense that might otherwise be available under Gradsky, supra (or any similar judicial decision or statute) in the event the Beneficiary pursues a non-judicial foreclosure, and (B) all rights and defenses arising out of an election of remedies by the creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to

security for a guaranteed obligation, has destroyed the guarantor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the Code of Civil Procedure or otherwise. In addition, Trustor waives all rights and defenses that Trustor may have because the debtor's debt is secured by real property. This means, among other things that the creditor may collect from the guarantor without first foreclosing on any real or personal property collateral pledged by the debtor, and if the creditor forecloses on any real property collateral pledged by the debtor: (i) the amount of the debt may be reduced only by the price for which the collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and (ii) the creditor may collect from the guarantor even if the creditor, by foreclosing on the real property collateral, has destroyed any right the guarantor may have to collect from the debtor. This is an unconditional and irrevocable waiver of any rights and defenses the guarantor may have because the debtor's debt is secured by real property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d or 726 of the Code of Civil Procedure.

Section 8.7 Independent Obligations. The obligations of Trustor hereunder are independent of the obligations of the Borrower and, in the event of any default hereunder, a separate action or actions may be brought and prosecuted against Trustor to foreclose this Deed of Trust whether or not Trustor is the alter ego of the Borrower and whether or not the Borrower is joined therein or a separate action or actions are brought against the Borrower. The Beneficiary's rights hereunder shall not be exhausted until all of the Secured Obligations have been fully paid and performed.

Section 8.8 Subordination. Without limitation on the waiver and release contained above: (i) Trustor subordinates all present and future indebtedness owing by the Borrower to Trustor to the obligations at any time owing by the Borrower to the Beneficiary under the Credit Agreement and the other Loan Documents; (ii) Trustor assigns all such indebtedness to the Beneficiary as security for the Secured Obligations, and (iii) Trustor agrees to make no claim on such indebtedness until all obligations of Borrower under the Credit Agreement and the other Loan Documents have been fully discharged. Trustor further agrees not to assign all or any part of such indebtedness unless the Beneficiary is given prior notice and such assignment is expressly made subject to the terms of this Deed of Trust. If the Beneficiary so requests, (i) all instruments evidencing such indebtedness shall be duly endorsed and delivered to the Beneficiary, (ii) all security for such indebtedness shall be duly assigned and delivered to the Beneficiary, (iii) such indebtedness shall be enforced, collected and held by Trustor as trustee for the Beneficiary and shall be paid over to the Beneficiary on account of the Secured Obligations but without reducing or affecting in any manner the liability of Trustor under the other provisions of this Deed of Trust, and (iv) Trustor shall execute, file and record such documents and instruments and take such other action as the Beneficiary deems necessary or appropriate to perfect, preserve and enforce the Beneficiary's rights in and to such indebtedness and any security therefor. If Trustor fails to take any such action, the Beneficiary, as attorney-in-fact for Trustor, is hereby authorized to do so in the name of Trustor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

Section 8.9 Other Collateral. Trustor acknowledges that this Deed of Trust is one of a number of mortgages, deeds of trust and other security documents **("Other Security Instruments")** that secure the Secured Obligations and the obligations of the Borrower and other obligors under the Loan Documents (the **"Other Obligations").** Trustor agrees that the lien of this Deed of Trust shall be absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever of the Beneficiary, and without limiting the generality of the foregoing, the lien hereof shall not be impaired by any acceptance by the Beneficiary of any security for or guarantees of the Secured Obligations and/or the Other Obligations, or by

any failure, neglect or omission on the part of the Beneficiary to realize upon or protect any Obligation or Other Obligation or any collateral security therefor including the Other Security Instruments. The lien hereof shall not in any manner be impaired or affected by any release (except as to the Premises released), sale, pledge, surrender, compromise, settlement, renewal, extension, indulgence, alteration, changing, modification or disposition of any of the

Secured Obligations or Other Obligations or of any of the collateral security therefor, including the Other Security Instruments or of any guarantee thereof, and, to the fullest extent permitted by applicable law, the Beneficiary may at its discretion foreclose, exercise any power of sale, or exercise any other remedy available to it under any or all of the Other Security Instruments without first exercising or enforcing any of its rights and remedies hereunder. Such exercise of Beneficiary's rights and remedies under any or all of the Other Security Instruments shall not in any manner impair the indebtedness hereby secured or the lien of this Deed of Trust and any exercise of the rights or remedies of the Beneficiary hereunder shall not impair the lien of any of the Other Security Instruments or any of the Trustee's or Beneficiary's rights and remedies thereunder. To the fullest extent permitted by applicable law, Trustor specifically consents and agrees the Beneficiary may exercise its rights and remedies hereunder and under the Other Security Instruments separately or concurrently and in any order that it may deem appropriate and waives any rights of subrogation.

Section 8.10 **Trustee.** The Trustee accepts appointment hereunder when this Deed of Trust, duly executed and acknowledged, is made a public record. The Beneficiary may remove the Trustee at any time or from time to time and appoint a successor trustee, and upon such appointment, all powers, duties, rights and authority of Trustee shall thereupon become vested in such successor. Such substitute trustee shall be appointed in any manner permitted or authorized by applicable law, including without limitation by written instrument duly recorded in the county or counties where the real property encumbered hereby is located, which appointment may be executed by any authorized agent of the Beneficiary or in any other manner permitted by applicable law. The Trustee shall be entitled to receive, and Trustor shall pay, reasonable and customary compensation to the Trustee for its services rendered hereunder after any Event of Default and reimbursement to the Trustee for its expenses (including attorneys' fees and expenses) in connection herewith or the exercise of any right, power or remedy hereunder

(ii) each exclusive Copyright license to which the Grantor is a party, including, without limitation, each Copyright License referred to in Schedule 1 hereto; and

(iii) any and all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to and supporting obligations relating to, any and

The Security Agreement (and all rights and remedies of the Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

No increase after the Closing in the Total Investment or Voting Stock Investment represented by the Shares held by any Investor Group shall entitle such Investor Group to designate a greater number of directors than that which such Investor Group was entitled to designate immediately prior to such increase. Upon any reduction in the number of THL Directors, Bain Directors, Providence Directors or Lexa Directors: (i) the applicable Investor Group promptly shall cause one or more of its designated directors, as the case may be, to resign and (ii) the number of members of the Board shall likewise be reduced.

as a director, then the applicable designating Person or group, as set forth in Section 2.1.2, shall be entitled to nominate a replacement. If, following election to the Board, any Investor Director or Independent Director resigns, is removed, or is unable to serve for any reason prior to the expiration of his or her term as a director, then, subject to Section 2.1.3, the applicable designating Person or group, as set forth in Section 2.1.2, shall designate a replacement. If any designating Person or group fails to designate a person to fill any directorship, then such directorship shall be vacant.

No committee shall have the power to act for the Board where such action would otherwise require the vote or consent of a majority of the entire Board under applicable law, pursuant to the Company's certificate of incorporation or by-laws or pursuant to this Agreement.

2.6. Significant Transactions. Subject to receipt of any approval that may be required by Section 2.4, if a vote of holders of Shares is required under any applicable law or stock exchange regulations in connection with a Change of Control transaction being implemented pursuant to Section 4.2, each holder of Shares agrees to cast all votes to which such holder is entitled in respect of the Shares, whether at any annual or special meeting, by written consent or otherwise, in such manner as the Requisite Stockholder Majority may instruct by written notice to approve any sale, recapitalization, merger, consolidation, reorganization or any other transaction or series of transactions involving the Company or its subsidiaries (or all or any

Each holder of Shares hereby grants to each member of such Requisite Stockholder Majority an irrevocable proxy coupled with an interest to vote, including in any action by written consent, such holder's Shares in accordance with such holder's agreements contained in this Section 2.6, which proxy shall be valid and remain in effect until the provisions of this Section 2.6 expire pursuant to Section 2.10.

3.1. Transfers Allowed. Until the expiration of the provisions of this Section 3, no holder of Shares shall Transfer any of such holder's Shares to any other Person except as follows:

3.1.1. Permitted Transferees. Subject to Section 3.4, but without regard to any other restrictions on transfer contained elsewhere in this Agreement, any holder of Shares may Transfer any or all of such Shares to such holder's Permitted Transferees, so long as such Permitted Transferee agrees to be bound by the terms of this Agreement in accordance with Section 3.2 (if not already bound hereby).

3.1.2. Distributions and Charitable Contributions. At or after the closing of the Initial Public Offering, any holder of Shares may Transfer any or all of such Shares (a) in a pro rata Transfer to its partners, members or stockholders or (b) to a Charitable

Organization, without regard to any other restrictions on transfer contained elsewhere in this Agreement (other than the provisions of Section 6.3.4, if applicable). Any Shares so Transferred shall conclusively be deemed thereafter not to be Shares under this Agreement but may be deemed Other Holder Shares if and to the extent so provided in Section 6.5.

3.1.3. Public Transfers. Any holder of Shares may Transfer any or all of such Shares: (a) in a Public Offering or (b) after the closing of the Initial Public Offering, pursuant to Rule 144 or a block sale to a financial institution in the ordinary course of its trading business, in each case in compliance with Section 3.3 and Section 3.4, but without regard to any other restrictions on transfer contained elsewhere in this Agreement (other than the provisions of Section 6.3.4, if applicable). Shares Transferred pursuant to this Section 3.1.3 shall conclusively be deemed thereafter not to be Shares under this Agreement.

3.1.4. Tag Along and Drag Along. Any holder of Shares may Transfer any or all of such Shares pursuant to Section 4.2, without regard to any other restrictions on transfer contained elsewhere in this Agreement (other than the provisions of Section 6.3.4, if applicable). A Participating Seller may Transfer Shares pursuant to and in accordance with the provisions of Section 4.1 without regard to any other restrictions on transfer contained elsewhere in this Agreement (other than the provisions of Section 6.3.4, if applicable). 3.1.5. Other Private Transfers. In addition to any Transfers made in accordance with Sections 3.1.1, 3.1.2, 3.1.3 and 3.1.4, any holder of Shares may Transfer any or all of such Shares subject to compliance with all of the following conditions:

(i) if such Transfer is during the Lock-Up Period in respect of such Shares, with the consent of the Requisite Stockholder Majority and in compliance with Section 4.4;

(ii) in compliance with Section 4.1;

(iii) in compliance with Section 3.4; and

(iv) if applicable, in compliance with Section 6.3.4.

Any Shares so Transferred to a Person other than a Stockholder or a Permitted Transferee shall conclusively be deemed thereafter not to be Shares under this Agreement but may be deemed Other Holder Shares if and to the extent so provided in Section 6.5.

3.2. Permitted Transferees. Any Permitted Transferee receiving Shares in a Transfer pursuant to Section 3.1.1 or 3.1.5 shall be subject to the terms and conditions of, and be entitled to enforce, this Agreement to the same extent, and in the same capacity, as the Stockholder that Transfers the Shares to such Permitted Transferee as if such Permitted Transferee were such

Stockholder. Prior to the initial Transfer of any Shares to any Permitted Transferee pursuant to Section 3.1.1 or 3.1.5, and as a condition thereto, each holder of Shares effecting such Transfer shall (i) cause such Permitted Transferee to deliver to the Company and each of the Stockholders (other than the transferor) its written agreement, in form and substance reasonably satisfactory to the Company, to be bound by the terms and conditions of this Agreement to the extent described in the preceding sentence and (ii) remain directly liable for the performance by the Permitted Transferee of all obligations of such Permitted Transferee under this Agreement. To the extent a Permitted Transferee is not an individual, a trust or an estate, and the transferor or an Affiliate thereof shall cease to control such Permitted Transferee, (i) such change of control shall be deemed to be a Transfer of the Shares held by such Permitted Transferee subject to the Transfer restrictions contained or referenced in this Section 3 and (ii) to the extent such Permitted Transferee then holds assets in addition to Shares, the determination of the purchase price deemed to have been paid for the Shares held by such Permitted Transferee in such deemed Transfer for purposes of the provisions of Sections 3 and 4 shall be made by the Board in good faith; provided that, Music Capital Partners, L.P. ceasing to control its

Permitted Transferee ALP Music Capital Partners, L.P. following the transfer referred to in the second sentence of the definition of Permitted Transferee shall not be a deemed a Transfer of Shares pursuant to the provisions of the foregoing sentence.

3.3. Restrictions on Public Transfers. After the Initial Public Offering, each Specified Holder promptly shall notify each Related Stockholder (i) when it has commenced a measurement period for purposes of the Rule 144 group volume limit in connection with a Sale that is subject to such limit and (ii) what the volume limit for that measurement period, determined as of its commencement, will be. Each Related Stockholder shall be entitled to effect Sales that are subject to the Rule 144 group volume limit pro rata during the applicable measurement period based on its percentage ownership of Shares held by all holders of Shares at the start of such measurement period. In the event any Related Stockholder agrees to forego its full pro rata share of the Rule 144 group volume limit by written notice to the Specified Holder and all other Related Stockholders, the remainder shall be re-allocated pro rata among Specified Holder and all other Related Stockholders in like manner (except that the Shares held by such forfeiting Related Holder at the start of such measurement period shall be excluded from such calculation). The provisions of this Section 3.3 shall not apply to any Transfer of Shares (i) in a Public Offering or (ii) not subject to volume limitation under Rule 144. For purposes of this Section 3.3, a "Specified Holder" means a holder of Shares whose sale of Shares pursuant to Rule 144 would be subject to aggregation with another Stockholder (such other Stockholder being a "Related Stockholder").

3.4. Restrictions on Transfers to Strategic Investors. In addition to any other provision of this Agreement, no holder of Shares shall Transfer any Shares pursuant to Sections 3.1.1, 3.1.3 or 3.1.5 of this Agreement to a Strategic Investor without the approval of a majority of the entire Board and the approval of the Requisite Stockholder Majority. If any Prospective Selling Stockholder proposes to Transfer any Shares pursuant to Sections 3.1.1, 3.1.3 or 3.1.5 to any Prospective Buyer, the Prospective Selling Stockholder shall furnish a written notice (which notice may be the same notice as the Tag Along Notice, if any, delivered pursuant to Section 4.1 or the Sale Notice, if any, delivered pursuant to Section 4.4, in each case so long as such notice

includes all of the information required by the next sentence) to the Company and each other holder of Shares at least ten business days prior to such proposed Transfer. Such notice shall set forth the principal terms of the proposed Transfer, including (i) the number and class of the Shares to be Transferred, (ii) the per share purchase price or the formula by which such price is to be determined and (iii) the name and address of the Prospective Buyer. If the Prospective Buyer (or an Affiliate thereof) has previously been determined by a majority of the entire Board and the Requisite Stockholder Majority to be a Strategic Investor, or is presumed to be a Strategic Investor pursuant to the definition thereof, and such determination or presumption has not been reversed by written notice to all holders of Shares, the Prospective Selling Stockholder shall not Transfer any Shares to such Prospective Buyer without the written approval of a majority of the entire Board and of the Requisite Stockholder Majority. If the Prospective Buyer (or an Affiliate thereof) has not previously been determined by a majority of the entire Board and the Requisite Stockholder Majority to be a Strategic Investor, or is not presumed to be a Strategic Investor pursuant to the definition thereof, the Prospective Selling Stockholder may Transfer Shares to such Prospective Buyer unless, within eight business days after the date of delivery of the notice required by the second preceding sentence, the majority of the entire Board and the Requisite Stockholder Majority deliver written notice to the Prospective Selling Stockholder and all other Stockholders that such Prospective Buyer has been designated a Strategic Investor. If, within such time period, a notice designating such Prospective Buyer a Strategic Investor is delivered, than the Prospective Selling Stockholder shall not Transfer any Shares to such Prospective Buyer. In the event any proposed Transfer to a Strategic Investor is approved in accordance with the foregoing, such approval shall also apply to Transfers made to such Prospective Buyer by any Tag Along Sellers. Notwithstanding anything in this Agreement to the contrary, the restrictions in this Section 3.4 shall not apply, to any Transfers (i) to the Company or any of its subsidiaries, (ii) to any Stockholder, (iii) to any Affiliated Fund of any Stockholder, (iv) by any Seller to Time Warner Inc. or any of its wholly owned subsidiaries, (v) pursuant to Rule 144 effected as "brokers' transactions" (as defined in Rule 144); or (vi) pursuant to an underwritten Public Offering or, following the Initial Public Offering, pursuant to Rule 144 directly to a "market maker" (as defined in Rule 144) or pursuant to a block sale to a financial institution in the ordinary course of its trading business, in each case of this clause (vi) in which, to the knowledge of the Prospective Selling Stockholder (after reasonable due inquiry), the underwriter(s), market maker(s) or block sale purchaser(s) do not intend to resell such Shares to any Person that, after giving effect to such resale, would own, directly or indirectly, more than five percent (5%) of then outstanding shares of the applicable class of Shares.

3.5. Impermissible Transfer. Any attempted Transfer of Shares not permitted under the terms of this Section 3 shall be null and void, and neither the Company nor Midco shall in any way give effect to any such impermissible Transfer.

3.6. Notice of Transfer. To the extent any Stockholder or Permitted Transferee shall Transfer any Shares, such Stockholder or Permitted Transferee shall, within three business days following consummation of such Transfer, deliver notice thereof to the Company and each other Stockholder.

3.7. Period. Each of the foregoing provisions of this Section 3 shall expire upon a Change of Control.

4. "TAG ALONG" AND "DRAG ALONG" RIGHTS AND RIGHT OF FIRST OFFER.

4.1. Tag Along. Subject to prior compliance with Section 4.4, if applicable, if any Prospective Selling Stockholder proposes to Sell any Shares to any Prospective Buyer(s) (including a First Offer Purchaser pursuant to Section 4.4) in a Transfer pursuant to Section 3.1.5, other than a Transfer by a holder pursuant to the exercise of such holder's rights under this Section 4.1:

4.1.1. Notice. The Prospective Selling Stockholder shall, prior to any such proposed Transfer, furnish a written notice (the "Tag Along Notice") to each of the other holders of Shares (each, a "Tag Along Holder") and to each holder of Seller Warrants (who shall also be a "Tag Along Holder" if and to the extent such holder exercises or conditionally exercises such holder's Seller Warrants on or prior to the Tag-Along Deadline). The Tag Along Notice shall include:

(a) the principal terms and conditions of the proposed Sale, including (i) the number and class of the Shares to be purchased from the Prospective Selling Stockholder, (ii) the fraction(s) expressed as a percentage, determined by dividing the number of Shares of each class to be purchased from the Prospective Selling Stockholder by the total number of Shares of each such class held by the Prospective Selling Stockholder (the "Tag Along Sale Percentage"), (iii) the per share purchase price or the formula by which such price is to be determined and the payment terms, including a description of any non-cash consideration sufficiently detailed to permit valuation thereof, (iv) the name and address of each Prospective Buyer and (v) the proposed Transfer date; and

(b) an invitation to each Tag Along Holder to make an offer to include in the proposed Sale to the applicable Prospective Buyer(s) Shares of the same class(es) being sold by the Prospective Selling Stockholder held by such Tag Along Holder (not in any event to exceed the Tag Along Sale Percentage of the total number of Shares of the applicable class held by such Tag Along Holder, assuming the exercise in full of all Seller Warrants exercised or conditionally exercised prior to the Tag-Along Deadline), on the same terms and conditions (subject to Section 4.3.4 in the case of Options, Warrants and Convertible Securities), with respect to each Share Sold, as the Prospective Selling Stockholder shall Sell each of its Shares.

4.1.2. Exercise. Within five (ten if the proposed Transfer is not also the subject of a currently effective Sale Notice under Section 4.4) business days after the date of delivery of the Tag Along Notice (such date the "Tag-Along Deadline"), each Tag Along Holder desiring to make an offer to include Shares in the proposed Sale (each a "Participating Seller" and, together with the Prospective Selling Stockholder, collectively, the "Tag Along Sellers") shall furnish a written notice (the "Tag Along Offer") to the Prospective Selling Stockholder indicating the number of Shares which such Participating Seller desires to have included in the proposed Sale (subject to the

limitation set forth in Section 4.1.1(b)). Each Tag Along Holder who does not make a Tag Along Offer in compliance with the above requirements, including the time period, shall be deemed to have waived all of such holder's rights with respect to such Sale, and the Tag Along Sellers shall thereafter be free to Sell to the Prospective Buyer, at a per share price no greater than the per share price set forth in the Tag Along Notice and on other principal terms and conditions which are not materially more favorable to the Tag Along Sellers than those set forth in the Tag Along Notice, without any further obligation to such non-accepting Tag Along Holder pursuant to this Section 4.1.

4.1.3. Exercise by Holders of Warrants. The holders of Seller Warrants shall have the right to exercise the Seller Warrants and participate as Tag Along Holders on the same terms and conditions as all other Tag Along Holders and shall have the right to make the effectiveness of such exercise conditional upon the consummation of the proposed sale to the Prospective Buyer.

4.1.4. Irrevocable Offer. The offer of each Participating Seller contained in such holder's Tag Along Offer shall be irrevocable, and, to the extent such offer is accepted, such Participating Seller shall be bound and obligated to Sell in the proposed Sale on the same terms and conditions, with respect to each Share Sold (subject to Section 4.3.4 in the case of Options, Warrants and Convertible Securities), as the Prospective Selling Stockholder, up to such number of Shares as such Participating Seller shall have specified in such holder's Tag Along Offer; provided, however, that if the principal terms of the proposed Sale change with the result that the per share price shall be less than the per share price set forth in the Tag Along Notice or the other principal terms and conditions shall be materially less favorable to the Tag Along Sellers than those set forth in the Tag Along Notice, each Participating Seller shall be permitted to withdraw the offer contained in such holder's Tag Along Offer by written notice to the Prospective Selling Stockholder and upon such withdrawal shall be released from such holder's obligations thereunder.

4.1.5. Reduction of Shares Sold. The Prospective Selling Stockholder shall attempt to obtain the inclusion in the proposed Sale of the entire number of Shares which each of the Tag Along Sellers requested to have included in the Sale (as evidenced in the case of the Prospective Selling Stockholder by the Tag Along Notice and in the case of each Participating Seller by such Participating Seller's Tag Along Offer). In the event the Prospective Selling Stockholder shall be unable to obtain the inclusion of such entire number of Shares in the proposed Sale, the number of Shares to be sold in the proposed Sale shall be allocated among the Tag Along Sellers in proportion, as nearly as practicable, as follows:

(i) there shall be first allocated to each Tag Along Seller a number of Shares equal to the lesser of (A) the number of Shares offered (or proposed, in the case of the Prospective Selling Stockholder) to be included by such Tag Along Seller in the proposed Sale pursuant to this Section 4.1, and (B) a number of Shares equal to such Tag Along Seller's Pro Rata Portion; and

(ii) the balance, if any, not allocated pursuant to clause (i) above shall be allocated to the Prospective Selling Stockholder, or in such other manner as the Prospective Selling Stockholder may otherwise agree.

4.1.6. Additional Compliance. If prior to consummation, the terms of the proposed Sale shall change with the result that the per share price to be paid in such proposed Sale shall be greater than the per share price set forth in the Tag Along Notice or the other principal terms of such proposed Sale shall be materially more favorable to the Tag Along Sellers than those set forth in the Tag Along Notice, the Tag Along Notice shall be null and void, and it shall be necessary for a separate Tag Along Notice to be furnished, and the terms and provisions of this Section 4.1 separately complied with, in order to consummate such proposed Sale pursuant to this Section 4.1; provided, however, that in the case of such a separate Tag Along Notice, the applicable period to which reference is made in Sections 4.1.1 and 4.1.2 shall be three business days and two business days, respectively. In addition, if the Prospective Selling Stockholders have not completed the proposed Sale by the end of the 180th day after the date of delivery of: (i) if the proposed Transfer is also the subject of a currently effective Sale Notice under Section 4.4, such Sale Notice and (ii) otherwise, the Tag Along Notice, each Participating Seller shall be released from such holder's obligations under such holder's Tag Along Offer, the Tag Along Notice shall be null and void, and it shall be necessary for a separate Tag Along Notice to be furnished, and the terms and provisions of this Section 4.1 separately complied with, in order to consummate such proposed Sale pursuant to this Section 4.1, unless the failure to complete such proposed Sale resulted from any failure by any Participating Seller to comply with the terms of this Section 4.

4.2. Drag Along. Each holder of Shares hereby agrees, if requested by the Requisite Stockholder Majority, to Sell the same percentage (the "Drag Along Sale Percentage") of each class of such Shares that is proposed to be sold by the Prospective Selling Stockholders to a Prospective Buyer in a Change of Control transaction that has received the requisite approval under Section 2.4, in the manner and on the terms set forth in this Section 4.2; provided, however, that no such Prospective Buyer shall be a member of a Principal Investor Group forming part of the acting Requisite Stockholder Majority, any Affiliate of any such member or any Person more than five percent (5%) of the economic interests in or voting power of which are directly or indirectly beneficially owned by any such member, unless such proposed Sale is approved by vote or written consent of each of the Investor Groups, each voting separately.

4.2.1. Exercise. The Prospective Selling Stockholders shall furnish a written notice (the "Drag Along Notice") to each other holder of Shares at least ten business days prior to the consummation of the Change of Control transaction. The Drag Along Notice shall set forth the

principal terms and conditions of the proposed Sale, including (i) the number and class of Shares to be acquired from the Prospective Selling Stockholders, (ii) the Drag Along Sale Percentage for each class, (iii) the per share consideration to be received in the proposed Sale for each class, (iv) the name and address of the Prospective Buyer and (v) if known, the proposed Transfer date. If the Prospective Selling Stockholders consummate the proposed Sale to which reference is made in the Drag Along Notice, each other holder of Shares (each a "Participating Seller", and, together

with the Prospective Selling Stockholders, collectively, the "Drag Along Sellers") shall: (i) be bound and obligated to Sell the Drag Along Sale Percentage of such holder's Shares of each class in the proposed Sale on the same terms and conditions, with respect to each Share Sold (subject to Section 4.3.4 in the case of Options, Warrants and Convertible Securities) as the Prospective Selling Stockholders shall Sell each Share in the Sale (subject to Section 4.3.4 in the case of Options, Warrants and Convertible Securities); and (ii) except as provided in Section 4.3.1, shall receive the same form and amount of consideration per Share to be received by the Prospective Selling Stockholders for the corresponding class of Shares (on an as converted basis, if applicable). Except as provided in Section 4.3.1, if any holders of Shares of any class are given an option as to the form and amount of consideration to be received, all holders of Shares of such class will be given the same option. Unless otherwise agreed by the Drag Along Sellers, any non-cash consideration shall be allocated among the Drag Along Sellers pro rata based upon the aggregate amount of consideration to be received by such Drag Along Sellers. If at the end of the 180th day after the date of delivery of the Drag Along Notice the Prospective Selling Stockholders have not completed the proposed Sale, the Drag Along Notice shall be null and void, each Participating Seller shall be released from such holder's obligation under the Drag Along Notice and it shall be necessary for a separate Drag Along Notice to be furnished and the terms and provisions of this Section 4.2 separately complied with, in order to consummate such proposed Sale pursuant to this Section 4.2.

4.3. Miscellaneous. The following provisions shall be applied to any proposed Sale to which Sections 4.1, 4.2 or 4.4 applies:

4.3.1. Certain Legal Requirements. In the event the consideration to be paid in exchange for Shares in a proposed Sale pursuant to Section 4.1 or Section 4.2 includes any securities, and the receipt thereof by a Participating Seller would require under applicable law (a) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities where such registration or qualification is not otherwise required for the Sale by the Prospective Selling Stockholder(s) or (b) the provision to any Tag Along Seller or Drag Along Seller of any specified information regarding the Company or any of its subsidiaries, such securities or the issuer thereof that is not otherwise required to be provided for the Sale by the Prospective Selling Stockholder(s), then such Participating Seller shall not have the right to Sell Shares in such proposed Sale. In such event, the Prospective Selling Stockholder(s) shall (i) in the case of a Sale pursuant to Section 4.1, have the right, but not the obligation, and (ii) in the case of a Sale pursuant to Section 4.2, have the obligation to cause to be paid to such Participating Seller in lieu thereof, against surrender of the Shares (in accordance with Section 4.3.6 hereof) which would have otherwise been Sold by such Participating Seller to the Prospective Buyer in the proposed Sale, an amount in cash equal to the Fair Market Value of such Shares as of the date such securities would have been issued in exchange for such Shares.

4.3.2. Further Assurances. Each Participating Seller and First Offer Purchaser, whether in such holder's capacity as a Participating Seller, First Offer Purchaser,

stockholder, officer or director of the Company (subject to such officer's or director's fiduciary duty), or otherwise, shall take or cause to be taken all such actions as may be necessary or reasonably desirable in order expeditiously to consummate each Sale pursuant to Section 4.1, Section 4.2 or Section 4.4 and any related transactions, including executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; furnishing information and copies of documents; filing applications, reports, returns, filings and other documents or instruments with governmental authorities; and otherwise cooperating with the Prospective Selling Stockholder(s) and the Prospective Buyer; provided, however, that Participating Sellers shall be obligated to become liable in respect of any representations, warranties, covenants, indemnities or otherwise to the Prospective Buyer solely to the extent provided in the immediately following sentence. Without limiting the generality of the foregoing, each Participating Seller agrees to execute and deliver such agreements as may be reasonably specified by the Prospective Selling Stockholder(s) to which such Prospective Selling Stockholder(s) will also be party, including agreements to (a) (i) make individual representations, warranties, covenants and other agreements as to the unencumbered title to its Shares and the power, authority and legal right to Transfer such Shares and the absence of any Adverse Claim with respect to such Shares and (ii) be liable as to such representations, warranties, covenants and other agreements, in each case to the same extent (on a pro rata basis) as the Prospective Selling Stockholder(s), and (b) in the case of a Sale pursuant to Sections 4.1 or 4.2, be liable (whether by purchase price adjustment, indemnity payments or otherwise) in respect of representations, warranties, covenants and agreements in respect of the Company and its subsidiaries; provided, however, that the aggregate amount of liability described in this clause (b) in connection with any Sale of Shares shall not exceed the lesser of (i) such Participating Seller's pro rata portion of any such liability, to be determined in accordance with such Participating Seller's portion of the aggregate proceeds to all Participating Sellers and Prospective Selling Stockholder(s) in connection with such Sale or (ii) the proceeds to such Participating Seller in connection with such Sale.

4.3.3. Sale Process. The Requisite Stockholder Majority, in the case of a proposed Sale pursuant to Section 4.2, or the Prospective Selling Stockholder, in the case of a proposed Sale pursuant to Section 4.1 and 4.4, shall, in their sole discretion, decide whether or not to pursue, consummate, postpone or abandon any proposed Sale and the terms and conditions thereof. No holder of Shares nor any Affiliate of any such holder shall have any liability to any other holder of Shares or the Company arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any proposed Sale except to the extent such holder shall have failed to comply with the provisions of this Section 4.

4.3.4. Treatment of Options, Warrants and Convertible Securities. Each Participating Seller agrees that to the extent such Participating Seller desires to include Options, Warrants or Convertible Securities in any Sale of Shares pursuant to Section 4, such Participating Seller shall be deemed to have exercised, converted or exchanged such Options, Warrants or Convertible Securities immediately prior to the closing of such Sale

to the extent necessary to Sell Stock to the Prospective Buyer, except to the extent permitted under the terms of any such Option, Warrant or Convertible Security and agreed by the Prospective Buyer. If any Participating Seller shall Sell Options, Warrants or Convertible Securities in any Sale pursuant to Section 4, such Participating Seller shall receive in exchange for such Options, Warrants or Convertible Securities consideration in the amount (if greater than zero) equal to the purchase price received by the Prospective Selling Stockholder(s) in such Sale for the number of shares of each class of Stock that would be issued upon exercise, conversion or exchange of such Options, Warrants or Convertible Securities less the exercise price, if any, of such Options, Warrants or Convertible Securities (to the extent exercisable, convertible or exchangeable at the time of such Sale), subject to reduction for any tax or other amounts required to be withheld under applicable law.

4.3.5. Expenses. All reasonable costs and expenses incurred by the Prospective Selling Stockholder(s) or the Company in connection with any proposed Sale pursuant to Section 4.2 (whether or not consummated), and all reasonable costs and expenses incurred by the Prospective Selling Stockholder(s) or the Company in order to comply with the requirements of this Section 4 in connection with any proposed Sale pursuant to Section 4.1 or Section 4.4 (whether or not consummated), including all attorneys fees and charges, all accounting fees and charges and all finders, brokerage or investment banking fees, charges or commissions, shall be paid by the Company. The reasonable fees and expenses of a single legal counsel representing any or all of the Participating Sellers in connection with any proposed Sale pursuant to this Section 4 (whether or not consummated) shall be paid by the Company. Any other costs and expenses incurred by or on behalf of any or all of the Participating Sellers in connection with any proposed Sale pursuant to this Section 4 (whether or not consummated) shall be borne by such Participating Seller(s).

4.3.6. Closing. The closing of a Sale to which Section 4.1, 4.2 or 4.4 applies shall take place (i) on the proposed Transfer date, if any, specified in the Tag Along Notice, Drag Along Notice or Sale Notice, as applicable (provided that consummation of any Transfer may be extended beyond such date to the extent necessary to obtain any applicable governmental approval or other required approval or to satisfy other conditions), (ii) if no proposed Transfer date was required to be specified in the Drag Along Notice, at such time as the Prospective Selling Stockholders shall specify by notice to each Participating Seller and (iii) at such place as the Prospective Selling Stockholders) shall specify by notice to each Participating Seller, and in any event subject to Section 2.4 in the case of a Sale to which Section 4.2 applies. At the closing of such Sale, each Participating Seller shall deliver the certificates evidencing the Shares to be Sold by such Participating Seller, duly endorsed, or with stock (or equivalent) powers duly endorsed, for transfer with signature guaranteed, free and clear of any liens or encumbrances, with any stock (or equivalent) transfer tax stamps affixed, against delivery of the applicable consideration.

4.4. Right of First Offer. If any Prospective Selling Stockholder proposes to Sell any Shares in a Transfer (including to another Stockholder or the Company or any of its subsidiaries)

described in Section 3.1.5, other than a Transfer by a holder pursuant to the exercise of such holder's rights under Section 4.1:

4.4.1. Notice. The Prospective Selling Stockholder shall furnish a written notice of such proposed Sale (a "Sale Notice") to each other holder of Acquisition Shares (each, a "First Offer Holder") prior to any such proposed Transfer. The Sale Notice shall include:

(a) (i) the number and class(es) of Shares proposed to be sold by the Prospective Selling Stockholder (the "Subject Shares"), (ii) the per share purchase price or the formula by which such price is to be determined and (iii) the proposed Transfer date; and

(b) an invitation to each First Offer Holder to make an offer to purchase (subject to Section 4.4.6 below) any number of the Subject Shares at such price.

4.4.2. Exercise.

4.4.2.1. Within twenty business days after the date of delivery of the Sale Notice (the "First Offer Deadline"), each First Offer Holder may make an offer to purchase any number of the Subject Shares at the price set forth in the Sale Notice by furnishing a written notice (the "First Offer Notice") of such offer specifying a number of Subject Shares offered to be purchased from the Prospective Selling Stockholder (each such Person delivering such notice, a "First Offer Purchaser").

4.4.2.2. Each Person not furnishing a First Offer Notice that complies with the above requirements, including the applicable time periods, shall be deemed to have waived all of such Person's rights to purchase such Shares under this Section 4.4.2 and the Prospective Selling Stockholder shall thereafter be free to Sell the Subject Shares to the First Offer Purchasers and/or any Prospective Buyer, at a per share purchase price no less than the price set forth in the Sale Notice, without any further obligation to such Person pursuant to this Section 4.4.

4.4.3. Irrevocable Offer. The offer of each First Offer Purchaser contained in a First Offer Notice shall be irrevocable, and, subject to Section 4.4.6 below, to the extent such offer is accepted, such First Offer Purchaser shall be bound and obligated to purchase the number of Subject Shares set forth in such First Offer Purchaser's First Offer Notice.

4.4.4. Acceptance of Offers. Within five business days after the First Offer Deadline, the Prospective Selling Stockholder shall inform each First Offer Purchaser, by written notice (the "Acceptance Notice"), of whether or not the Prospective Selling Stockholder will accept all (but not less than all) offers of the First Offer Purchasers. In

the event the Prospective Selling Stockholder fails to furnish the Acceptance Notice within the specified time period, the Prospective Selling Stockholder shall be deemed to have decided not to Sell the Subject Shares to the First Offer Purchasers. If the Prospective Selling Stockholder decides not to Sell the Subject Shares to the First Offer Purchasers, each First Offer Purchaser shall be released from such holder's obligations under such holder's irrevocable offer. Acceptance of such offers by the Prospective Selling Stockholder is without prejudice to the Prospective Selling Stockholder's discretion under Section 4.3.3 to determine whether or not to consummate any Sale.

4.4.5. Additional Compliance. If at the end of the 180th day after the date of delivery of the Sale Notice, the Prospective Selling Stockholder and First Offer Purchasers or Prospective Buyer (if not a First Offer Purchaser), if any, have not completed the Sale of the Subject Shares (other than due to the failure of any First Offer Purchaser to perform its obligations under this Section 4.4), each First Offer Purchaser shall be released from such holder's obligations under such holder's irrevocable offer, the Sale Notice shall be null and void, and it shall be necessary for a separate Sale Notice to be furnished, and the terms and provisions of this Section 4.4 separately complied with, in order to consummate a Transfer of such Subject Shares; provided, however, that in the case of such a separate Sale Notice in which the class(es) of Subject Shares and the per share price are unchanged and the number of Subject Shares is substantially the same, the applicable period to which reference is made in Section 4.4.1 and 4.4.2.1 shall be three business days and two business days, respectively.

4.4.6. Determination of the Number of Subject Shares to be Sold.

4.4.6.1. In the event that the number of Shares offered to be purchased by the First Offer Purchasers is less than the number of Subject Shares, the Prospective Selling Stockholder may accept the offers of the First Offer Purchasers and, at the option of the Prospective Selling Stockholder, sell any remaining Subject Shares which the First Offer Purchasers did not elect to purchase to one or more Prospective Buyers at a price per share that is no less than the price set forth in the Sale Notice. Such sales, if any, to Prospective Buyer(s) other than the First Offer Purchasers may be consummated together with the sale to the First Offer Purchasers or otherwise.

4.4.6.2. In the event that a single Prospective Buyer or group of Prospective Buyers is unwilling to purchase less than all of the Subject Shares and the number of Shares offered to be purchased by the First Offer Purchasers is less than the number of Subject Shares, the Prospective Selling Stockholder may Sell all (but not less than all) of the Subject Shares to such Prospective Buyer or group of Prospective Buyers at a price per share that is no less than the price set forth in the Sale Notice rather than Sell the Subject Shares to the First Offer Purchasers.

4.4.6.3. In the event that the Prospective Selling Stockholder has accepted the offers of the First Offer Purchasers and the aggregate number of Subject Shares offered to be purchased by (and to be sold to) the First Offer

Purchasers is equal to or exceeds the aggregate number of Subject Shares, the Subject Shares shall be sold to the First Offer Purchasers as follows:

(i) there shall be first allocated to each First Offer Purchaser a number of Shares of each applicable class equal to the lesser of (A) the number of Shares of such class offered to be purchased by such First Offer Purchaser pursuant such holder's First Offer Notice, and (B) a number of Shares of such class equal to such First Offer Purchaser's Pro Rata Portion; and

(ii) the balance, if any, not allocated pursuant to clause (i) above shall be allocated to those First Offer Purchasers which offered to purchase a number of Shares of the applicable class in excess of such Person's Pro Rata Portion pro rata to each such First Offer Purchaser based upon the amount of such excess, or in such other manner as the First Offer Purchasers may otherwise agree.

In the event any holders of Shares exercise such holders' rights under Section 4.1 to sell Shares in connection with a Sale to First Offer Purchasers pursuant to this Section 4.4, such Shares (as the case may be, reduced in accordance with Section 4.1.5) shall be deemed to be Subject Shares for purposes of this Section 4.4 and shall be allocated among the First Offer Purchasers in accordance with this Section 4.4.6.

4.5. Period. The provisions of Section 4.4 shall expire as to any Share on the earlier of (a) a Change of Control or (b) the expiration of the Lock-Up Period in respect of such Share. Each of the other provisions of this Section 4 above shall expire on a Change of Control.

4.6. Post-Termination Tag Along. In connection with a Change of Control in which any Investor Group immediately prior to such Change of Control continues to hold Shares or receives securities of another Person or Persons in consideration thereof, which Shares or securities are of a class that is not publicly traded, if any such Investor Group or member thereof receives "tag along" rights in respect of its Shares or such securities in connection with such Change of Control (whether such "tag along" rights are in respect of another Investor Group or any other holder of Shares or such securities), each other holder of Acquisition Shares shall receive pari passu "tag along" rights on a pro rata basis.

5. RIGHT OF PARTICIPATION. Subject to Section 5.3, the Company shall not, and shall not permit any direct or indirect subsidiary of the Company (the Company and each such subsidiary, an "Issuer") to, issue or sell any shares of any of its capital stock or any securities convertible into or exchangeable for any shares of its capital stock, issue or grant any options or warrants for the purchase of, or enter into any agreements providing for the issuance (contingent or otherwise) of, any of its capital stock or any stock or securities convertible into or exchangeable for any shares of its capital stock, in each case, to any Person (each an "Issuance" of "Subject Securities"), except in compliance with the provisions of Section 5.1 or Section 5.2.

5.1. Right of Participation.

5.1.1. Offer. Not fewer than ten business days prior to the consummation of an Issuance, a notice (the "Participation Notice") shall be furnished by the Issuer to each holder of Acquisition Shares (the "Participation Offerees"). The Participation Notice shall include:

(a) the principal terms and conditions of the proposed Issuance, including (i) the amount and kind of Subject Securities to be included in the Issuance, (ii) the number of Equivalent Shares represented by such Subject Securities (if applicable), (iii) the percentage of the total number of Equivalent Shares of the Company outstanding as of immediately prior to giving effect to such Issuance which the number of Equivalent Shares of the Company held by such Participation Offeree constitutes (the "Participation Portion"), (iv) the maximum and minimum price (including if applicable, the maximum and minimum Price Per Equivalent Share) per unit of the Subject Securities, including a description of any non-cash

consideration sufficiently detailed to permit valuation thereof, (v) the proposed manner of disposition, (vi) the name and address of the Person to whom the Subject Securities will be issued (the "Prospective Subscriber") and (vii) if known, the proposed Issuance date; and

(b) an offer by the Issuer to issue, at the option of each Participation Offeree, to such Participation Offeree such portion of the Subject Securities to be included in the Issuance as may be requested by such Participation Offeree (not to exceed the Participation Portion of the total amount of Subject Securities to be included in the Issuance), on the same economic terms and conditions, with respect to each unit of Subject Securities issued to the Participation Offerees, as each of the Prospective Subscribers shall be issued units of Subject Securities.

5.1.2. Exercise.

5.1.2.1. General. Each Participation Offeree desiring to accept the offer contained in the Participation Notice shall accept such offer by furnishing a written notice of such acceptance to the Issuer within eight business days after the date of delivery of the Participation Notice specifying the amount of Subject Securities (not in any event to exceed the Participation Portion of the total amount of Subject Securities to be included in the Issuance) which such Participation Offeree desires to be issued (each a "Participating Buyer"). Each Participation Offeree who does not accept such offer in compliance with the above requirements, including the applicable time periods, shall be deemed to have waived all of such holder's rights with respect to such Issuance, and the Issuer shall thereafter be free to issue Subject Securities in such Issuance to the Prospective Subscriber and any Participating Buyers, at a price no less than the minimum price set forth in the Participation Notice and on other principal terms not substantially more favorable to the Prospective Subscriber than those set forth in the Participation Notice, without any further obligation to such non-accepting

Participation Offerees pursuant to Section 5. If, prior to consummation, the terms of such proposed Issuance shall change with the result that the price shall be less than the minimum price set forth in the Participation Notice or the other principal terms shall be substantially more favorable to the Prospective Subscriber than those set forth in the Participation Notice, it shall be necessary for a separate Participation Notice to be furnished, and the terms and provisions of this Section 5.1 separately complied with, in order to consummate such Issuance pursuant to this Section 5.1; provided, however, that in such case of a separate Participation Notice, the applicable period to which reference is made in Section 5.1.1 and in the first sentence of Section 5.1.2.1 shall be three business days and two business days respectively.

5.1.2.2. Irrevocable Acceptance. The acceptance of each Participating Buyer shall be irrevocable except as hereinafter provided, and each such Participating Buyer shall be bound and obligated to acquire in the Issuance on the same terms and conditions, with respect to each unit of Subject Securities issued, as the Prospective Subscriber, such amount of Subject Securities as such Participating Buyer shall have specified in such Participating Buyer's written commitment.

5.1.2.3. Time Limitation. If at the end of the 180th day after the date of the effectiveness of the Participation Notice the Issuer has not completed the Issuance, each Participating Buyer shall be released from such holder's obligations under the written commitment, the Participation Notice shall be null and void, and it shall be necessary for a separate Participation Notice to be furnished, and the terms and provisions of this Section 5.1 separately complied with, in order to consummate such Issuance pursuant to this Section 5.1; provided, however, that in such case of a separate Participation Notice, the applicable period to which reference is made in Section 5.1.1 and in the first sentence of Section 5.1.2.1 shall be three business days and two business days, respectively.

5.1.3. Other Securities. The Issuer may condition the participation of the Participation Offerees in an Issuance upon the purchase by such Participation Offerees of any securities (including debt securities) other than Subject Securities ("Other Securities") in the event that the participation of the Prospective Subscriber in such Issuance is so conditioned. In such case, each Participating Buyer shall acquire in the Issuance, together with the Subject Securities to be acquired by it, Other Securities in the same proportion to the Subject Securities to be acquired by it as the proportion of Other Securities to Subject Securities being acquired by the Prospective Subscriber in the Issuance, on the same terms and conditions, as to each unit of Subject Securities and Other Securities issued to the Participating Buyers, as the Prospective Subscriber shall be issued units of Subject Securities and Other Securities.

5.1.4. Certain Legal Requirements. In the event that the participation in the Issuance by a holder of Shares as a Participating Buyer would require under applicable

law (i) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities where such registration or qualification is not otherwise required for the Issuance or (ii) the provision to any participant in the Sale of any specified information regarding the Company or any of its subsidiaries or the securities that is not otherwise required to be provided for the Issuance, such holder of Shares shall not have the right to participate in the Issuance. Without limiting the generality of the foregoing, it is understood and agreed that neither the Company nor the Issuer shall be under any obligation to effect a registration of such securities under the Securities Act or similar state statutes.

5.1.5. Further Assurances. Each Participation Offeree and each Stockholder to whom the Shares held by such Participation Offeree were originally issued, shall, whether in such holder's capacity as a Participating Buyer, Stockholder, officer or director of the Company, or otherwise, take or cause to be taken all such reasonable actions as may be necessary or reasonably desirable in order expeditiously to consummate each Issuance pursuant to this Section 5.1 and any related transactions, including executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; filing applications, reports, returns, filings and other documents or instruments with governmental authorities; and otherwise cooperating with the Issuer and the Prospective Subscriber. Without limiting the generality of the foregoing, each such Participating Buyer and Stockholder agrees to execute and deliver such subscription and other agreements specified by the Issuer to which the Prospective Subscriber will be party.

5.1.6. Expenses. All costs and expenses incurred by the Issuer in connection with any proposed Issuance of Subject Securities (whether or not consummated), including all attorney's fees and charges, all accounting fees and charges and all finders, brokerage or investment banking fees, charges or commissions, shall be paid by the Company or the Issuer. The reasonable fees and charges of a single legal counsel representing any or all of the holders of Shares in connection with such proposed Issuance of Subject Securities (whether or not consummated) shall be paid by the Company or the Issuer. Any other

costs and expenses incurred by or on behalf of any holder of Shares in connection with such proposed Issuance of Subject Securities (whether or not consummated) shall be borne by such holder.

5.1.7. Closing. The closing of an Issuance pursuant to Section 5.1 shall take place on (i) the proposed date of Issuance, if any, set forth in the Participation Notice (provided that consummation of any Transfer may be extended beyond such date to the extent necessary to obtain any applicable governmental approval or other required approval or to satisfy other conditions), (ii) if no proposed Transfer date was required to be specified in the Participation Notice, at such time as the Issuer shall specify by notice to each Participating Buyer and (iii) at such place as the Issuer shall specify by notice to each Participating Buyer. At the closing of any Issuance under this Section 5.1.7, each Participating Buyer shall be delivered the notes, certificates or other instruments evidencing the Subject Securities (and, if applicable, Other Securities) to be issued to such Participating Buyer, registered in the name of such Participating Buyer or such

holder's designated nominee, free and clear of any liens or encumbrances, with any transfer tax stamps affixed, against delivery by such Participating Buyer of the applicable consideration.

5.2. Post-Issuance Notice. Notwithstanding the requirements of Section 5.1, the Issuer may proceed with any Issuance prior to having complied with the provisions of Section 5.1; provided that the Issuer shall:

(a) provide to each holder of Shares who would have been a Participation Offeree in connection with such Issuance (i) with prompt notice of such Issuance and (ii) the Participation Notice described in Section 5.1.1 in which the actual price per unit of Subject Securities (and, if applicable, actual Price Per Equivalent Share) shall be set forth;

(b) offer to issue to such holder of Shares such number of securities of the type issued in the Issuance as may be requested by such holder (not to exceed the Participation Portion that such holder would have been entitled to pursuant to Section 5.1 multiplied by the number of Subject Securities included in the Issuance) on the same economic terms and conditions with respect to such securities as the subscribers in the Issuance received; and

(c) keep such offer open for a period of ten business days, during which period, each such holder may accept such offer by sending a written acceptance to the Issuer committing to purchase an amount of such securities (not in any event to exceed the Participation Portion that such holder would have been entitled to pursuant to Section 5.1 multiplied by the number of Subject Securities included in such issuance).

5.3. Excluded Transactions.

5.3.1. The provisions of this Section 5 shall not apply to Issuances by the Company as follows:

(a) Any Issuance of Common Stock upon the exercise or conversion of any Common Stock, Options, Warrants or Convertible Securities outstanding on the date hereof or Issued after the date hereof in compliance with the provisions of this Section 5;

(b) Any Issuance of shares of Common Stock, Options, Warrants or Convertible Securities to officers, employees, directors or consultants of the Company or its subsidiaries in connection with such Person's employment arrangements with the Company or its subsidiaries;

(c) Any Issuance of shares of Common Stock, Options, Warrants or Convertible Securities in connection with any business combination or acquisition transaction involving the Company or any of its subsidiaries;

(d) Any Issuance of shares of Common Stock, Options, Warrants or Convertible Securities in connection with any joint venture or strategic partnership approved by the Board;

(e) Any Issuance of shares of Common Stock, Options, Warrants or Convertible Securities in connection with the incurrence or guarantee of indebtedness by the Company or any of its subsidiaries; or

(f) Any Issuance of Common Stock pursuant to the Initial Public Offering.

5.3.2. The provisions of this Section 5 also shall not apply to:

(a) The Issuance of Shares to the Investors and Seller Warrants to the Sellers in connection with the Closing;

(b) Any Issuance of shares of Stock pursuant to the Seller Warrants; or

(c) Any Issuance of shares of Stock in connection with any stock split, stock dividend or recapitalization.

5.4. Certain Provisions Applicable to Options, Warrants and Convertible Securities. In the event that the Issuance of Subject Securities shall result in any increase in the number of shares of Stock issuable upon exercise, conversion or exchange of any Options, Warrants or Convertible Securities, the number of shares (or Equivalent Shares, if applicable) of Subject Securities (and Other Securities, if applicable) which the holders, of such Options, Warrants or Convertible Securities, as the case may be, shall be entitled to purchase pursuant to Section 5.1, if any, shall be reduced, share for share, by the amount of any such increase.

5.5. Acquired Shares. Any Subject Securities constituting Stock acquired by any holder of Shares pursuant to this Section 5 shall be deemed for all purposes hereof to be Shares hereunder.

5.6. Period. Each of the foregoing provisions of this Section 5 shall expire on the earlier of (a) a Change of Control or (b) the closing of the Initial Public Offering.

6. REGISTRATION RIGHTS. The Company will perform and comply, and cause each of its subsidiaries to perform and comply, with such of the following provisions as are applicable to it. Each Holder will perform and comply with such of the following provisions as are applicable to such Holder.

6.1. Demand Registration Rights for Investor Registrable Securities.

6.1.1. General. One or more members of an Investor Group or the Seller (the "Initiating Investors"), by notice to the Company specifying the intended method or methods of disposition, may request that the Company effect the registration under the Securities Act for a Public Offering of all or a specified part of the Registrable Securities

held by such Initiating Investors; provided, however, that the value of Registrable Securities that the Initiating Investors propose to sell in such Public Offering is at least twenty million dollars ($20,000,000); and provided, further, that the Initial Public Offering may not be initiated pursuant to this Section 6.1 without the approval of a majority of the entire Board and the approval of the Requisite Stockholder Majority. The Company will then use its best efforts to (i) effect the registration under the Securities Act (including by means of a shelf registration pursuant to Rule 415 under the Securities Act if so requested and if the Company is then eligible to use such registration) of the Registrable Securities which the Company has been requested to register by such Initiating Investors together with all other Registrable Securities which the Company has been requested to register pursuant to Section 6.2 by other Holders, all to the extent requisite to permit the disposition (in accordance with the intended methods thereof as aforesaid and as otherwise specified by the Principal Participating Holders) of the Registrable Securities which the Company has been so requested to register, and (ii) if requested by the Principal Participating Holders, obtain acceleration of the effective date of the registration statement relating to such registration; provided, however, that the Company shall not be obligated to take any action to effect any such registration pursuant to this Section 6.1.1:

(a) during the effectiveness of any Principal Lock-Up Agreement entered into in connection with any registration statement pertaining to an underwritten public offering of securities of the Company for its own account (other than a Rule 145 Transaction, or a registration relating solely to employee benefit plans);

(b) upon the request of any member of an Investor Group on any form other than Form S-3 (or any successor form) if the Company has previously effected a number of registrations of Registrable Securities under this Section 6.1.1 upon the request of the members of such Investor Group on any form other than Form S-3 (or any successor form) equaling or exceeding five (5), two (2), one (1) and one (1) with respect to the THL Investors, the Bain Investors, the Providence Investors and the Lexa Investors, respectively; provided, however, that any registration of Registrable Securities (i) which does not become and remain effective for at least 270 days in accordance with the provisions of this Section 6 or (ii) pursuant to which the Initiating Investors and all other holders of Registrable Securities joining therein are not able to include at least 90% of the Registrable Securities which they desired to include, shall not be included in the calculation of the numbers of registrations contemplated by this clause (b); or

(c) upon the request of the Seller on any form other than Form S-3 (or any successor form).

6.1.2. Form. Except as otherwise provided above, each registration requested pursuant to Section 6.1.1 shall be effected by the filing of a registration statement on Form S-1 (or any other form which includes substantially the same information as would be required to be included in a registration statement on such form as currently

constituted), unless the use of a different form has been agreed to in writing by the Principal Participating Holders; provided that if any registration requested pursuant to this Section 6.1 is proposed to be effected on Form S-3 (or any successor or similar short-form registration statement) and is in connection with an underwritten offering, and if the managing underwriter shall advise the Company in writing that, in its opinion, it is of material importance to the success of such proposed offering to include in such registration statement information not required to be included pursuant to such form, then the Company will supplement such registration statement as reasonably requested by such managing underwriter.

6.1.3. Payment of Expenses. The Company shall pay all Registration Expenses in connection with registrations of Registrable Securities pursuant to this Section 6.1, including all reasonable expenses (other than fees and disbursements of counsel that do not constitute Registration Expenses) that any Holder incurs in connection with each registration of Registrable Securities requested pursuant to this Section 6.1.

6.1.4. Additional Procedures. In the case of a registration pursuant to Section 6.1 hereof, whenever the Principal Participating Holders shall request that such registration shall be effected pursuant to an underwritten offering, the Company shall include such information in the written notices to Holders referred to in Section 6.2. In such event, the right of any Holder to have securities owned by such Holder included in such registration pursuant to Section 6.1 shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting (unless otherwise mutually agreed upon by the Principal Participating Holders and such Holder). If requested by the Principal Participating Holders, the Company together with the Holders proposing to distribute their securities through the underwriting will enter into an underwriting agreement with the underwriters for such offering containing such representations and warranties by the Company and such Holders and such other terms and provisions as are customarily contained in underwriting agreements with respect to secondary distributions, including customary indemnity and contribution provisions (subject, in each case, to the limitations on such liabilities set forth in this Agreement).

6.1.5. Suspension of Registration. If the filing, initial effectiveness or continued use of a registration statement, including a shelf registration statement pursuant to Rule 415 under the Securities Act, in respect of a registration pursuant to this Section 6.1 at any time would require the Company to make a public disclosure of material non-public information, which disclosure in the good faith judgment of the Board (after consultation with external legal counsel) (i) would be required to be made in any registration statement so that such registration statement would not be materially misleading, (ii) would not

be required to be made at such time but for the filing, effectiveness or continued use of such registration statement and (iii) would have a material adverse effect on the Company or its business or on the Company's ability to effect a material proposed acquisition, disposition, financing, reorganization, recapitalization or similar transaction, then the Company may, upon giving prompt written notice of such action to the Holders participating in such registration, delay the filing or initial effectiveness of, or suspend

use of, such registration statement; provided, that the Company shall not be permitted to do so (i) more than two times during any 12 month period, (ii) for a period exceeding 30 days on any one occasion or (iii) for a period exceeding 60 days in any 12 month period. In the event the Company exercises its rights under the preceding sentence, such Holders agree to suspend, promptly upon their receipt of the notice referred to above, their use of any prospectus relating to such registration in connection with any sale or offer to sell Registrable Securities. The Company shall promptly notify such Holders of the expiration of any period during which it exercised its rights under this Section 6.1.5. The Company agrees that, in the event it exercises its rights under this Section 6.1.5, it shall, within 30 days following such Holders' receipt of the notice of suspension, update the suspended registration statement as may be necessary to permit the Holders to resume use thereof in connection with the offer and sale of their Registrable Securities in accordance with applicable law.

6.2. Piggyback Registration Rights.

6.2.1. Piggyback Registration.

6.2.1.1. General. Each time the Company proposes to register any shares of Common Stock under the Securities Act on a form which would permit registration of Registrable Securities for sale to the public, for its own account and/or for the account of any other Person (pursuant to Section 6.1 or otherwise) for sale in a Public Offering, the Company will give notice to all Holders of its intention to do so. Any Holder may, by written response delivered to the Company within 20 days after the date of delivery of such notice, request that all or a specified part of such Holder's Registrable Securities be included in such registration. The Company thereupon will use its reasonable efforts to cause to be included in such registration under the Securities Act all Registrable Securities which the Company has been so requested to register by such Holders, to the extent required to permit the disposition (in accordance with the methods to be used by the Company or other Holders in such Public Offering) of the Registrable Securities to be so registered; provided that (i) if, at any time after giving written notice of its intention to register any securities, the Company shall determine for any reason not to proceed with the proposed registration of the securities to be sold by it, the Company may, at its election, give written notice of such determination to each Holder and, thereupon, shall be relieved of its obligation to register any Registrable Securities in connection with such registration (but not from its obligation to pay the Registration Expenses in connection therewith), and (ii) if such registration involves an underwritten offering, all Holders requesting to be included in the Company's registration must sell their Registrable Securities to the underwriters selected by the Company on the same terms and conditions as apply to the Company, with such differences as may be customary or appropriate in combined primary and secondary offerings. No registration of Registrable Securities effected under this Section 6.2 shall relieve the Company of any of its obligations to effect registrations of Registrable Securities pursuant to Section 6.1 hereof.

6.2.1.2. Excluded Transactions. The Company shall not be obligated to effect any registration of Registrable Securities under this Section 6.2 incidental to the registration of any of its securities in connection with:

(a) Any Public Offering relating to employee benefit plans or dividend reinvestment plans;

(b) Any Public Offering relating to the acquisition or merger after the date hereof by the Company or any of its subsidiaries of or with any other businesses; or

(c) The Initial Public Offering, unless such offering shall have been initiated pursuant to Section 6.1.1.

6.2.2. Payment of Expenses. The Company will pay all Registration Expenses in connection with registrations of Registrable Securities pursuant to this Section 6.2

6.2.3. Additional Procedures. Holders participating in any Public Offering pursuant to this Section 6.2 shall take all such actions and execute all such documents and instruments that are reasonably requested by the Company to effect the sale of their Registrable Securities in such Public Offering, including being parties to the underwriting agreement entered into by the Company and any other selling shareholders in connection therewith and being liable in respect of the representations and warranties and the other agreements (including customary selling stockholder representations, warranties, indemnifications and "lock-up" agreements) for the benefit of the underwriters contained therein; provided, however, that (a) with respect to individual representations, warranties, indemnities and agreements of sellers of Registrable Securities in such Public Offering, the aggregate amount of such liability shall not exceed such holder's net proceeds from such offering and (b) to the extent selling stockholders give further representations, warranties and indemnities, then with respect to all other representations, warranties and indemnities of sellers of shares in such Public Offering, the aggregate amount of such liability shall not exceed the lesser of (i) such holder's pro rata portion of any such liability, in accordance with such holder's portion of the total number of Registrable Securities included in the offering, and (ii) such holder's net proceeds from such offering.

6.2.4. Registration Statement Form. The Company shall select the registration statement form for any registration pursuant to this Section 6.2 (other than a registration that is also pursuant to Section 6.1); provided that if any registration requested pursuant to this Section 6.2 is proposed to be effected on Form S-3 (or any successor form) and is in connection with an underwritten offering, and if the managing underwriter shall advise the Company in writing that, in its opinion, it is of material importance to the success of such proposed offering to include in such registration statement information not required to be included pursuant to such form, then the Company will supplement such registration statement as reasonably requested by such managing underwriter.

6.3. Certain Other Provisions.

6.3.1. Underwriter's Cutback. In connection with any registration of shares, the underwriter may determine that marketing factors (including an adverse effect on the per share offering price) require a limitation of the number of shares to be underwritten. Notwithstanding any contrary provision of this Section 6 and subject to the terms of this Section 6.3.1, the underwriter may limit the number of shares which would otherwise be included in such registration by excluding any or all Registrable Securities from such registration (it being understood that, if the registration in question involves a registration for sale of securities for the Company's own account, then the number of shares which the Company seeks to have registered in such registration shall not be subject to exclusion, in whole or in part, under this Section 6.3.1). Upon receipt of notice from the underwriter of the need to reduce the number of shares to be included in the registration, the Company shall advise all holders of the Company's securities that would otherwise be registered and underwritten pursuant hereto, and the number of shares of such securities, including Registrable Securities, that may be included in the registration shall be allocated in the following manner, unless the underwriter shall determine that marketing factors require a different allocation: shares, other than Registrable Securities, requested to be included in such registration by other shareholders shall be excluded unless the Company, with the consent of the parties required to approve any amendment or waiver of this Agreement pursuant to Section 10.2, has granted registration rights which are to be treated on an equal basis with Registrable Securities for the purpose of the exercise of the underwriter cutback (such shares afforded such equal treatment being "Parity Shares"); and, if a limitation on the number of shares is still required, the number of Registrable Securities, Parity Shares and other shares of Common Stock that may be included in such registration shall be allocated among the holders thereof in proportion, as nearly as practicable, as follows:

(i) there shall be first allocated to each such holder requesting that its Registrable Securities or Parity Shares be registered in such registration a number of such shares to be included in such registration equal to the lesser of (A) the number of such shares requested to be registered by such holder, and (B) a number of such shares equal to such holder's Pro Rata Portion;

(ii) the balance, if any, not allocated pursuant to clause (i) above shall be allocated to those holders requesting that their Registrable Securities or Parity Shares be registered in such registration which requested to register a number of such shares in excess of such holder's Pro Rata Portion pro rata to each such holder based upon the number of Registrable Securities and Parity Shares held by such holder, or in such other manner as the holders requesting that their Registrable Securities or Parity Shares be registered in such registration may otherwise agree; and

(iii) the balance, if any, not allocated pursuant to clause (ii) above shall be allocated to shares, other than Registrable Securities and Parity Shares, requested to be included in such registration by other stockholders.

For purposes of any underwriter cutback, all Registrable Securities held by any Holder shall also include any Registrable Securities held by the partners, retired partners, shareholders or Affiliates of such Holder, or the estates and family members of any such Holder or such partners and retired partners, any trusts for the benefit of any of the foregoing Persons and, at the election of such Holder or such partners, retired partners, trusts or Affiliates, any Charitable Organization to which any of the foregoing shall have contributed Common Stock prior to the execution of the underwriting agreement in connection with such underwritten offering, and such Holder and other Persons shall be deemed to be a single selling Holder, and any pro rata reduction with respect to such selling Holder shall be based upon the aggregate amount of Common Stock owned by all entities and individuals included in such selling Holder, as defined in this sentence. No securities excluded from the underwriting by reason of the underwriter's marketing limitation shall be included in such registration. Upon delivery of a written request that Registrable Securities be included in the underwriting pursuant to Section 6.1.1 or 6.2.1.1, the Holder thereof may not thereafter elect to withdraw therefrom without the written consent of the Principal Participating Holders; provided that, if the managing underwriter of any underwritten offering shall advise the Holders participating in a registration pursuant to Section 6.1 that the Registrable Securities covered by the registration statement cannot be sold in such offering within a price range acceptable to the Principal Participating Investors, then the Principal Participating Investors shall have the right to notify the Company that they have determined that the registration statement be abandoned or withdrawn, in which event the Company shall abandon or withdraw such registration statement.

6.3.2. Registration Procedures. If and in each case when the Company is required to effect a registration of any Registrable Securities as provided in this Section 6, the Company shall promptly:

(i) prepare and, in any event within sixty days (forty-five days in the case of a Form S-3 registration) after the end of the period under Section 6.2.1.1 within which a piggyback request for registration may be given to the Company, file with the Commission a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective within ninety days of the initial filing;

(ii) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for a period not in excess of 270 days (or such shorter period which will terminate when all Registrable Securities covered by such registration statement have been sold) and to comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all securities covered by such registration statement during such period in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement; provided that before filing a registration statement or prospectus, or any

amendments or supplements thereto in accordance with Sections 6.1 or 6.2, the Company will furnish to counsel selected pursuant to Section 6.3.3 hereof copies of all documents proposed to be filed, which documents will be subject to the review of such counsel;

(iii) furnish to each seller of such Registrable Securities such number of copies of such registration statement and of each amendment and supplement thereto (in each case including all exhibits filed therewith), such number of copies of the prospectus included in such registration statement (including each preliminary prospectus and summary prospectus), in conformity with the requirements of the Securities Act, and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities by such seller;

(iv) use its best efforts to register or qualify such Registrable Securities covered by such registration in such jurisdictions as each seller shall reasonably request, and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller, except that the Company shall not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction where, but for the requirements of this clause (iv), it would not be obligated to be so qualified or to consent to general service of process in any such jurisdiction;

(v) notify each seller of any such Registrable Securities covered by such registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the Company's becoming aware that the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and at the request of any such seller, prepare and furnish to such seller a reasonable number of copies of an amended or supplemental prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(vi) otherwise use its best efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable (but not more than 18 months) after the effective date of the registration statement, an earnings statement which shall satisfy the provisions of Section 11(a) of the Securities Act;

(vii) (i) if such Registrable Securities are Common Stock (including Common Stock issuable upon conversion, exchange or exercise of another

security), use its best efforts to list such Registrable Securities on any securities exchange or authorize for quotation on each other market (including, if applicable, the National Association of Securities Dealers, Inc. (the "NASD") Automated Quotation System) on which the Common Stock is then listed or authorized for quotation if such Registrable Securities are not already so listed or authorized for quotation; and (ii) use its best efforts to provide a transfer agent and registrar for such Registrable Securities covered by such registration statement not later than the effective date of such registration statement;

(viii) enter into such customary agreements (including an underwriting agreement in customary form), which may include indemnification provisions in favor of underwriters and other Persons in addition to the provisions of Section 6.4 hereof, and take such other actions as the Principal Participating Holders or the underwriters, if any, reasonably requested in order to expedite or facilitate the disposition of such Registrable Securities;

(ix) obtain a "cold comfort" letter or letters from the Company's independent public accountants in customary form and covering matters of the type customarily covered by "cold comfort" letters as the Principal Participating Holders shall reasonably request;

(x) make available for inspection by any seller of such Registrable Securities covered by such registration statement, by any managing underwriter or underwriters participating in any disposition to be effected pursuant to such registration statement and by any attorney, accountant or other agent retained by any such seller or any such managing underwriter(s), all pertinent financial and other records, pertinent corporate documents and properties of the Company, and cause all of the Company's officers, directors and employees to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement (subject to each party referred to in this clause (x) entering into customary confidentiality agreements in a form reasonably acceptable to the Company);

(xi) notify counsel (selected pursuant to Section 6.3.3 hereof) for the Holders of Registrable Securities included in such registration statement and the managing underwriter or agent, immediately, and confirm the notice in writing (a) when the registration statement, or any post-effective amendment to the registration statement, shall have become effective, or any supplement to the prospectus or any amendment to the prospectus shall have been filed, (b) of the receipt of any comments from the Commission, (c) of any request of the Commission to amend the registration statement or amend or supplement the prospectus or for additional information, and (d) of the issuance by the Commission of any stop order suspending the effectiveness of the registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the registration statement

for offering or sale in any jurisdiction, or of the institution or threatening of any proceedings for any of such purposes;

(xii) make every commercially reasonable effort to prevent the issuance of any stop order suspending the effectiveness of the registration statement or of any order preventing or suspending the use of any preliminary prospectus and, if any such order is issued, to obtain the withdrawal of any such order as soon as practicable;

(xiii) if requested by the managing underwriter or agent or any Holder of Registrable Securities covered by the registration statement, incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or agent or such Holder reasonably requests to be included therein, including, with respect to the number of Registrable Securities being sold by such Holder to such underwriter or agent, the purchase price being paid therefor by such underwriter or agent and with respect to any other terms of the underwritten offering of the Registrable Securities to be sold in such offering; and make all required filings of such prospectus supplement or post-effective amendment as soon as practicable after being notified of the matters incorporated in such prospectus supplement or post-effective amendment;

(xiv) cooperate with the Holders of Registrable Securities covered by the registration statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the registration statement, and enable such securities to be in such denominations and registered in such names as the managing underwriter or agent, if any, or such Holders may request;

(xv) obtain for delivery to the Holders of Registrable Securities being registered and to the underwriter or agent an opinion or opinions from counsel for the Company in customary form and in form, substance and scope reasonably satisfactory to such Holders, underwriters or agents and their counsel;

(xvi) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the NASD; and

(xvii) use its commercially reasonable best efforts to make available the executive officers of the Company to participate with the Holders of Registrable Securities and any underwriters in any "road shows" that may be reasonably requested by the Holders in connection with distribution of the Registrable Securities.

6.3.3. Selection of Underwriters and Counsel. The underwriters and legal counsel to be retained by the Company in connection with any Public Offering shall be selected by the Board; provided that, in the case of an offering following a request therefor under Section 6.1.1, such underwriters and counsel shall be reasonably acceptable to the Principal Participating Holders. In connection with any registration of Registrable Securities pursuant to Sections 6.1 and 6.2 hereof, the Principal Participating Holders may select one counsel to represent all Holders of Registrable Securities covered by such registration; provided, however, that in the event that the counsel selected as provided above is also acting as counsel to the Company in connection with such registration, the remaining Holders shall be entitled to select one additional counsel to represent, at such Holders' expense, all such remaining Holders.

6.3.4. Holder Lock-Up. In connection with each underwritten Public Offering each Holder agrees to become bound by and to execute and deliver such lock-up agreement with the underwriter(s) of such Public Offering restricting such Holder's right to (a) Transfer, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable for such Common Stock or (b) enter into any swap or other arrangement that transfers to another any of the economic consequences of ownership of Common Stock, as is entered into by the Principal Participating Holders with the underwriter(s) of such Public Offering (the "Principal Lock-Up Agreement"); provided, however, that no Holder shall be required to enter into a lock-up agreement covering a period of greater than 90 days (180 days in the case of the Initial Public Offering) following the effectiveness of the related registration statement. Notwithstanding the foregoing, such lock-up agreement shall not apply to (i) transactions relating to shares of Common Stock or other securities acquired in open market transactions after the completion of the Initial Public Offering, (ii) Transfers to Permitted Transferees of such Holder in accordance with the terms of this Agreement, (iii) conversions of shares of Stock into other classes of Stock without change of holder and (iv) during the period preceding the execution of the underwriting agreement, Transfers to a Charitable Organization in accordance with the terms of this Agreement.

6.3.5. Company Lock-Up. If any registration pursuant to Section 6.1 of this Agreement shall be in connection with an underwritten public offering, the Company agrees not to effect any public sale or distribution of any Common Stock of the Company (or securities convertible into or exchangeable or exercisable for Common Stock) (in each case, other than as part of such underwritten public offering and other than pursuant to a registration on Form S-4 or S-8) for its own account, within 90 days (or such shorter period as the managing underwriters may require) after, the effective date of such registration (except as part of such registration).

6.3.6. Other Agreements. The Company covenants and agrees that, so long as any Person holds any Registrable Securities in respect of which any registration rights provided for in Section 6.1 of this Agreement remain in effect, the Company will not, directly or indirectly, grant to any Person or agree to or otherwise become obligated in respect of (i) rights of registration in the nature or substantially in the nature of those set forth in Section 6.1 of this Agreement that would have priority over the Registrable

Securities with respect to the inclusion of such securities in any registration or (ii) demand registration rights exercisable prior to such time as the Investors can first exercise their rights under Section 6.1.

6.4. Indemnification and Contribution.

6.4.1. Indemnities of the Company. In the event of any registration of any Registrable Securities or other debt or equity securities of the Company or any of its subsidiaries under the Securities Act pursuant to this Section 6 or otherwise, and in connection with any registration statement or any other disclosure document produced by or on behalf of the Company or any of its subsidiaries including reports required and other documents filed under the Exchange Act, and other documents pursuant to which any debt or equity securities of the Company or any of its subsidiaries are sold (whether or not for the account of the Company or its subsidiaries), the Company will, and hereby does, and will cause each of its subsidiaries, jointly and severally, to indemnify and hold harmless each holder of Registrable Securities, any Person who is or might be deemed to be a controlling Person of the Company or any of its subsidiaries within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, their respective direct and indirect partners, advisory board members, directors, officers, trustees, members and shareholders, and each other Person, if any, who controls any such holder or any such controlling Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each such Person being referred to herein as a "Covered Person"), against any losses, claims, damages or liabilities (or actions or proceedings in respect thereof), joint or several, to which such Covered Person may be or become subject under the Securities Act, the Exchange Act, any other securities or other law of any jurisdiction, the common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in any registration statement under the Securities Act, any preliminary prospectus or final prospectus included therein, or any related summary prospectus, or any amendment or supplement thereto, or any document incorporated by reference therein, or any other such disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or other document or report, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to

make the statements therein not misleading or (iii) any violation or alleged violation by the Company or any of its subsidiaries of any federal, state, foreign or common law rule or regulation applicable to the Company or any of its subsidiaries and relating to action or inaction in connection with any such registration, disclosure document or other document or report, and will reimburse such Covered Person for any legal or any other expenses incurred by it in connection with investigating or defending any such loss, claim, damage, liability, action or proceeding; provided, however, that neither the Company nor any of its subsidiaries shall be liable to any Covered Person in any such case to the extent that any such loss, claim, damage, liability, action or proceeding arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such

registration statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or other such disclosure document or other document or report, in reliance upon and in conformity with written information furnished to the Company or to any of its subsidiaries through an instrument duly executed by such Covered Person specifically stating that it is for use in the preparation thereof. The indemnities of the Company and of its subsidiaries contained in this Section 6.4.1 shall remain in full force and effect regardless of any investigation made by or on behalf of such Covered Person and shall survive any transfer of securities or any termination of this Agreement.

6.4.2. Indemnities to the Company. Subject to Section 6.4.4, the Company and any of its subsidiaries may require, as a condition to including any securities in any registration statement filed pursuant to this Section 6, that the Company and any of its subsidiaries shall have received an undertaking satisfactory to it from the prospective seller of such securities, severally and not jointly, to indemnify and hold harmless the Company and any of its subsidiaries, each director of the Company or any of its subsidiaries, each officer of the Company or any of its subsidiaries who shall sign such registration statement and each other Person (other than such seller), if any, who controls the Company and any of its subsidiaries within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and each other prospective seller of such securities with respect to any statement in or omission from such registration statement, any preliminary prospectus, final prospectus or summary prospectus included therein, or any amendment or supplement thereto, or any other disclosure document (including reports and other documents filed under the Exchange Act or any document incorporated therein) or other document or report, if such statement or omission was made in reliance upon and in conformity with written information furnished to the Company or any of its subsidiaries through an instrument executed by such seller specifically stating that it is for use in the preparation of such registration statement, preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or other document or report. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Company, any of its subsidiaries or any such director, officer or controlling Person and shall survive any transfer of securities or any termination of this Agreement.

6.4.3. Contribution. If the indemnification provided for in Sections 6.4.1 or 6.4.2 hereof is unavailable to a party that would have been entitled to indemnification pursuant to the foregoing provisions of this Section 6.4 (an "Indemnitee") in respect of any losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to therein, then each party that would have been an indemnifying party thereunder shall, subject to Section 6.4.4 and in lieu of indemnifying such Indemnitee, contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) in such proportion as is appropriate to reflect the relative fault of such indemnifying party on the one hand and such Indemnitee on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or

proceedings in respect thereof). The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or such Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just or equitable if contribution pursuant to this Section 6.4.3 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the preceding sentence. The amount paid or payable by a contributing party as a result of the losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to above in this Section 6.4.3 shall include any legal or other expenses reasonably incurred by such Indemnitee in connection with investigating or defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

6.4.4. Limitation on Liability of Holders of Registrable Securities. The liability of each holder of Registrable Securities in respect of any indemnification or contribution obligation of such holder arising under this Section 6.4 shall not in any event exceed an amount equal to the net proceeds to such holder (after deduction of all underwriters' discounts and commissions) from the disposition of the Registrable Securities disposed of by such holder pursuant to such registration.

6.4.5. Indemnification Procedures. Promptly after receipt by an Indemnitee of written notice of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Section 6.4, such Indemnitee will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action or proceeding; provided that the failure of the Indemnitee to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Section 6.4, except to the extent that the indemnifying party is materially prejudiced by such failure to give notice. In case any such action or proceeding is brought against an Indemnitee, the indemnifying party will be entitled to participate in and to assume the defense thereof (at its expense), jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such Indemnitee, and after notice from the indemnifying party to such Indemnitee of its election so to assume the defense thereof, the indemnifying party will not be liable to such Indemnitee for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation and shall have no liability for any settlement made by the Indemnitee without the consent of the indemnifying party, such consent not to be unreasonably withheld. Notwithstanding the foregoing, if in such Indemnitee's reasonable judgment a conflict of interest between such Indemnitee and the indemnifying parties may exist in respect of such action or proceeding or the indemnifying party does not assume the defense of any such action or proceeding within a reasonable time after notice of commencement, the Indemnitee shall have the right to assume or continue its

own defense and the indemnifying party shall be liable for any reasonable expenses therefor, but in no event will bear the expenses for more than one firm of counsel for all Indemnitees in each jurisdiction who shall be approved by the Principal Participating Holders in the registration in respect of which such indemnification is sought. No indemnifying party will settle any action or proceeding or consent to the entry of any judgment without the prior written consent of the Indemnitee, unless such settlement or judgment (i) includes as an unconditional term thereof the giving by the claimant or plaintiff of a release to such Indemnitee from all liability in respect of such action or proceeding and (ii) does not involve the imposition of equitable remedies or the imposition of any obligations on such Indemnitee and does not otherwise adversely affect such Indemnitee, other than as a result of the imposition of financial obligations for which such Indemnitee will be indemnified hereunder.

6.5. Permitted Assignees.

6.5.1. Piggyback Registration Rights. The rights of a holder of Registrable Securities to cause the Company to register its Registrable Securities pursuant to Section 6.2 may be assigned (but only with all related obligations as set forth below) in a Transfer effected in accordance with the terms of this Agreement to: (a) an Affiliate of such holder, (b) a Charitable Organization or (c) any other transferee that in the case of this clause (c) acquires shares of Registrable Securities either (i) for consideration of at least $10,000,000 or (ii) having a then fair market value (determined in good faith by the Board) of at least $10,000,000 (the transferees in clauses (a) through (c) each a "Permitted Piggyback Assignee"). Without prejudice to any other or similar conditions imposed hereunder with respect to any such Transfer, no assignment permitted under the terms of this Section 6.5.1 shall be effective unless the Permitted Piggyback Assignee, if not a Stockholder, has delivered to the Company a written acknowledgment and agreement in form and substance reasonably satisfactory to the Company that such Registrable Securities in respect of which such assignment is made shall be deemed Other Holder Shares and shall be subject to all of the provisions of this Agreement relating to Other Holder Shares and that such Permitted Piggyback Assignee shall be bound by, and shall be an Other Holder party to, this Agreement and the holder of Other Holder Shares hereunder. A transferee to whom rights are transferred pursuant to this Section 6.5.1 may not again transfer such rights to any Person, other than as provided in this Section 6.5.1.

7. COVENANTS.

7.1. Information Rights.

7.1.1. Historical Financial Information. The Company will furnish each holder of Shares or Seller Warrants representing a Total Investment of at least twenty five million dollars ($25,000,000), the following:

7.1.1.1. As soon as available, and in any event within 120 days after the end of each fiscal year of the Company, the consolidated balance sheet of the

Company and its subsidiaries as at the end of each such fiscal year and the consolidated statements of income, cash flows and changes in stockholders' equity for such year of the Company and its subsidiaries, setting forth in each case in comparative form the figures for the next preceding fiscal year, accompanied by the report of independent certified public accountants of recognized national standing, to the effect that, except as set forth therein, such consolidated financial statements have been prepared in accordance with generally accepted accounting principles applied on a basis consistent with prior years and fairly present in all material respects the financial condition of the Company and its subsidiaries at the dates thereof and the results of their operations and changes in their cash flows and stockholders' equity for the periods covered thereby.

7.1.1.2. As soon as available, and in any event within 60 days after the end of each fiscal quarter of the Company, the consolidated balance sheet of the Company and its subsidiaries as at the end of such quarter and the consolidated statements of income, cash flows and changes in stockholders' equity for such quarter and the portion of the fiscal year then ended of the Company and its subsidiaries, setting forth in each case the figures for the corresponding periods of the previous fiscal year in comparative form, all in reasonable detail.

7.1.2. Period. Each of the foregoing provisions of this Section 7.1 shall expire on the earlier of (a) a Change of Control or (b) the closing of the Initial Public Offering.

7.2. Confidentiality. Each holder of Shares or Seller Warrants agrees that it will keep confidential and will not disclose, divulge or use for any purpose, other than to monitor its investment in the Company and its subsidiaries, any confidential information obtained from the Company pursuant to the terms of this Agreement, unless such confidential information (i) is known or becomes known to the public in general (other than as a result of a breach of this Section 7.2 by such holder or its Affiliates), (ii) is or has been independently developed or conceived by such holder without use of the Company's confidential information or (iii) is or has been made known or disclosed to such holder by a third party (other than an Affiliate of such holder) without a breach of any obligation of confidentiality such third party may have to the Company that is known to such holder; provided, however, that a holder may disclose confidential information (a) to its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company, (b) to any prospective purchaser of any Shares from such holder as long as such prospective purchaser agrees to be bound by the provisions of this Section 7.2, (c) to any Affiliate, partner or member of such holder in the ordinary course of business, (d) if the holder is the Seller and is advised by outside counsel of recognized national standing that it is required to disclose such information to fulfill its public filing requirements, or (e) as may otherwise be required by law, provided that such holder takes reasonable steps to minimize the extent of any such required disclosure; and provided, further, however, that the acts and omissions of any Person to whom such holder may disclose confidential information pursuant to clauses (a) through (c) of the preceding proviso shall be attributable to such holder for purposes of determining such holder's compliance with this Section 7.2. Each of the parties hereto

acknowledge that the holders of Shares may review the business plans and related proprietary information of many enterprises, including enterprises which may have products or services which compete directly or indirectly with those of the Company. Nothing in this Section 7.2 shall preclude or in any way

restrict the holders of Shares or Seller Warrants or their Affiliates from investing or participating in any particular enterprise, or trading in the securities thereof, whether or not such enterprise has products or services that compete with those of the Company.

7.3. Directors' and Officers' Insurance. The Company shall purchase, within a reasonable period following the Closing, and maintain for such periods as the Board shall in good faith determine, at its expense, insurance in an amount determined in good faith by the Board to be appropriate, on behalf of any person who after the Closing is or was a director or officer of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including any direct or indirect subsidiary of the Company, against any expense, liability or loss asserted against such Person and incurred by such Person in any such capacity, or arising out of such Person's status as such, subject to customary exclusions. The provisions of this Section 7.3 shall survive any termination of this Agreement.

7.4. Exercise of Rights Under Seller MMT Warrant Agreement. If a majority of the entire Board and the Requisite Stockholder Majority elect to exercise the rights of the Purchaser Entities (as defined in the Seller MMT Warrant Agreement) under Section 23 of the Seller MMT Warrant Agreement to defease the Seller MMT Warrants, then

7.4.1. the aggregate consideration to be paid in the sale transaction referred to in Section 23 of the Seller MMT Warrant Agreement shall be allocated as if the Seller MMT Warrants had been exercised in full immediately prior to the closing of such sale transaction and the amount of consideration to be allocated in respect of the Seller MMT Warrants will be deposited in an escrow account established in accordance with Section 23 of the Seller MMT Warrant Agreement;

7.4.2. if the holders of the Seller MMT Warrants subsequently exercise the MMT Warrants, (i) such holders will pay the exercise price to the escrow agent to be added to the escrow account, (ii) the escrow agent will distribute to such holders the amounts of cash and securities to which they are entitled under the MMT Warrants, and (iii) the escrow agent will distribute the balance of the cash and securities (or the proceeds thereof, if the Required Stockholder Majority, directs that such securities shall be sold prior to such distribution) held in the escrow account in accordance with the allocation of the aggregate consideration (other than the escrowed consideration) paid in the sale transaction (which allocation (A) shall be made in good faith by the Board, whose determination shall be conclusive and binding and (B) shall provide that any options or restricted stock which shall not have become vested or unrestricted at or prior to the closing of such sale transaction shall not receive any portion of such distribution); and

7.4.3. if the Seller MMT Warrants subsequently expire unexercised, the escrow agent will distribute all of the cash and securities (or the proceeds thereof, if the Required

Stockholder Majority, directs that such securities shall be, sold prior to such distribution) held in the escrow account in accordance with the allocation described in clause (iii) of Section 7.4.2.

7.5. Seller Information Rights. In connection with any contemplated exercise of the Seller Warrants, at any Seller's request, the Company will make available to the Sellers the Company's annual budget for the then current fiscal year to the extent available, any available financial projections and the opportunity to have one meeting to discuss such budget and projections with the Company's officers at a mutually agreeable time; provided, however that (i) the Sellers will have the opportunity to exercise their rights under this Section 7.5 in connection with a potential Major Music Transaction (as defined in the MMT Warrant Agreement) and (ii) otherwise no earlier than 6 months following the completion of the Seller's prior exercise of rights under this Section 7.5.

8. REMEDIES.

8.1. Generally. The parties shall have all remedies available at law, in equity or otherwise in the event of any breach or violation of this Agreement or any default hereunder. The parties acknowledge and agree that in the event of any breach of this Agreement, in addition to any other remedies which may be available, each of the parties hereto shall be entitled to specific performance of the obligations of the other parties hereto and, in addition, to such other equitable remedies (including preliminary or temporary relief) as may be appropriate in the circumstances.

8.2. Deposit. Without limiting the generality of Section 8.1, if any holder of Shares fails to deliver to the purchaser thereof the certificate or certificates evidencing Shares to be Sold pursuant to Section 4, such purchaser may, at its option, in addition to all other remedies it may have, deposit the purchase price for such Shares with any national bank or trust company having combined capital, surplus and undivided profits in excess of One Hundred Million Dollars ($100,000,000) (the "Escrow Agent") and the Company or Midco, as the case may be, shall cancel on its books the certificate or certificates representing such Shares and thereupon all of such holder's rights in and to such Shares shall terminate. Thereafter, upon delivery to such purchaser by such holder of the certificate or certificates evidencing such Shares (duly endorsed, or with stock powers duly endorsed, for transfer, with signature guaranteed, free and clear of any liens or encumbrances, and with any transfer tax stamps affixed), such purchaser shall instruct the Escrow Agent to deliver the purchase price (without any interest from the date of the closing to the date of such delivery, any such interest to accrue to such purchaser) to such holder.

9. LEGENDS.

9.1. Restrictive Legend. Each certificate representing Shares shall have the following legend endorsed conspicuously thereupon:

"THE VOTING OF THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE, AND THE SALE, ENCUMBRANCE OR OTHER DISPOSITION THEREOF, ARE SUBJECT TO THE PROVISIONS OF A STOCKHOLDERS

AGREEMENT TO WHICH THE ISSUER AND CERTAIN OF ITS STOCKHOLDERS ARE PARTY, A COPY OF WHICH MAY BE INSPECTED AT THE PRINCIPAL OFFICE OF THE ISSUER OR OBTAINED FROM THE ISSUER WITHOUT CHARGE."

Any Person who acquires Shares which are not subject to all or part of the terms of this Agreement shall have the right to have such legend (or the applicable portion thereof) removed from certificates representing such Shares.

9.2. 1933 Act Legends. Each certificate representing Shares shall have the following legend endorsed conspicuously thereupon:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ISSUED IN A PRIVATE PLACEMENT, WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), AND MAY NOT BE SOLD, ASSIGNED, PLEDGED OR OTHERWISE TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION UNDER THE ACT COVERING THE TRANSFER OR AN OPINION OF COUNSEL, SATISFACTORY TO THE ISSUER, THAT REGISTRATION UNDER THE ACT IS NOT REQUIRED."

9.3. Stop Transfer Instruction. The Company or Midco will instruct any transfer agent not to register the Transfer of any Shares until the conditions specified in the foregoing legends and this Agreement are satisfied.

9.4. Termination of 1933 Act Legend. The requirement imposed by Section 9.2 hereof shall cease and terminate as to any particular Shares (a) when, in the opinion of counsel reasonably acceptable to the Company, such legend is no longer required in order to assure compliance by the Company and Midco with the Securities Act or (b) when such Shares have been effectively registered under the Securities Act or transferred pursuant to Rule 144. Wherever (x) such requirement shall cease and terminate as to any Shares or (y) such Shares shall be transferable under paragraph (k) of Rule 144, the holder thereof shall be entitled to receive from the Company or Midco, as the case may be, without expense, new certificates not bearing the legend set forth in Section 9.2 hereof.

10. AMENDMENT, TERMINATION, ETC.

10.1. Oral Modifications. This Agreement may not be orally amended, modified, extended or terminated, nor shall any oral waiver of any of its terms be effective.

10.2. Written Modifications. This Agreement may be amended, modified, extended or terminated, and the provisions hereof may be waived, only by an agreement in writing signed by the Company, Midco and holders of a Majority in Interest of the Shares; provided, however, that:

(a) the consent of each of the Investor Groups shall be required for any amendment, modification, extension, termination or waiver (an "Amendment") of

the provisions of Section 2, Section 12.8 or this clause (a) of Section 10.2; provided, however, that such consent shall not be required for any Amendment of the provisions of Section 2 adopted with the consent of a majority of the entire Board and the Requisite Stockholder Majority (i) in connection with the consummation of, or at any time following, an Initial Public Offering that has been approved in accordance with Section 2.4, other than an Amendment of the provisions of Section 2.1.2 (excluding Amendments to the extent relating to the Independent Directors), Section 2.1.3, Section 2.1.4 or Section 2.10, or any related provisions of Section 2.2, Section 2.3 or Section 2.8, or (ii) in connection with any transaction described in Section 2.4.5 or 2.4.6 that has been approved in accordance with Section 2.4, to the extent such Amendment does no more than increase the number of directors of the Company and/or extend Board designation rights to any Person related to such transaction other than a member of an Investor Group or its Affiliates;

(b) the consent of each of the Investor Groups shall be required for any Amendment of the provisions of Section 4.1, Section 4.6, any related provisions of Section 3.1.5 or Section 4.3 or this clause (b) of Section 10.2;

(c) the consent of, as applicable, at least (i) three Investor Groups (if a total of four are then parties to this Agreement), (ii) two Investor Groups (if a total of three are then parties to this Agreement) and (iii) all Investor Groups (if a total of less than three are then parties to this Agreement), shall be required for any Amendment to the provisions of Section 5 or this clause (c) of Section 10.2;

(d) the consent of any Investor Group shall be required for any Amendment that discriminates against such Investor Group as such under this Agreement;

(e) the consent of the Requisite Stockholder Majority shall be required for any Amendment that discriminates against the Principal Investor Groups as such under this Agreement;

(f) the consent of the holders of a Majority in Interest of the Seller Warrants shall be required for any Amendment that discriminates against the holders of Warrants or Seller Warrants, as such, or the holders of Shares receivable upon exercise thereof, as such, under this Agreement;

(g) the consent of the holders of a Majority in Interest of the Management Shares shall be required for any Amendment that discriminates against the holders of Management Shares as such under this Agreement;

(h) the consent of the holders of a Majority in Interest of the Other Holder Shares shall be required for any Amendment that discriminates against the holders of Other Holder Shares as such under this Agreement; and

(i) the consent of any party shall be required for any Amendment that discriminates against such party.

Each such Amendment shall be binding upon each party hereto and each holder of Shares, Other Holder Shares or Seller Warrants subject hereto. In addition, each party hereto and each holder of Shares, Other Holder Shares or Seller Warrants subject hereto may waive any right hereunder by an instrument in writing signed by such party or holder. To the extent the Amendment of any Section of this Agreement would require a specific consent pursuant this Section 10.2, any Amendment to the definitions used in such Section shall also require the specified consent.

10.3. Withdrawal from Agreement. At any time following the Initial Public Offering, any holder of Shares or Other Holder Shares (other than a holder of Management Shares) that, together with its Affiliates, holds less than five percent (5%) of the then outstanding shares of Common Stock may elect (on behalf of itself and its Affiliates (collectively, the "Withdrawing Holders")), by written notice to the other parties hereto, to withdraw from this Agreement and thereby terminate this Agreement as to the Withdrawing Holders. From the date of delivery of such withdrawal notice, the Withdrawing Holders shall cease to be parties to this Agreement and shall no longer be subject to the obligations of this Agreement or have rights under this Agreement, and the Shares or Other Holder Shares held by the Withdrawing Holders shall conclusively be deemed thereafter not to be Shares or Other Holder Shares, as the case may be, under this Agreement; provided, however, that such Withdrawing Holders, if they constitute an Investor Group, shall comply with such Investor Group's obligations under Section 2.1.3 to cause the resignation of any Investor Directors designated by such Investor Group; provided, further, that the Withdrawing Holders shall nonetheless be obligated under Section 6.3.4 with respect to any Pending Underwritten Offering to the same extent that they would have been obligated if they had not withdrawn; and provided, further, that the rights and obligations of such Withdrawing Holders under Section 6.4 shall survive such withdrawal.

13.4. Exercise of Rights and Remedies. No delay of or omission in the exercise of any right, power or remedy accruing to any party as a result of any breach or default by any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor shall any such delay, omission nor waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after that waiver.

In consideration of the mutual covenants contained in this Seller Administrative Services Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE I

Definitions

SECTION 1.01. Definitions. Capitalized terms used but not defined herein shall have the respective meanings assigned to them in the Purchase Agreement (as defined herein).

SECTION 1.02. Certain Terms.

"Purchase Agreement" means that Purchase Agreement, dated as of November 24, 2003, between Seller and Purchaser.

"Services" means the services identified on Exhibit A.

"Service Categories" means the categories of Service Items as identified on Exhibit A or otherwise agreed by the parties.

"Service Items" means the individual service items included within the various Service Categories identified on Exhibit A or otherwise agreed by the parties.

SECTION 1.03. Usage Generally; Interpretation. References in this Seller Administrative Services Agreement to any gender include references to all genders. Any term defined in this Seller Administrative Services Agreement in the singular form shall have the correlative meaning in the plural form, and any term defined in this Seller Administrative Services Agreement in the plural form shall have the correlative meaning in the singular form. References in this Seller Administrative Services Agreement to a party or other Person include their respective successors and permitted assigns. The words "include", "includes" and "including" when used in this Seller Administrative Services Agreement shall be deemed to be followed by the phrase "without limitation". Unless the context otherwise requires, references in this Seller Administrative Services Agreement to Articles, Sections and Exhibits shall be deemed references to Articles and Sections of, and Exhibits to, this Seller Administrative Services Agreement. ---

to any particular Article, Section or provision of this Seller Administrative Services Agreement.

ARTICLE II

Services

SECTION 2.01. Agreement to Provide Services. (a) Seller shall provide the Services to the Acquired Companies and in respect of the Acquired Assets as provided herein. Purchaser shall provide input and assistance to Seller in connection with the performance of the Services as reasonably requested by Seller, and shall advise Seller as to the desired manner and nature of the Services to be provided. Seller shall determine the Seller personnel who shall perform the Services. Seller may, at its option, from time to time delegate any of or all its obligations under this Seller Administrative Services Agreement to any one or more of its Affiliates. In addition, Seller may, as it deems necessary or desirable, engage the services of other professionals and consultants in connection with the performance of the Services; provided, that the Purchaser consents in writing to such engagement, which consent shall not be unreasonably withheld; and provided further Seller shall remain directly and fully liable to Purchaser for the performance of its obligations hereunder notwithstanding the engagement of any such professionals or consultants. During the term of this Seller Administrative Services Agreement, Seller shall use its reasonable efforts to make its corporate resources available as reasonably requested by Purchaser and the Acquired Companies in connection with the transition and integration of the Acquired Companies and the Acquired Assets, during normal business hours, provided, that the provision of such corporate resources does not interfere with the conduct of business of Seller and does not result in any cost to Seller.

(b) Unless otherwise agreed by the parties, the Services shall be:

(i) performed by Seller in a reasonably prompt and professional manner that is substantially the same manner in which Seller currently provides similar services for the Acquired Companies or in respect of the Acquired Assets, as the case may be; and

(ii) used by the Acquired Companies or the entities holding the Acquired Assets, as the case may be, for substantially the same purpose and in substantially the same manner as the Acquired Companies and the entities holding the Acquired Assets currently use similar such services.

(c) Notwithstanding anything herein to the contrary, this Seller Administrative Services Agreement is not intended to amend, replace or otherwise affect in any manner any existing contractual relationships between Seller and its Subsidiaries, on the one hand, and Purchaser and the Acquired Companies, on the other hand.

SECTION 2.02. Change Orders. (a) Service Additions. Exhibit A may be amended at any time by the mutual written agreement of the parties to add additional Services.

(b) Service Deletions. Upon prior written notice (a "Service Deletion Notice") delivered to Seller not less than the requisite number of days prior to termination as specified in Exhibit A, Purchaser may:

(i) terminate this Seller Administrative Services Agreement with respect to any Service Category; or

(ii) terminate this Seller Administrative Services Agreement with respect to any individual Service Item included in the Services, so long as the other remaining Service Items in the relevant Service Category can thereafter still be practicably provided by Seller pursuant to this Seller Administrative Services Agreement. If Seller reasonably determines that it cannot thereafter practicably provide the other Service Items in the relevant Service Category, then Seller shall so notify Purchaser within 30 days after Seller's receipt of the relevant Service Deletion Notice and such termination with respect to such Service Item shall not take effect.

(c) Termination by Seller. Except as otherwise provided in Exhibit A, upon not less than 180 days' prior written notice to Purchaser, Seller may terminate this Seller Administrative Services Agreement with respect to any Service Category included in the Services if Seller and its Affiliates cease to provide such Service Category to Seller's Subsidiaries, divisions and business units. Notwithstanding the foregoing provision, Services under Human Resources and Benefits and Treasury as described on Exhibit A shall not be terminated until the respective Default Termination Date.

(d) Return of Books and Records. Upon the request of Purchaser after the termination of a Service with respect to which Seller holds books, records or files, including current and archived copies of computer files, (i) owned by Purchaser or its Affiliates and used by Seller in connection with the provision of a Service to the Acquired Companies or in respect of the Acquired Assets, or (ii) created by Seller and in Seller's possession as a function of and relating to provision of Services to the Acquired Companies or in respect of the Acquired Assets, such books and records shall be returned to Purchaser. The Acquired Companies shall be entitled to retain and use any such materials. Seller shall return all such books, records or files as soon as reasonably practicable. Purchaser shall bear Seller's costs and expenses associated with the return of such documents. At its expense, Seller may make a copy of such books, records or files for its legal files.

SECTION 2.03. No Management Authority. Notwithstanding any other provision hereof, Seller shall not be authorized by, and shall have no responsibility under, this Seller Administrative Services Agreement to manage the affairs of the Acquired Companies.

ARTICLE III

Compensation

SECTION 3.01. Compensation for Services. As compensation for Services rendered pursuant to this Seller Administrative Services Agreement, Purchaser shall pay to Seller an amount equal to the Cost of Services as specified in Exhibit A for each Service Category.

SECTION 3.02. Adjustments to Cost of Services. (a) Adjustments Due to Service Additions or Deletions. If at any time the parties mutually agree to add any Service Categories or Service Items to the Services to be provided to the Acquired Companies or in respect of the Acquired Assets hereunder, then concurrently with the addition of such Service Item or Service Category, as the case may be, the parties shall work in good faith to agree upon the then-current Cost of Services as appropriate to reflect such addition. If at any time this Seller Administrative Services Agreement is terminated with respect to any Service Item in accordance with Section 2.02, then not less than 30 days prior to such termination, Seller and Purchaser shall work in good faith to mutually agree upon an appropriate decrease, if any, to the then-current Cost of Services.

(b) Adjustments Due to Variances in Usage of Services. If, at any time, usage of any Service Category varies materially from the projected patterns of usage employed by the parties to determine the then-applicable Cost of Services with respect to such Service Category, then either Purchaser or Seller, by written notice (a "Cost Adjustment Request") to the other, may trigger a review of the then-applicable Cost of Services attributable to such Service Category. Within 45 days after any Cost Adjustment Request, Seller and Purchaser shall agree upon an appropriate adjustment, if any, to the Cost of Services applicable to such Service Category so that such Cost of Services shall more appropriately reflect the actual direct cost to Seller of providing Services within such Service Category at then-current usage rates.

SECTION 3.03. Payment Terms. (a) Seller shall bill Purchaser at the end of each month for an amount equal to the sum of the Cost of Services for that month. Purchaser shall pay such amount in full within 45 days after receipt of invoice. Each invoice shall set forth in reasonable detail the calculation of the charges and amounts upon which the sum of the Cost of Services is comprised, broken down by the Cost of Services for each Service during the month to which such invoice relates. Other remedies for non-payment notwithstanding, if any payment is not received by Seller on or before the

date such amount is due, then a late payment interest charge, calculated at a 6% per annum rate, on the past amount due shall become immediately due and payable in addition to the amount owed under this Seller Administrative Services Agreement. If at any time this Seller Administrative Services Agreement is terminated with respect to any Service Item in accordance with Section 2.02, then not more than 45 days after such termination, Seller shall return to Purchaser any amounts prepaid by Purchaser to Seller in respect of the days in the month during which the effectiveness of the termination occurred which fall after such termination.

(b) If Purchaser has any objection to the amount of the invoice, it shall have the right to inspect Seller's records with respect thereto. Following such inspection, the parties shall endeavor in good faith to resolve any disagreement with respect to charges and costs hereunder. Thereafter, Purchaser will be entitled to a prompt refund of any amounts paid in excess of the amounts required hereunder, and Seller shall promptly pay any deficiency amounts (with interest at 6% per annum) found to be due as a result of such inspection.

SECTION 3.04. Disclaimer of Warranty. EXCEPT AS EXPRESSLY SET FORTH IN THIS SELLER ADMINISTRATIVE SERVICES AGREEMENT, THE SERVICES TO BE PURCHASED UNDER THIS SELLER ADMINISTRATIVE SERVICES AGREEMENT ARE FURNISHED WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNEES FOR ANY PARTICULAR PURPOSE. SELLER DOES NOT MAKE ANY WARRANTY THAT ANY SERVICE COMPLIES WITH ANY LAW, DOMESTIC OR FOREIGN.

SECTION 3.05. Books and Records. Seller shall maintain complete and accurate books of account as necessary to support its calculations of the Cost of Services and shall make such books available to Purchaser, upon reasonable notice, during normal business hours; provided, however, that to the extent Seller's books contain information relating to any other aspect of Seller's business, Seller and Purchaser shall negotiate a procedure to provide Purchaser the necessary access while preserving the confidentiality of such other records. In performing the Services, Seller shall be entitled to assume that all books and records provided by Purchaser or the Acquired Companies are true and accurate.

ARTICLE IV

Term

SECTION 4.01. Commencement. This Seller Administrative Services Agreement is effective as of the Closing Date and shall remain in effect with respect to a particular Service until the Default Termination date as specified in Exhibit A unless and until terminated in accordance with Section 4.02.

SECTION 4.02. Termination. This Seller Administrative Services Agreement may be terminated as follows:

(a) By Purchaser. With respect to any Service Category, at any time upon prior written notice to Seller as provided in Exhibit A.

(b) By Either Party. If either party materially breaches any of its obligations under this Seller Administrative Services Agreement, the non-breaching party may terminate this Seller Administrative Services Agreement, including the provision of Services pursuant hereto, effective at any time upon not less than 30 days written notice of termination to the breaching party, provided said breaching party does not cure such

default within 30 days after receiving written notice thereof from the non-breaching party.

In the event of any termination of this Seller Administrative Services Agreement, each party shall remain liable for all obligations of such party accrued hereunder prior to the date of such termination, including all obligations of Purchaser to pay any amounts due to Seller hereunder.

ARTICLE V

Indemnification; Limitation of Liability

SECTION 5.01. Indemnification by Purchaser. Purchaser shall indemnify and hold harmless Seller, its Affiliates, partners, officers, employees, agents and permitted assigns (each, a "Seller Party" and, together, the "Seller Parties") from and against any and all losses, liabilities, claims, litigation, damages, penalties, actions, demands or expenses, including the reasonable fees and expenses of counsel (collectively, "Losses") incurred by Seller and arising out of, in connection with or by reason of this Seller Administrative Services Agreement or any Services provided by Seller hereunder, except to the extent such Losses arise out of Seller's material breach under this Seller Administrative Services Agreement or Seller's gross negligence or willful misconduct.

SECTION 5.02. Limitation on Liability; Indemnification by Seller. (a) No Seller Party shall be liable (whether such liability is direct or indirect, in contract or tort or otherwise) to Purchaser or any of its Affiliates, partners, officers employees, agents, auditors or permitted assigns, for any Losses arising out of, related to, or in connection with the Services or this Seller Administrative Services Agreement, except to the extent that such Losses arise out of Seller's material breach under this Seller Administrative Services Agreement or Seller's gross negligence or willful misconduct.

(b) Seller shall indemnify and hold harmless Purchaser, its Affiliates, partners, officers, employees, agents and permitted assigns (each an "Purchaser Party") from and against any and all Losses incurred by such Purchaser Party and arising out of, in connection with or by reason of this Seller Administrative Services Agreement or any Services provided by Seller hereunder, which arise out of Seller's material breach of this Seller Administrative Services Agreement or Seller's gross negligence or willful misconduct.

(c) IN NO EVENT SHALL ANY SELLER PARTY BE LIABLE WHETHER IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE TO ANY PURCHASER PARTY FOR ANY CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF

PROFITS) AS A RESULT OF ANY BREACH, PERFORMANCE OR NON-PERFORMANCE BY ANY SELLER PARTY OF THIS SELLER ADMINISTRATIVE SERVICES AGREEMENT.

(d) The provisions of this Article V shall survive indefinitely, notwithstanding any termination of all or any portion of this Seller Administrative Services Agreement.

ARTICLE VI

Other Covenants

SECTION 6.01. Attorney-in-Fact. On a case-by-case basis, Purchaser shall execute documents necessary to appoint Seller as its attorney-in-fact for the sole purpose of executing any and all documents and instruments reasonably required to be executed in connection with the performance by Seller of any Service under this Seller Administrative Services Agreement.

ARTICLE VII

Purchaser acknowledges that it will acquire no right, title or interest (including any license rights or rights of use) in any firmware or software, and the licenses therefor that are owned by Seller or its Affiliates, by reason of their provision of the Services provided hereunder. Seller agrees that all records, data, files, input materials and other information received or computed that relate to Purchaser or its Affiliates are the property of Purchaser or its Affiliates, respectively.

Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. SECTION 7.04. Governing Law. (b) Other than as specified in Article V, there are not any intended third-party beneficiaries of any provision of this Seller Administrative Services Agreement.

SECTION 7.06. Severability. If any term, provision, covenant, restriction or other condition of this Seller Administrative Services Agreement is held by a court of competent jurisdiction or other authority to be invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other terms, provisions, covenants, restrictions and conditions of this Seller Administrative Services Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either party. Upon such a determination, the parties shall negotiate in good faith to modify this Seller Administrative Services Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are consummated to the extent possible.

SECTION 7.07. Confidentiality. Except as otherwise required under applicable law, each party agrees that it and its respective Affiliates will maintain as confidential, and not use, any and all information provided by either party to the other or otherwise obtained by such party in connection with or as a result of this Seller Administrative Services Agreement. Nothing contained in this Section shall limit or affect in any way obligations of the parties to maintain the confidentiality of information pursuant to the Purchase Agreement. Notwithstanding anything herein to the contrary, each party to this Seller Administrative Services Agreement (and any employee, representative or other agent of such party) may disclose to any and all persons, without limitation of any kind, the U.S. federal income tax treatment and the U.S. federal income tax structure of the transactions contemplated by this Seller Administrative Services Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure. However, no such party shall disclose any information relating to such tax treatment or tax structure to the extent nondisclosure is reasonably necessary in order to comply with applicable securities laws.

SECTION 7.08. Counterparts. This Seller Administrative Services Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

SECTION 7.09. Independent Contractors. No agency, partnership or joint venture is established by this Seller Administrative Services Agreement. Neither party shall enter into, incur liabilities or hold itself out to third parties as having the authority to enter into and incur any contractual obligations, expenses, or liabilities on behalf of the other party.

SECTION 7.10. Assignment. Other than as provided in Section 2.01, neither this Seller Administrative Services Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise by either party without the prior written consent of the other party.

Notwithstanding the foregoing, Purchaser may assign all or a portion of its rights hereunder to one or more of its Subsidiaries, provided that no such assignment shall relieve Purchaser of any obligations hereunder. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Seller Administrative Services Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

SECTION 7.11. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS SELLER ADMINISTRATIVE SERVICES AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Services

SECTION 2.01. Agreement to Provide Services. (a) Purchaser shall provide the Services to Seller as provided herein. Seller shall provide input and assistance to Purchaser in connection with the performance of the Services as reasonably requested by Purchaser, and shall advise Purchaser as to the desired manner and nature of the Services to be provided. Purchaser shall determine the Purchaser personnel who shall perform the Services. Purchaser may, at its option, from time to time delegate any of or all its obligations under this Purchaser Administrative Services Agreement to any one or more of its Affiliates. In addition, Purchaser may, as it deems necessary or desirable, engage the services of other professionals and consultants in connection with the performance of the Services; provided, that Seller consents in writing to such engagement, which consent shall not be unreasonably withheld; and provided

further that Purchaser shall remain directly and fully liable to Seller for the performance of its obligations hereunder notwithstanding the engagement of any such professionals or consultants.

(b) Unless otherwise agreed by the parties, the Services shall be performed by Purchaser in a reasonably prompt and professional manner that is substantially the same manner in which Purchaser currently provides similar services for its Affiliates.

(c) Notwithstanding anything herein to the contrary, this Purchaser Administrative Services Agreement is not intended to amend, replace or otherwise affect in any manner any existing contractual relationships between Seller and its Subsidiaries, on the one hand, and Purchaser and the Acquired Companies, on the other hand.

SECTION 2.02. Change Orders. (a) Service Additions. Exhibit A may be amended at any time by the mutual written agreement of the parties to add additional Services.

(b) Service Deletions. Upon prior written notice (a "Service Deletion Notice") delivered to Purchaser not less than the requisite number of days prior to termination as specified in Exhibit A, Seller may:

(i) terminate this Purchaser Administrative Services Agreement with respect to any Service Category; or

(ii) terminate this Purchaser Administrative Services Agreement with respect to any individual Service Item included in the Services, so long as the other remaining Service Items in the relevant Service Category can thereafter still be practicably provided by Purchaser pursuant to this Purchaser Administrative

Services Agreement. If Purchaser reasonably determines that it cannot thereafter practicably provide the other Service Items in the relevant Service Category, then Purchaser shall so notify Seller within 30 days after Purchaser's receipt of the relevant Service Deletion Notice and such termination with respect to such Service Item shall not take effect.

(c) Termination by Purchaser. Except as otherwise provided in Exhibit A, upon not less than 180 days' prior written notice to Seller, Purchaser may terminate this Purchaser Administrative Services Agreement with respect to any Service Category included in the Services if Purchaser and its Affiliates cease to provide such Service Category to Purchaser's Subsidiaries, divisions and business units. Notwithstanding the foregoing provision, Services under Financial and Accounting Advisory Services and Information Technology Services as described on Exhibit A shall not be terminated until the respective Default Termination Date.

(d) Return of Books and Records. Upon the request of Seller after the termination of a Service with respect to which Purchaser holds books, records or files, including current and archived copies of computer files, (i) owned by Seller or its Affiliates and used by Purchaser in connection with the provision of a Service to Seller or (ii) created by Purchaser and in Purchaser's possession as a function of and relating to the provision of Services to Seller, such books and records shall be returned to Seller. Seller shall be entitled to retain and use any such materials. Purchaser shall return all of such books, records or files as soon as reasonably practicable. Seller shall bear Purchaser costs and expenses associated with the return of such documents. At its expense, Purchaser may make a copy of such books, records or files for its legal files.

SECTION 2.03. No Management Authority. Notwithstanding any other provision hereof, Purchaser shall not be authorized by, and shall have no responsibility under, this Purchaser Administrative Services Agreement to manage the affairs of the Seller.

ARTICLE III

Compensation

SECTION 3.01. Compensation for Services. As compensation for Services rendered pursuant to this Purchaser Administrative Services Agreement, Seller shall pay to Purchaser an amount equal to the Cost of Services as specified in Exhibit A for each Service Category.

SECTION 3.02. Adjustments to Cost of Services. (a) Adjustments Due to Service Additions or Deletions. If at any time the parties mutually agree to add any Service Categories or Service Items to the Services to be provided to Seller hereunder, then concurrently with the addition of such Service Item or Service Category, as the case may be, the parties shall work in good faith to agree upon the then-current Cost of Services as appropriate to reflect such addition. If at any time this Purchaser Administrative Services Agreement is terminated with respect to any Service Item in

accordance with Section 2.02, then not less than 30 days prior to such termination, Purchaser and Seller shall work in good faith to mutually agree upon an appropriate decrease, if any, to the then-current Cost of Services.

(b) Adjustments Due to Variances in Usage of Services. If, at any time, usage of any Service Category varies materially from the projected patterns of usage employed by the parties to determine the then-applicable Cost of Services with respect to such Service Category, then either Seller or Purchaser, by written notice (a "Cost Adjustment Request") to the other, may trigger a review of the then-applicable Cost of Services attributable to such Service Category. Within 45 days after any Cost Adjustment Request, Purchaser and Seller shall agree upon an appropriate adjustment, if any, to the Cost of Services applicable to such Service Category so that such Cost of Services shall more appropriately reflect the actual direct cost to Purchaser of providing Services within such Service Category at then-current usage rates.

SECTION 3.03. Payment Terms. (a) Purchaser shall bill Seller at the end of each month for an amount equal to the sum of the Cost of Services for that month. Seller shall pay such amount in full within 45 days after receipt of invoice. Each invoice shall set forth in reasonable detail the calculation of the charges and amounts upon which the sum of the Cost of Services is comprised, broken down by the Cost of Services for each Service during the month to which such invoice relates. Other remedies for non-payment notwithstanding, if any payment is not received by Purchaser on or before

the date such amount is due, then a late payment interest charge, calculated at a 6% per annum rate, on the past amount due shall become immediately due and payable in addition to the amount owed under this Purchaser Administrative Services Agreement. If at any time this Purchaser Administrative Services Agreement is terminated with respect to any Service Item in accordance with Section 2.02, then not more than 30 days after such termination, Purchaser shall return to Seller any amounts prepaid by Seller to Purchaser in respect of the days in the month during which the effectiveness of the termination occurred which fall after such termination.

(b) If Seller has any objection to the amount of any invoice, it shall have the right to inspect Purchaser's records with respect thereto. Following such inspection, the parties shall endeavor in good faith to resolve any disagreement with respect to charges and costs hereunder. Thereafter, Seller will be entitled to a prompt refund of any amounts paid in excess of the amounts required hereunder, and Purchaser shall promptly pay any deficiency amounts (with interest at 6% per annum) found to be due as a result of such inspection.

SECTION 3.04. Disclaimer of Warranty. EXCEPT AS EXPRESSLY SET FORTH IN THIS PURCHASER ADMINISTRATIVE SERVICES AGREEMENT, THE SERVICES TO BE PURCHASED UNDER THIS PURCHASER ADMINISTRATIVE SERVICES AGREEMENT ARE FURNISHED WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. PURCHASER DOES NOT MAKE ANY WARRANTY THAT ANY SERVICE COMPLIES WITH ANY LAW, DOMESTIC OR FOREIGN.

SECTION 3.05. Books and Records. Purchaser shall maintain complete and accurate books of account as necessary to support its calculations of the Cost of Services and shall make such books available to Seller, upon reasonable notice, during normal business hours; provided, however, that to the extent Purchaser's books contain information relating to any other aspect of Purchaser's business, Seller and Purchaser shall negotiate a procedure to provide Seller the necessary access while preserving the confidentiality of such other records. In performing the Services, Purchaser shall be entitled to assume that all books and records provided by Seller are true and accurate.

ARTICLE IV

Term

SECTION 4.01. Commencement. This Purchaser Administrative Services Agreement is effective as of the Closing Date and shall remain in effect with respect to a particular Service until the Default Termination Date as specified in Exhibit A unless and until terminated in accordance with Section 4.02.

SECTION 4.02. Termination. This Purchaser Administrative Services Agreement may be terminated as follows:

(a) By Seller. With respect to any Service Category, at any time upon prior written notice to Purchaser as provided in Exhibit A.

(b) By Either Party. If either party materially breaches any of its obligations under this Purchaser Administrative Services Agreement, the non-breaching party may terminate this Purchaser Administrative Services Agreement, including the provision of Services pursuant hereto, effective at any time upon not less than 30 days written notice of termination to the breaching party, provided said breaching party does not cure such default within 30 days after receiving written notice thereof from the non-breaching party.

In the event of any termination of this Purchaser Administrative Services Agreement, each party shall remain liable for all obligations of such party accrued hereunder prior to the date of such termination, including all obligations of Seller to pay any amounts due to Purchaser hereunder.

ARTICLE V

Indemnification: Limitation of Liability

Seller shall indemnify and hold harmless Purchaser, its Affiliates, partners, officers, employees, agents and permitted assigns (each, a "Purchaser Party" and, together, the "Purchaser Parties") from and against any and all losses, liabilities, claims, litigation, damages, penalties, actions, demands or expenses, including the reasonable fees and expenses of counsel (collectively, "Losses") incurred by Purchaser and arising out of, in connection with or

(b) Purchaser shall indemnify and hold harmless Seller, its Affiliates, partners, officers, employees, agents and permitted assigns (each, an "Seller Party") from and against any and all Losses incurred by such Seller Party and arising out of, in connection with or by reason of this Purchaser Administrative Services Agreement or any Services provided by Purchaser hereunder, which arise out of Purchaser's material breach of this Purchaser Administrative Services Agreement or Purchaser's gross negligence or willful misconduct.

(c) IN NO EVENT SHALL ANY PURCHASER PARTY BE LIABLE WHETHER IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE TO ANY SELLER PARTY FOR ANY CONSEQUENTIAL DAMAGES (INCLUDING

LOSS OF PROFITS) AS A RESULT OF ANY BREACH, PERFORMANCE OR NON-PERFORMANCE BY ANY PURCHASER PARTY OF THIS PURCHASER ADMINISTRATIVE SERVICES AGREEMENT.

Services Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Upon such a determination, the parties shall negotiate in good faith to modify this Purchaser Administrative Services Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are consummated to the extent possible.

SECTION 7.07. Confidentiality. Except as otherwise required under applicable law, each party agrees that it and its respective Affiliates will maintain as confidential, and not use, any and all information provided by either party to the other or otherwise obtained by such party in connection with or as a result of this Purchaser Administrative Services Agreement. Nothing contained in this Section shall limit or affect in any way obligations of the parties to maintain the confidentiality of information pursuant to the Purchase Agreement. Notwithstanding anything herein to the contrary, each party to this Purchaser Administrative Services Agreement (and any employee, representative or other agent of such party) may disclose to any and all persons, without limitation of any kind, the U.S. federal income tax treatment and the U.S. federal income tax structure of the transactions contemplated by this Purchaser Administrative Services Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure. However, no such party shall disclose any information relating to such tax treatment or tax structure to the extent nondisclosure is reasonably necessary in order to comply with applicable securities laws.

SECTION 7.08. Counterparts. This Purchaser Administrative Services Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Other than as provided in Section 2.01, neither this Purchaser Administrative Services Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise by either party without the prior written consent of the other party. Notwithstanding the foregoing, Seller may assign all or a portion of its rights hereunder to one or more of its Subsidiaries, provided that no such assignment shall relieve Seller of any obligations hereunder. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Purchaser Administrative Services Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Services. Each of the Managers hereby agrees that, during the term of this Agreement (the "Term"), it will provide the following consulting and management advisory services to the Company, Holdings and Parent as requested from time to time by the Boards of Directors of the Company, Holdings and Parent:

(a) advice in connection with the negotiation and consummation of agreements, contracts, documents and instruments necessary to provide the Company with financing on terms and conditions satisfactory to the Company, Holdings and Parent;

(b) financial, managerial and operational advice in connection with the Company's day-to-day operations, including, without limitation, advice with respect to the development and implementation of strategies for improving the operating, marketing and financial performance of the Company; and

(c) such other services (which may include financial and strategic planning and analysis, consulting services, human resources and executive recruitment services and other services) as such Manager, the Company, Holdings and Parent may from time to time agree in writing.

Each of the Managers shall devote such time and efforts to the performance of services contemplated hereby as such Manager deems reasonably necessary or appropriate; *provided*, *however*, that no minimum number of hours is required to be devoted by THL, Bain, Providence or Music on a weekly, monthly, annual or other basis. The Company, Holdings and Parent acknowledge that each of the Manager's services are not exclusive to the Company, to Holdings and to Parent and that each Manager will render similar services to other persons and entities. In providing services to the Company, Holdings and Parent, each Manager will act as an independent contractor and it is expressly understood and agreed that this Agreement is not intended to create, and does not create, any partnership, agency, joint venture or similar relationship and that no party has the right or ability to contract for or on behalf of any other party or to effect any transaction for the account of any other party.

2. Payment of Fees.

(a) Parent will pay (or will cause Holdings or the Company to pay) to the Managers (or such affiliates as they may respectively designate) an aggregate transaction fee (the "Transaction Fee") in the amount of $75,000,000 in connection with services related to the Acquisition, such fee being payable at the closing of the Acquisition. The Transaction Fee shall be divided among the Managers as follows:

THL	$	39,300,000

Bain	$	16,800,000
Music	$	9,900,000
Providence	$	9,000,000

(b) During the Term, Parent, Holdings and the Company, jointly and severally, will pay to the Managers (or such affiliates as they may respectively designate) an aggregate annual periodic fee (the "Periodic Fee") of $10,000,000 in exchange for the ongoing services provided by the Managers under this Agreement, such fee being payable by the Company quarterly in advance; provided, however, that the Periodic Fee for the first four quarters following execution of this Agreement shall be paid in advance at the closing of the Acquisition. The Periodic Fee shall be divided among the Managers pro rata in proportion to the amount of Investor Shares held at the time by the investment funds

affiliated with each Manager (*provided* that, for purposes of this Agreement, Music Capital Partners, L.P. and ALP Music Partners, L.P. and their respective Permitted Transferees (as defined in that certain Stockholders Agreement dated as of the date hereof among Parent, Holdings, the Company and the other parties thereto) shall be deemed to be investment funds affiliated with Music). In this Agreement, the term "Investor Shares" means at any time all shares of capital stock of Parent and Holdings (and any successor or survivor to Parent or Holdings).

(c) During the Term, the Managers will advise Parent, Holdings and the Company in connection with financing, acquisition and disposition transactions involving Parent, Holdings, the Company or any of the Company's direct or indirect subsidiaries (however structured), and Parent, Holdings and the Company, jointly and severally, will pay to the Managers (or such affiliates as they may respectively designate) an aggregate fee (the "Subsequent Fee") in connection with each such transaction equal to 1% of the gross transaction value of such transaction, such fee to be due and payable for the foregoing services at the closing of such transaction. Each Subsequent Fee shall be divided among the Managers pro rata in proportion to the amount of Investor Shares held at the time by the investment funds affiliated with each Manager.

(d) Each payment made pursuant to this Section 2 shall be paid by wire transfer of immediately available federal funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as the Managers may specify to the Company in writing prior to such payment.

3. Term. This Agreement shall continue in full force and effect until December 30, 2014; *provided, however*, that the Managers may cause this Agreement to terminate at any time upon the agreement of (i) Managers affiliated with a majority of the Investor Shares then outstanding and (ii) two out of three of THL, Bain and Providence, including the Manager that, at any such time as between these three Managers, is affiliated with the greatest number of Investor Shares. In the event of the termination of this Agreement, Parent, Holdings and the Company, jointly and severally, shall pay each of THL, Bain, Providence and Music (i) all unpaid Periodic Fees (pursuant to Section 2(b) above), Subsequent Fees (pursuant to Section 2(c) above) and expenses (pursuant to Section 4(a) below) due with respect to periods prior to the date of termination plus (ii) the net present value (using a discount rate equal to the then yield on U.S. Treasury Securities of like maturity) of the Periodic Fees that would have been payable with respect to the period from the date of termination until December 30, 2014.

4. Expenses: Indemnification.

(a) Expenses. The Company, Holdings and Parent, jointly and severally, will pay on demand all reasonable expenses incurred by any of the Managers or their affiliates (i) in connection with this Agreement, the Acquisition (whether or not consummated) or any related transactions, (ii) relating to operations of, or services provided by the Managers to, the Company, Holdings, Parent or any of their affiliates from time to time (including, without limitation, all air travel (by first class on a commercial airline or by charter, as determined to be appropriate by the Manager) and other travel related expenses) or (iii) otherwise in any way relating to the Company, Holdings or Parent or in any way relating

to, or arising out of, the Equity Investments or the ownership thereof by affiliates of the Managers. Without limiting the generality of the foregoing, the Company, Holdings and Parent, jointly and severally, agree to pay on demand all reasonable expenses incurred by any of the Managers or their affiliates in connection with, or relating to, (x) the preparation, negotiation and execution of this Agreement and any other agreement executed in connection with, or related to, this Agreement, the Acquisition, the Senior Financing, the Bridge Financing, the Equity Investments or the consummation of the transactions contemplated hereby or thereby, (y) any and all amendments, modifications, restructurings and waivers of, and exercises and preservations of rights and remedies relating to, any of the foregoing or (z) the Equity Investments or the provision of services under this Agreement. The expenses referred to in clause (x) of the immediately preceding sentence shall specifically include the fees and charges of (A) Simpson Thacher & Bartlett LLP, (B) Ropes & Gray, (C) Paul, Weiss, Rifkind, Wharton & Garrison LLP, (D) Edwards & Angell LLP, (E) KPMG LLP and (F) any other consultants or advisors retained by the Managers with the agreement of all Managers in connection with such transactions.

(b) Indemnity and Liability. The Company, Holdings and Parent, jointly and severally, will indemnify, exonerate and hold each Manager and each of its partners, shareholders, members, affiliates, directors, officers, fiduciaries, managers, employees, and agents and each of the partners, shareholders, Affiliates, directors, officers, fiduciaries, managers, members, controlling Persons, employees and agents of each of the foregoing (collectively, the "Indemnitees") free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages, claims, costs and expenses (including reasonable attorneys' fees and expenses), awards or settlements incurred by an Indemnitee (a "Loss") before or after the date of this Agreement and arising out of, resulting from, or relating to: (i) this Agreement, the Acquisition, the Equity Investments or the ownership thereof by the Indemnitee or its affiliate or other related person or any related transactions purchase and/or ownership of any Investor Shares or (ii) operations of, or services provided by any of the Managers to, the Company, Holdings or Parent or any of their respective affiliates (including but not limited to any indemnification obligations assumed or incurred by any Indemnitee to or on behalf of the Seller or any of its accountants or other representatives, agents or affiliates); *provided* that the foregoing indemnification rights shall not be available to the extent that (a) any such Losses are incurred as a result of such Indemnitee's willful misconduct or gross negligence or (b) subject to the rights of contribution provided for below, to the extent indemnification for any Losses would violate any applicable law, regulation or public policy. For purposes of this Section 4(b), none of the circumstances described in the limitations contained in the proviso in the immediately preceding sentence shall be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Indemnitee as to any previously advanced indemnity payments made by the Company, Holdings or Parent under this Section 4(b), then such payments shall be promptly repaid by such Indemnitee to the Company, Holdings or Parent, as applicable.

The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law

or regulation. If the indemnification provided for above is unavailable in respect of any Losses, then the Company, Holdings and Parent, in lieu of indemnifying an Indemnitee, shall contribute to the amount paid or payable by such Indemnitee in such proportion as is appropriate to reflect the relative fault of the Company, Holdings, Parent and their direct and indirect subsidiaries, on the one hand, and such Indemnitee, on the other hand, in connection with the actions which resulted in such Losses, as well as any other equitable considerations. None of the Indemnitees shall be liable to the Company or any of its affiliates for any act or omission suffered or taken by such Indemnitee that does not constitute either breach of this Agreement or gross negligence or willful misconduct.

5. Disclaimer and Limitation of Liability; Opportunities.

(a) Disclaimer; Standard of Care. None of the Managers make any representations or warranties, express or implied, in respect of the services to be provided by them hereunder. In no event shall any of the Managers be liable to the Company, Holdings, Parent or any of their affiliates for any act, alleged act, omission or alleged omission that does not constitute gross negligence or willful misconduct of such Manager as determined by a final, non-appealable determination of a court of competent jurisdiction.

(b) Freedom to Pursue Opportunities. In recognition that each Manager and its respective affiliates currently have, and will in the future have or will consider acquiring, investments in numerous companies with respect to which each Manager or its respective affiliates may serve as an advisor, a director or in some other capacity, and in recognition that each Manager and its respective affiliates has myriad duties to various investors and partners, and in anticipation that the Company, Holdings and Parent, on the one hand, and each of the Managers (or one or more affiliates, associated investment funds or portfolio companies), on the other hand, may engage in the same or similar activities or lines of business and have an interest in the same areas of corporate opportunities, and in recognition of the benefits to be derived by the Company, Holdings and Parent hereunder and in recognition of the difficulties which may confront any advisor who desires and endeavors fully to satisfy such advisor's duties in determining the full scope of such duties in any particular situation, the provisions of this Section 5(b) are set forth to regulate, define and guide the conduct of certain affairs of the Company, Holdings and Parent as they may involve such Manager. Except as each of the Managers may otherwise agree in writing after the date hereof:

(i) Each Manager and its respective affiliates shall have the right: (A) to directly or indirectly engage in any business (including, without limitation, any business activities or lines of business that are the same as or similar to those pursued by, or competitive with, the Company and its subsidiaries, (B) to directly or indirectly do business with any client or customer of the Company or any of its subsidiaries, (C) to take any other action that such Manager believes in good faith is necessary to or appropriate to fulfill its obligations as described in the first sentence of this Section 5(b), and (D) not to present potential transactions, matters or business opportunities to Parent, Holdings the Company or any of their

subsidiaries, and to pursue, directly or indirectly, any such opportunity for itself, and to direct any such opportunity to another person.

(ii) Each Manager and its respective partners, shareholders, members, affiliates, directors, officers, fiduciaries, managers, employees, agents and other associated entities shall have no duty (contractual or otherwise) to communicate or present any corporate opportunities to the Company, Holdings or Parent or any of their affiliates or to refrain from any actions specified in Section 5(b)(i), and the Company, Holdings and Parent, on their own behalf and on behalf of their affiliates, hereby renounce and waive any right to require such Manager or any of its affiliates to act in a manner inconsistent with the provisions of this Section 5(b).

(iii) None of the Managers, nor any partner, shareholder, member, affiliate, director, officer, fiduciary, manager, employee, agent or associated entity thereof shall be liable to the Company, Holdings, Parent or any of their affiliates for breach of any duty (contractual or otherwise) by reason of any activities or omissions of the types referred to in this Section 5(b) or of any such person's participation therein.

(c) Limitation of Liability. In no event will any of the Managers or any of their affiliates be liable to Parent, Holdings or the Company or any of their affiliates or either of the other Managers or their affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to the services to be provided by the Managers hereunder.

6. Assignment, etc. Except as provided below, none of the parties hereto shall have the right to assign this Agreement without the prior written consent of each of the other parties hereto. Notwithstanding the foregoing, any Manager may assign all or part of its rights and obligations hereunder to any of its respective affiliates which provides services similar to those called for by this Agreement, in which event such Manager shall be released of all of its rights and obligations hereunder.

7. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement shall be effective unless in writing and executed by each of the Managers, Parent, Holdings and the Company. No waiver on any one occasion shall extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person nor any delay or omission in exercising any right or remedy shall constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

8. Miscellaneous.

(a) Choice of Law. This Agreement and all matters arising under or related to this Agreement shall be governed by and construed in accordance with the domestic substantive laws of the State of Delaware without giving effect to any choice or conflict

of law provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

(b) Consent to Jurisdiction. Each of the parties agrees that all actions, suits or proceedings arising out of, based upon or relating to this Agreement or the subject matter hereof shall be brought and maintained exclusively in the federal and state courts of the State of Delaware. Each of the parties hereto by execution hereof (i) hereby irrevocably submits to the jurisdiction of the federal and state courts in the State of Delaware for the purpose of any action, suit or proceeding arising out of or based upon this Agreement or the subject matter hereof and (ii) hereby waives to the extent not prohibited by applicable law, and agrees not to assert, by way of motion, as a defense or otherwise, in any such action, suit or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that it is immune from extraterritorial injunctive relief or other injunctive relief, that its property is exempt or immune from attachment or execution, that any such action, suit or proceeding may not be brought or maintained in one of the above-named courts, that any such action, suit or proceeding brought or maintained in one of the above-named courts should be dismissed on grounds of *forum non conveniens*, should be transferred to any court other than one of the above-named courts, should be stayed by virtue of the pendency of any other action, suit or proceeding in any court other than one of the above-named courts, or that this Agreement or the subject matter hereof may not be enforced in or by any of the above-named courts. Notwithstanding the foregoing, to the extent that any party hereto is or becomes a party in any litigation in connection with which it may assert indemnification rights set forth in this agreement, the court in which such litigation is being heard shall be deemed to be included in clause (i) above. Each of the parties hereto hereby consents to service of process in any such suit, action or proceeding in any manner permitted by the laws of the State of Delaware, agrees that service of process by registered or certified mail, return receipt requested, at the address specified in or pursuant to Section 10 is reasonably calculated to give actual notice and waives and agrees not to assert by way of motion, as a defense or otherwise, in any such action, suit or proceeding any claim that service of process made in accordance with Section 10 does not constitute good and sufficient service of process. The provisions of this Section 8 shall not restrict the ability of any party to enforce in any court any judgment obtained in a federal or state court of the State of Delaware.

(c) Waiver of Jury Trial. To the extent not prohibited by applicable law which cannot be waived, each of the parties hereto hereby waives, and covenants that it will not assert (whether as plaintiff, defendant, or otherwise), any right to trial by jury in any forum in respect of any issue, claim, demand, cause of action, action, suit or proceeding arising out of or based upon this Agreement or the subject matter hereof, in each case whether now existing or hereafter arising and whether in contract or tort or otherwise. Each of the parties hereto acknowledges that it has been informed by each other party that the provisions of this Section 8(c) constitute a material inducement upon which such party is relying and will rely in entering into this Agreement and the transactions contemplated hereby. Any of the parties hereto may file an original counterpart or a copy of this Agreement with any court as written evidence of the consent of each of the parties hereto to the waiver of its right to trial by jury.

9. Entire Agreement. This Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior communication or agreement with respect thereto.
