ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Overview

On May 28, 2009, WMG Acquisition Corp. (the “Company”) issued \$1,100,000,000 aggregate principal amount of 9.50% senior secured notes due 2016 (the “Notes”), which mature on June 15, 2016, pursuant to an indenture, dated as of May 28, 2009 (the “Indenture”), among the Company, the guarantors party thereto and Wells Fargo Bank, National Association, as trustee.

The Company used the net proceeds from the Notes offering, plus approximately \$335 million in existing cash, to repay in full all amounts due under its existing senior secured credit facility and pay related fees and expenses. In connection with the repayment, the Company terminated the revolving facility contained under its Amended and Restated Credit Agreement dated as of April 8, 2004 (as amended), among the Company, WMG Holdings Corp. (“Holdings”), the Overseas Borrowers party thereto, the Lenders party thereto, Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer and the other parties thereto (the “Credit Agreement”). There were no premiums or penalties incurred by the Company in connection with the termination of the Credit Agreement. Bank of America, N.A., or its affiliates, has provided certain investment banking, commercial banking and advisory services to the Company in the past, including acting as one of the initial purchasers in connection with the Notes offering.

Interest on the Notes will be payable in cash. Interest on the Notes is payable on June 15 and December 15 of each year, commencing on December 15, 2009.

The following is a brief description of the terms of the Notes and the Indenture.

Ranking

The Notes are the Company’s senior secured obligations and will be secured on an equal and ratable basis with all future indebtedness secured with the same security arrangements as the Notes. The Notes rank senior in right of payment to the Company’s subordinated indebtedness, including its existing senior subordinated notes; are *pari passu* in right of payment with all of the Company’s future senior indebtedness, including indebtedness under any future senior secured credit facility; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Company’s non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Company or one of the Company’s subsidiary guarantors (as such term is defined below)).

Guarantees

The Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Company’s existing direct or indirect wholly-owned domestic subsidiaries and by any such subsidiaries that guarantee other indebtedness of the Company in the future. Such subsidiary guarantors are collectively referred to herein as the “subsidiary guarantors,” and such subsidiary guarantees are collectively referred to herein as the “subsidiary guarantees.” Each subsidiary guarantee is a senior secured obligation of such subsidiary guarantor and will be secured on an equal and ratable basis with all future obligations of such subsidiary guarantor that are secured with the same security arrangements as the guarantee of the Notes (which would include the subsidiary guarantor’s guarantee of any future senior secured credit facility) by first priority liens, subject to permitted liens, on the collateral owned by such subsidiary guarantor securing any future senior secured credit facility. Each subsidiary guarantee ranks senior in right of payment to all subordinated obligations of the subsidiary guarantor, including the subsidiary guarantor’s guarantee of the Company’s existing senior subordinated notes; is *pari passu* in right of payment with all of the subsidiary guarantor’s existing and future senior obligations, including the subsidiary guarantor’s guarantee of any future senior secured credit facility; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to the Company or one of the Company’s subsidiary guarantors). Any subsidiary guarantee of the Notes may be released in certain circumstances. The Notes will not be guaranteed by Holdings.

Security

The collateral and security arrangements in respect of the Notes are substantially identical to that which secured the Credit Agreement.

Pursuant to a Security Agreement, dated May 28, 2009, among the Company, Holdings, the subsidiary guarantors and Wells Fargo Bank, National Association, as collateral agent and notes authorized representative (the "Security Agreement"), the Notes and guarantees are secured by first-priority liens, subject to permitted liens, on the assets of the Company, Holdings and the subsidiary guarantors, which consist of the shares of the Company, substantially all of the Company's assets and the assets of the subsidiary guarantors, in each case whether now owned or hereafter acquired, except for certain excluded assets. The excluded assets include, among other things, (1) assets located outside the United States to the extent a lien on such assets cannot be perfected by the filing of UCC financing statements in Delaware or the jurisdictions of organization of the subsidiary guarantors; (2) certain general intangible, investment property or other rights arising under certain contractual obligations to the extent that the grant of a security interest therein would violate a valid and enforceable restriction or any applicable law, unless and until all required consents have been obtained; (3) any leasehold interest in any real property of the Company or any subsidiary guarantor; (4) assets securing purchase-money obligations or capital lease obligations permitted to be incurred under the Indenture to the extent the documentation relating to such obligations prohibits such assets from being collateral; and (5) proceeds of any and all of the excluded assets to the extent such proceeds would constitute excluded assets.

In connection with the Security Agreement, the Company, Holdings and the subsidiary guarantors entered into a Copyright Security Agreement, a Patent Security Agreement and a Trademark Security Agreement in favor of Wells Fargo Bank, National Association, as collateral agent, in each case for recording the security interest granted under the Security Agreement to the collateral agent in the Intellectual Property Collateral (as defined in the Security Agreement) with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as applicable.

Optional Redemption

The Notes may be redeemed, in whole or in part, at any time prior to June 15, 2013, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the greater of (1) 1.0% of the then outstanding principal amount of the Notes and (2) the excess of (a) the present value at such redemption date of (i) the redemption price of the note at June 15, 2013 (as set forth in the table appearing below) plus (ii) all required interest payments due on the Notes through June 15, 2013 (excluding accrued but unpaid interest), computed using a discount rate equal to the treasury rate as of such redemption date plus 50 basis points; over (b) the then outstanding principal amount of the Notes (as of, and plus accrued and unpaid interest and special interest, if any, to, the applicable redemption date, subject to the right of holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date.

The Notes may also be redeemed, in whole or in part, at any time prior to June 15, 2013, upon the consummation and closing of a Major Music/Media Transaction (as defined in the Indenture), at a redemption price equal to 104.750% of the principal amount of the Notes redeemed plus accrued and unpaid interest and special interest, if any, on the Notes to be redeemed to the applicable redemption date, subject to the right of holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date.

On or after June 15, 2013, the Company may redeem all or a part of the Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and special interest, if any, on the Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on June 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2013	104.750%
2014	102.375%
2015 and thereafter	100.000%

In addition, at any time prior to June 15, 2012, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes at a redemption price equal to 109.50% of the principal amount thereof, plus accrued and unpaid interest and special interest, if any, to the date of redemption, subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date, with the net cash proceeds of an equity offering by the Company or a contribution to the Company's common equity capital made with the net cash proceeds of an equity offering by the Company's direct or indirect parent; *provided* that: (1) at least 50% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Company and its subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (2) the redemption occurs within 90 days of the date of, and may be conditioned upon, the closing of such equity offering.

Change of Control

Upon the occurrence of a change of control, which is defined in the Indenture, each holder of the Notes has the right to require the Company to repurchase some or all of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date. A change of control includes, among other events, either a sale of the Company's Recorded Music business or a sale of the Company's Music Publishing business.

Covenants

The Indenture contains covenants limiting, among other things, the Company's ability and the ability of most of its subsidiaries to (subject to certain exceptions):

- incur additional debt or issue certain preferred shares;
- pay dividends on or make distributions in respect of the Company's capital stock or make other restricted payments;
- make certain investments;
- sell certain assets;
- create liens on certain debt;
- consolidate, merge, sell or otherwise dispose of all or substantially all of the Company's assets;
- sell or otherwise dispose of the Company's Music Publishing business;
- enter into certain transactions with our affiliates; and
- designate the Company's subsidiaries as unrestricted subsidiaries.

Events of Default

The Indenture also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on the Notes to become or to be declared due and payable.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers or consolidations (as determined in accordance with GAAP) that have been made by Holdings or any Restricted Subsidiary during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and any restructuring initiatives referred to below (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger or consolidation that would have required adjustment pursuant to this definition or commenced any restructuring initiative, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger or consolidation or initiative had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to an Investment, acquisition, disposition, merger or consolidation or any restructuring initiatives and the amount of income or earnings relating thereto, the *pro forma* calculations shall be determined in good faith by a responsible financial or accounting officer of the Issuer and shall comply with the requirements of Rule 11-02 of Regulation S-X promulgated by the Commission, *except* that such *pro forma* calculations may include operating expense reductions for such period resulting from such transaction or initiative that is being given *pro forma* effect

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

The Trustee shall authenticate Securities (the “**Additional Securities**”) thereafter in unlimited amount (so long as permitted by the terms of this Indenture, including, without limitation, Section 4.10) for original issue upon a written order of the Issuer in the form of an Officers’ Certificate in aggregate principal amount as specified in such order (other than as provided in Section 2.08). Each such written order shall specify the principal amount of Additional Securities to be authenticated and the date on which the Additional Securities are to be authenticated.

SECTION 2.02. Form and Dating.

The Securities and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit A hereto, which is incorporated in and form a part of this Indenture. The Securities may have notations, legends or endorsements required by law, rule or usage to which the Issuer is subject. The terms and provisions contained in the Securities shall constitute, and are hereby expressly made, a part of this Indenture and, to the extent applicable, the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and agree to be bound thereby.

The Securities may be presented for registration of transfer and exchange at the offices of the Registrar.

Securities issued in exchange for interests in a Global Security pursuant to Section 2.16 may be issued in the form of permanent certificated Securities in registered form in substantially the form set forth in Exhibit A (the “**Physical Securities**”).

SECTION 2.03. Execution and Authentication.

One Officer, who shall have been duly authorized by all requisite corporate actions, shall sign the Securities for the Issuer by manual, facsimile or electronic image scan signature.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, and the Issuer shall deliver such Security to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Trustee may appoint one or more authenticating agents with the consent of the Issuers to authenticate the Securities. Unless otherwise provided in the appointment, an authenticating agent may authenticate the Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer and Affiliates of the Issuers. Each Paying Agent is designated as an authenticating agent for purposes of this Indenture.

The Issuer will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07. Money held in trust by a Paying Agent need not be segregated except as required by law and in no event shall a Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to a Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, such Paying Agent shall have no further liability for the money delivered to the Trustee

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two (2) Business Days prior to each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, which list may be conclusively relied upon by the Trustee.

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Securities are presented to the Registrar or a co-Registrar with a request to register the transfer of such Securities or to exchange such Securities for an equal principal amount of Securities of other authorized denominations, the Registrar or co-Registrar shall promptly register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided, however*, that the Securities surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar or co-Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's or co-Registrar's request. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

The Registrar or co-Registrar shall not be required to register the transfer of or exchange of any Security (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Securities and ending at the close of business on the day of such mailing, (ii) selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Security being redeemed in part, and (iii) during a Change of Control Offer, an Alternate Offer or an Asset Sale Offer if such Security is tendered pursuant to such Change of Control Offer, Alternate Offer or Asset Sale Offer and not withdrawn.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Securities may be effected only through a book-entry system maintained by the Holder of such Global Security (or its agent), and that ownership of a beneficial interest in the Security shall be required to be reflected in a book-entry system.

SECTION 2.08. Replacement Securities.

If a mutilated Security is surrendered to the Registrar or the Trustee, or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security (and the Guarantors, if any, shall execute the guarantee thereon) if the Holder of such Security furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Security and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Issuer, the Guarantors, if any, the Trustee or any Paying Agent from any loss that any of them may suffer if such Security is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Security and the Trustee may charge the Issuer for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Security. Every replacement Security shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Securities.

The Securities outstanding at any time are all the Securities that have been authenticated by the Trustee except (a) those canceled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on the conditions set forth in Section 9.01 or 9.02 have been satisfied and (d) these Securities theretofore authenticated by the Trustee hereunder and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Issuer or any of its Affiliates holds the Security (subject to the provisions of Section 2.10).

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a *bona fide* purchaser in whose hands such Security is a legal, valid and binding obligation of the Issuer. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If the principal amount of any Security is considered paid under Section 4.01, it ceases to be outstanding and interest ceases to accrue. If on a Redemption Date or the Maturity Date the Trustee or Paying Agent (other than the Issuer or an Affiliate thereof) holds U.S. Legal Tender or U.S. Government Securities sufficient to pay all of the principal and interest due on the Securities payable on that date, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Treasury Securities.

In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer or any of its Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Responsible Officer of the Trustee actually knows are so owned shall be disregarded.

SECTION 2.11. Temporary Securities.

Until definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as definitive Securities. Notwithstanding the foregoing, so long as the Securities are represented by a Global Security, such Global Security may be in typewritten form.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent (other than the Issuer or a Subsidiary), and no one else, shall cancel and, at the written direction of the Issuer, shall dispose of all Securities surrendered for transfer, exchange, payment or cancellation in accordance with its customary procedures. Subject to Section 2.08, the Issuer may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation. If the Issuer or any Guarantor shall acquire any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.12.

SECTION 2.13. Defaulted Interest.

If the Issuer defaults in a payment of interest on the Securities, it shall, unless the Trustee fixes another Record Date pursuant to Section 6.10, pay the defaulted interest then borne by the Securities, plus (to the extent lawful) any interest payable on the defaulted interest, in accordance with the terms hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special Record Date, which special Record Date shall be the fifteenth day next preceding the date fixed by the Issuer for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least

days before any such subsequent special Record Date, the Issuer shall mail to each Holder, with a copy to the Trustee, a notice that states the subsequent special Record Date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Securities may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14. CUSIP and ISIN Numbers.

The Issuer in issuing the Securities may use CUSIP numbers and ISINs (if then generally in use) and, if so, the Trustee shall use, as applicable, CUSIP numbers and ISINs in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of such numbers, either as printed on the Securities or as contained in any notice of a redemption, that reliance may be placed only on the other identification number(s) printed on the Securities. The Issuer shall advise the Trustee of any change in the CUSIP numbers and ISINs.

SECTION 2.15. Deposit of Moneys.

Prior to 10:00 a.m. New York City time, on each Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, the Issuer shall have deposited with the Paying Agent in immediately available funds U.S. Legal Tender, sufficient to make cash payments, if any, due on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be, in a timely manner which permits the Paying Agent to remit payment to the Holders on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be. The principal and interest on Global Securities shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Securities represented thereby. The principal and interest on Physical Securities shall be payable, either in person or by mail, at the office of the applicable Paying Agent.

SECTION 2.16. Book-Entry Provisions for Global Securities.

(a) Rule 144A Securities ("Rule 144A Securities") initially shall be represented by one or more Securities in registered, global form without interest coupons (collectively, the "Rule 144A Global Securities"). Regulation S Securities ("Regulation S Securities") initially shall be represented by one or more Securities in registered, global form without interest coupons (the "Regulation S Global Securities"). The term "Global Securities"

means, collectively, the Rule 144A Global Securities and the Regulation S Global Securities. The Global Securities shall bear legends as set forth in Exhibit D. The Global Securities initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear legends as set forth in Exhibit B with respect to Restricted Global Securities and Exhibit C with respect to Regulation S Global Securities.

Members of, or direct or indirect participants in, the Depository (“**Agent Members**”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository or the Trustee as its custodian, or under the Global Securities, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b) Transfers of Global Securities shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Securities may be transferred or exchanged for Physical Securities in accordance with the rules and procedures of the Depository and the provisions of Section 2.17. In addition, a Global Security shall be exchangeable for Physical Securities if (i) in the case of a Global Security, the Depository (x) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Security and the Issuer thereupon fail to appoint a successor depository or (y) has ceased to be a clearing agency registered under the Exchange Act, (ii) pursuant to the procedures of the Depository, the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of such Physical Securities or (iii) in the case of any Global Security, there shall have occurred and be continuing an Event of Default with respect to such Global Security. In all cases, Physical Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Security to beneficial owners pursuant to paragraph (b), the Registrar shall (if one or more Physical Securities are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security to be transferred, and the Issuer shall execute, and the Trustee shall upon receipt of a written order from the Issuer authenticate and make available for delivery, one or more Physical Securities of like tenor and amount.

(d) In connection with the transfer of Global Securities as an entirety to beneficial owners pursuant to paragraph (b), the Global Securities shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in the Global Securities, an equal aggregate principal amount of Physical Securities of authorized denominations.

(e) Any Physical Security constituting a Restricted Security delivered in exchange for an interest in a Global Security pursuant to paragraph (b), (c) or (d) shall, except as otherwise provided by paragraphs (a)(i)(x) and (c) of Section 2.17, bear the Private Placement Legend or, in the case of the Regulation S Global Security, the legend set forth in Exhibit C, in each case, unless the Issuers determine otherwise in compliance with applicable law.

(f) On or prior to the 40th day after the later of the commencement of the offering of the Securities represented by the Regulation S Global Security and the issue date of such Securities (such period through and including such 40th day, the “**Restricted Period**”), a beneficial interest in a Regulation S Global Security may be transferred to a Person who takes delivery in the form of an interest in the corresponding Restricted Global Security only upon receipt by the Trustee of a written certification from the transferor to the effect that such transfer is being made (i)(a) to a Person that the transferor reasonably believes is a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (b) pursuant to another exemption from the registration requirements under the Securities Act which is accompanied by an Opinion of Counsel regarding the availability of such exemption and (ii) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction. During the Restricted Period, beneficial ownership in a Regulation S Global Security may only be sold, pledged or transferred through Euroclear Bank S.A./N.V. or Clearstream Banking, Societe Anonyme.

(g) Beneficial interests in the Restricted Global Security may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Security, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Regulation S or Rule 144 (if available).

(h) Any beneficial interest in one of the Global Securities that is transferred to a Person who takes delivery in the form of an interest in another Global Security shall, upon transfer, cease to be an interest in such Global Security and become an interest in such other Global Security and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Security for as long as it remains such an interest.

(i) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

SECTION 2.17. Special Transfer Provisions.

(a) Transfers to Non-QIB Institutional Accredited Investors and Non-U.S. Persons. The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person:

(i) the Registrar shall register the transfer of any Security constituting a Restricted Security, whether or not such Security bears the Private Placement Legend, if (x) the requested transfer is after the first anniversary of the date of original issuance thereof or such other date as such Security shall be freely transferable under Rule 144 as certified in an Officers' Certificate or (y) (1) in the case of a transfer to an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit E hereto or (2) in the case of a transfer to a Non-U.S. Person (including a QIB), the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit F hereto; *provided* that, except as provided for under Section 2.20 herein. in the case of any transfer of a Security bearing the Private Placement Legend for a Security not bearing the Private Placement Legend, the Registrar has received an Officers' Certificate authorizing such transfer; and

(ii) if the proposed transferor is an Agent Member holding a beneficial interest in a Global Security, upon receipt by the Registrar of (x) the certificate, if any, required by paragraph (i) above and (y) instructions given in accordance with the Depositary's and the Registrar's procedures,

whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Securities) a decrease in the principal amount of a Global Security in an amount equal to the principal amount of the beneficial interest in a Global Security to be transferred, and (b) the Registrar shall reflect on its books and records the date and an increase in the principal amount of a Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security transferred or the Issuers shall execute and the Trustee shall authenticate and make available for delivery one or more Physical Securities of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Security constituting a Restricted Security to a QIB (excluding transfers to Non-U.S. Persons):

(i) the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on such Holder's Security stating, or to a transferee who has advised the Issuers and the Registrar in writing, that it is purchasing the Security for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of Physical Securities which after transfer are to be evidenced by an interest in the Global Security, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security in an amount equal to the principal amount of the Physical Securities to be transferred, and the Trustee shall cancel the Physical Securities so transferred.

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities not bearing the Private Placement Legend, the Registrar shall deliver Securities that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities bearing the Private Placement Legend, the Registrar shall deliver only Securities that bear the Private Placement Legend unless (i) the procedures set forth in Section 2.20 have been complied with, (ii) it has received the Officers' Certificate required by paragraph (a)(i)(y) of this Section 2.17, (iii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuers and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (iv) such Security has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officers' Certificate from the Issuer to such effect.

(d) OID Legend. Each Security issued hereunder that has more than a de minimis amount of original issue discount for U.S. Federal Income Tax purposes shall bear a legend substantially in the form of Exhibit G hereto.

(e) General. By its acceptance of any Security bearing the Private Placement Legend, each Holder of such Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Security only as provided in this Indenture.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

SECTION 2.18. Computation of Interest.

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.19. Calculation of Principal Amount of Securities.

The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities (and not solely the Securities as provided for in the proviso to the first sentence of Section 9.02(a)), such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.19 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers' Certificate.

SECTION 2.20. Automatic Exchange from Restricted Global Securities to Unrestricted Global Securities.

Beneficial interests in a Rule 144A Global Security that is subject to restrictions set out in the Section 2.02, as applicable (including the legend set forth in Exhibit B) (the "**Restricted Global Security**"), may be automatically exchanged into beneficial interests in an unrestricted Global Security that is no longer subject to the restrictions set out in Section 2.02 (including removal of the legend set forth in Exhibit B) (the "**Unrestricted Global Security**"), without any action required by or on behalf of Holders, who are not Affiliates of the Issuer (the "**Automatic Exchange**"). In order to effect such exchange, the Issuer may at least 15 days but not more than 30 days prior to the date which is at least one year after the last date of the original issuance of the Securities (the "**Resale Restriction Termination Date**"), deliver a notice of Automatic Exchange (an "**Automatic Exchange Notice**") to each Holder at such Holder's address appearing in the note register with a copy to the Trustee. The Automatic

Exchange Notice shall identify the Notes subject to the Automatic Exchange, shall assume that each such Holder is not an Affiliate and has not purchased its Securities from an Affiliate, shall result in each such Holder being deemed to have made a representation to the Issuer that it is not an Affiliate and that it has not purchased its Securities from an Affiliate and shall state: (1) the date of the Automatic Exchange; (2) the "CUSIP" number of the Restricted Global Security from which such Holders' beneficial interests shall be transferred and (3) the "CUSIP" number of the Unrestricted Global Security into which such Holders' beneficial interests shall be transferred. If such Holder is unable to make the deemed representation set forth in the previous sentence, then such Holder shall be required to so notify the Issuer or the Trustee within 5 business days of its receipt of the Automatic Exchange. At the Issuer's request on no less than 5 days' prior notice, the Trustee shall deliver in the Issuer's name and at its expense, the Automatic Exchange Notice to each Holder at such Holder's address appearing in the note register; provided, however, that the Issuer shall have delivered to the Trustee a written order of the Issuer and an Officers' Certificate requesting that the Trustee give the Automatic Exchange Notice (in the name and at the expense of the Issuer) and setting forth the information to be stated in the Automatic Exchange Notice as provided in the preceding sentence. As a condition to any such exchange pursuant to this Section 2.20, the Trustee shall be entitled to receive from the Issuer, and rely conclusively without any liability, upon an Officers' Certificate and an Opinion of Counsel to the Issuer, in form and in substance reasonably satisfactory to the Trustee to the effect that such transfer of beneficial interests to the Unrestricted Global Security shall be effected in compliance with the Securities Act. Any such Opinion of Counsel may include an assumption and/or a reliance provision as to the non-Affiliate status of the Holders of Securities subject to such Automatic Exchange. Upon such exchange of beneficial interests pursuant to this Section 2.20, the Registrar shall reflect on its books and records the date of such transfer and a decrease and increase, respectively, in the principal amount of the applicable Restricted Global Security(s) and the Unrestricted Global Security, respectively, equal to the principal amount of beneficial interests transferred. If an Unrestricted Global Security is not then outstanding at the time of the Automatic Exchange, the Issuer shall execute and the Trustee shall authenticate and deliver an Unrestricted Global Security to the Depository. Following any such transfer pursuant to this Section 2.20, provided that no Holder is an Affiliate, the relevant Restricted Global Security shall be cancelled.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Notices to Trustee.

If the Issuer elects to redeem Securities pursuant to Sections 3.07(a)-(d), it shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of Securities to be redeemed. For a redemption pursuant to Sections 3.07(a)-(c), the Issuer shall give notice of redemption to the Paying Agent and Trustee at least 31 days but not more than 60 days before the Redemption Date (unless a shorter notice shall be agreed to by the Trustee in writing), together with an Officers' Certificate stating that such redemption will comply with the conditions contained herein. For a redemption pursuant to Section 3.07(d), the Issuer shall give written notice of such redemption by first class mail to each holder's registered address and to the Paying Agent and Trustee at least 30 days before the Redemption Date (which notice shall state that the redemption is conditioned upon consummation and closing of such Major Music/Media Transaction), and provide the Trustee with an Officers' Certificate stating that such redemption will comply with the conditions contained herein.

SECTION 3.02. Selection of Securities To Be Redeemed.

If less than all of the Securities are to be redeemed pursuant to Sections 3.07(a), (b) or (d) at any time, the Trustee will select Securities for redemption as follows:

- (1) if the Securities are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Securities are listed; or
- (2) if the Securities are not listed on any securities exchange, on a *pro rata* basis, by lot or by such method as the Trustee deems fair and appropriate.

No Securities of \$2,000 or less shall be redeemed in part.

If a partial redemption is made with the proceeds of an Equity Offering in accordance with Section 3.07(c), the Trustee will select the applicable Securities on a pro rata basis or on as nearly a pro rata basis as is practicable (subject to DTC procedures).

SECTION 3.03. Notice of Redemption.

At least 30 days but not more than 60 days before a Redemption Date for a redemption pursuant to Sections 3.07(a)-(c), the Issuer shall mail a notice of redemption by first

class mail, postage prepaid, to each Holder whose Securities are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture. At the Issuer's request, the Trustee shall forward the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that in such case, the Trustee has received notice from the Issuer at least 31 days, but not more than 60 days, before a Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee). Unless the redemption is conditioned on the happening of an event in accordance with Section 3.07, Securities called for redemption become due on the date fixed for redemption. On and after the Redemption Date, interest ceases to accrue on Securities or portions of them called for redemption. Each notice of redemption shall identify the Securities (including the CUSIP number) to be redeemed and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price and the amount of accrued interest, if any, to be paid;
- (3) the name and address of the Paying Agent;
- (4) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price, plus accrued interest, if any;
- (5) that, unless the Issuer defaults in making the redemption payment, interest on Securities called for redemption ceases to accrue on and after the Redemption Date, unless the redemption is conditioned on the happening of an event in accordance with Section 3.07, and the only remaining right of the Holders of such Securities is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Securities redeemed;
- (6) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the Redemption Date, and upon surrender of such Security, a new Security or Securities in aggregate principal amount equal to the unredeemed portion thereof will be issued;
- (7) if fewer than all the Securities are to be redeemed, the identification of the particular Securities (or portion thereof) to be redeemed, as well as the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (8) the CUSIP Number and/or ISIN number, if any, printed on the Securities being redeemed;

(9) that no representation is made as to the correctness or accuracy of the CUSIP number and/or ISIN number, if any, listed in such notice or printed on the Securities; and

(10) the Section of the Securities pursuant to which the Securities are to be redeemed.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Security. Notices of redemption may not be conditional.

If the Issuer elects to redeem Securities pursuant to Section 3.07(d), it shall provide notice pursuant to Section 3.01.

SECTION 3.04. Effect of Notice of Redemption.

Unless the redemption is conditioned on the happening of an event in accordance with Section 3.07, once notice of redemption is mailed in accordance with Section 3.03 or Section 3.01, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price plus accrued interest, if any. Upon surrender to the Trustee or Paying Agent, such Securities called for redemption shall be paid at the Redemption Price (which shall include accrued interest thereon to the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant Record Dates. On and after the Redemption Date interest shall cease to accrue on Securities or portions thereof called for redemption.

SECTION 3.05. Deposit of Redemption Price.

With respect to the Securities, prior to 10:00 a.m., New York time, on the Redemption Date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) U.S. Legal Tender and/or U.S. Government Securities sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the Redemption Date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Securities.

SECTION 3.06. Securities Redeemed in Part.

If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount thereof to be redeemed. A new Security in principal amount equal to the unredeemed portion of the original Security shall be issued in the name of the Holder thereof upon cancellation of the original Security.

SECTION 3.07. Optional Redemption.

(a) The Securities may be redeemed, in whole or in part, at any time prior to June 15, 2013, at the option of the Issuer upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date).

(b) On or after June 15, 2013, the Securities will be subject to redemption at any time at the option of the Issuer, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the Redemption Prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Special Interest thereon, if any, to the applicable Redemption Date, if redeemed during the twelve-month period beginning on June 15 of the years indicated below:

under the (excluding Securities held by the Issuer and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (ii) such redemption shall occur within 90 days of the date of, and may be conditioned upon, the closing of such Equity Offering (disregarding the date of the closing of any over-allotment option with respect thereto).

(d) The Securities may be redeemed, in whole or in part, at any time prior to June 15, 2013, upon the consummation and closing of a Major Music/Media Transaction, on not less than 30 days' prior written notice mailed by first-class mail to each holder's registered address (which notice shall state that redemption is conditioned on consummation and closing of such Major Music/Media Transaction), at a redemption price equal to 104.750% of the principal amount of the Securities redeemed plus accrued and unpaid interest and Special Interest, if any, on the Securities to be redeemed to the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date).

An installment of principal of or interest on the Securities shall be considered paid on the date it is due if the Trustee or Paying Agent (other than the Issuer or an Affiliate thereof) holds on that date U.S. Legal Tender or U.S. Government Securities designated for and sufficient to pay the installment. (a) The Issuer shall cause all material properties owned by or leased by it or any of its Restricted Subsidiaries used or useful to the conduct of its business or the business of any of its Restricted Subsidiaries to be maintained and kept in normal condition, repair

and working order and supplied with all necessary equipment and shall cause to be made all repairs, renewals, replacements, and betterments thereof, all as in its judgment may be necessary, so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, that nothing in this Section 4.05 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing the use, operation or maintenance of any of such properties, or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Board of Directors of the Issuer or any such Restricted Subsidiary desirable in the conduct of the business of the Issuer or any such Restricted Subsidiary; *provided, further*, that nothing in this Section 4.05 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing or disposing of any properties to the extent otherwise permitted by this Indenture.

(b) The Issuer shall maintain, and shall cause its Restricted Subsidiaries to maintain, insurance with responsible carriers against such risks and in such amounts, and with such deductibles, retentions, self insured amounts and co-insurance provisions, as are appropriate for a business of this type and size as determined in good faith by the Issuer, including property and casualty loss, workers' compensation and interruption of business insurance.

SECTION 4.06. Compliance Certificate; Notice of Default.

(a) The Issuer shall deliver to the Trustee, within 90 days after the close of each fiscal year commencing with the fiscal year ending September 30, 2009, an Officers' Certificate stating that a review of the activities of the Issuer and its Restricted Subsidiaries has been made under the supervision of the signing Officers with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of such Officer's knowledge, the Issuer during such preceding fiscal year has kept, observed, performed and fulfilled each and every such covenant and no Default occurred during such year and at the date of such certificate there is no Default that has occurred and is continuing or, if such signers do know of such Default, the certificate shall describe its status with particularity. The Officers' Certificate shall also notify the Trustee should the Issuer elect to change the manner in which it fixes its fiscal year end.

(b) The Issuer shall deliver to the Trustee as soon as possible, and in any event within five days after the Issuer becomes aware of the occurrence of any Default, an Officers' Certificate specifying the Default and describing its status with particularity and the action proposed to be taken thereto.

(c) The Issuer's fiscal years currently end on September 30. The Issuer will provide written notice to the Trustee of any change in its fiscal year.

SECTION 4.07. Compliance with Laws.

(a) The Issuer shall comply, and shall cause each of its Restricted Subsidiaries to comply, with all applicable statutes, rules, regulations, orders and restrictions of the United States, all states and municipalities thereof, and of any governmental department, commission, board, regulatory authority, bureau, agency and instrumentality of the foregoing, in respect of the conduct of their respective businesses and the ownership of their respective properties, except, in any such case, to the extent the failure to so comply would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Issuer and its Restricted Subsidiaries taken as a whole.

SECTION 4.08. Waiver of Stay, Extension or Usury Laws.

The Issuer covenants (to the extent permitted by applicable law) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer from paying all or any portion of the principal of and/or interest on the Securities as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and (to the extent permitted by applicable law) the Issuer hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.09. Change of Control.

(a) If a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Securities pursuant to a Change of Control Offer (the "**Change of Control Offer**") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuer will offer to pay an amount in cash (the "**Change of Control Payment**") equal to 101% of the aggregate principal amount of Securities repurchased, plus accrued and unpaid interest and Special Interest thereon, if any, on the Securities repurchased to the date of purchase.

(b) Within 30 days following any Change of Control, the Issuer will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Securities on the date (the "**Change of Control Payment Date**") specified in such notice, which date shall be a Business Day no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to this Section 4.09 and that all Securities tendered and not withdrawn will be accepted for payment;

- (2) the purchase price (including the amount of accrued interest) and the Change of Control Payment Date;
 - (3) that any Security not tendered will continue to accrue interest;
 - (4) that, unless the Issuer defaults in making payment therefor, any Security accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
 - (5) that Holders electing to have a Security purchased pursuant to a Change of Control Offer will be required to surrender the Security, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;
 - (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Securities the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased;
 - (7) that Holders whose Securities are purchased only in part will be issued new Securities in a principal amount equal to the unpurchased portion of the Securities surrendered; and
 - (8) the circumstances and relevant facts regarding such Change of Control.
- (c) On or before the Change of Control Payment Date, the Issuer will, to the extent lawful:
- (1) accept for payment all Securities or portions thereof properly tendered pursuant to the Change of Control Offer;
 - (2) deposit with the Paying Agent U.S. Legal Tender or U.S. Government Securities sufficient to pay the Change of Control Payment in respect of all Securities or portions thereof so tendered; and

(3) deliver or cause to be delivered to the Trustee the Securities properly accepted together with an Officers' Certificate stating the aggregate principal amount of Securities or portions thereof being purchased by the Issuer.

(d) The Paying Agent will promptly mail to each Holder of Securities properly tendered the Change of Control Payment for such Securities, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Security equal in principal amount to any unpurchased portion of the Securities surrendered, if any; *provided* that each such new Security will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Issuer will publicly announce the results of the Change of Control Offer as soon as practicable after the Change of Control Payment Date. However, if the Change of Control Payment Date is on or after an interest Record Date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Security is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Securities pursuant to the Change of Control Offer.

(e) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(f) Notwithstanding the foregoing, the Issuer shall not be required to make a Change of Control Offer, as provided above, if, in connection with or in contemplation of any Change of Control, it or a third party has made an offer to purchase (an "**Alternate Offer**") any and all Securities validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Securities properly tendered in accordance with the terms of such Alternate Offer. The Alternate Offer must comply with all the other provisions applicable to the Change of Control Offer, shall remain, if commenced prior to the Change of Control, open for acceptance until the consummation of the Change of Control and must permit Holders to withdraw any tenders of Securities made into the Alternate Offer until the final expiration or consummation thereof.

(g) The Issuer will comply, and will cause any third party making a Change of Control Offer or an Alternate Offer to comply, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with a Change of Control Offer or an Alternate Offer. To the extent the provisions of any applicable securities laws or regulations conflict with the provisions of this Indenture relating to a Change of Control Offer, the Issuer will not be deemed to have breached its obligations under this Indenture by virtue of complying with such laws or regulations.

SECTION 4.10. Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively “**incur**”) any Indebtedness (including Acquired Debt), and the Issuer will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Issuer and any Restricted Subsidiary that is a Guarantor may incur Indebtedness (including Acquired Debt) and any Restricted Subsidiary that is a Guarantor may issue Preferred Stock if the Fixed Charge Coverage Ratio for the Issuer’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom) (the “**Coverage Ratio Exception**”), as if the additional Indebtedness had been incurred or the Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) Section 4.10(a) will not prohibit the incurrence of any of the following (collectively, “**Permitted Debt**”):

(1) the existence of Indebtedness under a Credit Agreement together with the incurrence of the guarantees thereunder and the issuance and creation of letters of credit and bankers’ acceptances thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof) and other Indebtedness, up to an aggregate principal amount, together with (x) amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (17) below and (y) amounts incurred under the Securities or Exchange Securities incurred pursuant to clause (2) below, not in excess of \$1,550 million outstanding at any one time, less the amount of all mandatory principal payments (with respect to revolving borrowings and letters of credit, only to the extent revolving commitments are correspondingly reduced) actually made by the borrower thereunder in respect of Indebtedness thereunder with Net Proceeds from Asset Sales;

(2) the incurrence by the Issuer and the Guarantors of Indebtedness represented by the Securities (including any Guarantee) issued on the Issue Date or the Exchange Securities;

(3) Existing Indebtedness (other than Indebtedness described in clauses (1) and (2) of this Section 4.10(b));

(4) Indebtedness (including Capitalized Lease Obligations) incurred by the Issuer or any Restricted Subsidiary to finance the purchase, lease or improvement of property (real or personal) or equipment that is used or useful in a Permitted Business (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (4), does not exceed the greater of (x) \$50.0 million and (y) 4.0% of Consolidated Tangible Assets;

(5) Indebtedness incurred by the Issuer or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims; *provided, however*, that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(6) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; *provided, however*, that (A) such Indebtedness is not reflected on the balance sheet of the Issuer or any Restricted Subsidiary (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (A)) and (B) the maximum assumable liability in respect of all such Indebtedness shall at no time exceed the gross proceeds including noncash proceeds (the fair market value of such noncash proceeds being measured at the time received and without giving effect to any subsequent changes in value) actually received by the Issuer and any Restricted Subsidiaries in connection with such disposition;

(7) Indebtedness of the Issuer owed to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owed to and held by the Issuer or any Restricted Subsidiary; *provided, however*, that (A) any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness (except to the Issuer or a Restricted Subsidiary) shall be deemed, in each case, to constitute the incurrence of such Indebtedness by the issuer thereof and (B) if the Issuer

is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of the Issuer with respect to the Securities;

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or a Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or a Restricted Subsidiary) shall be deemed in each case to be an issuance of such shares of Preferred Stock;

(9) Hedging Obligations of the Issuer or any Restricted Subsidiary (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting (A) interest rate risk with respect to any Indebtedness that is permitted by the terms of this Indenture to be outstanding, (B) exchange rate risk with respect to any currency exchange or (C) commodity price risk;

(12) any guarantee by the Issuer or a Guarantor of Indebtedness or other obligations of the Issuer or any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by the Issuer or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Securities or the Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Guarantor's Guarantee with respect to the Securities substantially to the same extent as such Indebtedness is subordinated to the Securities or the Guarantee of such Restricted Subsidiary, as applicable;

(13) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness or Preferred Stock that serves to refund or refinance any Indebtedness incurred as permitted by Section 4.10(a) and clauses (2), (3) and (4) above, this clause (13) and clause (14) below or any Indebtedness issued to so refund or refinance such Indebtedness including additional Indebtedness incurred to pay premiums and fees in connection therewith (the “**Refinancing Indebtedness**”) prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness (A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness being refunded or refinanced, (B) to the extent such Refinancing Indebtedness refinances Indebtedness, other than the Existing Senior Subordinated Notes, that is subordinated or *pari passu* to the Securities, such Refinancing Indebtedness is subordinated or *pari passu* to the Securities at least to the same extent as the Indebtedness being refinanced or refunded, (C) to the extent such Refinancing Indebtedness refinances the Existing Senior Subordinated Notes, such Refinancing Indebtedness is unsecured, (D) shall not include (x) Indebtedness or Preferred Stock of a Subsidiary that is not a Guarantor that refinances Indebtedness or Preferred Stock of the Issuer or (y) Indebtedness or Preferred Stock of the Issuer or a Restricted Subsidiary that refinances Indebtedness or Preferred Stock of an Unrestricted Subsidiary, (E) shall not be in a principal amount in excess of the principal amount of, premium, if any, accrued interest on, and related fees and expenses of, the Indebtedness being refunded or refinanced and (F) shall not have a stated maturity date prior to the Stated Maturity of the Indebtedness being refunded or refinanced; and *provided, further*, that subclauses (A), (B), (C) and (F) of this clause (13) will not apply to any refunding or refinancing of any Credit Agreement debt;

(21) Indebtedness consisting of promissory notes issued by the Issuer or any Guarantor to current or former officers, directors and employees or their respective estates, spouses or former spouses to finance the purchase or redemption of Equity Interests of Holdings permitted by Section 4.11.

(c) For purposes of determining compliance with this Section 4.10, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (21) above, or is entitled to be incurred pursuant to Section 4.10(a), the Issuer will be permitted to classify and later reclassify such item of Indebtedness in any manner that complies with this Section 4.10, and such item of Indebtedness will be treated as having been incurred pursuant to only one of such categories. Accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness will not be deemed to be an incurrence of Indebtedness for purposes of this Section 4.10. The maximum amount of Indebtedness that the Issuer and its Restricted Subsidiaries may incur pursuant to this Section 4.10 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

SECTION 4.11. Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation (other than (x) dividends or distributions by the Issuer payable in Equity Interests (other than Disqualified Stock) of the Issuer or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock) or (y) dividends or distributions by a Restricted Subsidiary to the Issuer or any other Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and the Restricted Subsidiaries after the Issue Date (excluding Restricted Payments permitted by clauses (3), (4), (5), (6), (8), (10), (11), (12), (13) or (17) of Section 4.11(b)), is less than the sum, without duplication, of

(b) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Board of Directors of the Issuer, of property and marketable securities received by the Issuer after the April 1, 2009 from the issue or sale of (x) Equity Interests of the Issuer (including Retired Capital Stock (as defined below)) but excluding cash proceeds and marketable securities received from the sale of Equity Interests to members of management, directors or consultants of the Issuer, any direct or indirect parent corporation of the Issuer and its Subsidiaries after April 1, 2009 to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of Section 4.11(b) and, to the extent actually contributed to the Issuer, Equity Interests of the Issuer's direct or indirect parent corporations, (ii) Designated Preferred Stock and (iii) Disqualified Stock) or (y) debt securities of the Issuer that have been converted into such Equity Interests of the Issuer (other than Refunding Capital Stock (as defined below) or Equity Interests or convertible debt securities of the Issuer sold to a Restricted Subsidiary or the Issuer, as the case may be, and other than Disqualified Stock or Designated Preferred Stock or debt securities that have been converted into Disqualified Stock or Designated Preferred Stock), plus

(c) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Board of Directors of the Issuer, of property and marketable securities contributed to the capital of the Issuer after April 1, 2009 (other than (i) by a Restricted Subsidiary, (ii) any Excluded Contributions, (iii) any Disqualified Stock, (iv) any Designated Preferred Stock and (v) the Cash Contribution Amount), plus

(e) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger or consolidation of an Unrestricted Subsidiary into the Issuer or a Restricted Subsidiary or the transfer of assets of an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Board of Directors of the Issuer in good faith at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger, consolidation or transfer of assets (other than an Unrestricted Subsidiary to the extent the Investment in such Unrestricted Subsidiary was made by a Restricted Subsidiary pursuant to clause (7) or (11) of Section 4.11(b) or to the extent such Investment constituted a Permitted Investment).

(b) Notwithstanding the foregoing, the provisions set forth in Section 4.11(a) do not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture;

(2) (A) the redemption, repurchase, retirement or other acquisition of any Equity Interests of the Issuer or any direct or indirect parent corporation (“**Retired Capital Stock**”) or Indebtedness subordinated to the Securities, in exchange for or out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary or the Issuer) of Equity Interests of the Issuer or any direct or indirect parent corporation thereof or contributions to the equity capital of the Issuer (in each case, other than Disqualified Stock) (“**Refunding Capital Stock**”) and (B) the declaration and payment of dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Refunding Capital Stock;

provided, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (2), (5), (6), (7), (11), (14), (15) and (16) above, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

Notwithstanding anything to the contrary in the preceding provisions of this Section 4.11, Restricted Payments to (A) repurchase, redeem or otherwise acquire or retire for value any Existing Senior Subordinated Notes or (B) pay dividends to Holdings the proceeds of which are applied to repurchase, redeem or otherwise acquire or retire for value any Holdings Notes, may only be made pursuant to any of the preceding provisions of this Section 4.11 from the proceeds of secured Indebtedness incurred in contemplation of any such Restricted Payment, if immediately after giving pro forma effect to such Restricted Payment pursuant to this paragraph and the incurrence of any such secured Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Senior Secured Indebtedness to EBITDA Ratio of the Issuer would not have exceeded 2.00 to 1.00.

(c) The amount of all Restricted Payments (other than cash) will be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Issuer or such Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this Section 4.11 will be determined in good faith by the Board of Directors of the Issuer. The Issuer's determination must be based upon an opinion or appraisal issued by an Independent Financial Advisor if the fair market value exceeds \$50.0 million.

(d) As of the Issue Date, all of the Issuer's Subsidiaries will be Restricted Subsidiaries except WMG Kensington Ltd. and its Subsidiaries. The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the second to last sentence of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding investments by the Issuer and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the second paragraph of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time under this Section 4.11 or the definition of "Permitted Investments" and if such Subsidiary otherwise meets the definition of an "Unrestricted Subsidiary." Unrestricted Subsidiaries will not be subject to any of the restrictive covenants described in this Indenture.

SECTION 4.12. Liens.

(a) The Issuer will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien that secures obligations under any Indebtedness of the Issuer or of a Guarantor or any related Guarantee of a Guarantor, on any asset or property of the Issuer or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom.

(b) Notwithstanding the foregoing, Section 4.12(a) shall not apply to:

(i) Liens on the Collateral under the Security Documents securing Indebtedness (including the Securities and the Guarantees and any refinancings or replacements thereof) in an aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom), not exceeding the greater of (A) \$1,325.0 million and (B) the maximum aggregate principal amount of Senior Secured Indebtedness that could be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Issuer of 3.00 to 1.00 determined on a pro forma basis (including

a pro forma application of the net proceeds therefrom), as if the additional Indebtedness and Liens had been incurred and the application of proceeds therefrom had occurred at the beginning of such four-quarter period;

(ii) Liens on the Collateral under the Security Documents securing (A) interest rate or currency swaps, caps or collars or similar Hedging Obligations entered into to hedge the Issuer's or any Guarantor's exposure with respect to activities not prohibited under this Indenture and (B) obligations in respect of any overdraft and related liabilities arising from treasury, depository and cash management services or any automated clearing house transfers of funds;

(iii) Liens securing Indebtedness that are junior in priority to the Liens securing the Securities and related Guarantees;

(iv) Permitted Liens; and

(v) Liens on assets of Foreign Subsidiaries that do not constitute Collateral securing obligations of such Foreign Subsidiaries.

SECTION 4.13. Asset Sales.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Issuer (or such Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;

(2) in the case of Asset Sales involving consideration in excess of \$50.0 million, the fair market value is determined by the Issuer's Board of Directors and evidenced by a Board Resolution set forth in an Officers' Certificate delivered to the Trustee; and

(3) except for any Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Issuer or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

For purposes of clause (2) above, the amount of (i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Securities) that are assumed by the transferee of any such assets and from which the Issuer and all Restricted Subsidiaries have been validly released by all applicable creditors in writing, (ii) any securities received by the Issuer or such Restricted Subsidiary from such transferee

that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale and (iii) any Designated Noncash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value (as determined in good faith by the Board of Directors of the Issuer), taken together with all other Designated Noncash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) \$75.0 million and (y) 5.0% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value), shall be deemed to be cash for purposes of this paragraph and for no other purpose.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Issuer may apply those Net Proceeds at its option:

(1) to permanently reduce

(A) Bank Obligations under a Credit Agreement to the extent such Credit Agreement requires the reduction of such Bank Obligations;

(B) Obligations constituting First Lien Obligations (other than Hedging Obligations and Bank Obligations under a Credit Agreement) and to correspondingly reduce commitments with respect thereto; *provided* that if the Issuer shall so reduce such Obligations, it will equally and ratably reduce Obligations under the Securities by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer (as defined below)) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, the *pro rata* principal amount of Securities;

(C) Obligations under the Existing Senior Subordinated Notes if, at the time of, and after giving effect to, any repurchase, redemption, defeasance or other reduction of Obligations under the Existing Senior Subordinated Notes, the aggregate amount of Net Proceeds applied pursuant to this clause (1)(C) since the Issue Date, when taken together with the aggregate amount of Net Proceeds applied pursuant to clause (2) below, shall not exceed \$250.0 million; provided that Net Proceeds from an Asset Sale may only be applied pursuant to this clause (1)(C) if the substantial majority of the assets sold in such Asset Sale are Recorded Music Business assets determined in good faith by the Issuer;

(D) Obligations under the Existing Senior Subordinated Notes; provided that Net Proceeds from an Asset Sale may only be applied pursuant to this clause (1)(D) if such Asset Sale is a Recorded Music Sale and the Change of Control Offer in connection therewith has been completed;

(E) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or an Affiliate of the Issuer;

(2) to make Restricted Payments to Holdings the proceeds of which are applied solely to repurchase, redeem, defease or otherwise permanently reduce Obligations under the Holdings Notes (A) if, at the time of, and after giving effect to, any such Restricted Payment, the aggregate amount of Net Proceeds applied pursuant to this clause (2) since the Issue Date, when taken together with the aggregate amount of Net Proceeds applied pursuant to clause (1)(C) above, shall not exceed \$250.0 million; provided that Net Proceeds from an Asset Sale may only be applied pursuant to this clause (2)(A) if the substantial majority of the assets sold in such Asset Sale consist of Recorded Music Business assets as determined in good faith by the Issuer and (B) in an unlimited amount if such Asset Sale is a Recorded Music Sale and the Change of Control Offer in connection therewith has been completed;

(3) to make an investment in (A) any one or more businesses (*provided* that such investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary), (B) capital expenditures or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), are used or useful in a Permitted Business; and/or

(4) to make an investment in (A) any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and it results in the Issuer or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) properties or (C) assets that, in the case of each of the foregoing clauses (A), (B) and (C), replace the businesses, properties and assets that are the subject of such Asset Sale.

(c) When the aggregate amount of Net Proceeds not applied or invested in accordance with the preceding paragraph (“**Excess Proceeds**”) exceeds \$50.0 million, after taking into account any reductions of Indebtedness that ranks *pari passu* with the Securities made pursuant to the immediately preceding paragraph, the Issuer will make an offer (an “**Asset Sale Offer**”) to all Holders and holders of Indebtedness that ranks *pari passu* with the Securities and contains provisions similar to those set forth in this Indenture with respect to offers to purchase with the proceeds of sales of assets to purchase, on a *pro rata* basis, after taking into account any reductions of Indebtedness that ranks *pari passu* with the Securities made pursuant to the immediately preceding paragraph, the maximum principal amount of Securities and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds

(the “**Asset Sale Offer Amount**”). The offer price in any Asset Sale Offer will be equal to 100% of principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the date of purchase (the “**Asset Sale Payment**”), and will be payable in cash.

(d) Pending the final application of any Net Proceeds, the Issuer may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(e) If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Securities tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Securities to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(f) Upon the commencement of an Asset Sale Offer, the Issuer shall send, by first class mail, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Securities pursuant to the Asset Sale Offer. Any Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(1) that the Asset Sale Offer is being made pursuant to this Section 4.13;

(2) the Asset Sale Offer Amount, the Asset Sale Payment and the date on which Securities tendered and accepted for payment shall be purchased, which date shall be at least 30 days and no later than 60 days from the date such notice is mailed (the “**Asset Sale Payment Date**”);

(3) that any Securities not tendered or accepted for payment shall continue to accrete or accrue interest;

(4) that, unless the Issuer defaults in making such payment, any Securities accepted for payment pursuant to the Asset Sale Offer shall cease to accrete or accrue interest after the Asset Sale Payment Date;

(5) that Holders electing to have a Security purchased pursuant to the Asset Sale Offer may only elect to have all of such Security purchased and may not elect to have only a portion of such Security purchased;

(6) that Holders electing to have a Security purchased pursuant to any Asset Sale Offer shall be required to surrender the Security, with the form entitled “Option of Holder To Elect Purchase” on the reverse of the Securities completed, or transfer

such Security by book-entry transfer, to the Issuer, a depository, if appointed by the Issuer, or the Paying Agent at the address specified in the notice at least three days before the Asset Sale Payment Date;

(7) that Holders shall be entitled to withdraw their election if the Issuer, the Depository or the Paying Agent, as the case may be, receives, not later than the Asset Sale Payment Date, a notice setting forth the name of the Holder, the principal amount of the Security the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased;

(8) that, if the aggregate principal amount of Securities surrendered by Holders exceeds the Asset Sale Offer Amount, the Issuer shall select the Securities to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuer so that only Securities in denominations of \$2,000 or integral multiples of \$1,000 shall be purchased); and

(9) that Holders whose Securities were purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered (or transferred by book-entry transfer); *provided* that such Securities shall be in denominations of \$2,000 or integral multiples \$1,000 in excess thereof.

(g) On the Asset Sale Payment Date, the Issuer shall, to the extent lawful: (1) accept for payment all Securities or portions thereof properly tendered pursuant to the Asset Sale Offer; (2) deposit with the Paying Agent U.S. Legal Tender or U.S. Government Securities sufficient to pay the Asset Sale Payment in respect of all Securities or portions thereof so tendered; and (3) deliver or cause to be delivered to the Trustee the Securities so accepted together with an Officers' Certificate stating the aggregate principal amount of Securities or portions thereof being repurchased by the Issuer. The Issuer shall publicly announce the results of the Asset Sale Offer on the Asset Sale Payment Date.

(h) The Paying Agent shall promptly mail to each Holder so tendered the Asset Sale Payment for such Securities, and the Trustee shall promptly authenticate pursuant to an Authentication Order and mail (or cause to be transferred by book entry) to each Holder a new Security equal in principal amount to any unreurchased portion of the Securities surrendered, if any; *provided* that each such new Security shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. However, if the Asset Sale Payment Date is on or after an interest Record Date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Security is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Securities pursuant to the Asset Sale Offer.

(i) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.13, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.13 by virtue of such conflict.

SECTION 4.14. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an “**Affiliate Transaction**”) involving aggregate consideration in excess of \$12.5 million, unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(2) the Issuer delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, a Board Resolution approving such Affiliate Transaction set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.14 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors.

(b) The restrictions set forth in Section 4.14(a) do not apply to:

(1) transactions between or among the Issuer and/or any Restricted Subsidiary or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(2) Restricted Payments (other than pursuant to clause (7) of Section 4.11(b)) and Permitted Investments (other than pursuant to clauses (10), (11) and (15) of the definition thereof) permitted by this Indenture;

(3) the payment to the Sponsors and any of their Affiliates of annual management, consulting, monitoring and advisory fees pursuant to the Management Agreement in an aggregate amount in any fiscal year not to exceed \$10.0 million and related reasonable expenses;

(4) the payment of reasonable and customary fees paid to, and indemnities provided on behalf of, officers, directors, employees or consultants of the Issuer, any of its direct or indirect parent corporations or any Restricted Subsidiary;

(5) the payments by the Issuer or any Restricted Subsidiary to the Sponsors and any of their Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the members of the Board of Directors of the Issuer in good faith;

(6) transactions in which the Issuer or any Restricted Subsidiary delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view;

(7) payments or loans (or cancellations of loans) to employees or consultants of the Issuer or any of its direct or indirect parent corporations or any Restricted Subsidiary which are approved by a majority of the Board of Directors of the Issuer in good faith and which are otherwise permitted under this Indenture;

(8) payments made or performance under any agreement as in effect on the Issue Date (other than the Management Agreement and Stockholders Agreement, but including, without limitation, each of the other agreements entered into in connection with the Transactions) or any amendment thereto (so long as any such amendment is not less advantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date);

(9) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, the Stockholders Agreement (including any registration rights agreement or purchase agreements related thereto to which it is a party as of the Issue Date and any similar agreement that it may enter into thereafter); *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to the Stockholders Agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing agreement, together with all amendments thereto, taken as a whole, or new agreement are not otherwise more disadvantageous to Holders in any material respect than the original agreement as in effect on the Issue Date;

(10) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to Holdings or the Restricted Subsidiaries, in the reasonable determination of the members of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(11) the Transactions and the payment of all fees and expenses related to the Transactions and the prepayment of \$10.0 million in management fees for the fiscal year ended November 30, 2004;

(12) if otherwise permitted hereunder, the issuance of Equity Interests (other than Disqualified Stock) of Holdings to any Permitted Holder or to any director, officer, employee or consultant of the Issuer or Holdings or their Subsidiaries or of the Issuer to Holdings or to any Permitted Holder or to any director, officer, employee or consultant of the Issuer or Holdings or their Subsidiaries; and

(13) any transaction with a Securitization Subsidiary effected as part of a Qualified Securitization Financing.

SECTION 4.15. Dividend and Other Payment Restrictions Affecting Subsidiaries.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any such Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Issuer or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(2) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries.

(b) However, the preceding restrictions in Section 4.15(a) will not apply to encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect (x) pursuant to the Credit Agreement or related documents or (y) on the Issue Date, including, without limitation, pursuant to Existing Indebtedness and its related documentation;

 - (4) applicable law or any applicable rule, regulation or order;
 - (5) any agreement or other instrument of a Person acquired by the Issuer or any Restricted Subsidiary in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

 - (9) other Indebtedness or Preferred Stock (i) of the Issuer or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Issue Date pursuant to Section 4.10 or (ii) that is incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to clause (1), (4), (11) or (20) of Section 4.10(b);

(13) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; *provided, however,* that such restrictions apply only to such Securitization Subsidiary; or

(14) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness.

SECTION 4.16. Additional Subsidiary Guarantees.

(a) The Issuer will cause each Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Securitization Subsidiary) that guarantees any Indebtedness of the Issuer or any of its Restricted Subsidiaries to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Securities, substantially in the form of Exhibit I hereto. Each Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) Each Guarantee shall be released in accordance with Article Eleven.

SECTION 4.17. Reports to Holders.

(a) Whether or not required by the Commission, so long as any Securities are outstanding, the Issuer will furnish to the Holders, within the time periods specified in the Commission's rules and regulations:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Issuer's certified independent accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Issuer were required to file such reports.

(b) In addition, whether or not required by the Commission, the Issuer will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, the Issuer has agreed that, for so long as any Securities remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) In addition, if at any time any parent company of the Issuer becomes a Guarantor (there being no obligation of any parent company of the Issuer to do so) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be filed and furnished to Holders pursuant to this Section 4.17 may, at the option of the Issuer, be filed by and be those of such parent company rather than the Issuer.

SECTION 4.18. Limitation on Subordinated Debt.

The Issuer will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Securities and the applicable Guarantees on substantially identical or more favorable terms; provided, however, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

SECTION 4.19. Business Activities.

The Issuer will not, and will not permit any Restricted Subsidiary (other than a Securitization Subsidiary) to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Issuer and its Subsidiaries taken as a whole.

SECTION 4.20. Payments for Consent.

The Issuer will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SECTION 4.21. Restrictions on Music Publishing Sale.

The Issuer may not consummate a Music Publishing Sale unless:

- (1) the Person to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (such Person being herein called the "Successor MP Company");
- (2) the Successor MP Company has assumed all the obligations of the Issuer under the Securities, the Indenture, the Security Documents and the Registration Rights Agreement pursuant to agreements reasonably satisfactory to the Trustee;
- (3) immediately after such transaction no Default or Event of Default exists;
- (4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either
 - (a) the Successor MP Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception; or
 - (b) the Fixed Charge Coverage Ratio for the Successor MP Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction; and
- (5) each Guarantor, unless it is not part of the Music Publishing Sale, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the Securities.

The Issuer will deliver to the Trustee prior to the consummation of a Music Publishing Sale an Officers' Certificate certifying that the conditions set forth above are satisfied and an Opinion of Counsel, which opinion may contain customary exceptions and qualifications, that the Music Publishing Sale and the supplemental indenture, if any, comply with this Indenture.

This Section 4.21 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

SUCCESSOR CORPORATION

SECTION 5.01. Merger, Consolidation, or Sale of Assets.

(a) The Issuer may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Issuer is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) either: (a) the Issuer is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Issuer or such Person, as the case may be, being herein called the “**Successor Company**”);

(2) the Successor Company (if other than the Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Issuer under the Securities, this Indenture, the Security Documents and the Registration Rights Agreement;

(3) immediately after such transaction no Default or Event of Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(a) the Successor Company or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception; or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction; and

(5) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Securities;

provided, that for the purposes of this Section 5.01 only, neither a Music Publishing Sale nor Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Issuer may therefore consummate a Music Publishing Sale in accordance with Section 4.21 notwithstanding anything to the contrary in this Section 5.01, (2) the Issuer may therefore consummate a Recorded Music Sale in accordance with Section 4.13 without complying with this Section 5.01 (other than the preceding proviso) notwithstanding anything to the contrary in this Section 5.01 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Issuer under any other contract to which the Issuer is a party.

This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (3) and (4), (i) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary and (ii) the Issuer may merge with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

In the event of any transaction described in and complying with the conditions listed in the preceding paragraph in which the Issuer is not the continuing corporation, the successor Person formed or remaining shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer and the Issuer will be discharged from all obligations and covenants under this Indenture and the Securities.

(b) The Issuer will deliver to the Trustee prior to the consummation of each proposed transaction an Officers' Certificate certifying that the conditions set forth above are satisfied and an Opinion of Counsel, which opinion may contain customary exceptions and qualifications, that the proposed transaction and the supplemental indenture, if any, comply with this Indenture.

ARTICLE SIX

DEFAULT AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following is an “**Event of Default**”:

- (1) the Issuer defaults in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Securities;
- (2) the Issuer defaults in the payment when due of interest or Special Interest, if any, on or with respect to the Securities and such default continues for a period of 30 days;
- (3) the Issuer defaults in the performance of, or breaches any covenant, warranty or other agreement contained in, this Indenture (other than a default in the performance or breach of a covenant, warranty or agreement which is specifically dealt with in clauses (1) or (2) above) and such default or breach continues for a period of 60 days after the notice specified below;
- (4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary or the payment of which is guaranteed by the Issuer or any Restricted Subsidiary (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the Issue Date, if (A) such default either (1) results from the failure to pay any such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or (2) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity and (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$25.0 million (or its foreign currency equivalent) or more at any one time outstanding;
- (5) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary case,

- (B) consents to the entry of an order for relief against it in an involuntary case,
- (C) consents to the appointment of a Custodian of it or for all or substantially all of its property,
- (D) makes a general assignment for the benefit of its creditors,
- (E) takes any comparable action under any foreign laws relating to insolvency,
- (F) generally is not able to pay its debts as they become due, or
- (G) takes any corporate action to authorize or effect any of the foregoing;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Subsidiary in an involuntary case,

(B) appoints a Custodian of the Issuer or any Significant Subsidiary or for all or substantially all of the property of the Issuer or any Significant Subsidiary, or

(C) orders the liquidation of the Issuer or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days;

(7) the failure by the Issuer or any Significant Subsidiary to pay final judgments (other than any judgments covered by insurance policies issued by reputable and creditworthy insurance companies) aggregating in excess of \$25.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and, with respect to any judgments covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(8) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof) or any Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee and such Default continues for 10 days; or

(9) with respect to Collateral having a fair market value in excess of \$25.0 million, individually, (A) the security interest under the Security Documents, at any time, ceases to be in full force and effect for any reason other than in accordance with the terms of the Indenture and the Security Documents (other than to the extent that any such failure to be in full force and effect results from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file Uniform Commercial Code continuation statements and except, as to Collateral consisting of real property, to the extent that such failure is covered by a lender's title insurance policy and the Collateral Agent is reasonably satisfied with the credit of such insurer), (B) any security interest created thereunder or under the Indenture is declared invalid or unenforceable by a court of competent jurisdiction or (C) the Issuer or any Guarantor asserts, in any pleading or in any court of competent jurisdiction, that any such security interest is invalid or unenforceable.

SECTION 6.02. Acceleration.

If an Event of Default specified in Sections 6.01(5) and (6) above occurs with respect to the Issuer and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Securities shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of each Trustee or any Holder.

If any other Event of Default shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities under this Indenture may declare the principal of and accrued interest on such Securities to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a "notice of acceleration" (the "**Acceleration Notice**"), and the same:

(1) shall become immediately due and payable; or

(2) shall become immediately due and payable upon the first to occur of an acceleration under any Credit Agreement and five Business Days after receipt by the Issuer of such Acceleration Notice but only if such Event of Default is then continuing.

At any time after a declaration of acceleration with respect to the Securities as described in the two preceding paragraphs, the Holders of a majority in principal amount of the Securities may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, if interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

(4) if the Issuer has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances; and

(5) in the event of the cure or waiver of an Event of Default of the type described in Sections 6.01(5) and (6), if the Trustee shall have received an Officers' Certificate and an Opinion of Counsel that such Event of Default has been cured or waived.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

(a) If a Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon a Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

(c) In the event of any Event of Default specified in clause (4) of Section 6.01, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

(d) Holders may not enforce this Indenture or the Securities except as provided in this Indenture and under the TIA, if provisions from the TIA are incorporated into this Indenture. Subject to the provisions of this Indenture relating to the duties of the Trustee, the Trustee is under no obligation to exercise any of its rights or powers under this Indenture at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable indemnity. Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Securities issued under this Indenture have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

SECTION 6.04. Waiver of Defaults.

Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in aggregate principal amount of Securities at the time outstanding may on behalf of the Holders of all the Securities waive any Default with respect to such Securities and its consequences by providing written notice thereof to the Issuer and the Trustee, except a Default (1) in the payment of interest on or the principal of any Security or (2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Security affected. In the case of any such waiver, the Issuers, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, respectively; *provided* that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. *provided, however,* that if any amendment, waiver or other modification will only affect the Securities, only the consent of the Holders of at least a majority in principal amount of the then outstanding Securities (and not the consent of at least a majority of all Securities), as the case may be, shall be required.

SECTION 6.05. Control by Majority.

The Holders of not less than a majority in principal amount of the outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.01, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Securityholder, or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits.

A Holder may not pursue any remedy with respect to this Indenture or the Securities unless:

- (1) the Holder gives to the Trustee written notice of a continuing Event of Default;
- (2) the Holder or Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and provide to the Trustee indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 45 days after receipt of the request and the offer and the provision of indemnity; and
- (5) during such 45-day period the Holder or Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder.

SECTION 6.07. Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder.

SECTION 6.08. Collection Suit by Trustee.

If a Default in payment of principal or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Securities for the whole amount of principal and accrued interest and fees remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue

installments of interest, in each case at the rate *per annum* borne by the Securities and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Issuer, its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.07. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee shall be entitled to participate as a member of any officer committee of creditors in the matters as it deems necessary or advisable.

SECTION 6.10. Priorities.

Subject to the provisions of Article Ten, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for interest accrued on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for interest;

THIRD: to Holders for principal amounts due and unpaid on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal; and

FOURTH: to the Issuer or, if applicable, the Guarantors, as their respective interests may appear.

The Trustee, upon prior notice to the Issuer, may fix a Record Date and payment date for any payment to Holders pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Securities.

ARTICLE SEVEN

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If a Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of a Default:

(1) The Trustee need perform only those duties as are specifically set forth herein or in the TIA and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee.

(2) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officers' Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 7.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 12.05. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(i) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(j) The Trustee shall not be deemed to have notice of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(l) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage regardless of the form of action.

(m) The Trustee may request that the Issuer and any Guarantor deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers (with specimen signatures) authorized at such times to take specific actions pursuant to this Indenture, which Officers' Certificate may be signed by any person specified as so authorized in any such certificate previously delivered and not superceded.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of Securities or any statement in the Securities other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

SECTION 7.05. Notice of Default.

If a Default occurs and is continuing and the Trustee receives actual notice of such Default, the Trustee shall mail to each Holder notice of the uncured Default within 60 days after such Default occurs. Except in the case of a Default in payment of principal of, or interest on, any Security, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or the Asset Sale Offer Payment Date pursuant to an Asset Sale Offer, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after each June 1, beginning with June 1, 2010, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Holder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA §§ 313(b), 313(c) and 313(d).

A copy of each report at the time of its mailing to Holders shall be mailed to the Issuer and filed with the Commission and each securities exchange, if any, on which the Securities are listed.

The Issuer shall notify the Trustee if the Securities become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with TIA § 313(d).

SECTION 7.07. Compensation and Indemnity.

The Issuer shall pay to the Trustee from time to time such compensation as the Issuer and the Trustee shall from time to time agree in writing for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Issuer shall indemnify each of the Trustee or any predecessor Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against, any and all loss, damage, claims including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), liability or expense incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust including the costs and expenses of enforcing this Indenture or a Guarantee against the Issuer or a Guarantor (including this Section 7.07) and the reasonable costs and expenses of defending themselves against or investigating any claim or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder (whether asserted by the Issuer, any Guarantor, any Holder or any other Person). The Trustee shall notify the Issuer promptly of any claim asserted against the Trustee or any of its agents, employees, officers,

stockholders and directors for which it may seek indemnity. The Issuer may, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents, employees, officers, stockholders and directors subject to the claim may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel; *provided, however*, that the Issuer will not be required to pay such fees and expenses if, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), it assumes the Trustee's defense and there is no conflict of interest between the Issuer and the Trustee and its agents, employees, officers, stockholders and directors subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer need not pay for any settlement made without its written consent. The Issuer need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

Notwithstanding Section 4.12 hereof, to secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Securities against all money or property held or collected by the Trustee, in its capacity as Trustee.

When the Trustee incurs expenses or renders services after a Default specified in Section 6.01(5) or (6) occurs, such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law and are intended to constitute expenses of administration under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Securities may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.07, all property held by it as Trustee to the successor Trustee, subject to the Lien provided in Section 7.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; *provided* that such corporation shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have a combined capital and

surplus of at least \$150,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); *provided, however*, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuer are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Issuer and any other obligor of the Securities.

SECTION 7.11. Preferential Collection of Claims Against the Issuer.

The Trustee, in its capacity as Trustee hereunder, shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE EIGHT

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Termination of the Issuer's Obligations.

The Issuer may terminate its obligations under the Securities and this Indenture, except those obligations referred to in the penultimate paragraph of this Section 8.01, if all Securities previously authenticated and delivered (other than destroyed, lost or stolen Securities which have been replaced or paid or Securities for whose payment U.S. Legal Tender or U.S. Government Securities, or a combination thereof, in such amount as is, in the opinion of a nationally recognized firm of independent public accountants, sufficient without consideration of reinvestment of such interest, to pay principal of, premium, if any, and interest on the outstanding Securities to maturity or redemption, has theretofore been deposited with the Trustee or the Paying Agent in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer, as provided in Section 8.05) have been delivered to the Trustee for cancellation and the Issuer has paid all sums payable by it hereunder, or if:

(a) either (i) pursuant to Article Three, the Issuer shall have given notice to the Trustee and mailed a notice of redemption to each Holder of the redemption of all of the Securities in accordance with the provisions hereof or (ii) all Securities have otherwise become or will become due and payable by reason of the mailing of a notice of redemption or otherwise within one (1) year hereunder;

(b) the Issuer shall have irrevocably deposited or caused to be deposited with the Trustee or a trustee satisfactory to the Trustee, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, as trust funds in trust solely for the benefit of the Holders of that purpose, U.S. Legal Tender or U.S. Government Securities, or a combination thereof, in such amount as is, in the opinion of a nationally recognized firm of independent public accountants, sufficient without consideration of reinvestment of such interest, to pay principal of, premium, if any, and interest on the outstanding Securities to maturity or redemption; *provided* that the Trustee shall have been irrevocably instructed to apply such U.S. Legal Tender or U.S. Government Securities, or a combination thereof, to the payment of said principal, premium, if any, and interest with respect to the Securities;

(c) in respect of Section 8.01(b), no Default with respect to this Indenture or the Securities shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit (other than a Default resulting from borrowing of funds to be applied to such deposit) and such deposit will not result in a breach or violation of, or constitute a default under, the Credit Agreement or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which it is bound;

(d) the Issuer shall have paid all other sums payable by it hereunder; and

(e) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent providing for or relating to the termination of the Issuer's obligations under the Securities and this Indenture have been complied with. Such Opinion of Counsel shall also state that such satisfaction and discharge does not result in a default under the Credit Agreement or any other material agreement or instrument then known to such counsel that binds or affects the Issuer.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.06, 2.07, 2.08, 2.09, 4.01, 4.02, 7.07, 8.05 and 8.06 shall survive until the Securities are no longer outstanding pursuant to the last paragraph of Section 2.09. After the Securities are no longer outstanding, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under the Securities and this Indenture except for those surviving obligations specified above.

Upon a satisfaction and discharge in accordance with the provisions of the Security Documents, the Collateral Agent will cease to be party to the Security Documents on behalf of the holders of the Securities and the Collateral will no longer secure the Securities.

SECTION 8.02. Legal Defeasance and Covenant Defeasance.

(a) The Issuer may, at its option and at any time, elect to have either paragraph (b) or (c) below applied to all outstanding Securities upon compliance with the conditions set forth in Section 8.03.

(b) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (b), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03, be deemed to have been discharged from their obligations with respect to all outstanding Securities on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.04 hereof and the other Sections of this Indenture (with respect to such Securities) referred to in (i) and (ii) below, and to have satisfied all its other obligations under such Securities and this Indenture (with respect to such Securities) and the Guarantors shall be deemed to have satisfied all of their obligations under the Subsidiary Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(i) the rights of Holders of outstanding Securities issued hereunder to receive payments in respect of the principal of, or interest or premium and Special Interest, if any, on such Securities when such payments are due from the trust referred to below;

(ii) the Issuer's obligations with respect to the Securities issued thereunder concerning issuing temporary Securities, registration of Securities, mutilated, destroyed, lost or stolen Securities and the maintenance of an office or agency for payment and money for security payments held in trust;

(iii) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(iv) this Article Eight.

Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02(b) notwithstanding the prior exercise of its option under Section 8.02(c) hereof.

(c) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (c), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03 hereof, be released from their obligations under the covenants contained in Sections 4.03 (with respect to Restricted Subsidiaries only), 4.04, 4.05, 4.06, 4.07 and 4.09 through 4.20 and clauses (3) and (4) of Section 5.01(a) hereof with respect to the outstanding Securities on and after the date the conditions set forth in Section 8.03 are satisfied (hereinafter, "**Covenant Defeasance**"), and the Securities shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. In addition, upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (c), subject to the satisfaction of the conditions set forth in Section 8.03 hereof, clauses (3), (4), (5), (6) and (7) of Section 6.01 hereof shall not constitute Events of Default.

SECTION 8.03. Conditions to Legal Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02(b) or 8.02(c) hereof to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the applicable Securities issued thereunder, cash in U.S. Legal Tender, non-callable U.S. Government Securities, or a combination of cash in U.S. Legal Tender and non-callable U.S. Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium and Special Interest, if any, on the outstanding Securities issued thereunder on the stated maturity or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Securities are being defeased to maturity or to a particular redemption date;

(2) in the case of an election under Section 8.02(b) hereof, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the holders of the respective outstanding Securities will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.02(c) hereof, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the holders of the respective outstanding Securities will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) or insofar as Events of Default resulting from the borrowing of funds or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Restricted Subsidiaries is a party or by which the Issuer or any of its Restricted Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Upon a Legal Defeasance or Covenant Defeasance in accordance with the provisions of the Security Documents, the Collateral Agent will cease to be party to the Security Documents on behalf of the holders of the Securities and the Collateral will no longer secure the Securities.

SECTION 8.04. Application of Trust Money.

The Trustee or Paying Agent shall hold in trust U.S. Legal Tender and U.S. Government Securities, deposited with it pursuant to this Article Eight, and shall apply the deposited U.S. Legal Tender and the money from U.S. Government Securities in accordance with this Indenture to the payment of principal of and interest on the Securities. The Trustee shall be under no obligation to invest said U.S. Legal Tender and U.S. Government Securities except as it may agree with the Issuer.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Legal Tender and U.S. Government Securities, deposited pursuant to Section 8.03 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities.

Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender and U.S. Government Securities, held by it as provided in Section 8.03 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.05. Repayment to the Issuer.

Subject to this Article Eight, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request any excess U.S. Legal Tender and U.S. Government Securities, held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal or interest that remains unclaimed for two years; *provided* that the Trustee or such Paying Agent, before being required to make any payment, may at the expense of the Issuer cause to be published once in a newspaper of general circulation in the City of New York or mail to each Holder entitled to such money notice that such money remains unclaimed and that after a date specified therein which shall be at least 30 days from the date of such publication or mailing any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person.

SECTION 8.06. Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. Legal Tender and U.S. Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such U.S. Legal Tender and U.S. Government Securities in accordance with this Article Eight; *provided* that if the Issuer has made any payment of interest on or principal of any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the U.S. Legal Tender or U.S. Government Securities held by the Trustee or Paying Agent.

ARTICLE NINE

(14) to evidence and provide for the acceptance of appointment of a successor trustee so long as the successor trustee is otherwise qualified and eligible to act as such under the terms of this Indenture; or

provided that the Issuer has delivered to the Trustee an Opinion of Counsel and an Officers' Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.01.

SECTION 9.02. With Consent of Holders.

(a) Subject to Sections 6.07 and 9.03, the Issuer and the Trustee, together, with the written consent of the Holder or Holders of a majority in aggregate principal amount of the outstanding Securities, may amend or supplement this Indenture or the Securities without notice to any other Holders. Subject to Sections 6.07 and 9.03, the Holder or Holders of a majority in aggregate principal amount of then outstanding Securities may waive compliance with any provision of this Indenture or the Securities without notice to any other Holders.

(b) Notwithstanding Section 9.02(a), without the consent of each Holder affected, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not (with respect to any Securities held by a non-consenting Holder):

- (1) reduce the principal amount of Securities whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Security or alter the provisions with respect to the redemption of the Securities (other than provisions of Sections 4.09, 4.13 and 3.07);
- (3) reduce the rate of or change the time for payment of interest on any Security;
- (4) waive a Default or Event of Default in the payment of principal, or interest or premium, or Special Interest, if any, on the Securities (except a rescission of acceleration of the Securities by the Holders of at least a majority in aggregate principal amount of the Securities and a waiver of the payment default that resulted from such acceleration);
- (5) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium or Special Interest, if any, on the Securities;

(6) waive a redemption payment with respect to any Security (other than a payment required by one of the provisions of Section 4.09, Section 4.13 and Section 3.07);

(7) modify the Guarantees in any manner adverse to the Holders; or

(8) make any change in the preceding amendment and waiver provisions.

(c) It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

(e) In addition, without the consent of at least 66 2/3% in aggregate principal amount of Securities then outstanding, an amendment, supplement or wavier may not have the effect of releasing all or substantially all of the Collateral from the Liens securing the Securities, other than in connection with sales of the Collateral permitted hereunder, including a Recorded Music Sale or, in the case of a Music Publishing Sale, where the terms of Section 4.21 are being complied with.

SECTION 9.03. Reserved.

SECTION 9.04. Compliance with TIA.

From the date on which this Indenture is qualified under the TIA, if it is so qualified, every amendment, waiver or supplement of this Indenture, the Securities or the Subsidiary Guarantees shall comply with the TIA as then in effect.

SECTION 9.05. Revocation and Effect of Consents.

(a) Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of his Security by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Securities have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver which record date shall be at least 30 days prior to the first solicitation of such consent. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Securityholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date. The Issuer shall inform the Trustee in writing of the fixed record date if applicable.

(c) After an amendment, supplement or waiver becomes effective, it shall bind every Securityholder, unless it makes a change described in any of clauses (1) through (8) of Section 9.02(b), in which case, the amendment, supplement or waiver shall bind only each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security; *provided* that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

SECTION 9.06. Notation on or Exchange of Securities.

If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Issuer shall provide the Trustee with an appropriate notation on the Security about the changed terms and cause the Trustee to return it to the Holder at the Issuer's expense. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.07. Trustee To Sign Amendments, Etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this

Article Nine is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE TEN

COLLATERAL AND SECURITY

SECTION 10.01. Security Documents

The due and punctual payment of the principal of, premium on, if any, interest and Special Interest, if any, on, the Securities when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, interest and Special Interest, if any (to the extent permitted by law), on the Securities and performance of all other obligations of the Issuer to the Holders of Notes or the Trustee under this Indenture and the Securities (including, without limitation, the Note Guarantees), according to the terms hereunder or thereunder, are secured as provided in the Security Documents which the Issuer has entered into simultaneously with the execution of this Indenture and which is attached as Exhibit H hereto. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with its terms and authorizes and appoints the Trustee as the Collateral Agent and directs the Collateral Agent to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer will deliver to the Trustee copies of all documents delivered to the Collateral Agent pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Security Documents, to assure and confirm to the Trustee and the Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Securities secured hereby, according to the intent and purposes herein expressed. The Issuer will take, and will cause its Subsidiaries to take, upon request of the Trustee, any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Issuer hereunder, a valid and enforceable perfected first priority Lien in and on all the Collateral, in favor of the Collateral Agent for the benefit of the Holders of Notes, superior to and prior to the rights of all third Persons and subject to no other Liens than Permitted Liens.

SECTION 10.02. Reserved.

SECTION 10.03. Release of Collateral.

(a) Subject to subsections (b), (c) and (d) of this Section 10.03 and Section 9.02, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of Security Documents or as provided hereby. In addition, upon the request of the Issuer pursuant to an Officers' Certificate and an Opinion of Counsel certifying that all conditions precedent hereunder have been met and stating whether or not such release is in connection with an Asset Sale and (at the sole cost and expense of the Issuer) the Collateral Agent will release Collateral that is sold, conveyed or disposed of in compliance with the provisions of this Indenture; *provided* that if such sale, conveyance or disposition constitutes an Asset Sale, the Issuer will apply the Net Proceeds in accordance with Section 4.10 hereof. Upon receipt of such Officers' Certificate and Opinion of Counsel the Collateral Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents.

(b) No Collateral may be released from the Lien and security interest created by the Security Documents pursuant to the provisions of the Security Documents unless the certificate required by this Section 10.03 has been delivered to the Collateral Agent.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of the Security Documents will be effective as against the Holders of Notes.

(d) In the following circumstances, as applicable and as established by Officers' Certificate and Opinion of Counsel, either (i) the Collateral Agent will cease to be a party to the Security Documents on behalf of the Holders and the Collateral will cease to secure the Securities or (ii) the Liens securing the Securities will automatically and without the need for any further action by any Person be released:

(1) in or in part, as applicable, as to all or any portion of the Collateral which has been taken by eminent domain, condemnation or other similar circumstances;

(2) in whole upon (A) a satisfaction and discharge of this Indenture, (B) a Legal Defeasance or (C) Covenant Defeasance;

(3) in part, as to any property that (A) is sold transferred or otherwise disposed of by the Issuer or any Guarantor (other than to the Issuer or another Guarantor) in a transaction (other than a Music Publishing Sale, which is governed by the terms of Section 4.21) not prohibited by this Indenture, or any Credit Agreement or the Security Documents at the time of such transfer or disposition or (B) is owned or at any time acquired by a Guarantor that has been released from its Guarantee, concurrently with the release of such Guarantee;

(4) as to property that constitutes all or substantially all of the Collateral, in accordance with Section 9.02(e);

(5) as to property that constitutes less than all or substantially or substantially all of the Collateral, in accordance with Section 9.02(a); and

(6) in part, in accordance with the applicable provisions of the Security Documents.

(e) The release of any Collateral from the terms of this Indenture and the Security Documents will not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral is released pursuant to the terms of the Security Documents. To the extent applicable, the Issuer will cause TIA §313(b), relating to reports, and TIA §314(d), relating to the release of property or securities from the Lien and security interest of the Security Documents and relating to the substitution therefor of any property or securities to be subjected to the Lien and security interest of the Security Documents, to be complied with. Any certificate or opinion required by TIA §314(d) may be made by an Officer of the Issuer except in cases where TIA §314(d) requires that such certificate or opinion be made by an independent Person, which Person will be an independent engineer, appraiser or other expert selected or approved by the Trustee and the Collateral Agent in the exercise of reasonable care.

SECTION 10.04. Certificates of the Issuer.

If the Indenture is qualified under the TIA, The Issuer will furnish to the Trustee and the Collateral Agent, prior to each proposed release of Collateral pursuant to the Security Documents:

(1) all documents required by TIA §314(d); and

(2) an Opinion of Counsel, which may be rendered by internal counsel to the Issuer, to the effect that such accompanying documents constitute all documents required by TIA §314(d).

The Trustee may, to the extent permitted by Sections 7.01 and 7.02 hereof, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and such Opinion of Counsel.

SECTION 10.05. Certificates of the Trustee.

In the event that the Issuer wishes to release Collateral in accordance with the Security Documents and has delivered the certificates and documents required by the Security Documents and Sections 10.03 and 10.04 hereof, the Trustee will determine whether it has received all documentation required by TIA §314(d) in connection with such release and, based on such determination and the Opinion of Counsel delivered pursuant to Section 10.04(2) hereof, will deliver a certificate to the Collateral Agent setting forth such determination.

SECTION 10.06. Authorization of Actions to be Taken by the Trustee Under the Security Documents.

Subject to the provisions of Section 7.01 and 7.02 hereof, the Trustee may, in its sole discretion and without the consent of the Holders of Notes, direct, on behalf of the Holders of Notes, the Collateral Agent to, take all actions it deems necessary or appropriate in order to:

- (1) enforce any of the terms of the Security Documents; and
- (2) collect and receive any and all amounts payable in respect of the Obligations of the Issuer hereunder.

The Trustee will have power to institute and maintain such suits and proceedings, at the expense of the Issuer, as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

SECTION 10.07. Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Security Documents, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

SECTION 10.08. Termination of Security Interest.

Upon the full and final payment and performance of all Obligations of the Issuer under this Indenture and the Securities and the Credit Agreement or upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture in accordance with Article 8 hereof, the Trustee will, at the request of the Issuer, deliver a certificate to the Collateral Agent stating that such Obligations have been paid in full, and instruct the Collateral Agent to, as applicable, either (a) release the Liens pursuant to this Indenture and the Security Documents or (b) cease to be a party to the Security Documents on behalf of the Trustee and the Holders.

SECTION 10.09. Post-Collateral Obligations.

Upon reasonable request by the Collateral Agent, the Issuer shall, within a reasonable amount of time after receipt of such request, use its commercially reasonable efforts (i) to correct any material defect or error that may be discovered in the execution, acknowledgment, filing or recordation of any document or instrument relating to any Collateral, and (ii) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances and other instruments as the Collateral Agent, may reasonably require from time to time in order to carry out more effectively the purposes of the Security Documents.

ARTICLE ELEVEN

GUARANTEES

SECTION 11.01. Unconditional Guarantee.

Subject to the provisions of this Article Eleven, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees, on a senior secured basis to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its

successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Issuer or any other Guarantors to the Holders or the Trustee hereunder or thereunder: (a) (x) the due and punctual payment of the principal of, premium, if any, and interest on the Securities when and as the same shall become due and payable, whether at maturity, upon redemption or repurchase, by acceleration or otherwise, (y) the due and punctual payment of interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Securities and (z) the due and punctual payment and performance of all other obligations of the Issuer and all other obligations of the other Guarantors (including under the Guarantees), in each case, to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07 hereof), all in accordance with the terms hereof and thereof (collectively, the **“Guarantee Obligations”**); and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the due and punctual payment and performance of Guarantee Obligations in accordance with the terms of the extension or renewal, whether at maturity, upon redemption or repurchase, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Securities, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture or the Securities shall constitute an event of default under the Subsidiary Guarantees, and shall entitle the Holders to accelerate the obligations of the Guarantors thereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Guarantors hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Guarantee is affixed to any particular Security, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Securities, this Indenture and the Guarantee. The Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Guarantor, any amount paid by the Issuer or such Guarantor to the Trustee or such Holder, the Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders of Securities and the Trustee, on the other hand, (a) subject to this Article Eleven, the maturity of the obligations guaranteed

hereby may be accelerated as provided in Article Six for the purposes of the Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of the Guarantee.

SECTION 11.02. Reserved.

SECTION 11.03. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Securities, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under its Guarantee and this Article Eleven shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Eleven, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 11.04. Reserved.

SECTION 11.05. Release of a Guarantor.

The Guarantee of a Guarantor will be released:

(1) (a) upon the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which the applicable Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of the applicable Guarantor if such sale, disposition or other transfer is made in compliance with the applicable provisions of this Indenture;

(b) if the Issuer designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.11 and the definition of "Unrestricted Subsidiary," or

(c) in the case of any Restricted Subsidiary which after the Issue Date is required to guarantee the Securities pursuant to Section 4.16, upon the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Securities; and

(2) in the case of clause (1)(a) above, if such Guarantor is released from its guarantee, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreement and any other Indebtedness of the Issuer or any Restricted Subsidiary;

provided, however, in any case that any such termination shall occur only to the extent that all obligations of such Guarantor under all of its Guarantees of any Indebtedness of the Issuer or any Indebtedness of any other Guarantor shall also terminate upon such release and none of its Equity Interests are pledged for the benefit of any holder of any Indebtedness of the Issuer or any Indebtedness of any Restricted Subsidiary of the Issuer.

The Trustee shall execute an appropriate instrument prepared by the Issuer evidencing the release of a Guarantor from its obligations under its Guarantee upon receipt of a request by the Issuer or such Guarantor accompanied by an Officers' Certificate and an Opinion of Counsel certifying as to the compliance with this Section 11.05; *provided, however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Issuer.

Except as set forth in Articles Four and Five and this Section 11.05, nothing contained in this Indenture or in any of the Securities shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor.

SECTION 11.06. Waiver of Subrogation.

Until this Indenture is discharged and all of the Securities are discharged and paid in full, each Guarantor hereby irrevocably waives and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the Issuer's obligations under the Securities or this Indenture and such Guarantor's obligations under the Guarantee and this Indenture, in any such instance including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or

receive from the Issuer, directly or indirectly, in cash or other assets or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders under the Securities, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 11.06 is knowingly made in contemplation of such benefits.

SECTION 11.07. Immediate Payment.

Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Guarantee Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

SECTION 11.08. No Setoff.

Each payment to be made by a Guarantor hereunder in respect of the Guarantee Obligations shall be payable in the currency or currencies in which such Guarantee Obligations are denominated, and shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 11.09. Guarantee Obligations Absolute.

Subject to the provisions of Section 11.02, the obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

SECTION 11.10. Guarantee Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all such obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any

action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder.

SECTION 11.11. Guarantee Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Securities or this Indenture.

SECTION 11.12. Guarantee Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer or any other Guarantor is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or such Guarantor, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

SECTION 11.13. Guarantee Obligations Not Affected.

The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

- (a) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Issuer or any other Person;

(b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Securities or any other document or instrument;

(c) any failure of the Issuer or any other Guarantor, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture, the Securities or any Guarantee, or to give notice thereof to a Guarantor;

(d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;

(e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(f) any change in the time, manner or place of payment of, or in any other term of, any of the Securities, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Securities or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Securities;

(g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Guarantor;

(h) any merger or amalgamation of the Issuer or a Guarantor with any Person or Persons;

(i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Guarantee Obligations or the obligations of a Guarantor under its Guarantee; and

(j) any other circumstance, including release of the Guarantor pursuant to Section 11.05 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Securities or of a Guarantor in respect of its Guarantee hereunder.

SECTION 11.14. Waiver.

Without in any way limiting the provisions of Section 11.01, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or non-payment of any of the Guarantee Obligations, or other notice or formalities to the Issuer or any Guarantor of any kind whatsoever.

SECTION 11.15. No Obligation To Take Action Against the Issuer.

Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies against the Issuer or any other Person or any property of the Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

SECTION 11.16. Dealing with the Issuer and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

- (a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;
- (b) take or abstain from taking security or collateral from the Issuer or from perfecting security or collateral of the Issuer;
- (c) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Securities;
- (d) accept compromises or arrangements from the Issuer;
- (e) apply all monies at any time received from the Issuer or from any security upon such part of the Guarantee Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and
- (f) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

SECTION 11.17. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 11.07 hereof, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Subsidiary Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

SECTION 11.18. Amendment, Etc.

No amendment, modification or waiver of any provision of this Indenture relating to any Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

SECTION 11.19. Acknowledgment.

Each Guarantor, if any, hereby acknowledges communication of the terms of this Indenture and the Securities and consents to and approves of the same.

SECTION 11.20. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, legal fees on a solicitor and client basis) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

SECTION 11.21. No Merger or Waiver; Cumulative Remedies.

No Guarantee shall operate by way of merger of any of the obligations of a Guarantor under any other agreement, including, without limitation, this Indenture. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Securities, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Securities preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Securities and any other document or instrument between a Guarantor and/or the Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

SECTION 11.22. Survival of Guarantee Obligations.

Without prejudice to the survival of any of the other obligations of each Guarantor hereunder, the obligations of each Guarantor under Section 11.01 shall survive the payment in full of the Guarantee Obligations and shall be enforceable against such Guarantor without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Guarantor.

SECTION 11.23. Guarantee in Addition to Other Guarantee Obligations.

The obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Securities and any guarantees or security at any time held by or for the benefit of any of them.

SECTION 11.24. Severability.

Any provision of this Article Eleven which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Eleven.

SECTION 11.25. Successors and Assigns.

Each Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other Holders and their respective successors and permitted assigns, except that no Guarantor may assign any of its obligations hereunder or thereunder.

SECTION 1. Interest. WMG Acquisition Corp., a Delaware corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at 9.50% per annum from May 28, 2009 until maturity. The Company will pay interest semi-annually on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “**Interest Payment Date**”). Interest on the Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance; *provided* that if there is no existing Default in the payment of interest, and if this Security is authenticated between a Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be December 15, 2009. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand to the extent lawful at the interest rate applicable to the Securities; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30 day months.

SECTION 2. Method of Payment. The Company will pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders of Securities at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Securities are canceled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Securities will be issued in denominations of \$2,000 and integral multiples of \$1,000. The Company shall pay principal, premium, if any and interest on the Securities in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts (“**U.S. Legal Tender**”). Principal, premium, if any, and interest and Special Interest, if any, on the Securities will be payable at the office or

agency of the Company maintained for such purpose or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium and interest with respect to Securities the Holders of which have given wire transfer instructions to the Company prior to the Record Date will be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Company, the Company's office or agency in New York will be the office of the Trustee maintained for such purpose.

SECTION 3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any Affiliate may act in any such capacity.

SECTION 4. Indenture. The Company issued the Securities under an Indenture dated as of May 28, 2009 ("**Indenture**") among the Company, WMG Holdings Corp., solely to the extent set forth in Article X and as set forth in the Security Documents, the Guarantors and the Trustee. The terms of the Securities include those stated in the Indenture and, subject to Section 1.03 of the Indenture and the Indenture being qualified under the TIA, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb) (the "**TIA**"). The Securities are subject to all such terms (except as aforementioned), and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

SECTION 5. Optional Redemption. (a) The Securities may be redeemed, in whole or in part, at any time prior to June 15, 2013, at the option of the Company upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date).

For purposes of the preceding paragraph, the following terms will have the following definitions:

"**Applicable Premium**" means, with respect to any Security on any applicable redemption date, the greater of:

- (1) 1.0% of the then outstanding principal amount of the Security; and
- (2) the excess of:

(a) the present value at such redemption date of (i) the redemption price of the Security at June 15, 2013, as applicable (such redemption price being

set forth in the table appearing under paragraph (b)) plus (ii) all required interest payments due on the Security through June 15, 2013, as applicable (excluding accrued but unpaid interest), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(b) the then outstanding principal amount of the Security.

“**Treasury Rate**” means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to June 15, 2013; *provided, however*, that if the period from such redemption date to June 15, 2013 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after June 15, 2013, the Securities will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Special Interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on June 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2013	104.750%
2014	102.375%
2015 and thereafter	100.000%

(c) The Securities may be redeemed, in whole or in part, at any time prior to June 15, 2013, upon the consummation and closing of a Major Music/Media Transaction, on not less than 30 days’ prior written notice mailed by first-class mail to each holder’s registered address (which notice shall state that redemption is conditioned on consummation and closing of such Major Music/Media Transaction), at a redemption price equal to 104.750% of the principal amount of the Securities redeemed plus accrued and unpaid interest and Special Interest, if any, on the Securities to be redeemed to the applicable redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date).

SECTION 6. Optional Redemption upon Equity Offering. At any time on or prior to June 15, 2012, the Issuer may on any one or more occasions redeem up to 35% of the aggregate principal amount of Securities issued under the Indenture upon not less than 30 days nor more than 60 days’ notice, at a redemption price equal to 109.50% of the principal

amount thereof, plus accrued and unpaid interest and Special Interest thereon, if any, to the date of redemption subject to the rights of Holders of Securities on the relevant Record Date to receive interest on the relevant interest payment date), with the net cash proceeds of an Equity Offering by the Issuer or a contribution to the Issuer's common equity capital made with the net cash proceeds of an Equity Offering by the Issuer's direct or indirect parent; *provided* that (i) at least 50% of the aggregate principal amount of Securities originally issued under the (excluding Securities held by the Issuer and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (ii) such redemption shall occur within 90 days of the date of, and may be conditioned upon, the closing of such Equity Offering (disregarding the date of the closing of any over-allotment option with respect thereto).

SECTION 7. Mandatory Redemption. For the avoidance of doubt, an offer to purchase pursuant to Section 8 hereof shall not be deemed a redemption. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

SECTION 8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Sale and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Securities in accordance with the procedures set forth in the Indenture.

SECTION 9. Notice of Redemption. Notice of redemption pursuant to Section 5 and Section 6 will be mailed by first class mail in accordance with the terms of the Indenture Securities in denominations larger than \$2,000 may be redeemed in part. If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount thereof to be redeemed. A new Security in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Security. On and after the redemption date interest ceases to accrue on Securities or portions thereof called for redemption.

SECTION 10. Denominations, Transfer, Exchange. The Securities are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company or the Registrar is not required to transfer or exchange any Security selected for redemption. Also, the Company or the Registrar is not required to transfer or exchange any Securities (1) for a period of 15 days before a selection of Securities to be redeemed or (2) tendered and not withdrawn in connection with a Change of Control or an Asset Sale Offer.

SECTION 11. Persons Deemed Owners. The registered Holder of a Security may be treated as its owner for all purposes.

SECTION 12. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Securities may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Securities to, among other things, cure any ambiguity, defect or inconsistency in the Indenture, provide for uncertificated Securities in addition to certificated Securities, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not adversely affect the rights of any Holder of a Security.

SECTION 13. Defaults and Remedies. If a Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities generally may declare all the Securities to be due and payable immediately. Notwithstanding the foregoing, in the case of a Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, with respect to the Company, all outstanding Securities will become due and payable without further action or notice. Holders of the Securities may not enforce the Indenture or the Securities except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Securities then outstanding by notice to the Trustee may on behalf of the Holders of all of the Securities waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of the Securities or in respect of certain covenants set forth in the Indenture.

SECTION 14. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 15. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent corporation or any Guarantor, as such, shall have any liability for any obligations of the Company or the Guarantors under the Securities, the Indenture, the Security Documents, the Guarantors' Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

SECTION 16. Trustee Dealings with the Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company, its Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 17. Authentication. This Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 19. Additional Rights of Holders of Restricted Global Securities and Restricted Definitive Securities. Pursuant to, but subject to the exceptions in, the Registration Rights Agreement, the Company and the Guarantors, if any, will be obligated to consummate an exchange offer pursuant to which the Holder of this Security shall have the right to exchange this Initial Security for a 9.50% Senior Secured Note due 2016 of the Company which shall have been registered under the Securities Act, in like principal amount and having terms identical in all material respects to this Initial Security (except that such note shall not be entitled to Special Interest). The Holders shall be entitled to receive certain Special Interest in the event the Securities are not Freely Tradable or such exchange offer is not consummated or the Securities are not offered for resale and upon certain other conditions, all pursuant to and in accordance with the terms of the Registration Rights Agreement.^a

SECTION 20. Guarantees. The Securities will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 21. CUSIP Numbers and ISINs. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers and ISINs to be printed on the Securities and the Trustee may use CUSIP numbers and ISINs in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

^a This Section not to appear on Exchange Securities.

SECTION 22. Governing Law. **This Security shall be governed by, and construed in accordance with, the laws of the State of New York**

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture.

Ladies and Gentlemen:

In connection with our proposed purchase of 9.50% Senior Secured Notes due 2016 of WMG ACQUISITION CORP., a Delaware corporation (“the Issuer”), we confirm that:

1. We have received a copy of the Offering Circular (the “Offering Circular”), dated May 19, 2009, relating to the Securities and such other information as we deem necessary in order to make our investment decision. We acknowledge that we have read and agreed to the matters stated in the section entitled “Notice to Investors” of such Offering Circular, including the restrictions on duplication and circulation of the Offering Circular.
2. We understand that any subsequent transfer of the Securities is subject to certain restrictions and conditions set forth in the Indenture relating to the Securities (the “Indenture”) as described in the Offering Circular and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Securities except in compliance with, such restrictions and conditions and the Securities Act of 1933, as amended (the “Securities Act”), and all applicable State securities laws.

3. We understand that the offer and sale of the Securities have not been registered under the Securities Act, and that the Securities may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell any Securities, we will do so only (i) to the Issuer or any of its subsidiaries, (ii) inside the United States in accordance with Rule 144A under the Securities Act to a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act), (iii) inside the United States to an institutional “accredited investor” (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to the Trustee (as defined in the Indenture) a signed letter containing certain representations and agreements relating to the restrictions on transfer of the Securities (the form of which letter can be obtained from the Trustee), (iv) outside the United States in accordance with Regulation S promulgated under the Securities Act to non-U.S. persons, (v) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available), (vi) in accordance with another exemption from the registration requirements of the Securities Act (and based upon an opinion of counsel if the Issuer so requests) or (vii) pursuant to an effective registration statement under the Securities Act, and we further agree to provide to any person purchasing any of the Securities from us a notice advising such purchaser that resales of the Securities are restricted as stated herein.

5. We understand that, on any proposed resale of any Securities, we will be required to furnish to the Trustee and the Issuer such certification, legal opinions and other information as the Trustee and the Issuer may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Securities purchased by us will bear a legend to the foregoing effect.

6. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Securities, and we and any accounts for which we are acting are each able to bear the economic risk of our or their investment, as the case may be.

During the continuation of an Event of Default and subject to Section 2.04(c), with respect to any Security Collateral in which any Grantor has any right, title or interest and that is not an Uncertificated Security, promptly upon the request of the Collateral Agent, such Grantor will notify each such issuer of Pledged Equity that such Pledged Equity is subject to the security interest granted hereunder.

(v) To such Grantor’s knowledge, no Grantor or Intellectual Property Collateral is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Intellectual Property Collateral by such Grantor or any of its Affiliates or that would impair the validity or enforceability of such Intellectual Property Collateral.

Section 2.07. Further Assurances. (a) Each Grantor agrees that from time to time, at the expense of such Grantor, such Grantor will promptly execute and deliver, or otherwise authenticate, all further instruments and documents, and take all further action that may be reasonably necessary or desirable, or that the Collateral Agent may reasonably request, in order to perfect and protect any pledge or security interest granted or purported to be granted by such Grantor hereunder or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral of such Grantor.

(b) Each Grantor hereby authorizes the Collateral Agent to file one or more financing or continuation statements, and amendments thereto, including, without limitation, one or more financing statements indicating that such financing statements cover all assets or all personal property (or words of similar effect) of such Grantor, in each case without the signature of such Grantor, and regardless of whether any particular asset described in such financing statements falls within the scope of the UCC or the granting clause of this Agreement. A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law. Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements, continuation statements or amendments filed prior to the date hereof.

(c) Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed and/or recorded all financing statements, instruments and documents and take all such actions to perfect the security interests and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the security interests and the filing of any financing statements (including fixture filings) or other documents in connection herewith, all in accordance with the terms hereof and the Secured Agreements.

(d) Each Grantor agrees that within the period or by the date specified on Schedule II-A (or on such later date as the Collateral Agent shall agree) it will deliver the items described on Schedule II-A.

(e) Each Grantor agrees that in connection with any Additional Secured Obligations, if Collateral Agent determines in its reasonable discretion that modification of the Mortgages or, alternatively, replacements of the Mortgages encumbering the Real Estate Collateral pursuant to the First Lien Security Documents (such modifications or replacements, collectively, the “**Mortgage Modifications**”), is necessary or desirable to create or continue the Lien on the Real Estate Collateral following the issuance of such Additional Secured Obligations, then such Grantor shall deliver the Mortgage Modifications covering the Real Estate Collateral duly executed by such Grantor as of the closing date under the applicable Additional Secured Agreement. The applicable Grantor shall also provide Collateral Agent with any and all other deliveries or documents reasonably requested by Collateral Agent in connection with the Mortgage Modifications, including but not limited to endorsements to the lender’s title insurance policies or new lender’s title insurance policies, as the case may be, insuring the Lien of the Mortgage Modifications, local counsel opinions with respect to the Mortgage Modifications containing customary opinions, and in each case in form and substance reasonably satisfactory to Collateral Agent, and such other evidence that all other actions that the Collateral Agent may deem necessary or desirable in order to create valid and subsisting Liens on the property described in the Mortgages has been taken.

Section 2.08. Post-Closing Changes; Bailees; Collections on Assigned Agreements and Accounts. (a) No Grantor will change its name, type of organization, jurisdiction of organization, organizational identification number or location from those set forth in Section 2.06(a) of this Agreement without first giving at least 5 days' (or such lesser period of time as the Collateral Agent may agree) prior written notice to the Collateral Agent and taking all action reasonably required by the Collateral Agent for the purpose of perfecting or protecting the security interest granted by this Agreement.

(b) During the continuation of an Event of Default, if any Collateral of any Grantor is at any time in the possession or control of a warehouseman, bailee or agent, upon the request of the Collateral Agent such Grantor will (i) notify such warehouseman, bailee or agent of the security interest created hereunder and (ii) instruct such warehouseman, bailee or agent to hold all such Collateral solely for the Collateral Agent's account subject only to the Collateral Agent's instructions.

(c) Except as otherwise provided in this subsection (c), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, at the Collateral Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or the Collateral Agent) may deem necessary or advisable to enforce collection thereof; *provided* that the Collateral Agent shall have the right, at any time upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the obligors under any Accounts of the assignment of such Accounts to the Collateral Agent and to direct such obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Collateral Agent referred to in the proviso to the preceding sentence, all amounts and Proceeds (including, without limitation, instruments) received by such Grantor in respect of the Accounts of such Grantor shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Secured Agreements so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 3.02.

Section 2.09. As to Intellectual Property Collateral. (a) Except to the extent failure to act could not reasonably be expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Intellectual Property Collateral for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authority located in the United States, to (i) maintain the validity and enforceability of any registered Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each

Patent, Trademark, or Copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(b) Except as could not be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, each Grantor shall take all commercially reasonable steps which it (or the Collateral Agent during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality.

(d) Each Grantor agrees that, should it obtain an ownership interest in any Intellectual Property Collateral after the date hereof (“**After-Acquired Intellectual Property**”) (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto.

(e) Each Grantor shall, (x) in the case of Material Recordable Publishing Copyrights, not more than 95 days following the last day of every fiscal year of the Company and (y) in the case of any other Material Recordable Intellectual Property, not more than 95 days following the last day of each fiscal year of the Company and 50 days following the last day of each fiscal quarter of the Company, sign and deliver to the Collateral Agent an appropriate Intellectual Property Security Agreement with respect to all Material Recordable Intellectual Property owned by it as of the last day of the most recently ended fiscal year or fiscal quarter (as applicable), to the extent that such Material Recordable Intellectual Property is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it. In each case, it will promptly cooperate as necessary to enable the Collateral Agent to make any necessary or reasonably desirable recordations with the U.S. Copyright Office, the U.S. Patent and Trademark Office or, with respect to any material foreign Trademark, any applicable foreign intellectual property registry, as appropriate.

Section 2.10. Voting Rights; Dividends; Etc. So long as no Event of Default shall have occurred and be continuing:

(i) Each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or

any part thereof for any purpose; *provided* that such Grantor will not exercise or refrain from exercising any such right if such action would have a material adverse effect on the value of the Security Collateral or any part thereof.

(ii) Each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Secured Agreements; *provided* that any and all non-cash dividends, interest and other distributions paid or payable in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Security Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Grantor and be forthwith delivered to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement).

(iii) The Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 2.10(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 2.10(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 2.10(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement).

Section 2.11. Transfers and Other Liens; Additional Shares. (a) Each Grantor agrees that it will not (i) sell, assign or otherwise dispose of, or grant any option with respect to, any of the Collateral, other than sales, assignments and other dispositions of Collateral, and options relating to Collateral, permitted under the terms of the Secured Agreements, or (ii) create or suffer to exist any Lien upon or with respect to any of the Collateral of such Grantor except for the pledge, assignment and security interest created under this Agreement and other Liens permitted under the Secured Agreements.

(b) Each Grantor agrees that it will (i) cause each issuer of the Pledged Equity pledged by such Grantor not to issue any Equity Interests or other Securities in addition to or in substitution for the Pledged Equity issued by such issuer, except to such Grantor, and (ii) pledge hereunder, immediately upon its acquisition (directly or indirectly) thereof, any and all additional Equity Interests or other Securities (subject to Section 2.01(o)(ii) with respect to Voting Foreign Stock).

ARTICLE 3
REMEDIES AND APPLICATION OF PROCEEDS

Section 3.01. Remedies. Subject to Section 4.02, if any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Deposit Accounts and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. The Collateral Agent shall give the applicable Grantors at least ten (10) Business Days' written notice of the time and place of any public sale or the time after which any private sale is to be made and each Grantor agrees that such notice shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary endorsement).

(c) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account.

(d) If the Collateral Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 3.01, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(e) The Collateral Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 3.01, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(f) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in subsection (d) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Collateral Agent shall demand compliance with subsection (d) above.

Section 3.02. Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral of a Grantor, including any Collateral consisting of cash, in the following order of priority:

first, to the payment of all amounts owing to the Collateral Agent (in its capacity as such) pursuant to this Agreement or the terms of any First Lien Security Document or Secured Agreements; and

second, to the payment in full of the Secured Obligation of each Series on a ratable basis in accordance with the applicable amounts thereof, to be applied by the applicable Authorized Representative in accordance with the terms of the applicable Secured Agreement;

provided that (i) in no event shall the proceeds of any collection or sale of Rule 3-16 Excluded Collateral (the “**Rule 3-16 Proceeds**”) be applied to the payment of any Rule 3-16 Additional Secured Obligations and (ii) the Secured Obligations of any Series shall not be reduced by the amount of Rule 3-16 Proceeds for the purpose of determining its ratable share of the proceeds of any collection or sale of Collateral.

ARTICLE 4
INTERCREDITOR MATTERS

Section 4.01. Priority of Claims.

(a) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Secured Obligations granted on the Collateral and notwithstanding any provision of the UCC, or any other applicable law or the Secured Agreements or any defect or deficiencies in the Liens securing the Secured Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 4.01(b), and subject, in the case of Rule 3-16 Collateral, to the last paragraph of Section 2.01), each Secured Party hereby agrees that the Liens securing each Series of Secured Obligations on any Collateral shall be of equal priority.

(b) It is acknowledged that the Secured Obligations of any Series may, subject to the limitations set forth in the then extant Secured Agreements, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section (a) above or Section 3.02 or the provisions of this Agreement defining the relative rights of the Secured Parties of any Series.

Section 4.02. Actions With Respect to Collateral.

(a) The Secured Parties, through their Authorized Representatives and as a condition of accepting the benefits of the security interests granted herein, agree that (i) only the Collateral Agent shall act or refrain from acting with respect to the Collateral, and then only on the instructions of the Applicable Authorized Representative, (ii) the Collateral Agent shall not follow any instructions with respect to such Collateral from any Non-Controlling Authorized Representative (or any other Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other Secured Party (other than the Applicable Authorized Representative) shall or shall instruct the Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Collateral, whether under any First Lien Security Document, applicable law or otherwise, it being agreed that only the Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable First Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Collateral. Notwithstanding the equal priority of the Liens, the Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Collateral Agent, Applicable Authorized Representative or Controlling Secured Party or any other exercise by the Collateral Agent, Applicable Authorized Representative or Controlling Secured Party of any rights and remedies relating to the Collateral, or to cause the Collateral Agent to do so.

(b) Each of the Authorized Representatives agrees that it will not accept any Lien on any Collateral for the benefit of any Series of Secured Obligations (other than funds deposited for the discharge or defeasance of any Additional Secured Agreement) other than pursuant to the First Lien Security Documents, and upon executing this Agreement or an Additional Secured Party Consent, each Authorized Representative and the Series of Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First Lien Security Documents applicable to it.

(c) Each of the Secured Parties agrees that (i) it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any proceeding under any Debtor Relief Law), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; *provided* that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any Authorized Representative to enforce this Agreement and that (ii) if, notwithstanding clause (i), such Secured Party shall obtain possession of any Collateral or shall realize any proceeds or payment in respect of any such Collateral, pursuant to any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any proceeding under any Debtor Relief Law or through any other exercise of remedies at any time prior to the Discharge of Secured Obligations, then it shall hold such Collateral, proceeds or payment in trust for the other Secured Parties and promptly transfer such Collateral, proceeds or payment, as the case may be, to the Collateral Agent, to be distributed in accordance with the provisions of Section 3.02 hereof.

Section 4.03. Reinstatement. In the event that any of the Secured Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under any Debtor Relief Law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto until all such Secured Obligations shall again have been paid in full in cash.

Section 4.04. Insurance. As between the Secured Parties, the Collateral Agent, acting at the direction of the Applicable Authorized Representative, shall have the right to adjust or settle any insurance policy or claim covering or constituting Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Collateral.

Section 4.05. Refinancings. The Secured Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the refinancing transaction under any Secured Agreements) of any Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; *provided* that the Authorized Representative of the holders of any such Indebtedness so Refinanced shall have executed an Additional Secured Party Consent on behalf of the holders of the Indebtedness to be Refinanced and the Company shall have delivered the certificate required by Section 6.10 with respect to such Indebtedness being Refinanced.

Section 4.06. Possessory Collateral Agent as Gratuitous Bailee For Perfection.

(a) The Collateral Agent agrees to hold any Collateral constituting Possessory Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 4.06. Pending delivery to the Collateral Agent, each other Authorized Representative agrees to hold any Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the

benefit of each other Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 4.06.

(b) The duties or responsibilities of the Collateral Agent and each other Authorized Representative under this Section 4.06 shall be limited solely to holding any Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Secured Party for purposes of perfecting the Lien held by such Secured Parties therein.

Section 4.07. Existence and Amount of Liens and Obligations. Whenever the Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Secured Obligations of any Series, or the Collateral subject to any Lien securing the Secured Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination on the basis of the information so furnished; *provided* that if an Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Secured Party or any other person as a result of such determination.

Section 4.08. Provisions Solely to Define Relative Rights. The provisions of this Article 4 are and are intended solely for the purpose of defining the relative rights of the Secured Parties in relation to one another. None of the Company, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement. Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Secured Obligations as and when the same shall become due and payable in accordance with their terms.

ARTICLE 5 COLLATERAL AGENT

Section 5.01. Appointment and Authority.

(a) Each of the Secured Parties hereby irrevocably appoints Wells Fargo Bank, National Association to act on its behalf as the Collateral Agent hereunder and under each of the other First Lien Security Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 5.05 for purposes

of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the First Lien Security Documents, or for exercising any rights and remedies thereunder at the direction of the Applicable Authorized Representative, shall be entitled to the benefits of all provisions of this Article 5 and Section 7.07 of the Indenture and the equivalent provision of any Additional Secured Agreement (as though such co-agents, sub-agents and attorneys-in-fact were the “Collateral Agent” or “Administrative Agent” under the First Lien Security Documents) as if set forth in full herein with respect thereto.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Collateral Agent shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with any Collateral as provided herein and in the First Lien Security Documents, without regard to any rights to which the holders of the Non-Controlling Secured Obligations would otherwise be entitled as a result of such Non-Controlling Secured Obligations. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Collateral Agent, the Applicable Authorized Representative or any other Secured Party shall have any duty or obligation first to marshal or realize upon any type of Collateral (or any other Collateral securing any of the Secured Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Collateral (or any other Collateral securing any Secured Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation.

(c) Each of the Secured Parties waives any claim it may now or hereafter have against the Collateral Agent or the Authorized Representative of any other Series of Secured Obligations or any other Secured Party of any other Series arising out of any actions which the Collateral Agent, any Authorized Representative or any Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Secured Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the Secured Obligations or the valuation, use, protection or release of any security for the Secured Obligations.

Section 5.02. Rights as a Secured Party. The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party under any Series of Secured Obligations that it holds as any other Secured Party of such Series and may exercise the same as though it were not the Collateral Agent and the term “Secured Party” or “Secured Parties” or (as applicable) “Notes Secured Party”, “Notes Secured Parties”, “Additional Secured Party” or “Additional Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

Section 5.03. Exculpatory Provisions.

(a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other First Lien Security Documents. Without limiting the generality of the foregoing, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other First Lien Security Documents that the Collateral Agent is required to exercise as directed in writing by the Applicable Authorized Representative; *provided* that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any First Lien Security Document or applicable law;

(iii) shall not, except as expressly set forth herein and in the other First Lien Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Applicable Authorized Representative, (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company stating that such action is permitted by the terms of this Agreement. The Collateral Agent shall be deemed not to have knowledge of any Event of Default under any Series of Secured Obligations unless and until notice describing such Event of Default is given to the Collateral Agent by the Authorized Representative of such Secured Obligations or the Company; and

(v) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other First Lien Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any event or condition that constitutes an Event of Default, or that, with the giving of any notice, the passage of time, or both, would be an Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First Lien Security Documents, (v) the value or the sufficiency of any Collateral for any Series of Secured Obligations, or (vi) the satisfaction of any condition set forth in any Secured Agreement, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent.

Section 5.04. Reliance by Collateral Agent. The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 5.05. Delegation of Duties. The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other First Lien Security Document by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent.

Section 5.06. Resignation of Collateral Agent. The Collateral Agent may at any time give notice of its resignation as Collateral Agent under this Agreement and the other First Lien Security Documents to each Authorized Representative and the Company. Upon receipt of any such notice of resignation, the Applicable Authorized Representative shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Applicable Authorized Representative and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the Secured Parties, appoint a successor Collateral Agent meeting the qualifications set forth above; *provided* that if the Collateral Agent shall notify the Company and each Authorized Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Collateral Agent shall be discharged from its duties and obligations hereunder and under the other First Lien Security Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Secured Parties under any of the First Lien Security Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the perfection of the security interests of the Secured Parties therein until such time as a successor Collateral Agent is appointed but with no obligation to take any further action at the request of the Applicable Authorized Representative or any other Secured Parties) and (b) all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by or to each Authorized Representative directly, until such time as the Applicable Authorized Representative appoints a successor Collateral Agent as provided for above in this Section 5.06. Upon the acceptance of a successor's appointment as Collateral Agent hereunder and under the First Lien Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other First Lien Security Documents (if not already discharged therefrom as provided above in this Section 5.06). After the

retiring Collateral Agent's resignation hereunder and under the other First Lien Security Documents, the provisions of this Article and Section 7.07 of the Indenture and the equivalent provision of any Additional Secured Agreement shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of resignation of the Collateral Agent hereunder and under the other First Lien Security Documents, the Company agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the First Lien Security Documents to the successor Collateral Agent.

Section 5.07. Non-Reliance on Collateral Agent and Other Secured Parties. Each Secured Party acknowledges that it has, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Agreements. Each Secured Party also acknowledges that it will, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Secured Agreements or any related agreement or any document furnished hereunder or thereunder.

Section 5.08. Collateral And Guaranty Matters. Each of the Secured Parties irrevocably authorizes the Collateral Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Collateral Agent under any First Lien Security Document in accordance with Section 6.05 or upon receipt of a written request from the Company stating that the releases of such Lien is permitted by the terms of each then extant Secured Agreement;

(b) to release or subordinate any Grantor from its obligations under the First Lien Security Documents upon receipt of a written request from the Company stating that such release is permitted by the terms of each then extant Secured Agreement.

ARTICLE 6 MISCELLANEOUS

Section 6.01. Indemnity and Expenses. (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel (which shall be limited to one (1) counsel to the Collateral Agent and the Secured Parties, unless (x) the interests of the Collateral Agent and the Secured Parties are sufficiently divergent, in which case one (1) additional counsel may be appointed, and (y) if the interests of any Secured Party or group of Secured Parties are distinctly or disproportionately affected, one (1) additional counsel for such Secured Party or group of Secured Parties)) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this

Agreement), except to the extent such claim, damage, loss, liability or expense has resulted from such Indemnified Party's gross negligence or willful misconduct or breach of this Agreement by the Secured Party.

(b) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable out-of-pocket expenses, including, without limitation, the reasonable fees and expenses of its counsel and of any experts and agents, that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 6.02. Amendments; Waivers; Additional Grantors; Etc. (a) No amendment or waiver of any provision of this Agreement (other than pursuant to any Additional Secured Party Consent), and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by each Grantor to which such amendment or waiver is to apply, by the Collateral Agent and by each Authorized Representative (with the consent of the requisite number of debt holders or Secured Parties specified in the applicable Secured Agreement, if any), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "**Security Agreement Supplement**"), (i) such Person shall be referred to as an "**Additional Grantor**" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other First Lien Security Documents and Secured Agreements to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other First Lien Security Documents or Secured Agreements to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through V attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through V, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

(c) Each Secured Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document, so long as the Collateral Agent receives a certificate of the Company stating that such amendment is permitted by the terms of each then extant Secured Agreement. Additionally, each Secured Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document solely as such First Lien Security Document relates to a particular Series of Secured Obligations so long as (x) such amendment is in accordance with the Secured Agreements pursuant to which such Series of Secured Obligations was incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series.

(d) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Collateral Agent to evidence and confirm any release of Collateral or amendment to any First Lien Security Document provided for in this Section or Section 6.05.

Section 6.03. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, teletype or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the Company at the Company's address specified in Section 12.02 of the Indenture, if to the Collateral Agent, the address specified in Section 12.02 of the Indenture and if to any holder of obligations under any Additional Secured Agreement, to such holder's Authorized Representative at its address set forth in the Additional Secured Party Consent, as such address may be changed by written notice to the Collateral Agent and the Company. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 12.02 of the Indenture or the Additional Secured Agreement, as applicable. Delivery by telecopier of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 6.04. Continuing Security Interest; Assignments Under The Secured Agreements. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the Discharge of Secured Obligations, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their permitted respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the applicable Secured Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise, in each case as provided in the applicable Secured Agreements.

Section 6.05. Release; Termination. (a) The Lien granted hereby in any Collateral (but not any Proceeds thereof) shall automatically be released (i) upon any sale, lease, transfer or other disposition of such Collateral permitted by, and in accordance with, the terms of the Secured Agreements to any Person other than Holdings, the Company or any Restricted Subsidiary (as defined in any Secured Agreement) and (ii) upon the effectiveness of any consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.03 of the Indenture and any applicable provision of any Additional Secured Agreement. The Lien created under this Agreement on the Collateral of any Grantor shall automatically terminate and such Grantor shall automatically be released from its obligations hereunder (x) as it relates to the Notes Obligations, if such Grantor is released from its Guaranty in accordance with Section 11.05 of the Indenture and (y) as it relates to the Secured Obligations under any Additional Secured Agreement, if it ceases to be a guarantor under such Additional Secured Agreement pursuant to the applicable provisions of such Additional Secured Agreement. The Collateral Agent will, at such Grantor's expense, execute and deliver to

such Grantor such documents as such Grantor shall reasonably request to evidence any release of the Lien created under this Agreement on any Collateral pursuant to this Section 6.05(a); *provided* that such Grantor shall have delivered to the Collateral Agent a written request therefor describing the item of Collateral and the terms of the sale, lease, transfer or other disposition in reasonable detail, and a certificate of such Grantor to the effect that the transaction is in compliance with the First Lien Security Documents and any Secured Agreements and as to such other matters as the Collateral Agent may request. The Collateral Agent shall be authorized to rely on any such certificate without independent investigation.

(b) Upon the Discharge of Secured Obligations, the Lien on all Collateral created under this Agreement shall terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Collateral Agent will, at the Company's expense, execute and deliver to the Company such documents as such Grantor shall reasonably request to evidence such termination; *provided* that the Company shall have delivered a certificate to the effect that the Discharge of Secured Obligations has occurred and as to such other matters as the Collateral Agent shall reasonably request. The Collateral Agent shall be authorized to rely on such certificate without further investigation.

Section 6.06. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of an original executed counterpart of this Agreement.

Section 6.07. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of Fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 6.08. Governing Law; Jurisdiction; Waiver of Jury Trial, Etc. (a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER FIRST LIEN SECURITY DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH GRANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH GRANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY FIRST LIEN SECURITY DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) EACH GRANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE SECURED AGREEMENTS OR THE TRANSACTIONS RELATED THERETO.

Section 6.09. Severability. If any provision of any First Lien Security Document is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of the First Lien Security Documents shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Collateral Agent and the Secured Parties in order to carry out the intentions of the parties thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.

Section 6.10. Additional Secured Obligations. On or after the date hereof and so long as not prohibited by any Secured Agreement then outstanding, the Company may from time to time designate indebtedness at the time of incurrence to be secured as Additional Secured Obligations (and Secured Obligations) on the terms and conditions set forth in this Agreement by delivering to the Collateral Agent and each Authorized Representative (a) a certificate signed by a Responsible Officer (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof; *provided* that with respect to obligations constituting First Lien Obligations pursuant to clauses (f) or (g) of the definition thereof, such certificate need not identify the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Additional Secured Obligations for the purposes hereof, (iii) representing that the incurrence of such obligation and the designation of such obligations as Additional Secured Obligations complies with the terms of the Indenture and any Additional Secured Agreements, and (iv) specifying the name and address of the Authorized Representative for such obligations and (b) a fully executed Additional Secured Party Consent. Each Authorized Representative agrees that upon the satisfaction of all conditions set forth in the preceding sentence, the Collateral Agent shall act as collateral agent under and subject to the terms of the First Lien Security Documents for the benefit of all Secured Parties, including without limitation, any Secured Parties that hold any such Additional Secured Obligations, and each Authorized Representative agrees to the appointment, and acceptance of the appointment, of the Collateral Agent as collateral agent for the holders of such Additional Secured Obligations as set forth in each Additional Secured Party Consent and agrees, on behalf of itself and each Secured Party it represents, to be bound by this Agreement.

Section 6.11. Replacement Of Authorized Representatives. The Company may replace the Authorized Representative for any Series of Additional Secured Obligations by delivering to the Collateral Agent (a) a certificate from a Responsible Officer representing that the appointment of the replacement Authorized Representative is in accordance with the requirements of the Secured Agreements for such Series of Additional Secured Obligations and (b) an Additional Secured Party Consent duly executed by the replacement Authorized Representative. Such replacement Authorized Representative shall become the sole Authorized Representative for the applicable Series of Secured Obligations with effect from the date of delivery of the foregoing documents.

Section 6.12. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

Section 6.13. Survival. This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under any Debtor Relief Law by or against the Company or any of its Subsidiaries.

IN WITNESS WHEREOF, the parties hereto have caused this SECURITY AGREEMENT to be duly executed as of the date first above written.

(iii) all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(iv) each Patent license to which the Grantor is a party, including, without limitation, each Patent license referred to in Schedule 1 hereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
